Section 6: Provider Rights and Responsibilities

As a contracted Provider for Kaiser Permanente, you are responsible for understanding and complying with terms of your Agreement and this Provider Manual. If you have any questions regarding your rights and responsibilities under the Agreement and the Provider Manual, we encourage you to call your Provider Representative at 1-866-866-3951 for clarification.

The Provider Manual is not intended to provide specific instructions on how to comply with these rights and responsibilities.

As a Participating Provider, you are responsible for the following:

- To verify eligibility of Kaiser Permanente Members prior to providing covered services.
- To provide medically necessary services to eligible Members.
- To verify whether a Member has other health care coverage for coordination of benefits.
- To refer Members, as needed, to other Participating Providers.
- To comply with Kaiser Permanente's referral and authorization requirements.
- To notify Kaiser Permanente of any potential inpatient discharge problems.
- To submit claims or encounter data to Kaiser Permanente on behalf of Kaiser Permanente Members.
- To provide prior written notice of practice closures (and reopenings), changes in Participating Provider demographics and practice limitations.
- To provide health care services without discriminating on the basis of health status or any other unlawful category.
- To uphold all applicable responsibility outlined in Kaiser Permanente Member Rights and Responsibility Section in this Provider Manual.
- To maintain open communication with a Kaiser Permanente Member to discuss treatment needs and recommended alternatives, without regard to any covered benefit limitations or Kaiser Permanente administrative policies and procedures. Kaiser Permanente encourages open provider patient communication regarding appropriate treatment alternatives and does not restrict providers from discussing all medically necessary or appropriate care with a Kaiser Permanente Member.
- To provide all services in a culturally competent manner.
- To provide all covered services in a manner consistent with professionally recognized standards of health care.

- To assure that Members are informed of specific health care needs requiring follow-up and receive, as appropriate, training in self-care and other measures the Member may take to promote their own health.
- To participate in Kaiser Permanente Utilization Management and Quality Programs and Policy.
- To collect applicable Member Cost Shares including copayments, deductibles and co-insurance from Kaiser Permanente Members as required by your Agreement.
- To comply with this Provider Manual and the terms of your Agreement.
- To cooperate with and participate in the Kaiser Permanente Member complaint and grievance process as necessary.
- To secure authorization or referral from Member's PCP prior to providing any nonemergency services when applicable.
- To pursue improvement in patient safety including incorporating patient safety initiatives into daily activities.
- To ensure compliance with patient safety accreditation standards, legislation and regulations.
- To be responsible for maintaining a complete medical record for patient who elect to receive their health care through your offices.
- To ensure the confidentiality of Kaiser Permanente Members' personal and medical information.
- To be responsible for the safeguarding of both the Kaiser Permanente Member's medical record and its information content against loss, defacement, tampering and from use by unauthorized agents.

The provider will also be notified through the standard claims adjudication process via an Explanation of Payment (EOP).

6.7. Provider Rights and Responsibilities / Medicare Advantage

Adherence to Appeals Procedures (same as under Member Rights) Compliance with Laws and Regulations:

Practitioners and providers and subcontractors must agree to comply with all rules and regulations that are applicable to Federal contracts. These include all laws and regulations applicable to Federal contracts, including Title VI of the Civil Rights Act of 1964, the Age Discrimination Act of 1975, the Americans with Disabilities Act, and all other laws applicable to recipients of Federal funds. You must comply with Federal criminal law, the False Claims Act (31 U.S.C. 3729 et. Seq.) and the anti-kickback statute (section 1128B(b) of the Act). This also includes the general rules that might apply, and the policies, procedures and manual provisions, as well as other program requirements, issued by CMS. These also include Kaiser Permanente's policies and procedures.

6.7.1 Compliance with Policies and Programs

All practitioners and providers must comply with the medical policy, quality assurance program and medical management program. This includes reviewing and participating in the programs as required.

6.7.2 Continuation of Services after Termination

Practitioners and providers acknowledge that they will continue to provide benefits to members if Kaiser Permanente goes bankrupt, cannot pay its debts, or terminates its contract with CMS or another provider. Practitioners and providers must continue to serve the member until the end of the month in which CMS makes its last payment to Kaiser Permanente for the member. If the member is hospitalized when the contract is terminated, the obligation to provide services continues until discharge.

6.7.3 Cooperate with Independent Quality Review

Quality Review is an essential part of Kaiser Permanente's arrangement with CMS. Since medical care is subject to quality review, practitioners and providers are responsible to participate in quality review and are obligated to participate in any quality review function Kaiser Permanente designates.

6.7.4 Cultural Competency

Practitioners and providers must ensure that services are provided in a culturally competent manner to all members. Kaiser Permanente expects providers to provide health care that is sensitive to the needs and health status of different population groups. This includes members with limited English proficiency or reading skills, diverse cultural and ethnic backgrounds, and physical and mental disabilities. Kaiser Permanente has a Diversity Department that can assist you with questions Provider may have regarding this matter.

6.7.5 Delegation

If Kaiser Permanente has delegated any core activity or function (as defined by CMS) to a contracted practitioner, the activity or function must be monitored and overseen by Kaiser Permanente.

To the extent that any practitioner or provider has been delegated any activities or functions which are the responsibility of Kaiser Permanente, the provider or practitioner will make periodic and other reports as reasonably required by Kaiser Permanente. In its agreements with practitioners and providers, Kaiser Permanente will specify the delegated activities and reporting responsibilities, termination procedures should the affiliated practitioner not perform function(s) as required, and Kaiser Permanente's right and responsibility to perform ongoing monitoring.

6.7.6 Disclosure of Quality and Performance Indicators

Kaiser Permanente conducts ongoing studies and surveys of member satisfaction and health outcomes. The provider must participate in these studies and surveys as requested by Kaiser Permanente pursuant to CMS standards.

6.7.7 Follow Up Care and Training in Self Care

Contracted providers must ensure members receive the information they need to participate fully in their own care, including information on such subjects as: self-care, medication management, use of medical equipment, potential complications and when these should be reported to providers, and scheduling of follow up services.

6.7.8 Adherence to CMS Marketing Provisions

All forms of written or electronic marketing materials for potential and current members must be reviewed and approved by Kaiser Permanente Medicare Compliance and/or CMS before they are sent.

Marketing materials include materials used to promote Kaiser Permanente or Kaiser Permanente Senior Advantage, inform Medicare members and beneficiaries about enrollment, explain coverage of benefits and plan rules, and explain coverage of Medicare services. Materials will usually be developed, produced and disseminated by Kaiser Permanente. If practitioners and providers or provider groups develop their own informational materials intended to inform their Medicare patients about Kaiser Permanente Senior Advantage or its services, such materials must be submitted to Kaiser Permanente Medicare Compliance for review and approval. Marketing materials developed by practitioners and providers that are intended for Senior Advantage members or other Medicare beneficiaries require Kaiser Permanente Medicare Compliance and/or CMS approval.

6.7.9 No Recourse Against Members

CMS requires Medicare Advantage members be protected from incurring financial liability for charges that are the obligation of Kaiser Foundation Health Plan of Colorado. Senior Advantage members are liable only for cost-sharing amounts that are specified in the member's Evidence of Coverage.

6.7.10 Notice and Hearing Rights

If Kaiser Permanente suspends or terminates an agreement for services, its written notice of such suspension or termination will be provided to the party with whom Kaiser Permanente has the contract. If the contract is with an individual affiliated provider, Kaiser Permanente will provide the practitioner or provider with the notice of hearing rights as required by the Medicare Advantage statutes, rules and regulations. If the contract is with a practitioner or provider group or organization, the group or

organization must give each affected physician who is entitled to notice and a hearing under the Medicare Advantage Program, written notice of such suspension or termination. The notice shall include notice of the right to appeal, the process, and timing for such appeal, and reference Kaiser Permanente's notice and hearing procedures. Any such rights of appeal will not delay the date of suspension or termination. Rights of appeal and hearing are only available to individual physicians.

6.7.11 Notice of Termination of Practitioners

Kaiser Permanente has procedures in place to notify all affected members of the termination of a practitioner. Such terminated practitioners may only communicate with members in accord with Kaiser Permanente policies and procedures.

Furthermore, terminated practitioners must provide Kaiser Permanente with the information needed to meet its notice obligations. Kaiser Permanente is required to make a good faith effort to notify affected members within 30 calendar days of the date when the notice of termination was provided.

6.7.12 Payment and Incentive Arrangements

Payment arrangements between Kaiser Permanente and its practitioners and providers must be specified in all contracts. These provisions apply to all levels of contracting, and it is important that this requirement be included at each level of the contracting process. Note that no contract provision can create an incentive to reduce or limit services to a specific member.

6.7.13 Professionally Recognized Standards of Health Care

Services to members must be provided in a manner consistent with professionally recognized standards of care.

6.7.14 Prohibition against Contracting with Excluded Individuals and Entities and Opt Out Providers

Kaiser Permanente is prohibited from employing or contracting with practitioners and providers excluded from participation in any Federal health care program, including Medicare. Affiliated practitioners and providers are also prohibited from employing or contracting with such providers. In addition, Kaiser Permanente may not contract with practitioners and providers who treat Kaiser Permanente Medicare Advantage members unless they participate in Medicare. Such practitioners and providers must certify to Kaiser Permanente that their contractors are eligible to participate in Medicare. Contracts are terminable for these reasons.

6.7.15 Prompt Payment

The amount of payment and the period in which payment should be made must be set forth in the contract. Any subcontracts that you have with practitioners or providers to

provide services to Senior Advantage members must likewise contain a prompt payment provision.

6.7.16 Terminations without Cause

To ensure stability and continuity in services for Senior Advantage members, CMS requires that Medicare Advantage organizations like Kaiser Permanente and its practitioners and providers provide each other with at least 60 days written notice before terminating a contract without cause.

6.7.17 Medicaid and CHP+ Providers

Providers who see Child Health Plan *Plus* (CHP+) and Health First Colorado (Medicaid) patients are required to enroll with the state. For more information about how to enroll, visit the state's enrollment site: <https://www.colorado.gov/pacific/hcpf/provider-enrollment>.
