# Get started with these easy steps

## Step 1. Choose your doctor

Good health care begins with you building a relationship with your personal physician. Your doctor is your health care advocate, your direct link to all Kaiser Permanente facilities, and your source for referrals to specialists.

Select your personal physician from any of our available providers. You can change your personal physician at any time and for any reason.

To choose a Kaiser Permanente provider:

1. Select a medical location where you plan to receive services. Most members select a medical facility that is convenient to home or work.
2. Choose a doctor from one of three primary care options:
  - **Family Medicine** cares for members of all ages and specializes in caring for entire families.
  - **Internal Medicine** specializes in medical and preventive care for adults.
  - **Pediatrics** focuses on the specialized needs of children from birth to the age of 21.
3. To choose and change your doctor, simply call your facility or go online at [kp.org/chooseyourdoctor](https://kp.org/chooseyourdoctor).

## Step 2. Making appointments

Two easy ways to schedule your appointments at a Kaiser Permanente facility:

- Visit [kp.org/appointments](https://kp.org/appointments) on your computer or use the Kaiser Permanente mobile app, and tap Appointments on the app dashboard. You can schedule office or phone visits with your primary care physician and same-day adult care visits, and some specialty appointments.
- Call your doctor's office.

### Preparing for your appointment

- Check in with your Kaiser Permanente member ID card and a valid photo ID.
- If you have additional health insurance in addition to Kaiser Permanente, please bring the insurance card with you.
- Bring the names of any medications you are taking, including non-prescription medicines, so we can make sure that your prescriptions are uninterrupted and your doctor has all the information needed to care for you.
- Tell the doctor about any treatments you are currently receiving, and feel free to ask questions.

To cancel an appointment, visit [kp.org/appointments](https://kp.org/appointments) or call your Kaiser Permanente medical facility. If you're bringing in a child that is not your own, please get an authorization form from Member Services or have a notarized Health Care Power of Attorney form.

For more details on your benefit coverage, please refer to the Added Choice Member Handbook and your Benefit Summary.

# Get started with these easy steps

## Step 3. Paying for Kaiser Permanente services

When it's time for your appointment at a Kaiser Permanente facility, be prepared to pay for your services. Your portion may include a copayment, coinsurance, or deductible.

Charges for office visits, labs, X-rays, other tests, procedures, or prescription medication copayments, are due on the same day that you receive services.

We will tell you in advance if any deposits or prepayments are required prior to certain high-cost services or items related to scheduled procedures.

Pay with cash, personal check, debit or credit card (Visa®, MasterCard®, Discover®, and American Express®).

You may be billed supplemental charges for services performed after you've paid and left the clinic. For example, your doctor may need to send tissue samples or specimens for further testing.

- You can track costs for services you've received at a Kaiser Permanente facility at [kp.org/outofpocket](https://kp.org/outofpocket).<sup>†</sup>
- Get a personalized cost estimate at [kp.org/costestimates](https://kp.org/costestimates). Before you come in for care at a Kaiser Permanente facility, use this tool to find out what you can expect to pay out of pocket for common exams, tests, and services.\*
- Pay your Kaiser Permanente medical bills at [kp.org/paymedicalbills](https://kp.org/paymedicalbills).<sup>†</sup>

### Questions?

Call our Patient Financial Services Department at 808-432-5340 (Oahu) or toll free 1-800-598-5928 (neighbor islands).

## Self-referrals and specialists

You don't need a doctor's referral to make appointments for the following services and departments:

- Eye examinations for glasses and contact lenses
- Family Medicine
- Health Education
- Internal Medicine
- Mental health and wellness
- Pediatrics
- Physical Therapy
- Social Work
- Sports Medicine

**NOTE:** Precertification may be required for the above services when the care is provided by contracted or non-contracted providers. Consult your Kaiser Permanente Insurance Company Certificate of Insurance for complete details.

You'll need a referral to see a Kaiser Permanente provider for services not listed above. Your Kaiser Permanente personal physician can refer you to a specialist when it's medically necessary.

\*You must be registered on [kp.org](https://kp.org) to use this secure tool. The Estimates tool provides a general idea of what you may pay for a treatment or service, based on your plan benefits. What you actually pay may be higher or lower depending on the care you receive. Your bill will show the actual cost of the service and what you will need to pay.

<sup>†</sup>You must be registered on [kp.org](https://kp.org) to use this secure tool.

# Contracted providers | Arranging for your care

## Arranging for your care

With Added Choice, you can always choose where to get health care. Your Added Choice plan lets you receive services from Kaiser Permanente providers, contracted providers, and noncontracted providers in your community.

## Choosing a contracted or noncontracted provider

Please check that your provider is a contracted provider<sup>1</sup> prior to receiving services. Contracted providers have agreed to negotiated rates for covered services and have agreed not to collect from you amounts over the Maximum Allowable Charge (MAC).

Noncontracted providers have not agreed to negotiated rates with Kaiser Permanente Insurance Company. If you have chosen a noncontracted provider, you may be billed an amount above the MAC and you may be asked to pay in full at the time services are provided.

**For more details on your benefit coverage, please refer to the *Added Choice Member Handbook*, your group's *Benefit Summary* and the *Kaiser Permanente Insurance Company Certificate of Insurance*.**

## Appointments

You may make appointments for covered services with contracted and noncontracted providers by calling the provider's office directly. Consult your Kaiser Permanente Insurance Company Certificate of Insurance for a complete listing of covered services, exclusions, and limitations before you receive care from a contracted or noncontracted provider. Before receiving treatment, be sure to confirm:

- Your provider's status in the Added Choice plan. Providers may be added or deleted from the Added Choice plan without notice to you.
- Whether the services require precertification. In most cases, you may go directly to a contracted or noncontracted provider, but in a few circumstances, you must obtain precertification by the Kaiser Permanente Insurance Company Medical Review Program before receiving treatment. All inpatient admissions and some outpatient procedures require precertification. See your Certificate of Insurance for a complete list of covered services that require precertification. You can reach the Medical Review Program at **1-800-238-5742**, 24 hours a day, 7 days a week.

To receive nonemergency services from contracted and noncontracted providers, just follow these easy steps:

1. Present your ID card when you check in.
2. Provide your medical record number and correct mailing address.
3. Have your provider file a standard CMS-1500 claim form.

---

<sup>1</sup>The contracted provider option and non-contracted provider option portions of this plan are underwritten by Kaiser Permanente Insurance Company (KPIC), a subsidiary of Kaiser Foundation Health Plan, Inc.
