

3. Eligibility and Benefits Determination

3.1 Eligibility and Benefit Verification

Providers are responsible for verifying Members' eligibility and benefits. Each time a Member presents at the office for services, Providers should:

- Verify the patient's current eligibility status
- Verify covered benefits
- Obtain necessary authorizations (if applicable)

Do not assume that eligibility is in effect because a person has a Health ID Card. Please check a form of photo identification to verify the identity of the Member. Except in an emergency situation, the Provider must verify that the Member has a benefit for the service prior to providing services.

Providers are invited and encouraged to utilize KP's **Online Affiliate** to verify member eligibility and benefits.

To access the KP Online Affiliate portal, click on the following link, choose your region and navigate to the Online Provider section: <https://kp.org/providers>

Alternately, contact the Member Services Contact Center (MSCC) to verify the Member's eligibility and benefits. It is important to verify the availability of benefits for services before rendering the service so the Member can be informed of any potential payment responsibility. If services are provided to a Member and the service is not a benefit or the benefit has been exhausted, denied or not authorized, KFHP may not be obligated to pay for those services.

Member Services Contact Center representatives are available Monday - Friday from 8AM to 5PM, Pacific Time (PT) at (888) 576-6789

By calling MSCC, providers may verify Member eligibility and benefits, and/or speak with a Member Services representative. Please be prepared to provide the Member's name and MRN which is located on the KP Health ID card.

Self-Service is available in the IVR System 24 hours per day, 7 days per week at (888) 576-6789.

3.1.1 After Hours Eligibility Requests

Providers may contact KP 24 hours per day, 7 days per week to verify benefits and eligibility. Providers are invited and encouraged to request access to KP’s Online Affiliate tool. Please see the Northern California Community Provider Portal (CPP) for more information at:

Alternately, you may call the IVR system of the KP Member Services Contact Center to verify benefits and eligibility 24 hours per day, 7 days per week at: **(888) 576-6789**. You may also request the patient complete a financial responsibility form that places payment responsibility on the patient in the event they are later found to be ineligible as a Member or the care provided is not a covered benefit. A financial responsibility form is not required for provision of emergency services; however, KFHP will not pay for emergency or unauthorized services provided if the person is not a Member.

3.1.2 Benefit Coverage Determination

In addition to eligibility, Providers must confirm that the Member has coverage for the services at issue prior to providing such services to a Member, usually by requesting an authorization or receiving a referral from KP. Section 4.3 of this Provider Manual provides further details on the process for obtaining referrals and authorizations, except in cases of emergency.

3.2 Membership Types

The table below generally describes the different HMO membership types.

3.3 Benefit Exclusions and Limitations

KFHP benefit plans may be subject to limitations and exclusions. Before rendering services, it is important to contact MSCC to obtain information on, and verify the availability of, Member benefits for services so the Member can be informed of any potential payment responsibility.

If services are provided to a Member and the service is not a benefit, the benefit has been exhausted, denied or was not authorized, KFHP will not be obligated to pay for those services, except to the extent required by law.

3.4 Drug Benefits

The drug benefits vary based on the benefit plan. To verify if a Member has a drug benefit, please contact MSCC.
