

Health care the way it's meant to be

Dr. Hector DeLeon, Kaiser Permanente Colorado Pediatrics

Care options to fit your lifestyle:
a guide for getting the care you
and your family need.

Thank you for choosing Kaiser Permanente for your health care and coverage.

We offer many ways for you to get the care you need, when it's convenient for you.

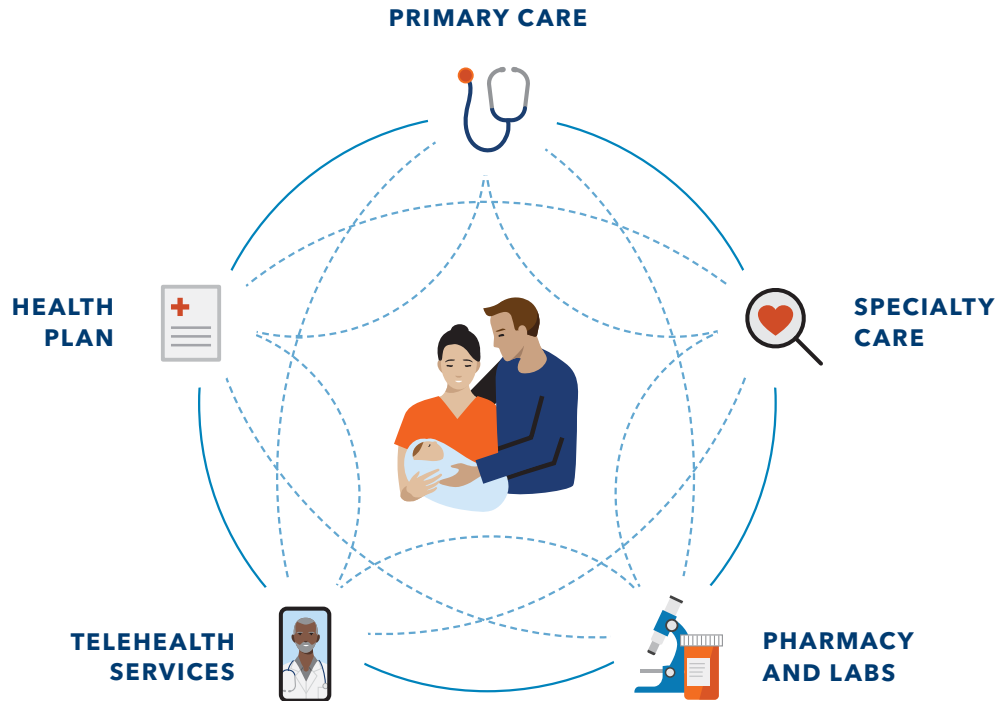

In this guide, you'll find explanations of all your care options, their locations, and instructions on how to access them, including:

- In-person office visits with your care team
- Chat with a doctor, mental health specialist, and more
- 24/7 medical advice
- 24/7 on-demand video visits

Kaiser Permanente Medical Offices

At most Kaiser Permanente medical offices, **you can see a doctor, fill a prescription, and have lab and imaging services done in the same place.** You can get care from any Kaiser Permanente medical offices in Colorado.

How care works at Kaiser Permanente

Kaiser Permanente combines care and coverage in an **integrated care delivery system** – which makes us different than other health care providers. Your doctors, hospitals, and health plan work together to make exceptional health care easy to get. That means you'll have peace of mind knowing that care for your total health is available when and where you need it – from your doctor's office to your living room. Find out more about integrated care at Kaiser Permanente at kp.org/myhealthyplace.

Kaiser Permanente primary care providers, specialists, and other care team members are connected to each other through one computer system called an electronic health record.¹ They have instant access to your complete medical history – including prescriptions, X-rays, labs and test results. This allows them to coordinate your care – so you don't have to!

Your care options

Online/mobile

Chat

Chat online with a Kaiser Permanente doctor, mental health specialist, pharmacist, financial counselor, or member services. Online chat is for routine and urgent medical advice 7 days a week. If needed, doctors will refer you for in-person care and order prescriptions.

E-mail²

Get answers to non-urgent medical questions by emailing your doctor's office through our secure message center.

E-visit

Fill out a short questionnaire about your symptoms. You will either be guided to care through a virtual channel, or you will receive self-care advice. In some cases, a registered nurse will get back to you with a care plan.

Scheduled phone or video visits²

Schedule a video or phone visit with your Kaiser Permanente doctor or mental health provider for the same high-quality care as an in-person visit.

24/7 medical advice

You can call the Clinical Contact Center 24/7 if you need routine or urgent medical or mental health advice or need help choosing the right care option.

24/7 on-demand video visits

Visit with a doctor any time, day or night, by video. Get routine or urgent medical advice, referrals, prescriptions and more.

At Kaiser Permanente, you have many ways to get care, including in-person, online, and by phone. With most plans, there is no additional cost for phone and online care options. If you have questions about your benefits or cost of care:

- Review your Evidence of Coverage, Membership Agreement, or Certificate of Insurance at [kp.org/eoc](https://www.kp.org/eoc)
- Call Member Services at **303-338-3800** or **1-800-632-9700** (TTY 711)
- Chat with a financial counselor online at [kp.org](https://www.kp.org) or call **303-338-3025** or **1-877-803-1929** (TTY 711)

Online chat with a doctor or mental health specialist, as well as video and phone services, are offered at no additional cost for most health plans. For these services, some PPO or high deductible health plans are subject to a copayment, coinsurance or deductible first before being provided at no additional cost.

With the Kaiser Permanente app and [kp.org](https://www.kp.org) you can:

- Email your doctor's office²
- Refill prescriptions
- Schedule appointments²
- Pay medical bills
- And more

Registering is easy

Mental health services

Get care for a wide range of mental health and addiction services, including treatment for depression, substance use, eating disorders, medication evaluation and management, and more.

To connect with a mental health care provider, call **303-471-7700** (TTY **711**), or toll free at **1-866-359-8299** (TTY **711**). Those who live in Southern Colorado can call **1-866-702-9026** (TTY **1-866-835-2755**).

In-patient care

If you require a scheduled hospitalization, your doctor will most likely refer you to one of many hospitals that are in-plan with Kaiser Permanente. See page 13 for a list of these hospitals.

Urgent care

For illnesses or injuries requiring prompt attention but that are not medical or psychiatric emergencies. This can include abdominal pain, asthma, cough, fever, sore throat, earaches, headaches, migraines, minor lacerations, ankle sprains, and other urgent conditions.

Kaiser Permanente urgent care centers at the Lakewood, Lone Tree, and Aurora Centrepont Medical Offices offer evening, weekend, and holiday hours. Our providers can see patients of all ages and have access to your electronic medical record. Each location offers imaging, lab, and pharmacy services. See all Colorado urgent care locations on pages 9-10.

If you have an urgent care need, call us for advice. We can help you determine what type of care is most appropriate for your condition/symptom or help you schedule an appointment, if appropriate. To get advice or schedule an appointment, call **303-338-4545** or **1-800-218-1059** (TTY **711**).

Urgent care at home

For example, if you feel like you are having a heart attack, have severe difficulty breathing, lose the ability to talk or to move one side of your body, develop slurred speech, experience a sudden change in consciousness, have serious wounds or injuries, or have a psychiatric emergency.

If you think you are experiencing an emergency medical condition, call **911** or, if time and safety permit, go to the nearest emergency room (see locations on pages 11-12). Your care will be covered. For a complete definition of an emergency medical condition, please refer to your Evidence of Coverage, Membership Agreement, or Certificate of Insurance at [kp.org/eoc](https://www.kp.org/eoc).
