This directory includes information regarding the physicians, medical facilities, hospitals, and pharmacies you can choose for your health care needs. For more details, you can refer to the *Choice Premier Member Handbook* or your *Summary of Benefits*.

Choice Premier gives you and your family the freedom to choose any of the following options each time you seek care:

- Kaiser Permanente's full-service care delivery system
- Choice Premier contracted providers

UNDERSTANDING YOUR CHOICE PREMIER BENEFITS

	Kaiser Permanente Providers	Choice Premier Contracted Providers
Network of providers	<p>You can see Kaiser Permanente Hawaii physicians at any of our 20 facilities on Oahu, Maui, and the Big Island, and Kaiser Permanente contracted physicians on Kauai, Lanai, and Molokai.</p> <p>Most Kaiser Permanente locations offer primary care, lab, X-ray, and pharmacy services together in one place.</p>	<p>You can see more than 2,200 Choice Premier contracted providers and have access to 175 contracted hospitals and care facilities in Hawaii.</p>
Choosing a doctor	<p>You choose your own primary care physician (practicing in internal medicine, pediatrics, or family medicine) to coordinate care and direct your access to specialists. Women may also choose their own obstetrician-gynecologist.</p>	<p>You are not required to choose a primary care physician, but must see a provider within our contracted network.</p>
Referrals	<p>Your personal physician can refer you to a Kaiser Permanente specialist.</p>	<p>Referrals are not needed when seeking specialty care from a Choice Premier contracted provider.</p>
Precertification	<p>Not required</p>	<p>Precertification is required for certain services. Failure to obtain precertification may result in a reduction in the benefits that would otherwise be payable.</p>

UNDERSTANDING YOUR CHOICE PREMIER BENEFITS

	Kaiser Permanente Providers	Choice Premier Contracted Providers
Outpatient prescription drugs	<p>Prescriptions written by a Kaiser Permanente or contracted provider must be filled at a Kaiser Permanente pharmacy (subject to our drug formulary).</p> <p>You may also have certain prescription refills mailed to your home for additional convenience and savings.</p>	
Out-of-pocket costs	Lowest	Higher than under the Kaiser Permanente provider option.
Copayments (Copays)	<p>Copayments are fixed dollar amounts you pay for certain services covered by your plan. For example, if you have a \$20 office visit copay, you'd pay \$20 for each office visit.</p>	
Coinsurance	<p>Coinsurance is a percentage of charges you pay when you receive certain services covered by your plan. For example, if you had a 30 percent coinsurance for hospitalization, you'd pay 30 percent of the charges for covered hospital services.</p>	
Out-of-pocket maximum	<p>The maximum amount you'll pay in a calendar year for most services covered by your plan. Most copays, coinsurance, and deductible payments apply toward your out-of-pocket maximum.</p>	
Annual deductibles	<p>Varies depending on your plan type. Please refer to your Summary of Benefits.</p> <p>A deductible is a set amount you need to reach each calendar year before you start paying copays or coinsurance for most services covered by your plan. You'll pay full charges for most services until you reach your deductible.</p>	
How a deductible works for a family	<p>If your family is covered under your plan, you'll typically have two types of deductible and out-of-pocket maximum that work together.</p> <ul style="list-style-type: none"> • Each family member has an individual deductible and an individual out-of-pocket maximum. • The family as a whole has a family deductible and a family out-of-pocket maximum. 	

How Choice Premier Works

UNDERSTANDING YOUR CHOICE PREMIER BENEFITS

	Kaiser Permanente Providers	Choice Premier Contracted Providers
How a deductible works for a family <i>(continued)</i>	If a family member reaches his or her individual deductible	That family member will start paying copays or coinsurance for services covered by your plan for the rest of the calendar year. All other family members will keep paying full charges for most services until they reach their individual deductible or the family deductible is met.
	If a family reaches its family deductible	All covered family members will start paying copays or coinsurance for most covered services for the rest of the calendar year — even if they haven't all reached their individual deductibles.
	The out-of-pocket maximum works in a similar way, for individuals and the family as a whole. When the individual or family out-of-pocket maximum is met, we'll pay for most covered services for the family member or the entire family for the rest of the calendar year.	
Services that may require a deductible	Certain services such as inpatient and outpatient hospital, specialty lab and imaging, skilled nursing, and specialty drug prescriptions may require you to reach a deductible before coinsurance kicks in. Please refer to your Summary of Benefits to confirm which services have a deductible attached to them. Deductibles may vary depending on your plan and whether you are seeking care from Kaiser Permanente or contracted providers.	
Claims	Virtually no paperwork or claims to file.	Most contracted providers file claims on your behalf. You're responsible for meeting the calendar year deductible. There is no balance billing for covered services.

Kaiser Permanente – Make Your Care Personal

HOW TO CHOOSE YOUR DOCTOR AT KAISER PERMANENTE

One of the most important decisions you'll make as a Kaiser Permanente member is choosing your personal physician. Your doctor is your health care advocate and your direct link to all Kaiser Permanente facilities, including referrals to specialists. Your personal physician will work with you to help you meet your health goals so that you can live well.

You may select your personal physician from any of our available providers. You can also change your personal physician at any time and for any reason. When you make a selection, it is effective immediately.

Step 1: Select the medical facility where you plan to receive services. Most members select a location that is convenient to home or work.

Step 2: Decide what kind of doctor is best for you and each family member. You may choose a doctor from one of the three primary care specialties. Please note that some locations do not have all three primary care specialties.

- **Family Medicine** cares for members of all ages and specializes in caring for entire families.
- **Pediatrics** focuses on the specialized needs of children from birth to the age of 21.
- **Internal Medicine** specializes in medical and preventive care for adults.

Step 3: Review the profiles of the available physicians. You have several resources to choose from:

- Physician biography cards provide background information on each facility's physicians. You can find these cards at reception counters in our medical facilities.
- Our website **kp.org**

Step 4: Call your medical facility and notify the receptionist of your preferred physician.

For more information on how to select or change your Kaiser Permanente personal physician, please contact our Customer Service Center at **808-432-5955** (Oahu) or **1-800-966-5955** (neighbor islands).

APPOINTMENTS

Please call the appointment number at your medical facility during office hours for nonemergency health problems or for routine examinations. Please let us know the reason for your visit when you call to schedule your appointment.

For easier scheduling, please have your Kaiser Permanente Choice Premier ID card ready. You'll also need to present this ID card, along with a valid photo ID, when you check in. Be prepared to give the appointment clerk your medical record number (located just above your name on your Kaiser Permanente Choice Premier ID card), your personal physician's name, and your medical history so we can better direct your

care. Please be ready to provide information about any other health plan coverage you may have. Bring your other health plan ID cards and present them with your Kaiser Permanente ID card and photo ID. You may also ask to speak to an advice nurse at any time for health information. If you need to cancel or reschedule an appointment, call the 24-hour appointment cancellation line of your Kaiser Permanente facility so we can offer this time to other members who may need it.

If you're bringing a child in for treatment and the child is not your own, you must have an Appointment of Representatives Authorized to Consent to Treatment of a Minor form, which a parent needs to sign in the presence of a Kaiser Permanente staff member. To obtain this form, please contact our Customer Service Center at **808-432-5955** (Oahu) or **1-800-966-5955** (neighbor islands). You can also bring a notarized Health Care Power of Attorney form. We will not be able to treat the child without one of these forms.

For more details on your benefit coverage, please refer to the *Choice Premier Member Handbook and your Summary of Benefits*.

SELF-REFERRALS AND SPECIALISTS

You don't need a doctor's referral to make appointments for the following services and departments:

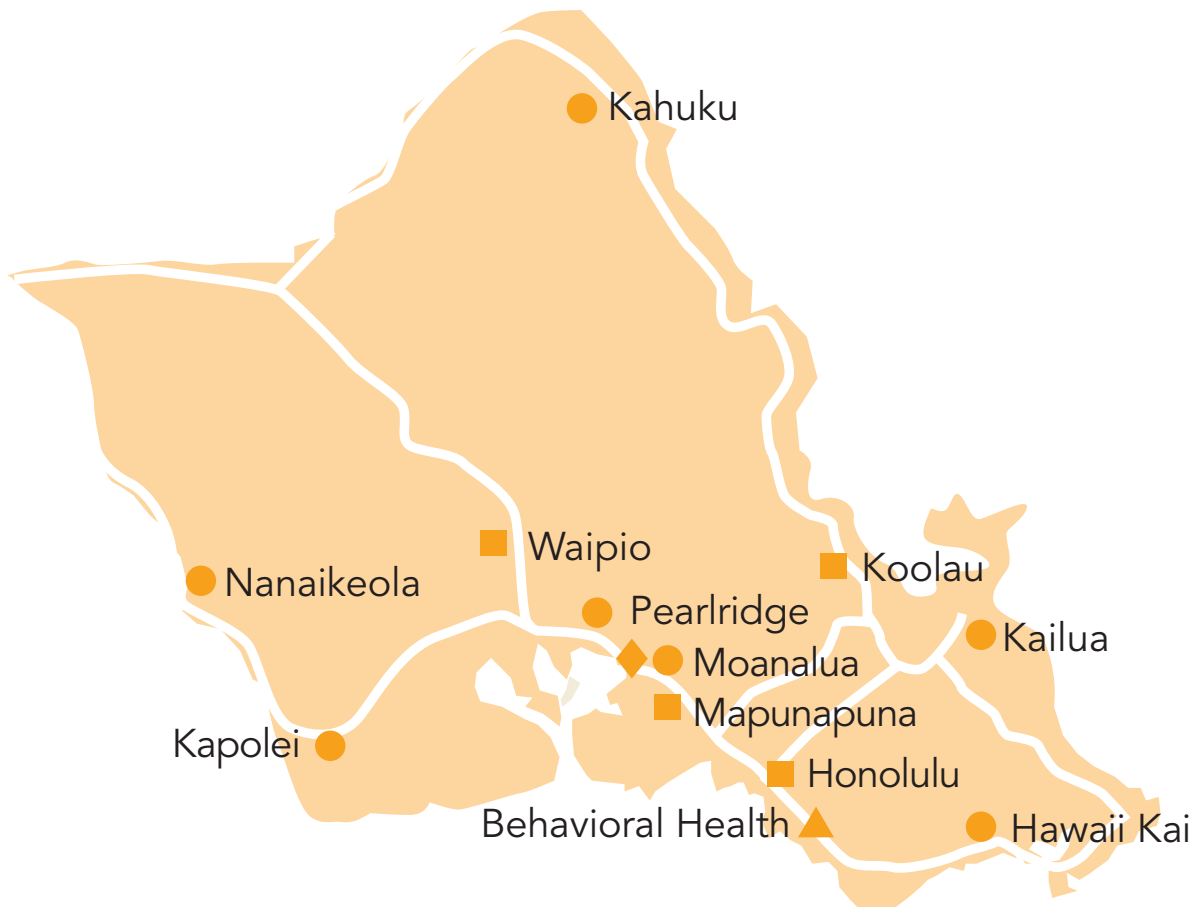

- Alcohol and drug treatment
- Behavioral Health Services
- Eye examinations for glasses and contact lenses
- Family Medicine
- Health Education
- Internal Medicine
- Medication counseling
- Obstetrics/Gynecology
- Occupational Health Services
- Pediatrics
- Physical Therapy
- Social Work
- Sports Medicine
- Travel Medicine

*NOTE: Precertification may be required for the above services when the care is provided by contracted providers. Consult your Summary of Benefits for complete details.

You'll need a referral to see a specialist for services not listed above. Your Kaiser Permanente primary care physician can refer you to a specialist when it's medically necessary.

Contracted Providers - Arranging For Your Care

With Choice Premier, you have additional choice and flexibility to receive care from contracted providers outside Kaiser Permanente's physician network. Your Choice Premier plan lets you receive services from over 500 Kaiser Permanente providers and 2,200+ contracted providers in your community.

CHOOSING A CONTRACTED PROVIDER

When seeking care outside of the Kaiser Permanente provider network, please check that your provider is a contracted provider prior to receiving services. Contracted providers have agreed to negotiated rates for covered services.

Noncontracted providers are not part of the Choice Premier network and have not agreed to negotiated rates with Kaiser Permanente. If you seek care from a noncontracted provider, you will be responsible for paying 100% of the provider's billed charge.

Kaiser Permanente does not cover interpreter services outside of Kaiser Permanente facilities, so please check with your provider prior to your appointment.

APPOINTMENTS

You may make appointments for covered services with contracted providers by calling the provider's office directly. Consult your Summary of Benefits for a complete listing of covered services, exclusions, and limitations before you receive care from a contracted provider. Before receiving treatment, be sure to confirm:

- Your provider's status in the Choice Premier plan. Providers may be added or deleted from the Choice Premier plan without notice to you.
- Whether the services require precertification. In most cases, you may go directly to a contracted provider, but in a few circumstances, you must obtain precertification from Kaiser Permanente before receiving treatment. To receive nonemergency services from contracted providers, just follow these easy steps:
 1. Present your ID card when you check in.
 2. Provide your medical record number and correct mailing address.
 3. Have your provider file a standard CMS-1500 claim form.

PHARMACY

Prescriptions written by a Choice Premier contracted provider must be filled at a Kaiser Permanente pharmacy (subject to our drug formulary).

For a listing of Kaiser Permanente pharmacies refer to page 58.

For more details on your benefit coverage, please refer to the Choice Premier Member Handbook and your Summary of Benefits.

§ This Kauai provider has been identified both as a Kaiser Permanente-contracted provider and a Choice Premier-contracted provider. Your coverage will depend on whether you receive a referral from your primary care physician (PCP), the length and terms of that referral, and/or precertification prior to receiving services. If you receive services outside of a referral from your PCP, services received from this provider will follow the Choice Premier-contracted provider option, which generally means that your out-of-pocket costs will be higher than under the Kaiser Permanente-contracted provider option.

Interpreter Services At Kaiser Permanente

We offer interpreter services at no charge.* If you need an interpreter during your next doctor visit, inform the appointment clerk when scheduling your appointment.

For all other questions, call our Customer Service Center at **808-432-5955** (Oahu) or **1-800-966-5955** (neighbor islands). A Customer Service representative will provide an interpreter over the phone. Members who are deaf, hard of hearing, or speech impaired may call **1-877-447-5990** (TTY). Our interpreter services are available only at Kaiser Permanente facilities. Requests for Kaiser Permanente members outside Kaiser Permanente facilities will be reviewed on a case by case basis, and Kaiser Permanente will provide interpretive services if the servicing non-Kaiser Permanente facility is not able to provide such service.

* Kaiser Permanente does not cover interpreter services outside of the Kaiser Permanente facilities, so please check with your providers prior to your appointment.
