

Welcome to Kaiser Permanente

Get started in 3 easy steps

How your Kaiser Permanente health plan works

Your Flexible Choice plan gives you the freedom to choose how you receive care, each time you receive care:

- From Kaiser Permanente providers (Option 1, HMO/in-network/Signature)
- From physicians in the contracted networks (Option 2, Participating Provider Organization [PPO])
- From any licensed physician or provider not included in Option 1 or 2 (Option 3, out-of-network)

Benefit levels and cost shares vary according to the provider option level (Option 1, 2, or 3). In general, your out-of-pocket costs may increase as you move from HMO providers to PPO providers to out-of-network providers. But with Flexible Choice, you can switch between provider options as you desire.

About this plan

Services	HMO network (Option 1) ¹	PPO network (Option 2) ¹	Out-of-network (Option 3) ¹
Out-of-pocket costs 	No deductible on most plans. Most services are covered at a copay.	Some services are subject to a deductible, then a copay or coinsurance. Certain services are covered before the deductible at a copay.	Most services are subject to a deductible, and then coinsurance.
Claims 	Virtually no claim forms to complete.	Provider generally completes and submits claim forms. There is no balance billing for covered services.	You may need to submit claims for reimbursement. You may be responsible for paying amounts that are greater than the maximum allowable charge.

Preauthorization may be required for certain services in Option 1, in which case your Permanente physician will act on your behalf to seek that preauthorization. In Options 2 and 3, all inpatient and certain outpatient services require precertification. For more information on precertification, see page 26.

²When appropriate and available. If you travel out of state, phone appointments and video visits may not be available due to state laws that may prevent doctors and health care providers from providing care across state lines. Laws differ by state. If you have an HSA-qualified deductible plan, you may need to pay the full charge for scheduled phone appointments and video visits until you reach your deductible. Once you reach your deductible, you won't pay anything for scheduled phone appointments and video visits.

Step 2 Choose your doctor—and change anytime

Your Flexible Choice plan gives you the freedom to choose how you receive care, each time you receive care, from:

- Kaiser Permanente providers (Option 1)
- Physicians in the PHCS™ or MultiPlan® networks¹ when getting care in a Kaiser Permanente state, or from the Cigna HealthcareSM PPO Network² when you get care outside a Kaiser Permanente state (Option 2) (Kaiser Permanente operates in the District of Columbia and the states of California, Colorado, Georgia, Hawaii, Maryland, Oregon, Virginia, and Washington.)
- Any licensed physician or provider not included in Option 1 or 2 (Option 3)

Option 1: Permanente physician

Choose by phone

Call us at **888-225-7202** (TTY **711**), Monday through Friday, 7:30 a.m. to 9 p.m. Once you've decided on a doctor, we can help you schedule your first appointment.

Choose online

Go to **kp.org/doctor** to browse our doctor profiles and find a doctor who matches your needs. Once you've chosen, call **800-777-7904** (TTY **711**), 24 hours a day, 7 days a week, to schedule your first appointment. You don't need a referral for the following specialties—just call for an appointment:

- **800-777-7904** (TTY **711**) for obstetrics-gynecology and optometry
- **866-530-8778** for behavioral health—initial consultation (except inpatient care) and chemical dependency or addiction medicine

For other types of specialty care, your doctor will refer you.

Visit **kp.org/flexiblechoice/mas** to learn more about how your Flexible Choice plan works.

Option 2³: Participating provider

To find a physician, facility, or health care practitioner who participates in the PHCS or MultiPlan networks when getting care in a Kaiser Permanente service area, or from the Cigna Healthcare PPO Network when you get care outside a Kaiser Permanente service area, do one of the following:

- Check online at **kp.org/flexiblechoice/mas** for the most up-to-date information
- Review the *Flexible Choice Physician Directory*

No referral is needed for office visits to Option 2 physicians or specialists; however, precertification applies to certain covered services under Options 2 and 3. For more information on precertification, see page 26. The Kaiser Permanente Insurance Company (KPIC) *Certificate of Insurance* contains a complete listing of services that require precertification.

If a physician you were seeing (before becoming a Kaiser Permanente member) is not part of the PHCS or MultiPlan networks, or the Cigna PPO Network, you can nominate that physician to become a network member.

¹The PHCS™ and MultiPlan® networks include physicians and health care practitioners and facilities available to Flexible Choice members via Kaiser Permanente Insurance Company's network access agreement. Not all PHCS and MultiPlan network providers are included. Provider networks change regularly. Before making your appointment, confirm that the provider is still participating in the network.

²The Cigna HealthcareSM PPO Network refers to the health care providers (doctors, hospitals, specialists) contracted as part of the Cigna Healthcare PPO for Shared Administration. Cigna Healthcare is an independent company and not affiliated with Kaiser Permanente Insurance Company or Kaiser Foundation Health Plan. Access to the Cigna Healthcare PPO Network is available through Cigna Healthcare's contractual relationship with Kaiser Permanente Insurance Company and Kaiser Foundation Health Plan. The Cigna Healthcare PPO Network is provided exclusively by or through operating subsidiaries of Cigna Corporation, including Cigna Health and Life Insurance Company. The Cigna name, logo, and other Cigna marks are owned by Cigna Intellectual Property, Inc.

³Kaiser Foundation Health Plan of the Mid-Atlantic States, Inc. (KFHP-MAS) underwrites the In-Network HMO Tier (Option 1) and Kaiser Permanente Insurance Company (KPIC), a subsidiary of Kaiser Foundation Health Plan, Inc. (KFHP), underwrites the In-Network PPO Tier (Option 2) and the Out-of-Network Tier (Option 3). This coverage is subject to exclusions, benefit limitations, and other terms and conditions. For specific information about your Option 2 and 3 coverage, review the KPIC *Group Policy* and *Certificate of Insurance*. The KPIC *Group Policy*, which incorporates the *Certificate of Insurance*, is the legally binding document between your employer and KPIC. Please contact KPIC Member Services at **800-392-8649** (TTY **711**) to request a copy of your coverage documents.

Step 2 Choose your doctor—and change anytime (continued)

Option 3¹: Any licensed provider

Through Option 3, you can work directly with any licensed provider or facility anywhere. No referral is needed for office visits to Option 3 physicians or specialists; however, precertification applies to certain covered services under Options 2 and 3. For more information on precertification, see page 26. KPIC's *Certificate of Insurance* contains a complete listing of services that require precertification.

It's important to keep in mind that your benefits will vary in each provider option, and the amount you pay for a particular service will depend on the provider option you choose, and, in some cases, where you choose to receive care.

¹ Kaiser Foundation Health Plan of the Mid-Atlantic States, Inc. (KFHP-MAS) underwrites the In-Network HMO Tier (Option 1) and Kaiser Permanente Insurance Company (KPIC), a subsidiary of Kaiser Foundation Health Plan, Inc. (KFHP), underwrites the In-Network PPO Tier (Option 2) and the Out-of-Network Tier (Option 3). This coverage is subject to exclusions, benefit limitations, and other terms and conditions. For specific information about your Option 2 and 3 coverage, review the KPIC *Group Policy* and *Certificate of Insurance*. The KPIC *Group Policy*, which incorporates the *Certificate of Insurance*, is the legally binding document between your employer and KPIC. Please contact KPIC Member Services at **800-392-8649** (TTY 711) to request a copy of your coverage documents.

Step 3 Get prescriptions

You can fill prescriptions from any provider at any pharmacy.

Kaiser Permanente pharmacies:

- Fill prescriptions from Kaiser Permanente medical center pharmacies or at **kp.org**.
- Our reminder service—offered via the Kaiser Permanente app¹—can send you alerts about what dose of your medications to take and when, making it easier for you to keep track. Creating a reminder is easy:
 1. In the Kaiser Permanente app, go to the pharmacy section.
 2. In the medication list, tap the medication you want to view.
 3. Under prescription details, toggle on “Reminders to Take.”
- You’ll generally have the lowest copayments.

Participating (community network) pharmacies:

- Fill prescriptions at participating pharmacies,² including Giant, Harris Teeter, Rite Aid, Safeway, Walgreens, Walmart, and others.
- There is no mail-order service with this pharmacy option.
- You may have higher cost shares than you would with a Kaiser Permanente pharmacy, and a deductible may apply.

Out-of-network pharmacies:

- Fill prescriptions at all other pharmacies.
- There is no mail-order service with this pharmacy option.

- You may have higher cost shares than you would with a participating (community network) pharmacy, and a deductible may apply.
- You may need to pay full out-of-pocket costs for prescriptions filled at out-of-network pharmacies and submit claims to MedImpact for reimbursement.

Get prescription refills by mail

Get medications sent to you in 3 to 5 business days and at no cost with Mail Order Pharmacy.³ To start, register at **kp.org**, download the Kaiser Permanente app,¹ or call **800-733-6345**. Some prescriptions are available for same-day or next-day delivery for a small fee; for eligible prescriptions, select this option at checkout.

Get prescription refills by phone

Call us at **800-700-1479 (TTY 711)**, 24 hours a day, and follow the prompts to check a status or to refill your prescription.

Get prescription refills online

Register on **kp.org** or the Kaiser Permanente app¹ to request refills for most prescriptions online.

What drugs are covered?

Visit **kp.org/formulary** for a list of approved drugs.

Picking up your order

You can fill your prescriptions at the pharmacies located in our medical centers. Just visit **kp.org/facilities** and select the pharmacy where you’d like to pick them up.

¹To use the Kaiser Permanente app, you must be a Kaiser Permanente member registered on **kp.org**.

²Participating pharmacies are pharmacies under contract with MedImpact and the pharmacy benefits are underwritten by Kaiser Permanente Insurance Company. MedImpact pharmacies are subject to change.

³Some medications are not eligible for Mail Order Pharmacy. Mail Order Pharmacy can mail to addresses in MD, VA, DC, and certain locations outside the service area.

Urgent and After Hours Care

Urgent care offers services to those who require immediate, but not emergency, care for things such as a high fever or sudden onset of unusual symptoms.

As a Flexible Choice member, you have a variety of options for accessing urgent care.

Option 1

- If you think you need Urgent Care, call the medical advice line at **800-777-7904 (TTY 711)**, 24 hours a day, 7 days a week, to speak with a medical advice nurse who can direct you to the best location for care.
- You can go to any Kaiser Permanente Urgent Care facility. See the next page for a list of our Urgent Care facilities and locations.
- You'll usually pay the lowest out-of-pocket amount if you seek Urgent Care at Kaiser Permanente Option 1 facilities.
- You may also be able to see an Urgent Care physician by video visit¹ if you cannot come into one of our Urgent Care centers. During your visit, the doctor can access your digital health record, so your care is seamless, convenient, and connected.

24/7 Kaiser Permanente Advanced Urgent Care centers

At our medical centers that have 24/7 Advanced Urgent Care, you get:

- Physicians trained in emergency medicine
- Lower cost shares² than a typical hospital emergency room
- 24/7 laboratory services
- Extended pharmacy hours, with most open 24/7

- 24/7 advanced imaging services, including CT, MRI, and ultrasound
- An observation unit where patients can be monitored for up to 24 hours

After Hours Care

Offered by appointment only, our After Hours Care clinics offer limited lab and radiology services. The clinics are appropriate for minor health concerns, such as ear or neck pain, rash, UTI, minor injuries, and cold, sinus, or flu-like symptoms.

Get Care Now with a Clinician

With our Get Care Now on-demand service, no appointment is needed for Urgent Care that can be addressed virtually—you can see the next available clinician today.

- Connect to this virtual care service 24/7, and a physician will reach out to you, usually within 2 hours
- Offered at no charge
- Available via phone, video, **kp.org**, or the Kaiser Permanente app³

¹When appropriate and available. If you travel out of state, phone appointments and video visits may not be available due to state laws that may prevent doctors and health care providers from providing care across state lines. Laws differ by state. If you have an HSA-qualified deductible plan, you may need to pay the full charge for scheduled phone appointments and video visits until you reach your deductible. Once you reach your deductible, you won't pay anything for scheduled phone appointments and video visits.

²Cost share depends upon your plan. For specific information, please check your coverage documents.

³To use the Kaiser Permanente app, you must be a Kaiser Permanente member registered on **kp.org**.

Urgent and After Hours Care (continued)

Option 2

- You have access to urgent care facilities that are in the PHCS™ or MultiPlan® networks when getting care in a Kaiser Permanente service area, or from the Cigna PPO Network¹ when you get care outside a Kaiser Permanente service area, anywhere in the country.²
- Before making an urgent care appointment at an Option 2 facility, you should confirm that the facility participates in the networks.
- You'll be responsible for any applicable deductible amount, copay, or coinsurance when you receive care.
- Your out-of-pocket cost will generally be higher than in Option 1.

Option 3

- You have access to any urgent care facility not already in Option 1 or Option 2.
- The facility may ask you to pay in full when you receive care. If so, retain a copy of the bill as proof of payment, and submit your claim for reimbursement.
- You'll generally have the highest out-of-pocket cost when using this option.

¹The Cigna HealthcareSM PPO Network refers to the health care providers (doctors, hospitals, specialists) contracted as part of the Cigna Healthcare PPO for Shared Administration. Cigna Healthcare is an independent company and not affiliated with Kaiser Permanente Insurance Company or Kaiser Foundation Health Plan. Access to the Cigna Healthcare PPO Network is available through Cigna Healthcare's contractual relationship with Kaiser Permanente Insurance Company and Kaiser Foundation Health Plan. The Cigna Healthcare PPO Network is provided exclusively by or through operating subsidiaries of Cigna Corporation, including Cigna Health and Life Insurance Company. The Cigna name, logo, and other Cigna marks are owned by Cigna Intellectual Property, Inc.

Hospital care

Option 1

Kaiser Permanente carefully selects premier hospitals¹ to team with us in taking great care of you.

Located throughout Maryland, Virginia, and Washington, DC, these award-winning hospitals work with us to provide your treatment when you need inpatient or outpatient hospital care. When you're a patient at a premier hospital, your care will be guided 24/7 by Permanente physicians who exclusively care for our members at that hospital. With Kaiser Permanente on-site, your care is coordinated within the hospital and with your primary care physician, ensuring the smooth transition of your care before, during, and after your hospitalization. To learn more about our premier hospitals, visit kp.org/premierhospitals.

Option 2

- You can receive inpatient hospitalization services from hospitals and facilities that participate in Option 2. Your physician who participates in Option 2 may make arrangements for your hospital admission.
- It's important to note that not all physicians at Option 2 hospitals participate in the Option 2 provider network. Depending on your benefit plan design package, you may be responsible for a higher out-of-pocket expense if you receive care from a physician in an Option 2 facility who does not participate in the Option 2 network.
- Be aware that almost all obstetrical and surgical procedures will require the services of an anesthesiologist and pathologist. Obstetrical admissions may also require neonatology services.
- When planning your admission to an Option 2 hospital, be sure to tell your physician you want to be admitted to a hospital in which the hospital-based physicians also participate with the networks for KPIC.

- For a complete list of network-participating hospitals serving Option 2, visit kp.org/flexiblechoice/mas.
- Several hospitals and facilities are included in both the Option 1 and Option 2 networks.
- Precertification is required for inpatient admissions and certain outpatient services.
- See page 26 for more information on precertification.

When you seek care at one of these hospitals or facilities, your cost shares and coverage for services will be determined according to the Option level of the physician who directs your care.

- If you're admitted by an Option 1 Kaiser Permanente provider to a hospital that is included in both Options 1 and 2, then the charges for hospital services will be at the Option 1 benefits level.
- If you're admitted by an Option 3 provider to a hospital in Option 2, then the charges for hospital services will be at the Option 2 benefits level and the physician's charges will be paid at the Option 3 benefits level.

Option 3

- You can receive inpatient hospitalization services from licensed or accredited hospitals and facilities not in Option 1 or 2. Such providers are Option 3 providers.
- When you receive Option 3 services, you'll be responsible for charges that exceed the maximum allowable charge for a covered service. If your Option 3 provider does not accept assignment, you'll also need to submit itemized claims for each provider or facility for reimbursement. See pages 24–25 for more information on claims.
- Precertification is required for inpatient admissions and certain outpatient services. See page 26 for more information on precertification.

¹Premier hospitals are independently owned and operated, and they contract with Kaiser Foundation Hospitals.

<p>X-ray and imaging services</p> 	<p>Option 1</p> <ul style="list-style-type: none"> You'll find radiology services at most Kaiser Permanente medical centers. X-ray and imaging services are located wherever Kaiser Permanente Urgent Care or Advanced Urgent Care is offered, so you don't have to make a separate trip to have an X-ray or other imaging test. 	<p>Option 2</p> <ul style="list-style-type: none"> Before scheduling any X-rays or other imaging services, check first to be sure the facilities are part of the networks for KPIC. You can also schedule your lab appointment in advance to save time. Your results from tests done in Kaiser Permanente medical centers will be available in your medical record. You can read most results online soon after the lab completes your tests, sometimes the same day. Care options while you're away from home

Option 1

Coverage anywhere

- You're covered for emergency and urgent care anywhere in the world.
- If you need urgent care in a Kaiser Permanente service area/region, visit the nearest Kaiser Permanente Urgent Care clinic.¹
- If you need urgent care in a state without Kaiser Permanente, go to the nearest CVS MinuteClinic®, Concentra Urgent Care, or urgent care facility.²
- If you receive urgent or emergency care outside the service area (anywhere outside the District of Columbia, and parts of Maryland and Virginia), you'll need to submit bills for reimbursement. You're also covered for urgent and emergency care from any non-Permanente provider worldwide.

In other Kaiser Permanente service areas

A wide range of care may be available to you in other Kaiser Permanente areas, including routine, urgent, or emergency care. Always contact Member Services at **800-777-7902 (TTY 711)** to learn what your coverage options are, as plans vary.³ Locations include all or part of the following states: California, Colorado, Georgia, Hawaii, Oregon, and Washington.

Find Kaiser Permanente locations at kp.org/facilities.

What is not covered under Option 1

You are not covered for routine (nonemergency and nonurgent) care outside the service area.

Option 2

To get care outside of a Kaiser Permanente service area, you can use Option 2 of your Flexible Choice plan and see a practitioner who participates in the PHCS or MultiPlan networks when getting care in a Kaiser Permanente state, or from the Cigna Healthcare PPO Network when you get care outside a Kaiser Permanente state.

To find a physician, facility, or health care practitioner who participates in the networks:

- Check online at kp.org/flexiblechoice/mas for the most up-to-date information (regardless of where you're geographically located).
- Review the *Flexible Choice Physician Directory*.

Option 3

Remember that with your Flexible Choice plan, you can get care for covered services from any provider, anywhere in the world. By using this option, you may be required to pay in full and submit a claim for reimbursement. The provider may also bill you for the difference, if any, between actual billed charges and the maximum allowable charge.

For more information

Call **951-268-3900** or visit kp.org/travel for helpful resources to help you plan for your trip, and for claim forms in case you need to file a claim for reimbursement after your trip.

¹If you get care at a CVS MinuteClinic, Concentra Urgent Care, or any other urgent care facility within a state with Kaiser Permanente providers, you'll be asked to pay up front for services you receive and will need to file a claim for reimbursement.

²If you get care at a CVS MinuteClinic or Concentra Urgent Care, you'll be charged your standard copay or coinsurance.

³Please refer to your plan document for details.

Understanding your costs and benefits

You pay \$0 cost share for Options 1 and 2 preventive care

With your plan, you pay \$0 cost share for preventive care in Options 1 and 2. That includes routine physicals, well-child visits, and certain screenings and tests (such as mammograms). So there's no need to delay making your first appointment with your doctor.

Sometimes, the doctor will want to do something that is not preventive care. For example, during your routine appointment, the doctor may find a mole that needs to be removed for testing. Because that's not covered as preventive care, the care may be subject to the copay or coinsurance and deductible under Option 2. In most cases, you'll get a bill in the mail for such additional, non-preventive services.

If you receive preventive care services through an Option 3 provider, you may have to pay the full cost of services and submit a claim for reimbursement.

The table on the next page shows you the different types of costs (such as copays, coinsurance, or deductibles) you may be required to pay under your plan. What you pay is determined by the type of plan you have and the type of provider you select. Refer to your coverage documents for more details about your plan's cost shares.

For questions about your specific plan

Option 1:

- Call Member Services at **888-225-7202** (TTY **711**), Monday through Friday (except holidays), 7:30 a.m. to 9 p.m.
- Contact the benefits officer where you work, if you're covered through your employer.
- Register at **kp.org/register** and then read a summary of your benefits online.
- To estimate your costs before your next visit, go to **kp.org/costestimates**.

Option 2 and Option 3:

- Call Member Services at **888-225-7202** (TTY **711**), Monday through Friday (except holidays), 7:30 a.m. to 9 p.m.
- Contact the benefits administrator where you work.
- Check with your provider's billing office for cost estimates.
- Refer to your *KPIC Certificate of Insurance*.

Your share of costs

“Cost share” refers to what you pay as part of your share for health care costs. Refer to your plan document to learn more about your plan’s specific cost shares.

Type of cost share	What it is	When you pay
Copayment (copay)	The set fee you pay for a covered service (for example, a non-preventive office visit) every time that service is provided. Copayments vary depending on your plan and don’t count toward a deductible. However, they do count toward your annual out-of-pocket maximum for most services.	Nearly all plans have copayments or coinsurance. A copayment or coinsurance may be owed on the day you receive services, for each visit, even if multiple visits occur on the same day.
Coinsurance	The percentage of the cost for a covered service. For example, if your coinsurance is 15% and your allowed office visit cost is \$100, then you pay \$15 and the health plan pays \$85. Coinsurance varies according to your plan and does not apply toward the deductible. However, it counts toward your annual out-of-pocket maximum for most services.	There is no copay or coinsurance for Option 1 and Option 2 preventive care. What you owe depends upon your plan’s benefits and the services you receive.
Out-of-pocket maximum	The maximum amount you pay out of pocket each contract/policy year for most covered services. Once the amounts you have paid equal the out-of-pocket maximum, you pay nothing for those covered services for the remainder of the contract/policy year. Covered services continue to be subject to the maximum allowable charge after meeting the out-of-pocket maximum.	Depending on your plan, the copayments, coinsurance, and deductibles you pay for most services will count toward the out-of-pocket maximum.
Deductible	The set amount you must pay each contract year for covered medical services before the health plan begins to pay its share. Only covered services may be applied to the deductible. Deductibles vary depending on the plan you have. Once you have met your deductible, you’ll be required to pay only the applicable copayment or coinsurance for most covered services for the remainder of your plan’s contract year or until you reach your out-of-pocket maximum. Certain conditions may apply.	Option 1 only: If you have a deductible, you’ll be billed for the full allowed amount for each service that is subject to the deductible during check-in or after the service via mailed bill. You may also receive an estimate of your charges before your office visit for certain services, and you may choose to make a deposit payment based on that estimate.

Claims

Option 1

You will not file claims for services if:

- You get medical care and services from in-network providers.
- You get an authorized referral from your network provider to see an out-of-network provider.

If you file a claim:

- You have up to 180 days from the date you received care to submit your claim.
- Kaiser Permanente will review the claim and decide what payment or reimbursement you may be owed.
- Care must be medically necessary. Please refer to your coverage documents.

How to file the claim

To request payment or reimbursement, ask your service provider for a statement on its stationery with the following information:

- Name of the patient
- Date of service
- Service provided (procedures performed, with current procedural terminology [CPT] code)
- Diagnosis with International Classification of Diseases (ICD) code
- Amount charged for each service

Write the member's Kaiser Permanente ID number on each page of the document. Mail it to:

Kaiser Foundation Health Plan of the
Mid-Atlantic States
P.O. Box 371860
Denver, CO 80237-9998

What you'll receive from us

- A response within 30 days
- An Explanation of Benefits that will detail what you need to pay and what the health plan will pay

Filing an appeal

It is your right to file an appeal if you disagree with a decision not to pay for a claim. Read your coverage documents for more information.

Option 2

- After you visit an Option 2 provider, you usually will not have to file a claim, and you won't be billed for the difference between what the doctor charges and the reimbursement they received. However, if you receive services from a nonparticipating provider, you may be required to file a claim with KPIC.
- If your plan has an annual deductible, reimbursement is based on how much you have already paid toward your deductible and any remaining charges for which you're responsible, such as coinsurance.
- Written notice of your claim should be submitted within 20 days of the date of service, or as soon as reasonably possible.

- Proof of loss must be submitted within 90 days of the date of the service, or as soon as reasonably possible.
- To obtain medical and pharmacy claim forms, see your human resources representative or contact Member Services at **888-225-7202** (TTY **711**), Monday through Friday (except holidays), 7:30 a.m. to 9 p.m. You can also locate these forms online at kp.org/flexiblechoice/mas.
- Mail all claims (including claims for direct member reimbursements) to:

Kaiser Foundation Health Plan of the
Mid-Atlantic States
P.O. Box 371860
Denver, CO 80237-9998

- If your claim is denied, in whole or in part, you'll receive detailed written information on the Explanation of Benefits document you receive. You have the right to file a grievance or appeal if you disagree with the decision not to authorize medical services or drugs, or not to pay for a claim. You may also have a provider file an appeal on your behalf. Refer to your coverage documents for specific details about the appeals process.

Option 3

- You may be required to pay the full amount you're charged when you receive care from an Option 3 provider. If so, you'll need to submit a claim form to KPIC with an itemized bill for reimbursement.
- Reimbursement is based on how much you have already paid toward your deductible and any remaining charges for which you're responsible, such as coinsurance.
- Written notice of your claim should be submitted within 20 days of the date of service, or as soon as reasonably possible.
- Proof of loss must be submitted within 90 days of the date of the service, or as soon as reasonably possible.
- To obtain medical and pharmacy claim forms, see your human resources representative or contact Member Services at **888-225-7202** (TTY **711**), Monday through Friday (except holidays), 7:30 a.m. to 9 p.m. You can also locate these forms online at kp.org/flexiblechoice/mas.
- Mail all claims (including claims for direct member reimbursements) to:

Kaiser Foundation Health Plan of the
Mid-Atlantic States
P.O. Box 371860
Denver, CO 80237-9998

- If your claim is denied, in whole or in part, you'll receive detailed written information on the Explanation of Benefits you receive. You have the right to file a grievance or appeal if you disagree with the decision not to authorize medical services or drugs, or not to pay for a claim. You may also have a provider file an appeal on your behalf. Refer to your coverage documents for specific details.

Precertification

Applies to certain Option 2 and Option 3 services only. Precertification is required for all inpatient care (such as hospital surgical procedures) and certain outpatient procedures.

- Your physician, hospital, or authorized representative may request precertification on your behalf.
- To obtain precertification for PHCS, MultiPlan, and out-of-network providers, contact Permanente Advantage at **888-567-6847** (TTY **711**). Representatives are available Monday through Friday, from 8 a.m. to 11 p.m. You may, however, request precertification 24 hours a day, 7 days a week. Response to urgent requests occurs within 2 hours of your message; nonurgent requests get a response during the following business day. Cigna Healthcare PPO providers will manage any necessary precertification.
- If you do not obtain precertification for covered services that require it, you may be required to pay the entire expense should the services be deemed not medically necessary. If the service is deemed to have not been medically necessary, the following may apply:
 - > You will have to pay a penalty, and the benefit that would have been paid to you will be reduced by 30%, up to a maximum penalty of \$5,000 per policy year.
 - > Any additional amount you pay for failure to obtain precertification will not be counted toward meeting any applicable deductible, coinsurance, or out-of-pocket maximum.
 - > For a hospital stay or other inpatient care extended beyond the number of days first precertified without further precertification (concurrent review), your benefits for the extra days will be reduced, or will not be covered if deemed not medically necessary. Services that are not covered do not satisfy the deductible and do not accumulate to the out-of-pocket maximum.
- Please review the entire precertification section in your coverage document for complete terms, conditions, and limitations. If there are any discrepancies between this guide and the benefits detailed in your *KPIC Group Policy* and *Certificate of Insurance*, the *Group Policy* will prevail.

OPTION 1

Requirements for timely medical appointments

Some customers of Kaiser Permanente have a right to an appointment with an in-network health care provider within a certain number of days. You have this right if:

1. You reside in the District of Columbia and purchase your coverage through DC Health Link or receive it through your employer in the District of Columbia.

AND

2. The appointment is for your first visit with a provider. A first visit includes when you:
 - a. Schedule your first primary care visit with a provider;

- b. Have changed primary care providers and need to schedule your first visit with a new primary care provider; or
- c. Schedule your first visit with a provider other than your primary care provider, your behavioral health/substance use provider, or your prenatal care provider for specialty treatment.

How quickly can you expect to be seen?

Requirements for timely medical appointments

(continued)

Some customers of Kaiser Permanente Insurance Company have a right to an appointment with an in-network health care provider within a certain number of days. You have this right if:

1. You buy your health insurance directly or receive it through your employer in the District of Columbia.

AND

2. The appointment is for your first visit with a provider. A first visit includes when you:

- a. Schedule your first primary care visit with a provider;

- a. Have changed primary care providers and need to schedule your first visit with a new primary care provider; or
- b. Schedule your first visit with a provider other than your primary care provider, your behavioral health/substance use provider, or your prenatal care provider for specialty treatment.

How quickly can you expect to be seen?

The District of Columbia has set the standards below for appointments with an in-network provider.

First appointment with a new or replacement primary care physician	Within 7 business days
First appointment with a new or replacement provider for behavioral health treatment, including substance use treatment	Within 7 business days
First appointment with a new or replacement provider for prenatal care treatment	Within 15 business days

If you have trouble scheduling an appointment within the time frames listed above, please call **888-225-7202** to speak to a Kaiser Permanente Insurance Company (KPIC) representative. They'll help you schedule an appointment within the time frames.

1. The KPIC representative may give you the provider's contact information, and you may need to schedule the appointment yourself.
2. The KPIC representative cannot guarantee the specific provider you want to see is available for an appointment within the time frames listed above as the provider may have already scheduled appointments with other patients or is otherwise unavailable. Instead, the representative will give you contact information for a qualified, in-network provider who's available to see you within the time frames.
3. The KPIC representative can't otherwise guarantee an appointment with a provider you've seen before.

Kaiser Permanente Insurance Company's network adequacy policy

Kaiser Foundation Health Plan of the Mid-Atlantic States (KFHP-MAS) underwrites the In-Network HMO Tier (Option 1), and Kaiser Permanente Insurance Company (KPIC), a subsidiary of Kaiser Foundation Health Plan, Inc. (KFHP), underwrites the Participating Provider Network Tier (Option 2) and Non-Participating Provider Network Tier (Option 3).

Your plan gives you the freedom to choose how you receive care, each time you receive care:

- From providers in the KPIC Participating Provider Network
- From any licensed provider not included in the KPIC Participating Provider Network

Benefit levels and cost shares vary according to the provider option level. In general, your out-of-pocket costs may increase as you move from participating providers to non-participating providers. But with your plan, you can switch between provider options as you desire.

What is the network adequacy policy?

The network adequacy policy applies to all KPIC members covered under a KPIC group health policy and covers services from a non-participating provider because of access deficiencies within the participating provider network. The policy states that when a member is unable to obtain covered services from a participating provider due to network adequacy standards, availability standards, or geographic access standards, the covered services will be processed at the member's participating provider benefit level. The member will be held harmless from any balance billing from the non-participating provider.

What if I am unable to find a participating provider?

If you're unable to obtain covered services from a participating provider due to exceeding the maximum distance, wait time limits, or geographical maximum distance (miles) per provider type standards, the covered services will be processed at your participating provider benefit level.

How can I book an appointment with a participating provider?

If you're seeking services in the Mid-Atlantic States, you can go to the participating provider link: multiplan.com/KPMAS to locate a provider near you for any service, including specialty services. You'll need to contact the provider directly to schedule an appointment.

What if I'm unable to find an appointment with a participating provider?

If you're unable to find an appointment with a participating provider, including specialty services, the network adequacy policy may be applicable. For assistance, please email NetworkAdequacy-KPIC@kp.org or call the Mid-Atlantic States customer service office at **888-225-7202 (TTY 711)**, Monday through Friday, 8 a.m. to 8 p.m.

When making an appointment, please let your provider know that your plan allows you to see any licensed provider for care. Precertification may be required for certain services.

How can I learn about the precertification requirements for the plan?

For the precertification requirements, refer to your *Certificate of Insurance* or visit kp.org/permanenteadvantage.

Your provider should call the precertification team at **888-567-6847 (TTY 711)**, Monday through Friday, 8:30 a.m. to 6 p.m. ET, for precertification requests.

How your Kaiser Permanente health plan works

(continued from the inside front cover)

Option 2

- Your out-of-pocket costs will generally be higher when you choose to receive services from Option 2 providers and facilities, compared to Option 1.
- When you receive covered services from a provider who participates in Option 2, you'll be subject to the applicable copay or coinsurance for those covered services after you satisfy your plan year deductible.
- You won't be billed any difference in charges if your provider's usual charge for a covered service is higher than the contracted fee that Kaiser Permanente Insurance Company (KPIC) has agreed to pay.
- After you receive any Option 2 medical service, you'll receive an Explanation of Benefits (EOB). The EOB will show you a breakdown of the charges and payments for your visit and will also show how much you are responsible for paying, as well as your deductible and out-of-pocket maximum accumulations. It is not a bill.

Option 3

- Your out-of-pocket costs will generally be the highest when you choose to receive services from Option 3 providers and facilities.
- Option 3 providers may require you to pay the full cost of each visit at the time the care is provided. If so, you'll need to submit claim forms with itemized bills for reimbursement.
- In addition to your plan year deductible, copay, and/or coinsurance, you will be responsible for the difference, if any, between the billed cost of the service and the payment your Option 3 provider received from KPIC. To be prepared, be sure to ask the doctor's office in advance about billing and cost of services.
- After you receive any Option 3 medical service, and once a medical claim for your service has been verified as an eligible benefit, you'll receive an EOB. The EOB will show you a breakdown of the charges and payments for your visit and will also show how much you are responsible for paying. It is not a bill.
