# Pharmacy Locations

This section provides a list of our plan's network pharmacies by type of pharmacy and whether the pharmacy is available to you based on the service area of the plan in which you are enrolled. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review your Evidence of Coverage or Membership Agreement, as well as the Kaiser Permanente's formulary.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to plan members. In most cases, your prescriptions are covered under your plan only if they are filled at a network pharmacy designated for the service area of your plan or through our Mail Order Pharmacy. Once you go to one pharmacy, you are not required to continue to go to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage or Membership Agreement.

Changes to our commercial pharmacy network may occur during the benefit year. You may also call Member Services for updated pharmacy information.

Pharmacy locations are organized by the type of pharmacy (Kaiser Permanente medical offices, retail, mail order, long-term care, specialty network pharmacies, and transplant network pharmacies outside the geographic area). Some pharmacies are only available to members within the Southern Colorado service area.

## **Kaiser Permanente Medical Office Pharmacy Locations**

These locations are available to all members in all service areas.

## **Retail Pharmacies**

The locations listed in this directory are only available to members in Southern Colorado.

## **Mail Order Pharmacy**

You can get prescription drugs shipped to your home through our network mail order delivery program. For refills of your mail order prescriptions, please contact us at least 10 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time. Typically, you should expect to receive your prescription drugs within 7 to 10 days from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact us at **1-866-523-6059 (TTY 711)** for assistance.

If you cannot wait for your prescription to arrive from our mail order pharmacy, you may get an urgent supply by calling a Kaiser Permanente or affiliated network pharmacy listed in this directory. You can also log on to **kp.org/refill** to fill your prescriptions through Mail Order Pharmacy.

## **Long-Term Care Pharmacies**

Residents of a long-term care facility may access their prescription drugs covered under our plan through the facility's long-term care pharmacy or another network long-term care pharmacy. These pharmacies are available to members that reside in any of our service areas. If you need more information, please contact Member Services.

## **Specialty Pharmacies**

Some drugs that require special handling and dispensing (e.g., high-cost "specialty" medications that are usually self-injected and used to treat complex or rare conditions) can only be obtained at certain specialty pharmacies listed below. These pharmacies are available to members that reside in any of our service areas.

## **Transplant Network Pharmacies**

We have network pharmacies available to support our members that have recently received a transplant at one of our contracted transplant facilities or hospitals. These pharmacies are available to members that reside in any of our service areas.
