

Welcome to Kaiser Permanente

Get started in 3 easy steps

How your Kaiser Permanente health plan works

Your Kaiser Permanente Individuals and Families Deductible HMO plan

You are enrolled in the Kaiser Permanente Individuals and Families Deductible HMO plan, which includes two key highlights:

- The Signature delivery system
- A deductible

With this plan, you have access to the Signature delivery system, which gives you quality care from Mid-Atlantic Permanente Medical Group, P.C. (Permanente), physicians. They're part of a group of over 1,800 physicians who practice in Maryland, the District of Columbia, and Virginia.

Your deductible: Your plan has a deductible. A deductible is the amount you pay for covered health care services before your insurance plan starts to pay. After you reach your deductible, you'll only need to pay applicable copayment and coinsurance for most covered services for the remainder of your plan year.

Preventive care services, including routine physicals, and well-child visits are covered at no extra cost, even if your deductible has not been met.

How your deductible plan works

This table covers the deductible process that takes place between the start and end dates of your plan year.¹

	Before medical deductible is met	After medical deductible is met	After out-of-pocket maximum is met
Preventive care ²	No charges	No charges	No charges
Some covered medical services (services not subject to deductible) ³	Copays	Copays	No charges
	Coinsurance	Coinsurance	
Most prescription drugs ⁴	Full charges	Copays	No charges
		Coinsurance	

¹See your plan document for plan details, including the date your deductible and out-of-pocket maximum will start over.

²Most preventive care services are covered at no extra cost, even before you reach your deductible.

³See your plan document for details on what services are subject to the deductible and out-of-pocket maximum.

Welcome to Kaiser Permanente!

Let's get started

Making the most of your membership takes only **3 easy steps**. Ready to go?

Step 1

Create your online account on **kp.org**

Step 2

Choose your doctor—and change anytime

Step 3

Get prescriptions

Stay in the know with all things Kaiser Permanente—check out **kp.org/insider** for valuable health insights, facility updates, and member discounts.

Your plan is governed by the Kaiser Foundation Health Plan of the Mid-Atlantic States, Inc. (KFHP-MAS), *Group Agreement* and *Evidence of Coverage (EOC)*. Inside this booklet, it is referred to as your “plan document.”

In the event of ambiguity or conflict between this member guide and the KFHP-MAS *Group Agreement* and *EOC*, the KFHP-MAS *Group Agreement* and *EOC* shall prevail.

Step 1 Create your online account on **kp.org**

Start using our secure website, **kp.org**, to manage your health on your time¹

Visit **kp.org** anytime, from anywhere, to:

- Schedule an appointment to see physicians and providers by video visit.²
- View most lab results.
- Refill most prescriptions.
- Email your doctor's office with nonurgent questions.
- Schedule and cancel routine appointments.
- Print vaccination records for school, sports, and camp.
- Manage a family member's health care.
- Get a personalized cost estimate.
- Use our Chat with KP feature.
- And much more.

Creating an account is easy

Go to **kp.org/newmember** from a computer or mobile device and follow the sign-on instructions. You'll need your medical record number, which you can find on your member ID card.

Caregiver access

Caregivers can access certain features of **kp.org** for loved ones who are members of Kaiser Permanente. Nonmembers can be caregivers on **kp.org** as long as they're at least 18 years old and have either:

- Permission from you as the member, or
- Legal rights to make health care decisions on your behalf, or legal rights to access your health care information.

To set up an account, go to **kp.org/register** and follow the prompts for caregiver access.

Download the Kaiser Permanente app

After you've registered at **kp.org**, you can download our app to your smartphone.

1. From your smartphone, go to your preferred app site: App StoreSM (iOS) or Google Play[®] (AndroidTM).³
2. Search for the Kaiser Permanente app, then download it to your smartphone.
3. Use your **kp.org** user ID and password to activate the app, and you'll be ready to go.

To use your digital membership card, tap the card icon at the bottom of the Kaiser Permanente app dashboard.

Personalize your **kp.org** experience

Use your member ID card and our Member Photo Upload feature to add your digital image to **kp.org**.

¹These features are available when you get care at Kaiser Permanente facilities.

²When appropriate and available. If you travel out of state, phone appointments and video visits may not be available due to state laws that may prevent doctors and health care providers from providing care across state lines. Laws differ by state.

Step 2 Choose your doctor—and change anytime

Select from a wide range of great doctors and change anytime, for any reason

To help you find the personal doctor (also called a primary care physician) who's right for you, you can browse our online doctor profiles. There, you'll see information related to their education, credentials, specialties, and interest areas, as well as if they're accepting new patients.

Women should choose an ob-gyn in addition to their primary care physician.

You can choose a personal doctor with any of these specialties:

- Adult medicine/internal medicine
- Family medicine
- Ob-gyn
- Pediatrics/adolescent medicine (for children up to 18)

Each covered family member may choose their own personal doctor. If you do not choose a primary care physician or ob-gyn within the first 30 days of enrollment, one will be assigned to you.

If the doctor you'd like to select isn't accepting new patients, call us at **800-777-7904** (TTY **711**) for assistance.

Go to **kp.org/doctor** to browse our doctor profiles and find a doctor who matches your needs. You can also call **800-777-7904** (TTY **711**), 24 hours a day, 7 days a week.

See specialists, some without a referral

You don't need a referral for the following specialties—just call for an appointment:

- **800-777-7904** (TTY **711**) for ob-gyn and optometry
- **866-530-8778** for behavioral health—initial consultations (except inpatient care) and chemical dependency or addiction medicine

For other types of specialty care, your doctor will refer you.

Step 3 Get prescriptions

We make it easy to get your prescriptions

We have two ways to help you transfer prescriptions to Kaiser Permanente.

- Go to **kp.org/newmember** and follow the steps to complete the online form.
OR
- Choose a Kaiser Permanente pharmacy at **kp.org/facilities** and call us.

Remember to contact us before you need a refill, as it can take 3 or more business days to transfer your prescriptions.

Here's what you'll need

To transfer a prescription, please have the following information ready when you call:

- Your Kaiser Permanente medical record number
- The name and telephone number of your current pharmacy
- The name, strength, and directions for use of the prescribed medication
- The prescription number of the prescribed medication

Medication reminder service

Our reminder service—offered via the Kaiser Permanente app¹—can send you alerts about what dose of your medications to take and when, making it easier for you to keep track.

Creating a reminder is easy:

1. In the Kaiser Permanente app, go to the pharmacy section.
2. In the medication list, tap the medication you want to view.
3. Under prescription details, toggle on [Reminders to Take](#).

Get prescription refills by mail

Get medications sent to you in 3 to 5 business days and at no cost with Mail Order Pharmacy.² To start, register at **kp.org**, download the Kaiser Permanente app,¹ or call **800-733-6345**. Some prescriptions are available for same-day or next-day delivery for a small fee; for eligible prescriptions, select this option at checkout.

Get prescription refills by phone

Call us at **800-700-1479 (TTY 711)**, 24 hours a day, and follow the prompts to check a status or to refill your prescription.

Get prescription refills online

Register on **kp.org** or the Kaiser Permanente app¹ to request refills for most prescriptions online.

What drugs are covered?

Visit **kp.org/formulary** for a list of approved drugs.

Picking up your order

You can fill your prescriptions at the pharmacies located in our medical centers. Just visit **kp.org/facilities** and select the pharmacy where you'd like to pick them up.

Using network pharmacies

You may also have access to participating network pharmacies, including Giant, Harris Teeter, Safeway, Walgreens, Walmart, and others. You will not be able to use the Kaiser Permanente Mail Order Pharmacy if you fill your prescriptions using network pharmacies. Check your plan document to see if your plan gives you access to network pharmacies.

For a list of Kaiser Permanente pharmacies and phone numbers, see page 10.

¹To use the Kaiser Permanente app, you must be a Kaiser Permanente member registered on **kp.org**.

²Some medications are not eligible for Mail Order Pharmacy. Mail Order Pharmacy can mail to addresses in MD, VA, DC, and certain locations outside the service area.

Paso 1 Cree su cuenta en línea en kp.org/espanol

Comience a usar nuestro sitio web seguro, kp.org/espanol, para manejar su salud a su ritmo¹

¹Estas funciones están disponibles cuando usted recibe atención en los centros de atención de Kaiser Permanente.

²Si viaja fuera del estado, es posible que las consultas por teléfono y las videoconsultas no estén disponibles debido a leyes estatales que impiden que los médicos y proveedores de atención médica brinden atención en otros estados. Las leyes varían según el estado.

³Apple es una marca comercial de Apple, Inc., registrada en EE. UU. y en otros países. App Store es una marca de servicios de Apple Inc. Google Play y Android son marcas comerciales de Google, Inc.

Paso 2 Elija a su médico y cámbielo en cualquier momento

Elija entre una amplia selección de médicos excelentes y cámbielos en cualquier momento y por cualquier motivo

Para ayudarle a encontrar un médico personal (también llamado médico de atención primaria) adecuado para usted, puede consultar los perfiles de nuestros médicos en línea. Allí verá información relacionada con su formación, títulos, especialidades y áreas de interés, así como si están aceptando nuevos pacientes.

Las mujeres deben elegir un ginecobstetra además de un médico de atención primaria.

Puede elegir un médico personal con cualquiera de las siguientes especialidades:

- medicina para adultos o medicina interna
- medicina familiar
- obstetricia y ginecología
- pediatría o medicina para adolescentes (para niños de hasta 18 años)

Cada familiar con cobertura puede elegir su propio médico personal. Si no elige un médico de atención primaria o ginecobstetra en un plazo de 30 días a partir de su inscripción, se le asignará uno.

Si el médico que desea elegir no está aceptando pacientes nuevos, puede llamarnos al **800-777-7904 (TTY 711)** para obtener ayuda.

Visite **kp.org/doctor** (en inglés) para consultar los perfiles de nuestros médicos y encontrar el adecuado. También puede llamar al **800-777-7904 (TTY 711)**, las 24 horas del día, los 7 días de la semana.

Consulte a especialistas, en algunos casos sin necesidad de una referencia

No necesita la referencia de un médico para las siguientes especialidades, solo llame para programar una cita:

- **800-777-7904 (TTY 711)** para ginecobstetricia y optometría
- **866-530-8778** para salud del comportamiento, para consultas iniciales (excepto atención para pacientes hospitalizados) y farmacodependencia o adicción a medicamentos

Para otros tipos de atención especializada, su médico le dará una referencia.

Paso 3 Obtenga sus medicamentos recetados

Hacemos que sea más fácil obtener sus medicamentos recetados

Hay dos formas de transferir sus recetas médicas desde su farmacia actual a la farmacia de Kaiser Permanente.

- Visite **kp.org/nuevosmiembros** y siga los pasos para completar el formulario en línea.
○
- Simplemente elija una farmacia de Kaiser Permanente en **kp.org/facilities** (haga clic en "Español") y llámenos.

Recuerde comunicarse con nosotros antes de que necesite volver a surtir sus medicamentos, ya que la transferencia de su receta médica puede demorar 3 días hábiles o más.

Esto es lo que necesitará

Cuando llame para transferir una receta médica, tenga a la mano la siguiente información:

- su número de historia clínica de Kaiser Permanente
- el nombre y número de teléfono de su farmacia actual
- el nombre, la dosis y las indicaciones de uso del medicamento
- el número de receta del medicamento

Servicio de recordatorios para tomar medicamentos

Acordarse de tomar el medicamento es importante para el cuidado de su salud. Nuestro servicio de recordatorios, mediante la aplicación de Kaiser Permanente,¹ puede enviarle alertas sobre la dosis y la hora a la que debe tomar sus medicamentos para facilitar las cosas.

Crear un recordatorio es fácil:

1. Ingrese a la aplicación de Kaiser Permanente y vaya a la sección de farmacia.
2. En la lista de medicamentos, toque el medicamento que desea ver.
3. En los detalles del medicamento, active **Recordatorios para Tomar Medicamentos**.

Use las farmacias de la red

También puede tener acceso a las farmacias de la red, incluidas Giant, Harris Teeter, Safeway,

Walgreens, Walmart, entre otras. No podrá usar la Farmacia de Pedidos por Correo de Kaiser Permanente si surte sus recetas médicas en las farmacias de la red. Revise el documento de su plan para saber si este le brinda acceso a las farmacias de la red.

Para obtener una lista de las farmacias de Kaiser Permanente y los números de teléfono, consulte la página 10.

Vuelva a surtir sus medicamentos por correo

Vuelva a surtir sus medicamentos por correo. Pida que le envíen sus medicamentos en 3 a 5 días sin costo mediante el servicio de farmacia por correo.² Para comenzar, regístrese en **kp.org/espanol**, descargue la aplicación de Kaiser Permanente¹ o llame al **800-733-6345**. Algunos medicamentos están disponibles para su entrega el mismo día por una pequeña tarifa; para medicamentos recetados elegibles, seleccione esta opción durante el proceso de pago.

Solicite por teléfono que le vuelvan a surtir medicamentos

Llámenos al **800-700-1479** (TTY 711), las 24 horas del día, y siga las instrucciones para volver a surtir la mayoría de los medicamentos.

Solicite en línea que le vuelvan a surtir los medicamentos

Regístrese en **kp.org/espanol** o en la aplicación de Kaiser Permanente para solicitar que le vuelvan a surtir la mayoría de los medicamentos en línea.

¿Qué medicamentos están cubiertos?

Visite **kp.org/formulary** (haga clic en "Español") para obtener una lista de los medicamentos aprobados.

Cómo recoger su pedido

Puede surtir sus medicamentos en las farmacias de Kaiser Permanente ubicadas en nuestros centros médicos. Visite **kp.org/facilities** (haga clic en "Español") y seleccione la farmacia de Kaiser Permanente donde le gustaría recoger sus medicamentos.

¹Para utilizar la aplicación de Kaiser Permanente, debe ser un miembro de Kaiser Permanente registrado en **kp.org/espanol**.

²Algunos medicamentos no son elegibles para el servicio de farmacia por correo. El servicio de farmacia por correo puede hacer envíos a domicilios ubicados en Maryland, Virginia, el Distrito de Columbia y ciertos lugares fuera del área de servicio.

Hospital care

kp.org/premierhospitals

Our premier hospitals

Kaiser Permanente carefully selects premier hospitals¹ to team with us in taking great care of you.

Located throughout Maryland, Virginia, and Washington, DC, these award-winning hospitals work with us to provide your treatment when you need inpatient or outpatient hospital care.

What if you're admitted to a non-premier hospital?

Once your condition has stabilized, we may move you to a premier hospital where Kaiser Permanente physicians are on duty. That way, we can deliver seamless and coordinated care during both your hospitalization and your transition out of the hospital.

Out-of-network hospitals:

- You can receive inpatient hospitalization services from any licensed or accredited hospitals and facilities.
- When you receive services, you may need to pay allowable charges (such as the contracted amount a provider has agreed to accept) to the hospital, doctor, or other providers, as described in your plan document. You may also need to submit a claim for reimbursement.

For locations and other details, visit kp.org/premierhospitals.

¹The premier hospitals are independently owned and operated hospitals, and they contract with Kaiser Foundation Hospitals. The continued availability and/or participation of any facility cannot be guaranteed. Kaiser Permanente reserves the right to relocate, modify, or terminate the location for premier hospitals. For the most up-to-date information, visit kp.org/premierhospitals.

Understanding your costs and benefits

You pay \$0 cost share for in-network preventive care

Preventive care includes routine physicals, well-child visits, and certain screenings and tests (such as mammograms), so there's no need to delay making your first appointment with your primary care physician.

If you have symptoms of a condition, your doctor may order a service to help find out what it is or help treat it. Since you've shown symptoms, this service doesn't qualify as preventive. It's actually diagnostic, since it's used to diagnose your condition, and cost sharing may apply.

You may also get services to help treat a condition that's already been diagnosed. Since you're being treated for an existing condition, these services are also non-preventive, and cost sharing may apply.

Tests or services ordered for or during a routine physical or well-child visit may result in cost sharing if those services are related to diagnosing, monitoring, or treating an existing condition.

You may have a copay for most other care, such as appointments with specialists, urgent care, and some tests and services. Please refer to your plan document.

You can estimate the cost of your next visit at **kp.org/costestimates**. You'll need to be registered on **kp.org** to use this secure tool.

Your share of costs

“Cost share” refers to what you pay as part of your share for health care costs. Refer to your plan document to learn more about your plan’s specific cost shares.

Type of cost share	What it is	When you pay
Copayment (copay)	The set fee you pay for a covered service (like a non-preventive office visit) every time that service is provided. Copayments vary depending on your plan and don’t count toward a deductible. However, they do count toward your annual out-of-pocket maximum for most services.	Nearly all plans have copayments or coinsurance. A copayment or coinsurance may be owed on the day you receive services, for each visit, even if multiple visits occur on the same day.
Coinsurance	The percentage of the cost for a covered service. For example, if your coinsurance is 15% and your allowed office visit cost is \$100, then you pay \$15 and the health plan pays \$85. Coinsurance varies according to your plan and does not apply toward the deductible. However, it counts toward your annual out-of-pocket maximum for most services.	There is no copay or coinsurance for preventive care for non-grandfathered plans. What you owe depends on your plan’s benefits and the services you receive.
Out-of-pocket maximum	The maximum amount you pay out of pocket each contract year for most covered services. Once the amounts you have paid equal the out-of-pocket maximum, you pay nothing for those covered services for the remainder of the contract year.	Depending on your plan, the copayments, coinsurance, and deductibles you pay for most services will count toward the out-of-pocket maximum.
Deductible (Visit kp.org/deductibleplans to learn more about deductible plans and find helpful cost tools.)	The set amount you must pay each contract year for covered medical services before the health plan begins to pay its share. Not all services may be applied to the deductible. Deductibles vary depending on the plan you have. Once you have met your deductible, you’ll be required to pay only the applicable copayment or coinsurance for most covered services for the remainder of your plan’s contract year. Certain conditions may apply.	If you have a deductible, you’ll be billed for the full allowed amount for each service that is subject to the deductible during check-in or after the service via mailed bill. You may also receive an estimate of your charges before your office visit for certain services, and you may choose to make a deposit payment based on that estimate.

Claims

You will not file claims for services if:

- You get medical care and services from network providers.
- You get an authorized referral from your network provider to see an out-of-network provider.
- Your amount paid was for a copayment, deductible, and/or coinsurance.

If you file a claim:

- You have up to 180 days from the date you received care to submit your claim.
- Kaiser Permanente will review the claim and decide what payment or reimbursement you may be owed.
- Care must be medically necessary. Please refer to your plan document.

How to file the claim

To request payment or reimbursement, log on to **kp.org**, select [Coverage & Costs](#), and then select [Submit a claim](#).

Along with your member reimbursement form, the following information is required for all claims:

- Itemized bills (should include date of service, services received, and cost of each item)
- Medical records (copies of original medical reports, admission notes, emergency room records, and/or consultation reports)

- Proof of payment (receipts or bank or credit card statements)

You can also mail your member reimbursement form and required documents to:
