

Welcome to Kaiser Permanente

Get started in 3 easy steps

How your Kaiser Permanente health plan works

Your Added Choice with the Kaiser Permanente SelectSM delivery system plan gives you the freedom to choose how you receive care, each time you receive care:

You get quality care from the Kaiser Permanente Select delivery system, composed of over 1,800 physicians of the Mid-Atlantic Permanente Medical Group, P.C. (Permanente), and thousands of Community Physicians in private practice. Refer to the Kaiser Permanente Select Physician Directory or visit kp.org/doctor for a list of primary care

physicians, ob-gyns, specialists, and hospitals.

Out-of-network: You may visit any licensed physician not included in the Select delivery system, and you do not need to notify us of your choice.

It's important to keep in mind that your benefits will vary in each provider option, and the amount you pay for a particular service will depend on the provider option you choose.

About this plan

Welcome to Kaiser Permanente,

Israel Rocha, Jr.
Regional President, Kaiser Permanente

Let's get started

Making the most of your membership takes only **3 easy steps**. Ready to go?

Step 1

Create your online account on **kp.org**

Step 2

Choose your doctor—and change anytime

Step 3

Get prescriptions

Stay in the know with all things Kaiser Permanente—check out **kp.org/insider** for valuable health insights, facility updates, and member discounts.

Your plan is governed by the Kaiser Foundation Health Plan of the Mid-Atlantic States, Inc. (KFHP-MAS), *Group Agreement* and *Evidence of Coverage (EOC)*. Inside this booklet, it is referred to as your “plan document.”

In the event of ambiguity or conflict between this member guide and the KFHP-MAS *Group Agreement* and *EOC*, the KFHP-MAS *Group Agreement* and *EOC* shall prevail.

Step 1 Create your online account on kp.org

Start using our secure website, kp.org, to manage your health on your time¹

Visit kp.org anytime, from anywhere, to:

- Schedule an appointment to see physicians and providers by video visit.²
- View most lab results.
- Refill most prescriptions.
- Email your doctor's office with nonurgent questions.
- Schedule and cancel routine appointments.
- Print vaccination records for school, sports, and camp.
- Manage a family member's health care.
- Get a personalized cost estimate.
- Use our Chat with KP feature.
- And much more.

Creating an account is easy

Go to kp.org/newmember from a computer or mobile device and follow the sign-on instructions. You'll need your medical record number, which you can find on your member ID card.

Caregiver access

Caregivers can access certain features of kp.org for loved ones who are members of Kaiser Permanente. Nonmembers can be caregivers on kp.org as long as they're at least 18 years old and have either:

- Permission from you as the member
OR
- Legal rights to make health care decisions on your behalf, or legal rights to access your health care information.

To set up an account, go to kp.org/register and follow the prompts for caregiver access.

Download the Kaiser Permanente app

After you've registered at kp.org, you can download our app to your smartphone.

1. From your smartphone, go to your preferred app site: App StoreSM (iOS) or Google Play[®] (Android[™]).³
2. Search for the Kaiser Permanente app, then download it to your smartphone.
3. Use your kp.org user ID and password to activate the app, and you'll be ready to go.

Digital membership card

Access your membership information anytime, anywhere, with a digital version of your membership card to:

- Check in for appointments.
- Pick up prescriptions.
- Access your family's membership information.

To use your digital membership card, tap the card icon at the bottom of the Kaiser Permanente app dashboard.

Personalize your kp.org experience

Use your member ID card and our Member Photo Upload feature to add your digital image to kp.org.

¹These features are available when you get care at Kaiser Permanente facilities.

²When appropriate and available. If you travel out of state, phone appointments and video visits may not be available due to state laws that may prevent doctors and health care providers from providing care across state lines. Laws differ by state. If you have an HSA-qualified deductible plan, you may need to pay the full charge for scheduled phone appointments and video visits until you reach your deductible. Once you reach your deductible, you won't pay anything for scheduled phone appointments and video visits.

Step 2 Choose your doctor—and change anytime

Select from a wide range of great doctors and change anytime, for any reason

Your Added Choice plan gives you the freedom to choose how you receive care, each time you receive care:

- In-network: Kaiser Permanente providers
- Out-of-network: any licensed provider

In-network: Choosing a personal doctor (primary care physician)

Choose by phone

Call us at **888-225-7202** (TTY **711**), Monday through Friday, 7:30 a.m. to 9 p.m. Once you've decided on a doctor, we can help you schedule your first appointment.

Choose online

Go to **kp.org/doctor** to browse our doctor profiles and find a doctor who matches your needs. Once you've chosen, call **800-777-7904** (TTY **711**), 24 hours a day, 7 days a week, to schedule your first appointment. You don't need a referral for the following specialties. Just call for an appointment:

- **800-777-7904** (TTY **711**) for obstetrics-gynecology and optometry
- **866-530-8778** for behavioral health—initial consultation (except inpatient care) and chemical dependency or addiction medicine

For other types of specialty care, your doctor will refer you.

Out-of-network: Any licensed provider

Through the out-of-network tier, you can work directly with any licensed provider or facility anywhere. No referral is needed for office visits to out-of-network physicians or specialists; however, preauthorization applies to certain covered out-of-network services.

It's important to keep in mind that your benefits will vary with each provider option and that the amount you pay for a particular service will depend on the provider option you choose and, in some cases, where you choose to receive care.

Visit **kp.org/addedchoice/mas** to learn more about how your Added Choice plan works.

Step 3 Get prescriptions

You can fill prescriptions from any provider at any pharmacy

Kaiser Permanente pharmacies:

- You can fill prescriptions at Kaiser Permanente medical center pharmacies or online at **kp.org**.
- You can also use Kaiser Permanente's Mail Order Pharmacy to get prescription refills delivered right to your front door.¹

Community participating pharmacies:

- You can fill prescriptions at participating pharmacies, including Giant, Harris Teeter, Kmart, Rite Aid, Safeway, Walgreens, Walmart, and others.
- There is no mail-order service with this pharmacy option.
- You may have higher cost shares than you would if you go to a Kaiser Permanente pharmacy, and a deductible may apply.

Out-of-network pharmacies:

- You can fill prescriptions at all other pharmacies.
- There is no mail-order service with this pharmacy option.
- You may have higher cost shares than you would if you went to a participating (community network) pharmacy, and a deductible may apply.
- You may need to pay full out-of-pocket costs for prescriptions filled at out-of-network pharmacies and submit claims to MedImpact for reimbursement.

Get prescription refills by mail

Get medications sent to you in 3 to 5 business days and at no cost with Mail Order Pharmacy.¹ To start, register at **kp.org**, download the Kaiser Permanente app,² or call **800-733-6345**. Some prescriptions are available for same-day or next-day delivery for a small fee; for eligible prescriptions, select this option at checkout.

Get prescription refills by phone

Call us at **800-700-1479** (TTY **711**), 24 hours a day, and follow the prompts to check a status or to refill your prescription.

Get prescription refills online

What drugs are covered?

Visit **kp.org/formulary** for a list of approved drugs.

Picking up your order

You can fill your prescriptions at the pharmacies located in our medical centers. Just visit **kp.org/facilities** and select the pharmacy where you'd like to pick them up.

¹Some medications are not eligible for Mail Order Pharmacy. Mail Order Pharmacy can mail to addresses in MD, VA, DC, and certain locations outside the service area.

Our premier hospitals

Kaiser Permanente carefully selects premier hospitals¹ to team with us in taking great care of you.

Located throughout Maryland, Virginia, and Washington, DC, these award-winning hospitals work with us to provide your treatment when you need inpatient or outpatient hospital care.

What if you're admitted to a non-premier hospital?

Once your condition has stabilized, we may move you to a premier hospital where Kaiser Permanente physicians are on duty. That way, we can deliver seamless and coordinated care during both your hospitalization and your transition out of the hospital.

Out-of-network hospitals:

- You can receive inpatient hospitalization services from any licensed or accredited hospitals and facilities.
- When you receive services, you may need to pay allowable charges (such as the contracted amount a provider has agreed to accept) to the hospital, doctor, or other providers, as described in your plan document. You may also need to submit a claim for reimbursement.

¹The premier hospitals are independently owned and operated hospitals, and they contract with Kaiser Foundation Hospitals. The continued availability and/or participation of any facility cannot be guaranteed. Kaiser Permanente reserves the right to relocate, modify, or terminate the location for premier hospitals. For the most up-to-date information, visit kp.org/premierhospitals.

Care options while you're away from home

No matter where life takes you, Kaiser Permanente has you covered. If something unexpected happens while you're away from home, it's easier than ever to get care.

Routine care at your fingertips

Use your **kp.org** account or the Kaiser Permanente app¹ on the go to:

- Get medical advice from a licensed care professional 24/7
- Access care by phone, video, or e-visit—usually at no cost²
- Email nonurgent questions to your doctor's office

Urgent care³

No matter where you get urgent or emergency care, you can file a claim for reimbursement. And at many locations outside Kaiser Permanente service areas, you'll only pay your copay or coinsurance—no need to file a claim.

- Cigna HealthcareSM PPO Network⁴ providers
- MinuteClinics[®], including pharmacies⁵
- Concentra clinics⁵

Emergency care³

No matter where you are, you can simply go to the nearest emergency room. If it's a Kaiser Permanente location or a Cigna Healthcare PPO provider, you'll only pay your normal copay or coinsurance.

¹To use the Kaiser Permanente app, you must be a Kaiser Permanente member registered on **kp.org**.

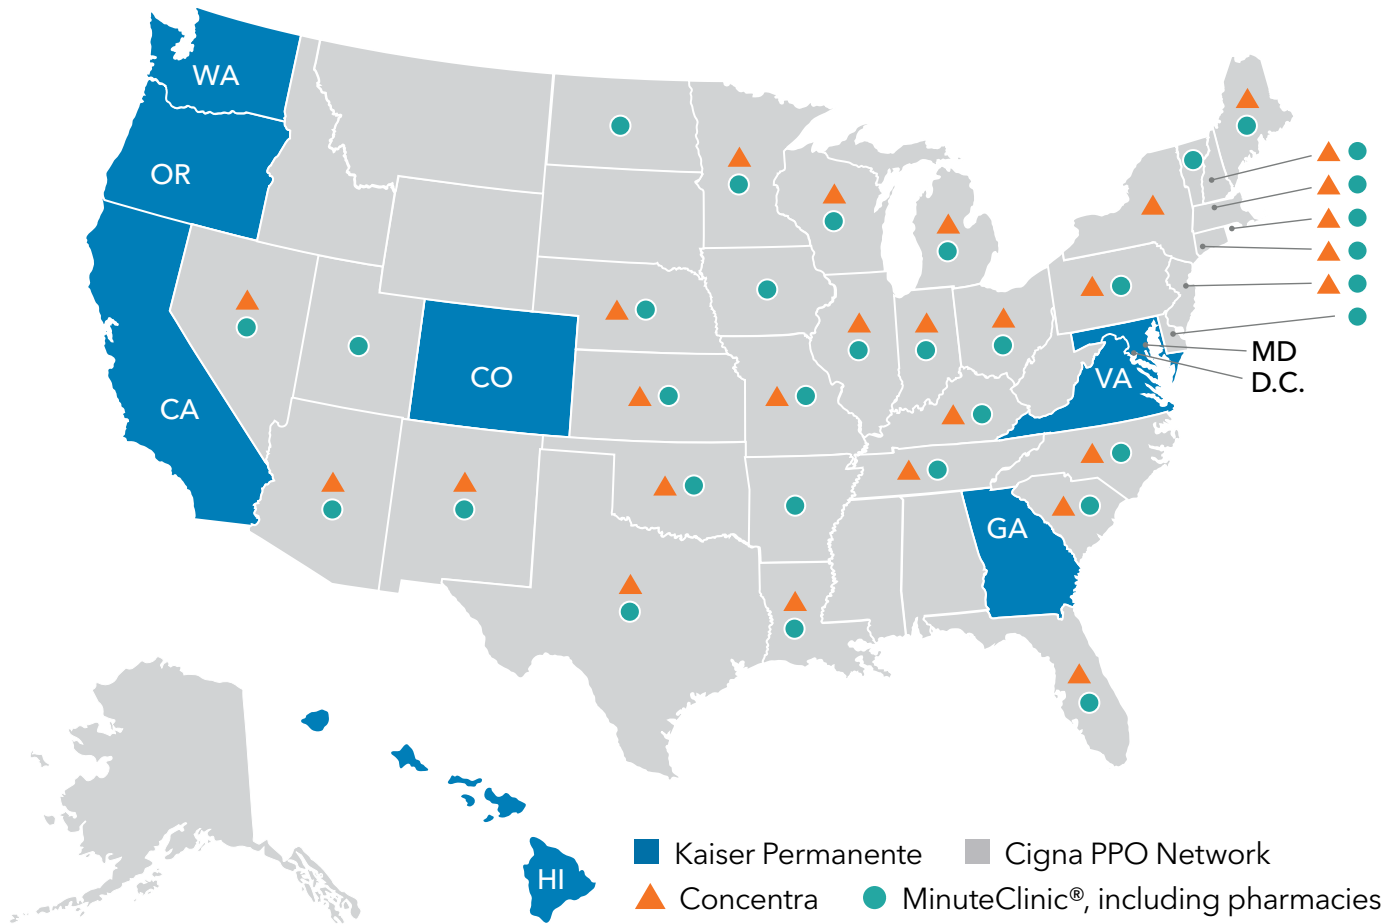

²When appropriate and available. If you travel out of state, phone appointments and video visits may not be available due to state laws that may prevent doctors from providing care across state lines. Laws differ by state. If you have an HSA-qualified deductible plan, you may need to pay the full charges for scheduled phone appointments and video visits until you reach your deductible. Once you reach your deductible, you won't pay anything for scheduled phone appointments and video visits.

³If you believe you have an emergency medical condition, call 911 or go to the nearest hospital. For the complete definition of an emergency medical condition, please refer to your *Evidence of Coverage* or other coverage documents.

⁴The Cigna HealthcareSM PPO Network refers to the health care providers (doctors, hospitals, specialists) contracted as part of the Cigna Healthcare PPO for Shared Administration. Cigna Healthcare is an independent company and not affiliated with Kaiser Permanente Insurance Company or Kaiser Foundation Health Plan. Access to the Cigna Healthcare PPO Network is available through Cigna Healthcare's contractual relationship with Kaiser Permanente Insurance Company and Kaiser Foundation Health Plan. The Cigna Healthcare PPO Network is provided exclusively by or through operating subsidiaries of Cigna Corporation, including Cigna Health and Life Insurance Company. The Cigna name, logo, and other Cigna marks are owned by Cigna Intellectual Property, Inc.

⁵MinuteClinic and Concentra payment experiences vary by plan.

Understanding your costs and benefits

You pay \$0 cost share for in-network preventive care

Preventive care includes routine physicals, well-child visits, and certain screenings and tests (such as mammograms), so there's no need to delay making your first appointment with your primary care physician.

If you have symptoms of a condition, your doctor may order a service to help find out what it is or help treat it. Since you've shown symptoms, this service doesn't qualify as preventive. It's actually diagnostic, since it's used to diagnose your condition, and cost sharing may apply.

You may also get services to help treat a condition that's already been diagnosed. Since you're being treated for an existing condition, these services are also non-preventive, and cost sharing may apply.

Tests or services ordered for or during a routine physical or well-child visit may result in cost sharing if those services are related to diagnosing, monitoring, or treating an existing condition.

You may have a copay for most other care, such as appointments with specialists, urgent care, and some tests and services. Please refer to your plan document.

You can estimate the cost of your next visit at kp.org/costestimates. You'll need to be registered on kp.org to use this secure tool.

Your share of costs

“Cost share” refers to what you pay as part of your share for health care costs. Refer to your plan document to learn more about your plan’s specific cost shares.

Type of cost share	What it is	When you pay
Copayment (copay)	<p>The set fee you pay for a covered service (for instance, a non-preventive office visit) every time that service is provided. Copayments vary depending on your plan and do not count toward a deductible. However, they do count toward your annual out-of-pocket maximum for most services.</p>	<p>Nearly all plans have copayments or coinsurance. A copayment or coinsurance may be owed on the day you receive services, for each visit, even if multiple visits occur on the same day.</p>
Coinsurance	<p>The percentage of the cost for a covered service. For example, if your coinsurance is 15% and your allowed office visit cost is \$100, then you pay \$15 and the health plan pays \$85. Coinsurance varies according to your plan and does not apply toward the deductible. However, it counts toward your annual out-of-pocket maximum for most services.</p>	<p>There is no copay or coinsurance for preventive care for non-grandfathered plans. What you owe depends on your plan’s benefits and the services you receive.</p>
Out-of-pocket maximum	<p>The maximum amount you pay out of pocket each contract year for most covered services. Once the amounts you have paid equal the out-of-pocket maximum, you pay nothing for those covered services for the remainder of the contract year.</p>	<p>Depending on your plan, the copayments, coinsurance, and deductibles you pay for most services will count toward the out-of-pocket maximum.</p>
Deductible (Visit kp.org/deductibleplans for more information on deductible plans and to find helpful cost tools.)	<p>The set amount you must pay each contract year for covered medical services before the health plan begins to pay its share. Not all services may be applied to the deductible. Deductibles vary depending on the plan you have.</p> <p>Once you have met your deductible, you’ll be required to pay only the applicable copayment or coinsurance for most covered services for the remainder of your plan’s contract year. Certain conditions may apply.</p>	<p>If you have a deductible, you’ll be billed for the full allowed amount for each service that is subject to the deductible during check-in or after the service via mailed bill. You may also receive an estimate of your charges before your office visit for certain services, and you may choose to make a deposit payment based on that estimate.</p>

Claims

You will not file claims for services if:

- You get medical care and services from network providers.
- You get an authorized referral from your network provider to see an out-of-network provider.
- Your amount paid was for a copayment, deductible, and/or coinsurance.

If you file a claim:

- You have up to 180 days from the date you received care to submit your claim.
- Kaiser Permanente will review the claim and decide what payment or reimbursement you may be owed.
- Care must be medically necessary. Please refer to your plan document.

How to file the claim

To request payment or reimbursement, log on to kp.org, select [Coverage & Costs](#), and then select [Submit a claim](#).

Along with your member reimbursement form, the following information is required for all claims:

- Itemized bills (should include date of service, services received, and cost of each item)
- Medical records (copies of original medical reports, admission notes, emergency room records, and/or consultation reports)
- Proof of payment (receipts or bank or credit card statements)

You can also mail your member reimbursement form and required documents to:

National Claims Administration -

Filing an appeal

It is your right to file an appeal if you disagree with a decision not to pay for a claim. Read your plan document for more information.

In-network

Referrals

If you have a referral from a Permanente physician, preauthorization from the health plan may also be required for certain services. Your Permanente physician will act on your behalf to seek this preauthorization.

If your preauthorization request is denied

You have the right to file an appeal if you disagree with the health plan's decision not to authorize medical, surgical, or behavioral health services, or drugs and devices. Appeal rights and detailed instructions are included with your plan document.

You can fax appeals to **866-640-9826**. Refer to your plan document for more information.

Out-of-network

Costs

- After you receive any out-of-network covered medical service, and once a medical claim for your service has been verified as an eligible benefit, you'll receive an Explanation of Benefits (EOB). The EOB will show you a breakdown of the charges and payments for your visit, deductible and out-of-pocket maximum accumulations, and how much you're responsible for paying.
- You must first meet your annual deductible before the health plan begins to pay for covered services.
- After you meet your deductible, you'll have to pay coinsurance or copays for covered services for the rest of the contract year, and out-of-network providers may also bill you for the difference, if any, between actual billed charges and the maximum allowable charge.
- Out-of-network physicians are not connected electronically to one another or to you, which means you manage your own care, carrying your paper medical record and other files with you from office to office. You must follow up to be sure that test results are communicated between doctors' offices. You must wait for lab results.
- Your pharmacist is not linked to your medical record.

Want to talk? We're here to help.

If you have questions about how much your visits should cost, visit [kp.org/costestimates](https://www.kp.org/costestimates). Estimates are based on your plan benefits and whether you've reached your deductible—so you get personalized information every time.

What to expect when using the Kaiser Permanente Select delivery system

To choose a Community Physician who does not practice in a Kaiser Permanente facility, go to kp.org and select [Doctors & Locations](#). Then click [Search our affiliated and network physicians/providers](#). When you find your physician, tell us your selection by calling Member Services at **800-777-7902** (TTY **711**), Monday through Friday (closed holidays), 7:30 a.m. to 9 p.m. Please have the physician's name and address ready.

If you choose a Community Physician instead of a Permanente physician, that Community Physician will coordinate your care. Speak with your Community Physician on how their care team is organized to support your care.

If your primary care provider is a Permanente physician and you are requesting an external referral to a Community Physician, your Permanente physician will complete and submit an external referral request on your behalf. Referrals are not required for out-of-network providers.

Some services may require preauthorization. If you have a Permanente physician, they'll obtain preauthorization for you. If you have a community or out-of-network physician, you'll be responsible for obtaining preauthorization. To request a preauthorization, your physician must download the Uniform Consultation Referral Form at providers.kp.org/mas under the "Forms" section. Then fax the completed form to the Kaiser Permanente Utilization Management Department at **800-660-2019**.

For questions about your benefits, preauthorizations, or external referral requests, call Member Services at **800-777-7902** (TTY **711**), Monday through Friday (closed holidays), 7:30 a.m. to 9 p.m.
