KAISER PERMANENTE®

How your Kaiser Permanente health plan works

Your Added Choice with the Signature℠ delivery system plan gives you the freedom to choose how you receive care, each time you receive care:

You get quality care from the Kaiser Permanente Signature delivery system. With this delivery system, you receive services from Mid-Atlantic Permanente Medical Group, P.C. (Permanente), physicians. They're part of a group of over 1,800 physicians who practice in our medical centers located in Maryland, Washington, DC, and Virginia.

Out-of-network: You may visit any licensed physician not included in the Signature delivery system, and you do not need to notify us of your choice.

It's important to keep in mind that your benefits and cost shares will vary when you choose an out-of-network provider.

If your plan has a deductible

Some services, such as preventive care and primary care physician visits, are offered before a deductible is met. Refer to your *Evidence of Coverage* for a list of services that are subject or not subject to the deductible.

About this plan

	In-network	Out-of-network
Physicians	Permanente physicians.	Any licensed physician or provider not included in the Kaiser Permanente network.
Hospitals	Kaiser Permanente premier hospitals.[1]	Any hospital not included in the Kaiser Permanente network.
Out-of-pocket costs	Usually the lowest out-of-pocket costs. There is a deductible. Most services are covered at a copay.	Usually the highest out-of-pocket costs. Most services are subject to a deductible and then coinsurance.
	When you visit an in-network Permanente provider, you won't be charged more than your deductible, copayment, or coinsurance for covered services.	When you visit an out-of-network provider, in addition to your contract year deductible, copayment, and/or coinsurance, you may be responsible for the difference between the billed charges and the maximum allowable charge.
Referral and preauthorization	Referral to see specialists is required. Some services may require pre-authorization. In-network physicians will obtain preauthorization for you.	No referral to specialists is needed. Some services require precertification. You will be responsible for obtaining precertification. Contact Member Services or the Utilization Management Operations Center at **888-225-7202** (TTY **711**) to obtain preauthorizations. Representatives are available from Monday through Friday, 8 a.m. to 11 p.m. You may, however, request precertification 24 hours a day, 7 days a week. Response to urgent requests occurs within 2 hours of your message; nonurgent requests will get a reply during the following business day. Visit **kp.org/addedchoice/mas**.
Claims	Virtually no claim forms to complete.	You may be required to pay the full cost of each visit. If so, you will need to submit claim forms with itemized bills for reimbursement. Forms are available at **kp.org/addedchoice/mas**.

Welcome to Kaiser Permanente!

Let's get started

Making the most of your membership takes only **3 easy steps.** Ready to go?

Step 1
Create your online account on **kp.org**

Step 2
Choose your doctor—and change anytime

Step 3
Get prescriptions

Stay in the know with all things Kaiser Permanente—check out **kp.org/insider** for valuable health insights, facility updates, and member discounts.

Your plan is governed by the Kaiser Foundation Health Plan of the Mid-Atlantic States, Inc. (KFHP-MAS), *Group Agreement* and *Evidence of Coverage (EOC)*. Inside this booklet, it is referred to as your "plan document."

In the event of ambiguity or conflict between this member guide and the KFHP-MAS *Group Agreement* and *EOC*, the KFHP-MAS *Group Agreement* and *EOC* shall prevail.

Step 1 Create your online account on kp.org

Start using our secure website, **kp.org**, to manage your health on your time[1]

Visit **kp.org** anytime, from anywhere, to:

- Schedule an appointment to see physicians and providers by video visit.[2]
- View most lab results.
- Refill most prescriptions.
- Email your doctor's office with nonurgent questions.
- Schedule and cancel routine appointments.
- Print vaccination records for school, sports, and camp.
- Manage a family member's health care.
- Get a personalized cost estimate.
- Use our Chat with KP feature.
- And much more.

Creating an account is easy

Go to **kp.org/newmember** from a computer or mobile device and follow the sign-on instructions. You'll need your medical record number, which you can find on your member ID card.

Caregiver access

Caregivers can access certain features of **kp.org** for loved ones who are members of Kaiser Permanente. Nonmembers can be caregivers on **kp.org** as long as they're at least 18 years old and have either:

- Permission from you as the member

  OR

- Legal rights to make health care decisions on your behalf, or legal rights to access your health care information.

To set up an account, go to **kp.org/register** and follow the prompts for caregiver access.

Download the Kaiser Permanente app

After you've registered at **kp.org**, you can download our app to your smartphone.

1. From your smartphone, go to your preferred app site: App Store℠ (iOS) or Google Play® (Android™).[3]
2. Search for the Kaiser Permanente app, then download it to your smartphone.
3. Use your **kp.org** user ID and password to activate the app, and you'll be ready to go.

[1]These features are available when you get care at Kaiser Permanente facilities.
[2]When appropriate and available. If you travel out of state, phone appointments and video visits may not be available due to state laws that may prevent doctors and health care providers from providing care across state lines. Laws differ by state.

Step 2 Choose your doctor—and change anytime

Select from a wide range of great doctors and change anytime, for any reason

Your Added Choice plan gives you the freedom to choose how you receive care, each time you receive care:

- In-network: Kaiser Permanente providers
- Out-of-network: any licensed provider

In-network: Choosing a personal doctor (primary care physician)

Choose by phone

Call us at **888-225-7202** (TTY **711**), Monday through Friday, 7:30 a.m. to 9 p.m. Once you've decided on a doctor, we can help you schedule your first appointment.

Choose online

Go to **kp.org/doctor** to browse our doctor profiles and find a doctor who matches your needs. Once you've chosen, call **800-777-7904** (TTY **711**), 24 hours a day, 7 days a week, to schedule your first appointment. You don't need a referral for the following specialties. Just call for an appointment:

- **800-777-7904** (TTY **711**) for ob-gyn and optometry
- **866-530-8778** for behavioral health—initial consultations (except inpatient care) and chemical dependency or addiction medicine

For other types of specialty care, your doctor will refer you.

Out-of-network: Any licensed provider

Through the out-of-network tier, you can work directly with any licensed provider or facility anywhere. No referral is needed for office visits to out-of-network physicians or specialists; however, preauthorization applies to certain covered out-of-network services.

It's important to keep in mind that your benefits will vary with each provider option and that the amount you pay for a particular service will depend on the provider option you choose and, in some cases, where you choose to receive care.

Visit **kp.org/addedchoice/mas** to learn more about how your Added Choice plan works.

Step 3 Get prescriptions

You can fill prescriptions from any provider at any pharmacy

Kaiser Permanente pharmacies:

- You can fill prescriptions at Kaiser Permanente medical center pharmacies or online at **kp.org**.
- You can also use Kaiser Permanente's Mail Order Pharmacy to get prescription refills delivered right to your front door.[1]

Community participating pharmacies:

- You can fill prescriptions at participating pharmacies, including Giant, Harris Teeter, Kmart, Safeway, Walgreens, Walmart, and others.
- There is no mail-order service with this pharmacy option.
- You may have higher cost shares than you would with a Kaiser Permanente pharmacy, and a deductible may apply.

Get prescription refills by mail

Get medications sent to you in 3 to 5 business days and at no cost with Mail Order Pharmacy.[1] To start, register at **kp.org**, download the Kaiser Permanente app,[2] or call **800-733-6345.** Some prescriptions are available for same-day or next-day delivery for a small fee; for eligible prescriptions, select this option at checkout.

Get prescription refills by phone

Call us at **800-700-1479** (TTY **711**), 24 hours a day, and follow the prompts to check a status or to refill your prescription.

Get prescription refills online

Register on **kp.org** or the Kaiser Permanente app[2] to request refills for most prescriptions online.

What drugs are covered?

Visit **kp.org/formulary** for a list of approved drugs.

Picking up your order

You can fill your prescriptions at the pharmacies located in our medical centers. Just visit **kp.org/facilities** and select the pharmacy where you'd like to pick them up.

[1]Some medications are not eligible for Mail Order Pharmacy. Mail Order Pharmacy can mail to addresses in MD, VA, DC, and certain locations outside the service area.
[2]To use the Kaiser Permanente app, you must be a Kaiser Permanente member registered on **kp.org**.

The right care

Hospital care

kp.org/premierhospitals

Our premier hospitals

Kaiser Permanente carefully selects premier hospitals[1] to team with us in taking great care of you.

Located throughout Maryland, Virginia, and Washington, DC, these award-winning hospitals work with us to provide your treatment when you need inpatient or outpatient hospital care.

What if you're admitted to a non-premier hospital?

Once your condition has stabilized, we may move you to a premier hospital where Kaiser Permanente physicians are on duty. That way, we can deliver seamless and coordinated care during both your hospitalization and your transition out of the hospital.

Out-of-network hospitals:

- You can receive inpatient hospitalization services from any licensed or accredited hospitals and facilities.
- When you receive services, you may need to pay allowable charges (such as the contracted amount a provider has agreed to accept) to the hospital, doctor, or other providers, as described in your plan document. You may also need to submit a claim for reimbursement.

For locations and other details, visit **kp.org/premierhospitals**.

[1]The premier hospitals are independently owned and operated hospitals, and they contract with Kaiser Foundation Hospitals. The continued availability and/or participation of any facility cannot be guaranteed. Kaiser Permanente reserves the right to relocate, modify, or terminate the location for premier hospitals. Services	What you need to know
X-ray and imaging services 	**In-network:** For most services, you need a referral from your doctor. They'll let you know how to schedule your appointment. Most X-ray and imaging services are located wherever Urgent Care or Advanced Urgent Care is offered so you don't have to make a separate trip to have an X-ray or other imaging test. Call the appointment line to schedule a mammogram. You don't need a referral from a doctor. Your primary care physician or ob-gyn will talk with you about how often you should be screened. Your results from tests done in Kaiser Permanente medical centers will be available in your medical record. **Out-of-network:** You can receive X-ray and other imaging services at any facility. If you receive screenings in out-of-network facilities, you'll likely pay in full and submit a claim for reimbursement. The provider may also bill you for the difference, if any, between actual billed charges and the maximum allowable charge.
Dental 	Your medical coverage includes dental care needed after an accident. It does not provide additional dental care or dental treatment that is not related to an accident. Refer to your plan document to determine your accidental dental coverage, or contact the benefits officer where you work if your employer provides your coverage. **You may have a plan that includes preventive and other dental benefits.** Refer to your health plan *Evidence of Coverage,* or contact the benefits officer where you work if your employer provides your coverage. For questions about dental benefits (other than accidental dental), visit **kp.org/dental/mas** or call LIBERTY Dental Plan at **800-764-5393** (TTY **877-855-8039**). Knowledgeable LIBERTY Dental Plan member service specialists are available Monday through Friday, 8 a.m. to 8 p.m., to answer your questions about coverage or to help you find a participating dentist.

Services	What you need to know
Lab tests and results 	**In-network:** For most routine lab tests, your Permanente physician will send the order electronically to the Kaiser Permanente lab, and you can just walk in without an appointment. Most lab services are located wherever Urgent Care or Advanced Urgent Care is offered so you don't have to make a separate trip to have a lab test to complete your care. You can also schedule your lab appointment in advance to save time. Your results from tests done in Kaiser Permanente medical centers will be in your medical record. You can read most results online soon after the lab completes your tests, sometimes on the same day. If your lab tests are not performed in a Kaiser Permanente medical center, follow your physician's instructions about how to receive your test results. **Out-of-network:** You can receive lab services at any facility. If you receive lab services in out-of-network facilities, you'll likely pay in full and submit a claim for reimbursement. The provider may also bill you for the difference, if any, between actual billed charges and the maximum allowable charge.

Coordination of benefits	**Do you have coverage from another plan, too?** If you have other health coverage in addition to your coverage with Kaiser Permanente, please notify Member Services at **800-777-7902** (TTY **711**). If the other plan is your primary insurance, we reserve the right to bill the other health plan for the services we provide or authorize for you. Having more than one health care plan doesn't affect your ability to access Kaiser Permanente services. If you have a work-related injury or an injury caused by another party, please notify Member Services.

Care options while you're away from home

No matter where life takes you, Kaiser Permanente has you covered. If something unexpected happens while you're away from home, it's easier than ever to get care.

Routine care

Use your **kp.org** account or the Kaiser Permanente app[1] to:

- Get medical advice from a licensed care professional 24/7
- Access care by phone, video, or e-visit–usually at no cost[2]
- Email nonurgent questions to your doctor's office

Urgent care[3]

No matter where you get urgent or emergency care, you can file a claim for reimbursement. And at many locations outside Kaiser Permanente service areas, you'll only pay your copay or coinsurance—no need to file a claim.

- Cigna Healthcare℠ PPO Network[4] providers
- MinuteClinics®, including pharmacies[5]
- Concentra clinics[5]

Emergency care[3]

No matter where you are, you can simply go to the nearest emergency room. If it's a Kaiser Permanente location or a Cigna Healthcare PPO provider, you'll only pay your normal copay or coinsurance.

[1]To use the Kaiser Permanente app, you must be a Kaiser Permanente member registered on **kp.org**.
[2]When appropriate and available. If you travel out of state, phone appointments and video visits may not be available due to state laws that may prevent doctors from providing care across state lines. Laws differ by state.
[3]If you believe you have an emergency medical condition, call 911 or go to the nearest hospital. For the complete definition of an emergency medical condition, please refer to your *Evidence of Coverage* or other coverage documents.
[4]The Cigna Healthcare℠ PPO Network refers to the health care providers (doctors, hospitals, specialists) contracted as part of the Cigna Healthcare PPO for Shared Administration. Cigna Healthcare is an independent company and not affiliated with Kaiser Permanente Insurance Company or Kaiser Foundation Health Plan. Access to the Cigna Healthcare PPO Network is available through Cigna Healthcare's contractual relationship with Kaiser Permanente Insurance Company and Kaiser Foundation Health Plan. The Cigna Healthcare PPO Network is provided exclusively by or through operating subsidiaries of Cigna Corporation, including Cigna Health and Life Insurance Company. The Cigna name, logo, and other Cigna marks are owned by Cigna Intellectual Property, Inc.
[5]MinuteClinic and Concentra payment experiences vary by plan.

Understanding your costs and benefits

You pay $0 cost share for in-network preventive care

Preventive care includes routine physicals, well-child visits, and certain screenings and tests (such as mammograms), so there's no need to delay making your first appointment with your primary care physician.

If you have symptoms of a condition, your doctor may order a service to help find out what it is or help treat it. Since you've shown symptoms, this service doesn't qualify as preventive. It's actually diagnostic, since it's used to diagnose your condition, and cost sharing may apply.

You may also get services to help treat a condition that's already been diagnosed. Since you're being treated for an existing condition, these services are also non-preventive, and cost sharing may apply.

Tests or services ordered for or during a routine physical or well-child visit may result in cost sharing if those services are related to diagnosing, monitoring, or treating an existing condition.

You may have a copay for most other care, such as appointments with specialists, urgent care, and some tests and services. Please refer to your plan document.

You can estimate the cost of your next visit at **kp.org/costestimates**. You'll need to be registered on **kp.org** to use this secure tool.

Your share of costs

"Cost share" refers to what you pay as part of your share for health care costs. Refer to your plan document to learn more about your plan's specific cost shares.

Type of cost share	What it is	When you pay
Copayment (copay)	The set fee you pay for a covered service (like a non-preventive office visit) every time that service is provided. Copayments vary depending on your plan and do not count toward a deductible. However, they do count toward your annual out-of-pocket maximum for most services.	Nearly all plans have copayments or coinsurance. A copayment or coinsurance may be owed on the day you receive services, for each visit, even if multiple visits occur on the same day. There is no copay or coinsurance for preventive care for non-grandfathered plans. What you owe depends on your plan's benefits and the services you receive.
Coinsurance	The percentage of the cost for a covered service. For example, if your coinsurance is 15% and your allowed office visit cost is $100, then you pay $15 and the health plan pays $85. Coinsurance varies according to your plan and does not apply toward the deductible. However, it counts toward your annual out-of-pocket maximum for most services.	
Out-of-pocket maximum	The maximum amount you pay out of pocket each contract year for most covered services. Once the amounts you have paid equal the out-of-pocket maximum, you pay nothing for those covered services for the remainder of the contract year.	Depending on your plan, the copayments, coinsurance, and deductibles you pay for most services will count toward the out-of-pocket maximum.
Deductible (Visit **kp.org/deductibleplans** to learn more about deductible plans and find helpful cost tools.)	The set amount you must pay each contract year for covered medical services before the health plan begins to pay its share. Not all services may be applied to the deductible. Deductibles vary depending on the plan you have. Once you have met your deductible, you'll be required to pay only the applicable copayment or coinsurance for most covered services for the remainder of your plan's contract year. Certain conditions may apply.	If you have a deductible, you'll be billed for the full allowed amount for each service that is subject to the deductible during check-in or after the service via mailed bill. You may also receive an estimate of your charges before your office visit for certain services, and you may choose to make a deposit payment based on that estimate.

Claims

You will not file claims for services if:

- You get medical care and services from network providers.
- You get an authorized referral from your network provider to see an out-of-network provider.
- Your amount paid was for a copayment, deductible, and/or coinsurance.

If you file a claim:

- You have up to 180 days from the date you received care to submit your claim.
- Kaiser Permanente will review the claim and decide what payment or reimbursement you may be owed.
- Care must be medically necessary. Please refer to your plan document.

How to file the claim

To request payment or reimbursement, log on to **kp.org**, select Coverage & Costs, and then select Submit a claim.

Along with your member reimbursement form, the following information is required for all claims:

- Itemized bills (should include date of service, services received, and cost of each item)
- Medical records (copies of original medical reports, admission notes, emergency room records, and/or consultation reports)
- Proof of payment (receipts or bank or credit card statements)

You can also mail your member reimbursement form and required documents to:

National Claims Administration –

P.O. Box 371860

What you'll receive from us

Filing an appeal

It is your right to file an appeal if you disagree with a decision not to pay for a claim. Read your plan document for more information.

Referrals

If you have a referral from a Permanente physician, preauthorization from the health plan may also be required for certain services. Your Permanente physician will act on your behalf to seek this preauthorization.

If your preauthorization request is denied

You have the right to file an appeal if you disagree with the health plan's decision not to authorize medical, surgical, or behavioral health services, or drugs and devices. Appeal rights and detailed instructions are included with your plan document.

You can fax appeals to **866-640-9826.** Refer to your plan document for more information.

Out-of-network

Costs

- After you receive any out-of-network covered medical service, and once a medical claim for your service has been verified as an eligible benefit, you will receive an Explanation of Benefits (EOB). The EOB will show you a breakdown of the charges and payments for your visit, deductible and out-of-pocket maximum accumulations, and how much you are responsible for paying.
- You must first meet your annual deductible before the health plan begins to pay for covered services.
- After you meet your deductible, you'll have to pay coinsurance or copays for covered services for the rest of the contract year, and out-of-network providers may also bill you for the difference, if any, between actual billed charges and the maximum allowable charge.
- Out-of-network physicians are not connected electronically to one another or to you, which means you manage your own care, carrying your paper medical record and other files with you from office to office. You must follow up to be sure that test results are communicated between doctors' offices. You must wait for lab results.
- Your pharmacist is not linked to your medical record.
