# How your Kaiser Permanente health plan works

## Your Signature HSA-Qualified Deductible HMO plan

You are enrolled in the Signature HSA-Qualified Deductible HMO plan, which includes three key highlights:

- The Signature delivery system
- A health savings account<sup>1</sup>
- A deductible

With this plan, you have access to the Signature delivery system, which gives you quality care from Mid-Atlantic Permanente Medical Group, P.C. (Permanente), physicians. They're part of a group of over 1,800 physicians who practice in Maryland, the District of Columbia, and Virginia.

**Your deductible:** Your plan has a deductible. A deductible is the amount you pay for covered health care services before your insurance plan starts to pay. After you reach your deductible, you'll only need to pay applicable copayment and coinsurance for most covered services for the remainder of your plan year.

Preventive care services, including routine physicals, and well-child visits are covered at no extra cost, even if your deductible has not been met.

## How your deductible plan works

This table covers the deductible process that takes place between the start and end dates of your plan year.<sup>2</sup>

<sup>1</sup>Your plan may be compatible with a health savings account, please see your plan document for plan details.  
<sup>2</sup>See your plan document for plan details, including the date your deductible and out-of-pocket maximum will start over.  
<sup>3</sup>Most preventive care services are covered at no extra cost, even before you reach your deductible.  
<sup>4</sup>See your plan document for details on what services are subject to the deductible and out-of-pocket maximum.  
<sup>5</sup>Some plans have a separate pharmacy deductible. For those plans, you will need to pay full charges before your pharmacy deductible is met. Generic prescriptions may have copays, even when the plan has a separate pharmacy deductible. See your plan document for more details.

## Let's get started

Making the most of your membership takes only **3 easy steps**. Ready to go?

### Step 1

Create your online account on **kp.org**

### Step 2

Choose your doctor—and change anytime

### Step 3

Get prescriptions

Stay in the know with all things Kaiser Permanente—check out **kp.org/insider** for valuable health insights, facility updates, and member discounts.

Your plan is governed by the Kaiser Foundation Health Plan of the Mid-Atlantic States, Inc. (KFHP-MAS), *Group Agreement* and *Evidence of Coverage (EOC)*. Inside this booklet, it is referred to as your “plan document.”

In the event of ambiguity or conflict between this member guide and the KFHP-MAS *Group Agreement* and *EOC*, the KFHP-MAS *Group Agreement* and *EOC* shall prevail.

# Step 1 Create your online account on **kp.org**

Start using our secure website, **kp.org**, to manage your health on your time<sup>1</sup>

Visit **kp.org** anytime, from anywhere, to:

- Schedule an appointment to see physicians and providers by video visit.<sup>2</sup>
- View most lab results.
- Refill most prescriptions.
- Email your doctor's office with nonurgent questions.
- Schedule and cancel routine appointments.
- Print vaccination records for school, sports, and camp.
- Manage a family member's health care.
- Get a personalized cost estimate.
- Use our Chat with KP feature.
- And much more.

## Creating an account is easy

Go to **kp.org/newmember** from a computer or mobile device and follow the sign-on instructions. You'll need your medical record number, which you can find on your member ID card.

## Caregiver access

Caregivers can access certain features of **kp.org** for loved ones who are members of Kaiser Permanente. Nonmembers can be caregivers on **kp.org** as long as they're at least 18 years old and have either:

- Permission from you as the member, or
- Legal rights to make health care decisions on your behalf, or legal rights to access your health care information.

To set up an account, go to **kp.org/register** and follow the prompts for caregiver access.

## Download the Kaiser Permanente app

After you've registered at **kp.org**, you can download our app to your smartphone.

1. From your smartphone, go to your preferred app site: App Store<sup>SM</sup> (iOS) or Google Play<sup>®</sup> (Android<sup>™</sup>).<sup>3</sup>
2. Search for the Kaiser Permanente app, then download it to your smartphone.
3. Use your **kp.org** user ID and password to activate the app, and you'll be ready to go.

To use your digital membership card, tap the card icon at the bottom of the Kaiser Permanente app dashboard.

## Personalize your **kp.org** experience

Use your member ID card and our Member Photo Upload feature to add your digital image to **kp.org**.

<sup>1</sup>These features are available when you get care at Kaiser Permanente facilities.

<sup>2</sup>When appropriate and available. If you travel out of state, phone appointments and video visits may not be available due to state laws that may prevent doctors and health care providers from providing care across state lines. Laws differ by state.

## Step 2 Choose your doctor—and change anytime

### Select from a wide range of great doctors and change anytime, for any reason

To help you find the personal doctor (also called a primary care physician) who's right for you, you can browse our online doctor profiles. There, you'll see information related to their education, credentials, specialties, and interest areas, as well as if they're accepting new patients.

Women should choose an ob-gyn in addition to their primary care physician.

#### You can choose a personal doctor with any of these specialties:

- Adult medicine/internal medicine
- Family medicine
- Ob-gyn
- Pediatrics/adolescent medicine (for children up to 18)

Each covered family member may choose their own personal doctor. If you do not choose a primary care physician or ob-gyn within the first 30 days of enrollment, one will be assigned to you.

If the doctor you'd like to select isn't accepting new patients, call us at **800-777-7904** (TTY **711**) for assistance.

Go to **kp.org/doctor** to browse our doctor profiles and find a doctor who matches your needs. You can also call **800-777-7904** (TTY **711**), 24 hours a day, 7 days a week.

#### See specialists, some without a referral

You don't need a referral for the following specialties—just call for an appointment:

- **800-777-7904** (TTY **711**) for ob-gyn and optometry
- **866-530-8778** for behavioral health—initial consultations (except inpatient care) and chemical dependency or addiction medicine

For other types of specialty care, your doctor will refer you.

# Step 3 Get prescriptions

## We make it easy to get your prescriptions

We have two ways to help you transfer prescriptions to Kaiser Permanente.

- Go to **kp.org/newmember** and follow the steps to complete the online form.  
OR
- Choose a Kaiser Permanente pharmacy at **kp.org/facilities** and call us.

Remember to contact us before you need a refill, as it can take 3 or more business days to transfer your prescriptions.

### Here's what you'll need

To transfer a prescription, please have the following information ready when you call:

- Your Kaiser Permanente medical record number
- The name and telephone number of your current pharmacy
- The name, strength, and directions for use of the prescribed medication
- The prescription number of the prescribed medication

### Medication reminder service

Our reminder service—offered via the Kaiser Permanente app<sup>1</sup>—can send you alerts about what dose of your medications to take and when, making it easier for you to keep track.

Creating a reminder is easy:

1. In the Kaiser Permanente app, go to the pharmacy section.
2. In the medication list, tap the medication you want to view.
3. Under prescription details, toggle on **Reminders to Take**.

### Get prescription refills by mail

Get medications sent to you in 3 to 5 business days and at no cost with Mail Order Pharmacy.<sup>2</sup> To start, register at **kp.org**, download the Kaiser Permanente app,<sup>1</sup> or call **800-733-6345**. Some prescriptions are available for same-day or next-day delivery for a small fee; for eligible prescriptions, select this option at checkout.

### Get prescription refills by phone

Call us at **800-700-1479 (TTY 711)**, 24 hours a day, and follow the prompts to check a status or to refill your prescription.

### Get prescription refills online

Register at **kp.org** or the Kaiser Permanente app<sup>1</sup> to request refills for most prescriptions online.

### What drugs are covered?

Visit **kp.org/formulary** for a list of approved drugs.

### Picking up your order

You can fill your prescriptions at the pharmacies located in our medical centers. Just visit **kp.org/facilities** and select the pharmacy where you'd like to pick them up.

## Using network pharmacies

You may also have access to participating network pharmacies, including Giant, Harris Teeter, Safeway, Walgreens, Walmart, and others. You will not be able to use the Kaiser Permanente Mail Order Pharmacy if you fill your prescriptions using network pharmacies. Check your plan document to see if your plan gives you access to network pharmacies.

For a list of Kaiser Permanente pharmacies and phone numbers, see page 7.

<sup>1</sup>To use the Kaiser Permanente app, you must be a Kaiser Permanente member registered on **kp.org**.

<sup>2</sup>Some medications are not eligible for Mail Order Pharmacy. Mail Order Pharmacy can mail to addresses in MD, VA, DC, and certain locations outside the service area.

# Hospital care

[kp.org/premierhospitals](https://kp.org/premierhospitals)

## Our premier hospitals

Kaiser Permanente carefully selects premier hospitals<sup>1</sup> to team with us in taking great care of you.

Located throughout Maryland, Virginia, and Washington, DC, these award-winning hospitals work with us to provide your treatment when you need inpatient or outpatient hospital care.

## What if you're admitted to a non-premier hospital?

Once your condition has stabilized, we may move you to a premier hospital where Kaiser Permanente physicians are on duty. That way, we can deliver seamless and coordinated care during both your hospitalization and your transition out of the hospital.

## Out-of-network hospitals:

- You can receive inpatient hospitalization services from any licensed or accredited hospitals and facilities.
- When you receive services, you may need to pay allowable charges (such as the contracted amount a provider has agreed to accept) to the hospital, doctor, or other providers, as described in your plan document. You may also need to submit a claim for reimbursement.

For locations and other details, visit [kp.org/premierhospitals](https://kp.org/premierhospitals).

<sup>1</sup>The premier hospitals are independently owned and operated hospitals, and they contract with Kaiser Foundation Hospitals. The continued availability and/or participation of any facility cannot be guaranteed. Kaiser Permanente reserves the right to relocate, modify, or terminate the location for premier hospitals. For the most up-to-date information, visit [kp.org/premierhospitals](https://kp.org/premierhospitals).

# Care options while you're away from home

No matter where life takes you, Kaiser Permanente has you covered. If something unexpected happens while you're away from home, it's easier than ever to get care.

## Routine care

Use your **kp.org** account or the Kaiser Permanente app<sup>1</sup>:

- Get medical advice from a licensed care professional 24/7
- Access care by phone, video, or e-visit—usually at no cost<sup>2</sup>
- Email nonurgent questions to your doctor's office

## Urgent care<sup>3</sup>

No matter where you get urgent or emergency care, you can file a claim for reimbursement. And at many locations outside Kaiser Permanente service areas, you'll only pay your copay or coinsurance—no need to file a claim.

- Cigna Healthcare<sup>SM</sup> PPO Network<sup>4</sup> providers
- MinuteClinics<sup>®</sup>, including pharmacies<sup>5</sup>
- Concentra clinics<sup>5</sup>

## Emergency care<sup>3</sup>

No matter where you are, you can simply go to the nearest emergency room. If it's a Kaiser Permanente location or a Cigna Healthcare PPO provider, you'll only pay your normal copay or coinsurance.

<sup>1</sup>To use the Kaiser Permanente app, you must be a Kaiser Permanente member registered on **kp.org**.

<sup>2</sup>When appropriate and available. If you travel out of state, phone appointments and video visits may not be available due to state laws that may prevent doctors from providing care across state lines. Laws differ by state.

<sup>3</sup>If you believe you have an emergency medical condition, call 911 or go to the nearest hospital. For the complete definition of an emergency medical condition, please refer to your *Evidence of Coverage* or other coverage documents.

<sup>4</sup>The Cigna Healthcare<sup>SM</sup> PPO Network refers to the health care providers (doctors, hospitals, specialists) contracted as part of the Cigna Healthcare PPO for Shared Administration. Cigna Healthcare is an independent company and not affiliated with Kaiser Permanente Insurance Company or Kaiser Foundation Health Plan. Access to the Cigna Healthcare PPO Network is available through Cigna Healthcare's contractual relationship with Kaiser Permanente Insurance Company and Kaiser Foundation Health Plan. The Cigna Healthcare PPO Network is provided exclusively by or through operating subsidiaries of Cigna Corporation, including Cigna Health and Life Insurance Company. The Cigna name, logo, and other Cigna marks are owned by Cigna Intellectual Property, Inc.

<sup>5</sup>MinuteClinic and Concentra payment experiences vary by plan.

# Understanding your costs and benefits

## You pay \$0 cost share for in-network preventive care

Preventive care includes routine physicals, well-child visits, and certain screenings and tests (such as mammograms), so there's no need to delay making your first appointment with your primary care physician.

If you have symptoms of a condition, your doctor may order a service to help find out what it is or help treat it. Since you've shown symptoms, this service doesn't qualify as preventive. It's actually diagnostic, since it's used to diagnose your condition, and cost sharing may apply.

You may also get services to help treat a condition that's already been diagnosed. Since you're being treated for an existing condition, these services are also non-preventive, and cost sharing may apply.

Tests or services ordered for or during a routine physical or well-child visit may result in cost sharing if those services are related to diagnosing, monitoring, or treating an existing condition.

You may have a copay for most other care, such as appointments with specialists, urgent care, and some tests and services. Please refer to your plan document.

You can estimate the cost of your next visit at **[kp.org/costestimates](https://kp.org/costestimates)**. You'll need to be registered on **[kp.org](https://kp.org)** to use this secure tool.

# Your share of costs

“Cost share” refers to what you pay as part of your share for health care costs. Refer to your plan document to learn more about your plan’s specific cost shares.

However, they do count toward your annual out-of-pocket maximum for most services.                                                                                                                                                                      | Nearly all plans have copayments or coinsurance. A copayment or coinsurance may be owed on the day you receive services, for each visit, even if multiple visits occur on the same day.                                                                                                                                                              |

For example, if your coinsurance is 15% and your allowed office visit cost is \$100, then you pay \$15 and the health plan pays \$85. Coinsurance varies according to your plan and does not apply toward the deductible. However, it counts toward your annual out-of-pocket maximum for most services.                                                                                               | There is no copay or coinsurance for preventive care for non-grandfathered plans. - You get medical care and services from network providers.
- You get an authorized referral from your network provider to see an out-of-network provider.
- Your amount paid was for a copayment, deductible, and/or coinsurance.

## If you file a claim:

- Care must be medically necessary. Please refer to your plan document.

# Requirements for timely medical appointments

Some customers of Kaiser Permanente have a right to an appointment with an in-network health care provider within a certain number of days. You have this right if:

- 1. You reside in the District of Columbia and purchase your coverage through DC Health Link or receive it through your employer in the District of Columbia, and
- 2. The appointment is for your first visit with a provider. A first visit includes when you:
  - a. Schedule your first primary care visit with a provider;
  - b. Have changed primary care providers and need to schedule your first visit with a new primary care provider; or
  - c. Schedule your first visit with a provider other than your primary care provider, your behavioral health/substance use provider, or your prenatal care provider for specialty treatment.

## How quickly can you expect to be seen?

# Your health savings account

Your plan may be compatible with a health savings account (HSA), which lets you contribute pretax or tax-deductible dollars<sup>1</sup> to pay for qualified medical expenses, including copays, coinsurance, and deductible payments for a wide range of services. It works like a savings account. Any money you don't use by the end of the year will roll over to the next year.

Your HSA belongs to you, so you can take it with you if you change jobs, change health plans, or retire. You can use your HSA only for qualified medical expenses.

## Setting up an HSA

If you have health coverage through your employer, talk to your benefits administrator about how to set up your HSA. Once you've opened your account, you can start putting money in it. Keep in mind that the IRS sets a limit on how much you can put in your HSA each year.

To learn more about your HSA, visit [kp.org/hsa](https://kp.org/hsa).

If you have questions about how much your visits should cost, visit [kp.org/costestimates](https://kp.org/costestimates). Estimates are based on your plan benefits and whether you've reached your deductible—so you get personalized information every time.

For more information on your plan, visit [kp.org](https://kp.org) and review your plan document.
