Kaiser Permanente Plus / Deductible Kaiser Permanente Plus plan overview

The Kaiser Permanente Plus plan with the Signature delivery system gives you quality care from Mid-Atlantic Permanente Medical Group, P.C. (Permanente), physicians. They're part of a group of over 1,800 physicians who practice in our medical centers located in Maryland, the District of Columbia, and Virginia. This plan also covers 10 or 15 out-of-network medical visits for certain physician, laboratory, and radiology services a year with any licensed provider outside of the Kaiser Permanente care delivery system, anywhere in the United States. You can also fill 5 prescriptions at out-of-network pharmacies.

How does the out-of-network benefit work?

An out-of-network visit is defined as any encounter or service that is received outside of

the Kaiser Permanente network. For example, you go to see your favorite doctor for a yearly checkup. During the visit, your doctor orders two labs. In this scenario, you'll use 3 out of your 10 or 15 yearly visits, because you visited your doctor and had lab tests out of network.

If your plan has a deductible

Some services, such as preventive care and primary care physician visits, are offered before a deductible is met. The 10 or 15 out-of-network medical visits and 5 out-of-network pharmacy prescription fills are not subject to the deductible. Refer to your *Evidence of Coverage* for a list of services that are subject or not subject to the deductible.

Services	In-network providers	Out-of-network providers
Physicians	Permanente physicians	Any licensed physician or provider not included in the network.
Hospitals	Hospitals included in the Kaiser Permanente premier hospital collaboration. ¹	Inpatient hospitalization not included in-network.
Out-of-pocket costs	Usually the lowest out-of-pocket costs. You have fixed copayments for most covered services. You don't have to meet medical deductibles.	Usually the highest out-of-pocket costs. Out-of-network services will not count toward meeting the out-of-pocket maximum, which is only applicable to the covered services provided by a contracted provider, including Permanente physicians.
	When you visit an in-network Permanente provider, in most cases you won't be charged more than your copayment or coinsurance for covered services.	When you visit an out-of-network provider, you may be billed for the difference, if any, between billed charges and the maximum allowable charge. Charges don't accumulate to the out-of-pocket maximum.
Referral and preauthorization	Referral to see specialists is required. Some services may require preauthorization. Permanente physicians will submit this for you.	No referral to specialists needed. No preauthorization to see an out-of-network provider needed.
Claims	Virtually no claim forms to complete.	You may need to pay the full cost for service and submit a claim for reimbursement. Each service and prescription rendered out of network will count toward the 10 or 15 visits and 5 out-of-network prescriptions.

¹The premier hospitals are independently owned and operated hospitals, and they contract with Kaiser Foundation Hospitals.

Regional President, Kaiser Permanente

Let's get started

Making the most of your membership takes only **3 easy steps**. Ready to go?

Step 1

Create your online account on **kp.org**

Step 2

Choose your doctor—and change anytime

Step 3

Get prescriptions

Stay in the know with all things Kaiser Permanente—check out **kp.org/insider** for valuable health insights, facility updates, and member discounts.

Your plan is governed by the Kaiser Foundation Health Plan of the Mid-Atlantic States, Inc. (KFHP-MAS), *Group Agreement* and *Evidence of Coverage (EOC)*. Inside this booklet, it is referred to as your “plan document.”

In the event of ambiguity or conflict between this member guide and the KFHP-MAS *Group Agreement* and *EOC*, the KFHP-MAS *Group Agreement* and *EOC* shall prevail.

Step 1 Create your online account on **kp.org**

Start using our secure website, **kp.org**, to manage your health on your time¹

Visit **kp.org** anytime, from anywhere, to:

- Schedule an appointment to see physicians and providers by video visit.²
- View most lab results.
- Refill most prescriptions.
- Email your doctor's office with nonurgent questions.
- Schedule and cancel routine appointments.
- Print vaccination records for school, sports, and camp.
- Manage a family member's health care.
- Get a personalized cost estimate.
- Use our Chat with KP feature.
- And much more.

Creating an account is easy

Go to **kp.org/newmember** from a computer or mobile device and follow the sign-on instructions. You'll need your medical record number, which you can find on your member ID card.

Caregiver access

Caregivers can access certain features of **kp.org** for loved ones who are members of Kaiser Permanente. Nonmembers can be caregivers on **kp.org** as long as they're at least 18 years old and have either:

- Permission from you as the member, or
- Legal rights to make health care decisions on your behalf, or legal rights to access your health care information.

To set up an account, go to **kp.org/register** and follow the prompts for caregiver access.

Download the Kaiser Permanente app

After you've registered at **kp.org**, you can download our app to your smartphone.

1. From your smartphone, go to your preferred app site: App StoreSM (iOS) or Google Play[®] (Android[™]).³
2. Search for the Kaiser Permanente app, then download it to your smartphone.
3. Use your **kp.org** user ID and password to activate the app, and you'll be ready to go.

Digital membership card

Access your membership information anytime, anywhere, with a digital version of your membership card to:

- Check in for appointments.
- Pick up prescriptions.
- Access your family's membership information.

To use your digital membership card, tap the card icon at the bottom of the Kaiser Permanente app dashboard.

Personalize your **kp.org** experience

Use your member ID card and our Member Photo Upload feature to add your digital image to **kp.org**.

¹These features are available when you get care at Kaiser Permanente facilities.

²When appropriate and available. If you travel out of state, phone appointments and video visits may not be available due to state laws that may prevent doctors and health care providers from providing care across state lines. Laws differ by state. If you have an HSA-qualified deductible plan, you may need to pay the full charge for scheduled phone appointments and video visits until you reach your deductible. Once you reach your deductible, you won't pay anything for scheduled phone appointments and video visits.

Step 2 Choose your doctor—and change anytime

Select from a wide range of great doctors and change anytime, for any reason

To help you find the personal doctor (also called a primary care physician) who's right for you, you can browse our online doctor profiles. There, you'll see information related to their education, credentials, specialties, and interest areas, as well as if they're accepting new patients.

Women should choose an ob-gyn in addition to their primary care physician.

You can choose a personal doctor with any of these specialties:

- Adult medicine/internal medicine
- Family medicine
- Ob-gyn
- Pediatrics/adolescent medicine (for children up to 18)

Each covered family member may choose their own personal doctor. If you do not choose a primary care physician or ob-gyn within the first 30 days of enrollment, one will be assigned to you.

If the doctor you'd like to select isn't accepting new patients, call us at **800-777-7904 (TTY 711)** for assistance.

See specialists, some without a referral

You don't need a referral for the following specialties—just call for an appointment:

- **800-777-7904 (TTY 711)** for obstetrics-gynecology and optometry
- **866-530-8778** for behavioral health—initial consultation (except inpatient care) and chemical dependency or addiction medicine

For other types of specialty care, your doctor will refer you. If you have an affiliated or network physician, contact that doctor's office directly.

Visiting an out-of-network provider

You'll need to contact your out-of-network provider's office directly to make an appointment. No referral or prior authorization is needed to use your out-of-network benefits.

Your plan includes 10 or 15 out-of-network provider visits or outpatient medical services per year. When you visit your out-of-network provider, be sure to bring:

- Your ID card. If your doctor has questions, have them call the customer service phone number on the back of your card.
- A printed copy of Information for Out-of-Network Providers. Find it at kp.org/kpplus/mas.
- You can also show your provider a digital copy of the flyer from your mobile device.

Some providers may require you to pay the full amount for services when you get care and then submit a claim for reimbursement. When you make your appointment, find out if you'll need to submit a claim or if your provider will bill Kaiser Permanente directly for you.

Go to kp.org/doctor to browse our doctor profiles and find a doctor who matches your needs. You can also call **800-777-7904 (TTY 711)**, 24 hours a day, 7 days a week.

Hospital care

kp.org/premierhospitals

Kaiser Permanente carefully selects premier hospitals¹ to team with us in taking great care of you.

Located throughout Maryland, Virginia, and Washington, DC, these award-winning hospitals work with us to provide your treatment when you need inpatient or outpatient hospital care.

If you're admitted to a hospital that is not one of our premier hospitals

Once your condition has stabilized, we may move you to one of our premier hospital locations where our Kaiser Permanente physicians are on duty. By doing so, we can provide you seamless and coordinated care, both during your hospitalization and in your transition out of the hospital.

Out-of-network hospitals:

- You can receive inpatient hospitalization services from any licensed or accredited hospitals and facilities.
- When you receive services, you may need to pay allowable charges (such as the contracted amount a provider has agreed to accept) to the hospital, doctor, or other providers, as described in your plan document. You may also need to submit a claim for reimbursement.

¹The premier hospitals are independently owned and operated hospitals, and they contract with Kaiser Foundation Hospitals. The continued availability and/or participation of any facility cannot be guaranteed. Kaiser Permanente reserves the right to relocate, modify, or terminate the location for premier hospitals. Care options while you're away from home

No matter where life takes you, Kaiser Permanente has you covered. If something unexpected happens while you're away from home, it's easier than ever to get care.

Routine care at your fingertips

Use your **kp.org** account or the Kaiser Permanente app¹ on the go to:

- Get medical advice from a licensed care professional 24/7
- Access care by phone, video, or e-visit—usually at no cost²
- Email nonurgent questions to your doctor's office

Urgent care³

No matter where you get urgent or emergency care, you can file a claim for reimbursement. And at many locations outside Kaiser Permanente service areas, you'll only pay your copay or coinsurance—no need to file a claim.

- Cigna HealthcareSM PPO Network⁴ providers
- MinuteClinics[®], including pharmacies⁵
- Concentra clinics⁵

Emergency care³

No matter where you are, you can simply go to the nearest emergency room. If it's a Kaiser Permanente location or a Cigna Healthcare PPO provider, you'll only pay your normal copay or coinsurance.

¹To use the Kaiser Permanente app, you must be a Kaiser Permanente member registered on **kp.org**.

²When appropriate and available. If you travel out of state, phone appointments and video visits may not be available due to state laws that may prevent doctors from providing care across state lines. Laws differ by state. If you have an HSA-qualified deductible plan, you may need to pay the full charges for scheduled phone appointments and video visits until you reach your deductible. Once you reach your deductible, you won't pay anything for scheduled phone appointments and video visits.

³If you believe you have an emergency medical condition, call 911 or go to the nearest hospital. For the complete definition of an emergency medical condition, please refer to your *Evidence of Coverage* or other coverage documents.

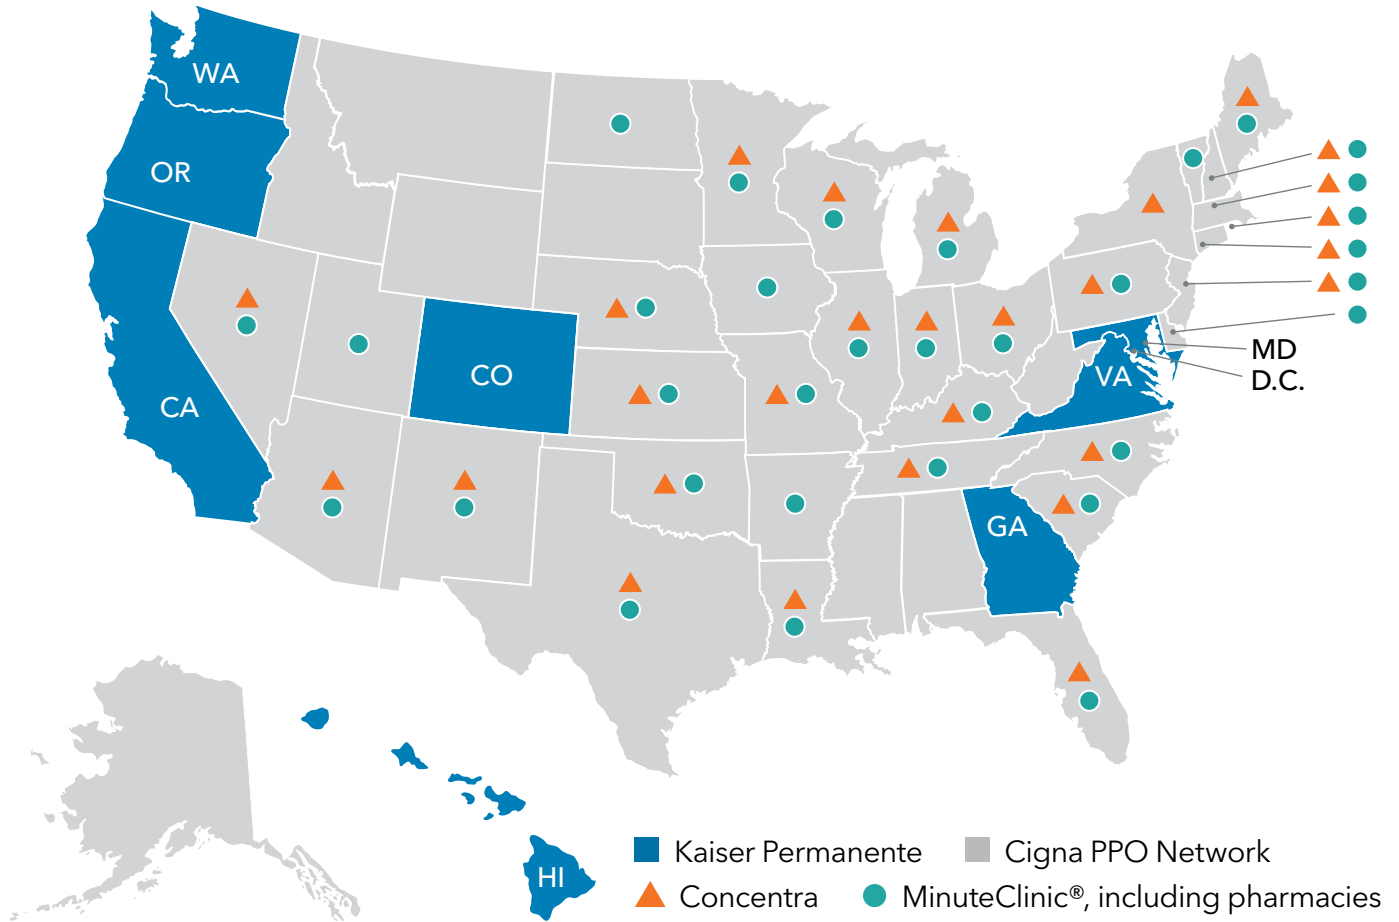

⁴The Cigna HealthcareSM PPO Network refers to the health care providers (doctors, hospitals, specialists) contracted as part of the Cigna Healthcare PPO for Shared Administration. Cigna Healthcare is an independent company and not affiliated with Kaiser Permanente Insurance Company or Kaiser Foundation Health Plan. The Cigna Healthcare PPO Network is provided exclusively by or through operating subsidiaries of Cigna Corporation, including Cigna Health and Life Insurance Company. The Cigna name, logo, and other Cigna marks are owned by Cigna Intellectual Property, Inc.

Understanding your costs and benefits

You pay \$0 cost share for in-network preventive care

Preventive care includes routine physicals, well-child visits, and certain screenings and tests (such as mammograms), so there's no need to delay making your first appointment with your primary care physician.

If you have symptoms of a condition, your doctor may order a service to help find out what it is or help treat it. Since you've shown symptoms, this service doesn't qualify as preventive. It's actually diagnostic, since it's used to diagnose your condition, and cost sharing may apply.

You may also get services to help treat a condition that's already been diagnosed. Since you're being treated for an existing condition, these services are also non-preventive, and cost sharing may apply.

Tests or services ordered for or during a routine physical or well-child visit may result in cost sharing if those services are related to diagnosing, monitoring, or treating an existing condition.

You may have a copay for most other care, such as appointments with specialists, urgent care, and some tests and services. Please refer to your plan document.

You can estimate the cost of your next visit at kp.org/costestimates. You'll need to be registered on kp.org to use this secure tool.

Your share of costs

“Cost share” refers to what you pay as part of your share for health care costs. Refer to your plan document to learn more about your plan’s specific cost shares.

Type of cost share	What it is	When you pay
Copayment (copay)	The set fee you pay for a covered service (for instance, a non-preventive office visit) every time that service is provided. Copayments vary depending on your plan and do not count toward a deductible. However, they do count toward your annual out-of-pocket maximum for most services.	Nearly all plans have copayments or coinsurance. A copayment or coinsurance may be owed on the day you receive services, for each visit, even if multiple visits occur on the same day.
Coinsurance	The percentage of the cost for a covered service. For example, if your coinsurance is 15% and your allowed office visit cost is \$100, then you pay \$15 and the health plan pays \$85. Coinsurance varies according to your plan and does not apply toward the deductible. However, it counts toward your annual out-of-pocket maximum for most services.	There is no copay or coinsurance for preventive care for non-grandfathered plans. What you owe depends on your plan’s benefits and the services you receive.
Out-of-pocket maximum	The maximum amount you pay out of pocket each contract year for most covered services. Once the amounts you have paid equal the out-of-pocket maximum, you pay nothing for those covered services for the remainder of the contract year.	Depending on your plan, the copayments, coinsurance, and deductibles you pay for most services will count toward the out-of-pocket maximum.
Deductible (Visit kp.org/deductibleplans for more information on deductible plans and to find helpful cost tools.)	The set amount you must pay each contract year for covered medical services before the health plan begins to pay its share. Not all services may be applied to the deductible. Deductibles vary depending on the plan you have. Once you have met your deductible, you’ll be required to pay only the applicable copayment or coinsurance for most covered services for the remainder of your plan’s contract year. Certain conditions may apply.	If you have a deductible, you’ll be billed for the full allowed amount for each service that is subject to the deductible during check-in or after the service via mailed bill. You may also receive an estimate of your charges before your office visit for certain services, and you may choose to make a deposit payment based on that estimate.

Claims

You will not file claims for services if:

- You get medical care and services from network providers.
- You get an authorized referral from your network provider to see an out-of-network provider.
- Your amount paid was for a copayment, deductible, and/or coinsurance.

If you file a claim:

- You have up to 180 days from the date you received care to submit your claim.
- Kaiser Permanente will review the claim and decide what payment or reimbursement you may be owed.
- Care must be medically necessary. Please refer to your plan document.

How to file the claim

To request payment or reimbursement, log on to kp.org, select [Coverage & Costs](#), and then select [Submit a claim](#).

Along with your member reimbursement form, the following information is required for all claims:

- Itemized bills (should include date of service, services received, and cost of each item)
- Medical records (copies of original medical reports, admission notes, emergency room records, and/or consultation reports)
- Proof of payment (receipts or bank or credit card statements)

You can also mail your member reimbursement form and required documents to:

National Claims Administration -
Mid-Atlantic States
P.O. Box 371860
Denver, CO 80237-9998

What you'll receive from us

An Explanation of Benefits that will detail what you need to pay and what the health plan will pay.

Filing an appeal

It is your right to file an appeal if you disagree with a decision not to pay for a claim. Read your plan document for more information.

Your provider choices—key things to remember

(Continued from the inside front cover)

In-network

- You can view most lab results, refill most prescriptions, email your doctor's office, schedule routine appointments, and more online at kp.org.¹
- If you're having more than one test or procedure, you may be able to have them done in one place and fill your prescription at the same place, saving you time.
- When you call for medical advice, you could also have a video visit with a doctor who is connected to your personal care team or be directed to use our click-to-chat feature, Chat with KP. You can also make a video appointment with your primary care doctor during regular office hours.²
- Urgent Care is available 24/7 at seven medical centers and on evenings and weekends at eight others.
- Preauthorization may be required for certain services, which your Permanente physician will obtain for you.

Refer to your *Evidence of Coverage* for more information.

Out-of-network

- Your out-of-pocket costs will generally be higher when you choose to receive services from out-of-network providers and facilities.
- You may need to submit claims for reimbursement.

Member responsibilities:

- It is your responsibility to manage claim forms and other administrative tasks.

- Out-of-network providers may require you to pay the full cost of each visit. If so, you'll need to submit claim forms with itemized bills for reimbursement.

Out-of-network costs:

- After you receive any out-of-network covered medical service, and once a medical claim for your service has been verified as an eligible benefit, you'll receive an Explanation of Benefits (EOB). The EOB will show you a breakdown of the charges and payments for your visit, out-of-pocket maximum accumulations, and how much you're responsible for paying.
- Out-of-network providers may also bill you for the difference, if any, between billed charges and the maximum allowable charge. Charges that exceed the maximum allowable are not covered and don't accumulate to the in-network out-of-pocket maximum.
- Out-of-network visits don't count toward meeting your out-of-pocket maximum, which is only applicable to in-network benefits.
- Out-of-network physicians are not linked to your electronic medical record.
- If you exceed your 10 or 15 visits per contract year and choose to continue to go out of network, you'll pay out of pocket for those services, unless a referral has been issued and an authorization for services with the out-of-network provider has been approved. You can also choose to go in-network to Kaiser Permanente for all of your care.
- Your out-of-network pharmacist is not linked to your medical record.

Refer to your plan document for more information.

¹These features are available for care provided at Kaiser Permanente medical centers.

²When appropriate and available. If you travel out of state, phone appointments and video visits may not be available due to state laws that may prevent doctors and health care providers from providing care across state lines. Laws differ by state. If you have an HSA-qualified deductible plan, you may need to pay the full charge for scheduled phone appointments and video visits until you reach your deductible. Once you reach your deductible, you won't pay anything for scheduled phone appointments and video visits.
