Your guide to Kaiser Permanente medical offices, doctors, and more.  
Su guía de Kaiser Permanente sobre los consultorios médicos, médicos y más.

# Child Health Plan *Plus* (CHP+) Provider Directory

The Kaiser Permanente CHP+ Provider Directory lists providers who are in the Kaiser Permanente CHP+ Provider Network. The network is the group of providers, specialists, and hospitals that work with Kaiser Permanente. The Provider Directory has names, specialties, provider addresses, phone numbers, business hours, and languages spoken.

If you have any questions or need help finding a provider, please call Member Services at **303-338-3800** (TTY **711**).

You might need a referral and pre-approval (or prior authorization) for some services. Your primary care provider can help you with this.

You do not need a referral from your primary care provider (PCP) to see a network ob-gyn or certified nurse-midwife for maternity care. You must get prior authorization from Kaiser Permanente before seeing a provider outside the network, except for emergency care, urgent care, or family planning services. If you do not get prior authorization, and you go to a provider outside of the network for care, then you may have to pay for those services.

Your CHP+ Member Handbook, also called Evidence of Coverage, has more information about your CHP+ benefits with Kaiser Permanente.

You can call Member Services to ask for a free printed copy of this book or other CHP+ member documents.

CHP+ member documents are available online at **kp.org/Colorado-CHP** under CHP+ Resources.

## YOUR PRIMARY CARE PROVIDER

Your primary care provider (PCP) plays an important role in your overall health. We can help you choose a doctor based on your needs, or one who speaks languages other than English. You can also choose to get your primary health care at a Federally Qualified Health Center or an Indian Health Care Provider. For help choosing a doctor right for you, call **303-338-4545** (TTY **711**).

## EMERGENCY AND URGENT CARE

**Urgent care:** for illnesses or injuries requiring prompt attention but that are not medical or psychiatric emergencies. This can include abdominal pain, asthma, cough, fever, sore throat, earaches, headaches, migraines, minor lacerations, ankle sprains, and other urgent conditions.

Our urgent care centers at the Lakewood, Lone Tree, and Aurora Centrepont Medical Offices offer evening, weekend, and holiday hours. Our providers can see patients of all ages and have access to your electronic medical record. Each location offers imaging, lab, and pharmacy services.

If you have an urgent care need, call us for advice. We can help you determine what type of care is most appropriate for your condition/symptom or help you schedule an appointment, if appropriate. To get advice or schedule an appointment, call **303-338-4545** (TTY **711**).

**Emergency care:** when your health is in danger and you require immediate care. For example, if you feel like you are having a heart attack, have severe difficulty breathing, lose the ability to talk or to move one side of the body, develop slurred speech, experience a sudden change in consciousness, have serious wounds or injuries, or have a psychiatric emergency.

If you think you are experiencing an emergency medical condition, call **911**, or if time and safety permit, go to the nearest emergency room. Your care will be covered. For a complete definition of an emergency medical condition, please refer to your Evidence of Coverage or Member Handbook.

## SERVING MEMBERS WITH DIVERSE BACKGROUNDS

# Directorio de Proveedores del Child Health Plan *Plus* (CHP+)

El directorio de proveedores de Kaiser Permanente CHP+ enumera los proveedores que están en la red de proveedores de Kaiser Permanente CHP+. La red es el grupo de proveedores, especialistas y hospitales que trabajan con Kaiser Permanente. El directorio de proveedores tiene los nombres, las especialidades, las direcciones, los números de teléfono, los horarios de atención y los idiomas que hablan los proveedores.

Si tiene alguna pregunta o necesita ayuda para encontrar un proveedor, llame a Servicio a los Miembros, al **303-338-3800** (TTY **711**).

Tal vez necesite una referencia y una aprobación previa (autorización previa) para algunos servicios. Su proveedor de atención médica primaria puede ayudarle con esto.

No necesita una referencia de su proveedor de atención médica primaria (Primary Care Provider, PCP) para ver a un médico ginecobstetra dentro de la red o a una enfermera partera certificada para cuidados de maternidad. Debe obtener autorización previa de Kaiser Permanente antes de consultar a un proveedor fuera de la red, excepto para atención de emergencia, atención de urgencia o servicios de planificación familiar. Si no obtiene una autorización previa y acude a un proveedor fuera de la red para recibir atención, es posible que deba pagar por esos servicios.

Su guía para miembros del CHP+, también conocido como Evidencia de Cobertura, tiene más información sobre sus beneficios del CHP+ con Kaiser Permanente.

Puede llamar a Servicio a los Miembros para pedir una copia impresa sin costo de este libro y de otros documentos para los miembros del CHP+.

Los documentos para los miembros de CHP+ están disponibles en línea, en [kp.org/Colorado-CHP](http://kp.org/Colorado-CHP) (haga clic en "Español"), en el apartado de Recursos del CHP+.
