Ayuda en su idioma

Para obtener más información sobre los servicios de asistencia en distintos idiomas para la atención médica, como servicios de interpretación y traducción, llame a Servicio a los Miembros al **303-338-3800** (TTY **711**), de lunes a viernes, de 8:00 a. m. a 6:00 p. m. También puede solicitar tener esta información en otros idiomas o formatos, como braille, letra grande de 18 puntos y audio, sin costo para usted.

Child Health Plan Plus (CHP+) Provider Directory

The Kaiser Permanente CHP+ Provider Directory lists providers who are in the Kaiser Permanente CHP+ Provider Network. The network is the group of providers, specialists, and hospitals that work with Kaiser Permanente. The Provider Directory has names, specialties, provider addresses, phone numbers, business hours, and languages spoken.

If you have any questions or need help finding a provider, please call Member Services at **303-338-3800** (TTY **711**). You might need a referral and pre-approval (or prior authorization) for some services. Your primary care provider can help you with this.

You do not need a referral from your primary care provider (PCP) to see a network ob-gyn or certified nurse-midwife for maternity care. You must get prior authorization from Kaiser Permanente before seeing a provider outside the network, except for emergency care, urgent care, or family planning services. If you do not get prior authorization, and you go to a provider outside of the network for care, then you may have to pay for those services.

Your CHP+ Member Handbook, also called Evidence of Coverage, has more information about your CHP+ benefits with Kaiser Permanente. You can call Member Services to ask for a free printed copy of this book or other CHP+ member documents. CHP+ member documents are available online at kp.org/Colorado-CHP under CHP+ Resources.

Your Primary Care Provider

Your primary care provider (PCP) plays an important role in your overall health. We can help you choose a doctor based on your needs, or one who speaks languages other than English. You can also choose to get your primary health care at a Federally Qualified Health Center or an Indian Health Care Provider. For help choosing a doctor right for you, call **303-338-4545** (TTY **711**).

Get the Care You Need

To make an appointment call the Clinical Contact Center at 303-338-4545 (TTY 711), Monday through Friday, from 6 a.m. to 7 p.m. For medical advice call anytime, day or night. Talk to your PCP first if you need to see a specialist. You may need prior authorization for some specialty care or other services. Make sure you have prior authorization or you may have to pay for the service.

Emergency and Urgent Care

Urgent care: for illnesses or injuries requiring prompt attention but that are not medical or psychiatric emergencies. This can include abdominal pain, asthma, cough, fever, sore throat, earaches, headaches, migraines, minor lacerations, ankle sprains, and other urgent conditions.

Our urgent care centers at the Lakewood, Lone Tree, and Aurora Centrepont Medical Offices offer evening, weekend, and holiday hours. Our providers can see patients of all ages and have access to your electronic medical record. Each location offers imaging, lab, and pharmacy services.

If you have an urgent care need, call us for advice. We can help you determine what type of care is most appropriate for your condition/symptom or help you schedule an appointment, if appropriate. To get advice or schedule an appointment, call **303-338-4545** (TTY **711**).

Emergency care: when your health is in danger and you require immediate care. For example, if you feel like you are having a heart attack, have severe difficulty breathing, lose the ability to talk or to move one side of the body, develop slurred speech, experience a sudden change in consciousness, have serious wounds or injuries, or have a psychiatric emergency.

If you think you are experiencing an emergency medical condition, call **911**, or if time and safety permit, go to the nearest emergency room. Your care will be covered. For a complete definition of an emergency medical condition, please refer to your Evidence of Coverage or Member Handbook.

Serving Members with Diverse Backgrounds

Kaiser Permanente works with providers to provide and facilitate the delivery of services in a culturally competent manner to all members, including those with diverse cultural backgrounds, disabilities, and regardless of gender, sexual orientation or gender identity.

Physical Disability Accommodations

It is our policy to make our facilities, services, and programs accessible to people with disabilities, which is required by federal and state laws. If you have any questions, please call Member Services **303-338-3800** (TTY **711**).

DIRECTORIO DE PROVEEDORES DEL CHILD HEALTH PLAN *PLUS* (CHP+)

El directorio de proveedores de Kaiser Permanente CHP+ enumera los proveedores que están en la red de proveedores de Kaiser Permanente CHP+. La red es el grupo de proveedores, especialistas y hospitales que trabajan con Kaiser Permanente. El directorio de proveedores tiene los nombres, las especialidades, las direcciones, los números de teléfono, los horarios de atención y los idiomas que hablan los proveedores.

Si tiene alguna pregunta o necesita ayuda para encontrar un proveedor, llame a Servicio a los Miembros, al **303-338-3800** (TTY **711**). Tal vez necesite una referencia y una aprobación previa (autorización previa) para algunos servicios. Su proveedor de atención médica primaria puede ayudarle con esto. No necesita una referencia de su proveedor de atención médica primaria (Primary Care Provider, PCP) para ver a un médico ginecobstetra dentro de la red o a una enfermera partera certificada para cuidados de maternidad. Debe obtener autorización previa de Kaiser Permanente antes de consultar a un proveedor fuera de la red, excepto para atención de emergencia, atención de urgencia o servicios de planificación familiar. Si no obtiene una autorización previa y acude a un proveedor fuera de la red para recibir atención, es posible que deba pagar por esos servicios.

Su guía para miembros del CHP+, también conocido como Evidencia de Cobertura, tiene más información sobre sus beneficios del CHP+ con Kaiser Permanente. Puede llamar a Servicio a los Miembros para pedir una copia impresa sin costo de este libro y de otros documentos para los miembros del CHP+. Los documentos para los miembros de CHP+ están disponibles en línea, en **kp.org/Colorado-CHP** (haga clic en "Español"), en el apartado de Recursos del CHP+.

SU MÉDICO DE ATENCIÓN PRIMARIA

Su médico de atención primaria (PCP) juega un papel importante en su salud en general. Podemos ayudarle a escoger un médico de acuerdo a sus necesidades o a uno que hable otros idiomas, además de inglés. También puede elegir obtener su atención médica primaria en un centro de salud con calificación federal o un proveedor de atención médica indígena. Para ayudarle a elegir un médico adecuado para usted, llame al **303-338-4545** (TTY **711**).

OBTEGA LA ATENCIÓN QUE NECESITA

Para hacer una cita, llame al Centro de Contacto Clínico al **303-338-4545** (TTY **711**), de lunes a viernes, de 6 a. m. a 7 p. m. Para consejos médicos, llame a cualquier hora, de día o de noche. Si necesita ver a un especialista, hable primero con su médico de atención primaria. Es posible que necesite una autorización previa para recibir atención de un especialista u otros servicios. Asegúrese de tener una autorización previa o es posible que tenga que pagar por el servicio.

ATENCIÓN DE EMERGENCIA Y DE URGENCIA

Atención de urgencia: para enfermedades o lesiones que requieran atención inmediata, pero que no son emergencias médicas o psiquiátricas. Estas pueden incluir dolor abdominal, asma, tos, fiebre, dolor de garganta, dolor de oído, dolor de cabeza, migrañas, desgarros leves, torceduras de tobillo y otras condiciones urgentes.

Nuestros centros de atención de urgencia en los Consultorios Médicos de Lakewood, Lone Tree y Aurora Centrepont cuentan con horario de atención durante las tardes, los fines de semana y los días festivos. Nuestros proveedores pueden atender a pacientes de todas las edades y tienen acceso a su historia clínica electrónica. Cada centro ofrece los servicios de imágenes diagnósticas, análisis de laboratorio y farmacia.

Si necesita atención médica de urgencia, llámenos para recibir consejos. Le podemos ayudar a determinar el tipo de atención más adecuado para su condición o sus síntomas, o programar una cita, de ser necesario. Para solicitar consejos o programar una cita, llame al **303-338-4545** (TTY **711**).

Atención de emergencia: cuando su salud se encuentra en peligro y necesita atención inmediata. Por ejemplo, si siente que está sufriendo un ataque cardíaco, tiene dificultad para respirar, pierde la capacidad de hablar o mover un lado del cuerpo, comienza a tener dificultades para hablar, experimenta un cambio repentino de conciencia, tiene heridas o lesiones graves o tiene una emergencia psiquiátrica.

Si cree experimentar un problema médico de emergencia, llame al **911** o vaya a la sala de emergencias más cercana si el tiempo y la seguridad lo permiten. Se cubrirá su atención. Para una definición completa de “problema médico de emergencia”, consulte la Evidencia de Cobertura o en la guía para miembros.

BRINDAR ATENCIÓN A MIEMBROS CON ORÍGENES DIVERSOS

Kaiser Permanente trabaja con sus proveedores para proporcionar y facilitar la prestación de servicios de una manera culturalmente competente para todos los miembros, incluidos aquellos con antecedentes culturales diversos, discapacidades e independientemente de su sexo, orientación sexual o identidad de género.

INSTALACIONES ADAPTADAS PARA PERSONAS CON DISCAPACIDADES FÍSICAS

Nuestra política es hacer que nuestras instalaciones, servicios y programas sean accesibles para personas con discapacidades, lo cual es requerido por las leyes federales y estatales. Si tiene alguna pregunta, llame a Servicio a los Miembros al **303-338-3800** (TTY **711**).
