KAISER PERMANENTE®

WELCOME
to Kaiser Permanente

Our approach to health care is simple:
We combine care and coverage together. We believe it's a better approach, and we think that you will, too.

KAISER PERMANENTE®

We're not just a health care provider—we're your partner in health. We provide both the care you receive in the doctor's office and your health care coverage. This connects your physician, pharmacy, and medical center to your health plan, enabling us to deliver care that's as unique as you are.

This directory will help you choose the personal primary care doctor who'll work with you to provide the right care to suit your needs.

Care and coverage together give you:

- Your choice of a personal physician who knows you and your medical needs
- Access to medical advice anytime, day or night
- The ability to connect online to your care team anytime, from anywhere, with your mobile device or laptop
- Most pharmacy refills by mail
- Diagnosis and treatment in medical centers
- Urgent Care centers, many available 24/7
- And so much more*

It's all in this directory: Our primary care doctors, specialists, service locations, and more. Refer to your current *Evidence of Coverage* (Option 1), *Certificate of Insurance*, and *Schedule of Coverage* (Options 2 and 3) for the specific terms, benefits, and services available to you.

We're dedicated to making our health plans easy to understand, so it's simple and convenient to get quality health care that fits your life.

*Available when you receive care from a Permanente physician, at a Kaiser Permanente facility, or when you communicate with us online at **kp.org**.

You may also contact providers and Member Services by signing into your My Health account at **kp.org**.

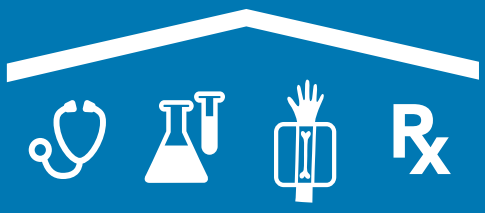
HASSLE-FREE CARE UNDER ONE ROOF*



You can visit your doctor, get lab work or an X-ray, and pick up medicine all in one place, making health care more affordable and convenient.

To get started on a healthier way of life, learn about our doctors and pick a personal physician

Find the personal doctor (also called a primary care physician or PCP) that's right for you. You can read about individual physicians with information on specialties, education, languages spoken, locations, and more.

Women over 18 should also choose a personal obstetrician/gynecologist in addition to their PCP. The ob/gyn cares for women's specific needs while communicating with the PCP, providing consistent, personalized care.

Using this directory

This directory is a list of physicians who are included in the Kaiser Permanente Flexible Choice, Deductible Flexible Choice, or HSA-Qualified Flexible Choice plans and accurate as of November 20, 2023. This directory is updated once each year. ***The continued availability of physicians, medical centers, hospitals, and other providers cannot be guaranteed.***

If you are a woman 18 years or older, please select an ob/gyn in addition to your primary care physician.

Your Flexible Choice plan gives you the freedom to choose how you receive care, each time you receive care:

- *From Kaiser Permanente providers (Option 1)*
- *From physicians in the PHCS™ or MultiPlan® Network[1] when getting care in a Kaiser Permanente state, or from the Cigna PPO Network[2] when you get care outside a Kaiser Permanente state (Option 2)[3]*
- *From any licensed physician or provider not included in Option 1 or 2 (Option 3)*

Enrolling in the Kaiser Permanente Flexible Choice, Deductible Flexible Choice, or HSA-Qualified Flexible Choice plans do not guarantee services by a particular physician in this list. If you wish to receive care from a specific physician listed, call in advance of your appointment to be sure he or she is still participating and is accepting new patients. ***To inquire about an Option 1 Kaiser Permanente physician, go to kp.org or call our Member Services department toll free at 888-225-7202.*** *To inquire about an Option 2 participating provider, go to* ***kp.org/flexiblechoice/mas*** *or call* ***888-220-6010.***

The Kaiser Permanente Flexible Choice, Deductible Flexible Choice, or HSA-Qualified Flexible Choice plans are each dual offerings, jointly underwritten by Kaiser Foundation Health Plan of the Mid-Atlantic States, Inc., and Kaiser Permanente Insurance Company (KPIC). In the event of ambiguity, or a conflict between this document and the Evidence of Coverage *and/or* Group Policy *and/or* Certificate of Insurance*, the* Evidence of Coverage *and/or* Group Policy *and/or* Certificate of Insurance*, as applicable, shall control.*

The description of your plan in this document may change based upon recent federal and state requirements related to health care reform. For the most accurate information, please refer to your Evidence of Coverage *and* Certificate of Insurance.[3]

Do you see any inaccuracy in provider information? To report, please contact Provider Relations toll free at ***877-806-7470*** *or email* ***Provider.Relations@kp.org****.*

Note: Not all services are available at each medical center or site. Kaiser Permanente reserves the right to relocate services and providers.

[1]The PHCS™ and MultiPlan® networks include physicians and health care practitioners and facilities available to Flexible Choice members via Kaiser Permanente Insurance Company's network access agreement. Not all PHCS and MultiPlan network providers are included. Provider networks change regularly. Before making your appointment, confirm that the provider is still participating in the network.

[2]The Cigna PPO Network refers to the health care providers (doctors, hospitals, specialists) contracted as part of the Cigna PPO for Shared Administration. Cigna is an independent company and not affiliated with Kaiser Permanente Insurance Company or Kaiser Foundation Health Plan. Access to the Cigna PPO Network is available through Cigna's contractual relationship with Kaiser Permanente Insurance Company and Kaiser Foundation Health Plan. The Cigna PPO Network is provided exclusively by or through operating subsidiaries of Cigna Corporation, including Cigna Health and Life Insurance Company. The Cigna name, logo, and other Cigna marks are owned by Cigna Intellectual Property, Inc.

[3]Options 2 and 3 are underwritten by Kaiser Permanente Insurance Company (KPIC), a subsidiary of Kaiser Foundation Health Plan, Inc. This coverage is subject to exclusions, benefit limitations, and other terms and conditions. The KPIC Group Policy, which incorporates the Certificate of Insurance, is the legally binding document between your employer and KPIC.

YOU, YOUR DOCTORS, AND KAISER PERMANENTE

Choose with confidence: Your physicians are part of the Mid-Atlantic Permanente Medical Group, P.C.*

Over 1,700 physicians in the multispecialty Mid-Atlantic Permanente Medical Group, P.C., treat Kaiser Permanente members. They practice in Kaiser Permanente medical centers across Maryland, Virginia, and Washington, DC. They promote disease prevention, evidence-based medicine, and open communication—and they are each dedicated to helping you be as healthy as you can be.

1 It starts with your personal physician

Your Permanente primary care physician (PCP) partners with you to help you live the healthiest life possible. He or she coordinates your care, orders needed tests, and consults with specialists, pharmacists, and others as needed. When you have a PCP, you have a physician who knows you, understands your health goals and preferences, and advocates for you. If you're a woman age 18 or older, you also have a personal ob/gyn who coordinates your special health care needs.

2 Continuing your care with specialists

Should you ever need a specialist (for example, a cardiologist, neurologist, podiatrist, or dermatologist), we have doctors who are able to address health care needs across more than 50 medical and surgical specialties, including behavioral health and high-risk prenatal care. Our specialists are experts in their fields who work together to diagnose and help you decide on the best treatment, whether you have a broken bone or a chronic condition.

Over 1,700 physicians in the multispecialty Mid-Atlantic Permanente Medical Group, P.C., treat Kaiser Permanente members.

***Note:** You may also choose from affiliated physicians in private practice for primary care. These physicians are not part of the Mid-Atlantic Permanente Medical Group, P.C.

It's tough to become one of our doctors.

Only 1 in 10 who applies is accepted as a Permanente doctor.

Your doctor: Permanente physicians are rigorously screened and expertly trained

- Board certified or, for newly hired physicians, required to become board certified within five years of completion of training
- Expert training in a specialty
- Re-credentialed every three years, every two years for certain specialties
- License and certification always up-to-date
- Trained to communicate with patients

How to request a referral

For members who have a Commercial HMO plan in Maryland

Note: *This notice applies only to contracts sold to businesses and individuals based in Maryland. For members enrolled in multi-tiered plans, the information herein applies only to the HMO tier of your plan. If your coverage is based in the District of Columbia or Virginia, please check your contract to learn about the process for requesting referrals to specialists. If you have questions regarding the process, contact Member Services at the telephone number on your member ID card.*

To request a referral, please contact your primary care plan physician. The types of referrals are listed below with additional information on how the process will work.

Referrals to specialists

If your primary care plan physician decides that you need medically necessary and appropriate covered services from a specialist, then we will refer you to a Kaiser Permanente plan physician or other plan provider for that service. All referrals must be approved before you receive services. Referrals are reviewed and approved by the Utilization Management team, which includes referral nurses, physical therapists, physicians, and support staff who use nationally recognized guidelines to approve or deny your referral.

Referrals to non-plan providers

Your primary care physician or attending specialist may refer you to a non-plan provider. We will approve services from non-plan providers only if we do not have a plan provider with the professional training and expertise to treat or provide health care services for your condition or disease or if we cannot provide reasonable access to a plan provider with the professional training and expertise to treat or provide health care services for your condition or disease without unreasonable delay or travel. You must have an approved referral to the non-plan provider for us to cover the services and/or supplies. If we approve the referral to the non-plan provider, you pay only what you would have paid if a plan provider provided the services/supplies.

Standing referrals for pregnant members

If you are pregnant, you will receive a standing referral to an obstetrician. The obstetrician will be responsible for the management of your pregnancy, including the issuance of referrals, through the postpartum period. A written treatment plan may not be required when a standing referral is to an obstetrician.

Standing referrals to specialists

If you suffer from a life-threatening, degenerative, chronic or disabling disease or condition that requires specialized medical care, your primary care provider may decide, with you and a specialist, that you need continuing care from that specialist and issue a standing referral to the specialist. The standing referral will be based on a written treatment plan consisting of covered services.

Additional services not covered

Any additional services not specifically listed in your specialist's treatment plan and/or that are provided by a professional not named in the referral are not approved and will not be covered.

If a non-plan provider for whom you have received an approved referral recommends additional services that were not included in the approved referral, contact your primary care physician. Your primary care physician will work with Health Plan to determine whether those services can be provided by a plan provider.

Referral decision timeframes

Referral decisions will be made within the following timeframes:

Urgent requests – Decisions will be made and communicated to the requesting provider within 24 hours of the request. If the referral is not approved a letter will be sent to you within 24 hours of the decision.

Non-urgent requests – Decisions will be made within two (2) working days after we receive of all needed information. The decision will be communicated to the requesting provider within one (1) working day. If the referral is not approved, a letter will be sent to you within five (5) working days of the decision.

If your referral is approved

If your referral is approved, we will give you instructions to make your appointment(s).

Your post-service appeal must be filed in writing within one-hundred eighty (180) calendar days of your receipt of our denial letter. If your post service appeal is filed after one-hundred eighty (180) calendar days, we will send a letter denying your appeal because it was not filed timely.

If we need additional information to complete our review of your post-service appeal we will notify you or your authorized representative within five (5) working days after your post-service appeal is filed. If assistance is needed and requested, we will assist you or your authorized representative in getting the necessary additional information.

Post-service appeal acknowledgment

We will acknowledge receipt of your post-service appeal within five (5) working days of our receipt of your written post-service appeal.

Pre-service appeal decision timeframe

If your appeal is for a health care service that has not been provided, we will send you and your authorized representative a letter within 30 working days of the date that you filed your appeal to let you know if your appeal is approved or denied.

Post-service appeal decision timeframes

If your appeal is asking for payment for health care services already provided we will send you and your authorized representative a letter within the earliest of 45 working days or 60 calendar days of the date that you filed your appeal to let you know if your request is approved or denied.

For both pre-service and post-service appeals, if we need more time to make a decision, we will send you and your authorized representative a letter seeking your written approval for an extension of no more than thirty (30) working days. If you or your authorized representative do not agree to the extension, then we will make the appeals decision within the original timeframe. Any agreement to extend the period for a grievance decision will be documented in writing.

Hospital care

kp.org/premierhospitals

Kaiser Permanente carefully selects premier hospitals* to team with us in taking great care of you.

For regular care, your doctor works closely with specialists, pharmacists, lab technicians, therapists, and many other professionals—all of whom are up to the minute on your health—for a better care experience.

We've chosen award-winning hospitals to team with for coordinating your care. As a patient at a premier hospital, your care will be guided 24/7 by Kaiser Permanente doctors who exclusively care for our members at that hospital. With Kaiser Permanente on-site, your care is coordinated within the hospital and with your primary care doctor, ensuring the smooth transition of your care before, during, and after your hospitalization.

If you are admitted to a hospital that is not one of our premier hospitals

Once your condition has stabilized, we may move you to one of our premier hospital locations where our Kaiser Permanente physicians are on duty. By doing so, we can provide you seamless and coordinated care, both during your hospitalization and in your transition out of the hospital.

Skilled nursing facilities

If you require skilled nursing care, you will be directed to a premier skilled nursing facility (SNF), unless a premier SNF cannot provide the level of medical care you need. In the event you need a level of care that is not available at a premier SNF, we will arrange care at one of our participating SNFs to ensure you are admitted to a premier hospital should the need arise. More information is available online at **kpskillednursingfacility.com.***

Premier* skilled nursing facilities are those facilities that have entered into a contractual agreement with the health plan and have Kaiser Permanente physicians and health plan staff available and actively involved in all patient care plans.

Participating skilled nursing facilities* are those facilities that have entered into a contractual agreement with the health plan and where members may be referred when necessary and appropriate.

Our case managers will work with Kaiser Permanente physicians to ensure you are admitted to a premier or participating facility with the appropriate level of care to meet your specific medical needs.

Kaiser Permanente providers

Board certification for practitioners can be found by accessing the online medical staff directory at **kp.org** or by calling Member Services and requesting the board certification status of a participating practitioner listed in this directory.

Kaiser Permanente - Primary care physicians - Obstetricians/gynecologists

Step one: For everyone

Choose a primary care physician (PCP) from the list in this section. You and your family members each need a PCP. You can choose one doctor for each family member or a single physician to treat your entire family. Primary care medical specialties are:

- Family practice
- Internal medicine
- Pediatrics

Step two: For women

If you are a woman, age 18 to 75, choose an obstetrician/gynecologist (Ob/Gyn) from the list in this section *in addition to* your PCP. It's important that you have an Ob/Gyn and a PCP. Please select one of each type of physician to care for you. To receive information on general and internal medicine, family practice, pediatric, Ob/Gyn, and behavioral health providers who are accepting new patients, as applicable, please go online at **kp.org** or call member services at **301-468-6000** or toll free at **1-800-777-7902** (TTY **711**).

Referrals to specialists

Mid-Atlantic Permanente Medical Group (MAPMG, also referred to as Kaiser Permanente) physicians offer primary care, pediatric services, obstetric/gynecological services, and specialty care, including, but not limited to: orthopedics, general surgery, dermatology, neurology, cardiology, and gastroenterology. If your primary care physician decides that you require covered services from other providers, you will usually be referred to a Kaiser Permanente physician. Should you require services not available within MAPMG or where such services do not meet regulatory requirements for access, you might be referred to an affiliated provider in the community for that service. Receiving services from non-plan providers will be authorized only if the services are not available from plan providers. You must have an authorized referral for specialists and non-plan providers for us to cover the services and/or supplies provided. If the referral to a non-plan provider is appropriately authorized, you pay only the cost-share you would have paid if a plan provider had provided the services and/or supplies.

It is important to know that when you enroll in this health plan the services are provided through the health plan's delivery system, as described in your current *Evidence of Coverage* (EOC), The following is a list of Mid-Atlantic Permanente Medical Group, P.C., primary care physicians who practice at our medical centers and the affiliated physicians who are available to provide services to you as of the date of the publication. The continuous availability and current location of physicians, medical centers, hospitals, and other providers cannot be guaranteed. This directory is updated annually. For the most up-to-date list of primary care physicians, go to our website, **kp.org**.

Kaiser Permanente Specialists

The following is a list of the Mid-Atlantic Permanente Medical Group, P.C., (Kaiser Permanente) physicians in our service area who may provide specialty care to you as of the publication date. If your primary care physician (PCP) believes that you require covered services from a specialist, you will be referred to a Kaiser Permanente specialist* who can provide the care you need. If your PCP decides that you require covered services not available from us, he or she will request authorization to send you to a non-plan provider inside or outside of our service area. You must have an approved, written referral to the non-plan provider in order for us to cover the services.

There are specific services that do not require a referral from your PCP. However, you must obtain care from a Kaiser Permanente specialist. These services include: initial consultation for treatment of mental illness, emotional disorders, drug or alcohol abuse, routine gynecological services, optometry services, and urgent care services provided inside our service area. A referral is not required for urgent care services provided outside of our service area. For more information about getting a referral, please refer to your *Evidence of Coverage (EOC)*.

* Members cannot choose a specialist as a primary care physician.
This directory is updated annually. For the most up-to-date list of physicians, go to our website, **kp.org**.

Participating providers

In this section, you will find providers available through the PHCS and/or MultiPlan networks, which are customized for Kaiser Permanente and serve as the primary preferred provider organization (PPO) network for Option 2 of your health plan.

Your out-of-pocket costs for services you receive from Option 2 providers will usually be higher than those for Option 1 providers.

For the specific terms, benefits, and services available to you, please refer to your current *Certificate of Insurance*.
