## Centros de enfermería especializada

Si necesita atención de enfermería especializada, se le enviará a un centro de enfermería especializada (SNF) premier, a menos que este no ofrezca el nivel de atención médica que necesita. En caso de que necesite un nivel de atención que no esté disponible en un SNF premier, coordinaremos la atención en uno de nuestros SNF participantes para asegurarnos de que ingrese en un hospital premier si fuera necesario. Encontrará más información disponible en línea en [kpskillednursingfacility.com](http://kpskillednursingfacility.com).\*

## - Primary care doctors

## - Obstetricians/gynecologists

*Para ver la versión en español, consulte la página siguiente.*

### **Step one: For everyone**

Choose a primary care doctor (PCP) from the list in this section. You and your family members each need a PCP. You can choose one doctor for each family member or a single doctor to treat your entire family. Primary care medical specialties are:

- Family practice
- Internal medicine
- Pediatrics

### **Step two: For women**

If you are a woman, ages 13 or older, choose an obstetrician/gynecologist (Ob/Gyn) from the following list *in addition* to your PCP. It's important that you have an Ob/Gyn and a PCP. Please select one of each type of doctor to care for you.

### Referrals to specialists

If your primary care doctor decides that you require services from other providers, and those services are covered services, you will usually be referred to a Permanente doctor. Should you require services not available within MAPMG or for which there are no MAPMG providers available under applicable standards, you may be referred to a network doctor in the community for that service, or in rare instances, a non-contracted provider. Referrals for services from non-contracted providers will be authorized only if the services are not available from Permanente or network providers. You must have an authorized referral to a specialist for us to cover the services and/or supplies provided. If the referral is authorized, you will pay only the cost-share you would have paid had a Permanente provider provided the services and/or supplies.

We cannot guarantee that all of the doctors, medical centers, hospitals, and other providers listed are still available.

This directory is updated annually. For the most up-to-date list of primary care doctors accepting new patients, go to our website, [kp.org](http://kp.org) or contact Member Services toll free at **855-249-5025 (TTY 711)**.

## - Médicos de atención primaria - Obstetras/ginecólogos

---

### **Paso uno: para todos**

*Elija a un médico de atención primaria (PCP, por sus siglas en inglés) de la lista que aparece en esta sección. Tanto usted como los miembros de la familia necesitan un PCP. Puede elegir un médico para cada miembro de la familia o un solo médico que atienda a toda la familia. Las especialidades médicas de atención primaria son las siguientes:*

- Medicina de familia
- Medicina interna
- Pediatría

### **Paso dos: para las mujeres**

*Si es una mujer de 13 años de edad o mayor, elija a un obstetra o un ginecólogo (pueden estar indicados como "Ob" y "Gyn") de la lista que aparece a continuación, además de su PCP (Primary Care Doctor, médico de atención primaria). Es importante que tenga un obstetra o un ginecólogo y un PCP. Seleccione un médico de cada especialidad para que la atienda.*

### Remisiones a especialistas

*Si su médico de atención primaria decide que necesita servicios de otros proveedores, y esos servicios son servicios cubiertos, normalmente lo remitirán a un médico de Permanente. Si necesita servicios que no están disponibles dentro de MAPMG o para los que no hay proveedores de MAPMG disponibles en virtud de los estándares aplicables, es posible que lo remitan a un médico de la red en la comunidad para ese servicio, o en casos raros, a un proveedor no contratado. Las remisiones a servicios de proveedores no contratados se autorizarán solo si los proveedores de Permanente o de la red no ofrecen esos servicios. Debe tener una remisión autorizada a un especialista para que cubramos los servicios y/o los suministros proporcionados. Si se autoriza la remisión, usted pagará solo el costo compartido que hubiera pagado si los servicios y/o suministros los hubiera proporcionado un proveedor de Permanente.*

No podemos garantizar que todos los médicos, centros médicos, hospitales y otros proveedores que aparecen en la lista sigan estando disponibles. Este directorio se actualiza anualmente. Para obtener la lista más actualizada de médicos de atención primaria que estén aceptando pacientes nuevos, visite nuestro sitio web en [kp.org/espanol](http://kp.org/espanol) o llame a la línea telefónica gratuita de Servicio a los Miembros al **855-249-5025 (TTY 711)**.

# Kaiser Permanente Specialists *Especialistas de Kaiser Permanente*

Specialty care is care you receive from providers other than a primary care doctor. When your primary care doctor believes you may need specialty care, he or she will request authorization from us. If specialty care is necessary, we will authorize a referral to a particular specialist for an initial consultation and/or for a certain number of visits. If we authorize a referral, you may seek that care from the specialist to whom you were referred. Unless we have authorized additional visits without the need to obtain another referral you must return to your primary care doctor after the consultation. You do not need to get a referral from your PCP for the following services: routine and ob/gyn services, emergency services (in or out-of-network) outpatient behavioral health services, vision care services (excludes services from an ophthalmologist), family planning services (from any licensed provider, in or out-of-network). You may obtain behavioral health and substance abuse services from Medical Group behavioral health or substance abuse providers without a primary care referral by directly calling our Behavioral Health Access Unit at **1-866-530-8778** to arrange for services.

*La atención de un especialista es la atención que recibe de proveedores que no son su médico de atención primaria. Cuando su médico de atención primaria considere que usted podría necesitar la atención de un especialista, nos solicitará una autorización. Si es necesaria la atención de un especialista, autorizaremos una remisión a un especialista en particular para que realice una primera consulta o para que vaya a una determinada cantidad de visitas. Si autorizamos una remisión, podrá solicitar la atención del especialista a quien haya sido remitido. A menos que hayamos autorizado visitas adicionales sin la necesidad de solicitar otra remisión, deberá volver a ver a su médico de atención primaria después de la consulta. No necesita obtener una remisión de su PCP para los siguientes servicios: servicios de rutina y obstétricos/ginecológicos, servicios de emergencia (dentro o fuera de la red), servicios ambulatorios de salud del comportamiento, servicios del cuidado de la visión (excluye los servicios de un oftalmólogo), servicios de planificación familiar (de cualquier proveedor titulado, dentro o fuera de la red). Podrá obtener servicios de salud del comportamiento y tratamiento para el abuso de sustancias de los proveedores del grupo médicos especialistas en salud del comportamiento y en abuso de sustancias, sin la remisión de un médico de atención primaria, llamando directamente a nuestra Unidad de Acceso a Servicios de Salud del Comportamiento al **1-866-530-8778** para coordinar su prestación.*

### **Nondiscrimination Statement**

It is the policy of Sentara Health Plans and Kaiser Foundation Health Plan of the Mid-Atlantic States, Inc. (Kaiser Permanente), not to discriminate on the basis of race, color, national origin, sex, age, or disability. Sentara Health Plans and Kaiser Permanente have adopted an internal grievance procedure providing for prompt and equitable resolution of complaints alleging any action prohibited by Section 1557 of the Affordable Care Act (42 U.S.C. 18116) and its implementing regulations at 45 CFR part 92, issued by the U.S. Department of Health and Human Services. Section 1557 prohibits discrimination on the basis of race, color, national origin, sex, age, or disability in certain health programs and activities. Section 1557 and its implementing regulations may be examined in the office of the Kaiser Permanente Civil Rights Coordinator, 2101 E. Jefferson St., Rockville, MD 20852, telephone number: **1-800-777-7902**, who has been designated to coordinate the efforts of Sentara Health Plans and Kaiser Permanente to comply with Section 1557.

Any person who believes someone has been subjected to discrimination on the basis of race, color, national origin, sex, age, or disability may file a grievance under this procedure. It is against the law for Sentara Health Plans and Kaiser Permanente to retaliate against anyone who opposes discrimination, files a grievance, or participates in the investigation of a grievance.

#### Procedure:

- Grievances must be submitted to the Section 1557 Coordinator within 60 days of the date the person filing the grievance becomes aware of the alleged discriminatory action.
- A complaint must be in writing, containing the name and address of the person filing it. The complaint must state the problem or action alleged to be discriminatory and the remedy or relief sought.
- The Section 1557 Coordinator (or her/his designee) shall conduct an investigation of the complaint. This investigation may be informal, but it will be thorough, affording all interested persons an opportunity to submit evidence relevant to the complaint. The Section 1557 Coordinator will maintain the files and records of Sentara Health Plans and Kaiser Permanente relating to such grievances. To the extent possible, and in accordance with applicable law, the Section 1557 Coordinator will take appropriate steps to preserve the confidentiality of files and records relating to grievances and will share them only with those who have a need to know.
- The Section 1557 Coordinator will issue a written decision on the grievance, based on a preponderance of the evidence, no later than 30 days after its filing, including a notice to the complainant of their right to pursue further administrative or legal remedies.

The availability and use of this grievance procedure does not prevent a person from pursuing other legal or administrative remedies, including filing a complaint of discrimination on the basis of race, color, national origin, sex, age, or disability in court or with the U.S. Department of Health and Human Services, Office for Civil Rights. A person can file a complaint of discrimination electronically through the Office for Civil Rights Complaint Portal, which is available at <https://ocrportal.hhs.gov/ocr/portal/lobby.jsf>, or by mail or phone at:

### **Declaración de No Discriminación**

La política de Sentara Health Plans y de Kaiser Foundation Health Plan of the Mid-Atlantic States, Inc. (Kaiser Permanente) es no discriminar con base en la raza, el color, el país de origen, el sexo, la edad o una discapacidad. Sentara Health Plans y Kaiser Permanente han adoptado un procedimiento interno de quejas formales para la resolución inmediata y justa de las quejas sobre cualquier acción contraria a lo establecido en la Sección 1557 de la Ley de Cuidado de Salud Asequible (Título 42 del Código de los Estados Unidos [United States Code, U.S.C.], Sección 18116) y en la reglamentación establecida en la parte 92 del Título 45 del Código de Regulaciones Federales (Code of Federal Regulations, CFR), emitida por el Departamento de Salud y Servicios Humanos de los Estados Unidos. La Sección 1557 prohíbe la discriminación en ciertos programas y actividades de salud por motivos de raza, color, país de origen, sexo, edad y discapacidad. Es posible que la Sección 1557 y sus reglamentos de aplicación se revisen en la oficina del Coordinador de Derechos Civiles de Kaiser Permanente, 2101 E. Jefferson St., Rockville, MD 20852, número de teléfono: **1-800-777-7902**, quien fue designado para coordinar los esfuerzos de Sentara Health Plans y Kaiser Permanente a fin de cumplir con la Sección 1557.

Cualquier persona que considere que alguien ha sido discriminado por su raza, color, país de origen, sexo, edad o discapacidad puede presentar una queja formal conforme a este procedimiento. Sentara Health Plans y Kaiser Permanente no podrán tomar represalias contra cualquier persona que se oponga a la discriminación, presente una queja formal o participe en la investigación de esta.

#### Procedimiento:

- Las quejas formales deberán presentarse ante el Coordinador de la Sección 1557 en un plazo de 60 días a partir de la fecha en la que la persona que presenta la queja formal tenga conocimiento de la supuesta acción discriminatoria.
- La queja deberá estar por escrito e incluir el nombre y la dirección de la persona que la presenta. La queja deberá indicar el problema o la acción que se supone es discriminatoria y la solución o el remedio que se busca.
- El Coordinador de la Sección 1557 (o la persona que este designe) investigará la queja. Aunque esta investigación es informal, será minuciosa y dará a todas las personas interesadas la oportunidad de presentar las pruebas relevantes para la queja. El Coordinador de la Sección 1557 conservará los archivos y los registros de Sentara Health Plans y de Kaiser Permanente relacionados con dichas quejas formales. En la medida de lo posible y de acuerdo con la ley correspondiente, el Coordinador de la Sección 1557 implementará las medidas adecuadas para mantener la confidencialidad de los archivos y los registros relacionados con las quejas formales, y los compartirá únicamente con las personas que deban conocerlos.

- El Coordinador de la Sección 1557 comunicará por escrito su decisión sobre la queja formal, conforme a la relevancia de las pruebas, en un plazo no mayor a 30 días a partir de su presentación, que incluirá una notificación a quien presentó la queja para informarle sobre su derecho a obtener otros recursos administrativos o legales.

La disponibilidad y el uso de este procedimiento de queja formal no evitará que la persona pueda presentar otros recursos legales o administrativos, incluida la presentación de una queja por discriminación a causa de la raza, el color, el país de origen, el sexo, la edad o la discapacidad ante un tribunal o ante la Oficina de Derechos Civiles del Departamento de Salud y Servicios Humanos de los Estados Unidos. También puede presentar una queja por discriminación vía electrónica mediante el Portal de Quejas de la Oficina de Derechos Civiles, disponible en <https://ocrportal.hhs.gov/ocr/portal/lobby.jsf> (en inglés), o por correo o por teléfono en:

U.S. Department of Health and Human Services  
200 Independence Ave. SW.  
Room 509F, HHH Building  
Washington, DC 20201  
Línea telefónica gratuita: **800-368-1019** (TDD: **800-537-7697**)

Los formularios de quejas están disponibles en <http://www.hhs.gov/ocr/office/file/index.html> (en inglés). Estas quejas deben presentarse en un plazo de 180 días a partir de la fecha en la que suceda el supuesto acto discriminatorio.

Sentara Health Plans y Kaiser Permanente tomarán las medidas correspondientes para asegurar que las personas con discapacidades y aquellos con habilidades limitadas en inglés reciban ayuda y dispositivos auxiliares, servicios o asistencia con el idioma, respectivamente, si necesitan participar en este proceso de queja formal. Es posible que estas medidas incluyan, por ejemplo, proporcionar intérpretes calificados, cintas grabadas del material para personas con visión disminuida o asegurar una ubicación sin barreras para los procedimientos. El Coordinador de la Sección 1557 será el responsable de dichas medidas.
