## Medi-Cal Drug Coverage

If you are covered by Medi-Cal and eligible for or enrolled in Medicare Part D, Medicare Part D pays first. Sometimes a drug covered by Medi-Cal may not be covered by Medicare Part D. If Medicare does not cover a drug that is covered by Medi-Cal, it may be covered under your Medi-Cal coverage. In Medi-Cal, most outpatient prescription drugs are covered by Medi-Cal Rx as a service through Fee-for-Service Medi-Cal. To learn more about Medi-Cal drug coverage, you can call Medi-Cal Rx Customer Service at 1-800-977-2273, 24 hours a day, 7 days a week. TTY users can call 711, Monday through Friday, 8 a.m. to 5 p.m. You can also visit the Medi-Cal Rx website at **<https://www.Medi-CalRx.dhcs.ca.gov/home/>**.

## INTRODUCTION

This booklet provides a list of our plan's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the **Evidence of Coverage** and Kaiser Permanente's formulary.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under our plan only if they are filled at a network pharmacy or through our mail order program. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your **Evidence of Coverage**.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of 11/01/2023. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

Note: Members in individual or group plans without Medicare Part D coverage should use pharmacies marked with a "*β*" for their Medicare Part B prescriptions.

You can get prescription drugs shipped to your home through our network mail order delivery program. For more information, please contact us or see the mail order section of this pharmacy directory. If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.

# Kaiser Permanente's Network Pharmacies

Our pharmacy directory is organized by the type of pharmacy (retail, including chain pharmacies, mail order, home infusion, long-term care, Indian Health Service / Tribal / Urban Indian Health Program (I/T/U) pharmacies, specialty pharmacies, and transplant network pharmacies outside the geographic area). Our pharmacies are then listed alphabetically by region, service area, facility name and city.

#### Medi-Cal Drug Coverage

If you are covered by Medi-Cal and eligible for or enrolled in Medicare Part D, Medicare Part D pays first. Sometimes a drug covered by Medi-Cal may not be covered by Medicare Part D. If Medicare does not cover a drug that is covered by Medi-Cal, it may be covered under your Medi-Cal coverage. In Medi-Cal, most outpatient prescription drugs are covered by Medi-Cal Rx as a service through Fee-for-Service Medi-Cal. To learn more about Medi-Cal drug coverage, you can call Medi-Cal Rx Customer Service at 1-800-977-2273, 24 hours a day, 7 days a week. TTY users can call 711, Monday through Friday, 8 a.m. to 5 p.m. You can also visit the Medi-Cal Rx website at **<https://www.Medi-CalRx.dhcs.ca.gov/home/>**.
