## Section 1 — Introduction

This directory provides a list of DeltaCare USA's network providers.

### **DeltaCare USA Dental HMO Program**

Kaiser Permanente has an agreement with Delta Dental Insurance Company ("Delta Dental") to offer you the DeltaCare USA Dental HMO Program. DeltaCare USA offers a wide range of dental care through a network of dentists who contract with Delta Dental.

### **How to get started**

Delta Dental will match you with a dentist when you join. You'll get a welcome letter in the mail with your dentist's name and address. To make an appointment, just call your dentist's office and let them know you're a member of DeltaCare USA.

### **How to change your dentist**

If you want to change dentists, choose one from this directory. You can also find a list of DeltaCare USA dentists at **deltadentalins.com**. You can change dentists online or you can call Delta Dental Customer Service at **1-844-519-8693**, Monday through Friday, 5 a.m. to 6 p.m. (TTY users should call **1-800-735-2929**). If we get your request to switch dentists before the 15th of the month, the change will happen on the first of the next month. If we get your request after the 15th, the change will happen on the first after the next month. (For example, if we get your request on April 16, you'll be able to see your new dentist on June 1).

### **How to make sure you're covered**

If you want your dental care to be covered, you must get your dental care from your DeltaCare USA dentist. You may be covered for care with another dentist if you have an emergency or if your DeltaCare USA dentist

refers you to a specialist. Delta Dental must approve any referral before you get care. When Delta Dental approves your referral, you'll get written approval for covered dental services from a specialist. Neither Medicare nor your plan will cover any other dental services.

### **How to get a second opinion**

You may ask for a second opinion if you don't agree with or question your DeltaCare USA dentist's diagnosis or treatment plan. To request a second opinion, please call Delta Dental Customer Service at **1-844-519-8693**, Monday through Friday, 5 a.m. to 6 p.m. (TTY users should call **1-800-735-2929**).

Also, we may require you to get a second opinion from another DeltaCare USA dentist at any time to make sure the care you're getting is necessary and appropriate.

### **Network providers**

The network providers listed in this directory have agreed to provide you with your dental services. You may go to any of our network providers listed in this directory. The network providers listed in this directory are part of the network; however, you must receive services from your assigned DeltaCare USA office for services to be covered. Also, some services may require a referral. If you have been going to one network provider, you are not required to continue to go to that same provider if you have requested a change in your assigned DeltaCare USA dentist. In some cases, you may get covered services from non-network providers, such as covered emergency care and authorized referrals. However, you must contact Delta Dental to receive authorization.

### **How to submit bills for covered care**

If you get a bill from an out-of-network provider, don't pay it. Instead, submit it to Delta Dental within 90 days of the end of the

treatment. Delta will let you know how much you have to pay. You may be able to submit a bill after the 90-day period if you can show that it wasn't reasonably possible to submit it in time.

Send any bills and claim forms to:

Claims Department  
P.O. Box 1810  
Alpharetta, GA 30023

### **How to get emergency dental care**

If you need emergency dental care, call your DeltaCare USA dentist or Delta Dental Customer Service at **1-844-519-8693**, Monday through Friday, 5 a.m. to 6 p.m. (TTY users should call **1-800-735-2929**).

Covered emergency care is limited to care needed to stabilize your condition and relieve your pain. If you get emergency dental care from a dentist who isn't your assigned DeltaCare USA dentist, you're limited to \$100 per emergency.

If you get emergency dental care from a dentist who isn't a DeltaCare USA dentist, you're responsible for the full cost of the dental care unless the following is true:

- You have made a reasonable attempt to contact your DeltaCare USA dentist and you can't be seen within 24 hours or you don't think you can travel to your DeltaCare USA dentist because of your condition.
- You call Delta Dental Customer Service before you get emergency dental care, or your condition is so severe that you need to get care without calling Customer Service.

You must use your assigned DeltaCare USA network provider except in the case of an emergency or urgent care situations. If you obtain routine care from out-of-network providers, neither Medicare nor DeltaCare USA will be responsible for the

costs.
