For dental care to be covered, services must be provided by Delta Dental of Colorado PPO and/or Premier network dentists. For any questions about the information contained in the dental directory, please call Delta Dental of Colorado's customer service toll-free at **1-800-610-0201**, Monday through Friday, 8:00 a.m. to 6:00 p.m. TTY users should call **1-800-735-2929.**

Section 1 — Introduction

This directory provides a list of Kaiser Permanente's network providers.

Your Primary Care Provider

You may choose one of our network providers listed in this directory to be your **P**rimary **C**are **P**rovider (PCP). The term "PCP" will be used throughout this directory. Generally, you must get your health care services from your PCP.

Your PCP meets state standards and is trained to give you primary medical care. He or she will usually practice general medicine, also called internal medicine or family practice. Women may also choose specialists in obstetrics-gynecology whom the Medical Group designates as Primary Care Providers. At some facilities, you also have the option of choosing a nurse practitioner (NP) or physician assistant (PA) to be your PCP.

Your PCP will give you most of your care. If you need a specialist, your PCP will help you choose a doctor in that field and work with him or her as part of your health care team.

You can choose your PCP from any of our available primary care doctors, nurse practitioners, or physician assistants. Once you make your choice, it is effective right away. If you wish, you can change your PCP for any reason.

Choosing or changing your doctor

We believe that an important part of your total health is building a personal relationship with your primary care doctor, physician assistant, or nurse practitioner. He or she is your supporter for your health needs and goals, helping you with everything from preventive care exams and advice for healthier living to treating you when you're sick.

Whether you're new to Kaiser Permanente or a longtime member looking for a change, choosing a personal doctor to coordinate your care is easy. You can learn about each doctor's certifications, specialties, languages spoken, interests, and more on **kp.org/finddoctors** to help you find the right fit for you.

If you want to make a switch, you can change your doctor at any time and for any reason.

Care for your unique needs

You can choose your personal doctor from one of the departments listed next.

- **Adult or Internal Medicine** (Internists)
- **Family Medicine** (Family practitioners)
- **Obstetrics-Gynecology** (Ob-Gyn)

Nurse practitioners
At some facilities, you also have the option of choosing a nurse practitioner.

Nurse practitioners are registered nurses who have advanced education and training. They can diagnose and treat a wide variety of medical conditions, write prescriptions, order and interpret lab and medical imaging tests, and educate and give advice to members and their families. They practice with a doctor's supervision and support according to carefully controlled procedures.

How to choose or change your doctor

Online

Go to **kp.org/finddoctors. Find information on the available physician**s and choose the one who's right for you.

Phone

Call the Member Outreach or physician selection service number at the facility where you plan to get most of your care.

Getting Covered Care under your Medicare Coverage

Each time you need care, you can choose from any licensed provider who takes Medicare Insurance. The provider you choose will affect your benefits and out-of-pocket costs.

In-Network

Kaiser Permanente and Colorado affiliated providers

Get care from doctors in Kaiser Permanente medical offices and from a statewide network of providers throughout Colorado. The network providers listed in this directory have agreed to provide you with your health care and vision services. You may go to any of our network providers listed in this directory; however, some services may require a referral.

- Pay lower out-of-pocket costs than out-of-network providers.
- At Kaiser Permanente medical office locations, see a provider, plus get lab tests, X-rays, and prescriptions, all in one location.

Kaiser Permanente providers outside of the state of Colorado

You may also choose to get care from Kaiser Permanente providers outside the state of Colorado.

- Visit **healthy.kaiserpermanente.org** to find an In-Network provider outside the state of Colorado.

  Select the appropriate region from the drop-down at the top of the page.
- When using these providers, you don't have to select a personal doctor, and you don't need a referral.
- When using in-network providers, some services require preauthorization.

Multiplan Medicare Advantage Network

You may also select care from a MultiPlan Medicare Advantage provider when seeking care outside the state of Colorado.

- When using these providers, you don't have to select a personal doctor, and you don't need a referral.
- When using in-network providers, some services require preauthorization.
- Visit **kp.org/MedicarePPO-CO** to find a Multiplan provider outside the state of Colorado.

Out-of-Network

You can see any licensed provider who takes Medicare Insurance using your out-of-network benefits. No referral or preauthorization is required. You pay more at the time of service, and you may need to file a claim for reimbursement. For questions or help to file a claim, call Member Services at **1-800-476-2167** (TTY **711**).

Bills from out-of-network providers

If you receive a bill from an out-of-network provider, you should not pay the bill. Send it to our Claims Department and they will let you know how much you have to pay.

Denver Metropolitan and Northern Colorado Service Areas:

Denver, CO 80237-3150

Southern Colorado Service Area:

Emergency and urgent care

If you have an emergency medical condition, call **911** or go to the nearest hospital. When you have an emergency medical condition, we cover emergency care anywhere in the world.

For ease and continuity of care, we encourage you to go to a Plan hospital Emergency Department if you are inside our service area, but only if it is reasonable to do so, considering your condition or symptoms.

If you have an emergency, we will talk with the doctors who are giving you emergency care to help manage and follow up on your care. The doctors who are giving you emergency care will decide when your condition is stable and the medical emergency is over.

After the emergency is over, you are entitled to follow-up care to be sure your condition continues to be stable. Your follow-up care will be covered by our Plan.
