# Section 1 — Introduction

This directory provides a list of Kaiser Permanente’s network providers.

## Your Primary Care Provider

You will have to choose one of our network providers listed in this directory to be your **Primary Care Provider (PCP)**. The term “PCP” will be used throughout this directory. Generally, you must get your health care services from your PCP.

Your PCP meets state standards and is trained to give you primary medical care. He or she will usually practice general medicine, also called internal medicine or family practice. Women may also choose specialists in obstetrics-gynecology whom the Medical Group designates as Primary Care Providers. At some facilities, you also have the option of choosing a nurse practitioner (NP) or physician assistant (PA) to be your PCP.

Your PCP will give you most of your care. If you need a specialist, your PCP will help you choose a doctor in that field and work with him or her as part of your health care team.

You can choose your PCP from any of our available primary care doctors, nurse practitioners, or physician assistants. Once you make your choice, it is effective right away. If you wish, you can change your PCP for any reason.

## Choosing or changing your doctor

We believe that an important part of your total health is building a personal relationship with your primary care doctor, physician assistant, or nurse practitioner. He or she is your supporter for your health needs and goals, helping you with everything from preventive care exams and advice for healthier living to treating you when you’re sick.

Whether you’re new to Kaiser Permanente or a longtime member looking for a change, choosing a personal doctor to coordinate your care is easy. You can learn about each doctor’s certifications, specialties, languages spoken, interests, and more on [wa-doctors.kaiserpermanente.org/](http://wa-doctors.kaiserpermanente.org/) to help you find the right fit for you.

If you want to make a switch, you can change your doctor at any time and for any reason.

## Care for your unique needs

You can choose your personal doctor from one of the departments listed next.

- **Adult or Internal Medicine** (Internists)
- **Family Medicine** (Family practitioners)
- **Obstetrics-Gynecology** (Ob-Gyn)

## Nurse practitioners

At some facilities, you also have the option of choosing a nurse practitioner.

Nurse practitioners are registered nurses who have advanced education and training. They can diagnose and treat a wide variety of medical conditions, write prescriptions, order and interpret lab and medical imaging tests, and educate and give advice to members and their families. They practice with a doctor’s supervision and support according to carefully controlled procedures.

## How to choose or change your doctor

### Online

Go to [kp.org/finddoctors](http://kp.org/finddoctors). Find information on the available physicians and choose the one who's right for you.

### Phone

If you have questions about Kaiser Permanente Medicare Advantage (HMO) Individual health plans or require assistance in selecting a PCP, call Member Service at **1-888-901-4600** (TTY **711**), 7 days a week, 8 a.m. to 8 p.m. You can also visit [kp.org/medicare](http://kp.org/medicare).

## Getting Covered Care under your Medicare Coverage

You must use network providers except in emergency or urgent care situations or for out-of-area renal dialysis. If you obtain routine care from out-of-network providers, neither Medicare nor Kaiser Permanente will be responsible for the costs.

The network providers listed in this directory have agreed to provide you with your health care and vision services. You may go to any of our network providers listed in this directory; however, some services may require a referral.

Your PCP will refer you to a Plan specialist when he or she believes that you require specialty care. Some specialists, such as specialists in surgery, orthopedics, cardiology, oncology, dermatology, and physical, occupational, and speech therapies require a referral. However, you do not need a referral to get specialty care from network providers in Ob-Gyn, optometry, psychiatry, and chemical dependency.

## Bills from out-of-network providers

If you receive a bill from an out-of-network provider, you should not pay the bill. Send it to our Claims Department and they will let you know how much you have to pay.

Claims Processing Kaiser Permanente  
P.O. Box 30766  
Salt Lake City, UT 84130-0766

## Emergency and urgent care

If you have an emergency medical condition, call **911** or go to the nearest hospital. When you have an emergency medical condition, we cover emergency care anywhere in the world.

For ease and continuity of care, we encourage you to go to a Plan hospital Emergency Department if you are inside our service area, but only if it is reasonable to do so, considering your condition or symptoms.

If you have an emergency, we will talk with the doctors who are giving you emergency care to help manage and follow up on your care. The doctors who are giving you emergency care will decide when your condition is stable and the medical emergency is over.

After the emergency is over, you are entitled to follow-up care to be sure your condition continues to be stable. Your follow-up care will be covered by our Plan. If your emergency care is provided by out-of-network providers, we will try to arrange for network providers to take over your care as soon as your medical condition and the circumstances allow. It is very important that your out-of-network provider call us to get authorization for post-stabilization care before you receive the care from the out-of-network provider. You will only be held financially liable if you are notified by the out-of-network provider or us about your potential liability.

You must use network providers except in emergency or urgent care situations, or for out-of-area renal dialysis or other services we authorize in advance.

If you obtain routine care from out-of-network providers neither Medicare nor Kaiser Permanente will be responsible for the costs.

Look up the area where you live or get care beginning on page 7. Then find the location that you'll go to most often to find a list of doctors for that medical facility. The medical facilities are listed alphabetically within each area.

Asterisks (\*) at the end of a provider name identify providers accepting new patients.

If you have questions about Kaiser Permanente or require assistance in selecting a PCP, call Member Service at **1-888-901-4600 (TTY 711)**, 7 days a week, 8 a.m. to 8 p.m. You can also visit [kp.org](http://kp.org).

### Timely access to care for Primary Care and Behavioral Health Services

Your network provider must offer you an appointment within the time frames listed below.

Appointment Type	Must Offer Appointment Within
Routine and preventative care	Within 30 business days
Requires medical attention, but not emergency or urgently needed	Within 7 business days
Urgently needed services or emergency	Immediately

## Interpreter services at no cost to you

If you need interpreter services when you call us or when you get covered services, please let us know. Interpreter services, including sign language, are available during all business hours at no cost to you.

Most of our facilities have staff who speak more than one language and are specially trained to interpret and explain medical terms and procedures. Many of our practitioners also speak more than one language. If you visit one of our facilities and no one speaks your language, we have interpreters for more than 150 languages available by phone. If you need a Sign language interpreter, an interpreter is available either by video or in person.

In addition to English, some providers listed in this directory speak additional languages. Please see the key below defining the abbreviations for these languages.

### Language Key

We highly discourage the use of minors or family members as interpreters. For more information on the interpreter services we offer, please call Member Service at **1-888-901-4600 (TTY 711)**, 7 days a week, 8 a.m. to 8 p.m.

## Durable medical equipment (DME):

### 2024 preferred brands and manufacturers

**What is durable medical equipment (DME)?** DME is defined as medically necessary equipment that is used to treat or manage a disease, injury, or disability at home, or in a long-term care facility. It includes equipment that is strong enough to be used over and over again, such as hospital beds, wheelchairs, walkers, insulin pumps, and blood glucose monitors.

**What does Kaiser Permanente cover?** Our Medicare Advantage HMO plans cover all DME that's covered by Original Medicare. Equipment must be selected from the brands and manufacturers on this list. We will not cover other brands and manufacturers unless your doctor or other provider tells us that the brand is appropriate for your medical needs.

One exception is if you are new to one of our Medicare Advantage HMO plans and are using a brand of DME that is not on our list. In that case, we will continue to cover that brand for you for up to 90 days. During that time, you should talk with your doctor to decide what brand is medically appropriate for you after the 90-day period.

If our supplier in your area does not carry a particular brand or manufacturer, you may ask if they can special order it for you.

**May I get a second opinion or appeal a decision?** Yes. If you disagree with your provider's decision about what product or brand is appropriate for your medical condition, you can ask for a second opinion or file an appeal. You or your provider can also file an appeal if you do not agree with the plan's coverage decision.

**Need more information?** Your 2024 Evidence of Coverage provides details about your Medicare Advantage coverage and prior authorization requirements. See chapter 4, "Medical benefits chart (what is covered and what you pay)."

It also includes details about appeals. See chapter 9, "What to do if you have a problem or complaint (coverage decisions, appeals, and complaints)."

For additional information, call Kaiser Permanente Member Services at **1-888-901-4600** (TTY/TDD **1-800-833-6388**), 8 a.m.–8 p.m., 7 days a week.
