Accommodations for Individuals with Disabilities

Kaiser Permanente is committed to providing accessible facilities, services, and programs for all members, visitors and individuals with disabilities. In compliance with federal and state laws that prohibit discrimination based on disability, Kaiser Permanente provides: accessible exam rooms and medical equipment; free auxiliary aids and services to ensure effective communication with individuals with hearing, vision, cognitive, and/or communication-related disabilities, including qualified sign language interpreter services and informational materials in alternative formats (large print, audio tape/CDs, accessible PDFs or Microsoft Word documents, electronic texts/disks/CD-ROMS, and Braille); and access to service animals, except where the animal poses a significant health or safety risk(s) to others.

For more information about access to a specific facility or provider, or if you believe that Kaiser Permanente has failed to provide appropriate access or services or otherwise discriminated on the basis of a disability, please contact Member Services toll-free **1-800-966-5955** or TTY **711**, Monday through Friday, 8 a.m. – 5 p.m. or Saturday, 8 a.m. – noon. B. Background Information about Kaiser Permanente Senior Advantage Medicare Medicaid Network Providers

B1. Key terms

This section explains key terms in our Directory.

- **Providers** are professionals such as doctors, nurses, specialists, pharmacists, therapists, behavioral health providers, and other people who provide care and services. **Services** include medical care, Long-term Services and Supports (LTSS), supplies, prescription drugs, equipment, and other services.
 - The term **providers** includes facilities such as hospitals, clinics, and other places that provide medical services and medical equipment. It also includes LTSS providers that you may use as a Kaiser Permanente Senior Advantage Medicare Medicaid Plan member.
 - Providers that are a part of our plan's network are called **network providers**.
- **Network providers** have contracted with us to deliver services to members of our plan. Network providers participate in our plan. That means they accept members of our plan and provide services our plan covers. When you use a network provider, you usually pay nothing for covered services.
- A **Primary Care Provider (PCP)** is a licensed provider who gives you routine health care. Your PCP will keep your medical records and get to know your health needs over time.
- **Specialists** are doctors who provide health care services for a specific disease or part of the body. There are many kinds of specialists. Here are a few examples:
 - Oncologists care for patients with cancer.
 - Cardiologists care for patients with heart conditions.
 - Orthopedists care for patients with certain bone, joint, or muscle conditions.

- You may need a **referral** or **prior authorization** to see a specialist or someone that is not your PCP. A **referral** means your Care Team must give you approval before you can use the other provider. A **prior authorization** is different than a referral. It means that **Kaiser Permanente (not your PCP or your Care Team)** must give you approval **before** we will cover a specific service, item, or drug or an out-of-network provider. If you don't get a referral or prior authorization, we may not cover the service, item, or drug.
 - Referrals or prior authorization are **not** needed for:
 - emergency care;
 - urgently needed care from a network provider or urgent care when you are outside the Kaiser Permanente service area;
 - kidney dialysis services that you get at a Medicare-certified dialysis facility when you are outside the plan's service area; or
 - services from a women's health specialist.
 - Additionally, if you are eligible to get services from Indian health providers, you may use these providers without a referral. We must pay the Indian health provider for those services even if they are out of our plan's network.
 - More information on referrals and prior authorization is available in *Evidence of Coverage*.
- You also have access to a Health Coordinator and a Care Team that you help choose.
 - A **Health Coordinator** that helps you manage your medical providers and services.
 - Your **Care Team**

Everyone on the care team works together to make sure your care is coordinated. This means that they make sure that you get all of the tests, labs, and other care that you need, and the results are shared with the appropriate providers. It also means that your PCP should know all medicines you take so that they can reduce any negative effects. Your PCP will always get your permission before sharing your medical information with other providers. Members of your care team may include:

 - You
 - Your Health Coordinator
 - Your Primary Care Provider (PCP)

Your Care Team will also help you find other providers of medical, behavioral health, or Long-term Services and Supports (LTSS) if you need a specialist or other health care provider. That way, you will get the right provider to help you with your concerns.

B2. Wait times for primary care and behavioral health

We must provide you with access to primary care and behavioral health services within the following timeframes:

- immediately for urgently needed services or an emergency;
- within 7 days for services that are not an emergency or urgently needed, but you require medical attention;
- within 21 days for routine and preventative care.

B3. How to choose a Primary Care Provider (PCP)

First, you will need to choose a Primary Care Provider (PCP). You can choose any PCP in our network who is accepting new members.

To choose a PCP, refer to the list of providers in section C1 and choose a provider:

- that you use now, **or**
- who has been recommended by someone you trust, **or**
- whose offices are easy for you to get to.

You must choose a PCP within 30 days of enrolling in Kaiser Permanente or a PCP will be assigned to you.

To help you find a doctor who is right for you, you can browse our online doctor profiles at **[kp.org/finddoctors](https://www.kp.org/finddoctors)**. You can find out which doctors are taking new patients and choose one who matches your needs.

Adults can choose a PCP from the following:

- Adult medicine/internal medicine
- Family medicine
- Specialists in OB/GYN whom the Hawaii Permanente Medical Group designates as PCPs
- Each covered family member may choose their own personal PCP. Depending on the type of the provider, you may be able to choose one PCP for your entire family who are members of Kaiser Permanente.

- If you do not choose a PCP in our network, we will choose one for you.
- If you want help in choosing a PCP, please call Member Services at **1-800-805-2739** (TTY **711**), 7 days a week, 8 a.m. to 8 p.m. The call is free. Or visit **kp.org/finddoctors**.
- If you have questions about whether any service or care that you want or need is covered, talk to your Care Team or call Member Services at **1-800-805-2739** (TTY **711**) and ask before you get the service or care.

B4. Long-term Services and Supports

As a Kaiser Permanente Senior Advantage Medicare Medicaid Plan member, you will be able to get Long-term Services and Supports (LTSS) if you need them, such as long-term care or Home and Community-Based Waiver Services. LTSS help people who need assistance to do everyday tasks like taking a bath, getting dressed, making food, and taking medicine. Most of these services are provided at your home or in your community but could be provided in a nursing home or hospital.

If you need LTSS, your Care Coordinator or MSSP can help you and your Care Team determine what options are available to support you in the way you want.

B5. How to access our network providers

You may need a referral for someone who is not a PCP. There is more information about referrals in Section B1 of this Directory.

You must get most of your covered services from providers within our network. If you use providers who are not in our plan's network (**without prior authorization**), **you may have to pay the bill**.

A **prior authorization** is a request for coverage of a service or item submitted by a provider or enrollee before getting the service or item.

The only exceptions to this rule are when you need urgent or emergency care or dialysis and cannot get to a provider in the plan, such as when you are away from home. You can also go outside the plan for other non-emergency services if the Kaiser Permanente Senior Advantage Medicare Medicaid Plan gives you permission first.

- You may change providers within the network at any time during the year. If you have been using one network provider, you do not have to keep using that same provider.
- Kaiser Permanente Senior Advantage Medicare Medicaid Plan works with all the providers in our network to accommodate the needs of people with disabilities. As applicable, the list of network providers in this Directory includes information about the accommodations they provide.

If you have questions, please call Kaiser Permanente at **1-800-805-2739** (TTY **711**), 7 days a week, 8 a.m. to 8 p.m. The call is free. **For more information**, visit **kp.org/medicare**.

- If you need a provider and are not sure if they offer the accommodations you need, Kaiser Permanente can help you. Talk to your health coordinator for assistance.

C. Kaiser Permanente Senior Advantage Medicare Medicaid Plan's List of Network Providers

This part of the Directory includes a list of our network providers who participate in and accept Medicare and Medicaid. It contains:

- **Health care professionals** including primary care providers, specialists, behavioral health providers, Optical Centers, and Vision Essentials.
- **Facilities** including hospitals, nursing facilities, and behavioral health facilities; and
- **Support providers** including Long-term Services and Supports (LTSS) (for example, adult day health), and community support services (for example, peer supports).
 - **Dental Providers.** For dental care to be covered, services must be provided by Hawaii Dental Service (HDS) Medicare Advantage Network dentists, except in an emergency. While your dentist may be an HDS provider, it's possible they may not be part of the HDS Medicare Advantage Network, and therefore you will need to consider switching to an HDS Medicare Advantage Network dentist for your dental care to be covered. To access the HDS online directory of network dentists, visit hawaiidental-service.com/findadentist. For any questions about the information contained in the dentist directory, please call HDS Customer Service at **1-844-379-4325**, Monday through Friday, 7:30 a.m. to 4:30 p.m.

Facility physical accessibility survey

We conduct physical accessibility surveys at certain facilities as required by the California Department of Health Care Services (DHCS). These surveys evaluate 6 areas of access: parking, building exterior, building interior, restrooms, exam rooms, and exam table/scale. For Affiliated Providers and Affiliated Locations, physical accessibility information may be publicly available or self-reported by such providers rather than surveyed by Kaiser Permanente. To help you understand how the survey determines if a facility is accessible for people with disabilities, the following are the levels of accessibility:

Basic access: The facility demonstrates physical accessibility for people with disabilities for each of the following 5 areas surveyed: parking, outside building, inside building, restrooms, and exam rooms.

Limited access: The facility demonstrates physical accessibility for people with disabilities for some but not all of the following 5 areas surveyed: parking, outside building, inside building, restrooms, and exam rooms.

Medical equipment access: The facility demonstrates that patients with disabilities have access to height-adjustable exam tables and weight scales accessible to patients with wheelchairs and scooters. Also indicated by the T symbol described below.

If you have questions, please call Kaiser Permanente at **1-800-805-2739 (TTY 711)**, 7 days a week, 8 a.m. to 8 p.m. The call is free. For more information, visit [kp.org/medicare](https://www.kp.org/medicare).

D. Background Information about Kaiser Permanente Senior Advantage Medicare Medicaid Plan's Network Pharmacies

This Directory lists the pharmacies that you may use to get your prescription drugs. These are referred to as **network pharmacies** in this Directory. These network pharmacies are pharmacies that participate in the plan's Medicare Part D network.

Please contact Member Services at **1-800-805-2739 (TTY 711)**, 8 a.m. to 8 p.m., seven (7) days a week, or your Care Coordinator for assistance.

We also list pharmacies that are in our network but are outside Maui and Oahu in which you live. You may also fill your prescriptions at these pharmacies. Please contact Kaiser Permanente at **1-800-805-2739, (TTY 711)**, 8 a.m. to 8 p.m., seven (7) days a week for additional information.

Kaiser Permanente Senior Advantage Medicare Medicaid members must use network pharmacies to get prescription drugs except in emergency or urgent care situation.

- If you use an out-of-network pharmacy for prescriptions when it is not an emergency, you will have to pay out of pocket for the service.
- Read the Kaiser Permanente Senior Advantage Medicare Medicaid Plan's **Member Handbook** for more information.

This Directory may not list all network pharmacies. We may have added or removed some network pharmacies from our plan after we published this Directory.

For up-to-date information about our network pharmacies in your area, please visit our website at **kp.org/facilities** or call Member Services facilities or call Member Services at **1-800-805-2739 (TTY 711)**, 7 days a week, 8 a.m. to 8 p.m. The call is free.

To get a complete description of your prescription coverage, including how to fill your prescriptions, please read the **Member Handbook** and Kaiser Permanente Senior Advantage Medicare Medicaid Plan's *List of Covered Drugs*. For an updated formulary, please visit our website at **kp.org/seniorrx** or call us.

D1. Types of pharmacies in Kaiser Permanente Senior Advantage Medicare Medicaid Plan's network

Along with retail pharmacies, your plan's network of pharmacies includes:

- Mail-order pharmacies send covered prescription drugs to members through the mail or shipping companies.
- Home infusion pharmacies prepare prescription drugs that are given through a vein, within a muscle, or in another non-oral way by a trained provider in your home.
- Long-term care (LTC) pharmacies serve residents of long-term care facilities, such as nursing homes.
- Specialty pharmacies
- Transplant network pharmacies outside the Hawaii Region

You are not required to continue using the same pharmacy to fill your prescriptions.

D2. Long-term supplies of prescriptions

- **Mail-Order Programs.** We offer a mail-order program that allows you to get up to a 90-day supply of your prescription drugs sent directly to your home. A 90-day supply has the same copay as a one-month supply. You may order prescription refills of certain medications through our mail-order service online at kp.org/refill or by phone or mobile app, which may lower your costs for a three-month supply. Please contact us at least 5 days before your refills run out. Generally, you should receive them within 3 to 5 days. If not, please contact the mail-order phone number on the prescription label for assistance. Not all drugs can be mailed; restrictions and limitations apply. For more information, please visit kp.org/seniorrx or call the phone number below.

E2. Mail-Order Pharmacy

You can get prescription drugs shipped to your home through our network mail order delivery program. For refills of your mail order prescription, please contact us 5 days before you think you will run out of the medications you have on hand. This is to make sure your next order is shipped to you on time. When you order refills for home delivery online, by phone, or in writing, you must pay your cost-sharing when you place your order. If the pharmacy receives a prescription from a health care provider, it will contact you to see if you want the medication filled immediately or at a later time. It is important that you respond each time you are contacted by the pharmacy, to let them know whether to ship, delay, or stop the new prescription.

Typically, you should expect to receive your prescription drugs within 3 to 5 days from the time the mail order pharmacy receives your order. If you do not receive your prescriptions within this timeframe, please contact us at **1-808-643-7979** (TTY **711**) Monday through Friday, 8:00 a.m. to 5 p.m. for assistance. You can also call the number on your prescription label.

If you cannot wait for your prescription to arrive from our mail order pharmacy, you may get an urgent supply by calling a Kaiser Permanente or affiliated network pharmacy. You can find a pharmacy in this directory or through our online searchable directory at **kp.org/facilities**.
