

Kaiser Permanente

2025 Pharmacy Directory

This pharmacy directory was updated on **October 2024**. For more recent information or other questions, please contact Kaiser Permanente Member Services at **1-888-901-4600** or, for TTY users, **711**, seven days a week, 8 a.m. to 8 p.m., or visit **kp.org/seniorrx**.

Changes to our pharmacy network may occur during the benefit year. An updated Pharmacy Directory is located on our website at **kp.org/directory**. You may also call Member Services at **1-888-901-4600** (TTY/TDD users should call **711**) for updated information.

Introduction

This booklet provides a list of our plan's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the **Evidence of Coverage** and Kaiser Permanente's formulary.

This directory is for the following Washington state counties: Grays Harbor (ZIP codes 98541, 98557, 98559, 98568), Island, King, Kitsap, Lewis, Mason (ZIP codes 98524, 98528, 98546, 98548, 98555, 98584, 98588, 98592), Pierce, Skagit, Snohomish, Spokane, Thurston, and Whatcom.

Pharmacies

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to plan enrollees. In most cases, your prescriptions are covered under our plan only if they are filled at a network pharmacy or through our mail order program. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your **Evidence of Coverage**.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of **October 1, 2024**. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can go to all the pharmacies on this list, but your costs for some drugs may be less at pharmacies in this list that offer preferred cost-sharing. We have marked these pharmacies with § to distinguish them from other pharmacies in our network that offer standard cost-sharing.

Kaiser Permanente's pharmacy network includes limited lower-cost, preferred pharmacies in Island, Skagit, and Whatcom Counties in Washington. The lower costs advertised in our plan materials for these pharmacies may not be available at the pharmacy you use. For up-to-date information about our network pharmacies, including whether there are any lower-cost preferred pharmacies in your area, please call 1-888-901-4600 (TTY 711), seven days a week, 8 a.m. to 8 p.m. or consult the online pharmacy directory at [kp.org/directory](https://www.kp.org/directory).

You can get prescription drugs shipped to your home through our network mail order delivery program. For more information, please contact us or see the mail order section of this pharmacy directory.

Kaiser Permanente's Network Pharmacies

Our pharmacy directory is organized by the type of pharmacy (retail, including chain pharmacies, mail order, home infusion, long-term care, Indian Health Service / Tribal / Urban Indian Health Program (I/T/U) Pharmacies, specialty pharmacies, and transplant network pharmacies outside the Washington area). Our pharmacies are then listed alphabetically by city then facility name.

Retail Pharmacies, including Chain Pharmacies

Mail-order pharmacy

kp.org/refill

You can get prescription drugs shipped to your home through our network mail order delivery program. For refills of your mail order prescriptions, please contact us 5 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time.

Typically, you should expect to receive your prescription drugs within 3 to 5 days from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact us at **1-800-245-7979 (TTY 711)** or the number listed on the prescription label for assistance.

If you cannot wait for your prescription to arrive from our mail-order pharmacy, you may get an urgent supply by calling a Kaiser Permanente or affiliated network pharmacy listed in this Pharmacy Directory or at **kp.org/directory**.

Home Infusion Pharmacies

If you need more information, please contact Member Services.

Long-Term Care Pharmacies

Residents of a long-term care facility may access their prescription drugs covered under our plan through the facility's long-term care pharmacy or another network long-term care pharmacy.

If you need more information, please [contact](#) Member Services.

Indian Health Service / Tribal / Urban Indian Health Program (I/T/U) Pharmacies

Only Native Americans and Alaska Natives have access to Indian Health Service/Tribal/Urban Indian Health Program (I/T/U) Pharmacies through Kaiser Permanente's pharmacy network. Those other than Native Americans and Alaskan Natives may be able to access these pharmacies under limited circumstances (e.g., emergencies).

If you need more information, please contact Member Services.

Specialty Pharmacies

Some drugs that require special handling and dispensing (e.g., high-cost “specialty” medications that are usually self-injected and used to treat complex or rare conditions) can only be obtained at certain specialty pharmacies listed below.

Transplant Network Pharmacies Outside the Washington Area

We have network pharmacies outside of the service area where you can get your Medicare-covered transplant drugs and certain Part D medications as a member of our plan.
