# Section 1 — Introduction

This directory provides a list of Kaiser Permanente’s network providers.

## Your Primary Care Provider

You may choose one of our network providers listed in this directory to be your **Primary Care Provider (PCP)**. The term “PCP” will be used throughout this directory. Generally, you must get your health care services from your PCP.

Your PCP meets state standards and is trained to give you primary medical care. He or she will usually practice general medicine, also called internal medicine or family practice. Women may also choose specialists in obstetrics-gynecology whom the Medical Group designates as Primary Care Providers. At some facilities, you also have the option of choosing a nurse practitioner (NP) or physician assistant (PA) to be your PCP.

Your PCP will give you most of your care. If you need a specialist, your PCP will help you choose a doctor in that field and work with him or her as part of your health care team.

You can choose your PCP from any of our available primary care doctors, nurse practitioners, or physician assistants. Once you make your choice, it is effective right away. If you wish, you can change your PCP for any reason.

## Choosing or changing your doctor

We believe that an important part of your total health is building a personal relationship with your primary care doctor, physician assistant, or nurse practitioner. He or she is your supporter for your health needs and goals, helping you with everything from preventive care exams and advice for healthier living to treating you when you’re sick.

Whether you’re new to Kaiser Permanente or a longtime member looking for a change, choosing a personal doctor to coordinate your care is easy. You can learn about each doctor’s certifications, specialties, languages spoken, interests, and more on **kp.org/finddoctors** to help you find the right fit for you.

If you want to make a switch, you can change your doctor at any time and for any reason.

## Care for your unique needs

You can choose your personal doctor from one of the departments listed next.

- **Adult or Internal Medicine** (Internists)
- **Family Medicine** (Family practitioners)
- **Obstetrics-Gynecology** (Ob-Gyn)

## Nurse practitioners

At some facilities, you also have the option of choosing a nurse practitioner.

Nurse practitioners are registered nurses who have advanced education and training. They can diagnose and treat a wide variety of medical conditions, write prescriptions, order and interpret lab and medical imaging tests, and educate and give advice to members and their families. They practice with a doctor’s supervision and support according to carefully controlled procedures.

## How to choose or change your doctor

### Online

Go to [kp.org/finddoctors](http://kp.org/finddoctors). Find information on the available physicians and choose the one who's right for you.

### Phone

Call the Member Outreach or physician selection service number at the facility where you plan to get most of your care.

## Getting Covered Care under your Medicare Coverage

You must use network providers except in emergency or urgent care situations or for out-of-area renal dialysis. If you obtain routine care from out-of-network providers, neither Medicare nor Kaiser Permanente will be responsible for the costs.

The network providers listed in this directory have agreed to provide you with your health care and vision services. You may go to any of our network providers listed in this directory; however, some services may require a referral.

Your PCP will refer you to a Plan specialist when he or she believes that you require specialty care. Some specialists, such as specialists in surgery, orthopedics, cardiology, oncology, dermatology, and physical, occupational, and speech therapies require a referral. However, you do not need a referral to get specialty care from network providers in Ob-Gyn, optometry, psychiatry, and chemical dependency.

## Members with Medicare Explorer

Members with the Medicare Explorer Benefit (please check your Evidence of Coverage or call **1-800-476-2167** (TTY **711**) to see if you have the Medicare Explorer Benefit): You have an annual allowance for limited routine medical services and continued care from out-of-network/non-contracted providers outside any Kaiser Permanente service area.

For the best experience, see any provider that accepts Medicare. You do not need a referral or a pre-authorization for covered services. To find a provider that accepts Medicare, visit [medicare.gov](http://medicare.gov). Coverage is limited to within the United States and its territories.

Out-of-network/non-contracted providers are not required to treat Kaiser Permanente members, except in emergency situations. Please call our customer service number or see your Evidence of Coverage for more information, including the cost sharing that applies to out-of-network services.

## Bills from out-of-network providers

If you receive a bill from an out-of-network provider, you should not pay the bill. Send it to our Claims Department and they will let you know how much you have to pay.

Claims Department  
P.O. Box 373150  
Denver, CO 80237-3150

## Emergency and urgent care

If you have an emergency medical condition, call **911** or go to the nearest hospital. When you have an emergency medical condition, we cover emergency care anywhere in the world.

For ease and continuity of care, we encourage you to go to a Plan hospital Emergency Department if you are inside our

service area, but only if it is reasonable to do so, considering your condition or symptoms.

If you have an emergency, we will talk with the doctors who are giving you emergency care to help manage and follow up on your care. The doctors who are giving you emergency care will decide when your condition is stable and the medical emergency is over.

After the emergency is over, you are entitled to follow-up care to be sure your condition continues to be stable. Your follow-up care will be covered by our Plan. If your emergency care is provided by out-of-network providers, we will try to arrange for network providers to take over your care as soon as your medical condition and the circumstances allow. It is very important that your out-of-network provider call us to get authorization for post-stabilization care before you receive the care from the out-of-network provider. You will only be held financially liable if you are notified by the out-of-network provider or us about your potential liability.

You must use network providers except in emergency or urgent care situations, or for out-of-area renal dialysis or other services we authorize in advance. If you obtain routine care from out-of-network providers neither Medicare nor Kaiser Permanente will be responsible for the costs.

Non-urgent/emergent care appointments (medical attention required)	7 business days

## Physical disabilities accommodations

It is Kaiser Permanente's policy to make our facilities, services, and programs accessible to individuals with disabilities, in compliance with federal and state laws that prohibit discrimination based on disability. If you have a specific question, call Member Service at **1-800-476-2167** (TTY 711), seven days a week, 8 a.m. to 8 p.m.

## Interpreter services at no cost to you

If you need interpreter services when you call us or when you get covered services, please let us know. Interpreter services, including sign language, are available during all business hours at no cost to you.

Most of our facilities have staff who speak more than one language and are specially trained to interpret and explain medical terms and procedures. Many of our practitioners also speak more than one language. If you visit one of our facilities and no one speaks your language, we have interpreters for more than 150 languages available by phone. If you need a sign language interpreter, an interpreter is available either by video or in person.

All Kaiser Permanente providers at our Colorado facilities are required to complete cultural competency training. Kaiser Permanente works together with participating providers to ensure all cultural competence obligations are met. We are dedicated to ensuring that services are provided in a culturally competent manner to all members, including those with limited English proficiency and reading skills; as well as those with diverse cultural and ethnic backgrounds.

We highly discourage the use of minors or family members as interpreters. For more information on the interpreter services we offer, please call Member Services at

**1-800-476-2167 (TTY 711)**, seven days a week, 8 a.m. to 8 p.m.
