Section 1 — Introduction

This directory provides a list of DeltaCare USA's Medicare network providers.

DeltaCare USA Medicare Plan

Kaiser Permanente has an agreement with Delta Dental of California to offer you the DeltaCare USA Medicare Plan. DeltaCare USA offers a wide range of dental care through a network of dentists who contract with Delta Dental of California.

How to get started

You can begin using your dental benefits on your effective date. You will get a welcome letter with a new ID card from Delta Dental. Please note that you don't need to take your ID card with you to get services. To make an appointment, simply call your preselected dentist or a dentist in the DeltaCare USA Medicare network and let them know you're a DeltaCare USA Medicare enrollee. If you didn't choose a dentist or get assigned to one, you may seek care from any DeltaCare USA Medicare provider. Once this provider submits a claim on your behalf, they'll automatically become your assigned provider.

How to change your dentist

If you want to change dentists, choose one from this directory. You can also find a list of DeltaCare USA Medicare dentists at <https://www.kp.org/dental/ca/medicare>. You can change dentists online at anytime or you can call Delta Dental Customer Service at **1-877-644-1774**, Monday through Friday, 8 a.m. to 8 p.m. (TTY **711**). If we get your request to switch dentists on or before the 15th of the month, the change will be effective immediately. If we get your request after the 15th, the change will happen on the first day of the following month. (For example, if we get your request on April 22, you'll be able to see your new dentist on May 1).

How to make sure you're covered

If you want your dental care to be covered, you must get your dental care from your DeltaCare USA Medicare dentist. You may be covered for care with another dentist if you have an emergency or if your DeltaCare USA Medicare dentist refers you to an in-network specialist. Delta Dental must approve any referral before you get care. When Delta Dental approves your referral, you'll get written approval for covered dental services from a specialist.

How to get a second opinion

You may ask for a second opinion if you don't agree with or question your selected dentist's diagnosis or treatment plan. To request a second opinion, please call Delta Dental Customer Service at **1-877-644-1774**, Monday through Friday, 8 a.m. to 8 p.m. (TTY **711**).

Also, Delta Dental may ask you to get a second opinion to confirm that your dentist's treatment or your use of benefits is necessary and appropriate.

Network providers

The network providers listed in this directory have agreed to provide you with your dental services. You may select any of our network providers listed in this directory. The network providers listed in this directory are part of the network; however, you must receive services from the dentist that was assigned to you. In some cases, you may get covered services from non-network providers, such as covered emergency care and authorized referrals. However, you must contact Delta Dental to receive authorization.

How to get emergency dental care

If you need emergency dental care, call your DeltaCare USA Medicare dentist or Delta Dental Customer Service at **1-877-644-1774**, Monday through Friday, 8 a.m. to 8 p.m. (TTY **711**).

Covered emergency care is limited to care needed to stabilize your condition and relieve your pain. If you get emergency dental care from a dentist who isn't your assigned DeltaCare USA Medicare dentist, you're limited to \$100 per emergency less, your cost sharing.

If you get emergency dental care from a dentist who isn't a DeltaCare USA dentist, you're responsible for the full cost of the dental care unless the following is true:

- You have made a reasonable attempt to contact your DeltaCare USA Medicare dentist and you can't be seen within 24 hours or you don't think you can travel to your DeltaCare USA Medicare dentist because of your condition.
- You call Delta Dental Customer Service before you get emergency dental care, or your condition is so severe that you need to get care without calling Customer Service.

You must use your assigned DeltaCare USA network provider except in the case of an emergency or urgent care situations. If you obtain routine care from out-of-network providers, neither Medicare nor Delta Dental will be responsible for the costs.
