Introduction

The Pharmacy Directory section provides a list of our plan's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the **Evidence of Coverage** and Kaiser Permanente's formulary.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to plan enrollees. In most cases, your prescriptions are covered under our plan only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your **Evidence of Coverage**.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of 10/01/2026. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can get prescription drugs shipped to your home through our network mail order delivery program. For more information, please contact us or see the mail order section of this pharmacy directory.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.

kp.org/refill

You can get prescription drugs shipped to your home through our network mail order delivery program. Not all drugs can be mailed; restrictions and limitations apply.

For refills of your mail order prescriptions, you have the option to sign up for an automatic refill program. Under this program, we will start to process your next refill automatically when our records show that you should be close to running out of your drug. We will contact you prior to shipping each refill to make sure you are in need of more medication. You can cancel scheduled refills if you have enough of your medication or if your medication has changed. If you choose not to use the auto refill program, please contact us **5 days** before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time. To opt out of the automatic refill program, please contact us by phone at 1-888-831-0725 TTY: 711, visit **kp.org/seniorrx**, or use the mobile app. To learn more about mail-order pharmacies, refer to **Chapter 5** of the Evidence of Coverage.

Typically, you should expect to receive your prescription drugs within 3 to 5 days from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact us at **1-800-232-4404** /TTY **711** or the number listed on the prescription label for assistance.

If you cannot wait for your prescription to arrive from our mail-order pharmacy, you may get an urgent supply by calling a Kaiser Permanente or affiliated network pharmacy listed in this Pharmacy Directory or at <**kp.org/directory**>.
