WELCOME

to Kaiser Permanente

Our approach to health care is simple:
We combine care and coverage together. We believe it's
a better approach, and we think that you will, too.

We're not just a health care provider—we're your partner in health. We provide both the care you receive in the doctor's office and your health care coverage. This connects your physician, pharmacy, and medical center to your health plan, enabling us to deliver care that's as unique as you are.

This directory will help you choose the personal primary care doctor who'll work with you to provide the right care to suit your needs.

Care and coverage together give you:

- Your choice of a personal physician who knows you and your medical needs
- Access to medical advice anytime, day or night
- The ability to connect online to your care team anytime, from anywhere, with your mobile device or laptop
- Most pharmacy refills by mail
- Diagnosis and treatment in medical centers
- Urgent Care centers, many available 24/7
- And so much more*

It's all in this directory: Our primary care doctors, specialists, service locations, and more.

We're dedicated to making our health plans easy to understand, so it's simple and convenient to get quality health care that fits your life.

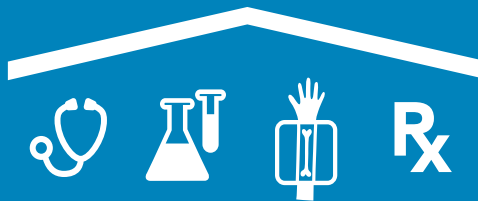

*Available when you receive care from a Permanente physician, at a Kaiser Permanente facility, or when you communicate with us online at [kp.org](https://www.kp.org).

OUR ADVANCED ELECTRONIC MEDICAL RECORD SYSTEM*

Your personal physician, pharmacist, and specialists stay connected through this online data-sharing system so they can work together to make the best decisions for you.

HASSLE-FREE CARE UNDER ONE ROOF*

You can visit your doctor, get lab work or an X-ray, and pick up medicine all in one place, making health care more affordable and convenient.

Find the personal doctor (also called a primary care physician or PCP) that's right for you. You can read about individual physicians with information on specialties, education, languages spoken, locations, and more.

Women over 18 should also choose a personal obstetrician/gynecologist in addition to their PCP. The ob/gyn cares for women's specific needs while communicating with the PCP, providing consistent, personalized care.

Tell us your choice online or by phone

Visit kp.org/doctor, or call Member Services at **800-777-7902** (TTY **711**), Monday through Friday, 7:30 a.m. to 9 p.m. (except holidays).

Using this directory

This directory is a list of Mid-Atlantic Permanente Medical Group, P.C. (identified in this directory as Permanente) physicians and other physicians affiliated with Kaiser Permanente and accurate as of August 3, 2023. It is updated annually.

The continuous availability of physicians, medical centers, hospitals, and other providers cannot be guaranteed. To receive updated information about our physicians, please refer to kp.org/doctor or call Member Services at **800-777-7902 (TTY 711)**. You may also contact providers and Member Services by signing into your My Health account at kp.org. It is important to know when you enroll in this plan that services are provided through the plan's delivery system, as described in your Evidence of Coverage and Membership Agreement, or, if you are a federal employee, federal brochure RI 73-047.

Upon enrolling in Kaiser Permanente Signature, Kaiser Permanente for Individuals and Families, or Kaiser Permanente Child Only, you must select a primary care physician from the physicians listed in this directory, from those listed on our website, or by contacting Member Services. The Choose Your Doctor section at kp.org/doctor has the most up-to-date listing of physicians with open panels. It is easy to select your personal physician there.

If you are a woman 18 years or older, please select an ob/gyn in addition to your primary care physician.

Federal members: It is important to know when you enroll in this plan that the services are provided through the Kaiser Permanente delivery system, as described in the Kaiser Permanente federal brochure, but the continued participation of any one doctor, hospital, or other provider cannot be guaranteed.

All Kaiser Permanente health plan members have access to all medical staff and locations based on their health plan coverage. In our Marketplace plans purchased through state and federal exchanges, we do not limit the selection of physicians, hospitals, and other providers based on quality, member experience, or cost measures.

Note: Not all services are available at each medical center or site. Kaiser Permanente reserves the right to relocate services and providers.

If you are a Signature member: For details about your benefits, please refer to your current *Evidence of Coverage (EOC)*, *Non-Group Membership Agreement*, or federal brochure *RI 73-047*. If you are a Kaiser Permanente for Individuals and Families member or a Child Only member: For specific benefit information, please refer to your current *Membership Agreement*.

The continued availability and location of physicians or services of any medical centers cannot be guaranteed. Addresses, telephone numbers, and hours of operation are subject to change. Not all services are available at each medical center or site. Kaiser Permanente reserves the right to relocate services.

To contact Member Services, go to kp.org or call toll free at **800-777-7902 (TTY 711)**.

YOU, YOUR DOCTORS, AND KAISER PERMANENTE

Choose with confidence: Your physicians are part of the Mid-Atlantic Permanente Medical Group, P.C.*

Over 1,700 physicians in the multispecialty Mid-Atlantic Permanente Medical Group, P.C., treat Kaiser Permanente members. They practice in Kaiser Permanente medical centers across Maryland, Virginia, and Washington, DC. They promote disease prevention, evidence-based medicine, and open communication—and they are each dedicated to helping you be as healthy as you can be.

1 It starts with your personal physician

Your Permanente primary care physician (PCP) partners with you to help you live the healthiest life possible. He or she coordinates your care, orders needed tests, and consults with specialists, pharmacists, and others as needed. When you have a PCP, you have a physician who knows you, understands your health goals and preferences, and advocates for you. If you're a woman age 18 or older, you also have a personal ob/gyn who coordinates your special health care needs.

2 Continuing your care with specialists

Should you ever need a specialist (for example, a cardiologist, neurologist, podiatrist, or dermatologist), we have doctors who are able to address health care needs across more than 50 medical and surgical specialties, including behavioral health and high-risk prenatal care. Our specialists are experts in their fields who work together to diagnose and help you decide on the best treatment, whether you have a broken bone or a chronic condition.

How to request a referral

For members who have a Commercial HMO plan in Maryland

Note: *This notice applies only to contracts sold to businesses and individuals based in Maryland. For members enrolled in multi-tiered plans, the information herein applies only to the HMO tier of your plan. If your coverage is based in the District of Columbia or Virginia, please check your contract to learn about the process for requesting referrals to specialists. If you have questions regarding the process, contact Member Services at the telephone number on your member ID card.*

To request a referral, please contact your primary care plan physician. The types of referrals are listed below with additional information on how the process will work.

Referrals to specialists

If your primary care plan physician decides that you need medically necessary and appropriate covered services from a specialist, then we will refer you to a Kaiser Permanente plan physician or other plan provider for that service. All referrals must be approved before you receive services. Referrals are reviewed and approved by the Utilization Management team, which includes referral nurses, physical therapists, physicians, and support staff who use nationally recognized guidelines to approve or deny your referral.

Referrals to non-plan providers

Your primary care physician or attending specialist may refer you to a non-plan provider. We will approve services from non-plan providers only if we do not have a plan provider with the professional training and expertise to treat or provide health care services for your condition or disease or if we cannot provide reasonable access to a plan provider with the professional training and expertise to treat or provide health care services for your condition or disease without unreasonable delay or travel. You must have an approved referral to the non-plan provider for us to cover the services and/or supplies. If we approve the referral to the non-plan provider, you pay only what you would have paid if a plan provider provided the services/supplies.

Standing referrals for pregnant members

If you are pregnant, you will receive a standing referral to an obstetrician. The obstetrician will be responsible

for the management of your pregnancy, including the issuance of referrals, through the postpartum period. A written treatment plan may not be required when a standing referral is to an obstetrician.

Standing referrals to specialists

If you suffer from a life-threatening, degenerative, chronic or disabling disease or condition that requires specialized medical care, your primary care provider may decide, with you and a specialist, that you need continuing care from that specialist and issue a standing referral to the specialist. The standing referral will be based on a written treatment plan consisting of covered services.

Additional services not covered

Any additional services not specifically listed in your specialist's treatment plan and/or that are provided by a professional not named in the referral are not approved and will not be covered.

If a non-plan provider for whom you have received an approved referral recommends additional services that were not included in the approved referral, contact your primary care physician. Your primary care physician will work with Health Plan to determine whether those services can be provided by a plan provider.

Referral decision timeframes

Referral decisions will be made within the following timeframes:

Urgent requests - Decisions will be made and communicated to the requesting provider within 24 hours of the request. If the referral is not approved a letter will be sent to you within 24 hours of the decision.

Non-urgent requests - Decisions will be made within two (2) working days after we receive of all needed information. The decision will be communicated to the requesting provider within one (1) working day. If the referral is not approved, a letter will be sent to you within five (5) working days of the decision.

If your referral is approved

If your referral is approved, we will give you instructions to make your appointment(s).

Hospital care

kp.org/premierhospitals

Kaiser Permanente carefully selects premier hospitals* to team with us in taking great care of you.

For regular care, your doctor works closely with specialists, pharmacists, lab technicians, therapists, and many other professionals—all of whom are up to the minute on your health—for a better care experience.

We've chosen award-winning hospitals to team with in coordinating your care when you need inpatient or outpatient hospital care. These hospitals, located throughout Maryland, Virginia, and Washington, DC, are our premier hospitals.

If you are admitted to a hospital that is not one of our premier hospitals

Once your condition has stabilized, we may move you to one of our premier hospital locations where our Kaiser Permanente physicians are on duty. By doing so, we can provide you seamless and coordinated care, both during your hospitalization and in your transition out of the hospital.

Skilled nursing facilities

If you require skilled nursing care, you will be directed to a premier skilled nursing facility (SNF), unless a premier SNF cannot provide the level of medical care you need. In the event you need a level of care that is not available at a premier SNF, we will arrange care at one of our participating SNFs to ensure you are admitted to a premier hospital should the need arise. More information is available online at kpskillednursingfacility.com.*

Premier* skilled nursing facilities are those facilities that have entered into a contractual agreement with the health plan and have Kaiser Permanente physicians and health plan staff available and actively involved in all patient care plans.

Participating skilled nursing facilities* are those facilities that have entered into a contractual agreement with the health plan and where members may be referred when necessary and appropriate.

Our case managers will work with Kaiser Permanente physicians to ensure you are admitted to a premier or participating facility with the appropriate level of care to meet your specific medical needs.

LE DAMOS LA BIENVENIDA

a Kaiser Permanente

Nuestro enfoque para la atención médica es sencillo:

Combinamos el cuidado y la cobertura.

Estamos convencidos de que este modelo funciona y esperamos que usted lo compruebe.

No solo somos un proveedor de atención médica, también somos su aliado en el cuidado de la salud. Le proporcionamos tanto la atención que recibe en el consultorio médico como su cobertura de atención médica. Esto vincula a su médico, farmacia y centro médico con su plan de salud, lo que nos permite darle una atención tan única como usted.

Este directorio le ayudará a elegir su médico de atención primaria personal que colaborará con usted para brindarle la atención adecuada que se adapte a sus necesidades.

La atención y la cobertura juntas le ofrecen lo siguiente:

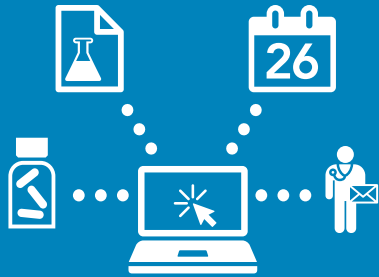

- poder elegir un médico personal que conozca quién es usted y entienda sus necesidades médicas
- acceso a consejos médicos a cualquier hora, día y noche
- poder conectarse en línea con su equipo de atención en cualquier momento y desde cualquier lugar, desde su dispositivo móvil o computadora portátil
- la mayoría de los resurtidos de farmacia por correo
- diagnóstico y tratamiento en centros médicos
- centros de atención de urgencia, muchos de ellos disponibles las 24 horas del día, los 7 días de la semana
- y mucho más*

Todo se encuentra en este directorio: nuestros médicos de atención primaria, especialistas, ubicaciones de los servicios y más.

Estamos dedicados a hacer que nuestros planes de salud sean fáciles de entender, de manera que le resulte sencillo y práctico recibir atención médica de calidad que se adapte a su vida.

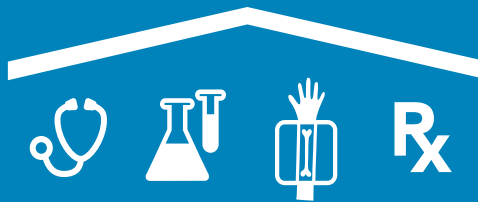

*Disponible cuando recibe atención de un médico del grupo Permanente en un centro de atención de Kaiser Permanente o cuando se comunica con nosotros en línea en kp.org/espanol.

NUESTRO SISTEMA DE HISTORIA CLÍNICA ELECTRÓNICA AVANZADO*

Su médico personal, farmacéutico y especialistas se mantienen en contacto por medio de este sistema de intercambio de datos en línea que les permite colaborar a fin de tomar las mejores decisiones para usted.

ATENCIÓN SIN COMPLICACIONES EN UN MISMO LUGAR*

Puede visitar a su médico, obtener pruebas de laboratorio o radiografías y recoger sus medicinas en un solo lugar; esto hace que la atención médica sea más económica y cómoda.

Para comenzar a tener una vida más sana, obtenga más información acerca de nuestros médicos y elija un médico personal

Vaya a la página 101 o visite kp.org/doctor (en inglés)

Encuentre un médico personal (también llamado médico de atención primaria [primary care physician, PCP]) adecuado para usted. Puede leer sobre un médico en específico para obtener información sobre sus especialidades, educación, idiomas que habla, dónde atiende y más.

Las mujeres mayores de 18 años también deben elegir un especialista en obstetricia y ginecología, además de su PCP. El ginecobstetra atiende las necesidades específicas de la mujer y se comunica con el PCP para proporcionar atención constante y personalizada.

Díganos en línea o por teléfono a quién eligió

Visite kp.org/doctor (en inglés) o llame a Servicio a los Miembros al **800-777-7902** (TTY **711**), de lunes a viernes de 7:30 a. m. a 9 p. m. (excepto en días festivos).

Cómo usar este directorio

Este directorio es una lista de los médicos de Mid-Atlantic Permanente Medical Group, P.C. (que en este directorio se identifica como Permanente) y otros médicos afiliados a Kaiser Permanente y es precisa al 3 de agosto de 2023. Este directorio se actualiza anualmente.

No se puede garantizar la disponibilidad continua de médicos, centros médicos, hospitales ni otros proveedores. Para recibir información actualizada sobre nuestros médicos, visite kp.org/doctor (en inglés) o llame a Servicio a los Miembros al **800-777-7902** (TTY **711**). También puede comunicarse con los proveedores y Servicio a los Miembros iniciando sesión en su cuenta My Health en kp.org/espanol. Es importante que sepa que, cuando se inscribe en este plan, los servicios se proveen a través del sistema de prestaciones del plan, tal como se describe en su Evidencia de Cobertura (Evidence of Coverage) y Acuerdo de Membresía (Membership Agreement), o, si tiene un empleo federal, en el folleto federal RI 73-047.

Al inscribirse en Kaiser Permanente Signature, Kaiser Permanente for Individuals and Families o Kaiser Permanente Child Only, deberá elegir a un médico de atención primaria entre los médicos incluidos en este directorio, los que aparecen en nuestro sitio web o los que le indiquen cuando se comuniquen con Servicio a los Miembros. La sección Find a Doctor (Elija un Médico) en kp.org/doctor

(en inglés) tiene el listado más actualizado de los médicos con disponibilidad. Es fácil elegir un médico personal ahí.

Si es una mujer mayor de 18 años, además de su médico de atención primaria, deberá elegir un ginecobstetra.

Miembros federales: cuando se inscriba en este plan, es importante que sepa que los servicios se ofrecen a través del sistema de prestaciones de Kaiser Permanente, como se describe en el folleto federal de Kaiser Permanente, pero no se puede garantizar la continua participación de ningún médico, hospital ni otro proveedor.

Todos los miembros del plan de salud de Kaiser Permanente tienen acceso a todo el personal médico y las ubicaciones, con base en la cobertura de su plan de salud. En nuestros planes del Mercado de Seguros Médicos adquiridos a través de nuestros intercambios estatales y federales, no se limita la selección de los médicos, los hospitales ni los demás proveedores en función de la calidad, la experiencia del miembro ni los costos.

Nota: No todos los servicios están disponibles en todos los sitios o centros médicos. Kaiser Permanente se reserva el derecho a cambiar el lugar donde se prestan sus servicios y los proveedores.

Si es un miembro de Signature: para obtener información sobre sus beneficios, consulte su Evidencia de Cobertura (Evidence of Coverage, EOC), Acuerdo de Membresía para Servicios Proporcionados por Proveedores Fuera del Grupo (Non-Group Membership Agreement) o el folleto federal RI 73-047 actuales. Si es miembro de Kaiser Permanente for Individuals and Families o miembro del plan Child Only: para obtener información sobre beneficios específicos, consulte su Acuerdo de Membresía actual.

No se puede garantizar la continuación de la disponibilidad ni la ubicación de los médicos o los servicios de ninguno de los centros médicos. Las direcciones, los números de teléfono y los horarios de atención están sujetos a cambios. No todos los servicios están disponibles en todos los sitios o centros médicos. Kaiser Permanente se reserva el derecho a cambiar el lugar en donde se prestan los servicios.

Para comunicarse con Servicio a los Miembros, visite kp.org/espanol o llame sin costo al **800-777-7902** (TTY **711**).

Elija con confianza: Sus médicos forman parte de Mid-Atlantic Permanente Medical Group, P.C.*

Más de 1,700 médicos conforman el grupo multidisciplinario Mid-Atlantic Permanente Medical Group, P.C. y brindan tratamiento a los miembros de Kaiser Permanente. Estos médicos ejercen en los centros médicos de Kaiser Permanente en Maryland, Virginia y Washington, DC. Promueven la prevención de enfermedades, la medicina basada en evidencias y la comunicación abierta, además de que cada uno de ellos está dedicado a ayudarle a tener la mejor salud posible.

1 Todo comienza con su médico personal

Su médico de atención primaria (PCP) del grupo Permanente colabora con usted para ayudarle a llevar una vida lo más saludable posible. También, coordina su atención, solicita las pruebas que necesite y consulta con especialistas, farmacéuticos y otros profesionales, según sea necesario. Cuando tiene un PCP, cuenta con un médico que sabe quién es usted, entiende sus objetivos de salud y preferencias y defiende sus derechos. Si es una mujer mayor de 18 años, también tendrá un ginecobstetra que coordinará sus necesidades especiales de atención médica.

2 Continuidad de su atención con especialistas

En caso de que necesite un especialista (por ejemplo, un cardiólogo, neurólogo, podólogo o dermatólogo), contamos con médicos que pueden atender sus necesidades de atención médica en más de 50 especialidades médicas y quirúrgicas, incluida la salud mental y la atención prenatal de alto riesgo. Nuestros especialistas son expertos en sus áreas y trabajan juntos para brindarle un diagnóstico y ayudarle a decidir cuál es el mejor tratamiento, ya sea para una fractura o una condición crónica.

Cómo solicitar una referencia

Para los miembros que tienen un plan Commercial HMO en Maryland

Nota: Este aviso se aplica únicamente a los contratos vendidos a las empresas y a los individuos residentes en Maryland. Para miembros inscritos en planes de múltiples niveles, la información aquí contenida se aplica solo al nivel de Organización para el Mantenimiento de la Salud (Health Maintenance Organization, HMO) de su plan. Si su cobertura se encuentra en el Distrito de Columbia o Virginia, consulte su contrato para conocer el proceso de solicitud de referencia a especialistas. Si tiene preguntas respecto al proceso, comuníquese con Servicio a los Miembros al número de teléfono que se encuentra en su tarjeta de identificación de miembro.

Comuníquese con su médico de atención primaria del plan para solicitar una referencia. A continuación, se mencionan los tipos de referencia con información adicional sobre cómo funcionará el proceso.

Referencias a especialistas

Si su médico de atención primaria del plan decide que usted necesita servicios cubiertos necesarios desde el punto de vista médico y apropiados de un especialista, le referiremos a un médico del plan de Kaiser Permanente o a otro proveedor del plan para que reciba ese servicio. Se deben aprobar todas las referencias antes de recibir los servicios. Las referencias son revisadas y aprobadas por el equipo de Supervisión de Utilización de Servicios, que incluye a personal de enfermería, fisioterapeutas, médicos y personal de apoyo que utilizan pautas reconocidas a nivel nacional para aprobar o rechazar su referencia.

Referencias a proveedores que no pertenecen al plan

Su médico de atención primaria o especialista tratante pueden darle una referencia para ver a un proveedor fuera del plan. Aprobaremos los servicios de proveedores fuera del plan solo si no tenemos un proveedor del plan con la capacitación profesional y la experiencia para tratar o proporcionar servicios de atención para la salud para su afección o enfermedad, o si no podemos proporcionar un acceso razonable a un proveedor del plan con la capacitación profesional y la experiencia para tratar o proporcionar servicios de atención para la salud para su afección o enfermedad sin demoras o viajes innecesarios. Para que podamos cubrir los servicios o suministros, debe tener una referencia aprobada para el proveedor fuera del plan. Si aprobamos la referencia al proveedor fuera del plan, usted solo paga lo que habría pagado si un proveedor del plan proporcionara los servicios o suministros.

Referencias permanentes para pacientes embarazadas que sean miembros

Si está embarazada, recibirá una referencia permanente a un obstetra. El obstetra se encargará del manejo de su embarazo, incluida la emisión de referencias, hasta el periodo posparto. Es posible que no se requiera un plan de tratamiento por escrito cuando la referencia permanente es a un obstetra.

Referencias permanentes a especialistas

Si tiene una enfermedad o condición degenerativa, crónica o incapacitante que pone en riesgo su vida y requiere atención médica especializada, su proveedor de atención médica primaria puede determinar, junto con usted y un especialista, si necesita atención continua de ese especialista y emitir una referencia permanente al especialista. La referencia permanente se basará en un plan de tratamiento escrito que consiste en servicios cubiertos.

Servicios adicionales sin cobertura

No sea aprobado ni se cubrirá ningún servicio adicional que no se mencione específicamente en el plan de tratamiento del especialista o que sea brindado por un profesional no mencionado en la referencia.

Si un proveedor fuera del plan para el cual ha recibido una referencia aprobada recomienda servicios adicionales que no estaban incluidos en la referencia aprobada, notifique a su médico de atención primaria. Su médico de atención primaria trabajará con el plan de salud para determinar si su proveedor del plan puede proporcionar esos servicios.

Plazos de decisión de referencias

Las decisiones de referencia se tomarán durante los siguientes plazos:

Solicitudes urgentes: Las decisiones se tomarán y se comunicarán al proveedor solicitante durante las 24 horas siguientes a la solicitud. Si no se aprueba la referencia, se le enviará una carta en un plazo de 24 horas después de haber tomado la decisión.

Atención hospitalaria

kp.org/premierhospitals (en inglés)

Kaiser Permanente selecciona cuidadosamente los hospitales premier* para que trabajen con nosotros y podamos ofrecerle una gran atención.

En la atención normal, su médico colabora de cerca con especialistas, farmacéuticos, técnicos de laboratorio, terapeutas y muchos otros profesionales, todos ellos al tanto de su salud para brindarle una mejor experiencia de atención.

Hemos elegido hospitales galardonados para trabajar con ellos en la coordinación de su atención cuando necesite atención hospitalaria o ambulatoria. Estos hospitales, ubicados a lo largo y ancho de Maryland, Virginia y Washington, D.C., son nuestros hospitales premier.

Si ingresa en un hospital que no es uno de nuestros hospitales premier

Una vez que esté estable, podremos trasladarle a uno de nuestros hospitales premier, donde los médicos de Kaiser Permanente están de guardia. Mediante este traslado, podremos ofrecerle una atención continua y coordinada, tanto durante su hospitalización como en su transición al recibir el alta hospitalaria.

Centros de enfermería especializada

Si necesita atención de enfermería especializada, se le enviará a un centro de enfermería especializada (skilled nursing facility, SNF) premier, a menos que este no ofrezca el nivel de atención médica que necesita. En caso de que necesite un nivel de atención que no esté disponible en un SNF premier, coordinaremos la atención en uno de nuestros SNF participantes para asegurarnos de que ingrese en un hospital premier si fuera necesario. Encontrará más información disponible en línea en kpskillednursingfacility.com (en inglés).*

Los centros de enfermería especializada premier* son centros de atención que tienen un acuerdo contractual con el plan de salud y cuentan con personal del plan de salud y médicos de Kaiser Permanente, los cuales están disponibles y participan activamente en todos los planes de atención al paciente.

Los centros de enfermería especializada participantes* son centros de atención que tienen un acuerdo contractual con el plan de salud, a los que pueden ser remitidos los miembros cuando sea necesario y apropiado.

Nuestros administradores de casos colaborarán con los médicos de Kaiser Permanente para garantizar que usted ingrese en un centro de atención premier o participante que preste el nivel de atención adecuado para sus necesidades médicas específicas.

Kaiser Permanente

- Primary care physicians

- Obstetricians/gynecologists

Para ver la versión en español, consulte la página siguiente.

Step one: For everyone

Choose a primary care physician (PCP) from the list in this section. You and your family members each need a PCP. You can choose one doctor for each family member or a single physician to treat your entire family. Primary care medical specialties are:

- Family practice
- Internal medicine
- Pediatrics

Step two: For women

If you are a woman, age 18 to 75, choose an obstetrician/gynecologist (Ob/Gyn) from the list in this section *in addition to* your PCP. It's important that you have an Ob/Gyn and a PCP. Please select one of each type of physician to care for you. To receive information on general and internal medicine, family practice, pediatric, Ob/Gyn, and behavioral health providers who are accepting new patients, as applicable, please go online at **kp.org** or call member services at **301-468-6000** or toll free at **1-800-777-7902** (TTY **711**).

Referrals to specialists

If your primary care physician decides that you require services from other providers, and those services are covered services, you will usually be referred to a Permanente physician. Should you require services not available within MAPMG or for which there are no MAPMG providers available under applicable standards, you may be referred to a network physician in the community for that service, or in rare instances, a non-contracted provider. Referrals for services from non-contracted providers will be authorized only if the services are not available from Permanente or network providers. You must have an authorized referral to a specialist for us to cover the services and/or supplies provided. If the referral is authorized, you will pay only the cost-share you would have paid had a Permanente provider provided the services and/or supplies.

It is important to know that when you enroll in this health plan the services are provided through the health plan's delivery system, as described in your current *Evidence of Coverage (EOC)*, *Non-Group Medical and Hospital Service Agreement*, federal brochure—*RI 73-047*, or *Membership agreement*. If you are a Kaiser Permanente for Individuals and Families member or a Kaiser Permanente Child Only member: For specific benefit information, please refer to your current Membership Agreement. The following is a list of Mid-Atlantic Permanente Medical Group, P.C., primary care physicians who practice at our medical centers and the affiliated physicians who are available to provide services to you as of the date of the publication. The continuous availability and current location of physicians, medical centers, hospitals, and other providers cannot be guaranteed. As a Kaiser Permanente Signature, Kaiser Permanente for Individuals and Families, or Kaiser Permanente Child Only member, you must receive all care through Kaiser Permanente physicians, except for emergency and out-of-area urgent care. This directory is updated annually. For the most up-to-date list of primary care physicians, go to our website, **kp.org**.

Kaiser Permanente

- Médicos de atención primaria

- Obstetras/ginecólogos

Paso uno: para todos

Elija a un médico de atención primaria (PCP, por sus siglas en inglés) de la lista que aparece en esta sección. Tanto usted como los miembros de la familia necesitan un PCP. Puede elegir un médico para cada miembro de la familia o un solo médico que atienda a toda la familia. Las especialidades médicas de atención primaria son las siguientes:

- Medicina de familia
- Medicina interna
- Pediatría

Paso dos: para las mujeres

Si es una mujer que tiene entre 18 y 75 años, elija a un obstetra o un ginecólogo (pueden estar indicados como "Ob" y "Gyn") de la lista que aparece en esta sección, además de un PCP. Es importante que tenga un obstetra o un ginecólogo y un PCP. Seleccione un médico de cada especialidad para que la atienda. Para obtener información sobre medicina general e interna, medicina de familia, atención pediátrica, atención obstétrica y ginecológica y proveedores de salud del comportamiento que estén aceptando nuevos pacientes, según corresponda, visite el sitio web en kp.org/espanol o llame a Servicio a los miembros al **301-468-6000** o a la línea telefónica gratuita al **1-800-777-7902** (TTY: **711**).

Remisiones a especialistas

Si su médico de atención primaria decide que necesita servicios de otros proveedores, y esos servicios son servicios cubiertos, normalmente lo remitirán a un médico de Permanente. Si necesita servicios que no están disponibles dentro de MAPMG o para los que no hay proveedores de MAPMG disponibles en virtud de los estándares aplicables, es posible que lo remitan a un médico de la red en la comunidad para ese servicio, o en casos raros, a un proveedor no contratado. Las remisiones a servicios de proveedores no contratados se autorizarán solo si los proveedores de Permanente o de la red no ofrecen esos servicios. Debe tener una remisión autorizada a un especialista para que cubramos los servicios y/o los suministros proporcionados. Si se autoriza la remisión, usted pagará solo el costo compartido que hubiera pagado si los servicios y/o suministros los hubiera proporcionado un proveedor de Permanente.

Es importante que sepa que cuando se inscribe en este plan de salud los servicios se proporcionan a través del sistema de prestación del plan de salud, según se describe en su Evidencia de Cobertura (EOC, por sus siglas en inglés), en el Acuerdo de servicios de atención médica y hospitalarios proporcionados por proveedores fuera del grupo, en el folleto federal RI 73-047 o en el Acuerdo de membresía. Si es un miembro de Kaiser Permanente para Individuos y Familias o de Kaiser Permanente Exclusivo para Niños: para obtener información específica sobre los beneficios, consulte su Acuerdo de Membresía actual. La siguiente es una lista de los médicos de atención primaria de Mid-Atlantic Permanente Medical Group, P.C. que trabajan en nuestros centros médicos y de los médicos afiliados que están disponibles para prestarle servicios a partir de la fecha de la publicación. No es posible garantizar la continua disponibilidad de médicos, centros médicos, hospitales y otros proveedores, ni su ubicación actual. Como miembro de Kaiser Permanente Signature, Kaiser Permanente para Individuos y Familias o Kaiser Permanente Exclusivo para Niños, toda la atención que reciba deberá ser proporcionada por los médicos de Kaiser Permanente, excepto en casos de emergencia o de atención de urgencia fuera del área. Este directorio se actualiza anualmente. Para obtener la lista más actualizada de médicos de atención primaria, visite nuestro sitio web en kp.org/espanol.

Kaiser Permanente Specialists *Especialistas de Kaiser Permanente*

When your primary care physician believes you may need specialty care, he or she will request authorization from us. If specialty care is necessary, we will authorize a referral to a particular specialist for an initial consultation and/or for a certain number of visits. If we authorize a referral, you may seek that care from the specialist to whom you were referred. Unless we have authorized additional visits without the need to obtain another referral you must return to your primary care physician after the consultation. You may see these medical group providers without first obtaining authorization: obstetrical and gynecologists, optometrists, or mental health and substance abuse. You may obtain mental health and substance abuse services from Medical Group mental health or substance abuse providers without a primary care referral by directly calling our Behavioral Health Access Unit at **1-866-530-8778** to arrange for services. If you are a Signature member: For more information about getting a referral, please refer to your current *Evidence of Coverage (EOC)*, Non-Group Medical and Hospital Service Agreement, or federal brochure—RI 73-047. If you are a Kaiser Permanente for Individuals and Families member or a Kaiser Permanente Child Only member: For specific benefit information, please refer to your current Membership Agreement.

*Quando su médico de atención primaria considere que usted podría necesitar la atención de un especialista, nos solicitará una autorización. Si es necesaria la atención de un especialista, autorizaremos una remisión a un especialista en particular para que realice una primera consulta o para que vaya a una determinada cantidad de visitas. Si autorizamos una remisión, podrá solicitar la atención del especialista a quien haya sido remitido. A menos que hayamos autorizado visitas adicionales sin la necesidad de solicitar otra remisión, deberá volver a ver a su médico de atención primaria después de la consulta. Podrá consultar con los proveedores de los siguientes grupos médicos sin solicitar primero una autorización: obstetras y ginecólogos, optometristas o profesionales especialistas en salud mental y en abuso de sustancias. Podrá obtener servicios de salud mental y de tratamiento de abuso de sustancias de los proveedores especialistas en salud mental y en abuso de sustancias del grupo médico, sin contar con la remisión de un médico de atención primaria, llamando directamente a nuestra Unidad de Acceso a Servicios de Salud del Comportamiento al **1-866-530-8778** para coordinar su prestación. Si es usted miembro de Signature: para obtener información sobre cómo obtener una remisión, consulte nuestra Evidencia de Cobertura (EOC) actual, nuestro Acuerdo de servicios de atención médica y hospitalarios proporcionados por proveedores fuera del grupo o el folleto federal RI 73-047.
