Dental Choice PPO members

Dental choice PPO plans have some requirements and restrictions that are different from our other dental plans. Please read your *Evidence of Coverage* to fully understand how your plan works. To report provider directory inaccuracies, please call Member Services at 1-800-813-2000 or go to kp.org/webmanager.

Community Referrals

Affiliated community dentists are not part of Permanente Dental Associates (PDA). They are dentists credentialed by PDA for Kaiser Foundation Health Plan of the Northwest, and they have a contract with PDA. If your PDA dentist decides that you require covered services not available internally from a PDA dentist, he or she may refer you to an affiliated community dentist. You must have a written, authorized referral from PDA in order to receive a covered service from an affiliated community dentist.

COVID-19 Update: To help ensure the safety of our members, staff, and community, we may need to temporarily close or limit in-person services at some of our medical and dental facilities. You can still get the care you need, including in-person emergency care, e-visits, phone or video visits, and more.

For the most up to date information please visit kp.org/coronavirus.

All plans offered and underwritten by Kaiser Foundation Health Plan of the Northwest.
500 NE Multnomah St., Suite 100, Portland, OR 97232.

For members enrolled through the Federal Employees Health Benefits (FEHB) program

It is important to know that when you enroll in this Plan, services are provided through the Plan's delivery system as described in the Plan's *Evidence of Coverage*, but the continued participation of any one doctor, hospital, or other provider cannot be guaranteed.
