Kaiser Permanente Medicare Advantage HMO

# 2024 Prior Authorization Requirements

#### **PLEASE READ:**

Kaiser Permanente requires you to get prior authorization for certain drugs. This means that you will need to get approval from Kaiser Permanente before you fill your prescriptions. If you don't get approval, Kaiser Permanente may not cover the drug. The medications in this document have requirements that must be met for coverage to be considered. Beneficiaries must use network pharmacies to access their prescription drug benefit.

Kaiser Permanente is an HMO plan with a Medicare contract. Enrollment in Kaiser Permanente depends on contract renewal.

NOTE: Part D does not cover some indications that are excluded from coverage or restricted under section 1927(d)(2) of the Act (e.g., infertility, cosmetic purpose, or erectile dysfunction)
