## Introduction

This document is called the *List of Covered Drugs* (also known as the *Drug List*). It tells you which prescription drugs are covered by your Kaiser Permanente Dual Complete Plan. The *Drug List* also tells you if there are any special rules or restrictions on any drugs covered under your health plan benefits. Key terms and their definitions appear in the last chapter of the *Member Handbook*.

When this *drug list* (formulary) refers to “we,” “us,” or “our,” it means Kaiser Permanente. When it refers to “plan” or “our plan,” it means Kaiser Permanente Dual Complete.

You must generally use network pharmacies to use your prescription drug benefit. The formulary and pharmacy network may change at any time. You will receive notice when necessary.

## B. Frequently Asked Questions (FAQ)

Find answers here to questions you have about this *List of Covered Drugs*. You can read all the FAQ to learn more or look for a question and answer.

### **B1. What prescription drugs are on the *List of Covered Drugs*? (We call the *List of Covered Drugs* the “*Drug List*” for short.)**

The drugs on the *List of Covered Drugs* that starts in section C are the drugs covered by the Kaiser Permanente Dual Complete. The drugs are available at pharmacies within our network. A pharmacy is in our network if we have an agreement with them to work with us and provide you services. We refer to these pharmacies as “network pharmacies.”

Other drugs, such as some over-the-counter (OTC) medications and certain vitamins, may be covered by Medi-Cal Rx. Please visit the Medi-Cal Rx website at <https://www.medi-calrx.dhcs.ca.gov/home/> for more information. You can also call the Medi-Cal Rx Customer Service

---

**If you have questions**, please call Member Services at 1-800-443-0815 (TTY 711), 7 days a week, 8 a.m. to 8 p.m. The call is free. **For more information**, visit [kp.org/medicare](http://kp.org/medicare).

Center at 1-800-977-2273 (TTY 711). Please bring your Medi-Cal Beneficiary Identification Card (BIC) when getting prescriptions through Medi-Cal Rx.

- We will cover all medically necessary drugs on the *Drug List* if:
  - your doctor or other prescriber says you need them to get better or stay healthy,
  - we agree that the drug is medically necessary for you, **and**
  - you fill the prescription at a Kaiser Permanente network pharmacy.
- In some cases, you have to do something before you can get a drug. Refer to question B4 for more information.

You can also find an up-to-date list of drugs that we cover on our website at [kp.org/seniorrx](https://kp.org/seniorrx) or call Member Services at 1-800-443-0815 (TTY 711), 8 a.m. to 8 p.m., 7 days a week.

## **B2. Does the *Drug List* ever change?**

Yes, and we must follow Medicare and Medi-Cal rules when making changes. We may add or remove drugs on the *Drug List* during the year.

We may also change our rules about drugs. For example, we could:

- Decide to require or not require prior authorization for a drug. (Prior authorization is permission from us before you can get a drug.)

For more information on these drug rules, refer to question B4.

If you are taking a drug that was covered at the **beginning** of the year, we will generally not remove or change coverage of that drug **during the rest of the year** unless:

- a new, cheaper drug comes on the market that works as well as a drug on the *Drug List* now, or
- we learn that a drug is not safe, or
- a drug is removed from the market.

Questions B3 and B6 below have more information on what happens when the *Drug List* changes.

- You can always check our up-to-date *Drug List* online at [kp.org/seniorrx](https://kp.org/seniorrx). Updates to the *Drug List* are posted on the website monthly.
- You can also call Member Services at the number on the bottom of this page to check the current *Drug List*.

**If you have questions**, please call Member Services at 1-800-443-0815 (TTY 711), 7 days a week, 8 a.m. to 8 p.m. The call is free. **For more information**, visit [kp.org/medicare](https://kp.org/medicare).

### **B3. What happens when there is a change to the *Drug List*?**

Some changes to the *Drug List* will happen **immediately**. For example:

- **Substitutions of certain new versions of drugs.** We may immediately remove the drugs from the *Drug List* if we replace them with certain new versions of that drug. When we add the new version of a drug, we may also decide to keep the brand name drug or original biological product on the list but change its coverage rules or limits.
  - We may not tell you before we make this change, but we will send you information about the specific change we made once it happens.
  - We can make these changes only if the drug we are adding:
    - is a new generic version of a brand name drug or
    - is a certain new biosimilar version of the original biological products on the *Drug List* (for example, adding an interchangeable biosimilar that can be substituted for an original biological product without a new prescription).
    - Some of these drug types may be new to you. For more information, refer to Section B14.
  - You or your provider can ask for an exception from these changes. We will send you a notice with the steps you can take to ask for an exception. Please refer to questions B10-B12 for more information on exceptions.
- **A drug is taken off the market.** If the Food and Drug Administration (FDA) says a drug you are taking is not safe or effective or the drug's manufacturer takes a drug off the market, we may immediately take it off the *Drug List*. If you are taking the drug, we will send you a notice after we make the change. If you receive a notice, you can talk to your doctor about alternatives.

**We may make other changes that affect the drugs you take.** We will tell you in advance about these other changes to the *Drug List*. These changes might happen if:

- The FDA provides new guidance or there are new clinical guidelines about a drug.
- We remove a brand name drug from the Drug List when adding a generic drug that is not new to the market, or
- we remove an original biological product when adding a biosimilar, or
- we change the coverage rules or limits for the brand name drug.

When these changes happen, we will:

- tell you at least 30 days before we make the change to the *Drug List* or
- let you know and give you a 30-day supply of the drug after you ask for a refill.

---

**If you have questions**, please call Member Services at 1-800-443-0815 (TTY 711), 7 days a week, 8 a.m. to 8 p.m. The call is free. **For more information**, visit [kp.org/medicare](http://kp.org/medicare).

This will give you time to talk to your doctor or other prescriber. They can help you decide:

- if there is a similar drug on the *Drug List* you can take instead or
- whether to ask for an exception from these changes. To learn more about exceptions, refer to questions B10-B12.

#### **B4. Are there any restrictions or limits on drug coverage or any required actions to take to get certain drugs?**

Yes, some drugs have coverage rules or have limits on the amount you can get. In some cases, you or your doctor or other prescriber must do something before you can get the drug. For example:

- **Prior authorization:** For some drugs, you or your doctor or other prescriber must get authorization from Kaiser Permanente before you fill your prescription. Prior authorization is different from a referral. We may not cover the drug if you don't get prior authorization.

You can find out if your drug has any additional requirements or limits by looking in the tables in section C. You can also get more information by visiting our website at [kp.org/seniorrx](http://kp.org/seniorrx). We have posted online a document that explains our prior authorization restriction. You may also ask us to send you a copy.

**You can ask for an exception from these limits.** This will give you time to talk to your doctor or other prescriber. They can help you decide if there is a similar drug on the *Drug List* you can take instead or whether to ask for an exception. Refer to questions B10-B12 for more information about exceptions.

#### **B5. How will I know if the drug I want has limits or if there are required actions to take to get the drug?**

The table in the List of Drugs by medical condition/drug type has a column labeled “Necessary actions, restrictions, or limits on use.”

#### **B6. What happens if Kaiser Permanente changes their rules about how they cover some drugs (for example, prior authorization)?**

In some cases, we will tell you in advance if we change our prior authorization rules on a drug. Refer to question B3 for more information about this advance notice and situations where we may not be able to tell you in advance when our rules about drugs on the *Drug List* change.

---

**If you have questions**, please call Member Services at 1-800-443-0815 (TTY 711), 7 days a week, 8 a.m. to 8 p.m. The call is free. **For more information**, visit [kp.org/medicare](http://kp.org/medicare).

## **B7. How can I find a drug on the *Drug List*?**

There are two ways to find a drug:

- you can search alphabetically, **or**
- you can search by medical condition or drug type.

To search **alphabetically**, look for your drug in the “Index of Covered Drugs” section. The index provides an alphabetical list of all the drugs included in this document. Preferred generic and generic drugs, preferred brand-name drugs, nonpreferred drugs, specialty-tier drugs, and injectable vaccines are listed in the index. Look in the index and find your drug. Next to your drug, you will see the page number where you can find coverage information. Turn to the page listed in the index and find the name of your drug in the first column of the list.

To search **by medical condition**, find the section labeled “List of Drugs by Medical Condition”. The drugs in this section are grouped into categories depending on the type of medical conditions they are used to treat. For example, if you have a heart condition, you should look in the category “Cardiovascular Drugs”. That is where you will find drugs that treat heart conditions.

## **B8. What if the drug I want to take is not on the *Drug List*?**

If you don't find your drug on the *Drug List*, call Member Services at the number on the bottom of this page or check our website at [kp.org/seniorrx](http://kp.org/seniorrx) to confirm if your drug is covered.

If your prescription drug is not on our *Drug List*, you have two options:

- You can ask your network provider to prescribe a similar drug that is included on our formulary.
- You can ask us to make an exception to cover your drug. Refer to questions B10-B12 for more information about exceptions.

## **B9. What if I am a new Kaiser Permanente member and can't find my drug on the *Drug List* or have a problem getting my drug?**

We can help. We may cover a temporary 30-day supply of your drug during the first 90 days you are a member of Kaiser Permanente. This will give you time to talk to your doctor or other prescriber. They can help you decide if there is a similar drug on the *Drug List* you can take instead or whether to ask for an exception.

If your prescription is written for fewer days, we will allow multiple refills to provide up to a maximum of 30 days of medication.

---

**If you have questions**, please call Member Services at 1-800-443-0815 (TTY 711), 7 days a week, 8 a.m. to 8 p.m. The call is free. **For more information**, visit [kp.org/medicare](http://kp.org/medicare).

We will cover a 30-day supply of your drug if:

- you are taking a drug that is not on our *Drug List*, **or**
- our plan rules do not let you get the amount ordered by your prescriber, **or**
- the drug requires prior authorization by Kaiser Permanente.

If you are taking a drug that Kaiser Permanente does not consider to be a Part D drug, and the drug is not on the Drug List, and you have a problem getting the drug, it may be covered through Medi-Cal Rx. If a Part D excluded drug requires an exception, and you have an emergency, Medi-Cal Rx will allow no less than 72-hour supply of the drug. Please visit the Medi-Cal Rx website ([www.medi-calrx.dhcs.ca.gov](http://www.medi-calrx.dhcs.ca.gov)) for more information. You can also call the Medi-Cal Rx Customer Service Center at 800-977-2273. Please bring your Medi-Cal BIC when getting prescriptions through Medi-Cal Rx.

If you are in a nursing home or other long-term care facility and need a drug that is not on the *Drug List* or if you cannot easily get the drug you need, you can use your Medi-Cal coverage. If you have been in the plan for more than 90 days, live in a long-term care facility, and need a supply right away:

- We will cover one 31-day supply of the drug you need (unless you have a prescription for fewer days), whether or not you are a new Kaiser Permanente member.
- This is in addition to the temporary supply during the first 90 days you are a member of Kaiser Permanente
- If you enter into or are discharged from a hospital, skilled nursing facility, or long-term care facility to a different care setting or home, this is what is known as a level of care change. When your level of care changes, you may require an additional fill of your medication. We will generally cover up to a one-month supply of your Part D drugs during this level of care transition period even if the drug is not on our *Drug List*.

### **B10. Can I ask for an exception to cover my drug?**

Yes. You can ask us to make an exception to cover a drug that is not on the *Drug List*.

You can also ask us to change the rules on your drug.

- For example, we may limit the amount of a drug we will cover. If your drug has a limit, you can ask us to change the limit and cover more.
- Other example: You can ask us to drop prior authorization requirements.

---

**If you have questions**, please call Member Services at 1-800-443-0815 (TTY 711), 7 days a week, 8 a.m. to 8 p.m. The call is free. **For more information**, visit [kp.org/medicare](http://kp.org/medicare).

## **B11. How can I ask for an exception?**

To ask for an exception, call Member Services. A Member Services representative will work with you and your prescriber to help you ask for an exception. You can also read **Chapter 9**, section G of the *Member Handbook* to learn more about exceptions.

## **B12. How long does it take to get an exception?**

After we get a statement from your prescriber supporting your request for an exception, we will give you a decision within 72 hours.

- You can ask us to cover a drug even if it is not on our *Drug List*. If approved, this drug will be covered at a pre-determined cost-sharing level, and you would not be able to ask us to provide the drug at a lower cost-sharing level.
- In accord with our tiering exception process, you can ask us to cover a Part D formulary drug at a lower cost-sharing level. If approved this would lower the amount you must pay for your drug. Note: Specialty tier (Tier 5) drugs are not eligible for a tier exception.
- You can ask us to waive coverage restrictions or limits on your drug. For example, if your drug requires prior authorization, you can ask us to waive the prior authorization requirement for your Part D drug.

Generally, we will only approve your request for an exception if the alternative drugs included on the plan's formulary, the lower cost-sharing drug or applying the restriction would not be as effective for you or would cause you to have adverse effects.

**Please note:** You can only request an exception for drugs that are considered Medicare Part D prescription drugs by the Centers for Medicare & Medicaid Services (CMS). You cannot get an exception for drugs that are excluded under Medicare Part D. Please refer to your *Member Handbook* for more information about requesting exceptions, including the appeals process.

If you or your prescriber think your health may be harmed if you have to wait 72 hours for a decision, you can ask for an expedited exception. This is a faster decision. If your prescriber supports your request, we will give you a decision within 24 hours of getting your prescriber's supporting statement.

## **B13. What are generic drugs?**

Generic drugs are made up of the same active ingredients as brand name drugs. They usually cost less than the brand name drug and generally work just as well. They usually don't have well-known names. Generic drugs are approved by the Food and Drug Administration (FDA). There are generic drugs available for many brand name drugs. Generic drugs usually can be substituted for brand name drugs at the pharmacy without a new prescription—depending on state laws.

---

**If you have questions**, please call Member Services at 1-800-443-0815 (TTY 711), 7 days a week, 8 a.m. to 8 p.m. The call is free. **For more information**, visit [kp.org/medicare](http://kp.org/medicare).

We cover both brand name drugs and generic drugs.

#### **B14. What are original biological products and how are they related to biosimilars?**

When we refer to drugs, this could mean a drug or a biological product. Biological products are drugs that are more complex than typical drugs. Since biological products are more complex than typical drugs, instead of having a generic form, they have forms that are called biosimilars. Generally, biosimilars work just as well as the original biological product and may cost less. There are biosimilar alternatives for some original biological products. Some biosimilars are interchangeable biosimilars and, depending on state laws, may be substituted for the original biological product at the pharmacy without needing a new prescription, just like generic drugs can be substituted for brand name drugs.

For more information on drug types, refer to **Chapter 5** of the *Member Handbook*.

#### **B15. What are OTC drugs?**

OTC stands for “over-the-counter”. We do not cover OTC drugs under Medicare Part D coverage. However, you may have coverage for certain OTC items through your Medi-Cal Rx coverage. For information on Medi-Cal Rx, please visit the Medi-Cal Rx website at <https://www.medi-calrx.dhcs.ca.gov>. You can also call the Medi-Cal Rx Customer Service Center at 1-800-977-2273 (TTY 711). Please bring your Medi-Cal Beneficiary Identification Card (BIC) when getting prescriptions through Medi-Cal Rx.

#### **B16. Does Kaiser Permanente cover long-term supplies of prescriptions?**

You may order prescription refills of certain medications through our mail-order service online at [kp.org/refill](http://kp.org/refill) or by phone or mobile app, which may lower your costs for a three-month supply. Please contact us at least 5 days before your refills run out. Generally, you should receive them within 3 to 5 days. If not, please contact the mail-order phone number on the prescription label for assistance. Not all drugs can be mailed; restrictions and limitations apply. For more information, please visit [kp.org/seniorrx](http://kp.org/seniorrx) or call us at the phone number below.

#### **B17. Can I get prescriptions delivered to my home from my local pharmacy?**

Your local network pharmacy may be able to deliver your prescription to your home. You can call your pharmacy to find out if they offer home delivery.

---

**If you have questions**, please call Member Services at 1-800-443-0815 (TTY 711), 7 days a week, 8 a.m. to 8 p.m. The call is free. **For more information**, visit [kp.org/medicare](http://kp.org/medicare).

## **B18. What is my cost share for Medicare Part D prescription drugs?**

Because you are eligible for Medi-Cal, you get “Extra Help” from Medicare to help pay for your Medicare Part D prescription drugs. We will send you a separate insert, called the *Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs* (also known as the “Low Income Subsidy Rider” or the “LIS Rider”), which tells you about your drug coverage. If you don’t have this insert, please call Member Services, and ask for the “LIS Rider.”

Tiers are groups of drugs on our *Drug List*.

- Tiers 1 & 2 are Generic drugs. You will pay **\$0-\$4.90** depending on your level of Extra Help.
- Tiers 3, 4, & 5 are Brand name drugs. You will pay **\$0-\$12.15** depending on your level of Extra Help.

If you have questions, call Member Services at 1-800-443-0815 (TTY 711), 8 a.m. to 8 p.m., 7 days a week.

## **B19. What are injectable vaccines**

Part D vaccines are certain injectable vaccines that are covered under Medicare Part D (for example, Shingrix for shingles, Adacel for Diphtheria, Tetanus, and Pertussis, which are approved by the FDA).

## **B.20 What are specialty drugs**

Specialty-tier drugs are very high-cost drugs approved by the FDA that are on our *Drug List*.

---

## **C. Overview of the *List of Covered Drugs***

The *List of Covered Drugs* gives you information about the drugs covered by Kaiser Permanente’s Dual Complete Plan. If you have trouble finding your drug in the list, turn to the Index of Covered Drugs that begins in section D. The index alphabetically lists all drugs covered by us.

Other drugs, such as some over-the-counter (OTC) medications and certain vitamins, may be covered by Medi-Cal Rx. Please visit the Medi-Cal Rx website ([www.medi-calrx.dhcs.ca.gov](http://www.medi-calrx.dhcs.ca.gov)) for more information. You can also call the Medi-Cal Rx Customer Service Center at 1-800-977-2273. Please bring your Medi-Cal Beneficiary Identification Card (BIC) when getting prescriptions through Medi-Cal Rx.

**If you have questions**, please call Member Services at 1-800-443-0815 (TTY 711), 7 days a week, 8 a.m. to 8 p.m. The call is free. **For more information**, visit [kp.org/medicare](http://kp.org/medicare).

## Appeals Under Part D

- An appeal is a formal way of asking us to review a decision we made about your coverage and to change it if you think we made a mistake.
- For example, we might decide that a drug that you want is not covered or is no longer covered by Medicare or Medi-Cal.
- If you or your prescriber disagrees with our decision, you can appeal. If you ever have a question, call Member Services at the numbers listed at the bottom of this page.
- You can also read **Chapter 9** of the *Member Handbook* to learn how to appeal a decision.
- Drugs that are not a Part D drug have different rules for appeals.

### C1. List of Drugs by Medical Condition

The drugs in this section are grouped into categories depending on the type of medical conditions they are used to treat. For example, if you have a heart condition, you should look in the category, “Cardiovascular Drugs”. That is where you will find drugs that treat heart conditions.

The information in the Requirements/Limits column tells you if our plan has any special requirements for coverage of your drug. Certain strengths or forms of the drug may be subject to the utilization management codes listed below.

**HI** = Home infusion drugs may be covered under our medical benefit and obtained at home infusion pharmacies. For more information, please consult your pharmacy directory or call our plan at the number listed at the bottom of this page.

**LD** = Limited-distribution drugs can only be obtained at certain specialty pharmacies. For more information, consult your pharmacy directory or call our plan at the number listed at the bottom of this page.

**MO** = Mail-order drugs. You may order prescription refills of certain medications through our mail-order service online at [kp.org/refill](http://kp.org/refill) or by phone or mobile app, which may lower your costs for a three-month supply. Please contact us at least 5 days before your refills run out. Generally, you should receive them within 3 to 5 days. If not and you need an urgent refill, please contact the mail-order phone number on the prescription label for assistance. Not all drugs can be mailed; restrictions and limitations apply. For more information, please visit [kp.org/seniorrx](http://kp.org/seniorrx) or call the phone number at the bottom of this page.

**NDS** = Non-extended Day Supply drugs that are dispensed up to a 30-day supply to monitor for possible adverse effects and to avoid medication waste.

**PA** = Prior authorization medications may be covered under Medicare Part D or Medicare Part B depending on how they are administered (e.g., via infusion pump, nebulizer, or other Durable Medical Equipment device), where they are administered (at home or in a long-term care facility), and what medical condition they are administered for. Prior authorization may also apply to drugs for which treatment for the medical condition will determine if the drug is non-Part D (excluded) or covered.
