

# Annual Notice of Changes for 2024

You are currently enrolled as a member of Kaiser Permanente Senior Advantage Care Plus plan. Next year, there will be changes to our plan's costs and benefits. **Please see page 4 for a summary of important costs, including premium.**

This document tells you about the changes to your plan. To get more information about costs, benefits, or rules, please review the **Evidence of Coverage**, which is located on our website at **kp.org**. You may also call Member Services to ask us to mail you an **Evidence of Coverage**.

**You have from October 15 until December 7 to make changes to your Medicare coverage for next year.**

## What to do now

### 1. Ask: Which changes apply to you?

- Check the changes to our benefits and costs to see if they affect you.
  - ◆ Review the changes to medical care costs (doctor, hospital).
  - ◆ Review the changes to our drug coverage, including authorization requirements and costs.
  - ◆ Think about how much you will spend on premiums, deductibles, and cost-sharing.
- Check the changes in our 2024 "Drug List" to make sure the drugs you currently take are still covered.
- Check to see if your primary care doctors, specialists, hospitals, and other providers, including pharmacies, will be in our network next year.
- Think about whether you are happy with our plan.

### 2. Compare: Learn about other plan choices.

- Check coverage and costs of plans in your area. Use the Medicare Plan Finder at the **www.medicare.gov/plan-compare** website or review the list in the back of your **Medicare & You 2024** handbook.
- Once you narrow your choice to a preferred plan, confirm your costs and coverage on the plan's website.

**3. Choose:** Decide whether you want to change your plan.

- If you don't join another plan by December 7, 2023, you will stay in Senior Advantage Care Plus plan.
- To **change to a different plan**, you can switch plans between **October 15 and December 7**. Your new coverage will start on January 1, 2024. This will end your enrollment with Senior Advantage Care Plus plan.
- If you recently moved into, currently live in, or just moved out of an institution (like a skilled nursing facility or long-term care hospital), you can switch plans or switch to Original Medicare (either with or without a separate Medicare prescription drug plan) at any time.

<b>Monthly premium with optional supplemental benefits</b> This plan premium applies to you only if you are enrolled in our optional supplemental benefits package. (You must also continue to pay your Medicare Part B premium.)	\$9	\$9

- Your monthly plan premium will be **more** if you are required to pay a lifetime Part D late enrollment penalty for going without other drug coverage that is at least as good as Medicare drug coverage (also referred to as creditable coverage) for 63 days or more.
- If you have a higher income, you may have to pay an additional amount each month directly to the government for your Medicare prescription drug coverage.
- Your monthly premium will be **less** if you are receiving "Extra Help" with your prescription drug costs. Please see Section 5 regarding "Extra Help" from Medicare.

### Section 1.2 – Changes to your maximum out-of-pocket amount

Medicare requires all health plans to limit how much you pay out-of-pocket for the year. This limit is called the maximum out-of-pocket amount. Once you reach this amount, you generally pay nothing for covered Part A and Part B services (and other health care services not covered by Medicare as described in Chapter 4 of the **Evidence of Coverage**) for the rest of the year.

There are changes to our network of pharmacies for next year. **Please review the 2024 Pharmacy Directory to see which pharmacies are in our network.**

## Section 1.5 – Changes to Part D prescription drug coverage

### Changes to our "Drug List"

Our list of covered drugs is called a formulary, or "Drug List." A copy of our "Drug List" is provided electronically at [kp.org/seniorrx](http://kp.org/seniorrx).

We made changes to our "Drug List," which could include removing or adding drugs, changing the restrictions that apply to our coverage for certain drugs or moving them to a different cost-sharing tier. **Review our "Drug List" to make sure your drugs will be covered next year and**

to see if there will be any restrictions, or if your drug has been moved to a different cost-sharing tier.

Most of the changes in our "Drug List" are new for the beginning of each year. However, during the year, we might make other changes that are allowed by Medicare rules. For instance, we can immediately remove drugs considered unsafe by the FDA or withdrawn from the market by a product manufacturer. We update our online "Drug List" to provide the most up-to-date list of drugs.

If you are affected by a change in drug coverage at the beginning of the year or during the year, please review Chapter 9 of your **Evidence of Coverage** and talk to your doctor to find out your options, such as asking for a temporary supply, applying for an exception, and/or working to find a new drug. You can also contact Member Services for more information.

### Changes to prescription drug costs

**Note:** If you are in a program that helps pay for your drugs ("Extra Help"), **the information about costs for Part D prescription drugs does not apply to you.** We sent you a separate insert, called the **Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs** (also called the Low-Income Subsidy Rider or the LIS Rider), which tells you about your drug costs. If you receive "Extra Help" and you haven't received this insert by September 30, 2023, please call Member Services and ask for the LIS Rider.

There are four **drug payment stages**. The information below shows the changes to the first two stages—the Yearly Deductible Stage and the Initial Coverage Stage. (Most members do not reach the other two stages—the Coverage Gap Stage or the Catastrophic Coverage Stage.)

### Changes to the Deductible Stage

### Changes to the Coverage Gap and Catastrophic Coverage Stages

The other two drug coverage stages—the Coverage Gap Stage and the Catastrophic Coverage Stage—are for people with high drug costs. **Most members do not reach the Coverage Gap Stage or the Catastrophic Coverage Stage.**

**Beginning in 2024, if you reach the Catastrophic Coverage Stage, you pay nothing for covered Part D drugs.**

For specific information about your costs in these stages, look at Chapter 6, Sections 6 and 7, in your **Evidence of Coverage**.

## Section 2 — Deciding which plan to choose

### Section 2.1 – If you want to stay in Senior Advantage Care Plus plan

**To stay in our plan, you don't need to do anything.** If you do not sign up for a different plan or change to Original Medicare by December 7, you will automatically be enrolled in Senior Advantage Care Plus plan.

### Section 2.2 – If you want to change plans

We hope to keep you as a member next year, but if you want to change plans for 2024, follow these steps:

#### Step 1: Learn about and compare your choices

- You can join a different Medicare health plan.
- Or you can change to Original Medicare. If you change to Original Medicare, you will need to decide whether to join a Medicare drug plan. If you do not enroll in a Medicare drug plan, please see Section 1.1 regarding a potential Part D late enrollment penalty.

To learn more about Original Medicare and the different types of Medicare plans, use the Medicare Plan Finder ([www.medicare.gov/plan-compare](http://www.medicare.gov/plan-compare)), read the **Medicare & You 2024** handbook, call your State Health Insurance Assistance Program (see Section 4), or call Medicare (see Section 6.2).

As a reminder, Kaiser Permanente offers other Medicare health plans. These other plans may differ in coverage, monthly premiums, and cost-sharing amounts.

#### Step 2: Change your coverage

- To **change to a different Medicare health plan**, enroll in the new plan. You will automatically be disenrolled from Senior Advantage Care Plus plan.
- To **change to Original Medicare with a prescription drug plan**, enroll in the new drug plan. You will automatically be disenrolled from Senior Advantage Care Plus plan.
- To **change to Original Medicare without a prescription drug plan**, you must either:
  - ◆ Send us a written request to disenroll. Contact Member Services if you need more information on how to do so.
  - ◆ Or contact **Medicare at 1-800-MEDICARE (1-800-633-4227)**, 24 hours a day, 7 days a week, and ask to be disenrolled. TTY users should call **1-877-486-2048**.

## Section 3 — Deadline for changing plans

If you want to change to a different plan or to Original Medicare for next year, you can do it from **October 15 until December 7**. The change will take effect on January 1, 2024.

### Are there other times of the year to make a change?

In certain situations, changes are also allowed at other times of the year. Examples include people with Medicaid, those who get "Extra Help" paying for their drugs, those who have or are leaving employer coverage, and those who move out of the service area.

If you enrolled in a Medicare Advantage plan for January 1, 2024, and don't like your plan choice, you can switch to another Medicare health plan (either with or without Medicare prescription drug coverage) or switch to Original Medicare (either with or without Medicare prescription drug coverage) between January 1 and March 31, 2024.

If you recently moved into, currently live in, or just moved out of an institution (like a skilled nursing facility or long-term care hospital), you can change your Medicare coverage **at any time**. You can change to any other Medicare health plan (either with or without Medicare prescription drug coverage) or switch to Original Medicare (either with or without a separate Medicare prescription drug plan) at any time.

## Section 4 — Programs that offer free counseling about Medicare

The State Health Insurance Assistance Program (SHIP) is an independent government program with trained counselors in every state. In Georgia, the SHIP is called Georgia SHIP.

It is a state program that gets money from the federal government to give **free** local health insurance counseling to people with Medicare. Georgia SHIP counselors can help you with your Medicare questions or problems. They can help you understand your Medicare plan choices and answer questions about switching plans. You can call Georgia SHIP at **1-866-552-4464, option 4**. You can learn more about Georgia SHIP by visiting their website (<https://aging.georgia.gov/georgia-ship>).

## Section 5 — Programs that help pay for prescription drugs

You may qualify for help paying for prescription drugs. Below we list different kinds of help:

- **"Extra Help" from Medicare.** People with limited incomes may qualify for "Extra Help" to pay for their prescription drug costs. If you qualify, Medicare could pay up to 75% or more of your drug costs, including monthly prescription drug premiums, annual deductibles, and coinsurance. Additionally, those who qualify will not have a coverage gap or late enrollment penalty. To see if you qualify, call:
  - ◆ **1-800-MEDICARE (1-800-633-4227)**. TTY users should call **1-877-486-2048**, 24 hours a day/7 days a week;
  - ◆ The Social Security office at **1-800-772-1213** between 8 a.m. and 7 p.m., Monday through Friday, for a representative. Automated messages are available 24 hours a day. TTY users should call **1-800-325-0778**; or
  - ◆ Your state Medicaid office (applications).
- **Prescription cost-sharing assistance for persons with HIV/AIDS.** The AIDS Drug Assistance Program (ADAP) helps ensure that ADAP-eligible individuals living with HIV/AIDS have access to life-saving HIV medications. Individuals must meet certain

criteria, including proof of state residence and HIV status, low income as defined by the state, and uninsured/underinsured status. Medicare Part D prescription drugs that are also covered by ADAP qualify for prescription cost-sharing assistance through the **Georgia AIDS Drug Assistance Program**.

For information on eligibility criteria, covered drugs, or how to enroll in the program, please call **1-404-656-9805**.
