

Get a ride to your doctor's office – at no cost to you

Take advantage of your Kaiser Permanente Medicare Advantage (HMO) health plan's transportation benefit.

This benefit gives you and a companion non-emergency rides within our Medicare Advantage service area to and from your doctor and dentist appointments and to in-network pharmacies. If you have mobility challenges, you'll be assigned a vehicle based on your needs. Available options include van, sedan, wheelchair accessible, and Lyft and Uber vehicles.

Rides are available 24 hours a day, 7 days a week. Depending on your Kaiser Permanente Medicare health plan, you can schedule at least 6 round-trip rides per year.* To find out how many round trips your plan offers, see your Evidence of Coverage (EOC) or call Kaiser Permanente Member Services at **1-888-901-4600** (TTY **711**), 7 days a week, 8 a.m. to 8 p.m.
