Choosing your health plan

We offer a variety of plans to help fit your needs and budget. All of them offer the same quality care, but the way they split the costs is different.

Virtual plans - gold and silver

With a virtual plan, your monthly premium is lower, and you'll start most care with a virtual visit. Connect to care how you want – choose from 24/7 online chat or advice phone line, e-visit, scheduled video visit, phone appointment, or email for nonurgent issues, all at no additional cost. You'll get the care and prescriptions you need, or help finding in-person care.

Copay plans – platinum and gold

Copay plans are the simplest. You know in advance how much you'll pay for care like doctor visits and prescriptions. This amount is called your copay. Your monthly premium is higher, but you'll pay much less when you get care.

Deductible plans – gold, silver, bronze, and catastrophic

With a deductible plan, your monthly premium is lower, but you'll need to pay the full charges for most covered services until you reach a set amount, known as your deductible. Then you'll start paying less – a copay or coinsurance. Depending on your plan, some services, like office visits or prescriptions, may be available at a copay or coinsurance before you reach your deductible.

HSA-qualified high deductible health plans – silver and bronze

HSA-qualified deductible plans are deductible plans with a special feature. With this plan, you can set up a health savings account (HSA) to pay for health costs like copays, coinsurance, and deductible payments. And you won't pay federal taxes on the money in this account. You can use your HSA anytime to pay for care, including some services that may not be covered by your plan, such as eyeglasses or adult dental.¹⁰ And if you have money left in your HSA at the end of the year, it will roll over for you to use the next year.

Example of your costs for care

Let's say you hurt your ankle. You visit your personal doctor, who orders an X-ray. It's just a sprain, so the doctor prescribes a generic pain medication. Here's an example of what you'd pay out of pocket for these services with each type of health plan.

Plan name	Office visit	X-ray	Most generic drugs (Tier 1)
KP VA Gold 0/20/Vision (no deductible)	\$20 (waived for children under 5)	\$65	\$10*
KP VA Silver Virtual Forward 4000 (\$4,000 deductible)	Virtual care no charge; First visit in person no charge, and additional visits in person \$55 after deductible ^{‡‡}	30% after deductible	\$10*
KP VA Bronze 6000/55/ Vision (\$6,000 deductible)	First 3 visits \$55, then 35% after deductible (copay waived for children under 5)	35% after deductible	\$35*

^{*} Mail order: 90-day supply of qualified prescriptions for the cost of a 60-day supply.

The cost estimates above are from **kp.org/treatmentestimates**. Visit this site anytime to get an idea of what the charges for common services might be before you reach your deductible.

Do you qualify for financial help?

You may be eligible for federal or state financial assistance to help you pay for care or coverage. Visit **buykp.org/apply** for details.

^{‡‡} Virtual Forward offers virtual care at no charge; includes unlimited access to Chat with a Nurse, E-visits, email, phone and video visits. First in person visit at no charge before you reach your deductible, including primary care visits and outpatient mental health care visits.

Annual deductible

You need to pay this amount before your plan starts helping you pay for most covered services. Under this sample plan, you'd pay the full charges for covered services until you reach \$2,500 for yourself or \$5,000 for your family. Then you'd start paying copays or coinsurance.

Annual out-of-pocket maximum

This is the most you'll pay for care during the calendar year before your plan starts paying 100% for most covered services. In this example, you'd never pay more than \$9,100 for yourself and no more than \$18,200 for your family for your copays, coinsurance, and deductible in a calendar year.

Preventive care at no additional charge

Most preventive care services—including routine physical exams and mammograms—are covered at no additional charge. Plus, they're not subject to the deductible.

Covered before you reach the deductible

With some services, you'll only pay a copay or coinsurance, regardless of whether you've reached your deductible. Under this plan, primary care visits are covered at a \$35 copay (waived for children under 5) – even before you meet your deductible. With our Silver deductible plans, primary care, specialty care, and urgent care visits all are covered before you reach the deductible.

Coinsurance

After reaching your deductible, this is a percentage of the charges that you may pay for covered services. Here, you'd pay 40% of the cost per day for your inpatient hospital care after you reach your deductible. Your plan would pay the rest for the remainder of the calendar year.

Copay

This is the set amount you pay for covered services, usually after you reach your deductible. In this example, you'd start paying a \$55 copay for urgent care visits, whether or not you have met your deductible.

Financial assistance options are available for certain plans, and for Native Alaskans and American Indians on HealthCare.gov.

Find your rate

Use the monthly rates chart on the following pages or apply on **buykp.org/apply** to have your rate calculated automatically. Along with your monthly rate, consider what you'll need to pay when you get care.

How is your rate determined?

Your rate is based on:

- The plan you choose
- Where you live, based on your county and ZIP code
- Your age on your plan start date (effective date)
- If you qualify for federal financial assistance. Visit <u>buykp.org/apply</u> or call us at 1-800-494-5314 to see if you may qualify.
- If you use tobacco
- If you add an optional dental rider for family members 19 and older

Interested in a family plan?

Find the rate for each family member, based on his or her age on the start date.

Family members include:

- You
- Your spouse/domestic partner
- All adult children 21 through 25
- Your 3 oldest children under 21

If you have more than 3 children under 21, you only need to pay for the 3 oldest. The other children under 21 will be covered at no charge.

The rates in the monthly rates chart apply to these ZIP codes. Please check that your ZIP code is listed below. If it isn't, call us at **1-800-494-5314** for information on other rate areas.

Learn about vision and dental coverage

With our Kaiser Permanente Individuals and Families dental plans and vision coverage, you get the benefits you need and the quality care you've come to expect. There's no waiting period – you can start receiving covered services the minute your coverage takes effect.

Essential vision care

You can get optometry services like routine eye exams, glaucoma screenings, and cataract screenings without a referral from your personal physician. You'll need a referral to get care from an ophthalmologist. Many Kaiser Permanente medical centers have a vision center where you can have exams and purchase quality eyewear and contact lenses. To locate a medical center with a vision center, and find information about other vision benefits, visit kp2020.org.

For information about vision coverage and limitations:

Call Member Services at **1-800-777-7902** (TTY **711**), Monday through Friday, from 7:30 a.m. to 9 p.m. (except holidays).

Refer to your Membership Agreement and Evidence of Coverage.

Register at **kp.org** and read a summary of your benefits online.

Adult dental benefits

For an additional premium of \$12.14 per month, adults 19 and older can choose to enroll in an enhanced dental plan that offers orthodontic coverage and a \$10 copay for most preventive care procedures. To enroll, select the option on your application to enhance your dental coverage with the dental HMO rider.

Choosing a dentist

You may choose any general dentist from the list of participating dental providers. Specialty care is also available. To see a participating specialist, you'll need a referral from a participating general dentist. These dentists are conveniently located throughout the community.

To locate a participating provider, please visit dominiondental.com/kaiserdentists or call Dominion at 1-855-733-7524.

Medical Exclusions

This provision provides information on what services we will not pay for regardless of whether or not the service is medically necessary.

When a service is not covered, all services, drugs, or supplies related to the non-covered service are excluded from coverage, except services we would otherwise cover to treat direct complications of the non-covered service.

For example, if you have a non-covered cosmetic surgery, we will not cover services you receive in preparation for the surgery or for follow-up care. Pharmacy Limitations

For drugs prescribed by dentists, coverage is limited to antibiotics and pain relief drugs that are included on our formulary and purchased at a plan pharmacy, unless the criteria for coverage of non-preferred brand drugs has been met.

In the event of a civil emergency or the shortage of one or more prescription drugs, we may limit availability in consultation with our emergency management department and/or our Pharmacy and Therapeutics Committee. If limited, the applicable cost share per prescription will apply. However, a member may file a claim for the difference between the cost share for a full prescription and the pro-rata cost share for the actual amount received.

Except for maintenance medications and contraceptive drugs, members may obtain up to a thirty (30)-day supply and will be charged the applicable cost share based on the:

- 1. Prescribed dosage;
- 2. Standard Manufacturers Package Size; and
- 3. Specified dispensing limits.

Drugs that have a short shelf life may require dispensing in smaller quantities to assure that the quality is maintained. Such drugs will be limited to a thirty (30)-day supply. If a drug is dispensed in several smaller quantities (for example, three (3) ten (10)-day supplies), you will be charged only one cost share at the initial dispensing for each thirty (30)-day supply.

Members may obtain a partial supply of a prescription drug and will be charged a prorated daily copayment or coinsurance, if the following conditions are met:

 the prescribing physician or pharmacist determines dispensing a partial supply of a prescription drug to be in the best interest of the member; and 2. the member requests or agrees to a partial supply for the purpose of synchronizing the dispensing of the member's prescription drugs.

Except for maintenance medications and contraceptive drugs, as described below, injectable drugs that are self-administered and dispensed from the pharmacy are limited to a thirty (30)-day supply.

For maintenance medications, members mayobtain up to a ninety (90)-day supply of maintenance medications in a single prescription, when authorized by the prescribing plan provider, or by a dentist or a referral physician. This does not apply to the first prescription or change in a prescription. The day supply is based on the:

- 1. Prescribed dosage;
- Standard Manufacturer's Package Size; and
- 3. Specified dispensing limits.

For contraceptives, members may obtain up to a twelve (12)-month supply of prescription contraceptives in a single prescription, when authorized by the prescribing plan provider or a referral physician.
