Care centered around you

Care at Kaiser Permanente isn't one-size-fits-all. Our physician-led teams work together to make sure the care you get is tailored to your needs. Your Kaiser Permanente care team is part of the same network, making it easier to share information, see your health history, and deliver high-quality, personalized care – when and where you need it.

Your healthy place should reflect all that is you

We believe your story, background, and values are as important as your health history. To help deliver care that's sensitive to your culture, ethnicity, and lifestyle, we:

- Hire doctors and staff who speak more than one language
- Offer phone interpretation services in more than 150 languages
- Improved health outcomes among diverse populations for conditions like high blood pressure, diabetes, and colon cancer¹

With your health records in hand, your care team knows your needs in the moment and reminds you to schedule checkups and tests. Plus, you can view your records 24/7.

AREAS

to get Kaiser Permanente care in person – California, Colorado, Georgia, Hawaii, Maryland, Oregon, Virginia, Washington, and Washington, D.C.

Your choice of doctors and locations

Visit kp.org/doctors to see all Kaiser Permanente locations near you and browse our online doctor profiles. You can choose your personal doctor and change anytime, for any reason.

Doctor and facility counts include affiliated medical professionals and locations. These statistics are from multiple Kaiser Permanente locations in various states.

Choosing your health plan

We offer a variety of plans to help fit your needs and budget. All of them offer the same quality care, but the way they split the costs is different.

Copay plans – gold

Copay plans are the simplest. You know in advance how much you'll pay for care like doctor visits and prescriptions. This amount is called your copay. Your monthly premium is higher, but you'll pay much less when you get care.

Deductible plans – gold, silver, and bronze

With a deductible plan, your monthly premium is lower, but you'll need to pay the full charges for most covered services until you reach a set amount, known as your deductible. Then you'll start paying less – a copay or coinsurance. Depending on your plan, some services, like office visits or prescriptions, may be available at a copay or coinsurance before you reach your deductible.

HSA-qualified high deductible health plans – silver and bronze

HSA-qualified deductible plans are deductible plans that give you the option of setting up a health savings account (HSA) to pay for eligible health care costs, including copays, coinsurance, and deductible payments. You won't pay federal taxes on the money in this account.

You can use your HSA anytime to pay for care, including some services that may not be covered by your plan, like eyeglasses, adult dental care, or chiropractic services.¹⁰ If you have money left in your HSA at the end of the year, it will roll over for you to use the next year.

Find a facility near you

Having a wide selection of health care providers in convenient locations is important. That's why we have medical facilities and dental offices in 5 areas: southwest Washington, Salem, Longview, Eugene-Springfield, and the Portland metropolitan area.

Locate a medical provider

Just visit kp.org/newmember, select your region, and click on "Choose a personal physician" under "Getting Started." Next, choose a physician, physician's assistant, or nurse practitioner as your primary care participating provider in these departments:

- Family Medicine for children and adults
- Internal Medicine for members 18 and older
- Ob-Gyn for female members (certified nurse-midwives also available)
- Pediatrics for members under 18

Our medical staff directory lists both primary care and specialty care providers, and shows their education, gender, languages spoken, and more.

You can download the directory from the "Forms and Publications" section of the website. Or, to have one sent to you, contact Member Services at **1-800-813-2000** (TTY **711**) from 8 a.m. to 6 p.m., Monday through Friday (closed major holidays).

For language interpretation services, call **1-800-324-8010**.

Talk to a new member specialist

Call our dedicated New Member Welcome Desk at **1-888-491-1124** (TTY **711**), Monday through Friday, 8 a.m. to 6 p.m., and talk with a specialist who can help you get the most out of your benefits quickly and easily.
