Choosing your health plan

We offer a variety of plans to help fit your needs and budget. All of them offer the same quality care, but the way they split the costs is different.

Virtual Complete plans

With a Virtual Complete plan, your monthly premium is lower, and you'll start most care with a virtual visit. Connect to care how you want – choose from 24/7 online chat or advice phone line, e-visit, scheduled video visit, phone appointment, or email for nonurgent issues, all at no additional cost. You'll get the care and prescriptions you need, or help finding in-person care.

Copay or coinsurance plans

Copay or coinsurance plans are the simplest. You know in advance how much you'll pay for care like doctor visits and prescriptions. This amount is called your copay. Your monthly premium is higher, but you'll pay much less when you get care.

Deductible plans – gold, silver, bronze, and catastrophic

With a deductible plan, your monthly premium is lower, but you'll need to pay the full charges for most covered services until you reach a set amount, known as your deductible. Then you'll start paying less – a copay or coinsurance. Depending on your plan, some services, like office visits or prescriptions, may be available at a copay or coinsurance before you reach your deductible.

HSA-qualified high deductible health plans – bronze

HSA-qualified deductible plans are deductible plans with a special feature. With this plan, you can set up a health savings account (HSA) to pay for health costs like copays, coinsurance, and deductible payments. And you won't pay federal taxes on the money in this account. You can use your HSA anytime to pay for care, including some services that may not be covered by your plan, such as eyeglasses or adult dental.¹² And if you have money left in your HSA at the end of the year, it will roll over for you to use the next year.

Find a facility near you

Our goal is to make it as easy and convenient as possible for you to get the care you need when you need it. Please refer to the map below or visit kp.org/facilities to find the one nearest you.

Complete care to help you live a fuller, healthier life

With Kaiser Permanente, you have a trusted partner who considers your health a priority and makes it easier to get the care you need. That's why members stay with Kaiser Permanente nearly 3 times as long as other health plans.¹³
