Choosing your health plan

We offer a variety of plans to help fit your needs and budget. All of them offer the same quality care, but the way they split the costs is different.

Virtual plans – gold and silver

With a virtual plan, your monthly premium is lower, and you'll start most care with a virtual visit. Connect to care how you want – choose from 24/7 online chat or advice phone line, e-visit, scheduled video visit, phone appointment, or email for nonurgent issues, all at no additional cost. You'll get the care and prescriptions you need, or help finding in-person care.

Copay plans – platinum and gold

Copay plans are the simplest. You know in advance how much you'll pay for care like doctor visits and prescriptions. This amount is called your copay. Your monthly premium is higher, but you'll pay much less when you get care.

Deductible plans – gold, silver, bronze, and catastrophic

With a deductible plan, your monthly premium is lower, but you'll need to pay the full charges for most covered services until you reach a set amount, known as your deductible. Then you'll start paying less – a copay or coinsurance. Depending on your plan, some services, like office visits or prescriptions, may be available at a copay or coinsurance before you reach your deductible.

HSA-qualified high deductible health plans – bronze

HSA-qualified deductible plans are deductible plans with a special feature. With this plan, you can set up a health savings account (HSA) to pay for health costs like copays, coinsurance, and deductible payments. And you won't pay federal taxes on the money in this account. You can use your HSA anytime to pay for care, including some services that may not be covered by your plan, such as eyeglasses or adult dental.¹⁶ And if you have money left in your HSA at the end of the year, it will roll over for you to use the next year.

Convenient and affordable dental care

Kaiser Permanente's Individual and Family dental offerings are designed for people who purchase health insurance for themselves or their families. The plans provide a range of affordable choices so that members can meet their dental needs and avoid costly procedures in the future.

Adult dental is only offered through off-exchange.

Adult dental offerings:

Kaiser Permanente Smile KPIF Dental Copay

Kaiser Permanente Smile KPIF Dental C-POS Basic

Kaiser Permanente Smile KPIF Dental C-POS High

Adding the OrthoPlus rider offers coverage for enhanced cosmetic orthodontic procedures.

Visit kp.org/dental/mas to learn more.

Vision Benefits

At Kaiser Permanente, each member's electronic health record connects eye care to overall care, so their primary care doctor knows when they're due for a comprehensive eye exam and can even schedule an appointment for glaucoma screening and other vision concerns. Of course, members can also be examined for eyeglasses or contact lens prescriptions – that's where Vision Essentials comes in.

Our in-house selection of stylish frames makes it easy for members to take care of both their eyewear and health needs in one trip. They can stop into Vision Essentials after seeing their dermatologist or visiting the lab – all under one roof. And whether their style is fashion-forward, sporty, or retro, we have just the right prescription.

Included in plan:

- Routine eye exams for children and adults.
- Ophthalmology services to treat eye diseases.
- Eyewear: Selected frames/lenses for children aged 19 and under at no charge. Discount off retail for adults: \$90 frames/lenses; \$25 contact lenses.
