

Kaiser Permanente prescription drug plans tested for creditable coverage (effective 1/1/24–12/31/24)

OREGON PLANS

This information serves only as a notice to the group of creditable/non-creditable coverage as defined by the Centers for Medicare & Medicaid Services (CMS). The employer retains ultimate responsibility for the assessment that the plan, as implemented, provides creditable coverage. Notification to each member and to CMS is the responsibility of the employer. This is not an actuarial attestation.
