Enjoy the power of a healthy smile

Your dental health is key to your overall health. Healthy teeth and gums allow you to eat better and feel better.

Preventing and treating dental problems are important at any stage of life. You may feel more tooth sensitivity or have dental problems as a result of certain medications or health conditions. Regular oral exams not only keep your mouth healthy – they can also help spot medical problems.

Advantage Plus makes it easy to smile, because you know you're getting the dental care you need.

Health tip:

Reduce your risk of infection

Brushing and flossing are important for healthy teeth. They also help reduce the risk of infection. Bacteria can travel from the mouth to other parts of the body, causing infection. This is a major cause of joint replacements failing. With proper oral health, including brushing, flossing, and regular checkups and cleanings, you can help keep your whole body healthy.

Frequently asked questions

Advantage Plus dental benefits are provided through the DeltaCare® USA program offered by Delta Dental of California.

Q: What is the DeltaCare USA program?

A: The DeltaCare USA program, offered by Delta Dental, provides a broad range of dental care through a convenient network of dentists. These contract dentists are screened to make sure that they maintain Delta Dental's standards of quality, access, and safety. All of the dentists in our network have established dental practices. There are no deductibles, no lifetime maximums, and virtually no claim forms under this dental program. See Chapter 4 in your Senior Advantage **Evidence of Coverage** for more information.

Q: When can I begin to use my Advantage Plus dental benefits?

A: Once your enrollment in Advantage Plus is confirmed, you can begin using your dental benefits on your effective date. You'll also receive a Welcome Letter with a new ID card from Delta Dental.

Q: How do I choose my dentist?

A: Delta Dental will assign you to a contract dentist based on your home ZIP code. If you would like to change your assigned dentist, you can do so at any time. Call Delta Dental's Customer Service Department toll-free at **1-877-644-1774 (TTY 711)**, Monday through Friday, 8 a.m. to 8 p.m. Eastern time; 7 days a week, October 1 to February 15, 8 a.m. to 8 p.m. ET, or visit **deltadentalins.com**. Delta Dental is always expanding its network and adding new dentists and areas. For the most up-to-date list of dentists, visit **deltadentalins.com**, enter your location, and select the DeltaCare USA Medicare network.

Note: It can take a few weeks for the dentist you selected to be activated in Delta Dental's system. If you would like to see your dentist within the first few weeks of your enrollment in Advantage Plus, you should call Delta Dental to confirm that the dentist you chose is in their system and accepting patients. For questions about your dentist, or if you would like to change your dentist, call Delta Dental's Customer Service Department toll-free at **1-877-644-1774 (TTY 711)**, Monday through Friday, 8 a.m. to 8 p.m. Eastern time; 7 days a week, October 1 to February 15, 8 a.m. to 8 p.m. ET.

Q: What if I need to change my Delta dentist?

A: You may change your dentist at any time by calling Delta Dental's Customer Service Department toll-free at **1-877-644-1774 (TTY 711)**, Monday through Friday, 8 a.m. to 8 p.m. Eastern time; 7 days a week, October 1 to February 15, 8 a.m. to 8 p.m. ET, or visiting **deltadentalins.com**, entering your location, and selecting the DeltaCare USA Medicare network. You must make your request for a contract dentist change before the 21st of the month for the change to be effective the first day of the next month.

Before you can change your contract dentist, you must also complete any treatment in progress, such as (a) partial or full dentures for which final impressions have been taken, (b) completion of root canals, or (c) delivery of crowns when teeth have been prepared.

Q: How do I make an appointment?

A: To make an appointment, simply call your contract dentist's office and let them know you're a DeltaCare USA enrollee. If you have questions about available appointments or being able to get to a dentist, call Delta Dental's Customer Service Department toll-free at **1-877-644-1774 (TTY 711)**, Monday through Friday, 8 a.m. to 8 p.m. Eastern time; 7 days a week, October 1 to February 15, 8 a.m. to 8 p.m. ET.

To get covered services, you must go to your assigned Delta dentist. Services provided by a specialist preapproved by Delta Dental or emergency services are exceptions. Any other treatment is not covered under this dental program.

Q: What happens if I have an emergency?

A: If you need emergency services, you should get in touch with your contract dentist whenever possible. If you don't have an assigned contract dentist yet and you need emergency services, you should contact Delta Dental's Customer Service Department toll-free at **1-877-644-1774 (TTY 711)**, Monday through Friday, 8 a.m. to 8 p.m. Eastern time; 7 days a week, October 1 to February 15, 8 a.m. to 8 p.m. ET, and they will help you find a dentist. For more information about emergency benefits, see your Senior Advantage **Evidence of Coverage**.

Q: Can I get a second opinion?

A: You may ask for a second opinion if you disagree with or question your contract dentist's diagnosis or treatment plan. Delta Dental may also ask you to get a second opinion to confirm that your contract dentist's treatment or your use of benefits is necessary and appropriate. For more information, see your Senior Advantage **Evidence of Coverage**.

Hear well. Live well.

Good hearing can help you enjoy life to the fullest – making you more confident, secure, and connected to your world.

Millions of Americans have some degree of hearing loss. Among people over 50, it's the third most common health issue, behind heart disease and arthritis. But now more than ever, hearing loss doesn't mean that your quality of life has to change. Today's hearing products are smaller, more effective, and more comfortable than they were in the past.

Hearing benefits from Advantage Plus can help make sure you're not missing the sounds and conversations that make life more fulfilling.

Health tip:

Quick hearing self-check

If you think you have a hearing problem, get your hearing checked by **Kaiser Permanente** or our **hearing aid partners at a HearUSA center near you**. Use these questions for a simple self-check of your hearing health:

- Do you often ask people to speak up or repeat themselves?
- Do you have trouble following conversations in a noisy room or understanding speech on the phone?
- Do you have trouble hearing the sound of your telephone, alarm clock, or doorbell?
- Do others complain that your TV or stereo is too loud?

Frequently asked questions

Hearing services for Kaiser Permanente members are provided by the following:

- Kaiser Permanente Audiology Department
- HEARx West, doing business as HearUSA, is a limited liability company owned by The Permanente Federation LLC, Kaiser Foundation Health Plan, Inc., and HearUSA (a wholly owned subsidiary of WS Audiology). The Southern California Permanente Medical Group has a membership interest in the Permanente Federation. HearUSA works with your health plan to provide a broad range of affordable hearing care products and services

Q: Which hearing tests are covered?

A: Your current Kaiser Permanente Senior Advantage plan covers diagnostic hearing tests to check if you need hearing correction or to make a diagnosis when you think you're having a hearing problem. You can get a diagnostic audiology test at the copay that's described in your Senior Advantage **Evidence of Coverage**. If you think you're losing your hearing, call the Kaiser Permanente Audiology Department. Hearing aid evaluations to help your hearing care professional recommend the correct hearing aid for you and confirm that the aid matches your prescription are covered at no extra charge. HearUSA will also test your hearing aids at no extra charge to make sure they're working properly.

Q: If I have hearing loss, what is my coverage for hearing aids?

A: If you're a Kaiser Permanente member with the Advantage Plus package, you'll receive an additional **\$500** allowance toward the purchase of a hearing aid in each ear in addition to the standard allowance available to Senior Advantage members (see your Senior Advantage **Evidence of Coverage**). This allowance is available once every 3 years. If the hearing aid you purchase costs more than the entire allowance amount, you'll need to pay the difference.

Q: Where can I get my hearing aids?

A: To use your hearing aid benefit, you must purchase the aid at any of the HearUSA locations in Southern California. To find a location near you, see **page 10** or call HearUSA toll-free at **1-855-885-6512**, Monday through Friday, 5 a.m. to 5 p.m. (Note: Kaiser Permanente audiology departments do not service or carry hearing aids. Hearing aid benefits cannot be applied outside of HearUSA.)

Q: Do I need a referral or special claim form to use my hearing aid benefit?

A: No. You don't need referrals or claim forms for hearing aids.

Q: Are there any limits to the type or style of hearing aid I can get?

A: To use your hearing aid benefit, you may purchase your hearing aids at any HearUSA center. Your HearUSA hearing care professional will help you choose hearing aids that best meet your needs. A complete range of technologies and styles is available, and your test results and recommended treatment options will be explained to you.

Q: What if I have a medical problem with my hearing?

A: If the Kaiser Permanente or HearUSA hearing care provider finds a medical problem during your exam, they'll update your primary care doctor and help you get the correct medical follow-up.

Q: What if I need service or repairs on my hearing aids?

A: If you bought your hearing aids at HearUSA, you have a limited warranty for a 3-year period. Batteries, repairs, and accessories are not covered under this benefit. Hearing aids and related services purchased at HearUSA may be covered by additional warranty by HearUSA – you should contact your HearUSA location for more details and options available to Kaiser Permanente members.

Focus on a healthier you

The gift of sight can enhance your quality of life. But as you age, your eyes and vision naturally change – so it's important to have an eye exam every 1 to 2 years.

At Vision Essentials by Kaiser Permanente, our ophthalmologists and optometrists are here to help. With specialists in vitreo retina, medical retina, corneal disease, glaucoma, oculoplastic, and low vision, you can get care that's focused on your needs.

And if your doctor prescribes eyeglasses or contact lenses, you don't have to go far. At our Vision Essentials Optical Centers, you can have an eye exam and shop over 1,000 styles in the same visit. Use your Advantage Plus benefits to buy the size, color, and fit that works for you.

Health tip:

Better night vision

If your night vision isn't what it used to be, keep these helpful nighttime driving guidelines in mind:

- Drive more slowly so that you have more time to react.
- Keep your windshield and all the lights on your car clean.
- Ask your eye care professional about getting anti-reflective coating on your eyeglass lenses to cut down on glare.
- Check with your doctor to find out if any medications you're taking can affect your night vision.

Frequently asked questions

Advantage Plus vision benefits are provided through Vision Essentials by Kaiser Permanente, conveniently located at most Kaiser Permanente medical offices. That means you can have an eye exam and purchase eyeglasses or contact lenses with your new prescription in the same visit. For information about vision services (including limitations and exclusions) covered by Senior Advantage and Advantage Plus, see Chapter 4 in your Senior Advantage **Evidence of Coverage**.

Q: What is my coverage for eyeglasses and contact lenses?

A: Kaiser Permanente members enrolled in Advantage Plus will receive a **\$280** allowance, plus the standard allowance included in the Senior Advantage plan, to apply toward the purchase of prescription eyeglasses or contact lenses. The allowance renews every 2 years from the last purchase date and is only redeemable at our Vision Essentials by Kaiser Permanente Optical Centers. Your balance doesn't carry over, so we recommend using your entire allowance in one transaction to get the most out of your vision benefit. Your purchase can include multiple pairs of eyeglasses, contact lenses, or both.

Q: After I first use my vision benefit, how soon can I use it again?

A: You can use your vision benefit again 2 years after the date you first use it.

Q: What does Vision Essentials by Kaiser Permanente offer?

A: Make an appointment with our experienced ophthalmologists, optometrists, and specialists to check your vision and help manage your eye health. If you're prescribed eyeglasses or contact lenses during your visit, you can browse and try on any of our 1,000+ frames on display at the optical center. Our opticians are available to help with frame styling and lens decisions.

Starting later in 2023, you can also visit **kp2020.org** anytime to browse and purchase eyewear with your vision benefit. You'll get free shipping and 30-day returns. Plus, if your prescription changes more than 0.50 diopters within 90 days of your order, you can get replacement lenses at no extra cost.
