Cost Share Summary

This "Cost Share Summary" is part of your Evidence of Coverage (*EOC*) and is meant to explain the amount you will pay for covered Services under this plan. It does not provide a full description of your benefits. For a full description of your benefits, including any limitations and exclusions, please read this entire *EOC*, including any amendments, carefully.

Accumulation Period

The Accumulation Period for this plan is January 1 through December 31.

Deductibles and Out-of-Pocket Maximums

For Services that apply to the Plan Out-of-Pocket Maximum, you will not pay any more Cost Share for the rest of the Accumulation Period once you have reached the amounts listed below.

For Services that are subject to the Plan Deductible or the Drug Deductible, you must pay Charges for covered Services you receive during the Accumulation Period until you reach the deductible amounts listed below. All payments you make toward your deductibles apply to the Plan Out-of-Pocket Maximum amounts listed below.

Amounts Per Accumulation Period	**Self-Only Coverage** (a Family of one Member)	**Family Coverage** Each Member in a Family of two or more Members	**Family Coverage** Entire Family of two or more Members

Cost Share Summary Tables by Benefit

How to read the Cost Share summary tables

Each table below explains the Cost Share for a category of benefits. Specific Services related to the benefit are described in the first column of each table. For a detailed description of coverage for a particular benefit, refer to the same benefit heading in the "Benefits" section of this *EOC*.

- **Copayment / Coinsurance**. This column describes the Cost Share you will pay for Services after you have met your Plan Deductible or Drug Deductible, if applicable. (Please see the "Deductibles and Out-of-Pocket Maximums" section above to determine if your plan includes deductibles.) If the Services are not covered in your plan, this column will read "Not covered." If we provide an Allowance that you can use toward the cost of the Services, this column will include the Allowance.
- **Subject to Deductible**. This column explains whether the Cost Share you pay for Services is subject to a Plan Deductible or Drug Deductible. If the Services are subject to a deductible, you will pay Charges for those Services until you have met your deductible. If the Services are subject to a deductible, there will be a "✓" or "D" in this column, depending on which deductible applies ("✓" for Plan Deductible, "D" for Drug Deductible). If the Services do not apply to a deductible, or if your plan does not include a deductible, this column will be blank. For a more detailed explanation of deductibles, refer to "Plan Deductible" and "Drug Deductible" in the "Benefits" section of this *EOC*.
- **Applies to OOPM**. This column explains whether the Cost Share you pay for Services counts toward the Plan Out-of-Pocket Maximum ("OOPM") after you have met any applicable deductible. If the Services count toward the Plan OOPM, there will be a "✓" in this column. If the Services do not count toward the Plan OOPM, this column will be blank. For a more detailed explanation of the Plan OOPM, refer to "Plan Out-of-Pocket Maximum" heading in the "Benefits" section of this *EOC*.

Introduction

This *Combined Membership Agreement, Evidence of Coverage, and Disclosure Form ("EOC")* describes the health care coverage of " Kaiser Permanente - Silver 70 HMO." This *EOC,* your Premiums included in your renewal materials, and which are incorporated into this *EOC* by reference, and any amendments, constitute the legally binding contract between Kaiser Foundation Health Plan, Inc. ("Health Plan") and the Subscriber.

For benefits provided under any other program, refer to that other plan's evidence of coverage.

Once enrolled in other coverage made available through Health Plan, that other plan's evidence of coverage cannot be cancelled without cancelling coverage under this *EOC*, unless the change is made during open enrollment or a special enrollment period.

In this *EOC*, Health Plan is sometimes referred to as "we" or "us." Members are sometimes referred to as "you." Some capitalized terms have special meaning in this *EOC*; please see the "Definitions" section for terms you should know.

It is important to familiarize yourself with your coverage by reading this *EOC* completely, so that you can take full advantage of your Health Plan benefits. Also, if you have special health care needs, please carefully read the sections that apply to you.

About Kaiser Permanente

PLEASE READ THE FOLLOWING INFORMATION SO THAT YOU WILL KNOW FROM WHOM OR WHAT GROUP OF PROVIDERS YOU MAY GET HEALTH CARE.

When you join Kaiser Permanente, you are enrolling in one of two Health Plan Regions in California (either our Northern California Region or Southern California Region), which we call your "Home Region." The Service Area of each Region is described in the "Definitions" section of this *EOC*. The coverage information in this *EOC* applies when you obtain care in your Home Region. When you visit the other California Region, you may receive care as described in "Receiving Care Outside of Your Home Region" in the "How to Obtain Services" section.

Kaiser Permanente provides Services directly to our Members through an integrated medical care program. Health Plan, Plan Hospitals, and the Medical Group work together to provide our Members with quality care. Our medical care program gives you access to all of the covered Services you may need, such as routine care with your own personal Plan Physician, hospital care, laboratory and pharmacy Services, Emergency Services, Urgent Care, and other benefits described in this *EOC*. Plus, our health education programs offer you great ways to protect and improve your health.

We provide covered Services to Members using Plan Providers located in your Home Region Service Area, which is described in the "Definitions" section. You must receive all covered care from Plan Providers inside your Home Region Service Area, except as described in the sections listed below for the following Services:

- Authorized referrals as described under "Getting a Referral" in the "How to Obtain Services" section
- Emergency ambulance Services as described under "Ambulance Services" in the "Benefits" section
- Emergency Services, Post-Stabilization Care, and Out-of-Area Urgent Care as described in the "Emergency Services and Urgent Care" section
- Hospice care as described under "Hospice Care" in the "Benefits" section
- Visiting Member Services as described under "Receiving Care Outside of Your Home Region" in the "How to Obtain Services" section

Term of this *EOC*, Renewal, and Amendment

Term of this *EOC*

This *EOC* becomes effective on the membership effective date in the Subscriber's acceptance letter and will remain in effect until one of the following occurs:

- The *EOC* is amended as described under "Amendment of *EOC*" in this "Introduction" section
- There are no longer any Members in your Family who are covered under this *EOC*

Note: Your membership may terminate or be rescinded even if this *EOC* remains in effect for other covered Members of your Family. The "Termination of Membership" section explains how membership may terminate or be rescinded.

Renewal

If you comply with all of the terms of this *EOC*, we will automatically renew this *EOC* each year, effective January 1. Terms of the *EOC* will remain the same when we renew it unless we have amended the *EOC* as

described under "Amendment of *EOC*" in this "Term of this *EOC*, Renewal, and Amendment" section.

Amendment of *EOC*

In accord with "Notices Regarding Your Coverage" in the "Miscellaneous Provisions" section, **we may amend this *EOC* (including Premiums and benefits) at any time by sending written notice to the Subscriber at least 15 days prior to the start of the annual open enrollment period or 60 days before the effective date of the amendment**.

An amendment may become effective earlier than the end of the period for which you have already paid your Premiums, and it may require you to pay additional Premiums for that period. All amendments are deemed accepted by the Subscriber unless the Subscriber gives us written notice of non-acceptance within 30 days of the date of the notice, in which case this *EOC* terminates the day before the effective date of the amendment.

If we notified the Subscriber that we have not received all necessary governmental approvals related to this *EOC*, we may amend this *EOC* by giving written notice to the Subscriber after receiving all necessary governmental approval, in accord with "Notices Regarding Your Coverage" in the "Miscellaneous Provisions" section. Any such government-approved provisions go into effect on January 1, 2022 (unless the government requires a later effective date).

Definitions

Some terms have special meaning in this *EOC*. When we use a term with special meaning in only one section of this *EOC*, we define it in that section. The terms in this "Definitions" section have special meaning when capitalized and used in any section of this *EOC*.

Accumulation Period: A period of time no greater than 12 consecutive months for purposes of accumulating amounts toward any deductibles (if applicable), out-of-pocket maximums, and benefit limits. For each ZIP code listed for a county, your Home Region Service Area includes only the part of that ZIP code that is in that county. When a ZIP code spans more than one county, the part of that ZIP code that is in another county is not inside your Home Region Service Area unless that other county is listed above and that ZIP code is also listed for that other county.

If you have a question about whether a ZIP code is in your Home Region Service Area, please call our Member Service Contact Center.

Note: We may expand your Home Region Service Area at any time by giving written notice to the Subscriber. ZIP codes are subject to change by the U.S. Postal Service.

Services: Health care services or items ("health care" includes physical health care, mental health care, and substance use disorder treatment), and behavioral health treatment covered under "Behavioral Health Treatment for Autism Spectrum Disorder" in the "Benefits" section.

Skilled Nursing Facility: A facility that provides inpatient skilled nursing care, rehabilitation services, or other related health services and is licensed by the state of California. The facility's primary business must be the provision of 24-hour-a-day licensed skilled nursing care. The term "Skilled Nursing Facility" does not include convalescent nursing homes, rest facilities, or facilities for the aged, if those facilities furnish primarily custodial care, including training in routines of daily living. A "Skilled Nursing Facility" may also be a unit or section within another facility (for example, a hospital) as long as it continues to meet this definition.

Spouse: The person to whom the Subscriber is legally married under applicable law. For the purposes of this *EOC*, the term "Spouse" includes the Subscriber's domestic partner. "Domestic partners" are two people who are registered and legally recognized as domestic partners by California.

Stabilize: To provide the medical treatment of the Emergency Medical Condition that is necessary to assure, within reasonable medical probability, that no material deterioration of the condition is likely to result from or occur during the transfer of the person from the facility. With respect to a pregnant woman who is having contractions, when there is inadequate time to safely transfer her to another hospital before delivery (or the transfer may pose a threat to the health or safety of the

woman or unborn child), "Stabilize" means to deliver (including the placenta).

Subscriber: A Member who is eligible for membership on their own behalf and not by virtue of Dependent status and for whom we have received applicable Premiums.

Telehealth Visits: Interactive video visits and scheduled telephone visits between you and your provider.

Urgent Care: Medically Necessary Services for a condition that requires prompt medical attention but is not an Emergency Medical Condition.

Premiums, Eligibility, and Enrollment

Premiums

Only Members for whom we have received Full Premiums are entitled to coverage under this *EOC*, and then only for the period for which we have received the required Premium payment. You must prepay the Premiums included in your renewal materials for each month on or before the last day of the preceding month. Returned checks or insufficient funds on electronic payments will be subject to a $20 fee. If we do not receive your Premium payment by the due date, we may terminate your membership as described under "Termination for Nonpayment of Premiums" in the "Termination of Membership" section.

Effective date of Premiums for new Members

Premiums are effective on the same day that the new Member's coverage is effective. For effective dates for open enrollment, see "Open enrollment period" under "How to Enroll and When Coverage Begins" in this "Premiums, Eligibility, and Enrollment" section. For information about effective dates for special enrollment, visit **kp.org/specialenrollment** or call our Member Service Contact Center.

When your Premiums may change

We may amend the Premiums included in your renewal materials by sending written notice at least 60 days before the effective date of the amendment, as described under "Amendment of *EOC*" under "Term of this *EOC*, Renewal, and Amendment" in the "Introduction" section.

Also, your Premiums may change as follows:

- When you add a new Dependent, Premiums are effective as described under "Effective date of Premiums for new Members" in this "Premiums" section
- When you drop Dependents or move to a new rate area, any change in Premiums will take effect at the same time the change becomes effective
- When you progress to a new age band, any change in Premiums will take effect upon renewal. Note: If your application for health coverage provided an incorrect birth date, Premiums will be adjusted to reflect the correct age as of the effective date of coverage for the current plan year

For more information about how Premiums may change, please see the Rate Chart Guide on our website at **kp.org/renewalinfo** or call our Member Service Contact Center.

If a government agency or other taxing authority imposes or increases a tax or other charge (other than a tax on or measured by net income) upon Health Plan or Plan Providers (or any of their activities), we may increase Premiums to include your share of the new or increased tax or charge by sending written notice to the Subscriber at least 30 days prior to the effective date of the change. Your share is determined by dividing the number of enrolled Members in your Family by the total number of Members enrolled in your Home Region Service Area.

Premiums for Ancillary Coverage

If you have selected Ancillary Coverage provided under any other program, the Premium for that Ancillary Coverage will be billed together with required Premiums for coverage under this *EOC*. Full Premiums will then also include Premium for Ancillary Coverage. This means if you do not pay the Full Premiums owed by the due date, we may terminate your membership under this *EOC* and any Ancillary Coverage, as described in the "Termination for Nonpayment of Premiums" section.

Who Is Eligible

To enroll and to continue enrollment, you must meet all of the eligibility requirements described in this "Who Is Eligible" section.

Service Area eligibility requirements if you are enrolled through Covered California

When you join Kaiser Permanente, you are enrolling in one of two Health Plan Regions in California (either our Northern California Region or Southern California Region), which we call your "Home Region." The Service Area of each Region is described in the "Definitions" section of this *EOC*. The Subscriber must live in the Service Area of one of our California Regions. The coverage information in this *EOC* applies when you obtain care in your Home Region. When you visit the

other California Region, you may receive care as described in "Receiving Care Outside of Your Home Region" in the "How to Obtain Services" section of this *EOC*.

Service Area eligibility requirements if you are enrolled directly with Kaiser Permanente

When you join Kaiser Permanente, you are enrolling in one of two Health Plan Regions in California (either our Northern California Region or Southern California Region), which we call your "Home Region." The Service Area of each Region is described in the "Definitions" section of this *EOC*. The Subscriber must live in the Service Area of one of our California Regions at the time they enroll. The coverage information in this *EOC* applies when you obtain care in your Home Region. When you visit the other California Region, you may receive care as described in "Receiving Care Outside of Your Home Region" in the "How to Obtain Services" section of this *EOC*.

If the Subscriber moves from your Home Region to the other California Region, we will transfer the membership of the Subscriber and all Dependents to the Individuals and Families Plan in that Region that is most similar to this plan. All terms and conditions in your application for health coverage, including the Conditions of Acceptance and Arbitration Agreement, will continue to apply. We will provide the Subscriber with the effective date of coverage and a Kaiser Permanente ID card for each Member of the Family with a new medical record number on it. For more information about premiums that apply in the other California Region, refer to the Rate Chart Guide on our website at **kp.org/renewalinfo** or call our Member Service Contact Center.

If the Subscriber moves to the service area of a Region outside California, you may be able to apply for membership in that Region by contacting the member or customer service department there, but the plan, including coverage, premiums, and eligibility requirements, might not be the same as under this *EOC*.

If the Subscriber moves anywhere else outside your Home Region Service Area after enrollment, you can continue your membership as long as you meet all other eligibility requirements. However, you must receive covered Services from Plan Providers inside your Home Region Service Area, except as described in the sections listed below for the following Services:

- Authorized referrals as described under "Getting a Referral" in the "How to Obtain Services" section
- Emergency ambulance Services as described under "Ambulance Services" in the "Benefits" section
- Emergency Services, Post-Stabilization Care, and Out-of-Area Urgent Care as described in the "Emergency Services and Urgent Care" section
- Hospice care as described under "Hospice Care" in the "Benefits" section
- Visiting Member Services as described under "Receiving Care Outside of Your Home Region" in the "How to Obtain Services" section

Eligibility as a Dependent

Enrolling a Dependent

If you are a Subscriber, the following persons are eligible to enroll as your Dependents:

- Your Spouse
- Your or your Spouse's Dependent children, who meet the requirements described under "Age limit of Dependent children," if they are any of the following:
  - sons, daughters, or stepchildren
  - adopted children
  - children placed with you for adoption
  - foster children if you or your Spouse have the legal authority to direct their care
  - children for whom you or your Spouse is the court-appointed guardian (or was when the child reached age 18)
- Children whose parent is a Dependent under your family coverage (including adopted children and children placed with your Dependent for adoption) if they meet all of the following requirements:
  - they are not married and do not have a domestic partner (for the purposes of this requirement only, "domestic partner" means someone who is registered and legally recognized as a domestic partner by California)
  - they meet the requirements described under "Age limit of Dependent children"
  - they receive all of their support and maintenance from you or your Spouse
  - they permanently reside with you or your Spouse

If you have a baby

If you have a baby while enrolled under this *EOC*, the baby is not automatically enrolled in this plan. The Subscriber must request enrollment of the baby as described under "Special enrollment" in the "How to Enroll and When Coverage Begins" section below. If the Subscriber does not request enrollment within this special enrollment period, the baby will only be covered under this plan for 31 days (including the date of birth),

or until the date the baby is enrolled in other coverage, whichever happens first.

Age limit of Dependent children

Children must be under age 26 as of the effective date of this *EOC* to enroll as a Dependent under your plan.

Dependent children are eligible to remain on the plan through the end of the calendar year, as long as they are under the age limit on the effective date of this *EOC*.

Dependent children of the Subscriber or Spouse (including adopted children and children placed with you for adoption) who reach the age limit may continue coverage under this *EOC* if all of the following conditions are met:

- They meet all requirements to be a Dependent except for the age limit
- They are incapable of self-sustaining employment because of a physically- or mentally-disabling injury, illness, or condition that occurred before they reached the age limit for Dependents
- They receive 50 percent or more of their support and maintenance from you or your Spouse
- You give us proof of their incapacity and dependency within 60 days after we request it (see "Disabled Dependent certification" below in this "Eligibility as a Dependent" section)

Disabled Dependent certification

One of the requirements for a Dependent to be eligible to continue coverage as a disabled Dependent is that the Subscriber must provide us documentation of the dependent's incapacity and dependency as follows:

- If the child is a Member, we will send the Subscriber a notice of the Dependent's membership termination due to loss of eligibility at least 90 days before the date coverage will end due to reaching the age limit. The Dependent's membership will terminate as described in our notice unless the Subscriber provides us documentation of the Dependent's incapacity and dependency within 60 days of receipt of our notice and we determine that the Dependent is eligible as a disabled dependent. If the Subscriber provides us this documentation in the specified time period and we do not make a determination about eligibility before the termination date, coverage will continue until we make a determination. If we determine that the Dependent does not meet the eligibility requirements as a disabled dependent, we will notify the Subscriber that the Dependent is not eligible and let the Subscriber know the membership termination date. If we determine that the Dependent is eligible as a disabled dependent, there will be no lapse in coverage. Also, starting two years after the date that the Dependent reached the age limit, the Subscriber must provide us documentation of the Dependent's incapacity and dependency annually within 60 days after we request it so that we can determine if the Dependent continues to be eligible as a disabled dependent
- If the child is not a Member because you are changing coverage, you must give us proof, within 60 days after we request it, of the child's incapacity and dependency as well as proof of the child's coverage under your prior coverage. In the future, you must provide proof of the child's continued incapacity and dependency within 60 days after you receive our request, but not more frequently than annually

Persons barred from enrolling

You cannot enroll if you have had your entitlement to receive Services through Health Plan terminated for cause.

Members with Medicare

This plan is not intended for most Medicare beneficiaries. If you are (or become) eligible for Medicare during the term of this *EOC*, you may be able to enroll in Kaiser Permanente Senior Advantage. The premiums and coverage under our Senior Advantage plan are different from those under this *EOC*.

Medicare late enrollment penalties

If you become eligible for Medicare Part B and do not enroll, Medicare may require you to pay a late enrollment penalty if you later enroll in Medicare Part B. However, if you delay enrollment in Part B because you or your spouse are still working and have coverage through an employer group health plan, you may not have to pay the penalty. Also, if you are (or become) eligible for Medicare and go without creditable prescription drug coverage (drug coverage that is at least as good as the standard Medicare Part D prescription drug coverage) for a continuous period of 63 days or more, you may have to pay a late enrollment penalty if you later sign up for Medicare prescription drug coverage. If you are (or become) eligible for Medicare, we will send you a notice that tells you whether your drug coverage under this *EOC* is creditable prescription drug coverage at the times required by the Centers for Medicare & Medicaid Services and upon your request. For more information, call our Member Service Contact Center.

How to Enroll and When Coverage Begins

How to enroll through Covered California

To request enrollment, you must submit a completed application to Covered California along with any other information that they require. For information about how to apply for a plan through Covered California, visit the Covered California website at **CoveredCA.com** or call the Covered California Service Center at the number listed under "How to Reach Covered California" in the "Helpful Information" section.

How to enroll directly through Kaiser Permanente

When you first request enrollment, you must submit a completed application for health coverage for the Subscriber and any Dependents. If you are eligible for Medicare Part A or have Medicare Part B, you cannot enroll because this plan would duplicate your Medicare benefits. The annual open enrollment period is described under "Open enrollment period" in this "How to Enroll and When Coverage Begins" section. For information about special enrollment periods, refer to "Special enrollment" in this "How to Enroll and When Coverage Begins" section. If you are requesting enrollment in accord with the "Special enrollment" section, you will be required to provide proof that you have experienced a qualifying life event.

If you are already enrolled as a Subscriber and want to request enrollment of a Dependent during the annual open enrollment period or a special enrollment period, you must submit a completed account change form. The annual open enrollment period is described under "Open enrollment period" in this "How to Enroll and When Coverage Begins" section. For information about special enrollment periods, refer to "Special enrollment" in this "How to Enroll and When Coverage Begins" section. If you are requesting enrollment of a Dependent in accord with the "Special enrollment" section, you will be required to provide proof that you have experienced a qualifying life event.

Note: During the enrollment process if we discover that you or someone on your behalf intentionally provided incomplete or incorrect material information on your enrollment application, we will rescind your membership. This means that we will completely cancel your membership so that no coverage ever existed. If your membership is rescinded, you must pay full Charges for any Services you received. Refer to "Rescission of Membership" in the "Termination of Membership" section for details.

Selecting and switching your benefit plan

When you first enroll, you must select a plan to enroll in. You cannot switch plans until the next open enrollment period unless you qualify for special enrollment (for more information, see "Special Enrollment" in this "How to Enroll and When Coverage Begins" section). Also, you cannot switch plans if you are eligible for Medicare Part A or have Medicare Part B because enrollment into a new plan would duplicate your Medicare benefits. If you qualify for special enrollment and are thinking about switching to a different plan, please examine your coverage options carefully. Cost Share and Premiums vary between plans. To learn more about other plans we offer, call our Member Service Contact Center. If you want a copy of the membership agreement and evidence of coverage for another plan we offer, ask the representative to send you one.

Open enrollment period

You may apply for enrollment by submitting an application or account change form as described in the "How to Enroll and When Coverage Begins" section during the open enrollment period. The open enrollment period is established by California law each year. Visit **kp.org/compareplans** or **CoveredCA.com** for more information on the open enrollment period, including applicable dates. If your application is accepted during the open enrollment period, we will notify you of your membership effective date. If you have questions, please call our Member Service Contact Center.

Special enrollment

You may apply for enrollment as a Subscriber (and existing Subscribers may apply to enroll Dependents) by submitting an application or account change form, as described in this "How to Enroll and When Coverage Begins" section, if one of the people applying for coverage experiences a qualifying life event. For the most current list of special enrollment qualifying life events, deadlines for submitting your request for enrollment, and information about effective dates, visit **kp.org/specialenrollment** or call our Member Service Contact Center to request a printed copy.

How to appeal if your application is declined

If your request for enrollment is declined, you may appeal this decision using one of the following processes:

- If we decline your request for enrollment, you may appeal by filing a grievance. Refer to "Grievances" in the "Dispute Resolution" section for information on how to file a grievance
- If Covered California declines your request for enrollment in coverage offered through Covered

California, you may appeal by following the process described in Covered California's notice

How to Obtain Services

As a Member, you are selecting our medical care program to provide your health care. You must receive all covered care from Plan Providers inside your Home Region Service Area, except as described in the sections listed below for the following Services:

- Authorized referrals as described under "Getting a Referral" in this "How to Obtain Services" section
- Emergency ambulance Services as described under "Ambulance Services" in the "Benefits" section
- Emergency Services, Post-Stabilization Care, and Out-of-Area Urgent Care as described in the "Emergency Services and Urgent Care" section
- Hospice care as described under "Hospice Care" in the "Benefits" section
- Visiting Member Services as described under "Receiving Care Outside of Your Home Region" in this "How to Obtain Services" section

As a Member, you are enrolled in one of two Health Plan Regions in California (either our Northern California Region or Southern California Region), called your Home Region. The coverage information in this *EOC* applies when you obtain care in your Home Region.

Our medical care program gives you access to all of the covered Services you may need, such as routine care with your own personal Plan Physician, hospital care, laboratory and pharmacy Services, Emergency Services, Urgent Care, and other benefits described in this *EOC*.

Routine Care

If you need the following Services, you should schedule an appointment:

- Preventive Services
- Periodic follow-up care (regularly scheduled follow-up care, such as visits to monitor a chronic condition)
- Other care that is not Urgent Care

To request a non-urgent appointment, you can call your local Plan Facility or request the appointment online. For appointment phone numbers, refer to our Provider Directory or call our Member Service Contact Center. To request an appointment online, go to our website at **kp.org**.

Urgent Care

An Urgent Care need is one that requires prompt medical attention but is not an Emergency Medical Condition. If you think you may need Urgent Care, call the appropriate appointment or advice phone number at a Plan Facility. For phone numbers, refer to our Provider Directory or call our Member Service Contact Center.

For information about Out-of-Area Urgent Care, refer to "Urgent Care" in the "Emergency Services and Urgent Care" section.

Not Sure What Kind of Care You Need?

Sometimes it's difficult to know what kind of care you need, so we have licensed health care professionals available to assist you by phone 24 hours a day, seven days a week. Here are some of the ways they can help you:

- They can answer questions about a health concern, and instruct you on self-care at home if appropriate
- They can advise you about whether you should get medical care, and how and where to get care (for example, if you are not sure whether your condition is an Emergency Medical Condition, they can help you decide whether you need Emergency Services or Urgent Care, and how and where to get that care)
- They can tell you what to do if you need care and a Plan Medical Office is closed or you are outside your Home Region Service Area

You can reach one of these licensed health care professionals by calling the appointment or advice phone number (for phone numbers, refer to our Provider Directory or call our Member Service Contact Center). When you call, a trained support person may ask you questions to help determine how to direct your call.

Your Personal Plan Physician

Personal Plan Physicians provide primary care and play an important role in coordinating care, including hospital stays and referrals to specialists.

We encourage you to choose a personal Plan Physician. You may choose any available personal Plan Physician. Parents may choose a pediatrician as the personal Plan Physician for their child. Most personal Plan Physicians are Primary Care Physicians (generalists in internal medicine, pediatrics, or family practice, or specialists in obstetrics/gynecology whom the Medical Group designates as Primary Care Physicians). Some specialists

who are not designated as Primary Care Physicians but who also provide primary care may be available as personal Plan Physicians. For example, some specialists in internal medicine and obstetrics/gynecology who are not designated as Primary Care Physicians may be available as personal Plan Physicians. However, if you choose a specialist who is not designated as a Primary Care Physician as your personal Plan Physician, the Cost Share for a Physician Specialist Visit will apply to all visits with the specialist except for routine preventive visits listed under "Preventive Services" in the "Benefits" section.

To learn how to select or change to a different personal Plan Physician, visit our website at **kp.org** or call our Member Service Contact Center. Refer to our Provider Directory for a list of physicians that are available as Primary Care Physicians. The directory is updated periodically. The availability of Primary Care Physicians may change. If you have questions, please call our Member Service Contact Center. You can change your personal Plan Physician at any time for any reason.

Getting a Referral

Referrals to Plan Providers

A Plan Physician must refer you before you can receive care from specialists, such as specialists in surgery, orthopedics, cardiology, oncology, dermatology, and physical, occupational, and speech therapies. Also, a Plan Physician must refer you before you can get care from Qualified Autism Service Providers covered under "Behavioral Health Treatment for Autism Spectrum Disorder" in the "Benefits" section. However, you do not need a referral or prior authorization to receive most care from any of the following Plan Providers:

- Your personal Plan Physician
- Generalists in internal medicine, pediatrics, and family practice
- Specialists in optometry, mental health Services, substance use disorder treatment, and obstetrics/gynecology

A Plan Physician must refer you before you can get care from a specialist in urology except that you do not need a referral to receive Services related to sexual or reproductive health, such as a vasectomy.

Although a referral or prior authorization is not required to receive most care from these providers, a referral may be required in the following situations:

- The provider may have to get prior authorization for certain Services in accord with "Medical Group authorization procedure for certain referrals" in this "Getting a Referral" section
- The provider may have to refer you to a specialist who has a clinical background related to your illness or condition

Standing referrals

If a Plan Physician refers you to a specialist, the referral will be for a specific treatment plan. Your treatment plan may include a standing referral if ongoing care from the specialist is prescribed. For example, if you have a life-threatening, degenerative, or disabling condition, you can get a standing referral to a specialist if ongoing care from the specialist is required.

Medical Group authorization procedure for certain referrals

The following are examples of Services that require prior authorization by the Medical Group for the Services to be covered ("prior authorization" means that the Medical Group must approve the Services in advance):

- Durable medical equipment
- Ostomy and urological supplies
- Services not available from Plan Providers
- Transplants

Utilization Management ("UM") is a process that determines whether a Service recommended by your treating provider is Medically Necessary for you. Prior authorization is a UM process that determines whether the requested services are Medically Necessary before care is provided. If it is Medically Necessary, then you will receive authorization to obtain that care in a clinically appropriate place consistent with the terms of your health coverage. Decisions regarding requests for authorization will be made only by licensed physicians or other appropriately licensed medical professionals.

For the complete list of Services that require prior authorization, and the criteria that are used to make authorization decisions, please visit our website at **kp.org/UM** or call our Member Service Contact Center to request a printed copy.

Refer to "Post-Stabilization Care" under "Emergency Services" in the "Emergency Services and Urgent Care" section for authorization requirements that apply to Post-Stabilization Care from Non–Plan Providers.

Additional information about prior authorization for durable medical equipment and ostomy and urological supplies

The prior authorization process for durable medical equipment and ostomy and urological supplies includes the use of formulary guidelines. These guidelines were developed by a multidisciplinary clinical and operational work group with review and input from Plan Physicians and medical professionals with clinical expertise. The formulary guidelines are periodically updated to keep pace with changes in medical technology and clinical practice.

If your Plan Physician prescribes one of these items, they will submit a written referral in accord with the UM process described in this "Medical Group authorization procedure for certain referrals" section. If the formulary guidelines do not specify that the prescribed item is appropriate for your medical condition, the referral will be submitted to the Medical Group's designee Plan Physician, who will make an authorization decision as described under "Medical Group's decision time frames" in this "Medical Group authorization procedure for certain referrals" section.

Medical Group's decision time frames

The applicable Medical Group designee will make the authorization decision within the time frame appropriate for your condition, but no later than five business days after receiving all of the information (including additional examination and test results) reasonably necessary to make the decision, except that decisions about urgent Services will be made no later than 72 hours after receipt of the information reasonably necessary to make the decision. If the Medical Group needs more time to make the decision because it doesn't have information reasonably necessary to make the decision, or because it has requested consultation by a particular specialist, you and your treating physician will be informed about the additional information, testing, or specialist that is needed, and the date that the Medical Group expects to make a decision.

Your treating physician will be informed of the decision within 24 hours after the decision is made. If the Services are authorized, your physician will be informed of the scope of the authorized Services. If the Medical Group does not authorize all of the Services, Health Plan will send you a written decision and explanation within two business days after the decision is made. Any written criteria that the Medical Group uses to make the decision to authorize, modify, delay, or deny the request for authorization will be made available to you upon request.

If the Medical Group does not authorize all of the Services requested and you want to appeal the decision, you can file a grievance as described under "Grievances" in the "Dispute Resolution" section.

For these referral Services, you pay the Cost Share required for Services provided by a Plan Provider as described in this *EOC*.

Travel and lodging for certain referrals

The following are examples of when we will arrange or provide reimbursement for certain travel and lodging expenses in accord with our Travel and Lodging Program Description:

- If Medical Group refers you to a provider that is more than 50 miles from where you live for certain specialty Services such as bariatric surgery, complex thoracic surgery, transplant nephrectomy, or inpatient chemotherapy for leukemia and lymphoma
- If Medical Group refers you to a provider that is outside your Home Region Service Area for certain specialty Services such as a transplant or transgender surgery

For the complete list of specialty Services for which we will arrange or provide reimbursement for travel and lodging expenses, the amount of reimbursement, limitations and exclusions, and how to request reimbursement, refer to the Travel and Lodging Program Description. The Travel and Lodging Program Description is available online at **kp.org/specialty-care/travel-reimbursements** or by calling our Member Service Contact Center.

Completion of Services from Non–Plan Providers

New Member

If you are currently receiving Services from a Non–Plan Provider in one of the cases listed below under "Eligibility" and your prior plan's coverage of the provider's Services has ended or will end when your coverage with us becomes effective, you may be eligible for limited coverage of that Non–Plan Provider's Services.

Terminated provider

If you are currently receiving covered Services in one of the cases listed below under "Eligibility" from a Plan Hospital or a Plan Physician (or certain other providers) when our contract with the provider ends (for reasons other than medical disciplinary cause or criminal activity), you may be eligible for limited coverage of that terminated provider's Services.

Eligibility

The cases that are subject to this completion of Services provision are:

- Acute conditions, which are medical conditions that involve a sudden onset of symptoms due to an illness, injury, or other medical problem that requires prompt medical attention and has a limited duration. We may cover these Services until the acute condition ends
- Serious chronic conditions until the earlier of (1) 12 months from your effective date of coverage if you are a new Member, (2) 12 months from the termination date of the terminated provider, or (3) the first day after a course of treatment is complete when it would be safe to transfer your care to a Plan Provider, as determined by Kaiser Permanente after consultation with the Member and Non–Plan Provider and consistent with good professional practice. Serious chronic conditions are illnesses or other medical conditions that are serious, if one of the following is true about the condition:
  - it persists without full cure
  - it worsens over an extended period of time
  - it requires ongoing treatment to maintain remission or prevent deterioration
- Pregnancy and immediate postpartum care. We may cover these Services for the duration of the pregnancy and immediate postpartum care
- Mental health conditions in pregnant Members that occur, or can impact the Member, during pregnancy or during the postpartum period including, but not limited to, postpartum depression. We may cover completion of these Services for up to 12 months from the mental health diagnosis or from the end of pregnancy, whichever occurs later
- Terminal illnesses, which are incurable or irreversible illnesses that have a high probability of causing death within a year or less. We may cover completion of these Services for the duration of the illness
- Children under age 3. We may cover completion of these Services until the earlier of (1) 12 months from the child's effective date of coverage if the child is a new Member, (2) 12 months from the termination date of the terminated provider, or (3) the child's third birthday
- Surgery or another procedure that is documented as part of a course of treatment and has been recommended and documented by the provider to occur within 180 days of your effective date of coverage if you are a new Member or within 180 days of the termination date of the terminated provider

To qualify for this completion of Services coverage, all of the following requirements must be met:

- Your Health Plan coverage is in effect on the date you receive the Services
- For new Members, your prior plan's coverage of the provider's Services has ended or will end when your coverage with us becomes effective
- You are receiving Services in one of the cases listed above from a Non–Plan Provider on your effective date of coverage if you are a new Member, or from the terminated Plan Provider on the provider's termination date
- For new Members, your prior coverage is no longer available in the market, including a health benefit plan that was withdrawn from any portion of the market
- The provider agrees to our standard contractual terms and conditions, such as conditions pertaining to payment and to providing Services inside your Home Region Service Area (the requirement that the provider agree to providing Services inside your Home Region Service Area doesn't apply if you were receiving covered Services from the provider outside the Service Area when the provider's contract terminated)
- The Services to be provided to you would be covered Services under this *EOC* if provided by a Plan Provider
- You request completion of Services within 30 days (or as soon as reasonably possible) from your effective date of coverage if you are a new Member or from the termination date of the Plan Provider

For completion of Services, you pay the Cost Share required for Services provided by a Plan Provider as described in this *EOC*.

More information

For more information about this provision, or to request the Services or a copy of our "Completion of Covered Services" policy, please call our Member Service Contact Center.

Second Opinions

If you want a second opinion, you can ask Member Services to help you arrange one with a Plan Physician who is an appropriately qualified medical professional for your condition. If there isn't a Plan Physician who is an appropriately qualified medical professional for your condition, Member Services will help you arrange a consultation with a Non–Plan Physician for a second

opinion. For purposes of this "Second Opinions" provision, an "appropriately qualified medical professional" is a physician who is acting within their scope of practice and who possesses a clinical background, including training and expertise, related to the illness or condition associated with the request for a second medical opinion.

Here are some examples of when a second opinion may be provided or authorized:

- Your Plan Physician has recommended a procedure and you are unsure about whether the procedure is reasonable or necessary
- You question a diagnosis or plan of care for a condition that threatens substantial impairment or loss of life, limb, or bodily functions
- The clinical indications are not clear or are complex and confusing
- A diagnosis is in doubt due to conflicting test results
- The Plan Physician is unable to diagnose the condition
- The treatment plan in progress is not improving your medical condition within an appropriate period of time, given the diagnosis and plan of care
- You have concerns about the diagnosis or plan of care

An authorization or denial of your request for a second opinion will be provided in an expeditious manner, as appropriate for your condition. If your request for a second opinion is denied, you will be notified in writing of the reasons for the denial and of your right to file a grievance as described under "Grievances" in the "Dispute Resolution" section.

For these referral Services, you pay the Cost Share required for Services provided by a Plan Provider as described in this *EOC*.

Contracts with Plan Providers

How Plan Providers are paid

Health Plan and Plan Providers are independent contractors. Plan Providers are paid in a number of ways, such as salary, capitation, per diem rates, case rates, fee for service, and incentive payments. To learn more about how Plan Physicians are paid to provide or arrange medical and hospital care for Members, please visit our website at **kp.org** or call our Member Service Contact Center.

Financial liability

Our contracts with Plan Providers provide that you are not liable for any amounts we owe. However, you may have to pay the full price of noncovered Services you obtain from Plan Providers or Non–Plan Providers.

When you are referred to a Plan Provider for covered Services, you pay the Cost Share required for Services from that provider as described in this *EOC*.

Breach of contract

We will give you written notice within a reasonable time if any contracted provider breaches a contract with us, or is not able to provide contracted Services, if you might be materially and adversely affected.

Termination of a Plan Provider's contract

If our contract with any Plan Provider terminates while you are under the care of that provider, we will retain financial responsibility for the covered Services you receive from that provider until we make arrangements for the Services to be provided by another Plan Provider and notify you of the arrangements. You may be eligible to receive Services from a terminated provider; refer to "Completion of Services from Non–Plan Providers" under "Getting a Referral" in this "How to Obtain Services" section.

Provider groups and hospitals

If you are assigned to a provider group or hospital whose contract with us terminates, or if you live within 15 miles of a hospital whose contract with us terminates, we will give you written notice at least 60 days before the termination (or as soon as reasonably possible).

Receiving Care Outside of Your Home Region

If you have questions about your coverage when you are away from home, call the Away from Home Travel Line at **1-951-268-3900** 24 hours a day, seven days a week (except closed holidays). For example, call this number for the following concerns:

- What you should do to prepare for your trip
- What Services are covered when you are outside your Home Region Service Area
- How to get care in another Region
- How to request reimbursement if you paid for covered Services outside your Home Region Service Area

You can also get information on our website at **kp.org/travel**.

Receiving care in the Service Area of another Region

If you are visiting in the service area of another Region, you may receive Visiting Member Services from designated providers in that Region. "Visiting Member Services" are Services that are covered under your Home Region plan that you receive in another Region, subject to exclusions, limitations, prior authorization or approval requirements, and reductions described in this *EOC* or the Visiting Member Brochure, which is available online at **kp.org**. Certain Services are not covered as Visiting Member Services. For more information about receiving Visiting Member Services in another Region, including provider and facility locations, or to obtain a copy of the Visiting Member Brochure, please call our Away from Home Travel Line at **1-951-268-3900** 24 hours a day, seven days a week (except closed holidays). Information is also available online at **kp.org/travel**.

For Visiting Member Services, you pay the Cost Share required for Services provided by a Plan Provider inside your Home Region Service Area as described in this *EOC*.

Receiving care outside of any Region

If you are traveling outside of a Kaiser Permanente Region, we cover Emergency Services and Urgent Care as described in the "Emergency Services and Urgent Care" section.

Your ID Card

Each Member's Kaiser Permanente ID card has a medical record number on it, which you will need when you call for advice, make an appointment, or go to a provider for covered care. When you get care, please bring your ID card and a photo ID. Your medical record number is used to identify your medical records and membership information. Your medical record number should never change. Please call our Member Service Contact Center if we ever inadvertently issue you more than one medical record number or if you need to replace your ID card.

Your ID card is for identification only. To receive covered Services, you must be a current Member. Anyone who is not a Member will be billed as a non-Member for any Services they receive. If you let someone else use your ID card, we may keep your ID card and terminate your membership as described under "Termination for Cause" in the "Termination of Membership" section.

Timely Access to Care

Standards for appointment availability

The California Department of Managed Health Care ("DMHC") developed the following standards for appointment availability. This information can help you know what to expect when you request an appointment.

- Urgent Care: within 48 hours
- Nonurgent Primary Care Visit or Non-Physician Specialist Visit: within 10 business days
- Physician Specialist Visit: within 15 business days

If you prefer to wait for a later appointment that will better fit your schedule or to see the Plan Provider of your choice, we will respect your preference. In some cases, your wait may be longer than the time listed if a licensed health care professional decides that a later appointment won't have a negative effect on your health.

The standards for appointment availability do not apply to Preventive Services. Your Plan Provider may recommend a specific schedule for Preventive Services, depending on your needs. The standards also do not apply to periodic follow-up care for ongoing conditions or standing referrals to specialists.

Timely access to telephone assistance

DMHC developed the following standards for answering telephone questions:

- For telephone advice about whether you need to get care and where to get care: within 30 minutes, 24 hours a day, seven days a week
- For general questions: within 10 minutes during normal business hours

Interpreter services

If you need interpreter services when you call us or when you get covered Services, please let us know. Interpreter services, including sign language, are available during all business hours at no cost to you. For more information on the interpreter services we offer, please call our Member Service Contact Center.

Getting Assistance

We want you to be satisfied with the health care you receive from Kaiser Permanente. If you have any questions or concerns, please discuss them with your personal Plan Physician or with other Plan Providers who are treating you. They are committed to your satisfaction and want to help you with your questions.

Cost Share estimates

For information about estimates, see "Getting an estimate of your Cost Share" under "Your Cost Share" in the "Benefits" section.

Plan Facilities

Plan Medical Offices and Plan Hospitals are listed in the Provider Directory for your Home Region. The directory describes the types of covered Services that are available from each Plan Facility, because some facilities provide only specific types of covered Services. This directory is available on our website at **kp.org/facilities**. To obtain a printed copy, call our Member Service Contact Center. The directory is updated periodically. The availability of Plan Facilities may change. If you have questions, please call our Member Service Contact Center.

At most of our Plan Facilities, you can usually receive all of the covered Services you need, including specialty care, pharmacy, and lab work. You are not restricted to a particular Plan Facility, and we encourage you to use the facility that will be most convenient for you:

- All Plan Hospitals provide inpatient Services and are open 24 hours a day, seven days a week
- Emergency Services are available from Plan Hospital Emergency Departments (for Emergency Department locations, refer to our Provider Directory or call our Member Service Contact Center)
- Same–day Urgent Care appointments are available at many locations (for Urgent Care locations, refer to our Provider Directory or call our Member Service Contact Center)
- Many Plan Medical Offices have evening and weekend appointments
- Many Plan Facilities have a Member Services Department (for locations, refer to our Provider Directory or call our Member Service Contact Center)

Note: State law requires evidence of coverage documents to include the following notice:

Some hospitals and other providers do not provide one or more of the following services that may be covered under your plan contract and that you or your family member might need: family planning; contraceptive services, including emergency contraception; sterilization, including tubal ligation at the time of labor and delivery; infertility treatments; or abortion. You should obtain more information before you enroll. Call your prospective doctor, medical group, independent practice association, or clinic, or call the Kaiser Permanente Member Service Contact Center, to ensure that you can obtain the health care services that you need.

Please be aware that if a Service is covered but not available at a particular Plan Facility, we will make it available to you at another facility.

Emergency Services and Urgent Care

Emergency Services

If you have an Emergency Medical Condition, call 911 (where available) or go to the nearest hospital

Emergency Department. You do not need prior authorization for Emergency Services. When you have an Emergency Medical Condition, we cover Emergency Services you receive from Plan Providers or Non–Plan Providers anywhere in the world.

Emergency Services are available from Plan Hospital Emergency Departments 24 hours a day, seven days a week.

Post-Stabilization Care

Post-Stabilization Care is Medically Necessary Services related to your Emergency Medical Condition that you receive in a hospital (including the Emergency Department) after your treating physician determines that this condition is Stabilized. Post-Stabilization Care also includes durable medical equipment covered under this *EOC*, if it is Medically Necessary after discharge from a hospital, and related to the same Emergency Medical Condition. For more information about durable medical equipment covered under this *EOC*, see "Durable Medical Equipment ("DME") for Home Use" in the "Benefits" section. We cover Post-Stabilization Care from a Non–Plan Provider only if we provide prior authorization for the care or if otherwise required by applicable law ("prior authorization" means that we must approve the Services in advance).

To request prior authorization, the Non–Plan Provider must call **1-800-225-8883** or the notification phone number on your Kaiser Permanente ID card *before* you receive the care. We will discuss your condition with the Non–Plan Provider. If we determine that you require Post-Stabilization Care and that this care is part of your covered benefits, we will authorize your care from the Non–Plan Provider or arrange to have a Plan Provider (or other designated provider) provide the care. If we decide to have a Plan Hospital, Plan Skilled Nursing Facility, or designated Non–Plan Provider provide your care, we may authorize special transportation services that are medically required to get you to the provider. This may include transportation that is otherwise not covered.

Be sure to ask the Non–Plan Provider to tell you what care (including any transportation) we have authorized because we will not cover Post-Stabilization Care or related transportation provided by Non–Plan Providers that has not been authorized. If you receive care from a Non–Plan Provider that we have not authorized, you may have to pay the full cost of that care. If you are admitted to a Non–Plan Hospital, please notify us as soon as possible by calling **1-800-225-8883** or the notification phone number on your ID card.

Your Cost Share

Your Cost Share for covered Emergency Services and Post-Stabilization Care is described in the "Cost Share Summary" section of this *EOC*. Your Cost Share is the same whether you receive the Services from a Plan Provider or a Non–Plan Provider. For example:

- If you receive Emergency Services in the Emergency Department of a Non–Plan Hospital, you pay the Cost Share for an Emergency Department visit as described in the "Cost Share Summary" under "Emergency and Urgent Care visits"
- If we gave prior authorization for inpatient Post-Stabilization Care in a Non–Plan Hospital, you pay the Cost Share for hospital inpatient care as described in the "Cost Share Summary" under "Hospital inpatient care"
- If we gave prior authorization for durable medical equipment after discharge from a Non–Plan Hospital, you pay the Cost Share for durable medical equipment as described in the "Cost Share Summary" under "Durable Medical Equipment ("DME") for home use"

Urgent Care

Inside the Service Area

An Urgent Care need is one that requires prompt medical attention but is not an Emergency Medical Condition. If you think you may need Urgent Care, call the appropriate appointment or advice phone number at a Plan Facility. For appointment and advice phone numbers, refer to our Provider Directory or call our Member Service Contact Center.

Out-of-Area Urgent Care

If you need Urgent Care due to an unforeseen illness, unforeseen injury, or unforeseen complication of an existing condition (including pregnancy), we cover Medically Necessary Services to prevent serious deterioration of your (or your unborn child's) health from a Non–Plan Provider if all of the following are true:

- You receive the Services from Non–Plan Providers while you are temporarily outside your Home Region Service Area
- A reasonable person would have believed that your (or your unborn child's) health would seriously deteriorate if you delayed treatment until you returned to your Home Region Service Area

You do not need prior authorization for Out-of-Area Urgent Care. We cover Out-of-Area Urgent Care you receive from Non–Plan Providers if the Services would

have been covered under this *EOC* if you had received them from Plan Providers.

To obtain follow-up care from a Plan Provider, call the appointment or advice phone number at a Plan Facility. For phone numbers, refer to our Provider Directory or call our Member Service Contact Center. We do not cover follow-up care from Non–Plan Providers after you no longer need Urgent Care, except for durable medical equipment covered under this *EOC*. For more information about durable medical equipment covered under this *EOC*, see "Durable Medical Equipment ("DME") for Home Use" in the "Benefits" section. If you require durable medical equipment related to your Urgent Care after receiving Out-of-Area Urgent Care, your provider must obtain prior authorization as described under "Getting a Referral" in the "How to Obtain Services" section.

Your Cost Share

Your Cost Share for covered Urgent Care is the Cost Share required for Services provided by Plan Providers as described in the "Cost Share Summary" section of this *EOC*. For example:

- If you receive an Urgent Care evaluation as part of covered Out-of-Area Urgent Care from a Non–Plan Provider, you pay the Cost Share for Urgent Care consultations, evaluations, and treatment as described in the "Cost Share Summary" under "Emergency and Urgent Care visits"
- If the Out-of-Area Urgent Care you receive includes an X-ray, you pay the Cost Share for an X-ray as described in the "Cost Share Summary" under "Outpatient imaging, laboratory, and other diagnostic and treatment Services," in addition to the Cost Share for the Urgent Care evaluation
- If we gave prior authorization for durable medical equipment provided as part of Out-of-Area Urgent Care, you pay the Cost Share for durable medical equipment as described in the "Cost Share Summary" under "Durable Medical Equipment ("DME") for home use"

Note: If you receive Urgent Care in an Emergency Department, you pay the Cost Share for an Emergency Department visit as described in the "Cost Share Summary" under "Emergency and Urgent Care visits."

Payment and Reimbursement

If you receive Emergency Services, Post-Stabilization Care, or Out-of-Area Urgent Care from a Non–Plan Provider as described in this "Emergency Services and Urgent Care" section, or emergency ambulance Services described under "Ambulance Services" in the "Benefits" section, you are not responsible for any amounts beyond your Cost Share for covered Emergency Services. However, if the provider does not agree to bill us, you may have to pay for the Services and file a claim for reimbursement. Also, you may be required to pay and file a claim for any Services prescribed by a Non–Plan Provider as part of covered Emergency Services, Post-Stabilization Care, and Out-of-Area Urgent Care even if you receive the Services from a Plan Provider, such as a Plan Pharmacy.

We will reduce any payment we make to you or the Non–Plan Provider by applicable Cost Share. Also, we will reduce our payment by any amounts paid or payable (or that in the absence of this plan would have been payable) for the Services under any insurance policy, or any other contract or coverage, or any government program except Medicaid. If payment under the other insurance or program is not made within a reasonable period of time, we will pay for covered Emergency Services, Post-Stabilization Care, and Out-of-Area Urgent Care received from Non–Plan Providers if you:

- Assign all rights to payment to us and agree to cooperate with us in obtaining payment
- Allow us to obtain any relevant information from the other insurance or program
- Provide us with any information and assistance we need to obtain payment from the other insurance or program

For information on how to file a claim, please see the "Post-Service Claims and Appeals" section.

Benefits

This section describes the Services that are covered under this *EOC*.

Services are covered under this *EOC* as specifically described in this *EOC*. Services that are not specifically described in this *EOC* are not covered, except as required by state or federal law. Please also refer to:

- The "Emergency Services and Urgent Care" section for information about how to obtain covered Emergency Services, Post-Stabilization Care, and Out-of-Area Urgent Care
- Our Provider Directory for the types of covered Services that are available from each Plan Facility, because some facilities provide only specific types of covered Services

Your Cost Share

Your Cost Share is the amount you are required to pay for covered Services. For example, your Cost Share may be a Copayment or Coinsurance.

If your coverage includes a Plan Deductible and you receive Services that are subject to the Plan Deductible, your Cost Share for those Services will be Charges until you reach the Plan Deductible. Similarly, if your coverage includes a Drug Deductible, and you receive Services that are subject to the Drug Deductible, your Cost Share for those Services will be Charges until you reach the Drug Deductible.

Refer to the "Cost Share Summary" section of this *EOC* for the amount you will pay for Services.

General rules, examples, and exceptions

Your Cost Share for covered Services will be the Cost Share in effect on the date you receive the Services, except as follows:

- If you are receiving covered inpatient hospital or Skilled Nursing Facility Services on the effective date of this *EOC*, you pay the Cost Share in effect on your admission date until you are discharged if the Services were covered under your prior Health Plan evidence of coverage and there has been no break in coverage. However, if the Services were not covered under your prior Health Plan evidence of coverage, or if there has been a break in coverage, you pay the Cost Share in effect on the date you receive the Services
- For items ordered in advance, you pay the Cost Share in effect on the order date (although we will not cover the item unless you still have coverage for it on the date you receive it) and you may be required to pay the Cost Share when the item is ordered. For outpatient prescription drugs, the order date is the date that the pharmacy processes the order after receiving all of the information they need to fill the prescription

Cost Share for Services received by newborn children of a Member

During the 31 days of automatic coverage for newborn children described under "Newborn coverage" under "Who Is Eligible" in the "Premiums, Eligibility, and Enrollment" section, the parent or guardian of the newborn must pay the Cost Share indicated in the "Cost Share Summary" section of this *EOC* for any Services

that the newborn receives, whether or not the newborn is enrolled. When the "Cost Share Summary" indicates the Services are subject to the Plan Deductible, the Cost Share for those Services will be Charges if the newborn has not met the Plan Deductible.

Payment toward your Cost Share (and when you may be billed)

In most cases, your provider will ask you to make a payment toward your Cost Share at the time you receive Services. If you receive more than one type of Services (such as a routine physical maintenance exam and laboratory tests), you may be required to pay separate Cost Share for each of those Services. Keep in mind that your payment toward your Cost Share may cover only a portion of your total Cost Share for the Services you receive, and you will be billed for any additional amounts that are due. The following are examples of when you may be asked to pay (or you may be billed for) Cost Share amounts in addition to the amount you pay at check-in:

- You receive non-preventive Services during a preventive visit. For example, you go in for a routine physical maintenance exam, and at check-in you pay your Cost Share for the preventive exam (your Cost Share may be "no charge"). However, during your preventive exam your provider finds a problem with your health and orders non-preventive Services to diagnose your problem (such as laboratory tests). You may be asked to pay (or you will be billed for) your Cost Share for these additional non-preventive diagnostic Services
- You receive diagnostic Services during a treatment visit. For example, you go in for treatment of an existing health condition, and at check-in you pay your Cost Share for a treatment visit. However, during the visit your provider finds a new problem with your health and performs or orders diagnostic Services (such as laboratory tests). You may be asked to pay (or you will be billed for) your Cost Share for these additional diagnostic Services
- You receive treatment Services during a diagnostic visit. For example, you go in for a diagnostic exam, and at check-in you pay your Cost Share for a diagnostic exam. However, during the diagnostic exam your provider confirms a problem with your health and performs treatment Services (such as an outpatient procedure). You may be asked to pay (or you will be billed for) your Cost Share for these additional treatment Services
- You receive Services from a second provider during your visit. For example, you go in for a diagnostic exam, and at check-in you pay your Cost Share for a diagnostic exam. However, during the diagnostic exam your provider requests a consultation with a specialist. You may be asked to pay (or you will be billed for) your Cost Share for the consultation with the specialist

In some cases, your provider will not ask you to make a payment at the time you receive Services, and you will be billed for your Cost Share (for example, some Laboratory Departments are not able to collect Cost Share, or your Plan Provider is not able to collect Cost Share, if any, for Telehealth Visits you receive at home).

When we send you a bill, it will list Charges for the Services you received, payments and credits applied to your account, and any amounts you still owe. Your current bill may not always reflect your most recent Charges and payments. Any Charges and payments that are not on the current bill will appear on a future bill. Sometimes, you may see a payment but not the related Charges for Services. That could be because your payment was recorded before the Charges for the Services were processed. If so, the Charges will appear on a future bill. Also, you may receive more than one bill for a single outpatient visit or inpatient stay. For example, you may receive a bill for physician services and a separate bill for hospital services. If you don't see all the Charges for Services on one bill, they will appear on a future bill. If we determine that you overpaid and are due a refund, then we will send a refund to you within four weeks after we make that determination. If you have questions about a bill, please call the phone number on the bill.

In some cases, a Non–Plan Provider may be involved in the provision of covered Services at a Plan Facility or a contracted facility where we have authorized you to receive care. You are not responsible for any amounts beyond your Cost Share for the covered Services you receive at Plan Facilities or at contracted facilities where we have authorized you to receive care. However, if the provider does not agree to bill us, you may have to pay for the Services and file a claim for reimbursement. For information on how to file a claim, please see the "Post-Service Claims and Appeals" section.

Primary Care Visits, Non-Physician Specialist Visits, and Physician Specialist Visits

The Cost Share for a Primary Care Visit applies to evaluations and treatment provided by generalists in internal medicine, pediatrics, or family practice, and by specialists in obstetrics/gynecology whom the Medical Group designates as Primary Care Physicians. Some physician specialists provide primary care in addition to specialty care but are not designated as Primary Care Physicians. If you receive Services from one of these specialists, the Cost Share for a Physician Specialist Visit

will apply to all consultations, evaluations, and treatment provided by the specialist except for routine preventive counseling and exams listed under "Preventive Services" in this "Benefits" section. For example, if your personal Plan Physician is a specialist in internal medicine or obstetrics/gynecology who is not a Primary Care Physician, you will pay the Cost Share for a Physician Specialist Visit for all consultations, evaluations, and treatment by the specialist except routine preventive counseling and exams listed under "Preventive Services" in this "Benefits" section. The Non-Physician Specialist Visit Cost Share applies to consultations, evaluations, and treatment provided by non-physician specialists (such as nurse practitioners, physician assistants, optometrists, podiatrists, and audiologists).

Noncovered Services

If you receive Services that are not covered under this *EOC*, you may have to pay the full price of those Services. Payments you make for noncovered Services do not apply to any deductible or out-of-pocket maximum.

Benefit limits

Some benefits may include a limit on the number of visits, days, or dollar amount that will be covered under your plan during a specified time period. If a benefit includes a limit, this will be indicated in the "Cost Share Summary" section of this *EOC*. The time period associated with a benefit limit may not be the same as the term of this *EOC*. We will count all Services you receive during the benefit limit period toward the benefit limit, including Services you received under a prior Health Plan *EOC* (as long as you have continuous coverage with Health Plan). Note: We will not count Services you received under a prior Health Plan *EOC* when you first enroll in individual plan coverage or a new employer group's plan, when you move from group to individual plan coverage (or vice versa), or when you received Services under a Kaiser Permanente Senior Advantage evidence of coverage. If you are enrolled in the Kaiser Permanente POS Plan, refer to your KPIC *Certificate of Insurance* and *Schedule of Coverage* for benefit limits that apply to your separate indemnity coverage provided by the Kaiser Permanente Insurance Company ("KPIC").

Getting an estimate of your Cost Share

If you have questions about the Cost Share for specific Services that you expect to receive or that your provider orders during a visit or procedure, please visit our website at **kp.org/memberestimates** to use our cost estimate tool or call our Member Service Contact Center.

- If you have a Plan Deductible and would like an estimate for Services that are subject to the Plan Deductible, please call **1-800-390-3507** (TTY users call **711**) Monday through Friday 6 a.m. to 5 p.m. Refer to the "Cost Share Summary" section of this *EOC* to find out if you have a Plan Deductible
- For all other Cost Share estimates, please call **1-800-464-4000** (TTY users call **711**) 24 hours a day, seven days a week (except closed holidays)

Cost Share estimates are based on your benefits and the Services you expect to receive. They are a prediction of cost and not a guarantee of the final cost of Services. Your final cost may be higher or lower than the estimate since not everything about your care can be known in advance.

Explanation of benefits

After you receive Services, we will send you an explanation of benefits statement. The explanation of benefits is not a bill. It shows your total accumulation toward the Plan Deductible and Plan Out-of-Pocket Maximum. You can also view a copy of your explanation of benefits on **kp.org** or you may request a copy by calling our Member Service Contact Center at **1-800-390-3507** (TTY users call **711**) Monday through Friday 6 a.m. to 5 p.m.

Drug Deductible

Refer to the "Cost Share Summary" section of this *EOC* for Services that are subject to the Drug Deductible and the Drug Deductible amount. When the Cost Share for the Services is described as "subject to the Drug Deductible," your Cost Share for those Services will be Charges until you reach the Drug Deductible. Note: When the Cost Share for the Services is described as "no charge subject to the Drug Deductible," your Cost Share for those Services will be Charges until you reach the Drug Deductible.

Plan Deductible

In any Accumulation Period, you must pay Charges for Services subject to the Plan Deductible until you reach one of the Plan Deductible amounts listed in the "Cost Share Summary" section of this *EOC*.

If you are a Member in a Family of two or more Members, you reach the Plan Deductible either when you reach the amount for any one Member, or when your entire Family reaches the Family amount. For example, suppose you have reached the deductible amount for any one Member. For Services subject to the Plan Deductible, you will not pay Charges during the remainder of the Accumulation Period, but every other Member in your Family must continue to pay Charges during the remainder of the Accumulation Period until either they reach the deductible amount for any one

Member, or the entire Family reaches the Family amount.

After you reach the Plan Deductible and for the remainder of the Accumulation Period, you pay the applicable Copayment or Coinsurance subject to the limits described under "Plan Out-of-Pocket Maximum" in this "Benefits" section.

Services that are subject to the Plan Deductible

The Cost Share that you must pay for covered Services is described in the "Cost Share Summary" section of this *EOC*. When the "Cost Share Summary" indicates the Services are subject to the Plan Deductible, your Cost Share for those Services will be Charges until you reach the Plan Deductible. Note: When the Cost Share for the Services is "no charge" and the "Cost Share Summary" indicates the Services are subject to the Plan Deductible, your Cost Share for those Services will be Charges until you reach the Plan Deductible. Also, if you pay a Plan Deductible amount for a Service that has a limit, such as a visit limit, the Services count toward reaching the limit.

The only payments that count toward the Plan Deductible are those you make for covered Services that are subject to this Plan Deductible under this *EOC.*

Keeping track of the Plan Deductible

When you pay an amount toward your Plan Deductible, we will give you a receipt that shows how much you paid. To see how close you are to reaching your Plan Deductible, use our online Out-of-Pocket Summary tool at **kp.org/outofpocket**, refer to your summary or explanation of benefits, or call our Member Service Contact Center.

Copayments and Coinsurance

The Copayment or Coinsurance you must pay for each covered Service, after you meet any applicable deductible, is described in this *EOC*.

Note: If Charges for Services are less than the Copayment described in this *EOC*, you will pay the lesser amount, subject to any applicable deductible or out-of-pocket maximum.

Plan Out-of-Pocket Maximum

There is a limit to the total amount of Cost Share you must pay under this *EOC* in the Accumulation Period for covered Services that you receive in the same Accumulation Period. The Services that apply to the Plan Out-of-Pocket Maximum are described under the "Payments that count toward the Plan Out-of-Pocket Maximum" section below. Refer to the "Cost Share Summary" section of this *EOC* for your applicable Plan Out-of-Pocket Maximum amounts.

If you are a Member in a Family of two or more Members, you reach the Plan Out-of-Pocket Maximum either when you reach the maximum for any one Member, or when your Family reaches the Family maximum. For example, suppose you have reached the Plan Out-of-Pocket Maximum for any one Member. For Services subject to the Plan Out-of-Pocket Maximum, you will not pay any more Cost Share during the remainder of the Accumulation Period, but every other Member in your Family must continue to pay Cost Share during the remainder of the Accumulation Period until either they reach the maximum for any one Member or your Family reaches the Family maximum.

Payments that count toward the Plan Out-of-Pocket Maximum

Any payments you make toward the Plan Deductible or Drug Deductible, if applicable, apply toward the maximum.

Most Copayments and Coinsurance you pay for covered Services apply to the maximum, however some may not. To find out whether a Copayment or Coinsurance for a covered Service will apply to the maximum refer to the "Cost Share Summary" section of this *EOC*.

If your plan includes pediatric dental Services described in a Pediatric Dental Services Amendment to this *EOC*, those Services will apply toward the maximum. If your plan has a Pediatric Dental Services Amendment, it will be attached to this *EOC*, and it will be listed in the *EOC's* Table of Contents.

Keeping track of the Plan Out-of-Pocket Maximum

When you receive Services, we will give you a receipt that shows how much you paid. To see how close you are to reaching your Plan Out-of-Pocket Maximum, use our online Out-of-Pocket Summary tool at **kp.org/outofpocket** or call our Member Service Contact Center.

Administered Drugs and Products

Administered drugs and products are medications and products that require administration or observation by medical personnel, such as:

- Whole blood, red blood cells, plasma, and platelets
- Allergy antigens (including administration)
- Cancer chemotherapy drugs and adjuncts

- Drugs and products that are administered via intravenous therapy or injection that are not for cancer chemotherapy, including blood factor products and biological products ("biologics") derived from tissue, cells, or blood
- Other administered drugs and products

We cover these items when prescribed by a Plan Provider, in accord with our drug formulary guidelines, and they are administered to you in a Plan Facility or during home visits.

Certain administered drugs are Preventive Services. Refer to "Family Planning Services" for information about administered contraceptives and refer to "Preventive Services" for information on immunizations.

Ambulance Services

Emergency

We cover Services of a licensed ambulance anywhere in the world without prior authorization (including transportation through the 911 emergency response system where available) in the following situations:

- You reasonably believed that the medical condition was an Emergency Medical Condition which required ambulance Services
- Your treating physician determines that you must be transported to another facility because your Emergency Medical Condition is not Stabilized and the care you need is not available at the treating facility

If you receive emergency ambulance Services that are not ordered by a Plan Provider, you are not responsible for any amounts beyond your Cost Share for covered emergency ambulance Services. However, if the provider does not agree to bill us, you may have to pay for the Services and file a claim for reimbursement. For information on how to file a claim, please see the "Post-Service Claims and Appeals" section.

Nonemergency

Inside your Home Region Service Area, we cover nonemergency ambulance and psychiatric transport van Services if a Plan Physician determines that your condition requires the use of Services that only a licensed ambulance (or psychiatric transport van) can provide and that the use of other means of transportation would endanger your health. These Services are covered only when the vehicle transports you to or from covered Services.

Ambulance Services exclusions

- Transportation by car, taxi, bus, gurney van, wheelchair van, and any other type of transportation (other than a licensed ambulance or psychiatric transport van), even if it is the only way to travel to a Plan Provider

Bariatric Surgery

- You complete the Medical Group–approved pre-surgical educational preparatory program regarding lifestyle changes necessary for long term bariatric surgery success
- A Plan Physician who is a specialist in bariatric care determines that the surgery is Medically Necessary

For covered Services related to bariatric surgical procedures that you receive, you will pay the Cost Share you would pay if the Services were not related to a bariatric surgical procedure. For example, see "Hospital inpatient care" in the "Cost Share Summary" section of this *EOC* for the Cost Share that applies for hospital inpatient care.

If a visit by a home health aide lasts longer than four hours, then each additional increment of four hours counts as a separate visit. For example, if a nurse comes to your home for three hours and then leaves, that counts as two visits. Also, each person providing Services counts toward these visit limits. How to obtain covered items

You must obtain covered items at a Plan Pharmacy or through our mail-order service unless you obtain the item as part of covered Emergency Services, Post-Stabilization Care, or Out-of-Area Urgent Care described in the "Emergency Services and Urgent Care" section.

For the locations of Plan Pharmacies, refer to our Provider Directory or call our Member Service Contact Center.

Refills

You may be able to order refills at a Plan Pharmacy, through our mail-order service, or through our website at **kp.org/rxrefill**. A Plan Pharmacy can give you more information about obtaining refills, including the options available to you for obtaining refills. For example, a few Plan Pharmacies don't dispense refills and not all drugs can be mailed through our mail-order service. Please check with a Plan Pharmacy if you have a question about whether your prescription can be mailed or obtained at a Plan Pharmacy. Items available through our mail-order service are subject to change at any time without notice.

Day supply limit

The prescribing physician or dentist determines how much of a drug, supply, or supplement to prescribe. For purposes of day supply coverage limits, Plan Physicians determine the amount of an item that constitutes a Medically Necessary 30- or 100-day supply (or 365-day supply if the item is a hormonal contraceptive) for you. Upon payment of the Cost Share specified in the "Outpatient prescription drugs, supplies, and supplements" section of the "Cost Share Summary," you will receive the supply prescribed up to the day supply limit also specified in this section. The maximum you may receive at one time of a covered item, other than a hormonal contraceptive, is either one 30-day supply in a 30-day period or one 100-day supply in a 100-day period. If you wish to receive more than the covered day supply limit, then you must pay Charges for any prescribed quantities that exceed the day supply limit.

If your plan includes coverage for hormonal contraceptives, the maximum you may receive at one time of contraceptive drugs is a 365-day supply. Refer to the "Cost Share Summary" section of this *EOC* to find out if your plan includes coverage for hormonal contraceptives.

If your plan includes coverage for sexual dysfunction drugs, the maximum you may receive at one time of episodic drugs prescribed for the treatment of sexual dysfunction disorders is eight doses in any 30-day period or up to 27 doses in any 100-day period. Refer to the "Cost Share Summary" section of this *EOC* to find out if your plan includes coverage for sexual dysfunction drugs.

The pharmacy may reduce the day supply dispensed at the Cost Share specified in the "Outpatient prescription drugs, supplies, and supplements" section of the "Cost Share Summary" to a 30-day supply in any 30-day period if the pharmacy determines that the item is in limited supply in the market or for specific drugs (your Plan Pharmacy can tell you if a drug you take is one of these drugs).

About the drug formulary

The drug formulary includes a list of drugs that our Pharmacy and Therapeutics Committee has approved for our Members. Our Pharmacy and Therapeutics Committee, which is primarily composed of Plan Physicians and pharmacists, selects drugs for the drug formulary based on several factors, including safety and effectiveness as determined from a review of medical literature. The drug formulary is updated monthly based on new information or new drugs that become available. To find out which drugs are on the formulary for your plan, please visit our website at **kp.org/formulary**. If you would like to request a copy of the drug formulary for your plan, please call our Member Service Contact Center. Note: The presence of a drug on the drug formulary does not necessarily mean that it will be prescribed for a particular medical condition.

Formulary exception process

Drug formulary guidelines allow you to obtain a non-formulary prescription drug (those not listed on our drug formulary for your condition) if it would otherwise be covered by your plan, as described above, and it is Medically Necessary. If you disagree with a Health Plan determination that a non-formulary prescription drug is not covered, you may file a grievance as described in the "Dispute Resolution" section.

Continuity drugs
If this *EOC* is amended to exclude a drug that we have been covering and providing to you under this *EOC*, we will continue to provide the drug if a prescription is required by law and a Plan Physician continues to prescribe the drug for the same condition and for a use approved by the Federal Food and Drug Administration.

About drug tiers

Drugs on the drug formulary are categorized into one of three tiers, as described in the table below. Your Cost Share for covered items may vary based on the tier. Refer to "Outpatient prescription drugs, supplies, and supplements" in the "Cost Share Summary" section of this *EOC* for Cost Share for items covered under this section.

Drug Tier	Description
Generic drugs (Tier 1)	Generic drugs, supplies and supplements, and some low-cost brand-name drugs, supplies, and supplements
Brand drugs (Tier 2)*	Most brand-name drugs, supplies, and supplements
Specialty drugs (Tier 4)	Specialty drugs (see "About specialty drugs")

*Note: This plan does not have a tier for non-formulary drugs ("Tier 3"). You will pay the same Cost Share for non-formulary drugs as you would for formulary drugs, when approved through the formulary exception process described above (the generic drugs, brand drugs, or specialty drugs Cost Share will apply, as applicable).

About specialty drugs
Specialty drugs (Tier 4) are high-cost drugs that are on our specialty drug list. To obtain a list of specialty drugs that are on our formulary, or to find out if a non-formulary drug is on the specialty drugs tier, please call our Member Service Contact Center. If your Plan Physician prescribes more than a 30-day supply for an outpatient drug, you may be able to obtain more than a 30-day supply at one time, up to the day supply limit for that drug. However, most specialty drugs are limited to a 30-day supply in any 30-day period. Your Plan Pharmacy can tell you if a drug you take is one of these drugs.

General rules about coverage and your Cost Share

We cover the following outpatient drugs, supplies, and supplements as described in this "Outpatient Prescription Drugs, Supplies, and Supplements" section:

- Drugs for which a prescription is required by law. We also cover certain drugs that do not require a prescription by law if they are listed on our drug formulary
- Disposable needles and syringes needed for injecting covered drugs and supplements
- Inhaler spacers needed to inhale covered drugs

Note:

- If Charges for the drug, supply, or supplement are less than the Copayment, you will pay the lesser amount, subject to any applicable deductible or out-of-pocket maximum
- Items can change tier at any time, in accord with formulary guidelines, which may impact your Cost Share (for example, if a brand-name drug is added to the specialty drug list, you will pay the Cost Share that applies to drugs on the specialty drugs tier (Tier 4), not the Cost Share for drugs on the brand drugs tier (Tier 2))

Schedule II drugs
You or the prescribing provider can request that the pharmacy dispense less than the prescribed amount of a covered oral, solid dosage form of a Schedule II drug (your Plan Pharmacy can tell you if a drug you take is one of these drugs). Your Cost Share will be prorated based on the amount of the drug that is dispensed. If the pharmacy does not prorate your Cost Share, we will send you a refund for the difference.

Mail-order service
Prescription refills can be mailed within 7 to 10 days at no extra cost for standard U.S. postage. The appropriate Cost Share (according to your drug coverage) will apply and must be charged to a valid credit card.

You may request mail-order service in the following ways:

- To order online, visit **kp.org/rxrefill** (you can register for a secure account at **kp.org/registernow**) or use the KP app from your smartphone or other mobile device
- Call the pharmacy phone number highlighted on your prescription label and select the mail delivery option

- On your next visit to a Kaiser Permanente pharmacy, ask our staff how you can have your prescriptions mailed to you

Note: Not all drugs can be mailed; restrictions and limitations apply.

Manufacturer coupon program
For outpatient prescription drugs or items that are covered under this "Outpatient Prescription Drugs, Supplies, and Supplements" section and obtained at a Plan Pharmacy, you may be able to use approved manufacturer coupons as payment for the Cost Share that you owe, as allowed under Health Plan's coupon program. You will owe any additional amount if the coupon does not cover the entire amount of your Cost Share for your prescription. When you use an approved coupon for payment of your Cost Share, the coupon amount and any additional payment that you make will accumulate to your out-of-pocket maximum. Refer to the "Cost Share Summary" section of this EOC to find your applicable out-of-pocket maximum amount and to learn which drugs and items apply to the maximum. Certain health plan coverages are not eligible for coupons. You can get more information regarding the Kaiser Permanente coupon program rules and limitations at **kp.org/rxcoupons**.

Drug Deductible
In any Accumulation Period, you must pay Charges for any items covered under this "Outpatient Prescription Drugs, Supplies, and Supplements" section that are subject to the Drug Deductible until you meet the applicable Drug Deductible amount listed in the "Cost Share Summary" section of this *EOC*.

The only payments that count toward this Drug Deductible are those you make under this *EOC* for covered items that are subject to this Drug Deductible. After you reach the Drug Deductible, you pay the applicable Copayments or Coinsurance for these items for the remainder of the Accumulation Period.

Services that are subject to the Drug Deductible
The Cost Share that you must pay for covered Services is described in the "Cost Share Summary" section of this *EOC*. When the "Cost Share Summary" indicates the Services are subject to the Drug Deductible, your Cost Share for those Services will be Charges until you reach the Drug Deductible. Note: When the Cost Share for the Services is described as "no charge," but the Services are subject to the Drug Deductible, your Cost Share for those Services will be Charges until you reach the Drug Deductible.

If you receive any other covered Services that are not Preventive Services before, during, or after a visit that includes Preventive Services, you will pay the applicable Cost Share for those other Services. For example, if laboratory tests or imaging Services ordered during a preventive office visit are not Preventive Services, you will pay the applicable Cost Share for those Services.

Under these circumstances, if you have an Emergency Medical Condition, call 911 or go to the nearest hospital as described under "Emergency Services" in the "Emergency Services and Urgent Care" section, and we will provide coverage and reimbursement as described in that section.

Coordination of Benefits

If you have Medicare coverage, we will coordinate benefits with your Medicare coverage under Medicare rules. Medicare rules determine which coverage pays first, or is "primary," and which coverage pays second, or is "secondary." You must give us any information we request to help us coordinate benefits. Please call our Member Service Contact Center to find out which Medicare rules apply to your situation, and how payment will be handled.

Reductions

Employer responsibility

For any Services that the law requires an employer to provide, we will not pay the employer, and when we cover any such Services we may recover the value of the Services from the employer.

Government agency responsibility

For any Services that the law requires be provided only by or received only from a government agency, we will not pay the government agency, and when we cover any such Services we may recover the value of the Services from the government agency.

Injuries or illnesses alleged to be caused by other parties

If you obtain a judgment or settlement from or on behalf of another party who allegedly caused an injury or illness for which you received covered Services, you must reimburse us to the maximum extent allowed under California Civil Code Section 3040. The reimbursement due to us is not limited by or subject to the Plan Out-of-Pocket Maximum. Note: This "Injuries or illnesses alleged to be caused by other parties" section does not affect your obligation to pay your Cost Share for these Services.

To the extent permitted or required by law, we have the option of becoming subrogated to all claims, causes of action, and other rights you may have against another party or an insurer, government program, or other source of coverage for monetary damages, compensation, or indemnification on account of the injury or illness allegedly caused by the other party. We will be so subrogated as of the time we mail or deliver a written notice of our exercise of this option to you or your attorney.

To secure our rights, we will have a lien on the proceeds of any judgment or settlement you or we obtain against another party. The proceeds of any judgment or settlement that you or we obtain shall first be applied to

satisfy our lien, regardless of whether the total amount of the proceeds is less than the actual losses and damages you incurred.

Within 30 days after submitting or filing a claim or legal action against another party, you must send written notice of the claim or legal action to:

For Northern California Home Region Members:
Equian
Kaiser Permanente - Northern California Region
Subrogation Mailbox
P.O. Box 36380
Louisville, KY 40233
Fax: 1-502-214-1137

For Southern California Home Region Members:
The Rawlings Group
Subrogation Mailbox
P.O. Box 2000
LaGrange, KY 40031
Fax: 1-502-753-7064

In order for us to determine the existence of any rights we may have and to satisfy those rights, you must complete and send us all consents, releases, authorizations, assignments, and other documents, including lien forms directing your attorney, the other party, and the other party's liability insurer to pay us directly. You may not agree to waive, release, or reduce our rights under this provision without our prior, written consent.

If your estate, parent, guardian, or conservator asserts a claim against another party based on your injury or illness, your estate, parent, guardian, or conservator and any settlement or judgment recovered by the estate, parent, guardian, or conservator shall be subject to our liens and other rights to the same extent as if you had asserted the claim against the other party. We may assign our rights to enforce our liens and other rights.

If you have Medicare, Medicare law may apply with respect to Services covered by Medicare.

Some providers have contracted with Kaiser Permanente to provide certain Services to Members at rates that are typically less than the fees that the providers ordinarily charge to the general public ("General Fees"). However, these contracts may allow the providers to recover all or a portion of the difference between the fees paid by Kaiser Permanente and their General Fees by means of a lien claim under California Civil Code Sections 3045.1–3045.6 against a judgment or settlement that you receive from or on behalf of another party. For Services the provider furnished, our recovery and the provider's recovery together will not exceed the provider's General Fees.

Surrogacy arrangements

This "Surrogacy arrangements" section applies to all types of Surrogacy Arrangements, including traditional Surrogacy Arrangements and gestational Surrogacy Arrangements. If you enter into a Surrogacy Arrangement and you or any other payee are entitled to receive payments or other compensation under the Surrogacy Arrangement, you must reimburse us for covered Services you receive related to conception, pregnancy, delivery, or postpartum care in connection with that arrangement ("Surrogacy Health Services") to the maximum extent allowed under California Civil Code Section 3040. A "Surrogacy Arrangement" is one in which a woman agrees to become pregnant and to surrender the baby (or babies) to another person or persons who intend to raise the child (or children), whether or not the woman receives payment for being a surrogate. Note: This "Surrogacy arrangements" section does not affect your obligation to pay your Cost Share for these Services. After you surrender a baby to the legal parents, you are not obligated to reimburse us for any Services that the baby receives (the legal parents are financially responsible for any Services that the baby receives).

By accepting Surrogacy Health Services, you automatically assign to us your right to receive payments that are payable to you or any other payee under the Surrogacy Arrangement, regardless of whether those payments are characterized as being for medical expenses. To secure our rights, we will also have a lien on those payments and on any escrow account, trust, or any other account that holds those payments. Those payments (and amounts in any escrow account, trust, or other account that holds those payments) shall first be applied to satisfy our lien. The assignment and our lien will not exceed the total amount of your obligation to us under the preceding paragraph.

Within 30 days after entering into a Surrogacy Arrangement, you must send written notice of the arrangement, including all of the following information:

- Names, addresses, and phone numbers of the other parties to the arrangement
- Names, addresses, and phone numbers of any escrow agent or trustee
- Names, addresses, and phone numbers of the intended parents and any other parties who are financially responsible for Services the baby (or babies) receive, including names, addresses, and phone numbers for

any health insurance that will cover Services that the baby (or babies) receive

- A signed copy of any contracts and other documents explaining the arrangement
- Any other information we request in order to satisfy our rights

You must send this information to:

For Northern California Home Region Members:
Equian
Kaiser Permanente - Northern California Region
Surrogacy Mailbox
P.O. Box 36380
Louisville, KY 40233
Fax: 1-502-214-1137

For Southern California Home Region Members:
The Rawlings Group
Surrogacy Mailbox
P.O. Box 2000
LaGrange, KY 40031
Fax: 1-502-753-7064

You must complete and send us all consents, releases, authorizations, lien forms, and other documents that are reasonably necessary for us to determine the existence of any rights we may have under this "Surrogacy arrangements" section and to satisfy those rights. You may not agree to waive, release, or reduce our rights under this "Surrogacy arrangements" section without our prior, written consent.

If your estate, parent, guardian, or conservator asserts a claim against another party based on the surrogacy arrangement, your estate, parent, guardian, or conservator and any settlement or judgment recovered by the estate, parent, guardian, or conservator shall be subject to our liens and other rights to the same extent as if you had asserted the claim against the other party. We may assign our rights to enforce our liens and other rights.

If you have questions about your obligations under this provision, please call our Member Service Contact Center.

U.S. Department of Veterans Affairs

For any Services for conditions arising from military service that the law requires the Department of Veterans Affairs to provide, we will not pay the Department of Veterans Affairs, and when we cover any such Services we may recover the value of the Services from the Department of Veterans Affairs.

Workers' compensation or employer's liability benefits

You may be eligible for payments or other benefits, including amounts received as a settlement (collectively referred to as "Financial Benefit"), under workers' compensation or employer's liability law. We will provide covered Services even if it is unclear whether you are entitled to a Financial Benefit, but we may recover the value of any covered Services from the following sources:

- From any source providing a Financial Benefit or from whom a Financial Benefit is due
- From you, to the extent that a Financial Benefit is provided or payable or would have been required to be provided or payable if you had diligently sought to establish your rights to the Financial Benefit under any workers' compensation or employer's liability law

Other supporting information

For example, if you have paid for Services, please include any bills and receipts that support your claim. To request that we pay a Non–Plan Provider for Services, include any bills from the Non–Plan Provider. If the Non–Plan Provider states that they will file the claim, you are still responsible for making sure that we receive everything we need to process the request for payment. When appropriate, we will request medical records from Plan Providers on your behalf. If you tell us that you have consulted with a Non–Plan Provider and are unable to provide copies of relevant medical records, we will contact the provider to request a copy of your relevant medical records. We will ask you to provide us a written authorization so that we can request your records.

If you want to review the information that we have collected regarding your claim, you may request, and we will provide without charge, copies of all relevant documents, records, and other information. You also have the right to request any diagnosis and treatment codes and their meanings that are the subject of your claim. To make a request, you should follow the steps in the written notice sent to you about your claim.

After we receive your claim

We will send you an acknowledgment letter within five days after we receive your claim.

- If we have all the information we need we will send you a written decision within 30 days after we receive your claim. We may extend the time for making a decision for an additional 15 days if circumstances beyond our control delay our decision, if we notify you within 30 days after we receive your claim
- If we need more information, we will ask you for the information before the end of the initial 30-day decision period. We will send our written decision no later than 15 days after the date we receive the additional information. If we do not receive the necessary information within the timeframe specified in our letter, we will make our decision based on the information we have within 15 days after the end of that timeframe

If we pay any part of your claim, we will subtract applicable Cost Share from any payment we make to you or the Non–Plan Provider. You are not responsible for any amounts beyond your Cost Share for covered Emergency Services. If we deny your claim (if we do not agree to pay for all the Services you requested other than the applicable Cost Share), our letter will explain why we denied your claim and how you can appeal.

If you later receive any bills from the Non–Plan Provider for covered Services (other than bills for your Cost Share), please call our Member Service Contact Center for assistance.

Generally, a grievance is urgent only if one of the following is true:

- Using the standard procedure could seriously jeopardize your life, health, or ability to regain maximum function

For non-urgent requests, we will forward the independent reviewer's decision to you within 72 hours. If the independent reviewer does not decide in your favor, you may submit a complaint to the Department of Managed Health Care, as described under "Department of Managed Health Care Complaints" in this "Dispute Resolution" section. You may also submit a request for an Independent Medical Review as described under "Independent Medical Review" in this "Dispute Resolution" section.

Department of Managed Health Care Complaints

The California Department of Managed Health Care is responsible for regulating health care service plans. If you have a grievance against your health plan, you should first telephone your health plan toll free at **1-800-464-4000** (TTY users call **711**) and use your health plan's grievance process before contacting the department. Utilizing this grievance procedure does not prohibit any potential legal rights or remedies that may be available to you. If you need help with a grievance involving an emergency, a grievance that has not been satisfactorily resolved by your health plan, or a grievance that has remained unresolved for more than 30 days, you may call the department for assistance. You may also be eligible for an Independent Medical Review (IMR). If you are eligible for IMR, the IMR process will provide an impartial review of medical decisions made by a health plan related to the medical necessity of a proposed service or treatment, coverage decisions for treatments that are experimental or investigational in nature and payment disputes for emergency or urgent medical services. The department also has a toll-free telephone number **(1-888-466-2219)** and a TDD line **(1-877-688-9891)** for the hearing and speech impaired. The department's Internet website **www.dmhc.ca.gov** has complaint forms, IMR application forms and instructions online.

Independent Medical Review ("IMR")

Except as described in this "Independent Medical Review ("IMR")" section, you must exhaust our internal grievance procedure before you may request independent medical review unless we have failed to comply with the grievance procedure described under "Grievances" in this "Dispute Resolution" section. If you qualify, you or your authorized representative may have your issue reviewed through the IMR process managed by the California Department of Managed Health Care ("DMHC"). The DMHC determines which cases qualify for IMR. This review is at no cost to you. If you decide not to request an IMR, you may give up the right to pursue some legal actions against us.

You may qualify for IMR if all of the following are true:

- One of these situations applies to you:
  - you have a recommendation from a provider requesting Medically Necessary Services
  - you have received Emergency Services, emergency ambulance Services, or Urgent Care from a provider who determined the Services to be Medically Necessary
  - you have been seen by a Plan Provider for the diagnosis or treatment of your medical condition
- Your request for payment or Services has been denied, modified, or delayed based in whole or in part on a decision that the Services are not Medically Necessary
- You have filed a grievance and we have denied it or we haven't made a decision about your grievance within 30 days (or three days for urgent grievances). The DMHC may waive the requirement that you first file a grievance with us in extraordinary and compelling cases, such as severe pain or potential loss of life, limb, or major bodily function. If we have denied your grievance, you must submit your request for an IMR within six months of the date of our written denial. However, the DMHC may accept your request after six months if they determine that circumstances prevented timely submission

You may also qualify for IMR if the Service you requested has been denied on the basis that it is experimental or investigational as described under "Experimental or investigational denials."

If the DMHC determines that your case is eligible for IMR, it will ask us to send your case to the DMHC's IMR organization. The DMHC will promptly notify you of its decision after it receives the IMR organization's determination. If the decision is in your favor, we will contact you to arrange for the Service or payment.

Experimental or investigational denials

If we deny a Service because it is experimental or investigational, we will send you our written explanation within three days after we received your request. We will explain why we denied the Service and provide additional dispute resolution options. Also, we will provide information about your right to request Independent Medical Review if we had the following information when we made our decision:

- Your treating physician provided us a written statement that you have a life-threatening or seriously debilitating condition and that standard therapies have not been effective in improving your condition, or that standard therapies would not be appropriate, or that there is no more beneficial standard therapy we cover than the therapy being requested. "Life-threatening" means diseases or conditions where the likelihood of death is high unless the course of the disease is interrupted, or diseases or conditions with potentially fatal outcomes where the end point of clinical intervention is survival. "Seriously debilitating" means diseases or conditions that cause major irreversible morbidity
- If your treating physician is a Plan Physician, they recommended a treatment, drug, device, procedure, or other therapy and certified that the requested therapy is likely to be more beneficial to you than any available standard therapies and included a statement of the evidence relied upon by the Plan Physician in certifying their recommendation
- You (or your Non–Plan Physician who is a licensed, and either a board-certified or board-eligible, physician qualified in the area of practice appropriate to treat your condition) requested a therapy that, based on two documents from the medical and scientific evidence, as defined in California Health and Safety Code Section 1370.4(d), is likely to be more beneficial for you than any available standard therapy. The physician's certification included a statement of the evidence relied upon by the physician in certifying their recommendation. We do not cover the Services of the Non–Plan Provider

Note: You can request IMR for experimental or investigational denials at any time without first filing a grievance with us.

Office of Civil Rights Complaints

If you believe that you have been discriminated against by a Plan Provider or by us because of your race, color, national origin, disability, age, sex (including sex stereotyping and gender identity), or religion, you may file a complaint with the Office of Civil Rights in the United States Department of Health and Human Services ("OCR").

You may file your complaint with the OCR within 180 days of when you believe the act of discrimination occurred. However, the OCR may accept your request after six months if they determine that circumstances prevented timely submission. For more information on the OCR and how to file a complaint with the OCR, go to **hhs.gov/civil-rights**.

Additional Review

You may have a right to request review in state court if you remain dissatisfied after you have exhausted our internal claims and appeals procedure, and if applicable, external review.

Binding Arbitration

For all claims subject to this "Binding Arbitration" section, both Claimants and Respondents give up the right to a jury or court trial and accept the use of binding arbitration. Insofar as this "Binding Arbitration" section applies to claims asserted by Kaiser Permanente Parties, it shall apply retroactively to all unresolved claims that accrued before the effective date of this *EOC*. Such retroactive application shall be binding only on the Kaiser Permanente Parties.

Scope of arbitration

Any dispute shall be submitted to binding arbitration if all of the following requirements are met:

- The claim arises from or is related to an alleged violation of any duty incident to or arising out of or relating to this *EOC* or a Member Party's relationship to Kaiser Foundation Health Plan, Inc. ("Health Plan"), including any claim for medical or hospital malpractice (a claim that medical services or items were unnecessary or unauthorized or were improperly, negligently, or incompetently rendered), for premises liability, or relating to the coverage for, or delivery of, services or items, irrespective of the legal theories upon which the claim is asserted
- The claim is asserted by one or more Member Parties against one or more Kaiser Permanente Parties or by one or more Kaiser Permanente Parties against one or more Member Parties
- Governing law does not prevent the use of binding arbitration to resolve the claim

Members enrolled under this *EOC* thus give up their right to a court or jury trial, and instead accept the use of binding arbitration except that the following types of claims are not subject to binding arbitration:

- Claims within the jurisdiction of the Small Claims Court
- Claims subject to a Medicare appeal procedure as applicable to Kaiser Permanente Senior Advantage Members

- Claims that cannot be subject to binding arbitration under governing law

As referred to in this "Binding Arbitration" section, "Member Parties" include:

- A Member
- A Member's heir, relative, or personal representative
- Any person claiming that a duty to them arises from a Member's relationship to one or more Kaiser Permanente Parties

"Kaiser Permanente Parties" include:

- Kaiser Foundation Health Plan, Inc.
- Kaiser Foundation Hospitals
- The Permanente Medical Group, Inc.
- Southern California Permanente Medical Group
- The Permanente Federation, LLC
- The Permanente Company, LLC
- Any Southern California Permanente Medical Group or The Permanente Medical Group physician
- Any individual or organization whose contract with any of the organizations identified above requires arbitration of claims brought by one or more Member Parties
- Any employee or agent of any of the foregoing

"Claimant" refers to a Member Party or a Kaiser Permanente Party who asserts a claim as described above. "Respondent" refers to a Member Party or a Kaiser Permanente Party against whom a claim is asserted.

Rules of Procedure

Arbitrations shall be conducted according to the *Rules for Kaiser Permanente Member Arbitrations Overseen by the Office of the Independent Administrator* ("Rules of Procedure") developed by the Office of the Independent Administrator in consultation with Kaiser Permanente and the Arbitration Oversight Board. Copies of the Rules of Procedure may be obtained from our Member Service Contact Center.

Initiating arbitration

Claimants shall initiate arbitration by serving a Demand for Arbitration. The Demand for Arbitration shall include the basis of the claim against the Respondents; the amount of damages the Claimants seek in the arbitration; the names, addresses, and phone numbers of the Claimants and their attorney, if any; and the names of all Respondents. Claimants shall include in the Demand for Arbitration all claims against Respondents that are based on the same incident, transaction, or related circumstances.

Serving Demand for Arbitration

Health Plan, Kaiser Foundation Hospitals, The Permanente Medical Group, Inc., Southern California Permanente Medical Group, The Permanente Federation, LLC, and The Permanente Company, LLC, shall be served with a Demand for Arbitration by mailing the Demand for Arbitration addressed to that Respondent in care of:

For Northern California Home Region Members:
Kaiser Foundation Health Plan, Inc.
Legal Department
1950 Franklin St., 17th Floor
Oakland, CA 94612

For Southern California Home Region Members:
Kaiser Foundation Health Plan, Inc.
Legal Department
393 E. Walnut St.
Pasadena, CA 91188

Service on that Respondent shall be deemed completed when received. All other Respondents, including individuals, must be served as required by the California Code of Civil Procedure for a civil action.

Filing fee

The Claimants shall pay a single, nonrefundable filing fee of $150 per arbitration payable to "Arbitration Account" regardless of the number of claims asserted in the Demand for Arbitration or the number of Claimants or Respondents named in the Demand for Arbitration.

Any Claimant who claims extreme hardship may request that the Office of the Independent Administrator waive the filing fee and the neutral arbitrator's fees and expenses. A Claimant who seeks such waivers shall complete the Fee Waiver Form and submit it to the Office of the Independent Administrator and simultaneously serve it upon the Respondents. The Fee Waiver Form sets forth the criteria for waiving fees and is available by calling our Member Service Contact Center.

Number of arbitrators

The number of arbitrators may affect the Claimants' responsibility for paying the neutral arbitrator's fees and expenses (see the Rules of Procedure).

If the Demand for Arbitration seeks total damages of $200,000 or less, the dispute shall be heard and determined by one neutral arbitrator, unless the parties otherwise agree in writing after a dispute has arisen and a

request for binding arbitration has been submitted that the arbitration shall be heard by two party arbitrators and one neutral arbitrator. The neutral arbitrator shall not have authority to award monetary damages that are greater than $200,000.

If the Demand for Arbitration seeks total damages of more than $200,000, the dispute shall be heard and determined by one neutral arbitrator and two party arbitrators, one jointly appointed by all Claimants and one jointly appointed by all Respondents. Parties who are entitled to select a party arbitrator may agree to waive this right. If all parties agree, these arbitrations will be heard by a single neutral arbitrator.

Payment of arbitrators' fees and expenses

Health Plan will pay the fees and expenses of the neutral arbitrator under certain conditions as set forth in the Rules of Procedure. In all other arbitrations, the fees and expenses of the neutral arbitrator shall be paid one-half by the Claimants and one-half by the Respondents.

If the parties select party arbitrators, Claimants shall be responsible for paying the fees and expenses of their party arbitrator and Respondents shall be responsible for paying the fees and expenses of their party arbitrator.

Costs

Except for the aforementioned fees and expenses of the neutral arbitrator, and except as otherwise mandated by laws that apply to arbitrations under this "Binding Arbitration" section, each party shall bear the party's own attorneys' fees, witness fees, and other expenses incurred in prosecuting or defending against a claim regardless of the nature of the claim or outcome of the arbitration.

General provisions

A claim shall be waived and forever barred if (1) on the date the Demand for Arbitration of the claim is served, the claim, if asserted in a civil action, would be barred as to the Respondent served by the applicable statute of limitations, (2) Claimants fail to pursue the arbitration claim in accord with the Rules of Procedure with reasonable diligence, or (3) the arbitration hearing is not commenced within five years after the earlier of (a) the date the Demand for Arbitration was served in accord with the procedures prescribed herein, or (b) the date of filing of a civil action based upon the same incident, transaction, or related circumstances involved in the claim. A claim may be dismissed on other grounds by the neutral arbitrator based on a showing of a good cause. If a party fails to attend the arbitration hearing after being given due notice thereof, the neutral arbitrator may proceed to determine the controversy in the party's absence.

The California Medical Injury Compensation Reform Act of 1975 (including any amendments thereto), including sections establishing the right to introduce evidence of any insurance or disability benefit payment to the patient, the limitation on recovery for non-economic losses, and the right to have an award for future damages conformed to periodic payments, shall apply to any claims for professional negligence or any other claims as permitted or required by law.

Arbitrations shall be governed by this "Binding Arbitration" section, Section 2 of the Federal Arbitration Act, and the California Code of Civil Procedure provisions relating to arbitration that are in effect at the time the statute is applied, together with the Rules of Procedure, to the extent not inconsistent with this "Binding Arbitration" section. In accord with the rule that applies under Sections 3 and 4 of the Federal Arbitration Act, the right to arbitration under this "Binding Arbitration" section shall not be denied, stayed, or otherwise impeded because a dispute between a Member Party and a Kaiser Permanente Party involves both arbitrable and nonarbitrable claims or because one or more parties to the arbitration is also a party to a pending court action with another party that arises out of the same or related transactions and presents a possibility of conflicting rulings or findings.

Termination of Membership

Your membership termination date is the first day you are not covered (for example, if your termination date is January 1, 2023, your last minute of coverage was at 11:59 p.m. on December 31, 2022). You will be billed as a non-Member for any Services you receive after your membership terminates, except for certain pediatric dental Services described in a Pediatric Dental Services Amendment to this *EOC* (if applicable). If your plan has a Pediatric Dental Services Amendment, it will be attached to this *EOC*, and it will be listed in the *EOC's* Table of Contents. When your membership terminates, Health Plan and Plan Providers have no further liability or responsibility under this *EOC,* except as provided under "Payments after Termination" in this "Termination of Membership" section.

How You May Terminate Your Membership

If you are enrolled through Covered California

Please contact Covered California or Health Plan for information about how to terminate your membership and the effective date of termination. You must provide notice to Covered California or Health Plan at least 14 days prior to the date you want your coverage to end.

If you are enrolled directly with Kaiser Permanente

You may terminate your membership by sending written notice, signed by the Subscriber, to the address below. If you are a Subscriber with enrolled Dependents, we will terminate the entire Family unless you specify otherwise. It is important that you submit your termination notice as soon as you know that you want to terminate your coverage. Your membership will terminate at 11:59 p.m. on the day we receive your notice, or the date you indicate in your written notice to us, whichever is later. All amounts payable related to this *EOC*, including Premiums for the period prior to your termination date, continue to be due and payable in accord with the most recent invoice or notice you received. If you have questions, please call our Member Service Contact Center.

Kaiser Foundation Health Plan, Inc.
California Service Center
P.O. Box 23127
San Diego, CA 92193-3127

If you have Ancillary Coverage

If you have selected Ancillary Coverage provided under any other program, that plan's evidence of coverage cannot be terminated without terminating coverage under this *EOC*, unless the change is made during open enrollment or a special enrollment period.

Termination Due to Loss of Eligibility

If you meet the eligibility requirements described under "Who Is Eligible" in the "Premiums, Eligibility, and Enrollment" section on the first day of a month, but later in that month you no longer meet those eligibility requirements, your membership will end at 11:59 p.m. on the last day of that month (unless a different date is identified under "Eligibility as a Dependent" in the "Premiums, Eligibility, and Enrollment" section). For example, if you become ineligible on December 5, 2022, your termination date is January 1, 2023, and your last minute of coverage is at 11:59 p.m. on December 31, 2022.

Continuation of membership

If you lose eligibility as a Dependent and want to remain a Health Plan member, you might be able to enroll in one of our Kaiser Permanente for Individuals and Families plans as a subscriber. If you want your new individual plan coverage to be effective when your Dependent coverage ends, you must submit your application within the special enrollment period for enrolling in an individual plan due to loss of other coverage. Otherwise, you will have to wait until the next annual open enrollment period.

To request an application to enroll directly with us, please go to **buykp.org** or call our Member Service Contact Center. For information about plans that are available through Covered California, see "Covered California" below.

Covered California

U.S. citizens or legal residents of the U.S. can buy health care coverage from Covered California. This is California's health benefit exchange ("the Exchange"). You may apply for help to pay for premiums and copayments but only if you buy coverage through Covered California. This financial assistance may be available if you meet certain income guidelines. To learn more about coverage that is available through Covered California, visit **CoveredCA.com** or call Covered California at **1-800-300-1506** (TTY users call **711**).

Termination for Cause

If you intentionally commit fraud in connection with membership, Health Plan, or a Plan Provider, we may terminate your membership by sending written notice to the Subscriber; termination will be effective 30 days from the date we send the notice. Some examples of fraud include:

- Misrepresenting eligibility information about you or a Dependent
- Presenting an invalid prescription or physician order
- Misusing a Kaiser Permanente ID card (or letting someone else use it)
- Giving us incorrect or incomplete material information. For example, you have entered into a Surrogacy Arrangement and you fail to send us the information we require under "Surrogacy arrangements" under "Reductions" in the "Exclusions, Limitations, Coordination of Benefits, and Reductions" section
- Failing to notify us of changes in family status or Medicare coverage that may affect your eligibility or benefits

After your first 24 months of individuals and families coverage, we may not terminate you for cause solely because you gave us incorrect or incomplete material information in your application for health coverage.

If we terminate your membership for cause, you will not be allowed to enroll in Health Plan in the future. We may also report criminal fraud and other illegal acts to the authorities for prosecution.

Termination for Nonpayment of Premiums

If you do not pay your required Premiums by the due date, we may terminate your membership as described in this "Termination for Nonpayment of Premiums" section. If you intend to terminate your membership, be sure to notify us as described under "How You May Terminate Your Membership" in this "Termination of Membership" section, as you will be responsible for any Premiums billed to you unless you let us know before the first of the coverage month that you want us to terminate your coverage.

If we do not receive advance payment of the premium tax credit ("APTC") on your behalf

Your Premium payment for the upcoming coverage month is due as follows:

- If you are enrolled directly with Kaiser Permanente, your Premium payment for the upcoming coverage month is due on the first day of that month
- If you are enrolled through Covered California, your Premium payment for the upcoming coverage month is due on the last day of the preceding month

If we do not receive Full Premium payment on or before the first day of the coverage month, as described above, we will send a notice of nonreceipt of payment (a "Late Notice") to the Subscriber's address of record. This Late Notice will include the following information:

- A statement that we have not received Full Premium payment and that we will terminate this *EOC* for nonpayment if we do not receive the required Premiums within 30 days after the date of the Late Notice
- The amount of Premiums that are due
- The specific date and time when the memberships of the Subscriber and all Dependents will end if we do not receive the required Premiums

If we terminate this *EOC* because we did not receive the required Premiums when due, your membership will end at 11:59 p.m. on the 30th day after the date of the Late Notice. Your coverage will continue during this 30-day grace period, but upon termination you will be responsible for paying all past due Premiums, including the Premiums for this grace period.

We will mail a Termination Notice to the Subscriber's address of record if we do not receive Full Premium payment within 30 days after the date of the Late Notice. The Termination Notice will include the following information:

- A statement that we have terminated this *EOC* for nonpayment of Premiums
- The specific date and time when the memberships of the Subscriber and all Dependents ended
- Your appeal rights

After termination of your membership for nonpayment of Premiums, you are still responsible for paying all amounts due.

If we receive APTC on your behalf

APTC is state or federal financial assistance available to eligible subscribers when enrolling in a Covered California health plan. If we receive APTC on your behalf, then you are responsible for paying the portion of the monthly Premiums that equals the Full Premiums minus the APTC that we receive on your behalf for that month. Your portion of the Premiums for the upcoming coverage month is due on the last day of the preceding month. If we do not receive your portion of the monthly Premiums on time, we will provide a three-month grace period.

We will send written notice stating when the grace period begins. The notice will explain when Premiums are due and when the memberships of the Subscriber and all Dependents will terminate if you do not pay your portion of all outstanding Premiums. If we do not receive your portion of all outstanding Premiums (including any Premiums for the grace period) by the end of the grace period, we may terminate your membership.

Termination for Discontinuance of a Product or all Products

We may terminate your membership if we discontinue offering this product as permitted or required by law. If we continue to offer other individual (nongroup) products, we may terminate your membership under this product by sending you written notice at least 90 days before the termination date. You will be able to enroll in any other product we are then offering in the individual (nongroup) market if you meet all eligibility requirements. Under the Affordable Care Act, individual

plan coverage is available without medical review. The premiums and coverage under the other individual plan may differ from those under this *EOC*. If we discontinue offering all individual (nongroup) products, we may terminate your membership by sending you written notice at least 180 days before the termination date.

Payments after Termination

If we terminate your membership for cause or for nonpayment, we will:

- Within 30 days, refund any amounts we owe for Premiums you paid after the termination date
- Pay you any amounts we have determined that we owe you for claims during your membership in accord with the "Emergency Services and Urgent Care" and "Dispute Resolution" sections

We will deduct any amounts you owe Health Plan or Plan Providers from any payment we make to you.

Rescission of Membership

During your first 24 months of coverage, we may rescind your membership after it becomes effective (completely cancel your membership so that no membership ever existed) if we determine you or anyone seeking membership on your behalf did any of the following before your membership became effective:

- Performed an act, practice, or omission that constitutes fraud in connection with your enrollment or enrollment application
- Made an intentional misrepresentation of material fact in connection with your enrollment or enrollment application, such as intentionally omitting a material fact
- Intentionally failed to inform us of material changes to the information in your enrollment application

We will send written notice to the Subscriber at least 30 days before we rescind your membership, but the rescission will completely cancel your membership so that no membership ever existed. Our notice will explain the basis for our decision and how you can appeal this decision. If your coverage is rescinded, you must pay full Charges for any Services we covered. We will refund all applicable Premium except that we may subtract any amounts you owe us. You will be ineligible to re-apply for membership until the next open enrollment period.

After your first 24 months of coverage, we may not rescind your membership if you or someone on your behalf gave us incorrect or incomplete material information, whether or not you or someone on your behalf willfully intended to give us that information.

Appealing Membership Termination or Rescission

If you believe that we have terminated or rescinded your membership improperly, you may file a grievance to appeal the decision. Refer to the "Grievances" in the "Dispute Resolution" section for information on how to file a grievance.

State Review of Membership Termination

If you believe that we have terminated your membership because of your ill health or your need for care, you may request a review of the termination by the California Department of Managed Health Care (please see "Department of Managed Health Care Complaints" in the "Dispute Resolution" section).

Miscellaneous Provisions

Administration of this *EOC*

We may adopt reasonable policies, procedures, and interpretations to promote orderly and efficient administration of this *EOC*.

Advance Directives

The California Health Care Decision Law offers several ways for you to control the kind of health care you will receive if you become very ill or unconscious, including the following:

- A *Power of Attorney for Health Care* lets you name someone to make health care decisions for you when you cannot speak for yourself. It also lets you write down your own views on life support and other treatments
- *Individual health care instructions* let you express your wishes about receiving life support and other treatment. You can express these wishes to your doctor and have them documented in your medical chart, or you can put them in writing and have that included in your medical chart

To learn more about advance directives, including how to obtain forms and instructions, contact the Member Services Department at a Plan Facility. For more

information about advance directives, refer to our website at **kp.org** or call our Member Service Contact Center.

Applications and Statements

You must complete any applications, forms, or statements that we request in our normal course of business or as specified in this *EOC*.

Assignment

You may not assign this *EOC* or any of the rights, interests, claims for money due, benefits, or obligations hereunder without our prior written consent.

Attorney and Advocate Fees and Expenses

In any dispute between a Member and Health Plan, the Medical Group, or Kaiser Foundation Hospitals, each party will bear its own fees and expenses, including attorneys' fees, advocates' fees, and other expenses.

Claims Review Authority

We are responsible for determining whether you are entitled to benefits under this *EOC* and we have the discretionary authority to review and evaluate claims that arise under this *EOC*. We conduct this evaluation independently by interpreting the provisions of this *EOC*. We may use medical experts to help us review claims. If coverage under this *EOC* is subject to the Employee Retirement Income Security Act ("ERISA") claims procedure regulation (29 CFR 2560.503-1), then we are a "named claims fiduciary" to review claims under this *EOC*.

EOC Binding on Members

By electing coverage or accepting benefits under this *EOC*, all Members legally capable of contracting, and the legal representatives of all Members incapable of contracting, agree to all provisions of this *EOC*.

Governing Law

Except as preempted by federal law, this *EOC* will be governed in accord with California law and any provision that is required to be in this *EOC* by state or federal law shall bind Members and Health Plan whether or not set forth in this *EOC*.

No Waiver

Our failure to enforce any provision of this *EOC* will not constitute a waiver of that or any other provision, or impair our right thereafter to require your strict performance of any provision.

Notices Regarding Your Coverage

If enrolled through Health Plan

Our notices to you will be sent to the most recent address we have for the Subscriber, except that if the Subscriber has chosen to receive these membership agreement and evidence of coverage documents online we will notify the Subscriber at the most recent email address we have for the Subscriber when notices related to amendment of this *EOC* are posted on our website at **kp.org**. The Subscriber is responsible for notifying us of any change in address. Covered California's notices to you will be sent to the most recent address Covered California has for the Subscriber. The Subscriber is responsible for notifying Covered California of any change in address. Subscribers who move should call Covered California as soon as possible to update their address. If a Member does not reside with the Subscriber, or needs to have confidential information sent to an address other than the Subscriber's address, they should contact Covered California to discuss alternate delivery options.

Overpayment Recovery

We may recover any overpayment we make for Services from anyone who receives such an overpayment or from any person or organization obligated to pay for the Services.

Privacy Practices

Kaiser Permanente will protect the privacy of your protected health information. We also require contracting providers to protect your

protected health information. Your protected health information is individually-identifiable information (oral, written, or electronic) about your health, health care services you receive, or payment for your health care. You may generally see and receive copies of your protected health information, correct or update your protected health information, and ask us for an accounting of certain disclosures of your protected health information. You can request delivery of confidential communication to a location other than your usual address or by a means of delivery other than the usual means.

We may use or disclose your protected health information for treatment, health research, payment, and health care operations purposes, such as measuring the quality of Services. We are sometimes required by law to give protected health information to others, such as government agencies or in judicial actions.

We will not use or disclose your protected health information for any other purpose without your (or your representative's) written authorization, except as described in our *Notice of Privacy Practices* (see below). Giving us authorization is at your discretion.

This is only a brief summary of some of our key privacy practices. Pediatric Dental Services Amendment

We cover certain dental services for Eligible Pediatric Enrollees through Delta Dental of California ("Delta Dental"). Please read the following information so that you will know how to obtain dental services. You must obtain dental Benefits from (or be referred for Specialist Services by) your assigned Contract Dentist.

ADDITIONAL INFORMATION ABOUT YOUR PEDIATRIC DENTAL BENEFITS IS AVAILABLE BY CALLING THE DELTA DENTAL CUSTOMER CARE AT 800-589-4618, 5 A.M. - 6 P.M., PACIFIC TIME, MONDAY THROUGH FRIDAY.

Delta Dental
17871 Park Plaza Drive, Suite 200
Cerritos, CA 90703

IMPORTANT: If you opt to receive dental services that are not covered Benefits under this Program, a Contract Dentist may charge you their usual and customary rate for those services. Prior to providing a patient with dental services that are not a covered Benefit, the Dentist should provide to the patient a treatment plan that includes each anticipated service to be provided and the estimated cost of each service.

Introduction

This document amends your Kaiser Foundation Health Plan, Inc. (Health Plan) *EOC* to add coverage for pediatric dental services as described in this Pediatric Dental Services Amendment ("Amendment"). All provisions of the *EOC* apply to coverage described in this document except for the following sections:

- "How to Obtain Services" (except that the completion of services information in the "Contracts with Plan Providers" section does apply to coverage described in this document)
- "Plan Facilities"
- "Emergency Services and Urgent Care"
- "Benefits," except that the information under "Plan Out-of-Pocket Maximum" in the "Benefits" section does apply
- "Post-Service Claims and Appeals"
- "Dispute Resolution"

These pediatric dental Benefits are for Eligible Pediatric Enrollees.

The DeltaCare USA Program provides essential pediatric dental care benefits. Benefits are accessed through the DeltaCare USA Individual Network, a convenient network of Contract Dentists and established dental professionals, who are screened to ensure that standards of quality, access and safety are maintained.

Health Plan contracts with Delta Dental to make the DeltaCare USA Program and its DeltaCare USA Individual Network available to you. You are assigned a Contract Dentist from the DeltaCare USA Individual Network. You can obtain covered Benefits from your assigned Contract Dentist without a referral from a Plan Physician. When you visit your assigned Contract Dentist your Cost Share is due, and you pay only the applicable Cost Share of Benefits up to the Plan Out-of-Pocket Maximum. See the "Cost Share Summary" section of your EOC for information about your Plan Out-of-Pocket Maximum.

Definitions

In addition to the terms defined in the "Definitions" section of your Health Plan *EOC* the following terms, when capitalized and used in any part of this Amendment have the following meanings:

Authorization means the process by which Delta Dental determines if a procedure or treatment is a referable Benefit under this Program.

Benefits mean those covered pediatric dental Services provided as described in this Amendment.

Contract Dentist means a DeltaCare USA Dentist who provides services in general dentistry and who has agreed to provide Benefits to Enrollees under this Program.

Contract Orthodontist means a DeltaCare USA Dentist who specializes in orthodontics and who has agreed to provide Benefits to Enrollees under this Program, which covers Medically Necessary orthodontics. Enrollees must obtain a referral from their Contract Dentist to obtain services from a Contract Orthodontist.

Contract Specialist means a DeltaCare USA Dentist who provides Specialist Services and who has agreed to provide Benefits to Enrollees under this Program. Enrollees must obtain a referral from their Contract Dentist to obtain services from a Contract Specialist.

Delta Dental Service Area means all geographic areas in the state of California in which Delta Dental is licensed as a specialized health care service plan.

Dentist means a duly licensed dentist legally entitled to practice dentistry at the time and in the state or jurisdiction in which services are performed.

Department of Managed Health Care is a department of the California Health and Human Services Agency which has charge of regulating specialized health care service plans. Also referred to as the "Department" or "DMHC."

Eligible Pediatric Enrollee means a person eligible for dental Benefits under this Amendment. Eligible Pediatric Enrollees are children from birth through the end of the month in which the child turns 19 who meet the eligibility requirements in your Health Plan *EOC*.

Emergency Dental Condition means dental symptoms and/or pain that are so severe that a reasonable person would believe that, without immediate attention by a Dentist, they could reasonably be expected to result in any of the following:

- placing the patient's health in serious jeopardy
- serious impairment to bodily functions
- serious dysfunction of any bodily organ or part
- death

Emergency Dental Service means a dental screening, examination and evaluation by a Dentist, or, to the extent permitted by applicable law, by other appropriate licensed persons under the supervision of a Dentist, to determine if an Emergency Dental Condition exists and, if it does, the care, treatment, and surgery, if within the scope of that person's license, necessary to relieve or eliminate the Emergency Dental Condition, within the capability of the facility.

Optional means any alternative procedure presented by the Contract Dentist that satisfies the same dental need as a covered procedure but is chosen by the Enrollee and is subject to the limitations and exclusions described in the Schedules attached to this Amendment.

Out-of-Network means treatment by a Dentist who has not signed an agreement with Delta Dental to provide Benefits to Enrollees under the terms of this Amendment.

Pediatric Enrollee means an Eligible Pediatric Enrollee enrolled to receive Benefits; may also be referred to as "Enrollee."

Procedure Code means the Current Dental Terminology® ("CDT") number assigned to a Single Procedure by the American Dental Association.

Program means the set of pediatric dental Benefits provided under this Amendment to your *EOC*.

Single Procedure means a dental procedure that is assigned a separate Procedure Code.

Special Health Care Need means a physical or mental impairment, limitation or condition that substantially interferes with an Enrollee's ability to obtain Benefits. Examples of such a Special Health Care Need are: 1) the Enrollee's inability to obtain access to the assigned Contract Dentist facility because of a physical disability, and 2) the Enrollee's inability to comply with their Contract Dentist's instructions during examination or treatment because of physical disability or mental incapacity.

Specialist Service means services performed by a Dentist who specializes in the practice of oral surgery, endodontics, periodontics, orthodontics (if Medically Necessary) or pediatric dentistry. Specialist Services must be authorized by Delta Dental.

Treatment in Progress means any Single Procedure that has been started while the Pediatric Enrollee was eligible to receive Benefits, and for which multiple appointments are necessary to complete the procedure, whether or not the Enrollee continues to be eligible for Benefits under this Program. Examples include: teeth that have been prepared for crowns, root canals where a working length has been established, full or partial dentures for which an impression has been taken and orthodontics when bands have been placed and tooth movement has begun.

Urgent Dental Services means Medically Necessary Services for a condition that requires prompt dental attention but is not an Emergency Dental Condition.

How to Obtain Pediatric Dental Services

Upon enrollment, the Enrollee will be assigned to a Contract Dentist facility. The Enrollee may request changes to their assigned Contract Dentist facility by contacting Delta Dental Customer Care at **800-589-4618**. A list of Contract Dentists is available to all Enrollees at deltadentalins.com. Enrollees in the same family may collectively select no more than three Contract Dentist facilities. The change must be requested prior to the 15th of the month to become effective on the first day of the following month.

Delta Dental will provide you written notice of assignment to another Contract Dentist facility near the Enrollee's home if: 1) a requested facility is closed to further enrollment, 2) a chosen Contract Dentist withdraws from the DeltaCare USA Individual Network, or 3) an assigned facility requests, for good cause, that the Enrollee be re-assigned to another Contract Dentist facility.

All Treatment in Progress must be completed before you change to another Contract Dentist facility. EACH ENROLLEE MUST GO TO THEIR ASSIGNED CONTRACT DENTIST TO OBTAIN COVERED SERVICES.

All covered services must be performed at the Enrollee's assigned Contract Dentist facility. Specialist Services obtained from a Contract Orthodontist or Contract Specialist must be referred by the Enrollee's Contact Dentist. With the exception of Emergency Dental Services, Urgent Dental Services, and authorized Specialist Services, this Program does not pay for services received by Out-of-Network Dentists. All authorized Specialist Service claims will be paid by Delta Dental, less any applicable Cost Share. Any other treatment is not covered under this Program.

A Contract Dentist may provide services either personally, or through associated Dentists, or the other technicians or hygienists who may lawfully perform the services. If an Enrollee is assigned to a dental school clinic for Specialist Services, those services may be provided by a Dentist, a dental student, a clinician or a dental instructor.

If your assigned Contract Dentist terminates participation in the DeltaCare USA Individual Network, that Contract Dentist will complete all Treatment in Progress. If, for any reason, the Contract Dentist is unable to complete treatment, Delta Dental will make reasonable and appropriate provisions for the completion of such treatment by another Contract Dentist.

Delta Dental will give you reasonable advance written notice if you will be materially or adversely affected by the termination, breach of contract, or inability of a Contract Dentist to perform services.

Benefits, Limitations and Exclusions

This Program provides the Benefits described in *Schedule A* subject to the limitations and exclusions described in *Schedule B*. With the exception of Emergency Dental Services, Urgent Dental Services, and authorized Specialist Services, Benefits are only available in the state of California. The services are performed as deemed appropriate by your assigned Contract Dentist.

Continuity of Care

If you are a current Enrollee, you may have the right to obtain completion of care with your terminated Contract Dentist for specified dental conditions. If you are a new Enrollee, you may have the right to completion of care with your Out-of-Network Dentist for specified dental conditions. You must make a specific request for this completion of care Benefit. To make a request, contact Delta Dental's Customer Care at 800-589-4618. You may also contact us to request a copy of Delta Dental's *Continuity of Care Policy*. Delta Dental is not required to continue care with the Dentist if you are not eligible under this Program or if Delta Dental cannot reach agreement with the Out-of-Network Dentist or the terminated Contract Dentist on the terms regarding Enrollee care in accordance with California law.

Emergency Dental Services

Emergency Dental Services are used for palliative relief, controlling of dental pain, and/or stabilizing the Enrollee's condition. The Enrollee's assigned Contract Dentist facility maintains a 24-hour emergency dental services system, 7 days a week. If the Enrollee is experiencing an Emergency Dental Condition, they can call 911 (where available) or obtain Emergency Dental Services from any Dentist without a referral.

After Emergency Dental Services are provided, further non-emergency treatment is usually needed. Non-emergency treatment must be obtained at the Enrollee's assigned Contract Dentist facility.

The Enrollee is responsible for any Cost Share for Emergency Dental Services received. Non-covered procedures will be the Enrollee's financial responsibility and will not be paid by this Program.

Urgent Pediatric Dental Services

Inside the Delta Dental Service Area

An Urgent Dental Service requires prompt dental attention but is not an Emergency Dental Condition. If an Enrollee thinks that they may need Urgent Dental Services, the Enrollee can call their Contract Dentist.

Outside the Delta Dental Service Area

If an Enrollee needs Urgent Dental Services due to an unforeseen dental condition or injury, this Program covers Medically Necessary dental Services when prompt attention is required from an Out-of-Network Dentist, if all of the following are true:

- The Enrollee receives the Urgent Dental Services from an Out-of-Network Dentist while temporarily outside the Delta Dental Service Area
- A reasonable person would have believed that the Enrollee's health would seriously deteriorate if they delayed treatment until they returned to the Delta Dental Service Area

Enrollees do not need prior Authorization from Delta Dental to receive Urgent Dental Services outside the Delta Dental Service Area. Any Urgent Dental Services an Enrollee receives from Out-of-Network Dentists outside the Delta Dental Service Area are covered by this Program if the Benefits would have been covered if the Enrollee had received them from Contract Dentists.

We do not cover follow-up care from Out-of-Network Dentists after the Enrollee no longer needs Urgent Dental Services. To obtain follow-up care from a Contract Dentist, the Enrollee can call their assigned Contract Dentist.

The Enrollee is responsible for any Cost Share for Urgent Dental Services received.

Timely Access to Care

Contract Dentists, Contract Orthodontists and Contract Specialists have agreed waiting times to Enrollees for appointments for care which will never be greater than the following timeframes:

- for emergency care, 24 hours a day, 7 days a week
- for any urgent care, 72 hours for appointments consistent with the Enrollee's individual needs
- for any non-urgent care, 36 business days
- for any preventive services, 40 business days

During non-business hours, the Enrollee will have access to their Contract Dentist's answering machine, answering service, cell phone or pager for guidance on what to do and whom to contact if the Enrollee is calling due to an Emergency Dental Condition.

If the Enrollee calls Delta Dental's Customer Care, a representative will answer the phone within 10 minutes during normal business hours.

Should the Enrollee need interpretation services when scheduling an appointment with any of our Contract Dentists, Contract Orthodontists or Contract Specialists' facilities, the Enrollee may call the Delta Dental Customer Care at 800-589-4618 for assistance.

Specialist Services

Specialist Services for oral surgery, endodontics, orthodontics, periodontics or pediatric dentistry must be: 1) referred by your assigned Contract Dentist, and 2) authorized by Delta Dental. You pay the specified Cost Share. (Refer to *Schedule A, Description of Benefits and Cost Share for Pediatric Enrollees* and *Schedule B, Limitations and Exclusions of Benefits.*)

If the services of a Contract Orthodontist are needed, please refer to Orthodontics in *Schedule A, Description of Benefits and Cost Share for Pediatric Enrollees* and *Schedule B, Limitations and Exclusions of Benefits* to determine which procedures are covered under this Program.

If you require Specialist Services and a Contract Specialist or Contract Orthodontist is not within 35 miles of your home address to provide these services, your assigned Contract Dentist must receive Authorization from Delta Dental to refer you to an Out-of-Network specialist or Out-of-Network orthodontist to provide these Specialist Services. Specialist Services performed by an Out-of-Network specialist or Out-of-Network orthodontist that are not authorized by Delta Dental will not be covered.

Claims for Reimbursement

Claims for covered Emergency Dental Services or authorized Specialist Services should be sent to Delta Dental within 90 days of the end of treatment. Valid claims received after the 90-day period will be reviewed if you can show that it was not reasonably possible to submit the claim within that time. All claims must be received within one (1) year of the treatment date. The address for claims submission is: Delta Dental, Claims Department, P.O. Box 1810, Alpharetta, GA 30023.

Cost Share and Other Charges

You are required to pay any Cost Share listed in *Schedule A*. Your Cost Share is paid directly to the Dentist who provides treatment. Charges for visits after normal visiting hours are listed in *Schedule A*.

In the event that Delta Dental fails to pay a Contract Dentist, you will not be liable to that Dentist for any sums owed by Delta Dental. By statute, the DeltaCare USA dentist contract contains a provision prohibiting a Contract Dentist from charging an Enrollee for any sums owed by Delta Dental. Except for the provisions in the "Emergency Dental Services" section, if you have not received Authorization for treatment from an Out-of-Network Dentist and we fail to pay that Out-of-Network Dentist, you may be liable to that Dentist for the cost of services. For further clarification, see the "Emergency Dental Services" and "Specialist Services" sections.

Second Opinion

You may request a second opinion if you disagree with or question the diagnosis and/or treatment plan determination made by your Contract Dentist. You may also be requested to obtain a second opinion to verify the necessity and appropriateness of dental treatment or the application of Benefits.

Second opinions will be rendered by a licensed Dentist in a timely manner, appropriate to the nature of the Enrollee's condition. Requests involving an imminent and serious threat to the Enrollee's health, including, but not limited to, the potential loss of life, limb, or other major bodily function, or a lack of timeliness that would be detrimental to the Enrollee's ability to regain maximum function, will be expedited (Authorization approved or denied within 72 hours of receipt of the request, whenever possible). For assistance or additional information regarding the procedures and timeframes for second opinion Authorizations, contact the Delta Dental Customer Care at **800-589-4618** or write to Delta Dental at P.O. Box 1810, Alpharetta, GA 30023.

Second opinions will be provided at another Contract Dentist's facility, unless otherwise authorized by Delta Dental. A second opinion by an Out-of-Network Dentist will be authorized if an appropriately qualified Contract Dentist is not available. Only second opinions which have been approved or authorized by Delta Dental will be paid. You will be sent a

written notification if your request for a second opinion is not authorized. If you disagree with this determination, you may file a grievance with Delta Dental. Refer to the "Enrollee Complaint Procedure" section for more information.

Special Health Care Needs

If an Enrollee believes they have a Special Health Care Need, the Enrollee should contact Delta Dental's Customer Care at **800-589-4618**. Delta Dental will confirm that a Special Health Care Need exists and what arrangements can be made to assist the Enrollee in obtaining such Benefits.

Delta Dental will not be responsible for the failure of any Contract Dentist to comply with any law or regulation concerning structural office requirements that apply to a Dentist treating persons with Special Health Care Needs.

Facility Accessibility

Many facilities provide Delta Dental with information about special features of their offices, including accessibility information for patients with mobility impairments. To obtain information regarding facility accessibility, contact Delta Dental's Customer Care at 800-589-4618.

Dentist Compensation

A Contract Dentist is compensated by Delta Dental through monthly capitation (an amount based on the number of Enrollees assigned to the Contract Dentist), and by Enrollees through required Cost Share for treatment received. A Contract Specialist is compensated by Delta Dental through an agreed-upon amount for each covered procedure, less the applicable Cost Share paid by the Enrollee. In no event does Delta Dental pay a Contract Dentist or a Contract Specialist any incentive as an inducement to deny, reduce, limit or delay any appropriate treatment.

You may obtain further information concerning Dentist compensation by calling Delta Dental at **800-589-4618**.

Processing Policies

The dental care guidelines for this Program explain to Contract Dentists what services are covered under this Amendment. Contract Dentists, Contract Orthodontists, and Contract Specialists will use their professional judgment to determine which services are appropriate for the Enrollee. Services performed by the Contract Dentist, Contract Orthodontist, and Contract Specialist that fall under the scope of Benefits of this Program are provided, subject to any Cost Share. If a Contract Dentist believes that an Enrollee should seek treatment from a specialist, the Contract Dentist contacts Delta Dental for a determination of whether the proposed treatment is a covered Benefit. Delta Dental will also determine whether the proposed treatment requires treatment by a Contract Specialist. An Enrollee may contact Delta Dental's Customer Care at **800-589-4618** for information about this Program's dental care guidelines.

A Benefit appropriately provided through teledentistry is covered on the same basis and to the same extent that the Benefit is covered through in-person diagnosis, consultation, or treatment.

Coordination of Benefits

Coordination of benefits means the method by which we pay for dental Benefits when you are covered by another dental plan. The dental Benefits under this Amendment will be primary to any other dental coverage purchased by the Enrollee. This means the dental provider will send any dental claims to Delta Dental first for payment under the dental Benefits covered in this Amendment.

Enrollee Complaint Procedure

Complaints regarding dental services:

Delta Dental or the Administrator shall provide notification if any dental services or claims are denied, in whole or in part, stating the specific reason or reasons for the denial. If you have a complaint regarding the denial of dental services or claims, the policies, procedures or operations of Delta Dental or the Administrator or the quality of dental services performed by a Contract Dentist, you may call Delta Dental's Customer Care at **800-589-4618**, submit a **DeltaCare USA Enrollee Grievance Form** online or mail the complaint to:

Delta Dental of California
Quality Management Department
P.O. Box 6050
Artesia, CA 90702

Written communication must include: 1) the Pediatric Enrollee's name, address, telephone number and ID number and 2) the Dentist's name and facility location.

"Grievance" means a written or oral expression of dissatisfaction regarding Delta Dental and/or your dental provider, including quality of care concerns, and shall include a complaint, dispute, request for reconsideration or appeal made by Pediatric Enrollee or the Enrollee's representative. Where Delta Dental is unable to distinguish between a grievance and an inquiry, it shall be considered a grievance.

"Complaint" is the same as "grievance."

"Complainant" is the same as "grievant" and means the person who filed the grievance including the Enrollee, a representative designated by the Enrollee, or other individual with authority to act on behalf of the Enrollee.

Within five calendar days of the receipt of any complaint, the quality management coordinator will forward to you a written acknowledgment of the complaint which will include the date of receipt and contact information. Certain complaints may require that you be referred to a Dentist for clinical evaluation of the dental services provided. We will forward to you a determination, in writing, within 30 calendar days of receipt of a complaint. If the complaint involves an Emergency Dental Condition, Delta Dental will provide the Enrollee written notification regarding the disposition or pending status of the grievance within three days.

The Department is responsible for regulating health care service plans. If you have a grievance against Delta Dental, you should first telephone Delta Dental at **1-800-589-4618** and use Delta Dental's grievance process above before contacting the Department. Utilizing this grievance procedure does not prohibit any potential legal rights or remedies that may be available to you. If you need help with a grievance involving an Emergency Dental Condition, a grievance that has not been satisfactorily resolved by Delta Dental, or a grievance that has remained unresolved for more than 30 days, you may call the Department for assistance.

Complaints involving an adverse benefit determination:

For complaints involving an adverse benefit determination (e.g. a denial, modification or termination of a requested benefit or claim), the Enrollee must file a request for review (a complaint) with Delta Dental within 180 calendar days after receipt of the adverse determination. Our review will take into account all information, regardless of whether such information was submitted or considered initially. The review shall be conducted by a person who is neither the individual who made the original benefit determination, nor the subordinate of such individual. Upon request and free of charge, we will provide the Enrollee with copies of any pertinent documents that are relevant to the benefit determination, a copy of any internal rule, guideline, protocol, and/or explanation of the scientific or clinical judgment if relied upon in making the benefit determination.

If the review of a denial is based, in whole or in part, on a lack of medical necessity, experimental treatment, or a clinical judgment in applying the terms of this Amendment, Delta Dental shall consult with a Dentist who has appropriate training

and experience. If any consulting Dentist is involved in the review, the identity of such consulting Dentist will be available upon request.

Within five calendar days of the receipt of any complaint, the quality management coordinator will forward to you a written acknowledgment of the complaint which will include the date of receipt and contact information. Certain complaints may require that you be referred to a Dentist for clinical evaluation of the dental services provided. Delta Dental will forward to you a determination, in writing, within 30 calendar days of receipt of your complaint.

Complaints regarding all other issues:

If you have any other type of complaint or grievance, you can file a grievance with Health Plan. Your grievance must explain your issue, such as the reasons why you believe a decision was in error or why you are dissatisfied about Services you received. You may submit your grievance orally or in writing to Health Plan as described in the "Dispute Resolution" section of your *EOC*. If your complaint involves the termination of coverage, you may contact the Department immediately.

Independent Medical Review ("IMR"):

You may also be eligible for an IMR. If you are eligible for IMR, the IMR process will provide an impartial review of medical decisions made by Delta Dental related to the medical necessity of a proposed service or treatment, coverage decisions for treatments that are experimental or investigational in nature and payment disputes for emergency or urgent medical services. The Department also has a toll-free telephone number **(1-888-466-2219)** and a TDD line **(1-877-688-9891)** for the hearing and speech impaired. The Department's Internet website **(www.dmhc.ca.gov)** has complaint forms, IMR application forms and instructions online.

D8000-D8999 XI. ORTHODONTICS - Medically Necessary for Pediatric Enrollees ONLY

- Orthodontic services must meet medical necessity as determined by a Contract Dentist. Orthodontic treatment is a Benefit only when Medically Necessary as evidenced by a severe handicapping malocclusion and when a prior Authorization is obtained. Severe handicapping malocclusion is not a cosmetic condition. Teeth must be severely misaligned causing functional problems that compromise oral and/or general health.

- Pediatric Enrollee must continue to be eligible, Benefits for Medically Necessary orthodontics will be provided in periodic payments to the Contract Dentist.

- Comprehensive orthodontic treatment procedure (D8080) includes all appliances, adjustments, insertion, removal and post treatment stabilization (retention). The Enrollee must continue to be eligible during active treatment. No additional charge to the Enrollee is permitted from the original treating orthodontist or dental office who received the comprehensive case fee. A separate fee applies for services provided by a Contract Orthodontist other than the original treating orthodontist or dental office.

- Cost Share for Medically Necessary orthodontics applies to course of treatment, not individual benefit years within a multi-year course of treatment. This Cost Share applies to the course of treatment as long as the Pediatric Enrollee remains enrolled in the Program.

- Refer to Schedule B for additional information on Medically Necessary orthodontics.

Endnotes:

Unless clarified elsewhere, base metal is the Benefit. If noble (D6061, D6064, D6071, D6074, D6083, D6087, D6099, D6122) or high noble metal (precious) (D6059, D6062, D6066, D6067, D6069, D6072, D6076, D6077) is used for an implant/abutment supported crown or fixed bridge retainer, the Enrollee will be charged the additional laboratory cost of the noble or high noble metal. If covered, an additional laboratory charge also applies to a titanium crown (D6084, D6088, D6094, D6097, D6194, D6195, D6784).

If services for a listed procedure are performed by the assigned Contract Dentist, the Enrollee pays the specified Cost Share. Listed procedures which require a Dentist to provide Specialist Services, and are referred by the assigned Contract Dentist, must be authorized by Delta Dental. The Enrollee pays the Cost Share specified for such services.

Optional or upgraded procedure(s) are defined as any alternative procedure(s) presented by the Contract Dentist and formally agreed upon by financial consent that satisfies the same dental need as a covered procedure. Enrollee may elect an Optional or upgraded procedure, subject to the limitations and exclusions of this Amendment. The applicable charge to the Enrollee is the difference between the Contract Dentist's regularly charged fee (or contracted fee, when applicable) for the Optional or upgraded procedure and the covered procedure, plus any applicable Cost Share for the covered procedure.

Administration of these plan designs must comply with requirements of the pediatric dental EHB benchmark plan, including coverage of services in circumstances of medical necessity as defined in the Early Periodic Screening, Diagnosis and Treatment ("EPSDT") Benefit.

SCHEDULE B - Limitations and Exclusions of Benefits

Limitations and Exclusions of Benefits for Pediatric Enrollees (Under age 19)

- The frequency of certain Benefits is limited. All frequency limitations are listed in *Schedule A, Description of Benefits and Cost Share for Pediatric Enrollees.* Additional requests, beyond the stated frequency limitations, for prophylaxis [D1110, D1120], fluoride [D1206, D1208], and scaling [D4346] procedures shall be considered for prior Authorization when documented medical necessity is justified due to a physical limitation and/or an oral condition that prevents daily oral hygiene.
- A filling [D2140-D2161, D2330-D2335, D2391-D2394] is a Benefit for the removal of decay, for minor repairs of tooth structure or to replace a lost filling.
- A crown [D2390 and covered codes only between D2710-D2791] is a Benefit when there is insufficient tooth structure to support a filling or to replace an existing crown that is non-functional or non-restorable and meets the five+year (60+months) limitation.
- The replacement of an existing crown [D2390 and covered codes only between D2710-D2791], fixed partial denture (bridge) [covered codes only between D6211-D6245, D6251, D6721-D6791] or a removable full [D5110, D5120] or partial denture [covered codes only between D5211-D5214, D5221-D5224] is covered when:
  - ♦ The existing restoration/bridge/denture is no longer functional and cannot be made functional by repair or adjustment, **and**
  - ♦ Either of the following:
    - The existing non-functional restoration/bridge/denture was placed five or more years (60+months) prior to its replacement, **or**
    - If an existing partial denture is less than five years old (60 months), but must be replaced by a new partial denture due to the loss of a natural tooth, which cannot be replaced by adding another tooth to the existing partial denture.
- Coverage for the placement of a fixed partial denture (bridge) [covered codes only between D6211-D6245, D6251, D6721-D6791] or removable partial denture [covered codes only between D5211-D5214, D5221-D5224]:
  - ♦ Fixed partial denture (bridge):
    - A fixed partial denture is a Benefit only when medical conditions or employment preclude the use of a removable partial denture.
    - The sole tooth to be replaced in the arch is an anterior tooth, and the abutment teeth are not periodontally involved, **or**
    - The new bridge would replace an existing, non-functional bridge utilizing identical abutments and pontics, **or**
    - Each abutment tooth to be crowned meets Limitation #3.
  - ♦ Removable partial denture:
    - Cast metal [D5213, D5214, D5223, D5224], one or more teeth are missing in an arch.

  - ♦ numerous teeth are missing resulting in diminished chewing ability adversely affecting the Enrollee's health.
- Maxillofacial prosthetic services [covered codes only between D5911-D5999] for the anatomic and functional reconstruction of those regions of the maxilla and mandible and associated structures that are missing or defective because of surgical intervention, trauma (other than simple or compound fractures), pathology, developmental or congenital malformations.

- All maxillofacial prosthetic procedures [covered codes only between D5911-D5999] require prior Authorization for Medically Necessary procedures.
- Implant services [covered codes only between D6010-D6199] are a Benefit only under exceptional medical conditions. Exceptional medical conditions include, but are not limited to:
  - ♦ cancer of the oral cavity requiring ablative surgery and/or radiation leading to destruction of alveolar bone, where the remaining osseous structures are unable to support conventional dental prosthesis.
  - ♦ severe atrophy of the mandible and/or maxilla that cannot be corrected with vestibular extension procedures [D7340, D7350] or osseous augmentation procedures [D7950], and the Enrollee is unable to function with conventional prosthesis.
  - ♦ skeletal deformities that preclude the use of conventional prosthesis (such as arthrogryposis, ectodermal dysplasia, partial anaodontia and cleidocranial dysplasia).
- Temporomandibular joint ("TMJ") dysfunction procedure codes [covered codes only between D7810-D7880] are limited to differential diagnosis and symptomatic care and require prior Authorization.
- Certain listed procedures performed by a Contract Specialist may be considered primary under the Enrollee's medical coverage. Dental Benefits will be coordinated accordingly.
- Deep sedation/general anesthesia [D9222, D9223] or intravenous conscious sedation/analgesia [D9239, D9243] for covered procedures requires documentation to justify the medical necessity based on a mental or physical limitation or contraindication to a local anesthesia agent.

Comprehensive orthodontic treatment [D8080]:
