### How To Use This Certificate

This Certificate includes a Schedule of Coverage that will give You a quick overview of Your coverage. It is very important, however, that You read this entire Certificate.

This Certificate uses many terms that have very specific definitions for the purpose of this plan. These terms are capitalized so that You can easily recognize them and are defined in the General Definitions section. Other parts of this Certificate may contain definitions specific to those provisions. Terms that are used only within one section may be defined only in those sections. ### Introduction To Your Plan

**Please read the following information carefully. It will help You understand how the Provider You select can affect the dollar amount You must pay.**

Under this Policy, Covered Dental Services can be provided by a Contracted Providers/Dentists or any licensed Dentist. If you go to a Contracted Provider/Dentist your out-of-pocket expense may be less because Contracted Providers have agreed to charge lower fees than usually charged in their offices. Additionally, between the PPO Dentists and Premier Dentists who are both Contracted Providers/Dentists, your out of pocket is less if you go to a PPO Dentist.

For a more detailed explanation about the basic differences in Your Out-of-Pocket Costs, please - refer to the **Selecting Your Provider** section of this Certificate.

Delta Dental of California (Delta Dental) is KPIC's Administrator for this Certificate. Likewise, KPIC has contracted with Delta Dental for the use of its Network of Contracted Providers, PPO Dentists and Premier Dentists. These Dentists are referred to under this Certificate as Contracted Providers.

KPIC is not responsible for Your decision to receive treatment or services from Non-Contracted Providers nor is KPIC liable for the qualifications of Providers for treatments or services provided.

For a directory of Contracted Providers please call 1-800-835-2244 or visit KPIC's Network of Contracted Providers at: [www.deltadentalins.com](http://www.deltadentalins.com).

All Eligible Employees and Dependents of Eligible Employees are eligible to enroll in this plan.

If You chose to enroll a Dependent and have more than one eligible Dependent You must enroll all eligible Dependents in this plan.

### Eligible Employees Eligibility Date

Your eligibility date is the date Your employer becomes a Policyholder if You are an Eligible Employee on that date, and the Policyholder's Application for coverage indicates that the eligibility waiting period (if any) does not apply to initial employees. Otherwise, Your eligibility date is the first day of the calendar month coinciding with or next following the date You complete the eligibility waiting period elected by the Policyholder.

### Effective Date of Your Insurance

Your Effective Date of insurance is determined from the Enrollment Rules that follow.

#### Enrollment Rules

1. Timely Enrollment. If You enroll during the 31-day period that follows Your eligibility date, Your Effective Date is the first day of the calendar month coinciding with or next following Your eligibility date.
2. Late Enrollment. If You enroll for coverage more than 31 days after Your initial eligibility date, You will be considered a Late Enrollee. Late Enrollees are eligible for enrollment only during the annual open enrollment period set by the Policyholder. If You enroll during this period, Your Effective Date is the date agreed upon between the Policyholder and KPIC.
3. Annual Open Enrollment. If You enroll on or before Your eligibility date, Your Effective Date is the date agreed upon between the Policyholder and KPIC.

You are not eligible if You are not in Active Service on the date coverage would otherwise become effective. Coverage resumes on the first day of the month after You return to Active Service and Premiums have been paid.

**Active Service** means an employee of the Policyholder who is: 1) present at work with the intent and ability to work the scheduled hours; and 2) performs in the customary manner all of the duties of his or her employment for a period of at least 20 hours per week. ### Termination of an Eligible Employee's Insurance

Your insurance will terminate on the earlier of the following dates:

1. The date the Eligible Employee ceases to be covered under a Kaiser HMO or KPIC medical insurance plan; or
2. The date the Group Policy is terminated; or
3. The date You or Your representative commits an act of fraud or makes an intentional misrepresentation of a material fact; or
4. The end of the grace period after the Policyholder fails to pay any required Premium to KPIC when due or KPIC does not receive the Premium payment in a timely fashion; or
5. The last day of the month in which You cease to qualify as an Eligible Employee.

The Certificate of Insurance or Evidence of Coverage issued in connection with Your medical plan more fully explain eligibility, effective date and termination provision (if applicable).

## ELIGIBILITY, EFFECTIVE DATE, AND TERMINATION DATE

The Policyholder pays KPIC monthly Premiums for You and Your enrolled Dependent's coverage. A payroll deduction is made for Your part of the cost.

### Dependent's Eligibility Date

A Dependent's eligibility date is the later of: a) Your eligibility date; or b) the date the person qualifies as Your Dependent. A child named in a Qualified Medical Child Support Order qualifies as Your Dependent on the date specified in the court order. An adopted child qualifies as Your Dependent on the earlier of the date of adoption or from and after the moment the child is placed in Your physical custody for adoption.

### Effective Date of Dependent's Coverage

A Dependent's Effective Date of insurance is the date determined from the Enrollment Rules that follow.

### Dependent's Enrollment Rules

Your Dependents must be enrolled when You first become eligible or on the first day of the month after they become eligible. However, Dependents who are covered under another group dental program are not required to enroll under this coverage. If the other coverage ends, the Dependents may enroll under this coverage within 30 days of the loss of the other coverage. Proof of prior coverage is required.

### Court or Administrative Ordered Coverage for a Dependent Child

If a Covered Person is required by a court order to provide health coverage for an eligible child and the Covered Person is eligible for coverage under a family plan, the Covered Person, employee, employer or group administrator may enroll the eligible child under family coverage by sending KPIC a written application and paying KPIC any additional amounts due as a result of the change in coverage. Enrollment period restrictions will not apply in these circumstances. However, the child should be enrolled within 31 days of the court or administrative order to avoid any delays in the processing of any claim that may be submitted on behalf of the child.

If the Covered Person, employee, administrator or employer fails to apply for coverage for the Dependent child pursuant to the Order, the custodial parent, district attorney, child's legal custodian or the State Department of Health Services may submit the application for insurance for the eligible child. Enrollment period restrictions will not apply in these circumstances. However, the child must be enrolled within 31 days of the order to avoid any delays in the processing of any claim that may be submitted on behalf of the child.

The coverage for any child enrolled under this provision will continue pursuant to the terms of this plan unless KPIC is provided written evidence that:

1. The order is no longer in effect;
2. The child is or will be enrolled in comparable health coverage through another insurer which will take effect on or before the requested termination date of the child's coverage under the Group Policy;
3. Non-payment of Premium.

### Effective Date for Future Dependents

If You have Dependent coverage and there would be no extra cost for adding a Dependent to Your coverage. The Effective Date of insurance for a Dependent will be the date You acquire the Dependent. You must notify KPIC that You have a new Dependent within 31 days so that the Dependent can be added to Your coverage. This will also help avoid delays on any claim You might file on the Dependent.

If the cost of Your Dependent coverage would increase when You add a Dependent, You must enroll the Dependent for insurance and agree to pay any additional cost in accordance with the Enrollment Rules. The Effective Date of insurance for that Dependent will be the date determined from the Enrollment

## ELIGIBILITY, EFFECTIVE DATE, AND TERMINATION DATE

Rules. The Dependent must be enrolled within 31 days of their eligibility date or they will be considered a Late Enrollee.

### Exception for Newborns

A newborn Dependent child is automatically covered 31 days from and after the moment of birth. If the cost of Your Dependent coverage would increase because of the addition of a newborn Dependent, You must enroll the newborn Dependent for insurance and agree to pay the additional cost within 31 days of that Dependent's birth in order for insurance to extend beyond the 31-day period. If coverage terminates at the expiration of the 31-day period, the child will be considered a Late Enrollee and You must wait until the next annual open enrollment period to enroll the child for coverage. If You or Your Dependents are enrolled pursuant to a Late Enrollment Exception because of the birth of a newborn Dependent child, coverage for You and Your spouse is effective from the date of birth of the newborn Dependent child.

If the cost of Your coverage would not increase as a result of the child being enrolled under the coverage, You should still notify Us, in writing, of the child's birth within 31 days. This will allow Us to add the child to Our records and help avoid delays on any claim You might file on the child.

### Exception for Adopted Children

An adopted child is insured from the earlier of the date of adoption or from and after the moment the adopted child is placed in the physical custody of the Covered Person for adoption. If the cost of Your Dependent coverage would increase because of the addition of an adopted child, You must enroll the adopted child for insurance and agree to pay the additional cost within 31 days of his eligibility date in order for insurance to extend beyond the 31-day period. If coverage terminates at the expiration of the 31-day period, the child will be considered a Late Enrollee and You must wait until the next annual open enrollment period to enroll the child for coverage. If You or Your Dependents are enrolled pursuant to a Late Enrollment Exception because of the adoption of a Dependent child, coverage for You and Your spouse is effective from the earlier of the date of adoption or from and after the moment the adopted child is placed in the physical custody of the Covered Person for adoption.

If the cost of Your coverage would not increase as a result of the child being enrolled under the coverage, You should still notify Us, in writing, of the child's adoption or placement within 31 days of the event. This will allow Us to add the child to Our records and help avoid delays on any claim You might file on the child.

### Dependent's Enrollment Rules

Your Dependents must be enrolled when You first become eligible or on the first day of the month after they become Dependents. However, Dependents who are covered under another group dental program are not required to enroll under this coverage. If the other coverage ends, the Dependents may enroll under this coverage within 30 days of the loss of the other coverage. Proof of prior coverage is required.

### Age Limit for Dependent Children

The age limit for Dependent children is up to age 26, unless otherwise stated in the Schedule of Coverage.

### Exceptions

The age limits indicated above for Dependent children and the requirement under item b) of the definition of Dependent, do not apply to a Dependent child who is continuously incapable of self-sustaining employment due to a physical handicap or intellectual disability that or biologically based psychiatric disorder diagnosed as such by competent health care professionals that occurred prior to the age limit. Such child will continue to qualify as a Dependent until the earlier of the following dates: a) the date he recovers from the physical handicap or intellectual disability; or b) the date he no longer chiefly depends on You for support and maintenance.

Proof of such incapacity and dependency must be furnished to KPIC within 31 days of the child's

## ELIGIBILITY, EFFECTIVE DATE, AND TERMINATION DATE

attainment of the limiting age and subsequently as may be required by KPIC, but not more frequently than annually after the two-year period following the child's attainment of the limiting age.

We will notify You at least 90 days prior to the date the Dependent child attains the limiting age that the Dependent child's coverage will terminate unless proof of disability is provided to Us within the specified time. Eligibility will continue as long as the Dependent child relies on You for support and maintenance due to a physical handicap or intellectual disability.

### **IMPORTANT:**

KPIC will not deny enrollment of a child under the coverage of a child's parent because the child:

1. Was born out of wedlock;
2. Is not claimed as a Dependent on the parent's federal income tax return; or
3. Does not reside with the parent or in KPIC's service area.

### **Contributions**

You must pay part of the cost of Your Dependent's coverage, unless the Policyholder's Application for coverage specifies that the Policyholder will pay the full cost of a Dependent's coverage.

### **Termination of an Insured Dependent's Coverage**

An enrolled Dependent's insurance will terminate on the earlier of the following dates:

1. The date the Eligible Employee ceases to be covered under a Kaiser HMO or KPIC medical plan insurance plan; or
2. The date the Group Policy is terminated; or
3. The date the Dependent, or Your Dependent's representative, commits an act of fraud or makes an intentional misrepresentation of a material fact; or
4. The end of the grace period after the Policyholder fails to pay any required Premium to KPIC or to its Administrator when due or KPIC or its Administrator does not receive the Premium payment in a timely fashion; or
5. The last day of the month Your Dependent ceases to qualify as a Dependent under the terms of the Group Policy.

If You call Customer Service, a representative will answer Your call within 10 minutes during normal business hours.

If You have any complaints regarding obtaining timely access to dental care, You may call Customer Service at 1-800-835-2244 or You may contact the Consumer Services Division at the California Department of Insurance at 1-800-927-4357 (HELP).

## PRE-TREATMENT ESTIMATE

**NOTE:** Pre-Treatment Estimates are neither authorization of coverage nor a binding agreement by KPIC that the benefit is a Covered Service payable under this Certificate.

After a dental examination, Your Provider will talk to You about treatment You may need. The cost of treatment is something You may want to consider. If the service is extensive and involves crowns or bridges, or if the service will cost more than \$300, We encourage You to ask Your Provider to request a Pre-Treatment Estimate.

A Pre-Treatment Estimate does not guarantee payment. It is an estimate of the amount KPIC will pay if You are eligible and meet all the requirements of the Group Policy at the time the treatment You have planned is completed. The Pre-Treatment Estimate also includes an estimate of your Out-of-Pocket Cost.

In order to receive a Pre-Treatment Estimate, Your Participating Provider must send a statement of proposed treatment plan along with relevant x-rays to Us listing the proposed treatment. KPIC will send Your Participating Provider a Pre-Treatment Estimate which estimates how much of the treatment costs KPIC will pay and how much You will have to pay. After You review the estimate from Your Participating Provider and You decide to go ahead with the treatment plan, Your Participating Provider returns the statement to KPIC's Administrator at the following address for payment after treatment has been completed.

Delta Dental of California  
P.O. Box 997330  
Sacramento, CA 95899-7330

Computations in connection with the Pre-Treatment Estimates are estimates only and are based on what would be payable on the date the Pre-Treatment Estimate is issued if the Covered Person is eligible. Payment will depend on the Covered Person's eligibility and the remaining Benefit Maximum during the Accumulation Period when completed services are submitted to KPIC.

Pre-Treatment Estimates are valid for 365 days unless other services are received after the date of the Pre-Treatment Estimate, or until an earlier occurrence of any one of the following events:

- the date the Group Policy terminates;
- the date Your dental coverage ends; or
- the date the PPO or Premier Dentist's provider agreement with Delta Dental ends.

Pre-Treatment Estimates help prevent any misunderstanding about Your financial responsibilities.

## SELECTING YOUR PROVIDER

### IMPORTANT

Please read the following information carefully. It will help You understand how the Provider You select can affect the dollar amount You must pay in connection with receiving Covered Services. Your coverage under the Group Policy includes coverage for Covered Services received from Contracted Providers (PPO and Premier Dentists) and from Non-Contracted Providers.

Depending on the Provider You select, You will be responsible for the payment of any amount in excess of the Maximum Contract Allowance but not more than the Accepted Fees of PPO and Premier Dentists and not more than the Submitted Amount for Covered Services rendered by Non-Contracted Providers.

For Covered Services received from:

**PPO Dentists:** You will have the lowest Out-of-Pocket Costs and biggest savings. PPO Dentists have agreed to accept the PPO Dentist's Accepted Fee as full payment which typically results in lower Coinsurance charged to You.

**Premier Dentists:** You will be responsible for the payment of any amount in excess of the Maximum Contract Allowance but not more than the Accepted Fee of the Premier Dentist.

**Non-Contracted Providers:** You will be responsible for the payment of any amount in excess of the Maximum Contract Allowance but not more than the Submitted Amount from the Non-Contracted Provider.

We recognize that many factors affect the choice of Dentist, and therefore, We support Your right to freedom of choice regarding Your Provider. This assures that You have full access to the dental treatment You need from the dental office of Your choice. You may see any licensed Provider for Your covered treatment. - Delta Dental Premier Dentist (Premier Dentist)
- Non-Contracted Provider (Non-Contracted Dentist)

Pursuant to 10 CCR 2240.1(e), as then constituted or later amended, if medically appropriate care cannot be provided by a PPO or Premier Dentist, We will arrange for the required care with available accessible Contracted Providers.

We will notify You, within a reasonable amount of time, if You will be materially or adversely affected by the termination, breach of contract or the inability of a Participating Provider to perform.

**Remember, You enjoy the greatest Benefits—including Out-of-Pocket Cost savings—when You choose a PPO Dentist.** To take full advantage of Your Benefits, We highly recommend You verify Your Dentist's Network status with Your dental office before each appointment. Review the section titled **CLAIM PROVISIONS** for an explanation of payment procedures to understand the method of payments applicable to Your Dentist selection and how that may impact Your Out-of-Pocket Costs.

### Continuity of Care

#### Current Covered Persons

If You are a current Covered Person and Your treating PPO or Premier Provider is terminated from the Delta Dental Network before completing a course of treatment, You may have the right to the Benefit of completion of care. Such services include:

- certain acute dental conditions;
- serious chronic dental conditions;
- surgery or other procedure that has been recommended and documented by the terminated PPO or Premier Provider to occur within 180 days of the provider contract's termination date; and
- other specified dental conditions.

Please call Customer Service at 1-800-835-2244 to determine eligibility and/or to request a copy of Our *Continuity of Care Policy*. You must make a specific request to continue under the care of Your terminated PPO or Premier Provider. If You are eligible for this continuity of care Benefit, We will pay for Covered Dental Services up to Your plan's maximum Benefit that applied before the PPO or Premier Provider was terminated and will continue to apply after the termination for each Covered Person in each Calendar Year after the plan Deductible has been satisfied.

If You are a current Covered Person and Your PPO Provider is terminated from the Delta Dental Network before completing a course of treatment, payment will be calculated based on the PPO Maximum Allowance. PPO Providers have agreed to accept the PPO Maximum Allowance as full payment for Covered Dental Services.

If you are a current Covered Person and Your Premier Provider is terminated from the Delta Dental Network before completing a course of treatment, payment will be calculated based on the Premier Maximum Allowance. Since Premier Providers have agreed to accept the Premier Maximum Allowance and not the PPO Maximum Allowance, You may be billed the difference.

We are not required to continue care with Your terminated PPO or Premier Provider if You are not eligible under the terms of this plan or if We cannot reach an agreement with Your terminated PPO or Premier Provider on the terms regarding Your care in accordance with California law.

#### New Covered Persons

If You are a newly Covered Person and are undergoing a course of treatment with a Non-Contracted Dentist, You may have the right to the Benefit of completion of care with Your Non-Contracted Dentist. Such services include:

- certain acute dental conditions;
- serious chronic dental conditions;
- surgery or other procedure that has been recommended and documented by the Non-Contracted Dentist to occur within 180 days of the newly Covered Person's Effective Date of coverage; and
- other specified dental conditions.

Please call Customer Service at 1-800-835-2244 to determine eligibility and/or to request a copy of Our Continuity of Care Policy. You must make a specific request to continue under the care of Your Non-Contracted Dentist. If You are eligible for this continuity of care Benefit, We will pay for Covered Dental Services based on Your plan up to Your plan maximum Benefit for each Covered Person in each Calendar Year after the plan Deductible has been satisfied.

If You are a newly Covered Person undergoing a course of treatment with a Non-Contracted Dentist, payment will be calculated on the applicable percentage of the lesser of the Non-Contracted Dentist's fee or the PPO Maximum Allowance for Covered Dental Services. Since We cannot limit Non-Contracted Dentist's fees, the amount You pay may be significantly higher.

We are not required to continue care with your Non-Contracted Dentist if You are not eligible under the terms of Your plan or if We cannot reach an agreement with Your Non-Contracted Dentist on the terms regarding Your care in accordance with California law.

## SELECTING YOUR PROVIDER

Please see the **CLAIM PROVISIONS** section which describes how payments of services are calculated for PPO and Premier Providers and Non-Contracted Dentists.

### Emergency Dental Services

Emergency Dental Services are palliative relief, controlling of dental pain, and/or stabilizing the patient's condition. Our Participating Providers are available 24 hours a day, 7 days a week to provide Emergency Dental Services. If You are experiencing an Emergency Dental Condition, You can call 911 (where available).

### Urgent Dental Services

An Urgent Dental Service requires prompt dental attention but is not an Emergency Dental Condition. If You believe that You need Urgent Dental Services, You may visit any PPO or Premier Provider.

### Claims for Emergency Dental Service and Urgent Dental Services

If You require Emergency Dental Services or Urgent Dental Services, as described above, and a PPO or Premier Provider is unavailable to provide treatment, You may visit any licensed Dentist of Your choice. This plan will pay for those Benefits had You received treatment from a PPO or a Premier Provider.

Payment for Emergency Dental Services and Urgent Dental Services received from a Non-Contracted Dentist will be based on Your plan's maximum Benefit for each Covered Person in each Calendar Year after Your plan Deductible has been satisfied.

Please see the **CLAIM PROVISION** section which describes how payments of services are calculated when visiting a PPO Dentist, Premier Dentist and a Non-Contracted Dentist.

## GENERAL BENEFITS AND LIMITATIONS

Your dental program covers several categories of Benefits when the services are provided by a licensed Provider. We will pay the Percentage Payable of the Maximum Contract Allowance for each Covered Service, subject to certain limitations. You are responsible for paying the Coinsurance and in addition, when seeing a Premier Dentist and Non-Contracted Providers, you will be responsible to pay any amount exceeding the Maximum Contract Allowance up to the Accepted Fee. The Coinsurance is part of Your Out-of-Pocket Cost. You pay this even after a Deductible has been met.

It is to Your advantage to select PPO Dentists because they have agreed to accept the PPO Dentist's Accepted Fee as full payment which typically results in lower Coinsurance charged to You. Please read the **SELECTING YOUR PROVIDER** and **HOW CLAIMS ARE PAID** sections for more information.

2. the reasons the claim is being contested or denied; and
3. the pertinent provisions of the Group Policy on which the contest or denial is based.

If the Covered Person is dissatisfied with the result of the review, the Covered Person may file an appeal.

## GENERAL PROVISIONS

### Legal Actions

No action at law or in equity may be brought to recover under the Group Policy prior to the expiration of 60 days after the claim has been filed as required by the Group Policy. Also, no action may be brought after 2 years from the expiration of the time within which proof of loss is required by the Group Policy.

### Overpayment

KPIC will not withhold any portion of a claim payment on the basis that the sum withheld is an adjustment or correction for an overpayment made on a prior Claim unless:

1. KPIC's files contain clear, documented evidence of an overpayment and written authorization from the claimant or assignee, if applicable, permitting such withholding procedure; or
2. KPIC's files contain clear, documented evidence of all of the following:
  - a) the overpayment was erroneous under the provisions of the Policy;
  - b) the error which resulted in the payment is not a mistake of law;
  - c) KPIC notifies the claimant within 6 months of the date of the error, except that in instances of errors prompted by representations or nondisclosure of claimants or third parties, KPIC notifies the claimant within 15 calendar days after the date of discovery of such error. For the purpose of this provision, the date of the error is the day on which the draft for benefits is issued; and
  - d) such notice states clearly the cause of the error and the amount of the overpayment; however, the procedure set forth above will not be used if the overpayment is the subject of a reasonable dispute as to facts.

With each payment, KPIC will provide to the claimant and assignee, if any, an explanation of benefits which shall include, if applicable, the provider's name or service covered, dates of service, and a clear explanation of the computation of benefits. In case of an Adverse Benefit Determination, it will also include a notice that will tell You why We denied Your claim and will include information regarding the mandatory appeals rights, including external review, that may be available to You.

For claims related to Your dental benefits:

Delta Dental of California  
P.O. Box 997330  
Sacramento, CA 95899-7330

### Misstatement of Age

If the age of any person insured under the Group Policy has been misstated: (1) Premiums shall be adjusted to correspond to his or her true age; and (2) if Benefits are affected by a change in age, Benefits will be corrected accordingly (in which case the Premium adjustment will take the correction into account).

### Examination

When reasonably necessary, KPIC, at its own expense, may require an examination of the person for whom a claim is made.

### Money Payable

All sums payable by or to KPIC must be paid in the lawful currency of the United States.

## COORDINATION OF BENEFITS

### Application

This Coordination of Benefits provision applies when the Covered Person has coverage under more than one Plan. If this provision applies, the benefit determination rules state whether this Plan pays before or after another Plan.

The Benefits of this Plan:

1. Will not be reduced when this Plan is primary;
2. May be reduced when another Plan is primary and this Plan is secondary. The Benefits of this Plan are reduced so that they and the benefits payable under all other Plans do not total more than 100% of the Allowable Expenses during any Accumulation Period.
3. Will not exceed the Benefits payable in the absence of other coverage.

### Order of Benefit Determination Rules

This Plan determines its order of benefits by using the first of the following that applies:

1. General: A Plan that does not coordinate with other Plans is always the primary Plan.
2. Nondependent\Dependent: The benefits of the Plan which covers the person as an employee is the primary Plan; the Plan which covers the person as a Dependent is the secondary Plan.
3. Dependent Child--Parents Not Separated or Divorced: When this Plan and another Plan cover the same child as a Dependent of different parents, benefits for the child are determined as follows:
  - a. The primary Plan is the Plan of the parent whose birthday (month and day) falls earlier in the year. The secondary Plan is the Plan of the parent whose birthday falls later in the year.
  - b. If both parents have the same birthday, the benefits of the Plan which covered the parent the longer time is the primary Plan; the Plan which covered the parent the shorter time is the secondary Plan.
  - c. If the other Plan does not have the birthday rule, but has the male/female rule and if, as a result, the Plans do not agree on the order of benefits, the rule in the other Plan will determine the order of benefits.
4. Dependent Child--Separated Or Divorced Parents: If two or more Plans cover a person as a Dependent child of divorced or separated parents, benefits for the child are determined as follows:
  - a. First, the Plan of the parent with custody of the child;
  - b. Then, the Plan of the spouse of the parent with custody of the child; and
  - c. Finally, the Plan of the parent without custody of the child.

However, if the specific terms of a court decree state that one parent is responsible for the health care expenses of the child and the entity obligated to pay or provide the benefits of the Plan of that parent has actual knowledge of those terms, that Plan is the primary Plan. This paragraph does not apply with respect to any Accumulation Period during which any benefits actually paid or provided before the entity has actual knowledge. Also, benefits for the child of a non-custodial parent who is responsible for the health care expenses of the child may be paid directly to the provider, if the custodial parent so requests.

5. Active\Inactive Service: The primary Plan is the Plan which covers the person as an employee who is neither laid off nor retired (or as that employee's Dependent). The secondary Plan is the Plan which covers that person as a laid off or retired employee (or as that employee's Dependent). If the other Plan does not have this rule, and if, as a result, the Plans do not agree on the order of benefits, this rule does not apply.
6. Longer\Shorter Length Of Coverage: If none of the above rules determines the order of benefits the primary Plan is the Plan which covered an employee the longer time. The secondary Plan is the Plan which covered that person the shorter time.

## COORDINATION OF BENEFITS

### Effect of Medicare

This Plan will be primary to Medicare for an Eligible Employee and Dependent spouse of such - Eligible Employee. This Plan will not be primary to Medicare if the Eligible Employee is eligible for Medicare as primary. Any such Eligible Employee may not continue enrollment under this Plan. Medicare is primary for an insured Retiree or the Dependent spouse of a Retiree age 65 or over; who are not working aged under the Working Aged Provisions (TEFRA/DEFRA) of the federal law and those 65 or over who are eligible for Medicare due to "ESRD" (End Stage Renal Disease. This applies whether or not the Retiree or spouse is enrolled in Medicare. This prohibition includes Senior Advantage.

### Non-Duplication of Benefits

In instances where Medicare is your primary dental coverage, benefits provided under this Group Policy will be provided in accordance with the provisions of this Group Policy, less any amount paid by Medicare as primary dental coverage. Benefits payable by KPIC, if any, as the secondary dental coverage makes up the difference between the amount Medicare pays and the benefits that otherwise would be payable under this Group Policy. Total amount paid by Medicare as primary and KPIC as secondary will not exceed the amount payable by KPIC if there were no other coverage.

### Effect of No-fault Auto Coverage

No-fault auto coverage is considered the primary Plan.

### Reduction in this Plan's Benefits

When the Benefits of this Plan are reduced, each Benefit is reduced in proportion. It is then charged against any applicable Maximum Benefit of this Plan.

Any Benefit amount not paid under the Group Policy because of coordinating benefits becomes a Benefit credit under the Group Policy. This amount can be used to pay any added Allowable Expenses the Covered Person may incur on the same claim.

### Right to Receive and Release Information

Certain facts are needed to coordinate Benefits. KPIC or its Administrator has the right to decide which facts it needs. KPIC or its Administrator may get needed facts from or give them to any other organization or person. KPIC or its Administrator need not tell, or get the consent of any person to do this. Each person claiming Benefits under this plan must give KPIC or its Administrator any facts it needs to pay the claim.

### Facility of Payment

A payment made under another plan may have included an amount which should have been paid under this Plan. If it does, KPIC or its Administrator may pay that amount to the organization that made the payment. That amount will then be treated as though it were a Benefit paid under this Plan. KPIC or its Administrator will not pay that amount again. The term "**payment made**" includes providing Benefits in the form of services. In this case "**payment made**" means the reasonable cash value of the Benefits provided in the form of services.

### Right of Recovery

If the amount of the payments made by KPIC or its Administrator is more than it should have paid, KPIC or its Administrator may recover the excess from one or more of the following:

1. the persons KPIC or its Administrator has paid or for whom it has paid.
2. insurance companies.
3. other organizations.

## COORDINATION OF BENEFITS

The **"amount of payments made"** includes the reasonable cash value of any benefits provided in the form of services.

### Definitions Related to Coordination of Benefits

**Active Service** means that an employee: (1) is present at work with the intent and ability to work the scheduled hours; and (2) is performing in the customary manner all of the regular duties of his or her employment.

**Allowable Expenses** means the percentage payable of the Maximum Contract Allowance for medical or dental care or treatment. Part of the expenses must be covered under at least one of the Plans covering the Covered Person.

**Coordination Of Benefits** means the way benefits are payable under more than one medical or dental plan. Under Coordination of Benefits, the Covered Person will not receive more than the Allowable Expenses for a loss.

**Plan** means any of the following that provides medical or dental benefits or services:

1. The Group Policy.
2. Any group, blanket, or franchise health insurance.
3. A group contractual prepayment or indemnity Plan.
4. A health maintenance organization (HMO), whether a group practice or individual practice association.
5. A labor-management trustee Plan or a union welfare Plan.
6. An employer or multi-employer Plan or employee benefit Plan.
7. A government program.
8. Insurance required or provided by statute.

Plan does not include any:

1. Individual or family policies or contracts, except no-fault auto coverage.
2. Public medical assistance programs.
3. Group or group-type hospital indemnity benefits of \$100 per day or less.
4. School accident-type coverages.

The benefits provided by a Plan include those that would have been provided if a claim had been duly made.

**Primary Plan\Secondary Plan** means that when this Plan is primary, its benefits are determined before those of the other Plan; the benefits of the other Plan are not considered. When this Plan is secondary, its benefits are determined after those of the other Plan; its benefits may be reduced because of the other Plan's benefits. When there are more than two Plans, this Plan may be primary as to one and may be secondary as to another.

**IMPORTANT:** If one plan complies, and the other Plan does not, the following rules apply:

1. If the complying Plan is Primary, the complying Plan pays first.
2. If the complying Plan is Secondary, the complying Plan pays immediately, but pays Secondary benefits.

**NOTE:** If the non-complying Plan refuses to provide information on the level of benefits payable, the complying Plan will assume that the non-complying Plan provides identical benefits and will pay accordingly.

If the non-complying Plan is Primary, and its benefits are reduced to an amount which is less than what the Secondary complying plan would have paid if it were Prime, then, the complying Plan

## **COORDINATION OF BENEFITS**

must provide the difference in benefits up to the amount the complying Plan would have paid as the Prime plan, less any amount previously paid.

By making this advance in benefits, the complying Plan receives all rights of the Covered Person against non-complying Plan.

## CLAIM PROVISIONS

All claims under the Group Policy will be administered by:

Delta Dental of California  
P.O. Box 997330  
Sacramento, CA 95899-7330

KPIC will pay PPO Dentists and Premier Dentist directly for Covered Services performed by such Contracted Providers.

KPIC will pay the Covered Person directly for Covered Services provided by a Non-Contracted Provider. Such payments are not assignable.

A claim for payment or reimbursement for the cost of Covered Services must be submitted to Us within 90 days after the day services were received. If You cannot submit it within that time, You must send it as soon as reasonably possible.

Claims must be filed on forms provided by or acceptable to Us. The forms may be obtained from and must be filed at Our Administrator's office at the address set forth above. If You ask for a Claim Form but do not receive it within 15-working days, You can file a claim without it by sending in the bills and describing the situation in a letter.

Claims will be acted upon within 30 working days of receipt. If a claim is denied in whole or in part, the written notice of denial will contain: (1) reasons for the denial; and (2) reference to pertinent provisions of the Group Policy on which the denial is based, and (3) information concerning the Covered Persons right of appeal.

If the denial of Benefits is due to a PPO or Premier Dentist failing to make a timely submission of claim, You shall not be liable to that PPO or Premier Dentist for the amount which would have been payable by Us, unless, You failed to advise them of Your eligibility at the time of treatment.

We will notify You in writing if Benefits are denied for any services, explaining the reason or reasons for denial. If You do not agree with the denial, You may ask for a review.

### **Payment for Services — PPO Dentist**

Payment for Covered Services performed for You by a PPO Dentist is calculated based on the lesser of the Accepted Fee of the PPO Dentist; or the Submitted Amount.

KPIC calculates the Percentage Payable using the applicable percentage shown in the Schedule of Coverage and sends the payment directly to the PPO Dentist who has submitted the claim. We advise You of any charges not payable by Us for which You are responsible. These charges are generally:

- Your share of the Maximum Contract Allowance; or
- Coinsurance or the Deductible; or
- charges where the Maximum Benefit has been exceeded, and/or
- charges for non-covered services.

Under this plan, seeing a PPO Dentist may reduce Your Out-of-Pocket Cost as Accepted Fees with PPO Dentists are lower. Additionally, when Covered Services are provided by PPO Dentists, subject to the provisions of this Certificate, You will not be responsible for any additional Out-of-Pocket Costs other than Your Coinsurance and Deductible, if such have not yet been satisfied.

### **Payment for Services — Premier Dentist**

Payment for Covered Services performed for You by a Premier Dentist is calculated based on the lesser of the Accepted Fee of the PPO Dentist for a PPO General Dentist in the same geographic area or the Submitted Amount.

## CLAIM PROVISIONS

KPIC calculates the Percentage Payable using the applicable percentage shown in the Schedule of Coverage and sends the payment directly to the Premier Dentist who has submitted the claim. We advise You of any changes not payable by Us for which You are responsible. These charges are generally:

- Your share of the Maximum Contract Allowance or Coinsurance,
- the Deductible,
- charges where the Maximum Benefit has been exceeded, and/or
- charges for non-covered services.

Under this plan, if You receive Covered Services from a Premier Dentist, You will be responsible for the payment of any amount in excess of the Maximum Contract Allowance but not more than the Accepted Fee of the Premier Dentist.

### **Payment for Services — Non-Contracted Provider**

Payment for services performed for You by a Non-Contracted Provider is also calculated based on the lesser of the Accepted Fee of the PPO Dentist for a PPO General Dentist in the same geographic area; or the Submitted Amount.

When dental services are received from a Non-Contracted Provider, You are responsible for payment of the Non-Contracted Provider's Submitted Fee. You may be required to pay the Non-Contracted Provider Yourself and then submit a claim to Us for reimbursement. Since Our payment for services You receive may be less than the Non-Contracted Provider's Submitted Fee, Your Out-of-Pocket Cost may be significantly higher.

### **Complaint Procedure and Appeal of Denial**

If You have any questions about the services You receive from a PPO or Premier Dentist, We recommend that You first discuss the matter with that Dentist. If You continue to have concerns, call Our Administrator at 1-800-835-2244.

If You are dissatisfied with the results of a review, You may request reconsideration. Your request must be in writing and filed with Our Administrator at the address set forth above. Your written request for reconsideration must be filed within 180 days after the notice of denial is received. A written decision will be issued within 30 days after Our Administrator receives the request for reconsideration, unless You are notified that additional time is required, but in no event later than 120 days from the time Our Administrator receives the request.

### **Payment of Benefits**

Benefits will be payable as they accrue and any balance remaining unpaid at termination of the period of liability will be paid immediately upon receipt of due written proof of loss. However, unless You direct otherwise in writing, Our Administrator has the option of paying all or part of such Benefits directly to a person or institution on whose charges claim is based.

Most dental offices have standard Claim Forms available. PPO Dentists and Premier Dentists will fill out and submit Your claims paperwork for You. Some Non-Contracted Providers may also provide this service upon Your request. If You receive services from a Non-Contracted Provider who does not provide this service, You can submit Your own claim directly to Us or Our Administrator.

Under the terms of the contract with the PPO and Premier Dentists, payment is sent directly to the treating PPO or Premier Dentist. If the Covered Person is treated by a Non-Contracted Provider, payment is sent to the patient and cannot be assigned elsewhere. Any such payments will discharge Us to the extent of payment made. Unless allowed by law, payments may not be attached, nor be subject to a Covered Person's debts.

## CLAIM PROVISIONS

Payments by Us for any Single Procedure that is a Covered Service will be made upon completion of the procedure. Payment for care is applied to the Deductible and Maximum Benefit based on the date of service, regardless of when the claim is submitted. After You have satisfied Your Deductible requirement, We will provide payment for Covered Services up to a Maximum Benefit for each Covered Person in each Accumulation Period.

### **Time Limitations**

If any time limitation provided in the Group Policy for giving notice of claims, or for bringing any action at law or in equity, is less than that permitted by the applicable law, the time limitation provided in the Group Policy is extended to conform with the minimum permitted by the applicable law.

### **Money Payable**

All sums payable by or to KPIC or its Administrator must be paid in the lawful currency of the United States.

## ERISA CLAIMS AND APPEALS PROCEDURES

If Your employee benefit plan is covered by Title I of the Employee Retirement Income Security Act of 1974 (ERISA), the following claims and appeals procedures will apply to benefit claims arising under the Group Policy. The provisions below preempt any conflicting provisions in this Certificate to the extent that the conflicting provisions prohibit implementation of requirements under ERISA. To determine whether Your employee benefit plan is covered by ERISA, check with Your employer.

### Definitions

For the purpose of this section of this Certificate, the following definitions apply:

**Adverse Benefit Determination (Denial)** means either a failure or decision not to provide or make payment, in whole or in part, for a Claim for Benefits. It can be in the form of either a Pre-Service Claim Denial, Concurrent Care Claim Denial or Post Service Claim Denial that results in:

1. a reduction in benefits (other than by cancellation of the Group Policy);
2. a failure or refusal to cover an item or service;
3. a determination that an expense is experimental or investigational;
4. a determination that an expense is not Medically Necessary or appropriate.

**Benefit Determination** means a decision, either positive or negative, concerning the claimant's right to receive benefits under a group health plan.

**Claims Procedures** means 1) procedures governing the filing and adjudication of benefit claims, whether Pre-Service Claims, Concurrent Care Claims, or Post-Service Claims; 2) notification of Benefit Determinations; and 3) appeals of a Denial.

**Claim for Benefits** means a request for plan benefits made by a claimant in accordance with Our Claims Procedures. Claims for Benefits include Pre-Service Claims (if applicable), Concurrent Care Claims and Post-Service Claims.

**Concurrent Care Claim** means a request for approval of a benefit or treatment where the terms of the Group Policy condition continued receipt of the benefit, in whole or in part, on approval of the benefit in advance of continuing medical care. Concurrent care review requirements, explained elsewhere in this Certificate, apply to Concurrent Care Claims. Concurrent Care Claims can be either Urgent Care Claims or Non-urgent Care Claims.

**Non-Urgent Care Claim** means anything that is not an Urgent Care Claim.

**Post-Service Claim** means a Claim for Benefits involving the payment or reimbursement of costs for medical care that has already been received.

**Pre-Service Claim** means a request for approval of a Benefit or treatment where the terms of the Group Policy condition receipt of the Benefit, in whole or in part, on approval of the Benefit in advance of obtaining medical care. A Pre-Treatment Estimate, explained elsewhere in this Certificate, does not apply to Pre-Service Claims. Pre-Service Claims can be either Urgent Care Claims or Non-Urgent Care Claims.

**Urgent Care Claim** means a request for approval of Benefits or treatment where delay could seriously jeopardize Your life, health or ability to regain maximum function, or would, in the opinion of a Physician with knowledge of Your medical condition, subject You to severe pain that cannot be adequately managed without the services You are requesting.

### The Claims Process (Initial Review)

A Benefit Determination will be made in accordance with the following rules:

1. Urgent Care Claims - We will notify You within 24 hours if We need additional information to make a benefit determination on such claims, or if You or Your representative failed to follow proper procedures that would result in a claim Denial. If additional information is requested,

## ERISA CLAIMS AND APPEALS PROCEDURES

You will be allowed 48 hours in which to provide such information. We will make a final determination for this type of claim within 48 hours following the earlier of: a) receipt of the requested information from You; or b) the end of the period allowed for providing the information. Decisions regarding Urgent Care Claims will be communicated to You by telephone within 24 hours. They will be confirmed in writing within 3 calendar days of the initial decision.

2. **Concurrent Care Claims (Ongoing Course of Treatment)** – When a course of treatment will be limited or ended early as a result of a concurrent claim review, We will notify You of Our decision sufficiently in advance to allow You to file a timely appeal of Our decision.
3. **Concurrent Care Claims (Additional Treatment)** – We will make decisions involving a request for additional treatment, when a previously approved course of treatment is about to end, within 24 hours following receipt of such a request, provided that You make this type of request at least 24 hours prior to the time that treatment is scheduled to end. If the request for concurrent care review is urgent, such request will be handled like any other Urgent Care Claim.
4. **Non-Urgent Pre-Service Care Claims (if applicable)** – We will make decisions within a maximum of 15 calendar days after receipt of the Pre-certification request. This time period may be extended one time by Us, for up to 15 calendar days, if We determine that an extension is necessary due to matters beyond Our control and notify You of the extension within the initial 15-day period. Any such notice will detail the circumstances requiring the extension and the date upon which We expect to render a decision on Your Claim for Benefits. If such an extension is necessary due to Your failure to submit any necessary information, the notice of extension will describe the required information.
5. **Post-Service Claims** – We will adjudicate such claims within an initial period of 30 calendar days. This time period may be extended one time by Us, for up to 15 calendar days, if We determine that an extension is necessary due to matters beyond Our control and notify You of the extension within the initial 30-day period. Any such notice will detail the circumstances requiring the extension and the date upon which We expect to render a decision on Your Claim for Benefits. If such an extension is necessary due to Your failure to submit any necessary information, the notice of extension will describe the required information.

You must respond to requests for additional information within 45 calendar days or We will make Our decision on Your Claim for Benefits based upon the information We have available to Us at that time. In the case of an Urgent Care Claim, You must respond to Our request for information within 48 hours.

We will notify You when We approve or deny a Claim for Benefits. If We deny Your Claim for Benefits the notification will include the following information:

1. The specific reason or reasons for the Denial;
2. Reference to the specific provisions in the Group Policy on which the Denial is based;
3. A description of any additional material or information needed for Us to reevaluate Your Claim for Benefits.
4. An explanation of why such material or information is necessary in order for Us to reevaluate Your Claim;
5. A description of the review (appeal) procedures and the time limits applicable to such procedures;
6. A statement of Your rights under section 502(a) of ERISA following a Denial on Your appeal;
7. If any internal rule, guideline, protocol or other similar criterion was relied upon in making the Denial, an offer to provide the rule;
8. If the Denial was based upon Medical Necessity, experimental treatment or similar exclusions or limitations, an offer to provide the specific basis for the Denial.

## ERISA CLAIMS AND APPEALS PROCEDURES

### The Appeals Process

In order to afford You the opportunity for a full and fair review of a Denial, the Policyholder has designated KPIC as the “named fiduciary” for appeals arising under the Group Policy. You may appeal an Adverse Benefit Determination (Denial) to Us. Such appeals will be subject to the following:

1. You may appeal a Denial any time, up to 180 days following the date You receive a notification of Denial;
2. Our review of Your appeal will not afford deference to the initial Denial. This review will be conducted by a committee comprised of individuals who are neither the person who made the initial Denial that is the subject of the appeal, nor the subordinate of such person;
3. In deciding an appeal of any Denial that is based in whole or in part on a medical judgment, including determinations with regard to whether a particular treatment, drug, or other item is experimental, investigational, or not Medically Necessary or appropriate, We will consult with a health care professional who has appropriate training and experience in the field of medicine involved in the medical judgment. In the case of a claim involving Urgent Care, We will provide for an expedited review process. You may request an expedited appeal of a Denial orally or in writing. All necessary information, including Our approval or Denial of the appeal, will be transmitted by telephone, facsimile, or other available and similarly expeditious method.

We will generally notify You of Our decision on Your appeal within the following time frames:

1. For Urgent Care Claims, We will provide You with Our decision within 72 hours after We receive Your request for an appeal of a Denial.
2. For Pre-service Claims (if applicable), We will provide You with Our decision within 30 days after We receive Your request for an appeal of a Denial.
3. For Post-service Claims, We will provide You with Our decision within 60 days after We receive an appeal of a Denial.

We will notify You when We approve or deny Your appeal of Our Denial. If We deny Your appeal, the notification will include the following information:

1. The specific reason or reasons for the Denial;
2. Reference to the specific provisions in the Group Policy on which the Denial was based;
3. Your right to obtain reasonable access to, and copies of, all documents, records and other information relevant to Your Claim for Benefits; An explanation of any procedures for You to follow to request a voluntary level of appeal, if applicable;
4. A statement of Your rights under section 502(a) of ERISA following a Denial on Your appeal;
5. If any internal rule, guideline, protocol or other similar criterion was relied upon in making the Denial, an offer to provide the rule, guideline, protocol or similar criterion;
6. If the Denial was based upon Medical Necessity, experimental treatment or similar exclusions or limitations, an offer to provide the specific basis for the Denial.

If You are not satisfied with Our decision after You have exhausted the appeals process, Your remaining remedies may include:

1. A voluntary review of Your Claim for Benefits by Us;
2. The right to bring suit in Federal Court under Section 502(a) of ERISA;
3. Additional rights under state law, including the right to pursue independent external review;
4. Voluntary alternative dispute resolution options, such as mediation. One way to find out what may be available is to contact Your local U.S. Department of Labor Office and Your State insurance regulatory agency.

**NOTE:** Any questions about Your rights under ERISA should be directed to the plan administrator named in Your employer’s ERISA plan document or the nearest area office of the U.S. Department of Labor, Labor-Management Services Administration.

3. for a qualifying event (C):
  - a) the date of Your death, at which time Your dependents (other than Your surviving spouse in (i) below) will be entitled to continue coverage on the same basis as if a qualifying event (B) had occurred.
  - b) if You died before the occurrence of a qualifying event (C), Your surviving spouse is entitled to lifetime coverage.

## CONTINUATION OF COVERAGE

4. the end of a 36-month period following an event described in qualifying event (D), without regard to whether that occurrence is a qualifying event, or for any subsequent qualifying event;
5. the date You or Your dependents become covered under any other group coverage providing hospital, surgical medical or dental benefits, insured or self-insured, which does not contain any limitation with respect to any preexisting condition;
6. the date a Covered Person, other than those provided continuation of coverage under qualifying event (C) becomes entitled to Medicare benefits under Title XVIII of the Social Security Act;
7. the date the employer ceases to provide any group health coverage for its employees;
8. the date any premium for continuation of coverage is not timely paid; or
9. the date that the privilege for conversion to an individual or family policy is exercised.

### Requirements

You or Your Dependent must notify the employer within 60 days of the following qualifying events:

1. the date You and Your spouse were legally divorced or legally separated; or
2. the date the coverage for Your Dependent child ceases due to reaching the limiting age.

The option of electing continuation of coverage lasts for a 60 day period which begins to run at the later of either the date of the qualifying event or the date the Covered Person who would lose coverage due to the qualifying event receives notice of his or her rights to continuation of coverage.

If You or Your Dependent elects to continue coverage for the continuation of coverage period, it will be Your duty to pay each monthly premium, after the initial payment, to the employer one month in advance. The premium amount will include that part of premium formerly paid by Your employer prior to termination. Premiums for each subsequent month will be paid by You or Your Dependent without further notice from the employer.

In any event, KPIC will not be required to provide a continuation of coverage under this provision unless KPIC has received:

1. a written request for continuation, signed by You or Your Dependent; and
2. the premium for the period from the termination date to the end of the last month for which Your employer has paid the group premium.

If Your Employer Group's size changes to 19 or fewer employees and Your employer is required to comply with Cal-COBRA, this will not affect You and Your coverage if You were already enrolled in Federal COBRA.

If You (i) have elected COBRA coverage through another health plan available through Your Employer Group, and (ii) elect to receive COBRA coverage through KPIC during an open enrollment, You will be entitled to COBRA coverage only for the remainder, if any, of the maximum coverage period permitted by COBRA, subject to the termination provisions described above.

### Extension for Disabled Covered Persons

If Social Security, under its rules, determines that a Covered Person was disabled when a qualifying event set forth in "B" occurred, the 18 month maximum period of continued health coverage for such a qualifying event may be extended 11 months for a total period of 29 months. To obtain that extension, the Covered Person must notify the employer of Social Security's determination before the initial 18-month maximum period ends.

For the continued health coverage of disabled Covered Persons that exceeds 18 months, KPIC may increase the premium it charges by as much as 50%. The employer may require the disabled Covered Persons to pay all or part of that total increased premium.

In no event will continued health coverage extend beyond the first month to begin more than 30 days after Social Security determines that the Covered Person is no longer disabled. The Covered Person must notify the employer within 30 days of the date of such a Social Security determination.

## CONTINUATION OF COVERAGE

### Extension of Coverage After Exhaustion of COBRA

If a Covered Person has exhausted continuation of coverage under COBRA and or Cal-COBRA (if applicable) and the Covered Person was entitled to less than 36 months of COBRA and or Cal-COBRA (if applicable) coverage, such continuation of coverage may be extended to a maximum of 36 months from the effective date of the COBRA coverage.

### Continuation of Coverage under California COBRA (Cal COBRA)

This sub-section only applies to small employer groups with 2-19 eligible employees who are subject to California COBRA (Cal-COBRA) and who are not offered continuation coverage under the Consolidated Omnibus Budget Reconciliation Act of 1985, as then constituted or later amended (COBRA).

### Eligibility

A Covered Person may have a right to continue coverage when coverage terminates under the provisions of the Policy. Continued coverage will be: (A) available only to those Covered Persons who qualify at the time a qualifying event occurs; and (B) subject to the terms and conditions of the Policy.

A child that is born to or placed with a Covered Person during a period of Cal-COBRA coverage is eligible for coverage as a Dependent provided proper written notice and election takes place.

1. Individuals who are entitled to Medicare benefits or become entitled to Medicare benefits pursuant to Title XVIII of the United States Social Security Act, as then constituted or later amended.
2. 3. Individuals who are covered, become covered, or are eligible for federal COBRA coverage, except those individuals, who under applicable California law, are eligible for an extension of COBRA coverage.
4. Individuals who are covered, become covered, or are eligible for coverage pursuant to chapter 6A of the Public Health Service Act, 42 U.S.C. Section 300bb-1;

### Qualifying Events

Individuals will qualify for Cal-COBRA as follows:

- A) If Your health insurance coverage ends due to: (1) termination of employment; or (2) reduction in Your employment hours, You may continue health coverage under the Group Policy for the continuation of coverage period. 1. the date the Covered Person requests coverage be terminated;
2. 18 months after the date the Covered Person's benefits under the Policy would have terminated because of the qualifying events set forth under (A) above;
3. the end of the grace period for which premium payments were made if the Covered Person ceases or fails to make timely premium;
4. 36 months after the date the Covered Person's benefits under the Policy would have terminated because of the qualifying events set forth under (B) and (C) above.

6. the date the employer or any successor employer or purchaser of the employer, ceases to provide any group benefit plan to his or her employees;
7. the date the Covered Person moves out of KPIC's service area;
8. the date the Covered Person, or their representative, commits fraud or deception in using or obtaining the benefits provided under the Group Policy.

If a Covered Person's continuation coverage under the Group Policy is going to terminate earlier than specified by the Group Policy, the employer must notify the person of their right to obtain continuation coverage under the employer's new group coverage for the remainder of the continuation period. The employer must provide this notice to persons insured under the continuation of coverage provision on the later of:

1. 30 days prior to the termination of the Group Policy; or
2. at the same time all Insured Employees are notified of the termination of the Group Policy.

The employer must also notify the succeeding carrier, in writing, of all individuals who are receiving continuation coverage so that necessary continuation election information can be forwarded to those individuals.

2. Social Security determines under Title II or Title XVI of the Social Security Act that the Covered Person is disabled within the first 60 days of coverage under the Cal-COBRA continuation.

For those Covered Persons, the 18-month maximum period of continued health coverage for qualifying event (A) may be extended 11 months for a total continuation period of 29 months. To obtain the extension, the Covered Person must notify the employer or KPIC of Social Security's determination within 60 days of the date of the determination letter and prior to the end of the original 18-month continuation of coverage period.

## CONTINUATION OF COVERAGE

If Social Security subsequently determines that the Covered Person is no longer disabled, coverage will terminate on the later of:

1. the end of the original 18-month continuation of coverage period; or
2. the first day of the month that begins more than 31 days after Social Security determines the Covered Person is no longer disabled.

The Covered Person must notify the employer or KPIC that he or she is no longer disabled within 30 days of the date of Social Security determination.

For the continued health coverage of disabled Covered Persons that exceeds 18 months, KPIC may increase the Premium it charges by as much as 50%. The employer may require the disabled Covered Persons to pay all or part of that total increased premium.
