Individuals and Families Membership Agreement

About This Individuals and Families Membership Agreement

This Individuals and Families Membership Agreement (Membership Agreement), all applications for coverage and any changes to such applications, and any amendments to this Membership Agreement, are legally binding and constitute the entire contract between you, as the Subscriber, and Kaiser Foundation Health Plan of Colorado (Health Plan). If you are the person who applied for Health Plan membership and agree to be responsible for payment, you are the "Subscriber." You and your enrolled Dependents are "Members." Health Plan is sometimes called "Plan," "we," or "us" in this Membership Agreement. Out-of-Health Plan is sometimes referred to as "out-of-Plan."

By paying Premiums, you accept this Membership Agreement for yourself and all your enrolled Dependents. Your membership continues from month to month. Members and applicants for membership must complete any applications, forms, or statements that we reasonably request. In addition, we may adopt reasonable rules and interpretations to administer this Membership Agreement effectively.

We may modify this Membership Agreement in the future. If we do, we will notify you in writing at least 90 days before your Health Plan benefit changes are effective. If you continue to pay Premiums or accept benefits after your health care benefit change has gone into effect, you thereby agree to the change. Your consent also covers your enrolled Dependents.

You or we may end your Health Plan membership as described under "Termination/Nonrenewal/Continuation."

This Membership Agreement describes your benefits for 2023.

NOTICE - THIS POLICY DOES NOT PROVIDE ADULT DENTAL COVERAGE:

This policy does not provide any dental benefits to individuals age nineteen (19) or over. This policy is being offered so the purchaser will have **pediatric** dental coverage as required by the Affordable Care Act. If you want adult dental benefits, you will need to buy a plan that has adult dental benefits. This plan will not pay for any adult dental care, so you will have to pay the full price of any care you receive.

KAISER PERMANENTE®

Surprise Billing — Know your rights

Beginning January 1, 2020, Colorado state law protects you from "surprise billing." This is sometimes called "balance billing" and it may happen when you receive covered services, other than ambulance services, from an out-of-network provider in Colorado. **This law does not apply to all health plans and may not apply to out-of-network providers located outside of Colorado. Check to see if you have a "CO-DOI" on your ID card; if not, this law may not apply to your health plan.**

What is surprise/balance billing and when does it happen?

You are responsible for the cost-sharing amounts required by your health plan, including copayments, deductibles, and/or coinsurance. If you are seen by a provider or use services in a hospital or other type of facility that are **not** in your health plan's network, you may have to pay additional costs associated with that care. These providers or services at hospitals and other facilities are sometimes referred to as "out-of-network."

Out-of-network hospitals, facilities, or providers often bill you the difference between what Kaiser Permanente decides is the eligible charge and what the out-of-network provider bills as the total charge. This is called "surprise" or "balance" billing.

When you CANNOT be balance-billed:

Emergency Services

When you receive services for emergency medical care, usually the most you can be billed for emergency services is your plan's in-network cost-sharing amounts, which are copayments, deductibles, and/or coinsurance. You cannot be balance-billed for any other amount. This includes both the emergency facility and any providers you may see for emergency care.

Non-emergency Services at an In-Network or Out-of-Network Facility

The hospital or facility must tell you if you are at an out-of-network location or at an in-network location that is using out-of-network providers. It must also tell you what types of services may be provided by any out-of-network provider.

You have the right to request that in-network providers perform all covered medical services. However, you may have to receive medical services from an out-of-network provider if an in-network provider is not available. When this happens, the most you can be billed for **covered** services is your in-network cost-sharing amount (copayments, deductibles, and/or coinsurance). These providers cannot balance bill you.

Additional Protections

- Kaiser Permanente will pay out-of-network providers and facilities directly. Again, you are responsible only for paying your in-network cost-sharing for covered services.
- Kaiser Permanente will count any amount you pay for emergency services or certain out-of-network services (described above) toward your **in-network** deductible and out-of-pocket limit.
- Your provider, hospital, or facility must refund any amount you overpay within 60 days of your reporting the overpayment to them.
- A provider, hospital, or other type of facility cannot ask you to limit or give up these rights.

If you receive services from an out-of-network provider, hospital, or facility in any OTHER situation, you may still be balance-billed, or you may be responsible for the entire bill. If you intentionally receive non-emergency services from an out-of-network provider or facility, you may also be balance-billed.

If you do receive a bill for amounts other than your copayments, deductibles, and/or coinsurance, please contact us at the number on your ID card, or the Division of Insurance at **303-894-7490** or **1-800-930-3745 (TTY 711)**.

Ambulance Information: You may be balance-billed for emergency ambulance services you receive if the ambulance service provider is a publicly funded fire agency, but state law against balance billing does apply to private companies that are not publicly funded fire agencies. Non-emergency ambulance services, such as ambulance transport between hospitals, are not subject to the state law against balance billing, so if you receive such services and they are not a service covered by Kaiser Permanente, you may receive a balance bill.

SCHEDULE OF BENEFITS (WHO PAYS WHAT)

This Schedule of Benefits discusses:

I. DEDUCTIBLES (if applicable)

II. ANNUAL OUT-OF-POCKET MAXIMUMS (OPM)

III. COPAYMENTS AND COINSURANCE

IMPORTANT INFORMATION: PLEASE READ

This Schedule of Benefits does not fully describe the Services covered under this Membership Agreement. ***For a complete understanding of the benefits, limitations and exclusions that apply to your coverage under this plan, it is important to read this Membership Agreement in conjunction with this Schedule of Benefits.*** Please refer to the heading in the "Benefits/Coverage (What Is Covered)" section and to the "Limitations/Exclusions (What Is Not Covered)" section of this Membership Agreement.

Services received may be described in multiple sections of this Schedule of Benefits (for example, Office Services, Durable Medical Equipment, X-ray, Laboratory, and Advanced Imaging Procedures may all apply to a broken arm). See the appropriate sections for applicable Copayment, Coinsurance, and Deductible information.

You are responsible for any applicable Copayment or Coinsurance for Services performed as part of or in conjunction with other outpatient Services, including but not limited to: office visits; Emergency Services; urgent care; and outpatient surgery.

Here is some ***important information*** to keep in mind as you read this Schedule of Benefits:

1. For a Service to be a covered Service:
   a. The Service ***must be*** Medically Necessary (refer to the "Definitions" section in this Membership Agreement); ***and***
   b. The Service ***must be*** provided, prescribed, recommended, or directed by a Plan Provider; ***and***
   c. The Service ***must be*** described in this Membership Agreement as covered. Refer to the "Benefits/Coverage (What is Covered)" section.
2. The Charges for your Services are ***not*** always known at the time you receive the Service. You ***will get a bill*** for any Deductibles, Copayments, or Coinsurance that are not known at the time you receive the Service.
3. The Deductibles, Copayments, or Coinsurance listed here apply to covered Services provided to Members enrolled in this plan. Only covered Services apply to the OPM. Non-covered Services will not apply to the OPM.
4. Copayments for Services are due at the time you receive the Service. Deductibles or Coinsurance for Services may also be due at the time you receive the Service.
5. Except for #6 below, you may be responsible for any amounts over eligible Charges in addition to any Copayment or Coinsurance.
6. With respect to Emergency Services received in an Out-of-Plan Facility, or Services rendered by a Out-of-Plan Provider in a Plan Facility, you will not be balance billed by either the Out-of-Plan Provider or Out-of-Plan Facility. You are responsible for the same Deductible, Copayment, or Coinsurance amounts that you would pay if the care was provided in a Plan Facility or provided by a Plan Provider.
7. You may be charged separate Deductibles, Copayments, or Coinsurance for additional Services you receive during your visit or if you receive Services from more than one provider during your visit.
8. We reserve the right to reschedule non-emergency, non-routine care if you do not pay all amounts due at the time you receive the Service.
9. For items ordered in advance, you pay the Deductibles, Copayments, or Coinsurance in effect on the order date.
10. You, as the Subscriber, are responsible for any Deductibles, Copayments, and/or Coinsurance incurred by your Dependents enrolled in the Plan.
11. If you are the only person on your plan, your plan will become a family plan upon the addition of any eligible Dependent to your plan. This includes, but is not limited to, any temporary additions to your plan, such as the coverage of a newborn for 31 days as is required by state law.

12. Day and visit limits, Deductibles, and OPMs are based on a calendar year Accumulation Period.

I. DEDUCTIBLES

There is no medical Deductible. If the plan purchased has a prescription drug benefit with a pharmacy Deductible, payments made for prescription drugs apply *only* to the pharmacy Deductible.

The pharmacy Deductible represents the full amount you must pay for prescription drugs before any Copayment or Coinsurance applies. Prescription drugs may or may not be subject to the pharmacy Deductible. It depends on the plan purchased. Prescription Drugs required to be covered as "Preventive Drugs" will be covered with no Deductibles, Copayments, or Coinsurance

A. For prescription drugs that **ARE** subject to the pharmacy Deductible:

   1. You must pay full charges for prescription drugs until your pharmacy Deductible is satisfied. Please see "III. Copayments and Coinsurance", "Prescription Drugs, Supplies, and Supplements" to find out which prescription drugs are subject to the pharmacy Deductible.

   2. Once you have met your pharmacy Deductible for the Accumulation Period, you will then pay, for the rest of the Accumulation Period, your applicable Copayment or Coinsurance for those prescriptions drugs subject to the pharmacy Deductible (see "III. Copayments and Coinsurance", "Prescription Drugs, Supplies, and Supplements").

   3. Your applicable Copayment, Coinsurance, and pharmacy Deductible apply to your annual OPM (see "II. Annual Out-of-Pocket Maximums").

B. For prescription drugs that **ARE NOT** subject to the pharmacy Deductible:
   Your Copayment or Coinsurance will apply, as listed in "III. Copayments and Coinsurance", "Prescription Drugs, Supplies, and Supplements."

II. ANNUAL OUT-OF-POCKET MAXIMUMS

The OPM limits the total amount you must pay during the Accumulation Period for certain covered Services. Covered Services may or may not apply to the OPM (see "III. Copayments and Coinsurance"). It depends on the plan purchased.

For covered Services that apply to the OPM, any amounts you pay over eligible Charges will not apply toward the OPM.

A. For covered Services that **APPLY** to the OPM:

   1. The only Copayments or Coinsurance ***that apply*** toward the OPM are those made for covered Services listed as ***applying*** to the OPM (see "III. Copayments and Coinsurance").

   2. Once your OPM is met, you will no longer pay for covered Services ***that apply*** to the OPM for the rest of the Accumulation Period.

B. For covered Services that do **NOT APPLY** to the OPM:

   1. The only Copayments or Coinsurance that ***do not apply*** toward the OPM are those made for covered Services listed as ***not*** applying to the OPM (see "III. Copayments and Coinsurance").

   2. Once your OPM is met, you will continue to pay for covered Services that ***do not apply*** to the OPM for the rest of the Accumulation Period.

Tracking Pharmacy Deductible and Out-of-Pocket Amounts

Once you have received Services and we have processed the claim for Services rendered, we will provide an Explanation of Benefits (EOB). The EOB will list the Services you received, the cost of those Services, and the payments made for the Services. It will also include information regarding what portion of the payments were applied to your pharmacy Deductible and/or OPM amounts.

For more information about your Deductible or OPM amounts, please call **Member Services**.

III. COPAYMENTS AND COINSURANCE

Out-of-Pocket Maximum	
EMBEDDED	$0/Individual per Accumulation Period $0/Family per Accumulation Period
An Embedded OPM means: • Each individual family Member has his or her own OPM. • If a family Member reaches his or her individual OPM before the family OPM is met, he or she will no longer pay Copayments or Coinsurance for those covered Services that apply to the OPM for the rest of the Accumulation Period. After the family OPM is met, all covered family Members will no longer pay Copayments or Coinsurance for those covered Services that apply to the OPM for the rest of the Accumulation Period. This is true even for family Members who have not met their individual OPM.

a. You must meet the Subscriber or Dependent eligibility requirements as described below; and

b. You must live or reside within our Service Area when you apply to enroll. Our Service Area is described in the "Definitions" section; and

c. You cannot live or reside in another Kaiser regional health plan service area. For the purposes of this eligibility rule these other service areas may change on January 1 of each year. Currently they are: the District of Columbia and parts of California, Colorado, Georgia, Hawaii, Maryland, Oregon, Virginia, and Washington. For more information, please call **Member Services.**

2. Subscribers

To be eligible to enroll as a Subscriber, you must meet our current requirements for **Kaiser Permanente for Individuals and Families** membership.

3. Dependents

If you are a Subscriber, the following persons may be eligible to enroll as your Dependents, as described in the "Adding Dependents" section below:

a. Your Spouse. (Spouse includes a partner in a valid civil union under state law.)

b. Your or your Spouse's children (including adopted children, children placed with you for adoption, and foster children) who are under age 26 as of the effective date.

c. Other dependent persons, including but not limited to grandchildren, who meet all of the following requirements:
   i. They are under age 26 as of the effective date; and
   ii. You or your Spouse is the court-appointed permanent legal guardian (or was before the person reached age 18).

d. Your or your Spouse's unmarried children age 26 and over who are medically certified as disabled and dependent upon you or your Spouse are eligible to enroll or continue coverage as your Dependents if the following requirements are met:
   i. They are dependent on you or your Spouse; and
   ii. You give us proof of the Dependent's disability and dependency annually if we request it.

4. American Indian/Alaska Native Eligibility

Connect for Health Colorado has notified us that it determined that you are an American Indian/Alaska Native who is eligible for zero cost sharing for all covered Services that are essential health benefits as provided by the Affordable Care Act (ACA).

B. Adding Dependents

1. Newborn, Newly Adopted, and Foster Children

You may add your newborn child, newly adopted child, or foster child as your Dependent. To enroll the child, please call Connect for Health Colorado at **1-855-752-6749** within 31 days. Children who are not enrolled within 60 days after becoming your Dependent will not be able to enroll until the next open enrollment period unless they qualify for a Special Enrollment.

a. Newborn Children

Your newborn child is covered for the first 31 days following birth. This coverage is required by state law, whether or not you intend to add the newborn to this plan. In order to be covered, Services must be provided or arranged by a Plan Provider except for Emergency Services.

   i. If the addition of the newborn child to your coverage will change the amount you are required to pay for that coverage, then in order for the newborn to continue coverage beyond the first 31-day period of coverage, you are required to pay the new amount due for coverage after the initial 31-day period of coverage.
   ii. If the addition of the newborn child to your coverage will not change the amount you pay for coverage, you must still notify Health Plan after the birth of the newborn to get the newborn enrolled onto your Health Plan coverage.

b. Newly Adopted and Foster Children

In order for the child to be covered, you must enroll an adopted child or a foster child within 60 days from the date the child is placed in your custody or the date of the final decree of adoption.

   i. If the addition of the newly adopted or foster child to your coverage will change the amount you are required to pay for that coverage, then in order for the newly adopted or foster child to continue coverage beyond the first 31-day period of coverage, you are required to pay the new amount due for coverage.
   ii. If the addition of the newly adopted or foster child to your coverage will not change the amount you pay for coverage, you must still notify Health Plan after the adoption or placement for adoption, or placement with you for foster care, of the child to get the child enrolled onto your Health Plan coverage.

2. Other Dependents
   All other eligible Dependents (such as a new Spouse) must meet our current requirements for individual membership. To enroll other Dependents, please call Connect for Health Colorado at **1-855-752-6749** during the Special Enrollment or open enrollment period.

C. Special Enrollment

You or your Dependent may experience a triggering event that allows a change in your enrollment. Examples of triggering events are the loss of coverage, a Dependent's aging off this plan, marriage, and birth of a child. The triggering event results in a special enrollment period that usually (but not always) starts on the date of the triggering event and lasts for 60 days. During the special enrollment period, you may enroll your Dependent(s) in this plan, or in certain circumstances, you may change plans (your plan choice may be limited). There are requirements that you must meet to take advantage of a special enrollment period including showing proof of your own or your Dependent's triggering event. To learn more about triggering events, special enrollment periods, how to enroll or change your plan (if permitted), timeframes for submitting information, and other requirements, sign on to connectforhealthco.com, or call Connect for Health Colorado at **1-855-752-6749**.

If you are enrolled in coverage directly through Health Plan, and you experience a decrease in household income and receive a new determination of eligibility for advance premium tax credit by Connect for Health Colorado, you will be eligible for a special enrollment period to enroll in coverage through Connect for Health Colorado.

D. Annual Enrollment

You may apply for enrollment as a Subscriber or Dependent by submitting an application to Connect for Health Colorado, along with any other information they require, during the annual open enrollment period.

E. Premiums Subject To Change

Your Premiums may change for any of the following reasons:

- If you choose a new plan;
- If you switch to coverage other than self-only by adding new Dependents or add Dependents to your current family coverage;
- If you reduce the number of your Dependents; or
- If you move to another rating area.

F. Members Who are Inpatient on Effective Date of Coverage

If you are an inpatient in a hospital or institution when your coverage with us becomes effective and you had other coverage when you were admitted, state law will determine whether we or your prior carrier will be responsible for payment for your care until your date of discharge.

G. Members with Medicare

This plan is not intended for persons who are eligible for or entitled to coverage under Medicare (such as Parts A and/or B). If you are or become eligible for Medicare during the term of this Membership Agreement you should contact **Member Services** immediately to see if you are eligible to enroll in a Kaiser Permanente Senior Advantage plan.

II. HOW TO ACCESS YOUR SERVICES AND OBTAIN APPROVAL OF BENEFITS

As a Member, you are selecting our medical care program to provide your health care. You must receive all covered Services from Plan Providers inside our Service Area, except as described under the following headings:

- "Emergency Services Provided by Out-of-Plan Providers (out-of-Plan Emergency Services)" in "Emergency Services and Urgent Care" in the "Benefits/Coverage (What is Covered)" section.
- "Urgent Care" in "Emergency Services and Urgent Care" in the "Benefits/Coverage (What is Covered)" section.
- "Access to Other Providers" in this section.
- "Visiting Other Kaiser Regional Health Plan Service Areas" in this section.

In some circumstances, you might receive Emergency or non-Emergency Services from an Out-of-Plan Provider or Out-of-Plan Facility. **Non-Emergency Services from Out-of-Plan Providers are not covered unless they are authorized by us.** If Services from an Out-of-Plan Provider or Out-of-Plan Facility are authorized, the Deductible, Copayment, and/or Coinsurance for these authorized Services are the same as for covered Services received from a Plan Provider or Plan Facility. You have the right and responsibility to request a Plan Provider to provide Services.

A. Your Primary Care Provider

Your primary care provider (PCP) plays an important role in coordinating your health care needs. This includes hospital stays and referrals to specialists. Every member of your family should have their own PCP.

1. Choosing Your Primary Care Provider
You may select a PCP from family medicine, pediatrics, or internal medicine. When possible, we encourage you to choose a PCP whose office is in a Kaiser Permanente Medical Office Building. **You may have a higher Copayment and/or Coinsurance with certain providers. Please refer to your "Schedule of Benefits (Who Pays What)" for additional details.** You may also receive a second medical opinion from a Plan Provider upon request. Please refer to the "Second Opinions" section.

You must choose a PCP when you enroll. If you do not select a PCP upon enrollment, one near your home will be assigned to you. To review a list of Plan Providers and their biographies, go to **kp.org/locations**. You can also get a copy of the directory by calling **Member Services**. To choose a PCP, sign into your account online, or call the **Clinical Contact Center** for help choosing a PCP.

2. Changing Your Primary Care Provider
Please call the **Clinical Contact Center** to change your PCP. You may also change your PCP online or when visiting a Kaiser Permanente Medical Office Building. You may change your PCP at any time.

B. Access to Other Providers

1. Referrals and Authorizations
If your Plan Provider decides that you need covered Services not available from us, they will request a referral for you to see an Out-of-Plan Provider. If your Plan Provider decides you need specialty care that is not eligible for a self-referral, they will request a referral for you to see a specialty-care Plan Provider. (See the "Specialty Referrals" section below.)

These referral requests result in an Authorization or a denial. However, there may be circumstances where Health Plan will partially authorize your provider's referral request.

An Authorization is a referral request that has received approval from Health Plan. An Authorization is limited to a specific Service, treatment or series of treatments, and period of time. The provider or facility to whom you are referred will receive a notice of the Authorization, and you will receive a written notice of the Authorization. This notice will tell you the provider's information. It will also tell you the Services authorized and the time period that the Authorization is valid.

An Authorization is required for Services provided by Out-of-Plan Providers or Out-of-Plan Facilities. If your provider refers you to an Out-of-Plan Provider or Out-of-Plan Facility, inside or outside our Service Area, you must have a written Authorization in order for us to cover the Services.

All referral Services must be requested and authorized in advance. We will not pay for any care rendered by a provider unless the care is specifically authorized in advance by Health Plan. A written or verbal recommendation by a provider that you get non-covered Services (whether Medically Necessary or not) is not considered an Authorization and is **not** covered.

2. Specialty Referrals
Generally, you will need a referral and prior Authorization for Services (including routine visits) from specialty-care Plan Providers. You do not need a referral or prior Authorization in order to obtain access to eye care services from a Plan Provider. You do not need a referral or prior Authorization in order to obtain access to obstetrical or gynecological care from a Plan Provider who specializes in obstetrics or gynecology.

For additional information on which Services require prior Authorization, please call **Member Services**. You will find specialty-care Plan Providers in the Kaiser Permanente Provider Directory. The Provider Directory is available on our website, **kp.org/locations**. If you need a printed copy of the Provider Directory, please call **Member Services**.

Authorization from Health Plan is required for: (i) Services in addition to those provided as part of the routine office visit, such as procedures or surgery; and (ii) visits to specialty-care Plan Providers not eligible for self-referrals; and (iii) Out-of-Plan Providers. The request for these Services can be generated by either your PCP or by a specialty-care provider. If the request is approved, the provider or facility to whom you are referred will receive a notice of the Authorization, and you will receive a written notice of the Authorization. This notice will tell you the provider's information. It will also tell you the Services authorized and the time period that the Authorization is valid.

A Plan Provider can directly refer you for some laboratory or radiology Services and for specialty procedures such as a CT scan or MRI. However, certain laboratory or radiology Services and specialty procedures will still require an Authorization.

3. Second Opinions
Upon request and subject to payment of any applicable Copayments and/or Coinsurance, you may get a second opinion from a Plan Provider about any proposed covered Services.

If the recommendations of the first and second providers differ regarding the need for Services, a third opinion may be covered if authorized by Health Plan. Third medical opinions are not covered unless authorized by Health Plan before Services are rendered.

Authorization of a second or third opinion is limited to a consultation only and does not include any additional Services. Authorization of a second or third opinion may be limited to providers in Kaiser Permanente Medical Office Buildings.

C. Plan Facilities

Services are available at Plan Facilities conveniently located throughout the Service Area. We encourage you to receive routine outpatient Services at a Kaiser Permanente Medical Office Building, which often provides all the covered Services you need, including specialized care. **You may have a different Copayment and/or Coinsurance at certain facilities. Please refer to your "Schedule of Benefits (Who Pays What)" for additional details.**

Plan Facilities are listed in our provider directory, which we update regularly. You can get a current copy of the directory by calling **Member Services.** You can also get a list of Plan Facilities on our website. Go to **kp.org/locations**.

D. Getting the Care You Need

Emergency care is covered 24 hours a day, 7 days a week anywhere in the world. **If you think you have a Life or Limb Threatening Emergency, call 911 or go to the nearest emergency room or Independent Freestanding Emergency Department.** For coverage information about emergency care, including out-of-Plan Emergency Services, and emergency benefits away from home, please refer to "Emergency Services" in the "Benefits/Coverage (What is Covered)" section of this Membership Agreement.

If you need urgent care, you may use one of the designated urgent care Plan Facilities. There may be instances when you need to receive urgent care outside our Service Area. The Copayment or Coinsurance for urgent care listed in the "Schedule of Benefits (Who Pays What)" will apply. For additional information about urgent care, please refer to "Urgent Care" in the "Benefits/Coverage (What is Covered)" section of this Membership Agreement.

E. Visiting Other Kaiser Regional Health Plan Service Areas

You may receive visiting member services from another Kaiser regional health plan as directed by that other plan so long as such services would be covered under this Membership Agreement. Visiting member services shall be subject to the terms and conditions set forth in this Membership Agreement including but not limited to those pertaining to: prior Authorization; Deductible; Copayment; Coinsurance; limitations and exclusions, as further described online at **kp.org/travel**. Certain services are not covered as visiting member services.

For more information about receiving visiting member services in other Kaiser regional health plan service areas, including provider and facility locations, please call our Away from Home Travel Line at 951-268-3900. Information is also available online at **kp.org/travel**.

F. Using Your Health Plan Identification Card

Each Member is issued a Health Plan Identification (ID) card with a Health Record Number on it. This is useful when you call for advice, make an appointment, or go to a Plan Provider for care. The Health Record Number is used to identify your medical records and membership information. You should always have the same Health Record Number. Please call **Member Services** if: (1) we ever inadvertently issue you more than one Health Record Number; or (2) you need to replace your Health Plan ID card.

Your Health Plan ID card is for identification only. To receive covered Services, you must be a current Health Plan Member. Anyone who is not a Member will be billed as a non-Member for any Services we provide. In addition, non-Member claims for Emergency or non-emergency care Services will be denied. If you let someone else use your Health Plan ID card, we may keep your card and terminate your membership.

When you receive Services, you will need to show photo identification along with your Health Plan ID card. This allows us to ensure proper identification and to better protect your coverage and medical information from fraud. If you think you are a victim of fraud, please call **Member Services** to report your concern.

III. BENEFITS/COVERAGE (WHAT IS COVERED)

The Services described in this "Benefits/Coverage (What is Covered)" section are covered only if all the following conditions are satisfied:

- The Services are Medically Necessary; and
- The Services are provided, prescribed, recommended, or directed by a Plan Provider. This does not apply where noted to the contrary in the following sections of this Membership Agreement: "Emergency Services Provided by Out-of-Plan Providers (out-of-Plan Emergency Services)" and "Urgent Care" in "Emergency Services and Urgent Care"; and
- You receive the Services from Plan Providers inside our Service Area. This does not apply where noted to the contrary in the following sections of this Membership Agreement: (a) "Referrals and Authorizations" and "Specialty Referrals"; and (b) Emergency Services, Urgent Care, certain Post Stabilization Care Services that qualify as Emergency Services (under applicable federal law), and Ancillary Services for which you have prior Authorization in "Emergency Services and Urgent Care"; and (c) "Visiting Other Kaiser Regional Health Plan Service Areas"; and
- Your provider has received prior Authorization for your Services, as appropriate. When you receive covered Services for which you do not have prior Authorization or that you receive from Out-of-Plan Providers or from Out-of-Plan Facilities that have not been approved by us in advance, we will not pay for them except when they are Emergency Services or urgent care.

Essential Health Benefits are covered under this plan and include but are not limited to: chemotherapy Services; radiation therapy; oral anti-cancer medication; cardiac rehabilitation; nutritional counseling; smoking cessation programs; diabetes equipment and supplies; Pap test; annual prostate cancer screening; cervical cancer vaccines.

We cover COVID-19 testing and treatment required under applicable federal or Colorado laws, regulations, or bulletins.

Exclusions and limitations that apply only to a certain benefit are described in this "Benefits/Coverage (What is Covered)" section. Exclusions, limitations and reductions that apply to all benefits are described in the "Limitations/Exclusions (What is Not Covered)" section.

Note: Copayments and/or Coinsurance may apply to the benefits listed below. For a complete list of Copayment and Coinsurance requirements, and any additional limitations or maximums, see the "Schedule of Benefits (Who Pays What)." You will also be required to pay any amount in excess of eligible Charges and any amount for Services provided by an Out-of-Plan Provider when you consent to their provision of Services. You are responsible for any applicable Copayment or Coinsurance for Services performed as part of or in conjunction with other outpatient Services, including but not limited to: office visits; Emergency Services; urgent care; and outpatient surgery.

K. Emergency Services and Urgent Care

1. Emergency Services
   Emergency Services are available at all times - 24 HOURS A DAY, 7 DAYS A WEEK. If you have an Emergency Medical Condition or mental health emergency, call 911 or go to the nearest hospital emergency department or Independent Freestanding Emergency Department. You do not need prior Authorization for Emergency Services. When you have an Emergency Medical Condition, we cover Emergency Services you receive from Plan Providers and Out-of-Plan Providers anywhere in the world, as long as the Emergency Services would be covered under your plan if you had received them inside our Service Area. For information about emergency benefits away from home, please call **Member Services**.

   You will pay your plan's Deductible, Copayment, and/or Coinsurance for covered Emergency Services, regardless of whether the Emergency Services are provided by a Plan Provider or an Out-of-Plan Provider. Even if you receive Emergency Services from a Plan Provider, you must still obtain prior Authorization from us before you receive Post Stabilization Care from such Plan Provider. We may direct that you receive covered Post Stabilization Care at a particular Plan Hospital or other Plan Facility (such as a Skilled Nursing Facility) so that we may better coordinate your care using Plan Providers and our electronic medical record system. We will pay for Post Stabilization Care only at the Plan Provider authorized by us. If you or your treating providers do not obtain prior Authorization from us for Post Stabilization Care Services that require prior Authorization, we will not pay any amount for those Services and you may be liable to pay for these Services, in addition to any amounts such as Deductibles, Copayments, or Coinsurance.

Please note that in addition to any Copayment or Coinsurance that applies under this section, you may incur additional Copayment or Coinsurance amounts for Services and procedures covered under other sections of this Membership Agreement. Coverage for Services that are not Emergency Services, Post Stabilization Care, or Urgent Care Services as described in this "Emergency Services and Urgent Care" section will be covered as described under other sections of this Membership Agreement. Please refer to the "Schedule of Benefits" for Copayment and Coinsurance information. If you are admitted to a hospital from its emergency department because your condition is not stabilized, the Copayment or Coinsurance shown under "Hospital Inpatient Care" in the "Schedule of Benefits" applies.

a. Emergency Services Provided by Out-of-Plan Providers (out-of-Plan Emergency Services)
"Out-of-Plan Emergency Services" are Emergency Services that are not provided by a Plan Provider or at a Plan Facility. There may be times when you or a family member may receive Emergency Services from Out-of-Plan Providers. The patient's medical condition may be so critical that you cannot call or come to one of our Plan Facilities or the emergency room of a Plan Hospital, or the patient may need Emergency Services while traveling outside our Service Area.

When you receive Emergency Services from Out-of-Plan Providers, Post Stabilization Care may qualify as Emergency Services pursuant to federal law. We will not require prior Authorization for such Post Stabilization Care at a non-Plan Hospital when your attending Out-of-Plan Provider determines that, after you receive Emergency (screening and stabilization) Services, you are not able to travel using nonmedical transportation or nonemergency medical transportation to an available Plan Provider located within a reasonable travel distance taking into account your medical condition.

Out-of-Plan Providers may provide notice and seek your consent to provide Post Stabilization Care Services or other covered Services. Such Services will not be covered when you do not obtain prior Authorization as described herein. If you (or your authorized representative) consent to the furnishing of Services by Out-of-Plan Providers, then you will be responsible for paying for such Services in the absence of any prior Authorization. In addition, if you (or your authorized representative) consent to the provision of Services by an Out-of-Plan Provider, then we will not pay for such Services, and the amount you pay will not count toward satisfaction of the Deductible, if any, or the Out-of-Pocket Maximum(s).

Please refer to "ii. Emergency Services Limitation for Out-of-Plan Providers," below, if you are hospitalized for Emergency Services.

i. We cover out-of-Plan Emergency Services as follows:
   A. Outside our Service Area. If you are injured or become unexpectedly ill while you are outside our Service Area, we will cover out-of-Plan Emergency Services that could not reasonably be delayed until you could get to a Plan Facility or a hospital where we have contracted for Emergency Services. This applies only if a prudent layperson, having average knowledge of health services and medicine and acting reasonably, would have believed that an Emergency Medical Condition or Life or Limb Threatening Emergency existed.
   B. Inside our Service Area. If you are inside our Service Area, we will cover out-of-Plan Emergency Services only if a prudent layperson would have reasonably believed that the delay in going to a Plan Facility or a hospital where we have contracted for Emergency Services for treatment would worsen the Emergency Medical Condition.

ii. Emergency Services Limitation for Out-of-Plan Providers:
If you are admitted to an Out-of-Plan Facility or a hospital where we have contracted for Emergency Services, you or someone on your behalf must notify us within 24 hours, or as soon as reasonably possible. Please call the **Telephonic Medicine Center** at **303-743-5763**.

When you receive Emergency Services in Colorado (and federal law does not require us to consider the Post Stabilization Care as Emergency Services), we cover Post Stabilization Care only if we provide prior Authorization for the Post Stabilization Care. **Therefore, it is very important that you, your provider including your Out-of-Plan Provider, or someone else acting on your behalf, call us to notify us that you need Post Stabilization Care and to get prior Authorization from us before you receive the Post Stabilization Care.**

After we are notified, we will discuss your condition with your emergency care Out-of-Plan Provider. We will decide whether to make arrangements for necessary continued care where you are, or to transfer you to a Plan Facility we designate once you are Stabilized. If you are admitted to an Out-of-Plan Facility or a hospital where we have contracted for Emergency Services, we may transfer you to a Plan Hospital or Plan Facility. By notifying us of your hospitalization as soon as possible, you will protect yourself from potential liability for payment for Services you receive after transfer to one of our Plan Facilities would have been possible. If you choose to remain at an Out-of-Plan Facility for Post Stabilization Care, non-Emergency Services are not covered after we have made arrangements to transfer you to a Plan Facility for care. You will be responsible for payment for any Post Stabilization Care received at the Out-of-Plan Facility.

b. Emergency Services Exclusions and Limitations
Continuing or follow-up treatment: We cover only the Emergency Services that are required before you could have been moved to a Plan Facility we designate either inside or outside our Service Area. If you are admitted to a Plan Facility, we may transfer you to another Plan Facility. When approved by Health Plan, we will cover ambulance Services

or other transportation Medically Necessary to move you to a designated Plan Facility for continuing or follow-up treatment.

The exclusions and limitations of your plan will still apply if non-covered Services are provided by an Out-of-Plan Provider or Out-of-Plan Facility.

c. Payment
Our payment is reduced by:
i. any applicable Copayment or Coinsurance for Emergency Services and advanced imaging procedures performed in the emergency room. The emergency room and advanced imaging procedures Copayments, if applicable, are waived if you are admitted directly to the hospital as an inpatient; and
ii. the Copayment or Coinsurance for ambulance Services, if any; and
iii. any other payments you would have had to make if you received the same Services from our Plan Providers; and
iv. all amounts paid or payable, or which in the absence of this Membership Agreement would be payable, for the Services in question, under any insurance policy or contract, or any other contract, or any government program except Medicaid; and
v. amounts you or your legal representative recover from motor vehicle insurance or because of third party liability.

Note: As part of an emergent care episode, Medically Necessary DME and prosthetics and orthotics following Stabilization will be covered if authorized by Health Plan.

Note: If you receive Emergency Services or Post Stabilization Care from an Out-of-Plan Provider as described in this "Emergency Services and Urgent Care" section, or emergency ambulance transportation described under the "Ambulance Services and Other Transportation" section, you may have to pay the Out-of-Plan Provider and file a claim for reimbursement unless the Out-of-Plan Provider must refrain from billing you under applicable law or agrees to bill us. Also, you may be required to pay and file a claim for any Services prescribed by an Out-of-Plan Provider as part of your Emergency Services or Post Stabilization Care even if you receive the services at a Plan Provider.

2. Urgent Care
Urgent care Services are Services that are not Emergency Services, are required to prevent serious deterioration of your health, and that are required as a result of an unforeseen illness, injury, or condition.

Urgent care that cannot wait for a scheduled visit with your PCP or specialist can be received at one of our designated urgent care Plan Facilities. In some circumstances, you may be able to receive care in your home. There may be instances when you need to receive urgent care outside our Service Area. For Copayment and Coinsurance information, see "Urgent Care" in the "Schedule of Benefits (Who Pays What)." For information regarding the designated urgent care Plan Facilities, please call **Member Services** during normal business hours. You can also go to our website, **kp.org**, for information on designated urgent care facilities.

You may call **Advice Nurses** at any time, and one of our advice nurses can speak with you. Our advice nurses are registered nurses (RNs) specially trained to help assess medical symptoms and provide advice over the phone, when medically appropriate. They can often answer questions about a minor concern or advise you about what to do next, including making an appointment for you if appropriate.

Note: The procedure for receiving reimbursement for out-of-Plan urgent care Services is described in the "Appeals and Complaints" section regarding "Post-Service Claims and Appeals."

Q. Hospice Special Services and Hospice Care

1. Hospice Special Services

   If you have been diagnosed with a life limiting illness with a life expectancy of 24 months or less, but are not yet ready to elect hospice care, you are eligible for Hospice Special Services. Coverage of hospice care is described below.

   Hospice Special Services give you and your family time to become more familiar with hospice-type Services and to decide what is best for you. It helps you bridge the gap between your diagnosis and preparing for the end of life.

   The difference between Hospice Special Services and regular Home Health Care visiting nurse visits is that: you may or may not be homebound or have skilled nursing care needs; or you may only require spiritual or emotional care. Services available through this program are provided by professionals with specific training in end-of-life issues.

2. Hospice Care

   We cover hospice care for terminally ill Members inside our Service Area. If a Plan Provider diagnoses you with a terminal illness and determines that your life expectancy is six (6) months or less, you can choose hospice care instead of traditional Services otherwise provided for your illness.

   If you elect to receive hospice care, you will not receive **additional** benefits for the terminal illness. However, you can continue to receive Health Plan benefits for conditions other than the terminal illness.

   We cover the following Services and other benefits when: (1) prescribed by a Plan Provider and the hospice care team; and (2) received from a licensed hospice approved, in writing, by Health Plan:

U. Prescription Drugs, Supplies, and Supplements

We use a drug formulary. A drug formulary includes the list of prescription drugs (including Biologics and Biosimilars) that have been approved by our formulary committee for our Members. Our committee is comprised of physicians, pharmacists, and a nurse practitioner. This committee selects prescription drugs for our drug formulary based on several factors, including safety and effectiveness as determined from a review of medical literature and research. The committee meets regularly to consider adding and removing prescription drugs on the drug formulary. If you would like information about whether a drug is included in our drug formulary, please call **Member Services**.

"Preferred" when used in this Membership Agreement, refers to drugs that are included in the Health Plan Drug Formulary. The term "non-preferred" refers to drugs that are not included in the Health Plan Drug Formulary.

Please refer to the "Schedule of Benefits (Who Pays What)" in this booklet for the specific Copayments, Coinsurance, Deductible and supply limits that apply to the covered prescription drugs described below. If your prescription drug has a Copayment shown in the "Schedule of Benefits (Who Pays What)" and it exceeds the Charges for your prescribed medication, then you pay Charges for the medication instead of the Copayment. The drug formulary, discussed above, also applies.

For outpatient prescription drugs and/or items that are covered under the "Prescription Drugs, Supplies, and Supplements" section and obtained at a pharmacy owned and operated by Health Plan, you may be able to use approved manufacturer coupons as payment for the Copayment, Coinsurance, and/or Deductible that you owe, as allowed under Health Plan's coupon program. You will owe any additional amount if the coupon does not cover the entire Copayment, Coinsurance, and/or Deductible for your prescription. When you use an approved coupon for payment of the Copayment, Coinsurance, and/or Deductible, the coupon amount and any additional payment that you make will accumulate to the Out-of-Pocket Maximum. Certain health plan coverages are not eligible for coupons. You can get more information about the Kaiser Permanente coupon program rules and limitations at **kp.org/rxcoupons**.

1. Coverage
Prescribed covered drugs are provided at the applicable prescription drug Copayment or Coinsurance for each tier of drug coverage. This may include: a tier for preferred generic drugs; a tier for preferred brand-name drugs or medications not having a generic or a generic equivalent; a tier for prescribed non-preferred drugs authorized through the non-preferred drug process; and a tier for certain specialty drugs. **Note:** Some specialty drugs are available in other tiers. To learn more, please visit our website at **kp.org/formulary**.

a. Outpatient Prescription Drugs

Refills of compounded medications cannot be ordered on **kp.org**, by mail order, or through the automated refill line. vii. Oral anti-cancer medications.

The amount covered will be the lesser of the quantity prescribed or the day supply limit. Any amount you receive that exceeds the day supply limit will not be covered. If you receive more than the day supply limit, you will be charged as a non-Member for any prescribed amount exceeding the limit. For some drugs, you can get up to a 90-day supply when you fill your prescription at a pharmacy inside a Kaiser Permanente Medical Office Building. Your normal Copayment or Coinsurance will apply for each supply limit you receive, as shown in the "Schedule of Benefits (Who Pays What)." If your prescription drug has a Copayment, you may pay less if you get a 90-day supply from our mail-order pharmacy.

Certain drugs have a significant potential for waste and diversion. Those drugs will be provided for up to a 30-day supply. Each prescription refill is provided on the same basis as the original prescription. Health Plan may, in its sole discretion, establish quantity limits for specific prescription drugs.

Generic drugs that are available in the United States only from a single manufacturer and not listed as generic in the current commercially available drug database(s) to which Health Plan subscribes are provided at the brand-name Copayment or Coinsurance. The amount covered will be the lesser of the quantity prescribed or the day supply limit.

Plan Pharmacies may substitute a generic equivalent for a brand-name drug unless prohibited by the Plan Provider. If you request a brand-name drug when a generic equivalent drug is the preferred product, you must pay the brand-name Copayment or Coinsurance, plus any difference in price between the preferred generic equivalent drug prescribed or authorized by the Plan Provider and the requested brand-name drug. If the brand-name drug is prescribed and authorized by the Plan due to Medical Necessity, you pay the applicable Copayment or Coinsurance.

    a. Any source providing a Financial Benefit or from whom a Financial Benefit is due.
    b. You, to the extent that a Financial Benefit is provided or payable or would have been required to be provided or payable if you had diligently sought to establish your rights to the Financial Benefit under any workers' compensation or employer's liability law.

Examples include: major disaster; epidemic; war; riot; civil insurrection; disability of a large share of personnel at a Plan Facility; complete or partial destruction of facilities; and labor disputes not involving Health Plan, Kaiser Foundation Hospitals or Medical Group. In these circumstances, Health Plan, Kaiser Foundation Hospitals, Medical Group and Medical Group Plan Providers will not have any liability for any delay or failure in providing covered Services. In the case of a labor dispute involving Health Plan, Kaiser Foundation Hospitals or Medical Group, we may postpone care until the dispute is resolved if delaying your care is safe and will not result in harmful health consequences.

C. Reductions

1. Injuries or Illnesses Alleged to be Caused by Other Parties

   You must ensure we receive the maximum reimbursement allowed by law for covered Services you receive for an injury or illness that is alleged to be caused by another party. You do not have to reimburse us more than you receive from or on behalf of any other party, insurance company or organization as a result of the injury or illness. Our right to reimbursement shall include all sources as allowed by law. This includes, but is not limited to, any recovery you receive from: (a) uninsured motorist coverage; or (b) underinsured motorist coverage; or (c) automobile medical payment coverage; or (d) workers' compensation coverage; or (e) any other liability coverage; or (f) any responsible party or entity.

   Note: This "Injuries or Illnesses Alleged to be Caused by Other Parties" section does not affect your obligation to pay your Copayment, Coinsurance, and/or Deductible for these Services. The amount of reimbursement due the Plan is not limited by or subject to the Out-of-Pocket maximum provision.

   To the extent allowed by law, we have the option of becoming subrogated to all claims, causes of action, and other rights you may have against another party or an insurer, government program, or other source of coverage for monetary damages, compensation, or indemnification on account of the injury or illness allegedly caused by the other party. We will be so subrogated as of the time we mail or deliver a written notice of our exercise of this option to you or your attorney.

   We shall have a first priority lien on the proceeds of any judgment or settlement, whether by compromise or otherwise, you obtain against or from any other party, entity or insurer, regardless of whether the other party, entity or insurer admits fault. Proceeds of such judgment, award or settlement in your or your attorney's possession shall be held in trust for our benefit.

   Within 30 days after submitting or filing a claim or legal action against another party, entity or insurer, you must send written notice of the claim or legal action to:

   Equian, LLC
   Attn: Subrogation Operations
   PO Box 36380

Louisville, KY 40233
Fax: 502-214-1291

For us to determine the existence of any rights we may have and to satisfy those rights, you must complete and send to Equian: all consents; releases; authorizations; assignments; and other documents, including lien forms directing your attorney, any other party or entity and any respective insurer to pay us or our legal representatives directly. You must cooperate to protect our interests under this "Injuries or Illnesses Alleged to be Caused by Other Parties" provision and must not take any action prejudicial to our rights.

If your estate, parent, guardian, legal representative or conservator asserts a claim against another party, entity or insurer based on your injury or illness, your estate, parent, guardian, legal representative or conservator and any settlement or judgment recovered by the estate, parent, guardian, legal representative or conservator shall be subject to our liens and other rights to the same extent as if you had asserted the claim. We may assign our rights to enforce our liens and other rights.

Some providers have contracted with Kaiser Permanente to provide certain Services to Members at rates that are typically less than the fees that the providers normally charge to the general public ("General Fees"). However, these contracts may allow providers to assert any independent lien rights they may have to recover their General Fees from a judgment or settlement that you receive from or on behalf of another party, entity or insurer. For Services the provider furnished, our recovery and the provider's recovery together will not exceed the provider's General Fees.

If you are entitled to Medicare, Medicare law may apply with respect to Services covered by Medicare.

2. Traditional or Gestational Surrogacy

In situations where you receive monetary compensation to act as either a traditional or gestational surrogate, Health Plan will seek reimbursement for covered Services you receive that are associated with conception, pregnancy and/or delivery of the child, except that we will recover no more than half of the monetary compensation you receive. A surrogate arrangement is one in which a woman agrees to become pregnant and to surrender the baby to another person or persons who intend to raise the child. This section applies to any person who is impregnated by artificial insemination, intrauterine insemination, in vitro fertilization or through the surgical implantation of a fertilized egg of another person and applies to both traditional surrogacy and gestational carriers.

Note: This "Traditional or Gestational Surrogacy" section does not affect your obligation to pay your Copayment, Coinsurance, and/or Deductible for these Services.

Within 30 days after entering into a Surrogacy Arrangement, you must send written notice of the arrangement, including all of the following information:

- Names, addresses, and telephone numbers of the other parties to the arrangement
- Names, addresses, and telephone numbers of any escrow agent or trustee
- Names, addresses, and telephone numbers of the intended parents and any other parties who are financially responsible for Services the baby (or babies) receives, including names, addresses, and telephone numbers for any health insurance that will cover Services that the baby (or babies) receives
- A signed copy of any contracts and other documents explaining the arrangement
- Any other information we request in order to satisfy our rights

You must send this information to:

Equian, LLC
Attn: Surrogacy Subrogation Operations
PO Box 36380
Louisville, KY 40233
Fax: 502-214-1291

Note: A baby born under a Surrogacy Arrangement does not have health coverage rights under the surrogate's health coverage. The intended parents of a child born under a Surrogacy Arrangement will need to arrange for health coverage for the newborn.

V. MEMBER PAYMENT RESPONSIBILITY

Information on Member payment responsibility, including applicable Deductibles, annual Out-of-Pocket Maximum, Copayments, and Coinsurance, can be found in the "Schedule of Benefits (Who Pays What)." Payment responsibility information for Emergency Services can be found in the "Benefits/Coverage (What is Covered)" section. For additional questions, contact **Member Services**.

Our contracts with Plan Providers provide that you are not liable for any amounts we owe them for covered Services. However, you may be liable for the cost of non-covered Services or Services you obtain from Out-of-Plan Providers. If our contract with any Plan

Provider terminates while you are under the care of that provider, we will retain financial responsibility for covered Services you receive from that provider, in excess of any applicable Deductibles, Copayments or Coinsurance amounts, until we make arrangements for the Services to be provided by another Plan Provider and so notify the Subscriber.

For Emergency Services (including Post Stabilization Care that federal law defines as Emergency Services) provided by an Out-of-Plan Provider, your Deductible, Copayment and/or Coinsurance, as applicable, will be the same amount or percentage, as applicable, as they would be for Emergency Services provided by a Plan Provider pursuant to applicable state law or, if state law is inapplicable, then federal law. In addition, in the event that an Out-of-Plan Provider provides Ancillary Services at a Plan Provider, then your Deductible, Copayment and/or Coinsurance shall be calculated as required by applicable state law or, if state law is inapplicable, then federal law. In addition, if you (or your authorized representative) consent to the provision of Services by an Out-of-Plan Provider, then we will not pay for such Services, and the amount you pay will not count toward satisfaction of the Deductible, if any, or the Out-of-Pocket Maximum(s).

Premiums

A. Payment of Premiums

Premiums must be paid and received in advance. You must then pay the correct amount before the beginning of a month to have coverage for that month. If you do not pay in time, we will send you a notice that you are in default. You then have a grace period in which to pay your Premiums without loss of membership. If you do not pay within the grace period, we will terminate your membership. After termination of your enrollment for nonpayment of Premiums, Health Plan may require payment of any outstanding Premiums for prior coverage if permitted by applicable law. Only Members for whom we have received the correct amount are entitled to benefits under this Membership Agreement.

B. Advance Payment of Premium Tax Credit

If we receive advance payment of the premium tax credit on your behalf, then you are responsible for paying the portion of the Premiums that equals the full Premiums minus the advance payment of the premium tax credit that we receive on your behalf for the months for which Premiums are payable. If we do not receive your portion of the monthly Premiums on time, we will provide a three-month grace period but only if applicable law requires a three-month grace period when:

1. We have previously received the full monthly Premiums for you (including advance payment of the premium tax credit) during the immediately preceding policy year; OR
2. We receive or will receive advance payment of the premium tax credit on your behalf for the month for which we do not receive your portion of the Premiums on time during this policy year if you were not enrolled in Health Plan during the preceding policy year.

C. Grace Periods

1. This grace period does not apply to the first month's Premiums payment. We will send written notice stating when the grace period begins. We will pay for covered Services you receive during the **first** month of the grace period. For the second and third months of the grace period, we are not required to pay for any Services unless we receive all outstanding Premiums (including your portion of any Premiums for the grace period months that are already due on the date you make your payment) by the end of the grace period. If we do not receive your portion of all outstanding Premiums (including any Premiums for the grace period months that are already due on the date you make your payment) by the end of the grace period, we will terminate your membership. Membership will end at 11:59 pm on the last day of the first month of the grace period.

   If applicable law does not require a three-month grace period, then your grace period will be as explained in paragraph "2." below. Health Plan's notice regarding your failure to pay Premiums on time will inform you about your grace period (the time frame in which you must pay your overdue Premiums to avoid termination) and whether coverage continues during this grace period. You will be responsible for paying Health Plan or Plan Providers, as applicable, for any Services received after the termination of your coverage.

2. If we are not receiving an advance payment of premium tax credit on your behalf, we will provide a 31-day grace period for payment of any Premiums other than the first month's Premiums. We will send written notice stating when the grace period begins. If we do not receive your Premiums by the end of the grace period, we will terminate your membership so that it ends at 11:59 pm on the last day of the grace period. We or providers may bill you as a non-Member for any Services you received after your last day of membership.

VI. CLAIMS PROCEDURE (HOW TO FILE A CLAIM)

L. Contracts with Plan Providers

Plan Providers are paid in a number of ways, including salary, capitation, per diem rates, case rates, fee for service; and incentive payments. If you would like further information about the way Plan Providers are paid to provide or arrange medical and hospital care for Members, please call **Member Services.**

Our contracts with Plan Providers provide that you are not liable for any amounts we owe. However, you may be liable for the cost of non-covered Services or Services you obtain from Out-of-Plan Providers. If our contract with any Plan Provider terminates while you are under the care of that provider, we will retain financial responsibility for covered Services you receive from that provider, in excess of any applicable Copayments and/or Coinsurance amounts, until we make arrangements for the Services to be provided by another Plan Provider and so notify the Subscriber.

We may seek payment for any claims paid to Plan Providers for Services rendered after termination of your enrollment.

M. Genetic Testing Information

In accordance with state law: (1) Information derived from genetic testing shall be confidential and privileged. O. No Waiver

Our failure to enforce any provision of this Membership Agreement will not constitute a waiver of that or any other provision, or impair our right thereafter to require your strict performance of any provision.

P. Nondiscrimination

We do not discriminate in our employment practices or in the delivery of health care Services on the basis of age, race, color, national origin, religion, sex, sexual orientation, or physical or mental disability.

Kaiser Permanente will protect the privacy of your protected health information (PHI). We also require contracting providers to protect your PHI. Your PHI is individually-identifiable information (oral, written, or electronic) about your health, health care services you receive, or payment for your health care. You generally may access and receive copies of your PHI, update or amend your PHI, and ask us for an accounting of certain disclosures of your PHI. You also may request delivery of confidential communications to a location other than your usual address or by alternate means.

We may use or disclose your PHI for treatment, payment, and health care operations purposes, such as quality improvement. Sometimes, we may be required by law to disclose PHI to others, such as government agencies or pursuant to judicial actions.

Kaiser Permanente will not use or disclose your PHI for any other purpose without your (or your representative's) authorization, except as described in our *Notice of Privacy Practices* (see below). Giving us authorization is at your discretion.

This is only a brief summary of some of our key privacy practices. Our *Notice of Privacy Practices* provides additional information about our privacy practices and your rights regarding your PHI and will be provided to you upon request. To request a paper copy, please call Member Services. You can also find the notice at a Kaiser Permanente Medical Office Building or on our website, kp.org.

T. Value-Added Services

In addition to the Services we cover under this Membership Agreement, we make available a variety of value-added services. Value-added services are not covered by your plan. They are intended to give you more options for a healthy lifestyle. Examples may include:

1. Certain health education classes not covered by your plan;
2. Certain health education publications;
3. Discounts for fitness club memberships;
4. Health promotion and wellness programs; and
5. Rewards for participating in those programs.

Some of these value-added services are available to all Members. Others may be available only to Members enrolled through certain groups or plans. To take advantage of these services, you may need to:

1. Show your Health Plan ID card, and
2. Pay the fee, if any,

to the company that provides the value-added service. Because these services are not covered by your plan, any fees you pay will not count toward any coverage calculations, such as Deductible or Out-of-Pocket Maximum.

To learn about value-added services and which ones are available to you, please check our website, kp.org.

These value-added services are neither offered nor guaranteed under your Health Plan coverage. Health Plan may change or discontinue some or all value-added services at any time and without notice to you. Value-added services are not offered as inducements to purchase a health care plan from us. Although value-added services are not covered by your plan, we may have included an estimate of their cost when we calculated Premiums.

Health Plan does not endorse or make any representations regarding the quality or medical efficacy of value-added services, or the financial integrity of the companies offering them. We expressly disclaim any liability for the value-added services provided by these companies. If you have a dispute regarding a value-added service, you must resolve it with the company offering such service. Although Health Plan has no obligation to assist with this resolution, you may call Member Services, and a representative may try to assist in getting the issue resolved.

U. Women's Health and Cancer Rights Act

In accordance with the "Women's Health and Cancer Rights Act of 1998," as determined in consultation with the attending physician and the patient, we provide the following coverage after a mastectomy:

1. Reconstruction of the breast on which the mastectomy was performed.
2. Surgery and reconstruction of the other breast to produce a symmetrical (balanced) appearance.
3. Prostheses (artificial replacements).
4. Services for physical complications resulting from the mastectomy.

VIII. TERMINATION/NONRENEWAL/CONTINUATION

A. How We May Terminate Your Membership

If you are inpatient in a hospital or institution, your coverage will continue until the date of discharge if your Membership Agreement terminates for reasons other than: nonpayment of Premiums; fraud; or abuse. We may terminate your membership by giving you 30 days written notice including the reason for termination if you or any of your Dependents do one or more of the following:

1. Knowingly: (a) furnish incorrect or incomplete material information; or (b) fail to inform us of a material change in family status.

2. Knowingly: (a) misrepresent enrollment eligibility information or membership status; (b) present an invalid prescription; (c) misuse or permit the misuse of a Health Plan ID card; or (d) commit any other type of fraud in connection with your membership (including your enrollment application), Heath Plan, or a Plan Provider.

3. Fail to make payments in full within the applicable grace period provided in the "Premiums" section of the "Member Payment Responsibility" section. Health Plan will notify you of nonpayment of Premiums within the applicable grace period and provide 30 days' advance notice of termination.

Termination of membership for any one of these reasons applies to all Members in your Family Unit. All rights to benefits cease on the termination date. You will be billed as a non-Member for any Services received after the termination date. You have the right to appeal such a termination by calling **Member Services**; or by calling the Colorado Division of Insurance.

After termination of your enrollment for nonpayment of Premiums, Health Plan may require payment of any outstanding Premiums for prior coverage if permitted by applicable law.

Except for fraud, we will not terminate membership based upon misstatements made by you commencing two (2) years after the effective date of this Membership Agreement.

We may report any Member fraud to the authorities for prosecution and pursue appropriate civil remedies.

We may also terminate your membership if we cease offering: (a) this particular product; or (b) this entire class of **Kaiser Permanente Individuals and Families** Membership Agreements.

B. How You May Terminate Your Membership

You may terminate membership for yourself or any Dependent by contacting Connect for Health Colorado at **1-855-752-6749**. Such termination shall be effective within fourteen (14) days or sooner if required by applicable law.

C. Notice, Refunds and Payments

You will receive 30 days' prior written notice if we terminate your membership. The notice will include: an explanation of why; and when your membership will end. If you have paid monthly Premiums beyond the termination date, you may be eligible for a refund. Any amount due to you for claims while you were a Member will be paid to you. Any amounts you owe us will be deducted from any payment we make to you. We will make any payment due to you within 30 days of your termination.

D. Right to Benefits Ends

Your right to receive benefits ends when your membership ends, except as provided by state law. All plans purchased through Connect for Health Colorado terminate at the end of each calendar year, unless renewed by the Subscriber and by Kaiser Permanente.

E. Termination Due to Loss of Eligibility

If you no longer meet the eligibility requirements in section I., we will provide 30 days' advance notice of termination that will include the reason for termination.

F. Termination of a Product or all Products

We may terminate a particular product or all products offered in the individual market as permitted or required by law. If we discontinue offering a particular product in the individual market, we will terminate just the particular product by sending you written notice at least 90 days before the product terminates. If we discontinue offering all products in the individual market, we may terminate your Membership Agreement by sending you written notice at least 180 days before the Membership Agreement terminates.

G. Rescission of Membership

We may rescind your membership after it is effective if you or anyone on your behalf did one of the following with respect to your membership (or application) prior to your membership effective date:

1. Performed an act, practice, or omission that constitutes fraud; or
2. Misrepresented a material fact with intent, such as an omission on the application.

We will send written notice to the Subscriber in your Family at least 30 days before we rescind your membership. The rescission will cancel your membership so no coverage ever existed. You will be required to pay as a non-Member for any Services we covered. We will refund all applicable Premiums, less any amounts you owe us.

H. Moving Outside of Kaiser Foundation Health Plan of Colorado's Service Area

If you move outside of the Health Plan's Service Area, your membership will be terminated. We will provide you with thirty (30) days' notice of termination which will include the reason for termination.

I. Moving to Another Kaiser Regional Health Plan Service Area

If you move to another Kaiser regional health plan service area, you will be terminated from this plan, but you may be eligible for membership in the new service area. However, eligibility requirements, benefits, Premiums, Deductibles, Copayments, Coinsurance, and/or Out-of-Pocket Maximum limits may not be the same in the other service area.

For information about applying for enrollment in another service area, please contact **Member Services** in that service area.

J. Conditions for Renewability

We will renew or continue your coverage, at your option, unless:

1. you fail to pay the required Premiums or fail to pay Premiums timely;
2. you or your representative perform an act or practice that constitutes fraud or has made an intentional misrepresentation of a material fact under the terms of coverage;

3. in the case of a plan that is made available only through one or more bona fide associations, your membership in the association on the basis of which your coverage is provided ceases, but only if the coverage is terminated uniformly without regard to any health-status-related factor relating to any covered person;

4. we decide to discontinue offering this plan, in which case we will provide notice to you of the decision not to renew at least ninety (90) days before the nonrenewal; will offer you the option to purchase any other health benefit plan currently offered by us in this state; and provide information on the special enrollment periods;

5. we elect to discontinue offering and renewing all of our health benefits plans in this state, in which case we will provide notice to you of the decision to discontinue coverage at least one hundred eighty (180) days before the discontinuance. If such discontinuance occurs, we will continue to provide coverage through the first renewal period not to exceed twelve (12) months after the notice to you of the discontinuance.

IX. APPEALS AND COMPLAINTS

A. Claims and Appeals

Health Plan will review claims and appeals, and we may use medical experts to help us review them. The following terms have the following meanings when used in this "Appeals and Complaints" section:

1. A **claim** is a request for us to:
   a. provide or pay for a Service that you have not received (pre-service claim),
   b. continue to provide or pay for a Service that you are currently receiving (concurrent care claim), or
   c. pay for a Service that you have already received (post-service claim).

2. An **adverse benefit determination** is our decision to do any of the following:
   a. deny your claim, in whole or in part, including (1) a denial, in whole or in part, of a pre-service claim (preauthorization for a Service), a concurrent care claim (continue to provide or pay for a Service that you are currently receiving) or a post-service claim (a request to pay for a Service) in whole or in part; (2) a denial of a request for Services on the ground that the Service is not Medically Necessary, appropriate, effective or efficient or is not provided in or at the appropriate health care setting or level of care; or, (3) a denial of a request for Services on the ground that the Service is experimental or investigational,
   b. terminate your coverage by Health Plan retroactively except as the result of non-payment of Premiums (also called rescission or cancellation retroactively),
   c. deny your (or, if applicable, your dependent's) application for individual plan coverage,
   d. uphold our previous adverse benefit determination when you appeal.

   In addition, when we deny a request for medical care because it is excluded under this Membership Agreement, and you present evidence from a Colorado medical professional that there is a reasonable medical basis that the contractual exclusion does not apply to the denied medical care, then our denial shall be considered an adverse benefit determination.

3. An **appeal** is a request for us to review our initial adverse benefit determination.

If you miss a deadline for making a claim or appeal, we may decline to review it.

Except when simultaneous external review can occur, you must exhaust the internal claims and appeals procedure as described below in this "Appeals and Complaints" section unless we fail to follow the claims and appeals process described in this Section IX.

Reviewing Information Regarding Your Claim

If you want to review the information that we have collected regarding your claim, you may request, and we will provide without charge, copies of all relevant documents, records, and other information.

You also have the right to request any diagnosis and treatment codes and their meanings that are the subject of your claim. To make a request, you should contact **Member Services**.

Providing Additional Information Regarding Your Claim and/or Appeal

When you appeal, you may send us additional information including comments, documents, and additional medical records that you believe support your claim. If we asked for additional information and you did not provide it before we made our initial decision about your claim, then you may still send us the additional information so that we may include it as part of our review of your appeal, if you ask for one. Please send all additional information to the Department that issued the adverse benefit determination.

When you appeal, you may give testimony in writing or by telephone. Please send your written testimony to the **Appeals Program**. To arrange to give testimony by telephone, you should contact the **Appeals Program**.

We will add the information that you provide through testimony or other means to your claim file and we will review it without regard to whether this information was submitted and/or considered in our initial decision regarding your claim.

Sharing Additional Information That We Collect

If we believe that your appeal of our initial adverse benefit determination will be denied, then before we issue our next adverse benefit determination we will also share with you any new or additional reasons for that decision. We will send you a letter explaining the new or additional information and/or reasons and inform you how you can respond to the information in the letter if you choose to do so. If you do not respond before we must make our next decision, that decision will be based on the information already in your claim file.

Internal Claims and Appeals Procedures

There are several types of claims, and each has a different procedure described below for sending your claim and appeal to us as described in this "Internal Claims and Appeals Procedures" section:

1. Pre-service claims (urgent and non-urgent)
2. Concurrent care claims (urgent and non-urgent)
3. Post-service claims

In addition, there is a separate appeals procedure for adverse benefit determinations due to a retroactive termination of membership (rescission) or a denial of an application for individual plan coverage.

When you file an appeal, we will review your claim without regard to our previous adverse benefit determination. The individual who reviews your appeal will not have participated in our original decision regarding your claim nor will the reviewer be the subordinate of someone who did participate in our original decision.

1. Pre-Service Claims and Appeals

   Pre-service claims are requests that we provide or pay for a Service that you have not yet received. Failure to receive Authorization before receiving a Service that must be authorized or pre-certified in order to be a covered Service may be the basis for our denial of your pre-service claim. If you receive any of the Services you are requesting before we make our decision, your pre-service claim or appeal will become a post-service claim or appeal with respect to those Services. If you have any general questions about pre-service claims or appeals, please call **Member Services**.

   Here are the procedures for filing a pre-service claim, a non-urgent pre-service appeal, and an urgent pre-service appeal.

   a. Pre-Service Claim

      Tell Health Plan in writing that you want us to provide or pay for a Service you have not yet received. Your request and any related documents you give us constitute your claim. You must either mail or fax your claim to **Member Services**.

      If you want us to consider your pre-service claim on an urgent basis, your request should tell us that. We will decide whether your claim is urgent or non-urgent unless your attending health care provider tells us your claim is urgent. If we determine that your claim is not urgent, we will treat your claim as non-urgent. Generally, a claim is urgent only if using the procedure for non-urgent claims (a) could seriously jeopardize your life, health, or ability to regain maximum function or if you have a physical or mental disability, creates an imminent and substantial limitation on your existing ability to live independently; or (b) would, in the opinion of a physician with knowledge of your medical condition, subject you to severe pain that cannot be adequately managed without the Services you are requesting. We may, but are not required to, waive the requirements related to an urgent claim and appeal, to permit you to pursue an expedited external review.

      We will review your claim and, if we have all the information we need, we will make a decision within a reasonable period of time but not later than 15 days after we receive your claim. We may extend the time for making a decision for an additional 15 days if circumstances beyond our control delay our decision, so long as we notify you prior to the expiration of the initial 15 day period and explain the circumstances for which we need the extra time and when we expect to make a decision. If we tell you we need more information, we will ask you for the information within 15 days of receiving your claim, and we will give you 45 days to send the information. We will make a decision within 15 days after we receive the first piece of information

(including documents) we requested. We encourage you to send all the requested information at one time, so that we will be able to consider all of the information that you send us when we make our decision. If we do not receive any of the requested information (including documents) within 45 days after we send our request, we will make a decision based on the information we have within 15 days following the end of the 45 day period.

We will send written notice of our decision to you and, if applicable, to your provider. Please let us know if you wish to have our decision sent to your provider.

If your pre-service claim was considered on an urgent basis, we will notify you of our decision (whether adverse or not) orally or in writing within a timeframe appropriate to your clinical condition but not later than 72 hours after we receive your claim. Within 24 hours after we receive your claim, we may ask you for more information. We will notify you of our decision within 48 hours of receiving the first piece of requested information. If we do not receive any of the requested information, then we will notify you of our decision within 48 hours after making our request. If we notify you of our decision orally, we will send you written confirmation within three (3) days after that.

If we deny your claim (if we do not agree to provide or pay for all the Services you requested), our adverse benefit determination notice will tell you why we denied your claim and how you can appeal.

b. Non-Urgent Pre-Service Appeal

Within 180 days after you receive our adverse benefit determination notice, you must tell us in writing that you want to appeal our denial of your pre-service claim. Please include the following: (1) your name and Medical Record Number, (2) your medical condition or relevant symptoms, (3) the specific Service that you are requesting, (4) all of the reasons why you disagree with our adverse benefit denial, and (5) all supporting documents. Your request and the supporting documents constitute your appeal. You must either mail or fax your appeal to the **Appeals Program**.

We will schedule an appeal meeting in a timeframe that permits us to decide your appeal in a timely manner. You may be present for the appeal meeting in person or by telephone conference and you may bring counsel, advocates and health care professionals to the appeal meeting. Unless you request to be present for the appeal meeting in person or by telephone conference, we will conduct your appeal as a file review. You may present additional materials at the appeal meeting. The members of the appeals committee who will review your appeal will consider this additional material. Upon request, we will provide copies of all information that we intend to present at the appeal meeting at least five (5) days prior to the meeting, unless any new material is developed after that five (5) day deadline. You will have the option to elect to have a recording made of the appeal meeting, if applicable, and if you elect to have the meeting recorded, we will make a copy available to you.

We will review your appeal and send you a written decision within a reasonable period of time that is appropriate given your medical condition but not more than 30 days after we receive your appeal.

If we deny your appeal, our adverse benefit determination notice will tell you why we denied your appeal and will include information regarding any further process, including external review that may be available to you.

c. Urgent Pre-Service Appeal

Tell us that you want to urgently appeal our adverse benefit determination regarding your pre-service claim. Please include the following: (1) your name and Medical Record Number, (2) your medical condition or symptoms, (3) the specific Service that you are requesting, (4) all of the reasons why you disagree with our adverse benefit determination, and (5) all supporting documents. Your request and the supporting documents constitute your appeal. You may submit your appeal orally, by mail or by fax to the **Appeals Program**.

When you send your appeal, you may also request simultaneous external review of our initial adverse benefit determination. If you want simultaneous external review, your appeal must tell us this. You will be eligible for the simultaneous external review only if your pre-service appeal qualifies as urgent. If you do not request simultaneous external review in your appeal, then you may be able to request external review after we make our decision regarding your appeal (see "External Review" below in this "Appeals and Complaints" section), if our internal appeal decision is not in your favor.

We will decide whether your appeal is urgent or non-urgent unless your attending health care provider tells us your appeal is urgent. If we determine that your appeal is not urgent, we will treat your appeal as non-urgent. Generally, an appeal is urgent only if using the procedure for non-urgent appeals (a) could seriously jeopardize your life, health, or ability to regain maximum function or if you have a physical or mental disability, creates an imminent and substantial limitation on your existing ability to live independently; or (b) would, in the opinion of a physician with knowledge of your medical condition, subject you to severe pain that cannot be adequately managed without the Services you are requesting. We may, but are not required to, waive the requirements related to an urgent appeal to permit you to pursue an expedited external review.

You do not have the right to attend or have counsel, advocates and health care professionals in attendance at the expedited review. You are, however, entitled to submit written comments, documents, records and other materials for the reviewer or reviewers to consider; and receive, upon request and free of charge, copies of all documents, records and other information regarding your request for benefits.

We will review your appeal and give you oral or written notice of our decision as soon as your clinical condition requires, but not later than 72 hours after we received your appeal. If we notify you of our decision orally, we will send you a written confirmation within three (3) days after that.

If we deny your appeal, our adverse benefit determination notice will tell you why we denied your appeal and will include information regarding any further process, including external review that may be available to you.

2. Concurrent Care Claims and Appeals.
Concurrent care claims are requests that Health Plan continue to provide, or pay for, an ongoing course of covered treatment or Services for a period of time or number of treatments, when the course of treatment or Services already being received will end. If you have any general questions about concurrent care claims or appeals, please call **Member Services**.

Unless you are appealing an urgent care concurrent claim, if we either (a) deny your request to extend your current authorized ongoing care (your concurrent care claim) or (b) inform you that authorized care that you are currently receiving is going to end early and you then appeal our decision (an adverse benefit determination), then during the time that we are considering your appeal, you may continue to receive the authorized Services. If you continue to receive these Services while we consider your appeal and your appeal does not result in our approval of your concurrent care claim, then we will only pay for the continuation of Services until we notify you of our appeal decision.

Here are the procedures for filing a concurrent care claim, a non-urgent concurrent care appeal, and an urgent concurrent care appeal:

a. Concurrent Care Claim
Tell us in writing that you want to make a concurrent care claim for an ongoing course of covered treatment. Inform us in detail of the reasons that your authorized ongoing care should be continued or extended. Your request and any related documents you give us constitute your claim. You must either mail or fax your claim to **Member Services**.

If you want us to consider your claim on an urgent basis and you contact us at least 24 hours before your care ends, you may request that we review your concurrent claim on an urgent basis. We will decide whether your claim is urgent or non-urgent unless your attending health care provider tells us your claim is urgent. If we determine that your claim is not urgent, we will treat your claim as non-urgent. Generally, a claim is urgent only if using the procedure for non-urgent claims (a) could seriously jeopardize your life, health or ability to regain maximum function or if you have a physical or mental disability, create an imminent and substantial limitation on your existing ability to live independently; or (b) would, in the opinion of a physician with knowledge of your medical condition, subject you to severe pain that cannot be adequately managed without extending your course of covered treatment. We may, but are not required to, waive the requirements related to an urgent claim and appeal thereof, to permit you to pursue an expedited external review.

We will review your claim, and if we have all the information we need we will make a decision within a reasonable period of time. If you submitted your claim 24 hours or more before your care is ending, we will make our decision before your authorized care actually ends (that is, within 24 hours of receipt of your claim). If your authorized care ended before you submitted your claim, we will make our decision within a reasonable period of time but no later than 15 days after we receive your claim. We may extend the time for making a decision for an additional 15 days if circumstances beyond our control delay our decision, if we send you notice before the initial 15 days end and explain why we need the extra time and when we expect to make a decision. If we tell you we need more information, we will ask you for the information before the initial decision period ends, and we will give you until your care is ending or, if your care has ended, 45 days to send us the information. We will make our decision as soon as possible, if your care has not ended, or within 15 days after we first receive any information (including documents) we requested. We encourage you to send all the requested information at one time, so that we will be able to consider it all when we make our decision. If we do not receive any of the requested information (including documents) within the stated timeframe after we send our request, we will make a decision based on the information we have within the appropriate timeframe, not to exceed 15 days following the end of the 45 days that we gave you for sending the additional information.

We will send written notice of our decision to you and, if applicable to your provider, upon request. Please let us know if you wish to have our decision sent to your provider.

If we consider your concurrent claim on an urgent basis, we will notify you of our decision orally or in writing as soon as your clinical condition requires, but not later than 24 hours after we received your appeal. If we notify you of our decision orally, we will send you written confirmation within three (3) days after receiving your claim.

If we deny your claim (if we do not agree to provide or pay for extending the ongoing course of treatment or Services), our adverse benefit determination notice will tell you why we denied your claim and how you can appeal.

b. Non-Urgent Concurrent Care Appeal
Within 180 days after you receive our adverse benefit determination notice, you must tell us in writing that you want to appeal our adverse benefit determination. Please include the following: (1) your name and Medical Record Number, (2) your medical condition or symptoms, (3) the ongoing course of covered treatment that you want to continue or extend, (4) all of the reasons why you disagree with our adverse benefit determination, and (5) all supporting documents. Your request and all supporting documents constitute your appeal. You must either mail or fax your appeal to the **Appeals Program**.

We will schedule an appeal meeting in a timeframe that permits us to decide your appeal in a timely manner. You may be present for the appeal meeting in person or by telephone conference and you may bring counsel, advocates and health care professionals to the appeal meeting. Unless you request to be present for the appeal meeting in person or by telephone conference, we will conduct your appeal as a file review. You may present additional materials at the appeal meeting. The members of the appeals committee who will review your appeal will consider this additional material. Upon request, we will provide copies of all information that we intend to present at the appeal meeting at least five (5) days prior to the meeting, unless any new material is developed after that five (5) day deadline. You will have the option to elect to have a recording made of the appeal meeting, if applicable, and if you elect to have the meeting recorded, we will make a copy available to you.

We will review your appeal and send you a written decision as soon as possible if you care has not ended but not later than 30 days after we receive your appeal.

If we deny your appeal, our adverse benefit determination decision will tell you why we denied your appeal and will include information about any further process, including external review that may be available to you.

c. Urgent Concurrent Care Appeal

Tell us that you want to urgently appeal our adverse benefit determination regarding your urgent concurrent claim. Please include the following: (1) your name and Medical Record Number, (2) your medical condition or symptoms, (3) the ongoing course of covered treatment that you want to continue or extend, (4) all of the reasons why you disagree with our adverse benefit determination, and (5) all supporting documents. Your request and the supporting documents constitute your appeal. You may submit your appeal orally, by mail or by fax to the **Appeals Program**.

When you send your appeal, you may also request simultaneous external review of our adverse benefit determination. If you want simultaneous external review, your appeal must tell us this. You will be eligible for the simultaneous external review only if your concurrent care claim qualifies as urgent. If you do not request simultaneous external review in your appeal, then you may be able to request external review after we make our decision regarding your appeal (see "External Review" below in this "Appeals and Complaints" section).

We will decide whether your appeal is urgent or non-urgent unless your attending health care provider tells us your appeal is urgent. If we determine that your appeal is not urgent, we will treat your appeal as non-urgent. Generally, an appeal is urgent only if using the procedure for non-urgent appeals (a) could seriously jeopardize your life, health, or ability to regain maximum function or if you have a physical or mental disability, create an imminent and substantial limitation on your existing ability to live independently; or (b) would, in the opinion of a physician with knowledge of your medical condition, subject you to severe pain that cannot be adequately managed without continuing your course of covered treatment. We may, but are not required to, waive the requirements related to an urgent appeal to permit you to pursue an expedited external review.

You do not have the right to attend or have counsel, advocates and health care professionals in attendance at the expedited review. You are, however, entitled to submit written comments, documents, records and other materials for the reviewer or reviewers to consider; and receive, upon request and free of charge, copies of all documents, records and other information regarding your request for benefits.

We will review your appeal and notify you of our decision orally or in writing as soon as your clinical condition requires, but no later than 72 hours after we receive your appeal. If we notify you of our decision orally, we will send you a written confirmation within three (3) days after that.

If we deny your appeal, our adverse benefit determination notice will tell you why we denied your appeal and will include information about any further process, including external review that may be available to you.

3. Post-Service Claims and Appeals

Post-service claims are requests that we for pay for Services you already received, including claims for out-of-Plan Emergency Services or urgent care Services. If you have any general questions about post-service claims or appeals, please call **Member Services**.

Here are the procedures for filing a post-service claim and a post-service appeal:

a. Post-Service Claim

Within twelve (12) months from the date you received the Services, mail us a letter explaining the Services for which you are requesting payment. Provide us with the following: (1) the date you received the Services, (2) where you received them, (3) who provided them, and (4) why you think we should pay for the Services. You must include a copy of the bill, your medical record(s) and any supporting documents. Your letter and the related documents constitute your claim. Or, you may contact **Member Services** to obtain a claims form. You must either mail or fax your claim to the **Claims Department**.

We will not accept or pay for claims received from you after twelve (12) months from the date of Services.

We will review your claim, and if we have all the information we need we will send you a written decision within 30 days after we receive your claim. We may extend the time for making a decision for an additional 15 days if circumstances beyond our control delay our decision, if we notify you within 15 days after we receive your claim and explain the circumstances for which we need the extra time and when we expect to make a decision. If we tell you we need more information, we will ask you for

the information, and we will give you 45 days to send us the information. We will make a decision within 15 days after we receive the first piece of information (including documents) we requested. We encourage you to send all the requested information at one time, so that we will be able to consider it all when we make our decision. If we do not receive any of the requested information (including documents) within 45 days after we send our request, we will make a decision based on the information we have within 15 days following the end of the 45 day period.

If we deny your claim (if we do not pay for all the Services you requested), our adverse benefit determination notice will tell you why we denied your claim and how you can appeal.

b. Post-Service Appeal

Within 180 days after you receive our adverse benefit determination, tell us in writing that you want to appeal our denial of your post-service claim. Please include the following: (1) your name and Medical Record Number, (2) your medical condition or symptoms, (3) the specific Services that you want us to pay for, (4) all of the reasons why you disagree with our adverse benefit determination, and (5) include all supporting documents such as medical records. We will schedule an appeal meeting in a timeframe that permits us to decide your appeal in a timely manner. You may be present for the appeal meeting in person or by telephone conference, and you may bring counsel, advocates and health care professionals to the appeal meeting. Unless you request to be present for the appeal meeting in person or by telephone conference, we will conduct your appeal as a file review. You may present additional materials at the appeal meeting. The appeals committee members who will review your appeal (who were not involved in our original decision regarding your claim) will consider this additional material. Upon request, we will provide copies of all information that we intend to present at the appeal meeting at least five (5) days prior to the meeting, unless any new material is developed after that five (5) day deadline. You will have the option to elect to have a recording made of the appeal meeting, if applicable, and if you elect to have the meeting recorded, we will make a copy available to you.

We will review your appeal and send you a written decision within 30 days after we receive your appeal.

If we deny your appeal, our adverse benefit determination will tell you why we denied your appeal and will include information regarding any further process, including external review that may be available to you.

Appeals of Retroactive Membership Termination (Rescission or cancellation retroactively)

Member Services

We will review your appeal and send you a written decision within 30 days after we receive your appeal.

If we deny your appeal, our adverse benefit determination notice will tell you why we denied your appeal and will include information regarding any further process, including external review that may be available to you.

External Review

Following receipt of an adverse benefit determination letter, you may have a right to request an external review.

You have the right to request an independent external review of our decision if our decision involves an adverse benefit determination regarding a denial of a claim, in whole or in part, that (1) is a denial of a preauthorization for a Service; (2) is a denial of a request for

Services on the ground that the Service is not Medically Necessary, appropriate, effective or efficient or is not provided in or at the appropriate health care setting or level of care; (3) is a denial of a request for Services on the ground that the Service is experimental or investigational; (4) concludes that parity exists in the non-quantitative treatment limitations applied to behavioral health care (mental health and/or substance abuse) benefits; or, (5) involves consideration of whether we are complying with federal law requirements regarding balance (surprise) billing and/or cost sharing protections pursuant to the No Surprises Act (Public Health Service Act sections 2799A-1 and 2799A-2 and 45 C.F.R. §§149.110 --149.130). If our final adverse decision does not involve adverse benefit determination as described in the preceding sentence, then your claim is **not** eligible for external review provided, however, independent external review is available when we deny your appeal because you request medical care that is excluded under your Kaiser Permanente plan and you present evidence from a licensed Colorado professional that there is a reasonable medical basis that the exclusion does not apply.

You will not be responsible for the cost of the external review. There is no minimum dollar amount for a claim to be eligible for an external review.

To request external review, you must:

1. Submit a completed Independent External Review of Carrier's Final Adverse Determination form which will be included with the mandatory internal appeal decision letter and explanation of your appeal rights (you may call the **Appeals Program** to request a copy of this form) to the **Appeals Program** within four (4) months of the date of receipt of the mandatory internal appeal decision. We shall consider the date of receipt for our notice to be three (3) days after the date on which our notice was drafted, unless you can prove that you received our notice after the three (3) day period ends.
2. Include in your written request a statement authorizing us to release your claim file with your health information including your medical records; or, you may submit a completed Authorization for Release of Appeal Information form which is included with the mandatory internal appeal decision letter and explanation of your appeal rights (you may call the **Appeals Program** to request a copy of this form).

If we do not receive your external review request form and/or authorization form to release your health information, then we will not be able to act on your request. We must receive all of this information prior to the end of the applicable timeframe (4 months) for your request of external review.

Expedited External Review

You may request an expedited review if (1) you have a medical condition for which the timeframe for completion of a standard review would seriously jeopardize your life, health, or ability to regain maximum function, or, if you have a physical or mental disability, would create an imminent and substantial limitation to your existing ability to live independently, or (2) in the opinion of a physician with knowledge of your medical condition, the timeframe for completion of a standard review would subject you to severe pain that cannot be adequately managed without the medical services that you are seeking. You may request expedited external review simultaneously with your expedited internal appeal as permitted under this Membership Agreement. A request for an expedited external review must be accompanied by a written statement from your physician that your condition meets the expedited criteria. You must include the physician's certification that you meet expedited external review criteria when you submit your request for external review along with the other required information (described above).

Additional Requirements for External Review regarding Experimental or Investigational Services

You may request external review or expedited external review involving an adverse benefit determination based upon the Service being experimental or investigational. Your request for external review or expedited external review must include a written statement from your physician that either (a) standard health care services or treatments have not been effective in improving your condition or are not medically appropriate for you, or (b) there is no available standard health care service or treatment covered under this Membership Agreement that is more beneficial than the recommended or requested health care service (the physician must certify that scientifically valid studies using accepted protocols demonstrate that the requested health care service or treatment is more likely to be more beneficial to you than an available standard health care services or treatments), and the physician is a licensed, board-certified, or board-eligible physician to practice in the area of medicine to treat your condition. If you are requesting expedited external review, then your physician must also certify that the requested health care service or treatment would be less effective if not promptly initiated. These certifications must be submitted with your request for external review.

No expedited external review is available when you have already received the medical care that is the subject of your request for external review. If you do not qualify for expedited external review, we will treat your request as a request for standard external review.

After we receive your request for external review, we shall notify you of the information regarding the independent external review entity that the Division of Insurance has selected to conduct the external review.

If we deny your request for standard or expedited external review, including any assertion that we have not complied with the applicable requirements related to our internal claims and appeals procedure, then we may notify you in writing and include the specific reasons for the denial. Our notice will include information about your right to appeal the denial to the Division of Insurance. At the same time that we send this denial notice to you, we will send a copy of it to the Division of Insurance.

You will not be able to present your appeal in person to the independent external review organization. You may, however, send any additional information that is significantly different from information provided or considered during the internal claims and appeal procedure. If you send new information, we may consider it and reverse our decision regarding your appeal.

You may submit your additional information to the independent external review organization for consideration during its review within five (5) working days of your receipt of our notice describing the independent review organization that has been selected to conduct the external review of your claim. Although it is not required to do so, the independent review organization may accept and consider additional information submitted after this five (5) working day period ends.

The independent external review entity shall review information regarding your benefit claim and shall base its determination on an objective review of relevant medical and scientific evidence. Within 45 days of the independent external review entity's receipt of your request for standard external review, it shall provide written notice of its decision to you. If the independent external review entity is deciding your expedited external review request, then the independent external review entity shall make its decision as expeditiously as possible and no more than 72 hours after its receipt of your request for external review and within 48 hours of notifying you orally of its decision provide written confirmation of its decision. This notice shall explain the external review entity's decision and that the external review decision is the final appeal available under state insurance law. An external review decision is binding on Health Plan and you except to the extent Health Plan and you have other remedies available under federal or state law. You or your designated representative may not file a subsequent request for external review involving the same Health Plan adverse determination for which you have already received an external review decision.

If the independent external review organization overturns our denial of payment for care you have already received, we will issue payment within five (5) working days. If the independent review organization overturns our decision not to authorize pre-service or concurrent care claims, Kaiser Permanente will authorize care within one (1) working day. Such covered services shall be provided subject to the terms and conditions applicable to benefits under your plan.

Except when external review is permitted to occur simultaneously with your urgent pre-service appeal or urgent concurrent care appeal, you must exhaust our internal claims and appeals procedure for your claim before you may request external review unless we have failed to substantially comply with federal and/or state law requirements regarding our claims and appeals procedures.

Additional Review

You may have certain additional rights if you remain dissatisfied after you have exhausted our internal claims and appeals procedures, and if applicable, external review. If you are enrolled through a plan that is subject to the Employee Retirement Income Security Act (ERISA), you may file a civil action under section 502(a) of the federal ERISA statute. To understand these rights, you should check with your benefits office or contact the Employee Benefits Security Administration (part of the U.S. Department of Labor) at 1-866-444-EBSA (3272). Alternatively, if your plan is not subject to ERISA (for example, most state or local government plans and church plans or all individual plans), you may have a right to request review in state court.
