Notices Regarding Your Health Plan Coverage

Women's Health and Cancer Rights Act of 1998

The Women's Health and Cancer Rights Act of 1998 was passed into law on October 21, 1998. This federal law requires all health insurance plans that provide coverage for a mastectomy must also provide coverage for the following medical care:

- Reconstruction of the breast on which the mastectomy has been performed.
- Surgery and reconstruction of the other breast to produce a symmetrical appearance.
- Prostheses and treatment of physical complications at all stages of the mastectomy, including lymphedemas.

We provide medical and surgical benefits for a mastectomy. Covered benefits are subject to all provisions described in Your plan, including but not limited to, Copayments, Coinsurance, deductibles, exclusions, limitations, and reductions.

Newborn Baby and Mother Protection Act

The Newborn Baby and Mother Protection Act (Code Section 33-24-58.2 of the Georgia Law) requires that health benefit policies which provide maternity benefits must provide coverage for a minimum of 48 hours of inpatient care following a normal vaginal delivery and a minimum of 96 hours of inpatient care following a cesarean section for a mother and her newborn child. The care must be provided in a licensed health care facility.

A decision to shorten the length of stay may be made only by the attending health care provider after conferring with the mother. If the stay is shortened, coverage must be provided for up to two follow-up visits with specified health care providers with the first visit being within 48 hours after discharge. After conferring with the mother, the health care provider must determine whether the initial visit will be conducted at home or at the office and whether a second visit is appropriate. Specified services are required to be provided at such visits.

Covered benefits are subject to all provisions described in Your plan, including but not limited to, Copayments, Coinsurance, deductibles, exclusions, limitations, and reductions.

You must receive all Services from Plan Providers within Our Service Area, except as described under the following headings:

- Emergency Services;
- Getting a Referral; and
- Receiving Care in Another Kaiser Region.

When You receive care, You may be required to pay Copayments, Annual Deductible(s), any other deductible(s) applicable to the benefit, and Coinsurance for some Services. When You pay a Copayment, Annual Deductible and Coinsurance ask for and keep the receipt. There are limits to the total amount of Copayments, Coinsurance, and deductibles You must pay each Year for certain covered Services covered under this EOC. Refer to the "Schedule of Benefits" section for more information.

This EOC, along with any applications for membership in this Plan and any amendments and/or riders found in Section 10 – Additional Benefits and Schedule of Benefits, constitute the entire contract ("Agreement") between You and Health Plan. No agent or employee of Health Plan may change any provisions or benefits or declare any part of this contract invalid.

The tax references contained in this document relate to federal income tax only. The tax treatment of Health Savings Account (HSA) contributions and distributions under Your state's income tax laws may differ from the federal tax treatment and differs from state to state. Kaiser Foundation Health Plan of Georgia, Inc. does not provide

tax advice. The Georgia Insurance Department does NOT in any way warrant that this plan meets the federal requirements. Consult with Your financial or tax advisor for tax advice or more information.

1. Enroll in this Plan;
2. Discontinue enrollment in this Plan; or
3. Change enrollment from this Plan to another Plan offered by Health Plan.

An individual may apply for enrollment as a Subscriber, and may also apply to enroll eligible Dependents, by submitting an application form during the annual open enrollment period. If the Health Insurance Marketplace accepts the appli-

cation, the Health Insurance Marketplace will notify the individual of the date coverage begins. Membership begins at 12 a.m. PT of the effective date specified in the notice.

Special Enrollment Periods Due to Qualifying Life Events

You or Your Dependent(s) may have a special enrollment period when a qualifying life event occurs. Examples of qualifying life events are the loss of coverage, a Dependent’s aging off this Plan, marriage, and birth of a child. During the special open enrollment period, You may enroll in this Plan or another plan offered by Us, if You and/or Your Dependent(s) are eligible and You provide information and proof regarding eligibility. There are requirements that You must meet to take advantage of a special enrollment period. You must submit this information in a timely manner. To learn more about qualifying life events, special enrollment periods, timeframes for submitting information to Health Plan and other requirements, contact Member Services or visit kp.org/specialenrollment to obtain a copy of Our Special Enrollment Guide.

Premium Payment Requirements for Special Enrollment Periods

If enrollment following a qualifying life event is made within the special enrollment period described above and no additional Premium is required, coverage will be effective as of the date described above.

If enrollment is made within the special enrollment period described above and additional Premium is required to provide coverage, the Premium is due prior to the effective date of the new coverage. If Health Plan does not receive the additional Premium in a timely manner, coverage will terminate as of the date of the qualifying life event. The only exception is when a qualifying life event involving birth, adoption, placement for adoption, or placement for Foster care occurs, and there is a right to coverage based on the birth, adoption, placement for adoption, or placement for Foster care, then coverage will terminate as of the 31st day following the birth, adoption or placement if the Premium required is not timely paid prior to the effective date.

Effective Date of Coverage

Membership begins at the beginning 12:00 a.m. of the effective date specified in Our notice.

Health Savings Account (HSA) Eligibility

Enrollment in a High-Deductible Health Plan that is HSA-compatible is only one of the eligibility requirements for establishing and contributing to an HSA. Other requirements include that You must not be: 1) Covered by another health coverage plan (for example, through Your spouse’s employer) that is not also an HSA-compatible health plan, with certain exceptions; 2) enrolled in Medicare; or 3) claimed as a dependent on another person’s tax return. Consult with Your financial or tax advisor for tax advice or more information about Your eligibility for an HSA.

SECTION 2 - How to Obtain Services

For information on Pediatric Dental Services, obtaining dental care, help locating a Delta Dental Provider and Dental claims please contact Delta Dental at (800) 929-2309.

As a Member, You are selecting Kaiser Permanente as Your health care plan. The Services described in this EOC are covered **ONLY** if they are benefits provided, prescribed or directed by a Plan Provider and are Medically Necessary. Some Services will also require Prior Authorization by Health Plan. When You receive covered Services for which You do not have Prior Authorization or that You receive from Non-Plan Provider or from Non-Plan Facilities that have not been approved by Us in advance, **We will not pay for them except when they are Emergency Services. Charges for these medical services will be Your financial responsibility.** You must receive all Services from Plan Providers, except as described under the following headings:

- Emergency Services;
- Getting a Referral;
- Receiving Care in Another Kaiser Region.

To receive and/or to be eligible for payment for covered Services, You must be enrolled in the Health Plan on the date on which You receive each covered Service (even if Your enrollment is terminated retroactively). Anyone who is not a Member on the date the Service is provided will be billed for any Services We provide in the amount of the applicable Eligible Charge. Requests for payment from Plan Providers for covered Services will be denied if You are not a Member on the date of which the Services are rendered. We may seek payment for any claims paid to Plan Providers for Services rendered after termination of Your enrollment.

Covered Services for Members are provided or directed by Medical Group and by Affiliated Community Physicians. Medical Group Physicians provide Services at Kaiser Permanente Medical Centers in the Service Area. Affiliated Community Physicians provide Services in their own medical offices.

The Medical Group and Affiliated Community Physicians assume responsibility for Your care; and they either provide Your care directly or refer You to other Plan Providers or Designated Specialist Physicians who are specialists for Services that are Medically Necessary.

You may be required to pay Copayments, Annual Deductible(s), any other deductible(s) applicable to, a **specific Service**, and Coinsurance for some Services. When You pay a Copayment, Annual Deductible, deductible and Coinsurance ask for and keep the receipt. There may be limits to the total amount of Copayments, Coinsurance, and deductibles You must pay each Year for certain Services covered under this EOC. Refer to the “Schedule of Benefits” section for more information.

You may choose to receive certain covered High-Tech radiology Services at a facility operated by Health Plan such as

Our medical centers or at an outpatient facility designated by Health Plan. The Outpatient surgery cost share applies in the office setting when a licensed staff member monitors Your vital signs as You regain sensation after receiving drugs to reduce sensation or to minimize discomfort. Refer to Our Physician Directory or You may access Our website at www.kp.org for a list of locations where You may receive Your Services. Your Cost Sharing typically is lower when You receive covered Services at facilities operated by Health Plan.

Choosing Your Personal Physician

Your Kaiser Permanente personal physician plays an important role in coordinating Your health care needs, including Plan Hospital stays and referrals to other Plan Providers. We encourage You to choose a Medical Group Physician or an Affiliated Community Physician as Your personal physician when You enroll.

You and each member of Your family will need to select a personal physician upon enrollment. You may choose any Plan Physician who is available to accept You. If You do not select a personal physician upon enrollment, We will assign a Medical Group Physician, or an Affiliated Community Physician based upon Your home address. That Plan Physician will be listed in Our records as Your personal physician until You select Your personal physician and inform Us of Your decision.

The following types of Plan Physicians may be chosen as a personal physician:

- Family Practice;
- Internal Medicine;
- General Practice; or
- Pediatrics/Adolescent Medicine for members who are under age 19.

Adults should select an internal medicine, general practice or family practice physician. Parents may choose a pediatrician as the personal Plan Physician for their child. Parents may also choose a family practice, or general practice physician for their children, or a family practice physician can be selected for the entire Family.

NOTE: Some general practitioners only treat adults. Please verify when scheduling an appointment for Your child with a general practitioner that such Plan Physicians treat children.

To learn how to choose or change a personal physician, please call Our Member Services Department, Monday through Friday from 7 a.m. to 7 p.m. at (404) 261-2590 (local) or 1(888) 865-5813 (long distance). You can access Our Web site at www.kp.org to choose a personal physician or to view a current listing of physicians.

Changing Your Personal Physician

You may change Your Kaiser Permanente personal physician as often as You wish using one of the options listed below. Make sure to have Your Kaiser Permanente Medical Record Number available.

- Call Our Member Service Department Monday through Friday from 7 a.m. to 7 p.m. at (404) 261-2590 (local) or 1 (888) 865-5813 (long distance).
- Notify Your health care team while visiting one of Our Medical Centers.
- Access Our website at www.kp.org.

Referrals

If Your Kaiser Permanente personal physician determines that You require covered Services from a specialist, You will be referred to a Plan Provider. You will need to obtain a referral from Your Kaiser Permanente personal physician prior to receiving most specialty care Services from Our Medical Group providers (who practice in Kaiser Permanente Medical Offices). You also do not need a referral for any Plan Provider for the specialties described in the “Self-Referral” subsection below. For Services which require a referral and Prior Authorization, Your Kaiser Permanente personal physician will refer You to other Plan Providers when You need covered Services from other Plan Providers and will obtain Prior Authorization for covered Services when required under Health Plan’s Quality Resource Management Program.

If You request Services which are not Medically Necessary or exceed the specific Services (for example, are beyond the level of care) authorized by Us, then You will be responsible for all charges associated with these unauthorized Services, and Health Plan will not pay for such Services.

If Your Kaiser Permanente personal physician decides that You require covered Services not available from Plan Providers, he or she will refer You to a Non-Plan Provider. This referral must also be approved prior to Services being rendered. You must have an approved written referral to the Non-Plan Provider in order for Us to cover the Services. You will be responsible for the same Copayments, Coinsurance and/or deductible amounts that would be owed by You if such approved referral Service was being provided by a Plan Provider. **If You change personal physicians, You need to discuss the specialty referral with Your new personal physician to obtain a new referral.**

If You receive specialty Services for which You did not obtain a referral, You will be responsible for all charges associated with those Services, including but not limited to, any Cost Sharing that You may owe for such Services. Additionally, ongoing referrals for specialty Services must be made by Your current personal physician at the time of the referral.

Self-Referral

You do not need a referral from Your Kaiser Permanente personal physician for appointments with Dermatology, Behavioral Health, Optometry, Ophthalmology, Adult Primary Care, Family Practice, Obstetrics and Gynecology, or Pediatric Care in the Medical Group. Your personal physician works with specific specialty groups and may recommend a specialist to You. You may also choose one of the self-referral specialists.

The Plan Physician, however, may have to get Prior Authorization for certain non-routine Services.

Hospital Care

Hospital Services, other than Emergency Services, require Prior Authorization and will be arranged by Your Plan Providers, and except when We authorize otherwise, will generally be provided at a Plan Hospital that We designate. We may direct that You receive covered hospital Services at a particular Plan Hospital so that We may better coordinate Your care using Medical Group Plan Physicians and Our electronic medical record system.

Plan Hospitals are listed in Your Physician Directory. This listing is subject to change during the Plan Year.

SECTION 3 - Getting the Care You Need

Visit www.kp.org/travel for information on receiving Emergency and Urgent Care Services while traveling.

Emergency Services and Urgent Care

Emergency Services

Emergency care is covered 24 hours a day, 7 days a week, anywhere in the world.

If You have an Emergency Medical Condition, call 911 (where available) or go to the nearest hospital emergency department or Independent Freestanding Emergency Department. You do not need Prior Authorization for Emergency Services. When You have an Emergency Medical Condition, We cover Emergency Services that You receive from Plan Providers or Non-Plan Providers anywhere in the world, as long as the Services would be covered under “SECTION 7 - Benefits” (subject to the “SECTION 8 - General Exclusions, Limitations, and Reimbursement of Health Plan”) if You had received them from Plan Providers. Emergency Services are available from Plan Hospital emergency departments 24 hours a day, seven days a week.

Post-Stabilization Care

If you receive Post Stabilization Care in Georgia (and state or federal law does not require Us to consider the Post-Stabilization Care as Emergency Services), Prior Authorization is required. **Therefore, it is very important that You, Your provider, or someone else acting on Your behalf, call Us to notify Us that You need Post-Stabilization Care and to get Prior Authorization from Us before You receive the Post-Stabilization Care.**

After We are notified, We will discuss Your condition with Your emergency care provider. If Your Emergency Services are provided by Non-Plan Providers, We will try to arrange for Plan Providers to take over Your care as soon as Your medical condition and the circumstances allow as We determine. If We decide to have a Plan Hospital, Skilled Nursing Facility, or designated Non-Plan Provider provide Your care, We may authorize special transportation that is medically required to get You to the provider. This may include transportation that is otherwise not covered.

Even if You receive Emergency Services from a Plan Provider, You must still obtain Prior Authorization from Us **before** You receive Post-Stabilization Care from such Plan Provider. We may direct that You receive covered Post-Stabilization Care at a particular Plan Hospital or other Plan Facility (such as a Skilled Nursing Facility) so that We may better coordinate Your care using Medical Group Plan Physicians and Our electronic medical record system. **We will only pay for Post-Stabilization Care at the Plan Provider authorized by Us.**

To request Prior Authorization for Post-Stabilization Care, You, Your provider, or someone else acting on Your behalf

must call Us at (404) 365-0966 (local) or 1 (800) 611-1811 (long distance), or the notification telephone number on Your Kaiser Permanente ID card **before** You receive the care. If You or Your treating providers do not obtain Prior Authorization from Us for Post-Stabilization Care Services that require Prior Authorization, We will not pay any amount for those Services and You may be liable to pay for these Services, in addition to any amounts such as deductibles, copayments, or coinsurance.

When You receive Emergency Services from Non-Plan Providers, Post Stabilization Care may qualify as Emergency Services pursuant to state or federal law. We will not require Prior Authorization for such Post-Stabilization Care at a Non-Plan Hospital when Your attending Non-Plan Provider determines that, after You receive Emergency (screening and stabilization) Services, You are not able to travel using nonmedical transportation or nonemergency medical transportation to an available Plan Provider located within a reasonable travel distance taking into account Your medical Condition.

Non-Plan Providers may provide notice and seek Your consent to provide Post-Stabilization Care Services or other covered Services. When You consent, such Services will not be covered when You do not obtain Prior Authorization as described herein. If You (or Your authorized representative) consent to the furnishing of Services by Non-Plan Providers, then You will be responsible for paying for such Services in the absence of any Prior Authorization.

Cost Sharing for Emergency Services and Post-Stabilization Care

Please refer to the “Schedule of Benefits” for Cost Sharing for Emergency Services.

If You are admitted to a hospital from its Emergency Services department because Your condition is not stabilized, the Cost Sharing for Plan Providers shown under “Hospital Inpatient Care” in the “Schedule of Benefits” section of this EOC applies. If You obtain Post-Stabilization Care from a Plan Provider or from a Non-Plan Provider, Your Cost Sharing would also be the Cost Sharing shown under “Hospital Inpatient Care” in the “Schedule of Benefits” section of this EOC if You obtained Prior Authorization. More information may also be found in the “Payment and Reimbursement” Section.

Payment and Reimbursement

If You receive Emergency Services or Post-Stabilization Care from a Non-Plan Provider as described in this “Emergency Services and Urgent Care” subsection, or emergency ambulance transportation described under “Ambulance Services” in “SECTION 7 - Benefits” or “Schedule of Benefits” section, You may have to pay the Non-Plan Provider and file a claim for reimbursement unless the Non-Plan Provider must refrain from billing You under applicable law or agrees to bill Us. Also, You may be required to pay and file a claim for any Services prescribed by a Non-Plan Provider as part of Your

Emergency Services or Post-Stabilization Care even if You receive the Services from a Plan Provider. You can find more information regarding Our Claims and Appeals procedures in “SECTION 4 – Getting Assistance, Filing Claims, and Dispute Resolution.”

We will reduce any payment We make to You or the Non-Plan Provider by applicable Cost Sharing.

Urgent Care

An Urgent Care need is one that requires prompt medical attention but is not an Emergency Medical Condition. Urgent care is described under “SECTION 7 - Benefits”, and includes care for an illness or injury of a less critical nature, such as the flu, stomach pain, vomiting, migraine headache, sprain, etc.

During Normal Business Hours

If You think You may need Urgent Care during normal business hours call Our Health Line is available 24 hours a day, 7 days a week at (404) 365-0966 (local) or 1-800-611-1811 (long distance). They can help solve a problem over the phone and instruct You on self-care at home if appropriate. If the problem is more severe and You need an appointment, they will help You get one.

After Normal Business Hours

If You think You may need Urgent Care after normal business hours call Our Health Line. We cover Urgent Care Services at Our designated **Kaiser Permanente Urgent Care Centers**. Services must be obtained at **Kaiser Permanente Urgent Care Centers** or at the Affiliated Community After-Hours Urgent Care Centers designated by Health Plan. These can be found at www.kp.org or in Your Physician Directory.

For information about Emergency Services or After-Hours Urgent Care refer to "Emergency Services" in “SECTION 7 - Benefits”.

Services not covered under these “Emergency Services”, “Urgent Care” and “Post-Stabilization Care” Subsections: Coverage for Services that are not Emergency Services, Post-Stabilization Care, and Urgent Care Services as described in this “Emergency Services and Urgent Care” subsection will be covered as described under other sections of this EOC.

Routine Care Appointments

If You need to make a routine care appointment, please call Our Health Line Monday through Friday between the hours of 7 a.m. and 7 p.m., at, (404) 365-0966 (local), or 1-800-611-1811 (long distance) if You have selected a Medical Group Physician as Your personal physician. If You have selected an Affiliated Community Physician, then call Your physician's office.

Missed Appointments

You must give at least 24-hour notice to Your Plan Provider if You are unable to keep Your scheduled appointment. If You do not, You may be required to pay an administrative fee and/or pay for the cost of Services that were specifically arranged for Your visit as well as the cost of any drugs and supplies that were prepared for Your appointment and that cannot be reused.

Rescheduling of Services

In the event that You fail to make Your deductible, Copayment, or Coinsurance payments, Your appointments for non-urgent Services from Plan Providers may be rescheduled until such time as all amounts are paid in full or You have made other payment arrangements with Us.

Preventive Services

Preventive Services are described under “Preventive Visits and Services” in “SECTION 7 - Benefits” and are limited to as described therein. There is no Cost Sharing for Preventive Services as described under “Preventive Visits and Services” in “SECTION 7 - Benefits”. Health Plan may limit the number of visits for Preventive Services during a Plan Year. Cost Sharing will apply if non-Preventive Services are provided during a scheduled preventive visit.

Receiving Care in Another Kaiser Foundation Health Plan Service Area

You may receive visiting member services from another Kaiser regional health plan as directed by that other plan so long as such services would be covered under this EOC, with certain exceptions. Visiting member services shall be subject to the terms and conditions set forth in this EOC including, but not limited to, those pertaining to prior authorization and approval, and cost sharing, Deductible, Copayment, or Coinsurance, as further described in the Visiting Member Brochure available online at www.kp.org/travel. Certain services are not covered as visiting member services. For more information about receiving visiting member services in other Kaiser Permanente regional health plan service areas, including provider and facility locations, please call Our Away from Home Travel Line at 951-268-3900. Information is also available online at www.kp.org/travel.

Moving Outside Our Service Area

If You move to another Kaiser Permanente plan service area, You may contact Our Member Services Department or the Member Services Department in Your new service area to find out how to apply for membership there.

Eligibility requirements, benefits, Premium, and Copayments may not be the same in the other service area.

If You move outside the Service Area You may continue coverage under this EOC through the end of the Plan Year if You agree to return to the Service Area to receive all of Your covered Services, with the exception of Emergency Services, from Plan Providers.

Moving Within the Service Area

We divide the Atlanta Metro Service Area into “Core” and “Non-Core” counties to meet different network and service requirements. Plan Premiums also differ between Core and Non-Core counties. If You move within the Service Area between Core and Non-Core counties, Your Plan Premium and Network may change based on the new network and service requirements. Please see the definition for “Atlanta Metro Service Area” in Section 9 – Definitions to determine if a county is designated a “Core” or “Non-Core” county. If You need more information on how moving between Core and Non-Core counties may affect Your Plan, please call Our Member Services Department, Monday through Friday from 7 a.m. to 7 p.m. at (404) 261-2590 (local) or 1-888-865-5813 (long distance).

Using Your Identification Card

Each Member has a Health Plan ID card with a Medical Record Number on it, which is useful when You call for advice, make an appointment, or go to a Plan Provider for care. The Medical Record Number is used to identify Your medical records and membership information. You will be sent a physical ID card, and You have access to a digital version via the Kaiser Permanente app.

You should always have the same Medical Record Number. Please let Us know if We ever inadvertently issue You more than one Medical Record Number by calling Our Member Services Department Monday through Friday from 7 a.m. to 7 p.m. at (404) 261-2590 (local) or 1-888-865-5813 (long distance).

The most important information on Your card is Your Medical Record Number. Information about Your personal physician will also be printed on Your card. If You select a Medical Group Physician, “Permanente Medical Group” will be printed on Your card. A sticker with Your actual personal physician’s name can be affixed to Your physical card during Your first visit to the Medical Center. However, if You select an Affiliated Community Physician, Your personal physician’s name and telephone number will be printed directly on Your card. Each time You change Affiliated Community Physicians, switch from an Affiliated Community Physician to a Medical Group Physician or switch from a Medical Group Physician to an Affiliated Community Physician, You will receive a new card to reflect the change.

Also, Your ID card is a useful resource when You call for advice or make an appointment. You should take it with You whenever You have an appointment. Providers may request photo identification together with Your ID card to verify identity. If You need to replace Your card, please call Our Member Services Department, Monday through Friday from 7 a.m. to 7 p.m. at (404) 261-2590 (local) or 1-888-865-5813 (long distance).

Your ID card is for identification only. To receive covered Services, You must be a current Health Plan Member. Anyone who is not a Member will be billed the Eligible Charges for any Services We provide and claims for Services from

Non-Plan Providers will be denied. If You let someone else use Your I.D. card, We may keep Your I.D. card and terminate Your membership.

Member Confidentiality

Health Plan and Medical Group collect various types of protected health information (PHI). Your PHI includes individually identifiable information about Your health, health care services You receive, or payment for Your health care.

We may use or disclose Your PHI for treatment, payment, health research, and health care operations purposes, such as measuring the quality of Services. In addition, We are sometimes required by law to give PHI to government agencies or in judicial actions. We will not use or disclose Your PHI for any other purpose without Your (or Your representative’s) written authorization, except as described in Our *Notice of Privacy Practices* (see below for more information).

We will protect the privacy of Your PHI. Health Plan and Medical Group employees are required to maintain the confidentiality of Our Members’ PHI. All providers with whom We contract are also required to maintain confidentiality.

Subject to limitations imposed under state and federal law, You may generally see and receive copies of Your PHI, request that We correct or update Your PHI, and request an accounting of certain disclosures of Your PHI. Note, if We amend information in Your medical record at Your request, Your original medical record documentation will not be deleted from the medical record.

All requests must be made in writing and should be submitted to the medical record department located in the medical facility that You regularly visit. If You do not know where You received care, the requests should be submitted to the Member Services Department. Note that We may charge a fee for copies provided to You.

This is only a brief summary of some of Our key privacy practices. Our *Notice of Privacy Practices* provides additional information about Our privacy practices and Your rights regarding Your PHI.

Note: Health Plan and all Plan Providers must comply with all applicable law pertaining to the disclosure of medical information without Your consent except as permitted by law.

If You have questions about Our policies and procedures to maintain the confidentiality of Your PHI or would like a copy of Our Notice of Privacy Practices, please call Our Member Services Department, Monday through Friday from 7 a.m. to 7 p.m. at (404) 261-2590 (local) or 1-888-865-5813 (long distance).

SECTION 4 - Getting Assistance, Filing Claims, and Dispute Resolution

Getting Assistance

Our Member Services Department can answer questions You have about Your benefits, available Services, and identifying Plan Providers. For example, representatives can explain Your Health Plan benefits, how to make Your first medical appointment with a Plan Provider, what to do if You move, what to do if You need care while You are traveling, and how to replace an ID card. These representatives can also help You if You need to request Services, file a claim for or to initiate a grievance for any unresolved problem.

We want You to be satisfied with Your health care. Please discuss any problems with Your personal physician or the other health care professionals who are treating You.

Complaint Procedure

All people who work with the Kaiser Permanente Medical Care Program share responsibility for assuring Member satisfaction. If You have a problem or concern about the manner in which Services are provided by Plan Providers, please ask for Our help.

Each Kaiser Permanente Medical Center has an administrator who is responsible for concerns involving the Medical Center. If You have a problem with some aspect of medical service provided by physicians or other providers at one of Our Medical Centers, call or visit the administrative office at the Medical Center where You receive Your care.

Claims and Appeals Procedures

Except with respect to Pediatric Dental Services, Health Plan will review claims and appeals, and We may use medical experts to help Us review them.

For Claims and Appeals for Pediatric Dental Services contact 800-471-0236.

The following terms have the following meanings when used in this "Claims and Appeals Procedures" subsection:

A **claim** is a request for Us to:

- provide or pay for a Service that You have not received (pre-service claim),
- continue to provide or pay for a Service that You are currently receiving (concurrent care claim), or
- pay for a Service that You have already received (post-service claim).

An **appeal** is a request for Us to review Our initial adverse benefit determination.

An **adverse benefit determination** is Our decision to do any of the following:

- deny Your claim, in whole or in part,
- terminate Your membership retroactively except as the result of non-payment of premiums (also known as rescission), or
- deny Your (or, if applicable, Your dependent's) application for individual plan coverage, or
- uphold Our previous adverse benefit determination when You appeal.

If You miss a deadline for making a claim or appeal, We may decline to review it.

Except when simultaneous external review can occur, You must exhaust the internal claims and appeals procedure (as described below in this "Claims and Appeal Procedures" subsection) for Your claim before You can request external review or seek judicial relief.

Language and Translation Assistance

You may request language assistance with Your claim and/or appeal by calling Member Services Department Monday through Friday from 7 a.m. to 7 p.m. at (404) 261-2590 (local) or 1-888-865-5813 (long distance).

If We send You an adverse benefit determination at an address in a county where a federally mandated threshold language applies, then You may request translation of that notice into the applicable threshold language. A threshold language applies to a county if at least, 10% of the population is literate only in the same federally mandated non-English language. You may request translation of the notice by calling Our Member Services Department Monday through Friday from 7 a.m. to 7 p.m. at (404) 261-2590 (local) or 1-888-865-5813 (long distance).

Sharing Additional Information That We Collect

We will send You any additional information that We collect in the course of Your appeal. If We believe that Your appeal of Our initial adverse benefit determination will be denied, then before We issue Our final adverse benefit determination We will also share with You any new information that We have collected and/or new or additional reasons for that decision. We will send You a letter explaining the new or additional information and/or reasons and inform You how You can respond to the information in the letter if You choose to do so. If You do not respond before We must make Our final decision, that decision will be based on the information already in Your claim file.

Internal Claims and Appeals Procedures

There are several types of claims, and each has a different procedure described below for sending Your claim and appeal to Us as described in this Internal Claims and Appeals Procedures subsection:

- Pre-service claims (urgent and non-urgent)
- Concurrent care claims (urgent and non-urgent)
- Post-service claims

In addition, there is a separate appeals procedure for adverse benefit determinations due to a retroactive termination of membership (rescission).

Pre-service claims and appeals. Pre-service claims are requests that We provide or pay for a Service that You have not yet received. Failure to receive authorization before receiving a Service that must be authorized or pre-certified in order to be a covered benefit may be the basis for Our denial of Your pre-service claim or a post-service claim for payment. If You receive any of the Services You are requesting before We make Our decision, Your pre-service claim or appeal will become a post-service claim or appeal with respect to those Services. If You have any general questions about pre-service claims or appeals, please call Member Services at (404) 261-2590 (local) or 1-888-865-5813 (long distance).

Here are the procedures for filing a pre-service claim, a non-urgent pre-service appeal, and an urgent pre-service appeal.

Pre-Service Claim

Tell Health Plan in writing that You want to make a claim for Us to provide or pay for a Service You have not yet received. Your request and any related documents You give Us constitute Your claim. You may call Our Member Services Department at (404) 261-2590 (local) or 1-888-865-5813 (long distance), or mail or deliver a letter to:

**Kaiser Permanente
Member Services Department
Nine Piedmont Center
3495 Piedmont Road, NE
Atlanta, GA 30305-1736**

Or via Fax at 404-364-4743.

- If You want Us to consider Your pre-service claim on an urgent basis, Your request should tell Us that by calling all Our Member Services Department at 404-261-2590 (local) or 1-888-865-5813 (long distance). We will decide whether Your claim is urgent or non-urgent unless Your attending health care provider tells Us Your claim is urgent. If We determine that Your claim is not urgent, We will treat Your claim as non-urgent. Generally, a claim is urgent only if using the procedure for non-urgent claims (a) could seriously jeopardize Your life, health, or ability to regain maximum function, or (b) would, in the opinion of a physician with knowledge of Your medical condition, subject You to severe pain that cannot be adequately managed without the Services You are requesting.
- We will review Your claim and, if We have all the information We need, We will make a decision within a reasonable period of time but not later than 15 days after We receive Your claim. We may extend the time for making a decision for an additional 15 days if circumstances beyond Our control delay Our decision, if We notify You prior to the expiration of the initial 15 day period. If We tell You We need more information, We will ask You for the information within the initial 15-day decision period, and We will give You 45 days to send the information. We will make a decision within

15 days after We receive the first piece of information (including documents) We requested. We encourage You to send all the requested information at one time, so that We will be able to consider it all when We make Our decision. If We do not receive any of the requested information (including documents) within 45 days after We send Our request, We will make a decision based on the information We have within 15 days following the end of the 45-day period.

- We will send written notice of Our decision to You and, if applicable to Your provider.
- If Your pre-service claim was considered on an urgent basis, We will notify You of Our decision orally or in writing within a timeframe appropriate to Your clinical condition but not later than 72 hours after We receive Your claim. Within 24 hours after We receive Your claim, We may ask You for more information. We will notify You of Our decision within 48 hours of receiving the first piece of requested information. If We do not receive any of the requested information, then We will notify You of Our decision within 48 hours after making Our request. If We notify You of Our decision orally, We will send You written confirmation within 3 days after that.
- If We deny Your claim (if We do not agree to provide or pay for all the Services You requested), Our adverse benefit determination notice will tell You why We denied Your claim and how You can appeal.

Non-Urgent Service Claim Appeal

Within 180 days after You receive Our adverse benefit determination notice, You must tell Us in writing that You want to appeal Our denial of Your pre-service claim. Please include the following: (1) Your name and Medical Record Number, (2) Your medical condition or relevant symptoms, (3) the specific Service that You are requesting, (4) all of the reasons why You disagree with Our adverse benefit denial, and (5) all supporting documents. Your request and the supporting documents constitute Your appeal. You may call the Appeals Department at (404) 364-4862, or mail or deliver a letter to:

**Kaiser Permanente
Appeals Department
Nine Piedmont Center
3495 Piedmont Road, NE
Atlanta, GA 30305-1736**

Or via Fax at 404-364-4743.

- We will review Your appeal and send You a written decision within 30 days after We receive Your appeal.
- If We deny Your appeal, Our adverse benefit determination notice will tell You why We denied Your appeal

and will include information regarding any further process, including external review that may be available to You.

Urgent Service Claim Appeal

Tell Us that You want to urgently appeal Our adverse benefit determination regarding Your pre-service claim. Please include the following: (1) Your name and Medical Record Number, (2) Your medical condition or symptoms, (3) the specific Service that You are requesting, (4) all of the reasons why You disagree with Our adverse benefit determination, and (5) all supporting documents. Your request and the supporting documents constitute Your appeal. You must submit Your appeal in writing. Your request and the supporting documents constitute Your appeal. For Pediatric Dental Services please contact Delta Dental at 800-471-0236. You may call the Appeals Department at (404) 364-4862, or mail or deliver a letter to:

**Kaiser Permanente
Appeals Department
Nine Piedmont Center
3495 Piedmont Road, NE
Atlanta, GA 30305-1736**

When You send Your appeal, You may also request simultaneous external review of Our initial adverse benefit determination. If You want simultaneous external review, Your appeal must tell Us this. You will be eligible for the simultaneous external review only if Your pre-service appeal qualifies as urgent. If You do not request simultaneous external review in Your appeal, then You may be able to request external review after We make Our decision regarding Your appeal (see “External Review” in this “Claims and Appeals Procedures” subsection), if Our internal appeal decision is not in Your favor.

We will decide whether Your appeal is urgent or non-urgent unless Your attending health care provider tells Us Your appeal is urgent. If We determine that Your appeal is not urgent, We will treat Your appeal as non-urgent. Generally, an appeal is urgent only if using the procedure for non-urgent claims or appeals (a) could seriously jeopardize Your life, health, or ability to regain maximum function, or (b) would, in the opinion of a physician with knowledge of Your medical condition, subject You to severe pain that cannot be adequately managed without the Services You are requesting.

We will review Your appeal and give You oral or written notice of Our decision as soon as Your clinical condition requires, but not later than 72 hours after We received Your appeal. If We notify You of Our decision orally, We will send You a written confirmation within 3 days after that.

If We deny Your appeal, Our adverse benefit determination notice will tell You why We denied Your appeal and will include information regarding any further process, including external review that may be available to You.

Concurrent Care Claims and Appeals. Concurrent care claims are requests that Health Plan continue to provide, or pay for, an ongoing course of covered treatment to be provided over a period of time or number of treatments, when the course of treatment already being received is scheduled to end. If You have any general questions about concurrent care claims or appeals, please call Member Services at (404) 261-2590 (local) or 1-888-865-5813 (long distance).

If We either (a) deny Your request to extend Your current authorized ongoing care (Your concurrent care claim) or (b) inform You that authorized care that You are currently receiving is going to end early and You appeal Our adverse benefit determination at least 24 hours before Your ongoing course of covered treatment will end, then during the time that We are considering Your appeal, You may continue to receive the authorized Services. If You continue to receive these Services while We consider Your appeal and Your appeal does not result in Our approval of Your concurrent care claim, then You will have to pay for the Services that We decide are not covered.

Here are the procedures for filing a concurrent care claim, a non-urgent concurrent care appeal, and an urgent concurrent care appeal:

Concurrent Care Claim

Tell Us in writing that You want to make a concurrent care claim for an ongoing course of covered treatment. Inform Us in detail of the reasons that Your authorized ongoing care should be continued or extended. Your request and any related documents You give Us constitute Your claim. You must call, mail or deliver Your claim to Us. You may call Member Services at (404) 261-2590 (local) or 1-888-865-5813 (long distance), or mail or deliver a letter to:

**Kaiser Permanente
Member Services Department
Nine Piedmont Center
3495 Piedmont Road, NE
Atlanta, GA 30305-1736**

- If You want Us to consider Your claim on an urgent basis and You contact Us at least 24 hours before Your care ends, You may request that We review Your concurrent claim on an urgent basis. We will decide whether Your claim is urgent or non-urgent unless Your attending health care provider tells Us Your claim is urgent. If We determine that Your claim is not urgent, We will treat Your claim as non-urgent. Generally, a claim is urgent only if using the procedure for non-urgent claims (a) could seriously jeopardize Your life, health or ability to regain maximum function, or (b) would, in the opinion of a physician with knowledge of Your medical condition, subject You to severe pain that cannot be adequately managed without extending Your course of covered treatment.

- We will review Your claim, and if We have all the information We need We will make a decision within a reasonable period of time. If You submitted Your claim 24 hours or more before Your care is ending, We will make Our decision before Your authorized care actually ends. If Your authorized care ended before You submitted Your claim, We will make Our decision but no later than 15 days after We receive Your claim. We may extend the time for making a decision for an additional 15 days if circumstances beyond Our control delay Our decision, if We send You notice before the initial 15-day decision period ends. If We tell You We need more information, We will ask You for the information before the initial decision period ends, and We will give You until Your care is ending or, if Your care has ended, 45 days to send Us the information. We will make Our decision as soon as possible, if Your care has not ended, or within 15 days after We first receive any information (including documents) We requested. We encourage You to send all the requested information at one time, so that We will be able to consider it all when We make Our decision. If We do not receive any of the requested information (including documents) within the stated timeframe after We send Our request, We will make a decision based on the information We have within the appropriate timeframe, not to exceed 15 days following the end of the timeframe We gave You for sending the additional information.
- We will send written notice of Our decision to You and, if applicable to Your provider.
- If We consider Your concurrent claim on an urgent basis, We will notify You of Our decision orally or in writing as soon as Your clinical condition requires, but not later than 24 hours after We received Your appeal. If We notify You of Our decision orally, We will send You written confirmation within 3 days after receiving Your claim.
- If We deny Your claim (if We do not agree to provide or pay for extending the ongoing course of treatment), Our adverse benefit determination notice will tell You why We denied Your claim and how You can appeal.

Non-Urgent Concurrent Care Appeal

Within 180 days after You receive Our adverse benefit determination notice, You must tell Us in writing that You want to appeal Our adverse benefit determination. Please include the following: (1) Your name and Medical Record Number, (2) Your medical condition or symptoms, (3) the ongoing course of covered treatment that You want to continue or extend, (4) all of the reasons why You disagree with Our adverse benefit determination, and (5) all supporting documents. Your request and all supporting documents constitute Your appeal. You must send Your appeal to Our Appeals Department at the address shown below or, call Our Appeals Department at (404) 364-4862.

**Kaiser Permanente
Appeals Department
Nine Piedmont Center
3495 Piedmont Road, NE
Atlanta, GA 30305-1736**

- We will review Your appeal and send You a written decision as soon as possible if Your care has not ended but not later than 30 days after We receive Your appeal.
- If We deny Your appeal, Our adverse benefit determination decision will tell You why We denied Your appeal and will include information about any further process, including external review that may be available to You.

Urgent Concurrent Care Appeal

Tell Us that You want to urgently appeal Our adverse benefit determination regarding Your urgent concurrent claim. Please include the following: (1) Your name and Medical Record Number, (2) Your medical condition or symptoms, (3) the ongoing course of covered treatment that You want to continue or extend, (4) all of the reasons why You disagree with Our adverse benefit determination, and (5) all supporting documents. Your request and the supporting documents constitute Your appeal. You must send Your appeal to Our Appeals Department at the address shown below or, call Our Appeals Department at (404) 364-4862.

**Kaiser Permanente
Appeals Department

- When You send Your appeal, You may also request simultaneous external review of Our adverse benefit determination. If You want simultaneous external review, Your appeal must tell Us this. You will be eligible for the simultaneous external review only if Your concurrent care claim qualifies as urgent. If You do not request simultaneous external review in Your appeal, then You may be able to request external review after We make Our decision regarding Your appeal (see “External Review” in this “Claims and Appeals Procedures” subsection).
- We will decide whether Your appeal is urgent or non-urgent unless Your attending health care provider tells Us Your appeal is urgent. If We determine that Your appeal is not urgent, We will treat Your appeal as non-urgent. Generally, an appeal is urgent only if using the procedure for non-urgent appeals (a) could seriously jeopardize Your life, health, or ability to regain maximum function, or (b) would, in the opinion of a physician with knowledge of Your medical condition, subject You to severe pain that cannot be adequately managed without continuing Your course of covered treatment.

- We will review Your appeal and notify You of Our decision orally or in writing as soon as Your clinical condition requires, but no later than 72 hours after We receive Your appeal. If We notify You of Our decision orally, We will send You a written confirmation within 3 days after that.
- If We deny Your appeal, Our adverse benefit determination notice will tell You why We denied Your appeal and will include information about any further process, including external review that may be available to You.

External Review

If You are dissatisfied with Our final internal adverse benefit determination, You may have a right to request an external review by an independent third-party when Our final adverse benefit determination (1) relies on medical judgment (including but not limited to medical necessity, appropriateness, health care setting, level of care, or effectiveness of a benefit), (2) concludes that a treatment is experimental or investigational; (3) concludes that parity exists in the non-quantitative treatment limitations applied to behavioral health care (mental health and/or substance abuse) benefits; (4) involves consideration of whether We are complying with federal law requirements regarding balance (surprise) billing and/or cost sharing protections pursuant to the No Surprises Act (Public Health Service Act sections 2799A-1 and 2799A-2 and 45 C.F.R. §§149.110 --149.130); or (5) involves a decision related to rescission of Your coverage.

Within four months after the date on which You receive Our final internal adverse benefit determination, send Your written request for external review to:

**MAXIMUS Federal Services
3750 Monroe Avenue, Suite 705
Pittsford, NY 14534**

Or, You may fax Your request to 1-888-866-6190 or submit Your request online at www.externalappeal.com. If You have any questions or concerns during the external review process, You may call toll free 1-888-866-6205.

- You must submit a Privacy Act Statement with Your request for external review. We will provide a copy of it to You with Our final internal adverse benefit determination. If You need another copy You may request one from Us by calling Member Services at (404) 261-2590 (local) or 1-888-865-5813 (long distance) or You can download a copy at https://www.cms.gov/CCIIO/Resources/Files/Downloads/notice_of_privacy_act_rights_sept_7_2010.pdf.
- You may submit additional information to the external reviewer by sending it to the external reviewer at the addresses or fax number set forth above. Please note that any additional information that You submit will be shared with Us so that We may reconsider Our final internal adverse benefit determination.
- The federal external reviewer will first determine whether You are entitled to external review and will notify You and Us in writing if You are not eligible for external appeal. The federal external review will then review all of the information and documents timely received *de novo* and will provide written notice of a final external review decision as soon as possible and no later than 45 days after the federal external reviewer receives Your request for external review. This written notice will be sent to You and Us.

- You may make a written or oral request for an expedited external review if (1) the timeframe for completion of an expedited internal appeal would seriously jeopardize Your life or health or would jeopardize the claimant's ability to regain maximum function but only when You have also filed a timely request for an expedited internal appeal related to Your urgent pre-service or concurrent care claim, or (2) You have received Our final internal adverse benefit determination and You have a medical condition for which the timeframe for completion of a standard external review would seriously jeopardize Your life or health or if the final internal adverse benefit determination concerns an admission, availability of care, continued state or health care supply or service for which You have received services, but have not been discharged from a facility. If the external reviewer determines that You are not eligible for expedited external review, then the external reviewer will notify You and Us as soon as possible. The external reviewer must provide notice of the final external review decision as soon as the medical circumstances require but no later than 72 hours after the external review receives Your request for expedited external review unless You are in an ongoing course of treatment for that condition and then the external review decision will be provided within 24 hours. This notice may be provided orally but must be followed in writing to You and Us within 48 hours of the oral notification.

To make a request for expedited external review You may select "expedited" if submitting the review request online, or by emailing FERP@maximus.com, asking for expedited review in Your written request for external review or calling the Federal External Review Process at 888-866-6052 ext. 3326.

If the external reviewer overturns Our decision with respect to any Service, We will provide coverage or payment for that Service as directed.

Except when external review is permitted to occur simultaneously with Your urgent pre-service appeal or urgent concurrent care appeal, You must exhaust Our internal claims and appeals procedure for Your claim before You may request external review unless We have failed to comply with federal requirements regarding Our claims and appeals procedures.

Additional Review

You may have certain additional rights if You remain dissatisfied after You have exhausted Our internal claims and appeals procedures, and if applicable, external review. You may have a right to request review in state court.

SECTION 5 - Termination or Rescission of Membership

How You May Cancel or Terminate Your Membership

You may cancel this Membership; if You are not satisfied for any reason, by returning this EOC to Us within 10 days of the date You received it, along with a written request to cancel Your Membership. Upon cancellation during this 10-day period, You shall be entitled to a full refund of any Premium paid to Us, provided that You pay the reasonable cost of any service rendered to You by Us during the 10-day period.

Following the initial 10-day period after receiving this EOC, (the “Free Look Period”), You may terminate Your Membership (and/or that of any Dependent), by making a request orally, electronically, or in writing stating a future date on which the termination should be effective to Us. To make the request orally, please call Our Member Services Department seven days a week from 8 a.m. to 8 p.m. at (404) 261-2590 (local) or 1-888-865-5813 (long distance) or 711 (TTY). To make the request electronically, please visit www.kp.org or send the request to email address. To make the request in writing, please send Your request to Kaiser Permanente Member Services Department, Nine Piedmont Center, 3495 Piedmont Road, NE, Atlanta, GA 30305-1736. We may require verification in writing of any termination request not communicated by the Subscriber prior to the termination taking effect.

How We May Terminate or Rescind Your Membership

Rescission of Membership

We may rescind Your membership after it becomes effective (completely cancel Your membership so that no coverage ever existed) if You did any of the following:

- Performed an act, practice, or omission that constitutes fraud in connection with Your membership or application for membership
- Made an intentional misrepresentation of material fact in connection with Your membership or application for membership.

We will send written notice to the Subscriber in Your Family at least 30 days before We rescind Your membership, but the rescission will completely cancel Your membership so that no coverage ever existed. You will be required to pay as a non-Member for any Services We covered. We will refund all applicable Premiums, except that We may subtract any amounts You owe Us.

If Your membership is terminated You may file a timely complaint about the termination, using the complaint procedure described in the “SECTION 4 - Getting Assistance, Filing Claims, and Dispute Resolution” section. If the complaint is filed on time, then the termination is effective on the later of: (1) 30 days after written notice; or (2) after the

final decision under the Claims and Appeals Procedure affirming the termination action.

Note: We may report any Member fraud to the authorities for prosecution and pursue civil remedies.

Termination for Non-Payment of Premium

If We do not receive the applicable Premium on or before the Premium Due Date as set forth on Your monthly invoice, We will mail a notice of nonpayment to the Subscriber which will include the following information:

- A statement that We have not received the applicable Premium and that We will terminate the memberships of the Subscriber and any Dependents if We do not receive the required Premium by the end of the grace period.
- The specific date when Your membership will end if We do not receive the applicable Premium.

If We do not receive full payment by the end of the grace period, We will mail another notice to the Subscriber confirming the date on which the memberships of the Subscriber and any Dependents terminated.

If We terminate Your membership for nonpayment of Premium, You may not enroll in Our Plans until the next annual open enrollment period or unless You experience a qualifying life event (such as marriage or divorce, birth of a child, or the loss of certain other coverage) for a special enrollment period. To the extent permitted by applicable law, You may have to pay any past due premiums in order to enroll again.

Termination Due to Loss of Eligibility

Membership for You may be continued as long as You meet the eligibility requirements described under “Who Is Eligible” in the “Premium, Eligibility, Enrollment and Effective Date of Coverage” subsection of this EOC.

If We have information in Our records that a Member will cease to qualify as a Member under this EOC, We will notify the Member of their pending termination.

We will provide prior written notice to You as required by law before the date Your coverage will terminate. We will act uniformly without regard to the claims experience or any health status related factor of You or Your enrolled Dependents.

Notice, Refunds, and Payments

You will receive advance written notice if We terminate Your membership. The notice will include an explanation of why and when Your membership will end. If You have paid Premium beyond the date on which Your membership ends, You may be eligible for a refund. Any amount due to You for claims for covered Services submitted by You in a timely manner during Your membership will be paid to You. Any amounts You owe Us will be deducted from any payment We make to You.

Right to Benefits Ends

Your right to receive benefits under this EOC including, but not limited to, covered Services ends when Your membership ends except as provided by applicable law. Termination shall not prejudice an existing claim initially incurred while Your membership was in full force and in effect to the extent required by law.

Medicare

If You meet one of the Medicare eligibility criteria, 65 or older, medically disabled, or diagnosed with end stage renal disease (ESRD) You may enroll in Medicare Parts A and B. To enroll in Medicare, contact Social Security toll free at 1-800-772-1213 (TTY 1-800-325-0778) Monday through Friday from 7:00 a.m. to 7:00 p.m. or visit their website at <https://www.ssa.gov>. Once You have enrolled in Medicare, please contact Our Member Services Department seven days a week from 8 a.m. to 8 p.m. toll free at 1-888-865-5813 (TTY 711) to update Your insurance information. Enrollment in Medicare will not automatically disenroll You from Your current plan. If You would like information on Our Medicare plan, Senior Advantage (HMO), please contact Member Services at 1-800-232-4404 (TTY 711).

SECTION 6 - Miscellaneous Provisions

Administration of Agreement

We may adopt reasonable policies, procedures, and interpretations to promote orderly and efficient administration of this Agreement.

Agreement Binding on Members

By electing coverage or accepting benefits under this EOC, all Members legally capable of contracting, and the legal representatives of all Members incapable of contracting, agree to all provisions of this EOC.

Amendment of Agreement

We may modify this Agreement in the future, at the time of renewal or before subject to Georgia Department of Insurance approval. If We modify this Agreement with respect to rates, We will notify You of the changes in writing as required by applicable law before the renewal effective date. If You continue to pay Premiums or accept the changes after they have gone into effect, You will have consented to the changes. This consent will also apply to You and to Your enrolled Dependents.

Modifications will be effective on a uniform basis among all Members with this Agreement at the start of the calendar year unless otherwise permitted by applicable law. Payment of Your Premium for this Plan for any period for which the modification is in effect will signify Your acceptance, as well as that of Your Dependent(s), of the modification.

No agent or other person except an officer of Health Plan has authority to do any of the following: (1) waive any condition or restriction of this Agreement; (2) extend the time for making Premium except to the extent that applicable law allows for such extension; or (3) bind Health Plan by making any promises or representations or by giving or receiving any information.

Applications and Statements

You must complete any applications, forms, or statements that We request in Our normal course of business or as specified in this EOC. Your application for membership becomes a part of the legally binding contract between You and Health Plan, and We will rely on the information in Your application.

Assignment

You may not assign this EOC or any of the rights, interests, claims for money due, benefits, or obligations hereunder without Our prior written consent.

Contracts with Providers

Health Plan and Plan Providers are independent contractors.

Your Plan Providers are paid in a number of ways, including salary, capitation, case rates, fee for service, and incentive payments based on factors such as quality of care, Member satisfaction and other performance measures.

If You would like further information about the way Plan Providers are paid to provide or arrange medical and hospital

care for Members, please call Our Member Services Department, Monday through Friday from 7 a.m. to 7 p.m. at (404) 261-2590 (local) or 1-888-865-5813 (long distance).

Our contracts with Plan Providers provide that You are not liable for any amounts We owe. However, You may be liable for the cost of non-covered Services or Services You obtain from Non-Plan Providers or after Your membership terminates. You will owe cost sharing amounts to Plan Providers until You satisfy any deductible and/or out-of-pocket maximum amounts.

If Our contract with any Plan Provider terminates while You are under the care of that physician or hospital, We will retain financial responsibility for covered Services You receive from that physician, in excess of any applicable deductibles, Copayments, or Coinsurance, until We make arrangements for the Services to be provided by another Plan Provider and so notify You.

In addition, if You currently are undergoing an active course of treatment from a Plan Provider when the contract with him or her ends (for reasons other than medical disciplinary cause or criminal activity), You may be eligible to continue receiving covered Services from the terminated physician for Your condition. The conditions that are subject to this continuation of care provision are:

1. Chronic conditions or terminal illness or if You are inpatient. The covered Services may continue for up to 60 days, from the date of the provider contract termination date if necessary, for a safe transfer of care to a Plan Provider or another provider as determined by Us.
2. Covered Services related to pregnancy. Covered Services will continue for the remainder of that pregnancy, including six weeks of postnatal care if necessary for a safe transfer of care to a Plan Provider as determined by Us.

Continuing Care Patients

Individuals who, with respect to a provider or facility, are at least one of the following:

1. Undergoing treatment from the provider or facility for a serious and complex condition, defined as:
 - a. In the case of an acute illness, a condition that is serious enough to require specialized medical treatment to avoid the reasonable possibility of death or permanent harm.
 - b. In the case of a chronic illness or condition, a condition that is:
 - i. Life-threatening, degenerative, potentially disabling, or congenital; and
 - ii. Requires specialized medical care over a prolonged period of time.
2. Undergoing a course of institutional or inpatient care from the provider or facility.

3. Scheduled to undergo nonelective surgery from the provider or facility, including receipt of postoperative care from such provider or facility with respect to such a surgery.
4. Pregnant and undergoing treatment for pregnancy from the provider or facility.
5. Terminally ill and receiving treatment for such illness from the provider or facility.]

Continuity of Care

The Continuity of Care provision in the No Surprises Act protects Continuing Care Patients when a provider or facility ceases to be an in-network provider because of a termination of a contract or when a member's employer group terminates their agreement with Kaiser Foundation Health Plan, Inc.

For the Continuing Care Patient whose provider's or facility's contract termination leads to a change in network status, the plan or issuer must:

- Timely notify each individual enrolled who is a Continuing Care Patient of the termination and their right to elect continued transitional care from the provider or facility;
- Provide each individual enrolled who is a Continuing Care Patient an opportunity to notify the plan or issuer of the need for transitional care; and
- Permit the Continuing Care Patient to elect to continue to have the same benefits provided, under the same terms and conditions as would have applied under the plan or coverage had the termination not occurred, with respect to the course of treatment furnished by the provider or facility.

The election may last until the earlier of 90 calendar days (beginning on the date on which the request for Continuity of Care is made); or the date on which such individual is no longer a Continuing Care Patient with the provider or facility.

In this situation, the No Surprises Act requires that a Continuing Care Patient's treating provider or health care facility must:

- Accept payment from the plan or issuer (and cost sharing from the individual) for items and services as payment in full;
- Continue to adhere to all policies, procedures, and quality standards imposed by the plan or issuer for an individual as if the termination hadn't occurred.

If You would like more information about Continuity of Care, or to make a request, please call Our Member Services Department, Monday through Friday from 7 a.m. to 7 pm. at (404) 261-2590 (local) or 1-888-865-5813 (long distance)

Charge for Payments Returned for Insufficient Funds

You may be assessed a charge for any check or electronic payment to Health Plan that is returned due to insufficient funds in Your bank account.

Claims Review Authority

We are responsible for determining whether You are entitled to benefits under this EOC and We have the discretionary authority to review and evaluate claims that arise under this EOC. We conduct this evaluation independently by interpreting the provisions of this EOC.

Entire Contract Provision. This Individual Agreement, including Your application for membership in this plan, and the Individual Plan Evidence of Coverage ("EOC"), which are incorporated herein by reference, and any amendments or riders to these documents, constitute the entire contract ("Agreement") between You and Health Plan.

New Technology Assessments

We participate in Kaiser Permanente's Interregional New Technologies Committee's evaluation of new technologies. Medical Group Physicians can provide input and make requests through Us for treatments involving new technologies and their inclusion as a Service. Decisions about implementing new technologies including but not limited to those medical and behavioral health care treatments, pharmaceuticals, and medical devices, are coordinated through Kaiser Permanente's New Technology Review Committee.

Victims of Family Violence or Sexual Abuse

The laws of the State of Georgia prohibit insurers from unfairly discriminating against any person based upon his or her status as a victim of family violence or sexual assault.

Member Rights and Responsibilities

As a Member, it is important to know Your rights and responsibilities. To have a detailed discussion or to obtain a detailed description of Your rights and responsibilities, please call Our Member Services Department, Monday through Friday from 7 a.m. to 7 p.m. at (404) 261-2590 (local) or 1-888-865-5813 (long distance).

Your participation in decisions about Your health care and Your willingness to communicate with Your Plan Providers help Us to provide You appropriate and effective health care. We want to make sure You receive the information You need to participate in Your health care. We also want to make sure Your rights to privacy and to considerate care are honored.

As an adult member, You can exercise these rights Yourself. If You are a minor, or if You become incapable of making decisions about Your health care, these rights will be exercised by the person having legal responsibility for participating in decisions concerning Your medical care.

You have the right to ...

...participate with practitioners in making decisions about Your health care. This includes the right to receive information You need in order to accept or refuse a treatment that is recommended. Emergencies or other circumstances

occasionally may limit Your participation in a treatment decision. In general, however, You will not receive any medical treatment before You or Your legal representative give consent. You have the right to be informed about and refuse to participate in experimental care proposed by Your physicians.

...a candid discussion of appropriate or Medically Necessary treatment options for Your condition, regardless of cost or benefit coverage.

...information and assurance of compliance regarding advance directives as described by the provisions of the Patient Self-Determination Act of 1990. You have the right to choose a person to make medical decisions for You, if You are unable to do so, and to express Your choices about Your future care. These choices may be expressed in such documents as an Advanced Directive, which includes a durable power of attorney for health care or a living will. You should inform Your family and Your doctor of Your wishes and give them any documents that describe Your wishes concerning future care.

...receive the medical information and education You need to participate in Your health care to ensure a safe course of treatment. This information includes the diagnosis of a health complaint, the recommended treatment, alternative treatments, and the risk and benefits of the recommended treatment. We will try to make this information as understandable as possible. You also have the right to review and receive copies of Your medical records within the established time frame and with associated reproduction costs, unless the law restricts Our ability to make them available. You have the right to the consideration of ethical issues that may arise in connection with Your health care.

...for information to be provided to You and Your family about the outcomes of care, including unanticipated outcomes.

...receive information about the managed care organization, its services, its practitioners and providers, and members' rights and responsibilities.

...receive considerate, respectful care. We respect Your personal preferences and values.

...have impartial access to treatment. You have the right to medically indicated treatment that is a covered benefit which is provided, prescribed or directed by a Medical Group physician, regardless of Your race, religion, sex, sexual orientation, national origin, cultural background, physical or mental challenge or financial status.

...be assured of privacy and confidentiality. You have the right to be treated with respect and recognition of Your dignity and need for privacy. Member information will be handled in a manner to preserve and protect its confidentiality. This includes, but is not limited to, the maintenance of medical records in a secure environment and education of staff regarding confidentiality. Kaiser Permanente will not release Your medical information without Your authorization, except as required or permitted by law to administer benefits,

comply with government requirements or participate in bona fide research or education.

...participate in physician selection. You have the right to select and change physicians within the Kaiser Permanente Health Plan. You have the right to a second opinion by a Plan Physician. You have the right to consult with a non-Kaiser Permanente physician at Your expense.

...know and use customer satisfaction resources. You have the right to know about resources, such as Member Services and complaint and appeals processes to help answer Your questions and solve problems. You have the right to make complaints without concerns that Your care will be affected. Your EOC describes procedures to make complaints and appeals.

...a right to make recommendations regarding the organization's members' rights and responsibilities policies. We welcome Your suggestions and questions about Kaiser Permanente, its services, the health professionals providing care and member's rights and responsibilities.

...seek financial assistance. You have the right to speak to a representative in Our Patient Business Office if You have extenuating circumstances and are unable to pay the out-of-pocket costs of essential care and Services prescribed by a Southeast Permanente Medical Group provider. The Patient Business Office can provide information on Our charity care program and its eligibility requirements.

...safe secure, clean and accessible environment. You have the right to obtain Services in an environment that is appropriate for the provision of medical services to You and other Members. If You are disruptive, unruly, or abusive to the extent that the behavior threatens the safety of others, Our property, or Our ability to provide Services to You or to other Members, or You fail to establish and maintain a satisfactory provider-patient relationship, after the Plan Provider has made reasonable efforts to promote such a relationship, We may:

- Select another of Our medical offices, another Plan Provider, and/or a Non-Plan Provider of Our choosing, from which You will receive care;
- Monitor Your visits with Your Plan Providers and/or Your visits to Our medical offices, including but not limited to restricting Your access to certain areas within Our medical offices and/or being escorted by security personnel;
- Pursue legal action; or

You should inform Your health professional if You do not clearly understand Your treatment plan and what is expected of You. If You believe that You cannot follow through with Your treatment, You are responsible for telling Your health professional.

...fulfilling financial obligations. You are responsible for paying on time any money You owe Health Plan.

...being considerate of others. You should be considerate of health professionals and other patients. You should also respect the property of other patients and of Kaiser Permanente.

No Waiver

Our failure to enforce any provision of this EOC will not constitute a waiver of that or any other provision or impair Our right thereafter to require Your strict performance of any provision.

Notices

Our notices to You will be sent to the most recent address We have for You. You are responsible for notifying Us of any change in address. Members who move should call Our Member Services Department at (404) 261-2590 (local) or 1-888-865-5813 (long distance) as soon as possible to give Us their new address.

General Provisions

Right of Recovery. If We make an error in processing Your claim, We have the right to recover any overpayment of benefits paid to You. We may recover by offset any amounts which have not been previously recovered at the time We make another benefit payment. This may affect the accumulation of Your deductible (if any) or cost sharing amounts applied to Your Cost Sharing maximum.

Governing Law. Except as required by applicable federal law, this Agreement will be governed in accordance with Georgia law and any provision that is required to be in this Agreement by state or federal law shall bind You and Health Plan whether or not set forth in this Agreement. SECTION 7 - Benefits

Introduction

Please refer to the "Schedule of Benefits" section for the Cost Sharing amounts, if any, You must pay for covered Services described in this section.

The Services described in this "SECTION 7 - Benefits" section are covered only if **ALL** the following conditions are satisfied:

1. You are a Member on the date the covered Service is rendered;
2. You have not met the maximum benefit amount (a maximum benefit usually applies per Member per Year) for the Service, if any.
3. The Services are provided by a Plan Provider (unless they meet the definition of Emergency Service or are to be provided by a Non-Plan Provider subject to an approved referral as described in the Referral subsection, above) in accordance with the terms and conditions of this EOC including but not limited to the requirements, if any for Prior Authorization; and,
4. The Services are Medically Necessary.

If You receive Services and We determined the Services are not covered Services, then Health Plan will not pay for such Services. You will be responsible for all charges for such Services if We decided not to cover such Services, subject to Your right to appeal Our adverse benefit determination. Charges You pay for non-covered Services will not count toward the satisfaction of the Annual Deductible, if any, or the Cost Sharing Out-of-Pocket Maximum(s). In addition, if You (or Your authorized representative) consent to the provision of Services by a Non-Plan Provider, then We will not pay for such Services and the amount You pay will not count toward satisfaction of the Annual Deductible, if any, or the Out-of-Pocket Maximum(s).

What You Pay

When You access covered Services, You will be required to pay applicable Cost Sharing amounts, such as Copayments, Coinsurance, and Annual Deductibles and/or other deductibles, as described in this EOC, and as shown in the "Schedule of Benefits" section. You will also be required to pay any amount in excess of Eligible Charges and any amount for Services provided by a Non-Plan Provider when You consent to their provision of Services.

These terms are described in "SECTION 9 - Definitions" and applicable amounts are shown in the "Schedule of Benefits" section.

We pay for covered Services only when they are furnished by Plan Providers except Emergency Services, Urgent Care outside the Service Area, and certain Post-Stabilization Care Services that qualify as Emergency Services (under applicable state or federal law), and Ancillary Services for which You have Prior Authorization. Your cost sharing for these

Services will be the same as if Plan Providers provided such Services as set forth in SECTION 10: Additional Benefits and Schedule of Benefit of this Evidence of Coverage.

For Emergency Services only, Non-Plan Providers may provide a notice and consent form seeking Your (or Your authorized representative's) agreement that You will owe the full cost of the bill for the items and services that the Non-Plan Provider furnishes. If You (or Your Authorized Representative) consent, then You will be financially responsible for payment for those items and services.

What We Pay

After You pay the Annual Deductible or other deductible, Coinsurance, or Copayments, We will provide or pay up to the Eligible Charge for covered Services.

Step Therapy

Selected prescription drugs require step therapy. Step therapy defines how and when a particular outpatient prescription drug can be dispensed and establishes the specific sequence in which prescription drugs for a specified condition are deemed medically appropriate. Step therapy requires the use of one or more prerequisite drugs (first line agents), as identified through Your drug history, prior to the use of another drug (second line agent) when prescribed for Your condition. The step therapy process encourages safe and cost-effective medication use. Under this process, a “step” approach is required to receive coverage for certain medications. This means that to receive coverage You may first need to try a proven, cost-effective medication different than the one prescribed.

Your prescribing Plan Provider should prescribe a first-line medication appropriate for Your condition. If Your prescribing Provider determines that a first-line drug is not appropriate or effective for You, a second line drug may be covered if You qualify for a step therapy exception. Treatment decisions are always between You and Your Prescribing Provider.

Refer to Our formulary for a complete list of medications requiring step therapy. You may access Our formulary at

www.kp.org or by calling Our Member Services Department Monday through Friday from 7 a.m. to 7 p.m. at (404) 261-2590 (local) or 1-888-865-5813 (long distance).

Step Therapy Exception and Appeal Process

A step therapy exception may be granted if Your prescribing Plan Provider's submits justification and supporting clinical documentation that demonstrates that another drug (second line agent) is Medically Necessary. The exception process may be initiated by contacting the Health Plan at the number located on the back of Your card. This exception process only applies to prescription drugs that are covered under this Plan.

Non-Urgent Exception

We will respond to Your exception request within two (2) business days from the date such request is submitted in a nonurgent health care situation.

Urgent Exception

We will respond to Your urgent exception request within 24 hours from the time such request is submitted in an urgent health care situation.

If We fail to respond within the stated time frame, Your step therapy exception will be deemed approved.

If Your exception request is denied, You may appeal Our decision. Our Appeals process is further described in SECTION 4 – Getting Assistance, Filing Claims, and Dispute Resolution.

Send Your Appeal to:

**Kaiser Permanente
Appeals Department
Nine Piedmont Center
3495 Piedmont Road, N.E.
Atlanta, GA 30305-1736
(404) 364-4862**

Urgent Appeal

We will respond to Your urgent appeal within 24 hours from the time of the appeal is submitted in an urgent health care situation.

If We fail to respond to Your appeal within the stated time frame, Your appeal will be deemed approved.

Nothing in this provision shall be construed to prevent Health Plan from (1) requiring a Member to try a generic equivalent prior to providing coverage for the equivalent branded prescription drug; (2) requiring a Member to try an interchangeable biological product prior to providing coverage for the biological product; or (3) substituting a generic drug for a brand name drug.

Review and Authorization

Certain prescription drugs require review and Prior Authorization prior to dispensing. Your Plan Provider must obtain this review and authorization. Our Pharmacy and Therapeutics Committee may periodically review and modify the list of prescription drugs requiring review and authorization, criteria for approval and other changes related to Our formulary.

If You would like information about:

- whether a particular drug is included in Our drug formulary,
- obtaining a formulary brochure that lists the formulary drugs and provides more information about Our drug formulary, or
- whether a drug requires authorization,

Please call Our Member Services Department, Monday through Friday from 7 a.m. to 7 p.m. at (404) 261-2590 (local) or 1-888-865-5813 (long distance).

We may assign Our rights to enforce Our liens and other rights.

Coordination of Benefits (COB)

This EOC is subject to coordination of benefits rules which apply when You have health benefits coverage under more than one Plan. The order of benefit determination rules govern the order in which each Plan will pay a claim for benefits. You should submit claims with each Plan.

Definitions

For purposes of this section, terms are defined as follows:

- **Plan:** The term includes (a) An insurance plan issued to an individual/non-group or a group; or a self-insured group health plan providing benefits in the form of reimbursement or services for medical care or treatment/items; (b) Governmental benefits as permitted by law, except for Medicaid, Medicare, and Medicare supplement policies; and (c) Medical benefits coverage under any form of group or individual automobile insurance.

Each plan or part of a plan which has the right to coordinate benefits will be considered a separate plan.

- **Primary Plan:** The Plan that pays first is called the Primary Plan. The Primary Plan must pay benefits in accordance with its policy terms without regard to the possibility that another Plan may cover some expenses.
- **Secondary Plan:** The Plan that pays after the Primary Plan is the Secondary Plan. The Secondary Plan may reduce the benefits it pays so that payments from all Plans do not exceed 100% of the total Allowable Expense. Allowable Expense is defined below.
- **Order of Benefit Determination Rules:** The order of benefit determination rules determine whether this Plan is a Primary Plan or Secondary Plan when the person has health care coverage under more than one Plan. When this Plan is primary, it determines payment for its benefits first before those of any other Plan without considering any other Plan's benefits. When this Plan is secondary, it determines its benefits after those of another Plan and may reduce the benefits it pays so that all Plan benefits do not exceed 100% of the total Allowable Expense.
- **Allowable Expense:** is a health care expense, including deductibles, coinsurance, and copayments, that is covered at least in part by any Plan covering the person. When a Plan provides benefits in the form of services, the reasonable cash value of each service will be considered an Allowable expense and a benefit paid. An expense that is not covered by any Plan covering the person is not an Allowable expense. In addition, any expense that a provider by law or in accordance with a contractual agreement is prohibited from charging a covered person is not an Allowable expense.
- **Closed Panel Plan:** Closed Panel Plan is a Plan that provides health care benefits to Covered Persons primarily in the form of services through a panel of providers that have contracted with or are employed by the Plan, and that excludes benefits for services provided by other providers, except in cases of emergency or referral by a panel member.

Order of Benefit Determination Rules

When a person is covered by two or more Plans, the rules for determining the order of benefit payments are as follows:

- The Primary plan pays or provides its benefits according to its terms of coverage and without regard to the benefits of under any other Plan.
- A Plan that does not have a coordination of benefits rule consistent with this section shall always be the Primary Plan unless the provisions of both Plans state that the complying Plan is primary. If the Plan does have a coordination of benefits rule consistent with this section, the first of the following rules that applies to the situation is the one that applies:
 - The Plan that covers the person other than as a dependent, for example as an employee, member, policyholder, subscriber or retiree is the Primary Plan and the Plan that covers the person as a dependent is the Secondary Plan.

However, if You are a Medicare beneficiary, and, as a result of federal law, Medicare is secondary to the Plan covering You as a dependent and primary to the plan covering You as other than a dependent (e.g. a retired employee), then the order of benefits is reversed so that the Plan covering the You as an employee, member, subscriber, policyholder or retiree is the Secondary Plan and the other Plan covering You as a dependent is the Primary Plan.

- If You are a dependent child whose parents are not divorced or legally separated, the Primary Plan shall be the Plan which covers the parent whose birthday falls first in the Calendar Year as an enrollee or employee.
- If You are the dependent of divorced or separated parents, benefits for the dependent shall be determined in the following order:
 - first, if a court decree states that one parent is responsible for the child's healthcare expenses or health coverage and the plan for that parent has actual knowledge of the terms of the order, but only from the time of actual knowledge;
 - then, the Plan of the parent with custody of the child;
 - then, the Plan of the spouse of the parent with custody of the child;
 - then, the Plan of the parent not having custody of the child; and
 - finally, the Plan of the spouse of the parent not having custody of the child.
- The Plan that covers You as an active employee (or as that employee's dependent) shall be the Primary Plan

and the Plan that covers You as a laid-off or retired employee (or as that employee's dependent) shall be the Secondary Plan. If the other plan does not have a similar provision and, as a result, the Plans cannot agree on the order of benefit determination, this paragraph shall not apply.

- The Plan that covers You under a right of continuation which is provided by federal or state law shall be the Secondary Plan and the Plan that covers You as an active employee or retiree (or as that employee's dependent) shall be the Primary Plan. If the other Plan does not have a similar provision and, as a result, the Plans cannot agree on the order of benefit determination, this paragraph shall not apply.
- If one of the Plans that covers You is issued out of the state whose laws govern this Plan and determines the order of benefits based upon the gender of a parent, and as a result, the Plans do not agree on the order of benefit determination, the Plan with the gender rules shall determine the order of benefits.

If none of the above rules determines the order of benefits, the Plan that has covered You for the longer period of time shall be the Primary Plan.

Effect on the Benefits Payable under this Plan

- If this Plan is the Primary Plan, the amount this plan pays for Covered Expenses will be determined without regard for the benefits payable under any other Plan.
- Benefits payable under the Plan will be secondary to benefits provided or required by any group or individual automobile insurance, including medical payments coverage, personal injury protection, or no-fault coverage regardless of any election or designation to the contrary.
- When this Plan is the Secondary Plan, it may reduce its benefits so that the total benefits paid or provided by all Plans are not more than the total Allowable Expenses. In determining the amount to be paid for any claim, this Plan will calculate the benefits it would have paid in the absence of other health care coverage and apply that calculated amount to any Allowable Expense under the Plan that is unpaid by the Primary Plan. This Plan may then reduce its payment by the amount so that, when combined with the amount paid by the Primary Plan, the total benefits paid or provided by all Plans for the claim do not exceed the total Allowable Expense for that claim. In addition, this Plan shall credit to its plan deductible any amounts it would have credited to its deductible in the absence of other health care coverage.
- If You are enrolled in two or more Closed Panel Plans and if, for any reason, including the provision of service by a non-panel provider, benefits are not payable by one

Closed Panel Plan, COB shall not apply between that Plan and other Closed Panel Plans.

Overpayment Recoveries

If We pay for Covered Services that should have been paid by the Primary Plan or if Our payment exceeds what We are obligated, We have the right to recover such overpayments and may seek, in Our sole discretion, such recoveries from any person to, or for whom, or with respect to whom, such services were provided or such payments made by any insurance company, healthcare plan or private or government payer. You agree to provide Us with information We determine necessary to pursue Our right of recovery.

Right to Receive and Release Needed Information

We may obtain information without Your consent from and release information to any other Plan with respect to You in order to coordinate Your benefits pursuant to this section. You must provide Us with any information We request in order to coordinate Your benefits pursuant to this section. This request may occur in connection with a submitted claim; if so, You will be advised that the "other coverage" information, (including an explanation of benefits paid under the Primary Plan) is required before the claim will be processed for payment. If no response is received within 45 days of the request, the claim will be denied. If the requested information is subsequently received, the claim will be processed.

After one Member of a Family Unit has met the Individual Out-of-Pocket Maximum, this Member will not be required to pay any additional Cost Shares for Covered Services for the rest of the Plan Year. After two or more members of Your family unit combined have met the Family Out-of-Pocket Maximum, the Out-of-Pocket Maximum will be met for all members of the family for the rest of the Plan Year.

Preferred Generic Drug is a prescription drug that does not bear the trademark of a specific manufacturer. It is chemically the same as and generally costs less than a brand name prescription drug. You must obtain these drugs from a Kaiser Permanente Medical Center Pharmacy.

We cover drugs and supplies for which a prescription is required by law. Certain diabetic supplies do not require a prescription.

While You may obtain a first fill of Your prescription at either a Kaiser Permanente Medical Center Pharmacy or at a Health Plan designated community pharmacy, all refills of Your prescription must be obtained at a Kaiser Permanente Medical Center Pharmacy or through Our Automated Refill Center. To locate a Kaiser Permanente Medical Center Pharmacy, You should refer to Your Physician Directory or call Our Member Services Department Monday through Friday from 7 a.m. to 7 p.m. at (404) 261-2590 (local) or 1-888-865-5813 (long distance). Copayments are applied up to the lesser of (a) the days supply per prescription as listed in the “Schedule of Benefits” section or (b) the standard dispensing amount as determined by Health Plan, based on the recommendation of Our Pharmacy and Therapeutics Committee. The standard dispensing amount for migraine medications, ophthalmic, otic and topical medications, and oral and nasal inhalers is the smallest standard package unit available. The standard dispensing amount for other drugs may have quantity limits established by Our Pharmacy and Therapeutics Committee.

Unless otherwise specified by Your Plan Physician or dentist, Generic Drugs may be used to fill a prescription. If You request a Brand Name Drug that has a generic equivalent at a Kaiser Permanente Medical Center pharmacy or at a community pharmacy designated by Health Plan, You pay the full cost difference between the Generic Drug and the Brand Name Drug, in addition to the applicable Copayment, Coinsurance, and deductible shown in “Schedule of Benefits” section at the end of this EOC.

Outpatient Prescription Drug Coverage

Drugs and supplies covered under this rider include the following:

- Drugs approved by the Food and Drug Administration (FDA).
- Drugs for which a prescription is required by law.
- Prescription drugs on the Kaiser Permanente drug formulary.
- Oral medications for the treatment of diabetes.

- Insulin.

Special note about Our drug formulary

The Kaiser Permanente drug formulary is a list of prescription drugs that have been approved by Our Pharmacy and Therapeutics Committee for Our Members. Our Pharmacy and Therapeutics Committee, which is comprised of Plan Physicians and other Plan Providers, selects prescription drugs for the drug formulary based on a number of factors, including but not limited to safety and effectiveness as determined from a review of medical literature and research. The Pharmacy and Therapeutics Committee meets several times each year to consider adding and removing prescription drugs on the drug formulary. Changes can occur to the drug formulary list due at any time to:

- New clinical studies indicating additional or new evidence that can either benefit the Member's outcome or that identified potential harm to the Member.
- A Brand Name drug loses its patent and generic drugs equivalent becomes available; or
- A Brand Name drug becomes available over the counter in which case the drug will not be covered under this rider even if it was covered previously.
- Multiple Similar Drugs become available such as other drugs within a specific drug class (for example anti-inflammatory drugs, anti-depressants or corticosteroid asthma inhalers).
- Multiple Similar Drugs become available over the counter within a specific drug class (for example non-sedating antihistamines).

If You request a non-formulary drug – when Your Plan Physician does not indicate that the non-formulary drug is Medically Necessary, You will be responsible for the full cost of that drug.

However, if Your Plan Physician documents that:

- A non-formulary drug best treats Your medical condition.
- A formulary drug has been ineffective in the treatment of Your medical condition; or
- A formulary drug causes or is reasonably expected to cause a harmful reaction, then

an exception process is available to Your Plan Physician to seek permission to prescribe a Medically Necessary non-formulary drug for You. In that case, if the exception is approved, Your Plan Physician's request is approved, Your standard prescription drug Copayment, Coinsurance and deductibles would apply. This formulary exception process does not apply to Your dentist. In order to be covered at Your prescription drug Copayment, Coinsurance, and deductible all prescriptions written by Your dentist must be included on the Kaiser Permanente drug formulary.

Manufacturer Coupons

For outpatient prescription drugs and/or items that are covered under this Pharmacy Services section and obtained at a pharmacy owned and operated by Health Plan, You may be able to use **approved** manufacturer coupons as payment for the Cost Sharing that You owe, after You satisfy Your Plan's required deductible, as allowed under Health Plan's coupon program. You will owe any additional amount if the coupon does not cover the entire amount of Your Cost Sharing for Your prescription.

When You use **an approved** coupon for payment of Your Cost Sharing, the coupon amount **and any additional payment that You make will accumulate to Your Cost Sharing Maximum Amount**. Certain health plan coverages are not eligible for coupons. You can get more information regarding the Kaiser Permanente coupon program rules and limitations at www.kp.org/rxcoupons.

Review and Authorization

Certain prescription drugs require review and authorization prior to dispensing. Your Plan Physician must obtain this review and authorization. Failure to obtain this review and authorization will result in the drug not being covered. The list of prescription drugs requiring review and authorization is subject to periodic review and modification by Our Pharmacy and Therapeutics Committee.

If You would like information about whether a drug requires authorization, please call Our Member Services Department, Monday through Friday from 7 a.m. to 7 p.m. at (404) 261-2590 (local) or 1-888-865-5813 (long distance). You may also visit Us online at www.kp.org.

Schedule of Benefits

For **KP GA SIGNATURE SILVER HMO \$4000 \$0 HSA OFF**

This section summarizes:

- Your Cost Sharing (if any)
- Dependent age limit
- Benefit limits such as day limits, visit limits, and benefit maximums.

Dollar limits, day and visit limits, are based on a Plan Year.

This section does not describe all the details of Your benefits. To learn more about Your benefits, please refer to the appropriate sections of the EOC.

You are responsible for payment of:

- Copayments
- Coinsurance
- Annual Deductible and any other deductibles applicable to this plan
- Any amounts in excess of the Eligible Charges or Benefit Maximums as shown in this “Schedule of Benefits” section.

Dependent Age limit

The Dependent age limit as described in the “Premium, Eligibility, Enrollment and Effective Date” section of the EOC is 26. A dependent child will continue to be eligible until the end of the calendar year in which the dependent child reaches this age.

For a complete understanding of the benefits, exclusions, and limitations applicable to Your coverage, it is important to read Your EOC in conjunction with this Schedule of Benefits. Here is some information to keep in mind as You read the Schedule of Benefits.

Some benefits under this EOC have annual limitations such as dollar, day, or visit limitations. Benefits that are subject to an annual maximum are shown in the following “Schedule of Benefits” section of this EOC. All annual maximums are calculated based upon a Plan Year. If You enrolled under this EOC at any point after the start of Your contract, any covered Services that You previously incurred in the same Plan Year, under a prior EOC from Health Plan, shall carry-forward and count toward the annual maximums shown in this EOC. Likewise, Your deductibles and Cost Sharing Out-of-Pocket Maximum under this EOC are on a Plan Year basis.

The annual dollar, day and visit limits, deductibles, Annual Benefit Maximum and Cost Sharing Out-of-Pocket Maximums are based on Plan Year. Your Cost Sharing for Services is due at the time of Your visit. For items ordered in advance, You pay Your Cost Sharing in effect on the order date. **Note: We reserve the right to reschedule non-urgent care if You do not pay at the time of Your visit. In some cases, We may agree to bill You for Your Cost Sharing.**

Your Coinsurance is based on the Eligible Charges for covered Services. The Eligible Charges may be less than the amount actually billed by the provider. You are responsible for payment of any amounts in excess of the Eligible Charges for a covered Service from a non-Plan Provider. Refer to the definition of “Eligible Charge” shown in the “SECTION 9 - Definitions” section in this EOC.

All covered Services are subject to the Annual Benefit Maximum, Annual Deductibles and Maximum Benefit While Covered unless otherwise noted below and in this EOC. Copayments, penalties, and charges in excess of Eligible Charges do not count toward satisfaction of the Annual Deductibles or the Cost Sharing Out-of-Pocket Maximums. Refer to the definition of “Cost Sharing Out-of-Pocket Maximum” shown in the “SECTION 9 - Definitions” section.

Amounts You pay for the following Services do not count toward the Cost Sharing Out-of-Pocket Maximum: Services for which You pay a Copayment such as Applied Behavioral Analysis, private duty nursing, non-surgical dental treatment, preventive dental care, chiropractic Services, optical hardware, and hearing aids. Not all Services listed here may be covered under Your specific plan. Refer to the remainder of this “Schedule of Benefits,” and this EOC, for additional information.

All covered Services are subject to the Annual Deductible except for those preventive Services identified as exempt from the Annual Deductible in the “Preventive Visits and Services” subsection in the “SECTION 7 – Benefits” section of this EOC and routine prenatal visits. We added “(Not subject to Annual Deductible)” in this “Schedule of Benefits” to show when the Annual Deductible does not apply. Service fees, penalties, and charges in excess of Eligible Charges do not count toward satisfaction of the Annual Deductible or the Cost Sharing Out-of-Pocket Maximum.

For all other Services, You must pay full Eligible Charges when You receive the Service, until You meet the Annual Deductible. The only payments that count toward the Annual Deductible are those You make for Services that are subject to the Annual Deductible, but only if the Services would otherwise be covered.

After You meet the Annual Deductible, You pay the applicable Copayment or Coinsurance for these covered Services for the rest of the Plan Year, subject to the limits described under “Cost Sharing Out-of-Pocket Maximum” in this Schedule of Benefits. Any amounts You pay toward the Annual Deductible apply toward the annual Cost Sharing Out-of-Pocket Maximum. Also, any Copayments or Coinsurance You pay for covered Services apply toward the annual Cost Sharing Out-of-Pocket Maximum.

Once You have received Services and We have processed the claims for Services rendered, We will send You an *Explanation of Benefits* (EOB) that explains Services You received, the cost of those Services and the payments that were made for the Services. It will also include information regarding what portion of the payments were applied to Your Annual Deductible and/or Cost Sharing Out-of-Pocket Maximum amounts. We recommend that You also maintain Your receipts for Services received for tracking Your Annual Deductible and Cost Sharing Out-of-Pocket Maximum.
