Notices Regarding Your Health Plan Coverage

Women's Health and Cancer Rights Act of 1998

The Women's Health and Cancer Rights Act of 1998 was passed into law on October 21, 1998. This federal law requires all health insurance plans that provide coverage for a mastectomy must also provide coverage for the following medical care:

- Reconstruction of the breast on which the mastectomy has been performed.
- Surgery and reconstruction of the other breast to produce a symmetrical appearance.
- Prostheses and treatment of physical complications at all stages of the mastectomy, including lymphedemas.

We provide medical and surgical benefits for a mastectomy. Covered benefits are subject to all provisions described in Your plan, including but not limited to, Copayments, Coinsurance, deductibles, exclusions, limitations and reductions.

Newborn Baby and Mother Protection Act

The Newborn Baby and Mother Protection Act (Code Section 33-24-58.2 of the Georgia Law) requires that health benefit policies which provide maternity benefits must provide coverage for a minimum of 48 hours of inpatient care following a normal vaginal delivery and a minimum of 96 hours of inpatient care following a cesarean section for a mother and her newborn child. The care must be provided in a licensed health care facility.

A decision to shorten the length of stay may be made only by the attending health care provider after conferring with the mother. If the stay is shortened, coverage must be provided for up to two follow-up visits with specified health care providers with the first visit being within 48 hours after discharge. After conferring with the mother, the health care provider must determine whether the initial visit will be conducted at home or at the office and whether a second visit is appropriate. Specified services are required to be provided at such visits.

Covered benefits are subject to all provisions described in Your plan, including but not limited to, Copayments, Coinsurance, deductibles, exclusions, limitations and reductions.

SECTION 1 - Introduction

About Your Health Plan from Kaiser Permanente's HMO Health Plan

You have selected the Kaiser Permanente HMO Health Plan.

Kaiser Foundation Health Plan of Georgia, Inc. is a nonprofit health care service plan licensed as a health maintenance organization in Georgia. We provide or arrange medical care for Members on a pre-paid basis.

The Group Agreement plus this EOC make up the entire contract between Kaiser Foundation Health Plan of Georgia, Inc. (Health Plan) and Your Group. Your EOC is customized to inform You of what services are specifically available to You and what Your out-of-pocket expenses will be. For a summary of this information, please refer to the "Schedule of Benefits" section of this EOC. It is important that You familiarize Yourself with Your coverage by reading this EOC completely, so that You can take full advantage of Your health plan benefits.

This EOC replaces all information that You may have received in previous EOCs from Us. It is important that You use only the latest EOC as Your reference because Your benefits may have changed. We may modify this EOC in the future, subject to Department of Insurance approval. If We do, We will notify Your Group in writing before the changes are effective. If Your Group continues to pay Premiums or accepts the changes after they have gone into effect, Your Group will have consented to the changes. This consent will also apply to You and to Your enrolled Dependents.

In this EOC, Kaiser Foundation Health Plan of Georgia, Inc., is sometimes referred to as "Health Plan," "We," "Our," or "Us." You and Your covered Dependents, if any, are sometimes referred to as "You" or "Your."

Further, some capitalized terms may have a special meaning in this EOC. Please see "SECTION 9 - Definitions" for terms You should know.

We provide health care benefits to Members using Our Medical Group Physicians, Affiliated Community Physicians, and other Plan Providers located in Our Service Area, which is described in "SECTION 9 – Definitions." All covered Services must be Medically Necessary to prevent, diagnose, or treat a medical condition, and must be provided, prescribed or directed by a Plan Provider.

You must receive all Services from Plan Providers within Our Service Area, except as described under the following headings:

- Emergency Services;
- Getting a Referral; and
- Receiving Care in Another Kaiser Region.

When You receive care, You may be required to pay Copayments, Annual Deductible(s), any other deductible(s) applicable to the benefit, and Coinsurance for some Services. When You pay a Copayment, Annual Deductible, and Coinsurance ask for and keep the receipt. There are limits to the total amount of Copayments, Coinsurance, and deductibles You must pay each Year for certain covered Services covered under this EOC. Refer to the "Schedule of Benefits" section for more information.

Premium, Eligibility, Enrollment and Effective Date

Premium

Only Members for whom Company has received the applicable Premium are eligible to obtain Services under this EOC, and then only for the month(s) for which Company has received the applicable Premium.

You are entitled to health care coverage under Your health plan only for the period for which We have received the appropriate Premium from Your Group. If You are responsible for any contribution to the Premium, Your Group will tell You the amount and how to pay Your Group.

Who is Eligible

Your Group is solely responsible for setting all Health Plan eligibility requirements, making enrollment decisions, and communicating enrollment information to Us. Any questions, concerns, or disputes regarding such requirements and decisions should be directed to Your Group.

Dependents

If You are a Subscriber and if Your Group allows enrollment of Dependents, the following persons may be eligible to enroll as Your Dependents:

- Your Spouse.
- Yours or Your Spouse's children (including adopted children, children placed with You for adoption, or children placed with You for Foster Care) who are under Dependent limiting age shown in the "Schedule of Benefits" section.
- Children for whom You or Your Spouse is the court-appointed guardian (or was when the child reached age 18).

Dependents who are older than the Dependent limiting age, may be eligible as a disabled dependent if they meet all the following requirements:

- They are incapable of self-sustaining employment because of physically or mentally-disabling injury, illness, or condition that occurred prior to reaching the Dependent limiting age as shown in the “Schedule of Benefits” section;
- They receive substantially all of their support and maintenance from You or Your Spouse; and
- You give Us proof of incapacity and dependency annually if We request it.

Loss of Eligibility

Subscriber’s Relocation from the Service Area

You will lose eligibility if You no longer live or work in the Service Area except when:

- You continue to meet Your Group’s eligibility requirements and agree in writing to return to the Service Area for covered medical care.
- The Subscriber continues to work in the Service Area via telecommuting or a temporary assignment outside the Service Area.

Surviving or Divorced Spouse

In the event of the death of the Subscriber, the surviving spouse loses eligibility at the end of the month in which the Subscriber died. A divorced spouse of a Subscriber loses eligibility at the end of the month the divorce is final.

Dependent Child

A child loses eligibility at the end of the month in which the child reaches the age of 26.

Enrollment and Effective Date of Coverage

Initial Enrollment

Once Your Group informs You that You are eligible to enroll as a Subscriber, You may enroll Yourself and any eligible Dependents by submitting a Health Plan-approved enrollment application to Your Group within 31 days of Your eligibility.

Your Group will inform You of the effective date of coverage for You and Your eligible Family Dependents.

If You or Your Dependents do not enroll when first eligible You must wait until the next open enrollment period as determined by Your Group (see “Special Enrollments” subsection).

Open Enrollment

You may enroll Yourself and any eligible Dependents, or You may add any eligible Dependents to Your existing account (including Dependents not enrolled when first eligible), by submitting a Health Plan-approved enrollment application to Your Group during the open enrollment period. Your

Group will let You know when the open enrollment period begins and ends and the effective date of coverage.

Enrollment rules vary from group to group. You should check with Your Group about the rules that apply to You.

Special Enrollments

Special Enrollment due to newly eligible Dependents:

Newly eligible Dependents includes:

- New Spouse;
- New step children;
- Newborns;
- Newly adopted children, including children placed with You for adoption;
- Children placed with you for Foster care;
- Children for whom You assume legal guardianship; and
- Children for whom You have a court order to provide coverage.
- You may enroll as a Subscriber (along with any eligible Dependents) and existing Subscribers may add eligible Dependents, by submitting a Health Plan-approved enrollment application to Your Group within 31 days.

The membership effective date for the Dependent (and, if applicable, the new Subscriber) will be:

- For newborn children, the date of birth. A newborn child is automatically covered for the first 31 days, but must be enrolled, and any additional premium paid within 31 days after birth for membership to continue.
- For newly adopted children, the effective date of coverage is from either the date of legal placement for adoption or the final adoption decree, whichever is earlier, but the child must be enrolled, and any additional premium paid within 31 days of that date for membership to continue.
- For children placed with You for Foster care, the legal placement for Foster care, but the child must be enrolled, and any additional premium paid within 31 days of that date for membership to continue.
- For other than newborn and newly adopted children, the effective date of coverage for new Dependents is the first of the month following the date of enrollment application so long as any additional Premiums due is paid.

Note: In order to be covered, all Services for any newborn child must be provided or arranged by a Plan Physician and/or Plan Facility.

Special Enrollment Due to Loss of Other Coverage

- The enrolling persons had other coverage when You previously declined Health Plan coverage for them (some

groups require You to have stated in writing when declining Health Plan coverage that other coverage was the reason); and

- The loss of the other coverage is due to (i) exhaustion of COBRA coverage, or (ii) in the case of non-COBRA coverage, loss of eligibility or termination of employer contributions, but not for individual nonpayment. For example, this loss of eligibility may be due to legal separation or divorce, reaching the Dependent limiting age shown in the “Schedule of Benefits” section, or the Subscriber’s death, termination of employment, or reduction in hours of employment.
- Loss of eligibility of Medicaid coverage or Child Health Insurance Program coverage, but not termination for cause.
- The enrolling person(s) have reached a lifetime maximum on all benefits under the other coverage.

NOTE: If You are enrolling Yourself as a Subscriber along with at least one eligible Dependent, it is necessary for only one of You to lose other coverage and only one of You to have had other coverage when You previously declined Health Plan coverage.

Your Group will let You know the membership effective date, which will be no later than the first day of the month following the date that Your Group receives the enrollment application.

Special Enrollment Due to Eligibility for Premium Assistance under Medicaid or CHIP

You may enroll as a Subscriber (along with any or all eligible Dependents), and existing Subscribers may add any or all eligible Dependents, if the Subscriber or at least one of the enrolling Dependents becomes eligible to receive premium assistance under Medicaid or CHIP. To request enrollment, the Subscriber must submit a Health Plan approved enrollment or change of enrollment application to Your Group within 60 days after the Subscriber or Dependent is determined eligible for premium assistance. The effective date of an enrollment resulting from eligibility for the premium assistance under Medicaid or CHIP is not later than the first day of the month following the date Your Group receives an enrollment or change of enrollment application from the Subscriber.

Other Special Enrollment Events

You may enroll as a Subscriber (along with any eligible Dependents) if You or Your Dependents were not previously enrolled and existing Subscribers may add eligible Dependents not previously enrolled if any of the following are true:

- You lose employment for a reason other than gross misconduct.
- Your employment hours are reduced and Your employer coverage ends.
- You are a Dependent of someone who becomes entitled to Medicare.

- You become divorced or legally separated.
- You are a Dependent of someone who dies.

You must submit an enrollment application to the Health Insurance Marketplace within 30 days after loss of other coverage. Membership becomes effective either on the first day of the next month (for applications that Health Insurance Marketplace or Health Plan receives by the fifteenth day of a month) or on the first day of the month following the next month (for applications that Health Insurance Marketplace or Health Plan receives after the fifteenth day of a month).

NOTE: If You are enrolling as a Subscriber along with at least one eligible Dependent, only one of You must meet one of the requirements stated above.

SECTION 2 - How to Obtain Services

As a Member, You are selecting Kaiser Permanente as Your health care plan. The Services described in this EOC are covered ONLY if they are benefits provided, prescribed or directed by a Plan Physician and are Medically Necessary. Some Services will also require Prior Authorization by Health Plan. When You receive covered Services for which You do not have Prior Authorization or that You receive from non-Plan Physicians or from non-Plan Facilities that have not been approved by Us in advance, We will not pay for them except in an Emergency. Charges for these medical services will be Your financial responsibility. You must receive all Services from Plan Providers, except as described under the following headings:

- Emergency Services;
- Getting a Referral; and
- Receiving Care in Another Kaiser Region.

To receive and/or to be eligible for payment for covered Services, You must be enrolled in the Health Plan on the date on which You receive each covered Service (even if Your enrollment is terminated retroactively). Anyone who is not a Member on the date the Service is provided will be billed for any Services We provide in the amount of the applicable Eligible Charge. Requests for payment from Plan Providers for covered Services will be denied if You are not a Member on the date of which the Services are rendered.

Covered Services for Members are provided or directed Medical Group and by Affiliated Community Physicians. Medical Group Physicians provide Services at Kaiser Permanente Medical Centers in the Service Area. Affiliated Community Physicians provide services in their own medical offices.

The Medical Group and Affiliated Community Physicians assume responsibility for Your care; and they either provide Your care directly or refer You to other Plan Providers or Designated Specialist Physicians who are specialists for Services that are Medically Necessary.

You may be required to pay Copayments, Annual Deductible(s), any other deductible(s) applicable to the benefit, a specific Service, and Coinsurance for some Services. When You pay a Copayment, Annual Deductible, deductible and Coinsurance ask for and keep the receipt. There may be limits to the total amount of Copayments, Coinsurance and deductibles You must pay each Year for certain Services covered under this EOC. Refer to the “Schedule of Benefits” section for more information.

You may choose to receive certain covered High-Tech radiology Services at a facility operated by Health Plan such as Our medical centers or at an outpatient facility designated by Health Plan. The Outpatient surgery cost share applies in the office setting when a licensed staff member monitors your vital signs as you regain sensation after receiving drugs to reduce sensation or to minimize discomfort. Refer to Our Physician Directory or You may access Our website at www.kp.org for a list of locations where You may receive Your Services. Your Cost Sharing typically is lower when

You receive covered Services at facilities operated by Health Plan.

Choosing Your Personal Physician

Your Kaiser Permanente personal physician plays an important role in coordinating Your health care needs, including Plan Hospital stays and referrals to other Plan Providers. We encourage You to choose a Medical Group Physician or an Affiliated Community Physician as Your personal physician when You enroll.

You and each member of Your family will need to select a personal physician upon enrollment. You may choose any Plan Physician who is available to accept You. If You do not select a personal physician upon enrollment, We will assign a Medical Group Physician or based upon Your home address. That Plan Physician will be listed in Our records as Your personal physician until You select Your personal physician and inform Us of Your decision.

The following types of Plan Physicians may be chosen as a personal physician:

- Family Practice;
- Internal Medicine;
- General Practice; or
- Pediatrics/Adolescent Medicine for members who are under the age of 19.

Adults should select an internal medicine, general practice or family practice physician. Parents may choose a pediatrician as the personal Plan Physician for their child. Parents may also choose a family practice, or general practice physician for their children, or a family practice physician can be selected for the entire Family. **NOTE:** Some general practitioners only treat adults. Please verify when scheduling an appointment for Your child with a general practitioner that such Plan Physicians treat children. To learn how to choose or change a personal physician, please call Our Member Services Department, Monday through Friday from 7 a.m. to 7 p.m. at 404- 261-2590 (local) or 1-888-865-5813 (long distance). You can access Our Web site at www.kp.org to choose a personal physician or to view a current listing of physicians.

Changing Your Personal Physician

You may change Your Kaiser Permanente personal physician as often as You wish using one of the options listed below. Make sure to have Your Kaiser Permanente health record number available.

- Call Our Member Service Department Monday through Friday from 7 a.m. to 7 p.m. at 404- 261-2590 (local) or 1-888-865-5813 (long distance).
- Notify Your health care team while visiting one of Our Medical Centers.
- Access Our website at www.kp.org.

Referrals

If Your Kaiser Permanente personal physician determines that You require covered Services from a specialist, You will be referred to a Plan Provider.

You do not need to obtain a referral from Your Kaiser Permanente personal physician prior to receiving most specialty care Services from Our medical group providers (who practice in Kaiser Permanente medical offices). You also do not need a referral for any plan provider for the specialties described in the “Self-Referral” subsection below. For Services which require a referral and Prior Authorization, Your Kaiser Permanente personal physician will refer You to other Plan Physicians when You need covered Services from other Plan Providers and will obtain Prior Authorization for covered Services when required under Health Plan’s Quality Resource Management Program. If You request Services which are not Medically Necessary or exceed the specific Services (for example, exceed the number) authorized by Us, then You will be responsible for all charges associated with these unauthorized Services, and Health Plan will not pay for such Services.

If Your Kaiser Permanente personal physician decides that You require covered Services not available from Plan Providers, he or she will refer You to a non-Plan Provider. This referral must also be approved prior to Services being rendered. You must have an approved written referral to the Plan Provider, when required, or non-Plan Provider in order for Us to cover the Services. You will be responsible for the same Copayments, Coinsurance and/or deductible amounts that would be owed by You if such approved referral Service was being provided by a Plan Provider. If You change personal physicians, You need to discuss the specialty referral with Your new personal physician to obtain a new referral.

If You receive specialty Services for which You did not obtain a referral, You will be responsible for all charges associated with those Services including but not limited to, any Cost Sharing that You may owe for such Services. Additionally, ongoing referrals for specialty Services must be made by Your current personal physician at the time of the referral.

Self-Referral

You do not need a referral from Your Kaiser Permanente personal physician for appointments with Plan dermatologists, psychiatrists, behavioral health specialists, optometrists, ophthalmologists, or for most specialists in the Medical Group. Your personal physician works with specific specialty groups and may recommend a specialist to You. You may also choose one of the self-referral specialists.

Members do not need a referral or Prior Authorization in order to obtain access to obstetrical or gynecological care from a Plan Physician who specializes in obstetrics or gynecology. The Plan Physician, however, may have to get Prior Authorization for certain non-routine Services.

Hospital Care

Hospital Services, other than Emergency Services, require Prior Authorization and will be arranged by Your Plan Physician, and except when We authorize otherwise, will generally be provided at a Plan Hospital that We designate. We may direct that You receive covered hospital Services at a particular Plan Hospital so that We may better coordinate Your care using Medical Group Plan Physicians and Our electronic medical record system.

Plan Hospitals are listed in Your Physician Directory. This listing is subject to change during the Year.

SECTION 3 - Getting the Care You Need

Emergency Services and Urgent Care

Emergency Services

Emergency care is covered 24 hours a day, 7 days a week, anywhere in the world.

If You have an Emergency Medical Condition, call 911 (where available) or go to the nearest hospital emergency department. You do not need Prior Authorization for Emergency Services. When You have an Emergency Medical Condition, We cover Emergency Services that You receive from Plan Providers or non-Plan Providers anywhere in the world, as long as the Services would have been covered under “SECTION 7 - Benefits” (subject to “SECTION 8 - General Exclusions, Limitations, and Reimbursement of Health Plan, and Coordination of Benefits (COB)”) if You had received them from Plan Providers. Emergency Services are available from Plan Hospital emergency departments 24 hours a day, seven days a week.

Post-Stabilization Care

Post-Stabilization Care is Medically Necessary Services related to Your Emergency Medical Condition that You receive after Your treating physician determines that Your Emergency Medical Condition is Stabilized. We cover Post-Stabilization Care only if We provide Prior Authorization for the Services. **Therefore, it is very important that You, Your provider, or someone else acting on Your behalf, call Us to notify Us that You need Post-Stabilization Care and to get authorization from Us before You receive the care.**

After We are notified, We will discuss Your condition with Your emergency care Provider. If Your emergency care is provided by non-Plan Providers, We will try to arrange for Plan Providers to take over Your care as soon as Your medical condition and the circumstances allow as We determine. If We decide that You require Post-Stabilization Care and that this care would be covered if You received it from a Plan Provider, We will authorize Your care from the non-Plan Provider only if We cannot arrange to have a Plan Provider provide the care. If We decide to have a Plan Hospital, Skilled Nursing Facility, or designated non-Plan Provider provide Your care, We may authorize special transportation that is medically required to get You to the provider. This may include transportation that is otherwise not covered.

Even if You receive emergency care from a Plan Provider, You must still obtain Prior Authorization from Us *before* You receive Post-Stabilization Care. We may direct that You receive covered Post-Stabilization Care at a particular Plan Hospital so that We may better coordinate Your care using Medical Group Physicians and Our electronic medical record system, or at a Skilled Nursing Facility. **We will only pay for Post-Stabilization Care at the Plan Provider authorized by Us.**

To request Prior Authorization for Post-Stabilization Care, You, Your provider, or someone else acting on Your behalf

must call Us at 404-365-0966 (local) or 1-800-611-1811 (long distance), or the notification telephone number on Your Kaiser Permanente ID card *before* You receive the care. If You or Your treating providers do not obtain Prior Authorization from Us for Services that require Prior Authorization, We will not pay any amount for those Services and You may be liable to pay for these Services, in addition to any amounts such as deductibles, copayments or coinsurance.

Cost Sharing for Emergency Services

Please refer to the “Schedule of Benefits” for Cost Sharing for emergency department visits.

If You are admitted to a hospital from its emergency department because Your condition is not stabilized, the Cost Sharing for Plan Providers shown under “Hospital Inpatient Care” in the “Schedule of Benefits” section of this EOC applies. If You obtain Post-Stabilization Care from a Plan Provider or from a non-Plan Provider after Prior Authorization, Your Cost Sharing would also be the Cost Sharing shown under “Hospital Inpatient Care” in the “Schedule of Benefits” section of this EOC. More information may also be found in the “Payment and Reimbursement” subsection.

Services Not Covered Under this “Emergency Services”

Section: Coverage for covered Services that are not Emergency Services or Post-Stabilization Care as described in this “Emergency Services” subsection will be covered as described under other sections of this EOC.

Payment and Reimbursement

If You receive Emergency Services or Post-Stabilization Care from a non-Plan Provider as described in this “Emergency Services and Urgent Care” subsection, or emergency ambulance transportation described under “Ambulance Services” in “SECTION 7 - Benefits” or “Schedule of Benefits” section, You will have to pay the non-Plan Provider and file a claim for reimbursement unless the non-Plan Provider agrees to bill Us. Also, You may be required to pay and file a claim for any Services prescribed by a non-Plan Provider as part of covered Emergency Services or Post-Stabilization Care even if You receive the Services from a Plan Provider.

We will reduce any payment We make to You or the non-Plan Provider by applicable Cost Sharing. You can find more information regarding Our Claims and Appeals procedures in “SECTION 4 – Getting Assistance, Filing Claims, and Dispute Resolution.”

Urgent Care

An Urgent Care condition is one that requires prompt medical attention but is not an Emergency Medical Condition. Urgent care is described under “SECTION 7 - Benefits”, and includes care for an illness or injury of a less critical nature, such as the flu, stomach pain, vomiting, migraine headache, sprain, etc.

During Normal Business Hours

If You think You may need Urgent Care call Your Plan Physician's office or Our Health Line 24 hours a day, 7 days a week at 404- 365-0966 (local) or 1-800-611-1811 (long distance). Our advice nurses (RNs), are specially trained to help assess medical problems and provide medical advice when medically appropriate. They can help solve a problem over the phone and instruct You on self-care at home if appropriate. If the problem is more severe and You need an appointment, they will help You get one.

After Normal Business Hours

If You think You may need Urgent Care after normal business hours call Our Health Line. We cover Urgent Care Services at Our designated **Kaiser Permanente Urgent Care Centers**. Services must be obtained at **Kaiser Permanente Urgent Care Centers** or at one of the Affiliated Community Urgent Care Centers designated by Health Plan. These can be found at www.kp.org or in Your Physician Directory.

For information about Emergency Services or After-Hours Urgent Care refer to "Emergency Services" in "SECTION 7 - Benefits".

Cost Sharing for Urgent Care Services

The Cost Sharing for covered Services that are Urgent Care is the Cost Sharing required for Services provided by Plan Providers as described in the "Schedule of Benefits" section.

Please refer to "Emergency Services" in the "Schedule of Benefits" section for the Cost Sharing for Urgent Care consultations and exams. More information may also be found in the "Payment and Reimbursement" Section.

Services Not Covered Under this "Emergency Services and Urgent Care" Subsection

Coverage for Services that are not Emergency Services and Urgent Care Services as described in this "Emergency Services and Urgent Care" subsection will be covered as described under other sections of this EOC.

Routine Care Appointments

If You need to make a routine care appointment, please call Our Health Line Monday through Friday between the hours of 7 a.m. and 7 p.m., at, 404- 365-0966 (local), or 1-800-611-1811 (long distance) if You have selected a Medical Group Physician as Your personal physician. If You have selected an Affiliated Community Physician, then call Your physician's office.

Rescheduling of Services

In the event that You fail to make Your deductible, Copayment, or Coinsurance payments, Your appointments for non-urgent Services from Plan Providers may be rescheduled until such time as all amounts are paid in full or You have made other payment arrangements with Us.

Missed Appointments

You must give at least 24-hour notice to Your Plan Provider if You are not able to keep Your scheduled appointment. If You do not, You may be required to pay an administrative fee and/or pay for the cost of Services that were specifically arranged for Your visit as well as the cost of any drugs and supplies that were prepared to Your appointment and that cannot be reused.

Preventive Service

Preventive Services are described under "Preventive Visits and Services" in Our "SECTION 7 - Benefits" and are limited to as described therein. There is no Cost Sharing for Preventive Services as described under "Preventive Visits and Services" in Our "SECTION 7 - Benefits.". However, Cost Sharing will apply if non-Preventive Services are provided during a scheduled preventive visit.

Receiving Care in Another Kaiser Foundation Health Plan Service Area

You may receive visiting member services from another Kaiser regional health plan as directed by that other plan so long as such services would be covered under this EOC . Visiting member services shall be subject to the terms and conditions set forth in this EOC including but not limited to those pertaining to prior authorization and approval, and cost sharing Deductible, Copayment, or Coinsurance, as further described in the Visiting Member Brochure available online at www.kp.org/travel. Certain services are not covered as visiting member services. For more information about receiving visiting member services in other Kaiser regional health plan service areas, including provider and facility locations, please call Our Away from Home Travel Line at 951-268-3900. Information is also available online at www.kp.org/travel.

Moving Outside Our Service Area

If You move to another Kaiser Permanente plan service area, You may be able to apply to transfer Your Group membership if there is an arrangement with Your Group in the new service area. Contact Our Member Services Department or the Member Services Department in Your new service area to find out how to apply for membership there.

Eligibility requirements, benefits, Premium, and Copayments may not be the same in the other service area. You should contact Your Group's employee benefits coordinator before You move.

If You move outside the Service Area You may continue coverage under this EOC if You:

- Satisfy the Group's eligibility requirements
- Agree to return to the Service Area to receive all of Your covered Services, with the exception of Emergency Services, from Plan Providers.

Using Your Identification Card

Each Member has a Health Plan ID card with a Health Record Number on it, which is useful when You call for advice, make an appointment, or go to a Plan Provider for care. The Health Record Number is used to identify Your medical records and membership information.

You should always have the same Health Record Number. Please let Us know if We ever inadvertently issue You more than one Health Record Number by calling Our Member Services Department Monday through Friday from 7 a.m. to 7 p.m. at 404- 261-2590 (local) or 1-888-865-5813 (long distance).

The most important information on Your card is Your health record number. Information about Your personal physician will also be printed on Your card. If You select a Medical Group Physician, “Permanente Medical Group” will be printed on Your card. A sticker with Your actual personal physician’s name will be affixed to Your card during Your first visit to the Medical Center. However, if You select an Affiliated Community Physician, Your personal physician’s name and telephone number will be printed directly on Your card. Each time You change Affiliated Community Physicians, switch from an Affiliated Community Physician to a Medical Group Physician, or switch from a Medical Group Physician to an Affiliated Community Physician, You will receive a new card to reflect the change.

Also, Your ID card is a useful resource when You call for advice or make an appointment. You should take it with You whenever You have an appointment. Providers may request photo identification together with Your ID card to verify identity. If You need to replace Your card, please call Our Member Services Department, Monday through Friday from 7 a.m. to 7 p.m. at 404- 261-2590 (local) or 1-888-865-5813 (long distance).

Your ID card is for identification only. To receive covered Services, You must be a current Health Plan Member. Anyone who is not a Member will be billed the Eligible Charges for any Services We provide and claims for Services from non-Plan Providers will be denied. If You let someone else use Your I.D. card, We may keep Your I.D. card and terminate Your membership.

Member Confidentiality

Health Plan and Medical Group collect various types of protected health information (PHI). Your PHI includes individually identifiable information about Your health, health care services You receive, or payment for Your health care.

We may use or disclose Your PHI for treatment, payment, health research, and health care operations purposes, such as measuring the quality of Services. In addition, We are sometimes required by law to give PHI to government agencies or in judicial actions. We will not use or disclose Your PHI for any other purpose without Your (or Your representative’s) written authorization, except as described in Our *Notice of Privacy Practices* (see below).

We will protect the privacy of Your PHI. Health Plan and Medical Group employees are required to maintain the confidentiality of Our Members’ PHI. All providers with whom We contract are also required to maintain confidentiality.

Subject to limitations imposed under state and federal law, You may generally see and receive copies of Your PHI, request that We correct or update Your PHI, and request an accounting of certain disclosures of Your PHI. Note, if We amend information in Your medical record at Your request, Your original medical record documentation will not be deleted from the medical record.

All requests must be made in writing and should be submitted to the medical record department located in the medical facility that You regularly visit. If You do not know where You received care, the requests should be submitted to the Member Services Department. Note that We may charge a fee for copies provided to You.

This is only a brief summary of some of Our key privacy practices. Our *Notice of Privacy Practices* provides additional information about Our privacy practices and Your rights regarding Your PHI.

Note: Health Plan and all Plan Providers must comply with all applicable law pertaining to the disclosure of medical information without Your consent except as permitted by law.

If You have questions about Our policies and procedures to maintain the confidentiality of Your PHI or would like a copy of Our Notice of Privacy Practices, please call Our Member Services Department, Monday through Friday from 7 a.m. to 7 p.m. at 404- 261-2590 (local) or 1-888-865-5813 (long distance).

SECTION 4 - Getting Assistance, Filing Claims, and Dispute Resolution

Getting Assistance

Our Member Services Department can answer questions You have about Your benefits, available Services, and the facilities where You can receive care. For example, representatives can explain Your Health Plan benefits, how to make Your first medical appointment with a Plan Provider, what to do if You move, what to do if You need care while You are traveling, and how to replace an ID card. These representatives can also help You if You need to request Services, file a claim for or to initiate a grievance for any unresolved problem.

We want You to be satisfied with Your health care. Please discuss any problems with Your personal physician or the other health care professionals who are treating You.

Complaint Procedure

All people who work with the Kaiser Permanente Medical Care Program share responsibility for assuring Member satisfaction. If You have a problem or concern about the manner in which Services are provided by Plan Providers, please ask for Our help.

Each Kaiser Permanente Medical Center has an administrator who is responsible for concerns involving the Medical Center. If You have a problem with some aspect of medical service provided by physicians or other providers at one of Our Medical Centers, call or visit the administrative office at the Medical Center where You receive Your care.

For help with a question or problem involving Your care, call Member Services at 404- 261-2590 (local) or 1-888-865-5813 (long distance). A Member Services Representative will be glad to help.

Give complete information so that the person with whom You speak can work with You to answer Your questions and to resolve Your problem quickly.

- If You are dissatisfied with the way Your complaint has been handled, You may request a second review of Your complaint. To request a second review, contact the Member Services Department Monday through Friday from 7 a.m. to 7 p.m. at 404- 261-2590 (local) or 1-888-865-5813 (long distance). The Member Services Department will assist You with submitting any additional information related to the second review of Your complaint. The Member Relations Department will respond to Your request within 30 calendar days.
- If Your complaint remains unresolved, You may submit Your written complaint to the State of Georgia Office of Insurance and Safety Fire Commissioner or Department of Human Services. We will be sent a copy of Your complaint. We will respond in writing to the State of Georgia Office of Insurance and Safety Fire Commissioner or Department of Human Services within 10 working days of receipt of the complaint.

Claims and Appeals Procedures

Health Plan will review claims and appeals, and We may use medical experts to help Us review them.

The following terms have the following meanings when used in this “Claims and Appeals Procedures” subsection:

A **claim** is a request for Us to:

- provide or pay for a Service that You have not received (pre-service claim),
- continue to provide or pay for a Service that You are currently receiving (concurrent care claim), or
- pay for a Service that You have already received (post-service claim).

An **appeal** is a request for Us to review Our initial adverse benefit determination.

An **adverse benefit determination** is Our decision to do any of the following:

- deny Your claim, in whole or in part,
- terminate Your membership retroactively except as the result of non-payment of premiums (also known as rescission), or
- uphold Our previous adverse benefit determination when You appeal.

If You miss a deadline for making a claim or appeal, We may decline to review it.

Except when simultaneous external review can occur, You must exhaust the internal claims and appeals procedure (as described below in this “Claims and Appeal Procedures” subsection) for Your claim before You can request external review or seek judicial relief.

Language and Translation Assistance

You may request language assistance with Your claim and/or appeal by calling Member Services Department Monday through Friday from 7 a.m. to 7 p.m. at 404- 261-2590 (local) or 1-888-865-5813 (long distance).

If We send You an adverse benefit determination at an address in a county where a federally mandated threshold language applies, then You may request translation of that notice into the applicable threshold language. A threshold language applies to a county if at least, 10% of the population is literate only in the same federally mandated non-English language. You may request translation of the notice by calling Our Member Services Department Monday through Friday from 7 a.m. to 7 p.m. at 404- 261-2590 (local) or 1-888-865-5813 (long distance).

Sharing Additional Information That We Collect

We will send You any additional information that We collect in the course of Your appeal. If We believe that Your appeal of Our initial adverse benefit determination will be denied, then before We issue Our final adverse benefit determination We will also share with You any new information that We have collected and/or new or additional reasons for that decision. We will send You a letter explaining the new or additional information and/or reasons and inform You how You can respond to the information in the letter if You choose to do so. If You do not respond before We must make Our final decision, that decision will be based on the information already in Your claim file.

Internal Claims and Appeals Procedures

There are several types of claims, and each has a different procedure described below for sending Your claim and appeal to Us as described in this Internal Claims and Appeals Procedures subsection:

- Pre-service claims (urgent and non-urgent)
- Concurrent care claims (urgent and non-urgent)
- Post-service claims

In addition, there is a separate appeals procedure for adverse benefit determinations due to a retroactive termination of membership (rescission).

Pre-service claims and appeals. Pre-service claims are requests that We provide or pay for a Service that You have not yet received. Failure to receive authorization before receiving a Service that must be authorized or pre-certified in order to be a covered benefit may be the basis for Our denial of Your pre-service claim or a post-service claim for payment. If You receive any of the Services You are requesting before We make Our decision, Your pre-service claim or appeal will become a post-service claim or appeal with respect to those Services. If You have any general questions about pre-service claims or appeals, please call Member Services at 404- 261-2590 (local) or 1-888-865-5813 (long distance).

Here are the procedures for filing a pre-service claim, a non-urgent pre-service appeal, and an urgent pre-service appeal.

Pre-Service Claim

Tell Health Plan in writing that You want to make a claim for Us to provide or pay for a Service You have not yet received.

Your request and any related documents You give Us constitute Your claim. You may call Our Member Services Department at 404- 261-2590 (local) or 1-888-865-5813 (long distance), or mail or deliver a letter to:

**Kaiser Permanente
Member Services Department
Nine Piedmont Center
3495 Piedmont Road, NE
Atlanta, GA 30305-1736**

Or via Fax at 404-364-4743.

- If You want Us to consider Your pre-service claim on an urgent basis, Your request should tell Us that by calling all Our Member Services Department at 404-261-2590 (local) or 1-888-865-5813 (long distance). We will decide whether Your claim is urgent or non-urgent unless Your attending health care provider tells Us Your claim is urgent. If We determine that Your claim is not urgent, We will treat Your claim as non-urgent. Generally, a claim is urgent only if using the procedure for non-urgent claims (a) could seriously jeopardize Your life, health, or ability to regain maximum function, or (b) would, in the opinion of a physician with knowledge of Your medical condition, subject You to severe pain that cannot be adequately managed without the Services You are requesting.
- We will review Your claim and, if We have all the information We need, We will make a decision within a reasonable period of time but not later than 15 days after We receive Your claim. We may extend the time for making a decision for an additional 15 days if circumstances beyond Our control delay Our decision, if We notify You prior to the expiration of the initial 15 day period. If We tell You We need more information, We will ask You for the information within the initial 15 day decision period, and We will give You 45 days to send the information. We will make a decision within 15 days after We receive the first piece of information (including documents) We requested. We encourage You to send all the requested information at one time, so that We will be able to consider it all when We make Our decision. If We do not receive any of the requested information (including documents) within 45 days after We send Our request, We will make a decision based on the information We have within 15 days following the end of the 45 day period.
- We will send written notice of Our decision to You and, if applicable to Your provider.
- If Your pre-service claim was considered on an urgent basis, We will notify You of Our decision orally or in writing within a timeframe appropriate to Your clinical condition but not later than 72 hours after We receive Your claim. Within 24 hours after We receive Your claim, We may ask You for more information. We will notify You of Our decision within 48 hours of receiving the first piece of requested information. If We do not

receive any of the requested information, then We will notify You of Our decision within 48 hours after making Our request. If We notify You of Our decision orally, We will send You written confirmation within 3 days after that.

- If We deny Your claim (if We do not agree to provide or pay for all the Services You requested), Our adverse benefit determination notice will tell You why We denied Your claim and how You can appeal.

Non-Urgent Pre-Service Appeal

Within 180 days after You receive Our adverse benefit determination notice, You must tell Us in writing that You want to appeal Our denial of Your pre-service claim. Please include the following: (1) Your name and Medical Record Number, (2) Your medical condition or relevant symptoms, (3) the specific Service that You are requesting, (4) all of the reasons why You disagree with Our adverse benefit denial, and (5) all supporting documents. Your request and the supporting documents constitute Your appeal. You may call the Appeals Department at 404- 364-4862, or mail or deliver a letter to:

**Kaiser Permanente
Appeals Department
Nine Piedmont Center
3495 Piedmont Road, NE
Atlanta, GA 30305-1736**

Or via Fax at 404-364-4743.

- We will review Your appeal and send You a written decision within 30 days after We receive Your appeal.
- If We deny Your appeal, Our adverse benefit determination notice will tell You why We denied Your appeal and will include information regarding any further process, including external review that may be available to You.

Urgent Pre-Service Appeal

Tell Us that You want to urgently appeal Our adverse benefit determination regarding Your pre-service claim. Please include the following: (1) Your name and Medical Record Number, (2) Your medical condition or symptoms, (3) the specific Service that You are requesting, (4) all of the reasons why You disagree with Our adverse benefit determination, and (5) all supporting documents. Your request and the supporting documents constitute Your appeal. You must submit Your appeal in writing. Your request and the supporting documents constitute Your appeal. You may call the Appeals Department at 404- 364-4862, or mail or deliver a letter to:

**Kaiser Permanente
Appeals Department
Nine Piedmont Center
3495 Piedmont Road, NE
Atlanta, GA 30305-1736**

- When You send Your appeal, You may also request simultaneous external review of Our initial adverse benefit determination. If You want simultaneous external review, Your appeal must tell Us this. You will be eligible for the simultaneous external review only if Your pre-service appeal qualifies as urgent. If You do not request simultaneous external review in Your appeal, then You may be able to request external review after We make Our decision regarding Your appeal (see “External Review” in this “SECTION 4 – Getting Assistance, Filing Claims, and Dispute Resolution”), if Our internal appeal decision is not in Your favor.
- We will decide whether Your appeal is urgent or non-urgent unless Your attending health care provider tells Us Your appeal is urgent. If We determine that Your appeal is not urgent, We will treat Your appeal as non-urgent. Generally, an appeal is urgent only if using the procedure for non-urgent claims or appeals (a) could seriously jeopardize Your life, health, or ability to regain maximum function, or (b) would, in the opinion of a physician with knowledge of Your medical condition, subject You to severe pain that cannot be adequately managed without the Services You are requesting.
- We will review Your appeal and give You oral or written notice of Our decision as soon as Your clinical condition requires, but not later than 72 hours after We received Your appeal. If We notify You of Our decision orally, We will send You a written confirmation within 3 days after that.
- If We deny Your appeal, Our adverse benefit determination notice will tell You why We denied Your appeal and will include information regarding any further process, including external review, that may be available to You.

Concurrent Care Claims and Appeals. Concurrent care claims are requests that Health Plan continue to provide, or pay for, an ongoing course of covered treatment to be provided over a period of time or number of treatments, when the course of treatment already being received is scheduled to end. If You have any general questions about concurrent care claims or appeals, please call Member Services at 404-261-2590 (local) or 1-888-865-5813 (long distance).

If We either (a) deny Your request to extend Your current authorized ongoing care (Your concurrent care claim) or (b) inform You that authorized care that You are currently receiving is going to end early and You appeal Our adverse benefit determination at least 24 hours before Your ongoing course of covered treatment will end, then during the time that We are considering Your appeal, You may continue to receive the authorized Services. If You continue to receive these Services while We consider Your appeal and Your appeal does not result in Our approval of Your concurrent care

claim, then You will have to pay for the Services that We decide are not covered.

Here are the procedures for filing a concurrent care claim, a non-urgent concurrent care appeal, and an urgent concurrent care appeal:

Concurrent Care Claim

Tell Us in writing that You want to make a concurrent care claim for an ongoing course of covered treatment. Inform Us in detail of the reasons that Your authorized ongoing care should be continued or extended. Your request and any related documents You give Us constitute Your claim. You must call, mail or deliver Your claim to Us. You may call Member Services at 404- 261-2590 (local) or 1-888-865-5813 (long distance), or mail or deliver a letter to:

**Kaiser Permanente
Member Services Department
Nine Piedmont Center
3495 Piedmont Road, NE
Atlanta, GA 30305-1736**

- If You want Us to consider Your claim on an urgent basis and You contact Us at least 24 hours before Your care ends, You may request that We review Your concurrent claim on an urgent basis. We will decide whether Your claim is urgent or non-urgent unless Your attending health care provider tells Us Your claim is urgent. If We determine that Your claim is not urgent, We will treat Your claim as non-urgent. Generally, a claim is urgent only if using the procedure for non-urgent claims (a) could seriously jeopardize Your life, health or ability to regain maximum function, or (b) would, in the opinion of a physician with knowledge of Your medical condition, subject You to severe pain that cannot be adequately managed without extending Your course of covered treatment.
- We will review Your claim, and if We have all the information We need We will make a decision within a reasonable period of time. If You submitted Your claim 24 hours or more before Your care is ending, We will make Our decision before Your authorized care actually ends. If Your authorized care ended before You submitted Your claim, We will make Our decision but no later than 15 days after We receive Your claim. We may extend the time for making a decision for an additional 15 days if circumstances beyond Our control delay Our decision, if We send You notice before the initial 15 day decision period ends. If We tell You We need more information, We will ask You for the information before the initial decision period ends, and We will give You until Your care is ending or, if Your care has ended, 45 days to send Us the information. We will make Our decision as soon as possible, if Your care has not ended, or within 15 days after We first receive any information (including documents) We requested. We encourage You to send all the requested information at one time, so that We will be able to consider it all when We make Our decision. If We

do not receive any of the requested information (including documents) within the stated timeframe after We send Our request, We will make a decision based on the information We have within the appropriate timeframe, not to exceed 15 days following the end of the timeframe We gave You for sending the additional information.

- We will send written notice of Our decision to You and, if applicable to Your provider.
- If We consider Your concurrent claim on an urgent basis, We will notify You of Our decision orally or in writing as soon as Your clinical condition requires, but not later than 24 hours after We received Your appeal. If We notify You of Our decision orally, We will send You written confirmation within 3 days after receiving Your claim.
- If We deny Your claim (if We do not agree to provide or pay for extending the ongoing course of treatment), Our adverse benefit determination notice will tell You why We denied Your claim and how You can appeal.

Non-Urgent Concurrent Care Appeal

Within 180 days after You receive Our adverse benefit determination notice, You must tell Us in writing that You want to appeal Our adverse benefit determination. Please include the following: (1) Your name and Medical Record Number, (2) Your medical condition or symptoms, (3) the ongoing course of covered treatment that You want to continue or extend, (4) all of the reasons why You disagree with Our adverse benefit determination, and (5) all supporting documents. Your request and all supporting documents constitute Your appeal. You must send Your appeal to Our Appeals Department at the address shown below or, call Our Appeals Department at 404- 364-4862.

**Kaiser Permanente
Appeals Department
Nine Piedmont Center
3495 Piedmont Road, NE
Atlanta, GA 30305-1736**

- We will review Your appeal and send You a written decision as soon as possible if Your care has not ended but not later than 30 days after We receive Your appeal.
- If We deny Your appeal, Our adverse benefit determination decision will tell You why We denied Your appeal and will include information about any further process, including external review, that may be available to You.

(3) the ongoing course of covered treatment that You want to continue or extend, (4) all of the reasons why You disagree with Our adverse benefit determination, and (5) all supporting documents. Atlanta, GA 30305-1736**

- When You send Your appeal, You may also request simultaneous external review of Our adverse benefit determination. If You want simultaneous external review, Your appeal must tell Us this. You will be eligible for the simultaneous external review only if Your concurrent care claim qualifies as urgent. If You do not request simultaneous external review in Your appeal, then You may be able to request external review after We make Our decision regarding Your appeal (see “External Review” in this “Claims and Appeals Procedures” subsection).
- We will decide whether Your appeal is urgent or non-urgent unless Your attending health care provider tells Us Your appeal is urgent. If We determine that Your appeal is not urgent, We will treat Your appeal as non-urgent. Generally, an appeal is urgent only if using the procedure for non-urgent appeals (a) could seriously jeopardize Your life, health, or ability to regain maximum function, or (b) would, in the opinion of a physician with knowledge of Your medical condition, subject You to severe pain that cannot be adequately managed without continuing Your course of covered treatment.

We will review Your appeal and notify You of Our decision orally or in writing as soon as Your clinical condition requires, but no later than 72 hours after We receive Your appeal. If We notify You of Our decision orally, We will send You a written confirmation within 3 days after that.

- If We deny Your appeal, Our adverse benefit determination notice will tell You why We denied Your appeal

and will include information regarding any further process, including external review, that may be available to You.

External Review

If You are dissatisfied with Our final internal adverse benefit determination, You may have a right to request an external review by an independent third-party when our final adverse benefit determination relies on medical judgment or involves a decision related to rescission of your coverage.

- Within four months after the date on which You receive Our final internal adverse benefit determination, send Your written request for external review to:

MAXIMUS Federal Services
3750 Monroe Avenue, Suite 705
Pittsford, NY 14534

Or, You may fax Your request to 1-888-866-6190 or submit Your request online at www.externalappeal.com. If You have any questions or concerns during the external review process, You may call toll free 1-888-866-6205.

- You must submit a Privacy Act Statement with Your request for external review. We will provide a copy of it to You with Our final internal adverse benefit determination. If You need another copy You may request one from Us by calling 877-549-8152 or You can download a copy at https://www.cms.gov/CCIIO/Resources/Files/Downloads/notice_of_privacy_act_rights_sept_7_2010.pdf.
- You may submit additional information to the external reviewer by sending it to the external reviewer address or fax number set forth above. Please note that any additional information that You submit will be shared with Us so that We may reconsider Our final internal adverse benefit determination.
- The federal external reviewer will first determine whether You are entitled to external review and will notify You and Us in writing if You are not eligible for external appeal. The Federal External Review will then review all of the information and documents timely received *de novo* and will provide written notice of a final external review decision as soon as possible and no later than 45 days after the federal external reviewer receives Your request for external review. This written notice will be sent to You and Us.
- You may make a written or oral request for an expedited external review if (1) the timeframe for completion of an expedited internal appeal would seriously jeopardize Your life or health or would jeopardize the claimant's ability to regain maximum function but only when You have also filed a timely request for an expedited internal appeal related to Your urgent pre-service or concurrent care claim, or (2) You have received Our final internal adverse benefit determination and You

have a medical condition for which the timeframe for completion of a standard external review would seriously jeopardize Your life or health or if the final internal adverse benefit determination concerns an admission, availability of care, continued state or health care supply or service for which You have received services, but have not been discharged from a facility. If the external reviewer determines that You are not eligible for expedited external review, then the external reviewer will notify You and Us as soon as possible. The external reviewer must provide notice of the final external review decision as soon as the medical circumstances require but no later than 72 hours after the external review receives Your request for expedited external review unless You are in an ongoing course of treatment for that condition and then the external review decision will be provided within 24 hours. This notice may be provided orally but must be followed in writing to You and Us within 48 hours of the oral notification.

To make a request for expedited external review you may select "expedited" if submitting the review request online, or by emailing FERP@maximus.com, asking for expedited review in your written request for external review or calling the Federal External Review Process at 888-866-6052 ext. 3326.

- If the external reviewer overturns Our decision with respect to any Service, We will provide coverage or payment for that Service as directed.

Except when external review is permitted to occur simultaneously with Your urgent pre-service appeal or urgent concurrent care appeal, You must exhaust Our internal claims and appeals procedure for Your claim before You may request external review unless We have failed to comply with federal requirements regarding Our claims and appeals procedures.

Additional Review

You may have certain additional rights if You remain dissatisfied after You have exhausted Our internal claims and appeals procedures, and if applicable, external review. If You are enrolled through a plan that is subject to the Employee Retirement Income Security Act (ERISA), You may file a civil action under section 502(a) of the federal ERISA statute. To understand these rights, You should check with Your benefits office or contact the Employee Benefits Security Administration (part of the U.S. Department of Labor) at 1-866-444-EBSA (3272). Alternatively, if Your plan is not subject to ERISA (for example, most state or local government plans and church plans or all individual plans), You may have a right to request review in state court.

SECTION 5 -Termination or Rescission of Membership

Termination Generally

Subject to Our right to terminate coverage for the reasons described below under the subsections entitled “Termination Due to Loss of Eligibility”, and “Termination of Group Agreement”, We may terminate the membership of the Subscriber and all enrolled Dependents if:

- Your Group fails to pay Us the appropriate Premium due; or
- You perform an act, practice, or omission that constitutes fraud, or make an intentional misrepresentation of material fact in procuring coverage, such as knowingly (1) intentionally misrepresenting membership status, (2) presenting an invalid prescription or physician order, (3) misusing or letting someone else misuse a member ID card, or (4) failing to notify Us of family status or Medicare coverage changes that may affect eligibility for membership.

Note: We may report any Member fraud to the authorities for prosecution and pursue civil remedies.

- The Group’s membership with a bona fide association is terminated; or
- Termination for any of these reasons is effective 30 days after written notice. All rights to benefits cease as of the date of termination.

To the extent required by law, termination shall not prejudice an existing claim initially incurred while Your membership was in full force and in effect.

Rescission of Membership

We may rescind Your membership after it becomes effective (completely cancel Your membership so that no coverage ever existed) if You do either of the following:

- Perform an act, practice or omission that constitutes fraud in connection with Your membership or application for membership
- Make an intentional misrepresentation of material fact in connection with Your membership or application for membership.

We will send written notice at least 30 days in advance of the date of rescinding Your membership, but the rescission will completely cancel Your membership so that no coverage ever existed. You will be required to pay as a non-Member for any Services that We covered. We will refund all applicable Premiums, except that We may subtract any amounts that You owe Us including but not limited to amounts for Services that were covered.

If You receive a notice that Your membership will be rescinded, You may file a timely complaint about the termina-

tion, using the complaint procedure described in the “SECTION 4 – Getting Assistance, Filing Claims, and Dispute Resolution” of this EOC. If the complaint is filed on time, then the termination is effective on the later of (1) 30 days after written notice; or (2) after the final decision under the Claims and Appeals Procedure affirming the rescission.

Note: We may report any Member fraud to the authorities for prosecution and pursue civil remedies.

Termination Due to Loss of Eligibility

If You meet the eligibility requirements described under “Who Is Eligible” in “SECTION 1 - Introduction” on the first day of a month, but later in that month You no longer meet those eligibility requirements, Your membership terminates on the last day of that month unless Your Group has an agreement with Us to terminate at a time other than on the last day of the month. Please check with Your Group’s benefits administrator to confirm Your termination date.

Termination of Group Agreement

If the Group or Health Plan terminates the Group Agreement, Your coverage through the Group will end on the date the Group Agreement terminates subject to continuation of certain benefits for totally disabled Members. See “Continued Benefits For Certain Disabled Members” below.

Continuation of Coverage

Upon loss of eligibility under “Who is Eligible” in the “SECTION 1 - Introduction” You may continue uninterrupted coverage hereunder upon arrangement with Group in compliance with the “Consolidated Omnibus Budget Reconciliation Act of 1985, amendments thereto, and related statutes (collectively “COBRA”)” section below or in compliance with the related “Georgia statutes for Continuation of Coverage” subsection below.

Uniformed Services Employment and Reemployment Rights Acts (USERRA)

If You are called to active duty in the uniformed services, You may be able to continue Your coverage under this EOC for a limited time after You would otherwise lose eligibility, if required by the federal USERRA law. You must submit a USERRA election form to Your Group within 60 days after Your call to active duty. Please contact Your Group if You want to know how to elect USERRA coverage or how much You will have to pay Your Group for it.

Federal Law

You may be able to continue Your coverage under this EOC for a limited time after You would otherwise lose eligibility, if required by the federal Consolidated Omnibus Budget Reconciliation Act “COBRA” law. Please contact Your Group if You want to know how to elect COBRA coverage or how much You will have to pay Your Group for it.

Georgia Statutes for Continuation of Coverage

- A. A Group Member may continue uninterrupted coverage upon payment of applicable Premium to Group if the Member is a Subscriber, or the Member's coverage is through a Subscriber whose coverage has been effective under this EOC (or under any group policy providing similar benefits which replaces this EOC) for six (6) continuous months immediately prior to termination; unless:
1. The employment of the Subscriber was terminated for cause; or
 2. The Group coverage was terminated and immediately replaced by similar group coverage;
 3. The Group Agreement was terminated in its entirety or with respect to a class in which the Subscriber belongs; or
 4. The Subscriber failed to pay any contribution required by Group.
- B. Coverage under this section continues only:
1. Upon payment of applicable Premium not to exceed 100% of the established Premium for the Group and at the time specified by Group; and
 2. Until the end of the month in which eligibility terminated and for a period of three (3) consecutive additional months. The terms and conditions of this coverage are governed by the Georgia statutes for Continuation of Coverage.
 3. We may terminate any Member enrolled under "Continuation of Coverage" for whom We do not receive payment when due.

Continued Benefits for Certain Disabled Members

If the Group Agreement between Health Plan and Group is terminated a Member who is totally disabled on the effective date of termination shall, subject to all exclusions, limitations and reductions of this EOC, including payment of Copayments, Coinsurance, deductibles and charges in excess of the Eligible Charges, as described in the applicable EOC, be covered for the disabling condition until the earliest of the following events occurs: (1) for 12 months; or (2) until no longer totally disabled; or (3) until the benefits under this EOC expire; or (4) until Medical Group determines that treatment is no longer medically appropriate for the disabling condition. All the provisions of the Group Agreement and this EOC shall apply to such continuation coverage. For purposes of this section, a person is totally disabled if he or she has any medically determinable physical or mental impairment that renders the person unable to (1) do any of the material acts necessary to the transaction of his or her occupation as that occupation is customarily practiced, or (2) perform any of the material activities or duties of individuals of like sex and age, as determined by Medical Group.

Medicare

For Members entitled to Medicare, Medicare is the primary coverage except when federal law (TEFRA) requires that

Group's health care plan be primary and Medicare coverage be secondary. Members eligible for Medicare as their secondary coverage are subject to the same Premium and receive the same benefits as Members who are not eligible for Medicare.

If You meet one of the Medicare eligibility criteria, 65 or older, medically disabled, or diagnosed with end stage renal disease (ESRD), You may enroll in Medicare Parts A and B. Please contact Your Group's benefits administrator for details on enrolling in a Medicare or retiree or disability coverage. For additional information on Medicare eligibility, please contact Social Security toll free at 1-800-772-1213 (TTY 1-800-325-0778) Monday through Friday from 7:00 a.m. to 7:00 p.m. or visit their website at <https://www.ssa.gov>.

SECTION 6 - Miscellaneous Provisions

Administration of Agreement

We may adopt reasonable policies, procedures, and interpretations to promote orderly and efficient administration of this Agreement.

Agreement Binding on Members

By electing coverage or accepting benefits under this EOC, all Members legally capable of contracting, and the legal representatives of all Members incapable of contracting, agree to all provisions of this EOC.

Amendment of Agreement with Group

Your Group's Agreement with Health Plan will change periodically. If those changes affect this EOC, Your Group is required to make revised materials available to You.

No agent or other person except an officer of Health Plan has authority to do any of the following: (1) waive any condition or restriction of this Agreement; (2) extend the time for making Premium; or (3) bind Health Plan by making any promises or representations or by giving or receiving any information.

Applications and Statements

You must complete any applications, forms, or statements that We request in Our normal course of business or as specified in this EOC and We will rely on the information in Your application.

Assignment

You may not assign this EOC or any of the rights, interests, claims for money due, benefits, or obligations hereunder without Our prior written consent.

Contracts with Providers

Health Plan and Plan Providers are independent contractors.

Your Plan Providers are paid in a number of ways, including salary, capitation, case rates, fee for service, and incentive payments based on factors such as quality of care, Member satisfaction and other performance measures.

If You would like further information about the way Plan Providers are paid to provide or arrange medical and hospital care for Members, please call Our Member Services Department, Monday through Friday from 7 a.m. to 7 p.m. at 404-261-2590 (local) or 1-888-865-5813 (long distance).

Our contracts with Plan Providers provide that You are not liable for any amounts We owe. However, You may be liable for the cost of non-covered Services or Services You obtain from non-Plan Providers or after Your membership terminates. You will owe cost sharing amounts to Plan Providers until You satisfy any deductible and/or out-of-pocket maximum amounts.

If Our contract with any Plan Provider terminates while You are under the care of that physician or hospital, We will retain financial responsibility for covered Services You receive from that physician, in excess of any applicable deductibles, Copayments, or Coinsurance, until We make arrangements for the Services to be provided by another Plan Provider and so notify You.

In addition, if You currently are undergoing an active course of treatment from a Plan Provider when the contract with him or her ends (for reasons other than medical disciplinary cause or criminal activity), You may be eligible to continue receiving covered Services from the terminated physician for Your condition. The conditions that are subject to this continuation of care provision are:

- Chronic condition or terminal illness or if You are inpatient. The covered Services may continue for up to 60 days, from the date of the provider contract termination date if necessary for a safe transfer of care to a Plan Provider or other provider as determined by Us.
- Covered Services related to pregnancy. Covered Services will continue for the remainder of that pregnancy, including six weeks of postnatal care if necessary for a safe transfer of care to a Plan Provider as determined by Us.

Continuation of Care with Terminated Providers

For any continuation of care with a terminated provider (as explained in this section), the Services must be otherwise covered under this EOC. Also, the terminated physician must agree in writing to Our contractual terms and conditions and comply with them for covered Services to continue to be covered by Us.

If You would like more information about this provision, or to make a request, please call Our Member Services Department, Monday through Friday from 7 a.m. to 7 p.m. at 404-261-2590 (local) or 1-888-865-5813 (long distance).

Governing Law

Except as preempted by applicable federal law, this EOC will be governed in accord with Georgia law and any provision that is required to be in this EOC by state or federal law shall bind Member and Health Plan whether or not set forth in this EOC.

New Technology Assessments

We participate in Kaiser Permanente's Interregional New Technologies Committee's evaluation of new technologies. Medical Group Physicians can provide input and make requests through Us for treatments involving new technologies and their inclusion as a Service. Decisions about implementing new technologies including but not limited to those medical and behavioral health care treatments, pharmaceuticals and medical devices, are coordinated through Kaiser Permanente's New Technology Review Committee.

Victims of Family Violence or Sexual Abuse

The laws of the State of Georgia prohibit insurers from unfairly discriminating against any person based upon his or her status as a victim of family violence or sexual assault.

Member Rights and Responsibilities

As a Member, it is important to know Your rights and responsibilities. To have a detailed discussion or to obtain a detailed description of Your rights and responsibilities, please call Our Member Services Department, Monday through Friday from 7 a.m. to 7 p.m. at 404- 261-2590 (local) or 1-888-865-5813 (long distance).

Your participation in decisions about Your health care and Your willingness to communicate with Your Plan Provider help Us to provide You appropriate and effective health care. We want to make sure You receive the information You need to participate in Your health care. We also want to make sure Your rights to privacy and to considerate care are honored.

As an adult member, You can exercise these rights Yourself. If You are a minor, or if You become incapable of making decisions about Your health care, these rights will be exercised by the person having legal responsibility for participating in decisions concerning Your medical care.

You have the right to...

... Participate with practitioners in making decisions about Your health care. This includes the right to receive information You need in order to accept or refuse a treatment that is recommended. Emergencies or other circumstances occasionally may limit Your participation in a treatment decision. In general, however, You will not receive any medical treatment before You or Your legal representative give consent. You have the right to be informed about and refuse to participate in experimental care proposed by Your physicians.

... a candid discussion of appropriate or Medically Necessary treatment options for Your condition, regardless of cost or benefit coverage.

... information and assurance of compliance regarding advance directives as described by the provisions of the Patient Self-Determination Act of 1990. You have the right to choose a person to make medical decisions for You, if You are unable to do so, and to express Your choices about Your future care. These choices may be expressed in such documents as an Advanced Directive, which includes a durable power of attorney for health care or a living will. You should inform Your family and Your doctor of Your wishes, and give them any documents that describe Your wishes concerning future care.

... receive the medical information and education You need to participate in Your health care to ensure a safe course of treatment. This information includes the diagnosis of a health complaint, the recommended treatment, alternative treatments, and the risk and benefits of the recommended treatment. We will try to make this information as understandable as possible. You also have the right to review and receive copies of Your medical records within the established

time frame and with associated reproduction costs, unless the law restricts Our ability to make them available. You have the right to the consideration of ethical issues that may arise in connection with Your health care.

... for information to be provided to You and Your family about the outcomes of care, including unanticipated outcomes.

... receive information about the managed care organization, its services, its practitioners and providers, and members' rights and responsibilities.

... receive considerate, respectful care. We respect Your personal preferences and values.

... have impartial access to treatment. You have the right to medically indicated treatment that is a covered benefit which is provided, prescribed or directed by a Medical Group physician, regardless of Your race, religion, sex, sexual orientation, national origin, cultural background, physical or mental challenge or financial status.

... be assured of privacy and confidentiality. You have the right to be treated with respect and recognition of Your dignity and need for privacy. Member information will be handled in a manner to preserve and protect its confidentiality. This includes, but is not limited to, the maintenance of medical records in a secure environment and education of staff regarding confidentiality. Kaiser Permanente will not release Your medical information without Your authorization, except as required or permitted by law to administer benefits, comply with government requirements or participate in bona fide research or education.

... participate in physician selection. You have the right to select and change physicians within the Kaiser Permanente Health Plan. You have the right to a second opinion by a Plan Physician. You have the right to consult with a non-Kaiser Permanente physician at Your expense.

... know and use customer satisfaction resources. You have the right to know about resources, such as Member Services and complaint and appeals processes to help answer Your questions and solve problems. You have the right to make complaints without concerns that Your care will be affected. Your EOC describes procedures to make complaints and appeals.

... a right to make recommendations regarding the organization's members' rights and responsibilities policies. We welcome Your suggestions and questions about Kaiser Permanente, its services, the health professionals providing care and member's rights and responsibilities.

... seek financial assistance. You have the right to speak to a representative in Our Patient Business Office if You have extenuating circumstances and are unable to pay the out-of-pocket costs of essential care and Services prescribed by a Southeast Permanente Medical Group provider. The Patient Business Office can provide information on Our charity care program and its eligibility requirements.

... safe, secure, clean and accessible environment. You have the right to obtain Services in an environment that is

appropriate for the provision of medical services to You and other Members. If You are disruptive, unruly, or abusive to the extent that the behavior threatens the safety of others, Our property, or Our ability to provide Services to You or to other Members, or You fail to establish and maintain a satisfactory provider-patient relationship, after the Plan Provider has made reasonable efforts to promote such a relationship, We may:

- Select another of Our medical offices, another Plan Provider, and/or a non-Plan Provider of Our choosing, from which You will receive care;
- Monitor Your visits with Your Plan Providers and/or Your visits to Our medical offices, including but not limited to restricting Your access to certain areas within Our medical offices and/or being escorted by security personnel;
- Pursue legal action; or
- Take other action as We deem appropriate.

We reserve the right to determine and complete any and all appropriate actions and the timing thereof at Our discretion.

You are responsible for...

... knowing the extent and limitations of Your health care benefits. An explanation of these is contained in Your EOC.

... identifying Yourself. You are responsible for Your membership card, for using the card only as appropriate, and for ensuring that other people do not use Your card.

... keeping appointments. You are responsible for promptly canceling any appointments that You do not need or cannot keep.

... providing accurate and complete information. You are responsible for providing accurate information about Your present and past medical condition, as You understand it. You should report any unexpected changes in Your condition to Your health professional.

... understanding Your health problems and participating in developing mutually agreed upon treatment goals to the degree possible.

... following the treatment plan agreed upon by You and Your health professional. You should inform Your health professional if You do not clearly understand Your treatment plan and what is expected of You. If You believe that You cannot follow through with Your treatment, You are responsible for telling Your health professional.

... recognizing the effect of Your lifestyle on Your health. Your health depends not just on care provided by Kaiser Permanente, but also on the decisions You make in Your daily life, such as smoking or ignoring care recommendations.

... fulfilling financial obligations. You are responsible for paying on time any money You owe Health Plan.

... being considerate of others. You should be considerate of health professionals and other patients. You should also respect the property of other patients and of Kaiser Permanente.

Claims Review Authority

We are responsible for determining whether You are entitled to benefits under this EOC and We have the discretionary authority to review and evaluate claims that arise under this EOC. We conduct this evaluation independently by interpreting the provisions of this EOC. If coverage under this EOC is subject to the Employee Retirement Income Security Act (ERISA) claims procedure regulation (29 CFR 2560.503-1), then We are a “named claims fiduciary” with respect to review of claims under this EOC.

No Waiver

Our failure to enforce any provision of this EOC will not constitute a waiver of that or any other provision, or impair Our right thereafter to require Your strict performance of any provision.

Notices

Our notices to You will be sent to the most recent address We have for You. You are responsible for notifying Us of any change in address. Members who move should call Our Member Services Department at 404-261-2590 (local) or 1-888-865-5813 (long distance) as soon as possible to give Us their new address.

SECTION 7 - Benefits

Introduction

Please refer to the "Schedule of Benefits" section for the Cost Sharing amounts, if any. You must pay for covered Services described in this section.

The Services described in this "Benefits" section are covered only if **ALL** the following conditions are satisfied:

1. You are a Member on the date the covered Service is rendered;
2. You have not met the maximum benefit amount (a maximum benefit usually applies per Member per Year) for the Service; if any.
3. The Services are provided by a Plan Provider (unless they are qualified Emergency Service or are to be provided by a non-Plan Provider subject to an approved referral as described in the "Referral" subsection, above) in accordance with the terms and conditions of this EOC including but not limited to the requirements, if any for Prior Authorization; and,
4. The Services are Medically Necessary.

If You receive Services and We determined the Services are not covered Services, then Health Plan will not pay for such Services. You will be responsible for all charges for the Services if We decided not to cover the Services subject to Your right to appeal Our adverse benefit determination. Charges You pay for non-covered Services will not count toward the satisfaction of the Annual Deductible, if any, or the Out-of-Pocket Maximums.

What You Pay

When You access covered Services, You will be required to pay applicable Cost Sharing amounts, such as Copayments, Coinsurance, and Annual Deductibles and/or other deductibles, as described in this EOC, and as shown in the "Schedule of Benefits" section. You will also be required to pay any amount in excess of Eligible Charges.

These terms are described in the "Definitions" section and applicable amounts are shown in the "Schedule of Benefits" section.

After You pay the Annual Deductible or other deductible, Coinsurance, or Copayments, We will provide or pay up to the Eligible Charge for covered Services.

Our payment:

- Will not exceed any applicable maximum shown in the Schedule of Benefits;
- Will be subject to the limitations shown in the Schedule of Benefits and in this EOC;

Step Therapy

Selected prescription drugs require step therapy. Step therapy defines how and when a particular outpatient prescription drug can be dispensed and establishes the specific sequence in which prescription drugs for a specified condition are deemed medically appropriate. Step therapy requires the use of one or more prerequisite drugs (first line agents), as identified through Your drug history, prior to the use of another drug (second line agent) when prescribed for Your condition. The step therapy process encourages safe and cost-effective medication use. Under this process, a "step" approach is required to receive coverage for certain medications. This means that to receive coverage You may first need to try a proven, cost-effective medication different than the one prescribed.

Your prescribing Plan Provider should prescribe a first-line medication appropriate for Your condition. If Your prescribing Provider determines that a first-line drug is not appropriate or effective for You, a second line drug may be covered if You qualify for a step therapy exception. Treatment decisions are always between You and Your Prescribing Provider.

Refer to Our formulary for a complete list of medications requiring step therapy. You may access our formulary at www.kp.org or by calling Our Member Services Department Monday through Friday from 7 a.m. to 7 p.m. at (404) 261-2590 (local) or 1-888-865-5813 (long distance).

Step Therapy Exception and Appeal Process

A step therapy exception may be granted if Your prescribing Plan Provider's submits justification and supporting clinical documentation that demonstrates that another drug (second line agent) is Medically Necessary. The exception process may be initiated by contacting the Health Plan at the number located on the back of Your card. This exception process only applies to prescription drugs that are covered under this Plan.

Non-Urgent Exception

We will respond to Your exception request within two (2) business days from the date such request is submitted in a nonurgent health care situation.

Urgent Exception

We will respond to Your urgent exception request within 24 hours from the time such request is submitted in an urgent health care situation.

If We fail to respond within the stated time frame, Your step therapy exception will be deemed approved.

If Your exception request is denied, You may appeal Our decision. Our Appeals process is further described in SECTION 4 – Getting Assistance, Filing Claims, and Dispute Resolution.

Send Your Appeal to:

**Kaiser Permanente
Appeals Department
Nine Piedmont Center
3495 Piedmont Road, N.E.
Atlanta, GA 30305-1736
(404) 364-4862**

Non-Urgent Appeal

We will respond to Your appeal within two (2) business days from the date of the appeal is submitted in a nonurgent health care situation.

Urgent Appeal

We will respond to Your urgent appeal within 24 hours from the time of the appeal is submitted in an urgent health care situation.

If We fail to respond to Your appeal within the stated time frame, Your appeal will be deemed approved.

Nothing in this provision shall be construed to prevent Health Plan from (1) requiring a Member to try a generic equivalent prior to providing coverage for the equivalent branded prescription drug; (2) requiring a Member to try an interchangeable biological product prior to providing coverage for the biological product; or (3) substituting a generic drug for a brand name drug.

Review and Authorization

Certain prescription drugs require review and prior authorization prior to dispensing. Your Plan Physician must obtain this review and authorization. Our Pharmacy and Therapeutics Committee may periodically review and modify the list of prescription drugs requiring review and authorization, criteria for approval and other changes related to Our formulary.

If You would like information about:

- whether a particular drug is included in Our drug formulary,
- obtaining a formulary brochure that lists the formulary drugs and provides more information about Our drug formulary, or
- whether a drug requires authorization,

Please call Our Member Services Department, Monday through Friday from 7 a.m. to 7 p.m. at 404- 261-2590 (local) or 1-888-865-5813 (long distance).

After You surrender a baby to the legal parents, You are not obligated to reimburse Us for any Services that the baby receives (the legal parents are financially responsible for any Services that the baby receives).

By accepting Services under this Health Plan, You automatically assign to Us Your right to receive payments that are payable to You or any other payee under the Surrogacy Arrangement or other agreement, regardless of whether those payments are characterized as being for medical expenses. To secure Our rights, We will also have a lien on those payments and on any escrow account, trust, or any other account that holds those payments. Those payments (and amounts in any escrow account, trust, or other account that holds those payments) shall first be applied to satisfy Our lien. The assignment and Our lien will not exceed the total amount of Your obligation to Us under the preceding paragraph.

Post Office Box 36380

You must complete and send Us all consents, releases, authorizations, lien forms, and other documents that are reasonably necessary for Us to determine the existence of any rights We may have under this "Surrogacy Arrangements" section

and to satisfy those rights. You may not agree to waive, release, or reduce our rights under this "Surrogacy Arrangements" section without Our prior, written consent.

If Your estate, parent, guardian, or conservator asserts a claim against a third party based on the surrogacy arrangement, Your estate, parent, guardian, or conservator and any settlement or judgment recovered by the estate, parent, guardian, or conservator shall be subject to Our liens and other rights to the same extent as if You had asserted the claim against the third party. We may assign Our rights to enforce Our liens and other rights.

Health Plan's right of reimbursement

Subject to the limitations imposed under applicable state or federal law, Health Plan must be paid or reimbursed by You, Your estate or legal representative from the proceeds of any settlement, judgment, award, or other amount ("Recovery") You receive whether by compromise or otherwise, from or on behalf of any other liable party or insurer for the value of Services provided and expenses covered by both Health Plan and other party recovery. You must hold in trust, in a specifically identifiable account the proceeds of any Recovery You receive from or on behalf of the other party pending resolution of Health Plan's interest. Health Plan's right of recovery shall not include any amount paid for Copayments, Coinsurance, non-medical items or expenses for future medical care. The amount of reimbursement due the Plan is not limited by or subject to the Out-Of-Pocket Maximum. Health Plan's right of Recovery also extends but is not limited to any amounts You receive from any insurance policy providing the following coverage: a) liability; b) no fault/med-pay; c) uninsured motorist; or d) underinsured motorist.

Member's cooperation required

You must cooperate in protecting Health Plan's right of Recovery and/or interests to payment or reimbursement and must not take any action that is harmful to the Plan's rights.

You must notify Us of any actual or potential claim or legal action that You anticipate bringing or have brought against another party arising from the alleged acts or omissions no later than 30 days after submitting or filing such claim or legal action. You must complete and submit to Us (or Our designee), at the address shown below, all consents, releases, authorizations, reimbursement agreements or other documents necessary for Health Plan to determine the existence of any rights it might have under this section, including but not limited to its right of payment or reimbursement and to exercise those rights.

Our address:

**Equian
Post Office Box 36380
Louisville, KY 40233**

Cancellation of Charges

If You make reasonable efforts to obtain a Recovery because of the injury or illness, and remit any Recovery in its entirety to Us (or Our designee), up to the amount of the payment or

reimbursement due Us in accordance with applicable State and federal law any amount owed to Us that exceeds the Recovery shall be canceled. If there is no Recovery (other than due to Your failure to pursue Recovery), all payment and reimbursement responsibility of You under this section shall be canceled.

Eligible Charges

The provisions of this section do not affect Your obligations to pay any Eligible Charges due under this EOC.

Medicare

Benefits under Your group Plan may overlap with the benefits covered by Medicare. We do not duplicate benefits You are entitled to receive under Medicare. Special Medicare rules apply to most employees and their dependents entitled to Medicare.

Medicare law may apply with respect to services covered by Medicare.

Workers' compensation or employer's liability

Financial responsibility for Services for any illness, injury, or condition, to the extent a payment or any other benefit, including any amount received as a settlement (collectively referred to as "Financial Benefit"), is provided under any workers' compensation or employer's liability law. We will provide Services even if it is unclear whether You are entitled to a Financial Benefit; but, We may recover the value of any such Services provided under this EOC from the following sources:

- Any source providing a Financial Benefit or from whom a Financial Benefit is due.
- From You, to the extent that a Financial Benefit is provided or payable or would have been required to be provided or payable if You had diligently sought to establish Your rights to the Financial Benefit under any workers' compensation or employer's liability law.

We are entitled to collect payment of Eligible Charges (as defined in "SECTION 9 - Definitions") for these Services.

If You receive Services from a non-Plan Provider, We are entitled to recover any amount paid by Us for such Services from any liable party or from You.

Coordination of Benefits (COB)

This EOC is subject to coordination of benefits rules. These rules apply when You have health benefits coverage through more than one health care coverage. Frequently, persons who have a Spouse will have more than one coverage when both work and their employers offer health benefits. There may also be other instances of coverage through more than one plan, such as when You or Your Spouse work for more than one employer. This is also known as dual coverage. In cases of dual coverage, special rules apply to the way in which Your health benefits will be provided or paid.

The purpose of these rules is to identify a primary plan that will be responsible for paying for Your care and a secondary plan, which may pay any amount not paid by the primary plan. When You belong to a health maintenance organization or another type of organization that provides the care directly to You and the plan is secondary, that plan may bill the primary plan for the Services it provides to You. This has no impact upon Your right to receive Services from the secondary plan.

Role of the primary plan. The primary plan will pay Your covered health care expenses, or will provide the Services without seeking payment from any other plan. For example, if We are primary, and You receive Services from Us, We will be responsible for the cost of the Services provided to You. If You receive Services covered by Us from a non-Plan Provider, as described under the "Emergency Services" section or authorized referrals, We will pay for those Services subject to the terms and conditions of this EOC. In either case, You will be responsible for any Copayment or Coinsurance required under this EOC. However, Your secondary plan may reimburse You for the Copayments or Coinsurance that You pay Us.

Role of the secondary plan. If We are the secondary plan, We may bill Your other plan for any Services We provide You. The other plan will pay any amounts it would be obligated to pay for Services rendered to You. In the case of a covered emergency or authorized referral, the other plan would pay the providers of services, and We would pay any amounts that were not paid by Your primary plan, up to the amount We would have paid, if We had been the primary plan. In this way, You may receive 100 percent coverage of Your health care expenses.

Determining the primary plan. A plan is primary when it:

Does not have a coordination of benefits provision in its contract. It will be primary even if it expressly states that it is secondary to other health benefits coverage.

- Covers You as the Subscriber (it will be the secondary plan for Your Spouse).
- Covers Your Spouse as the Subscriber (it will be the secondary plan for You).

If You are the Subscriber under more than one plan, the plan that covers You as an active employee is primary.

For Your Dependent children, the plan of the parent whose birth month and day occurs the earliest in the calendar year will be primary. For example, if the father's birthday is April 17 and the mother's birthday is April 18, the father's plan is primary and the mother's plan is secondary. For dependent children of divorced parents, the rules vary; We can provide You with those rules by calling Our Member Services Department Monday through Friday from 7 a.m. to 7 p.m. at 404- 261-2590 (local) or 1-888-865-5813 (long distance).

The Benefit Reserve. When We are secondary and We receive payment from Your primary plan under a coordination of benefits situation, or if the other plan pays for Services that We would have paid if We had been primary, a special reserve is established in the name of the person who received

the Services. This reserve can be used to pay for any Services provided to that person in the same Year, which are covered by one of the plans, and which are not paid in full (that is, less than 100 percent of the expenses have been paid) by either or both of the plans.

For example, if under Our plan, You have to pay a Copayment for an office visit at one of Our facilities, then Your other plan will not reimburse You for this Copayment because You did not use their plan's providers. In this case You can use Your benefit reserve to pay the Copayment. Within the same Year, the date You received the Services and the date that the benefit reserve is created is not important. You may use the reserve to pay Copayments or Coinsurance or to get reimbursed for Copayments or Coinsurance You paid before the reserve was established within the same Year.

The reserve is created only when We are secondary. No reserve is created when We are primary. However, Your other coverage should establish a benefit reserve for You when it is secondary.

Except as otherwise noted, the following terms, when capitalized and used in any part of this EOC, mean:

Affiliated Community Physician: A primary care or specialist physician that contracts with Medical Group to provide covered Services to Members under this EOC.

Annual Deductible:

(Embedded): The amount of Eligible Charges You must pay for certain covered Services each Year before We pay any amount for those Services, other than Emergency Services or Preventative Services, as described in this EOC. The Annual Deductible is shown in the “Schedule of Benefits” section. The Annual Deductible applies separately to each Member during each Year.

(Coverage with Dependents): Sometimes referred to as “Aggregate,” if the Family Deductible shown in the Schedule of Benefits is satisfied in any one Year by covered Family Members, then the individual Single Deductible will not be owed for any other Eligible Charges incurred during the remainder of the Year by any Member in Your Family. For Services subject to a deductible, You must pay Eligible Charges for the Services when You receive them, until You meet Your deductible. After You meet the deductible, You are still obligated to pay the applicable Copayment or Coinsurance for the Services until Your Cost Sharing Out-of-Pocket Maximum is met.

Annual Deductible Carryover: If You incur and pay Eligible Charges during the last three months of the Plan Year towards satisfaction of Your Annual Deductible, then that amount shall be applied toward satisfaction of the Annual Deductible for that the next Plan Year, as required by applicable state law.

Deductible Credit on Takeover. This provision applies if this group coverage replaces Your prior group coverage, and Your prior group coverage: a) provided similar benefits; and b) was in force within the 90 days immediately preceding the effective date of this group coverage.

Under this provision, covered expenses that were applied to Your Annual Deductible and Out of Pocket Maximum under the prior group coverage will be credited toward satisfaction of the Annual Deductible, as applicable under this group coverage, if:

- You were covered under Your prior group coverage on the day before the effective date of this group coverage;
- You incurred the covered expenses during the 90 days prior to the effective date of this group coverage;
- Those expenses are recognized as covered under this EOC and subject to a similar deductible provision under this EOC.

Coinsurance: The percentage of Eligible Charges that You or a Dependent must pay at the time certain covered Services are received from Plan Providers or Plan Physicians as described in the “Schedule of Benefits” section.

Copayment: The pre-determined dollar amount that You, or a Dependent, must pay at the time certain covered Services are received from Plan Providers or Plan Physicians. Copayment amounts are shown in the “Schedule of Benefits” section. Copayments are applied on a per visit or per service basis.

After one Member of a Family Unit has met the Individual Out-of-Pocket Maximum, this Member will not be required to pay any additional Cost Shares for Covered Services for the rest of the Contract Year. Other family members will continue to pay Cost Sharing until the family Out-of-Pocket Maximum is met. After two or more members of Your family unit combined have met the Family Out-of-Pocket Maximum, the Out-of-Pocket Maximum will be met for all members of the family for the rest of the Contract Year

Amounts in excess of Eligible Charges as well as Cost Sharing for Non-Essential Health Benefits do not count toward the Cost sharing Out-of-Pocket Maximum. Some examples of Non-Essential Health Benefits are listed here please refer to the “Schedule of Benefits” section for additional information:

- For Services received from Plan Providers or other contracted providers, the amount the provider has agreed to accept as payment:

GA07EOC-RDR INTRO 08/06

Outpatient Prescription Drugs Rider

The following terms, when capitalized and used in this rider or in the "Schedule of Benefits" section, mean:

Preventive Generic Drug is a prescription drug that does not bear the trademark of a specific manufacturer. It is chemically the same as and generally costs less than a brand name prescription drug. It is a drug which is designated as a Generic Preferred Drug by us and is listed by us as a drug preferred or favored to be dispensed. Generic drugs not appearing on the preferred list are called Non-Preferred Drugs.

Preferred Generic Drug is a prescription drug that does not bear the trademark of a specific manufacturer. It is chemically the same as and generally costs less than a brand name prescription drug. It is a drug which is designated as a Generic Preferred Drug by us and is listed by us as a drug preferred or favored to be dispensed. Generic drugs not appearing on the preferred list are called Non-Preferred Drugs.

Brand Preferred Drug is a prescription drug that has been patented and is only produced by one manufacturer and is listed by us as a drug preferred or favored to be dispensed. Brand drugs not appearing on the preferred list are called Non-Preferred Drugs.

Non-Preferred Drug is a prescription drug that is not listed by us as a drug preferred or favored to be dispensed.

Specialty Drug is a prescription drug that is very high cost and generally biologically derived.

We cover the drugs and supplies described below when prescribed by a Plan Physician or dentist as described in this rider unless an exclusion or limitation applies.

You must obtain these drugs from a Kaiser Permanente Medical Center Pharmacy or at a community pharmacy designated by Health Plan.

We cover drugs and supplies for which a prescription is required by law and which are listed in the Kaiser Permanente drug formulary. Certain diabetic supplies do not require a prescription but must still be listed in our drug formulary in order to be covered under this rider. While you may obtain a first fill of your prescription at either a Kaiser Permanente Medical Center Pharmacy or at a Health Plan designated community pharmacy, all refills of your prescription must be obtained at a Kaiser Permanente Medical Center Pharmacy or through our Automated Refill Center. To locate a Kaiser Permanente Medical Center Pharmacy, you should refer to your Physician Directory or call our Member Services Department Monday through Friday from 7 a.m. to 7 p.m. at (404) 261-2590 (local) or 1-888-865-5813 (long distance). You may also visit us online at www.kp.org.

Each prescription refill is provided on the same basis as the original prescription. Copayments are applied up to the lesser of (a) the day's supply per prescription as listed in the "Schedule of Benefits" section or (b) the standard dispensing amount as determined by Health Plan, based on the recommendation of our Pharmacy and Therapeutics Committee. The standard dispensing amount for migraine medications, ophthalmic, otic and topical medications, and oral and nasal inhalers is the smallest standard package unit available. The standard dispensing amount for other drugs may have quantity limits established by our Pharmacy and Therapeutics Committee.

Unless otherwise specified by your Plan Physician or dentist, Generic Drugs may be used to fill a prescription. If you request a Brand Name drug at a Kaiser Permanente Medical Center pharmacy or at a community pharmacy designed by Health Plan, you pay the cost difference between the Generic Drug and the Brand Name Drug, in addition to the applicable Copayment, Coinsurance and deductible shown in the "Schedule of Benefits" section at the end of this EOC.

Unless otherwise specified by your Plan Physician or dentist, Generic Drugs may be used to fill a prescription. If Brand Name Drugs are used to fill a prescription and a Generic Drug equivalent is available, you will pay the cost

difference between the Generic Drug and the Brand Name Drug, in addition to the applicable Copayment, Coinsurance and deductible shown in the “Schedule of Benefits” section at the end of this EOC.

Outpatient Prescription Drug Coverage

Drugs and supplies covered under this rider include the following:

- Drugs approved by the Food and Drug Administration (FDA).
- Drugs for which a prescription is required by law.
- Prescription drugs on the Kaiser Permanente drug formulary.
- Oral medications for the treatment of diabetes.
- Insulin.
- Disposable needles and syringes for injecting prescribed drugs.
- Glucose ketone and acetone test strips or tablets.
- Oral and nasal inhalers.
- Compounded preparations which must be prepared by a pharmacist.
- Amino acid-modified products used to treat congenital errors of amino acid metabolism.
- Postsurgical immunosuppressant outpatient drugs required as a result of a covered transplant.
- Smoking Cessation prescription drugs approved by the FDA for treatment of tobacco dependence.

Special note about our drug formulary

The Kaiser Permanente drug formulary is a list of prescription drugs that have been approved by our Pharmacy and Therapeutics Committee for our Members. Our Pharmacy and Therapeutics Committee, which is comprised of Plan Physicians and other Plan Providers, selects prescription drugs for the drug formulary based on a number of factors, including but not limited to safety and effectiveness as determined from a review of medical literature and research. The Pharmacy and Therapeutics Committee meets several times each year to consider adding and removing prescription drugs on the drug formulary. Changes can occur to the drug formulary list due at any time to:

- New clinical studies indicating additional or new evidence that can either benefit the Member’s outcome or that identified potential harm to the Member.
- A brand name drug loses its patent and generic drugs equivalent becomes available; or
- A brand name drug becomes available over the counter in which case the drug will not be covered under this rider even if it was covered previously.
- Multiple Similar Drugs become available such as other drugs within a specific drug class (for example anti-inflammatory drugs, anti-depressants or corticosteroid asthma inhalers).
- Multiple Similar Drugs become available over the counter within a specific drug class (for example non sedating antihistamines).

Similar Drugs mean drugs within the same drug class or type that are therapeutic/clinically equivalent drugs and can be expected to produce similar therapeutic outcomes for a disease or condition.

If you request a non-formulary drug – when your Plan Physician does not indicate that the non-formulary drug is Medically Necessary you will be responsible for the full cost of that drug.

However, if your Plan Physician documents that:

- A non-formulary drug best treats your medical condition;
- A formulary drug has been ineffective in the treatment of your medical condition; or
- A formulary drug causes or is reasonably expected to cause a harmful reaction, then

an exception process is available to your Plan Physician to seek permission to prescribe a Medically Necessary non-formulary drug for you. In that case, if the exception is approved, your Plan Physician's request is approved, your standard prescription drug Copayment, Coinsurance and deductibles would apply. This formulary exception process does not apply to your dentist. In order to be covered at your prescription drug Copayment, Coinsurance and deductible all prescriptions written by your dentist must be included on the Kaiser Permanente drug formulary.

Manufacturer Coupons

For outpatient prescription drugs and/or items that are covered under this Pharmacy Services section and obtained at a pharmacy owned and operated by Health Plan, You may be able to use [approved] manufacturer coupons as payment for the Cost Sharing that You owe, as allowed under Health Plan's coupon program. You will owe any additional amount if the coupon does not cover the entire amount of Your Cost Sharing for Your prescription.

When You use a coupon for payment of Your Cost Sharing, the coupon amount and any additional payment that You make will accumulate to Your Cost Sharing Maximum Amount. Certain health plan coverages are not eligible for coupons. You can get more information regarding the Kaiser Permanente coupon program rules and limitations at www.kp.org/rxcoupons.

Review and Authorization

Certain prescription drugs require review and authorization prior to dispensing. Your Plan Physician must obtain this review and authorization. Failure to obtain this review and authorization will result in the drug not being covered. The list of prescription drugs requiring review and authorization is subject to periodic review and modification by our Pharmacy and Therapeutics Committee.

If you would like information about:

- whether a particular drug is included in our drug formulary
- obtaining a formulary brochure that lists the formulary drugs and provides more information about our drug formulary, or
- whether a drug requires authorization,

Please call our Customer Service Department, Monday through Friday from 7 a.m. to 7 p.m. at (404) 261-2590 (local) or 1-888-865-5813 (long distance). You may also visit us online at www.kp.org.

Schedule of Benefits

For **KP SAMPLE**

This section summarizes:

- Your Cost Sharing (if any)
- Dependent age limit
- Benefit limits such as day limits, visit limits and benefit maximums.

Dollar limits, day and visit limits, are based on a Plan Year.

This section does not describe all the details of Your benefits. To learn more about Your benefits, please refer to the appropriate sections of the EOC.

You are responsible for payment of:

- Copayments
- Coinsurance
- Annual Deductible and any other deductibles applicable to this plan
- Any amounts in excess of the Eligible Charges, including Prior Authorization penalties, as shown in this “Schedule of Benefits” section.

Dependent Age limit

The Dependent age limit as described in the “Premium, Eligibility, Enrollment and Effective Date” section of the EOC is 26. A dependent child will continue to be eligible until the end of the month in which the dependent child reaches this age.

For a complete understanding of the benefits, exclusions and limitations applicable to Your coverage, it is important to read Your EOC in conjunction with this Schedule of Benefits. Here is some information to keep in mind as You read the Schedule of Benefits.

Some benefits under this EOC have annual limitations such as dollar, day or visit limitations. Benefits that are subject to an annual maximum are shown in the following “Schedule of Benefits” section of this EOC. All annual maximums are calculated based upon a Plan Year. If You enrolled under this EOC at any point after the start of Your contract, any covered Services that You previously incurred in the same Plan Year, under a prior EOC from Health Plan, shall carry-forward and count toward the annual maximums shown in this EOC. Likewise, Your deductibles and Cost Sharing Out-of-Pocket Maximum under this EOC are on a Plan Year basis. Any amounts that You paid in the same Plan Year, under a prior EOC from the same employer Group, toward the Annual Deductible or any other deductible and Cost Sharing Out-of-Pocket Maximum shall carry-forward and count toward satisfaction of the deductibles and Cost Sharing Out-of-Pocket Maximum shown in this EOC.

The annual dollar, day and visit limits, deductibles, Annual Benefit Maximum and Cost Sharing Out-of-Pocket Maximums are based on Plan Year. Your Cost Sharing for Services is due at the time of Your visit. For items ordered in advance, You pay Your Cost Sharing in effect on the order date. **Note: We reserve the right to reschedule non-urgent care if You do not pay at the time of Your visit. In some cases, We may agree to bill You for Your Cost Sharing.**

Your Coinsurance is based on the Eligible Charges for covered Services. The Eligible Charges may be less than the amount actually billed by the provider. You are responsible for payment of any amounts in excess of the Eligible Charges for a covered Service from a non-Plan Provider. Refer to the definition of “Eligible Charge” shown in the “SECTION 9 - Definitions” section.

All covered Services are subject to the Annual Benefit Maximum, Annual Deductibles and Maximum Benefit While Covered unless otherwise noted below and in this EOC. Penalties and charges in excess of Eligible Charges do not count toward satisfaction of the Annual Deductibles or the Cost Sharing Out-of-Pocket Maximums. Individual and Family Annual Deductibles count toward satisfaction of the Cost Sharing Out-of-Pocket Maximums. Refer to the definition of “Cost Sharing Out-of-Pocket Maximum” shown in the “SECTION 9 - Definitions” section.

Amounts You pay for the following Services do not count toward the Cost Sharing Out-of-Pocket Maximum: Services for which You pay a Copayment such as Applied Behavioral Analysis, private duty nursing, non-surgical dental treatment, preventive dental care, infertility treatment, chiropractic Services, Acupuncture Services, and hearing aids. Not all Services listed here may

be covered under Your specific plan. Refer to the remainder of this “Schedule of Benefits,” and this EOC, for additional information.

All covered Services are subject to the Annual Deductible except for those preventive Services identified as exempt from the Annual Deductible in the “Preventive Visits and Services” subsection in the “SECTION 7 – Benefits” section of this EOC and routine prenatal visits. We added “(Not subject to Annual Deductible)” in this “Schedule of Benefits” to show when the Annual Deductible does not apply. Service fees, penalties, and charges in excess of Eligible Charges do not count toward satisfaction of the Annual Deductible or the Cost Sharing Out-of-Pocket Maximum.

For all other Services, You must pay full Eligible Charges when You receive the Service, until You meet the Annual Deductible. The only payments that count toward the Annual Deductible are those You make for Services that are subject to the Annual Deductible, but only if the Services would otherwise be covered.

After You meet the Annual Deductible, You pay the applicable Copayment or Coinsurance for these covered Services for the rest of the Plan Year, subject to the limits described under “Cost Sharing Out-of-Pocket Maximum” in this “Schedule of Benefits”. Any amounts You pay toward the Annual Deductible apply toward the annual Cost Sharing Out-of-Pocket Maximum. Also, any Copayments or Coinsurance You pay for covered Services apply toward the annual Cost Sharing Out-of-Pocket Maximum.

Once You have received Services and We have processed the claims for Services rendered, We will send You an *Explanation of Benefits* (EOB) that explains Services You received, the cost of those Services and the payments that were made for the Services. It will also include information regarding what portion of the payments were applied to Your Annual Deductible or Cost Sharing Out-of-Pocket Maximum amounts. We recommend that You also maintain Your receipts for Services received for tracking Your Annual Deductible and Cost Sharing Out-of-Pocket Maximum.
