SUMMARY OF GENERAL PURPOSES, COVERAGE LIMITATIONS AND CONSUMER PROTECTION

General Purposes

Residents of the District of Columbia should know that licensed insurers who sell health insurance, life insurance, and annuities in the District of Columbia are members of the District of Columbia Life and Health Insurance Guaranty Association ("Guaranty Association").

The purpose of the Guaranty Association is to provide statutorily-determined benefits associated with covered policies and contracts in the unlikely event that a member insurer is unable to meet its financial obligations and is found by a court of law to be insolvent. When a member insurer is found by a court to be insolvent, the Guaranty Association will assess the other member insurers to satisfy the benefits associated with any outstanding covered claims of persons residing in the District of Columbia. However, the protection provided through the Guaranty Association is subjected to certain statutory limits explained under "Coverage Limitations" section, below. In some cases, the Guaranty Association may facilitate the reassignment of policies or contracts to other licensed insurance companies to keep the coverage in-force, with no change in contractual rights or benefits.

Coverage

The Guaranty Association, established pursuant to the Life and Health Guaranty Association Act of 1992 ("Act"), effective July 22, 1992 (D.C. Law 9-129; D.C. Official Code § 31-5401 et seq.), provides insolvency protection for certain types of insurance policies and contracts.

The insolvency protections provided by the Guaranty Association is generally conditioned on a person being 1) a resident of the District of Columbia and 2) the individual insured or owner under a health insurance, life insurance, or annuity contract issued by a member insurer, or insured under a group policy insurance contract issued by a member insurer. Beneficiaries, payees, or assignees of District insureds are also covered under the Act, even if they reside in another state.

Coverage Limitations

The Act also limits the amount the Guaranty Association is obligated to pay. The benefits for which the Guaranty Association may become liable shall be limited to the lesser of:

- The contractual obligations for which the insurer is liable or for which the insurer would have been liable if it were not an impaired or insolvent insurer; or
- With respect to any one life, regardless of the number of policies, contracts, or certificates:
 - \$300,000 in life insurance death benefits for any one life; including net cash surrender or net cash withdrawal values;
 - \$300,000 in the present value of annuity benefits, including net cash surrender or net cash withdrawal values;
 - \$300,000 in the present value of structured settlement annuity benefits, including net cash surrender or net cash withdrawal values;
 - \$300,000 for long-term care insurance benefits;
 - \$300,000 for disability insurance benefits;
 - \$500,000 for basic hospital, medical, and surgical insurance, or major medical insurance benefits;

- \$100,000 for coverage not defined as disability insurance or basic hospital, medical and surgical insurance or major medical insurance or long-term care insurance including any net cash surrender and net cash withdrawal values.

In no event is the Guaranty Association liable for more than \$300,000 in benefits with respect to any one life (\$500,000 in the event of basic hospital, medical and surgical insurance or major medical insurance).

Additionally, the Guaranty Association is not obligated to cover more than \$5,000,000 for multiple non-group policies of life insurance with one owner of regardless of the number of policies owned.

Exclusions Examples

Policy or contract holders are not protected by the Guaranty Association if:

- They are eligible for protection under the laws of another state (this may occur when the insolvent insurer was domiciled in a state whose guaranty association law protects insureds that live outside of that state);
- Their insurer was not authorized to do business in the District of Columbia; or
- Their policy was issued by a charitable organization, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company, an insurance exchange, a non-profit hospital or medical service organization, a health maintenance organization, or a risk retention group.

The Guaranty Association also does not cover:

- Any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk;
- Any policy of reinsurance (unless an assumption certificate was issued);
- Any plan or program of an employer or association that provides life, health, or annuity benefits to its employees or members and is self-funded;
- Interest rate guarantees which exceed certain statutory limitations;
- Dividends, experience rating credits or fees for services in connection with policy;
- Credits given in connection with the administration of a policy by a group contract holder; or
- Unallocated annuity contracts.

Pursuant to the Act (D.C. Official Code § 31-5416), insurers are required to provide notice to policy and contract holders of the existence of the Guaranty Association and the amounts of coverage provided under the Act. Your insurer and agent are prohibited by law from using the existence of the Guaranty Association and the protection it provides to market insurance products. You should not rely on the insolvency protection provided under the Act when selecting an insurer or insurance product. If you have obtained this document from an agent in connection with the purchase of a policy or contract, you should be aware that such delivery does not guarantee that the Guaranty Association would cover your policy or contract. Any determination of whether a policy or contract will be covered will be determined solely by the coverage provisions of the Act.

This disclosure is intended to summarize the general purpose of the Act and does not address all the provisions of the Act. Moreover, the disclosure is not intended and should not be relied upon to alter any rights established in any policy or contract or under the Act.

Your Rights and Protections Against Surprise Medical Bills

When you get emergency care or are treated by an out-of-network provider at an in-network hospital or ambulatory surgical center, you are protected from balance billing. In these cases, you shouldn't be charged more than your plan's copayments, coinsurance and/or deductible.

What is “balance billing” (sometimes called “surprise billing”)?

When you see a doctor or other health care provider, you may owe certain [out-of-pocket costs](#), like a [copayment](#), [coinsurance](#), or [deductible](#). You may have additional costs or have to pay the entire bill if you see a provider or visit a health care facility that isn't in your health plan's network and/or your plan does not cover out-of-network services.

“Out-of-network” means providers and facilities that haven't signed a contract with your health plan to provide services. Out-of-network providers may be allowed to bill you for the difference between what your plan pays and the full amount charged for a service. This is called “**balance billing**.” This amount is likely more than your in-network costs for the same service and might not count toward your plan's deductible or annual out-of-pocket limit. Your health plan coverage may not cover out-of-network services when you agree (consent) to receive services from the out-of-network providers.

“Surprise billing” is an unexpected balance bill. This can happen when you can't control who is involved in your care—like when you have an emergency or when you schedule a visit at an in-network facility but are unexpectedly treated by an out-of-network provider. Surprise medical bills could cost thousands of dollars depending on the procedure or service. Providers and facilities are not balance billing you when they seek to collect cost sharing or another amount that you agreed to pay or are required to pay under your plan for the services that they provided.

You're protected from balance billing for:

Emergency services

If you have an emergency medical condition and get emergency services from an out-of-network provider or facility, the most they can bill you is your plan's in-network cost-sharing amount (such as copayments, coinsurance, and deductibles). You **can't** be balance billed for these emergency services. This includes services you may get after you're in stable condition, unless you give written consent and give up your protections not to be balance billed for these post-stabilization services.

Certain services at an in-network hospital or ambulatory surgical center

When you get services from an in-network hospital or ambulatory surgical center, certain providers there may be out-of-network. In these cases, the most those providers can bill you is your plan's in-network cost-sharing amount. This applies to emergency medicine, anesthesia, pathology, radiology, laboratory, neonatology, assistant surgeon, hospitalist, or intensivist services, or when an in-network provider is not available. These providers **can't** balance bill you and may **not** ask you to give up your protections not to be balance billed.

If you get other types of services at these in-network facilities, out-of-network providers **can't** balance bill you, unless you give written consent and give up your protections.

You're never required to give up your protections from balance billing. You also aren't required to get out-of-network care. You can choose a provider or facility in your plan's network.

When balance billing isn't allowed, you also have these protections:

- You're only responsible for paying your share of the cost (like the copayments, coinsurance, and deductible that you would pay if the provider or facility was in-network). Your health plan will pay any additional costs to out-of-network providers and facilities directly.
- Generally, your health plan must:
 - Cover emergency services without requiring you to get approval for services in advance (also known as "prior authorization").
 - Cover emergency services by out-of-network providers and facilities.
 - Base what you owe the provider or facility (your cost-sharing) on what it would pay an in-network provider or facility and show that amount in your explanation of benefits.
 - Count any amount you pay for emergency services or non-emergency services provided by certain out-of-network providers at an in-network facility toward your in-network deductible and out-of-pocket limit.

If you think you've been wrongly billed by a provider or facility, contact the federal government at: **1-800-985-3059 or the District of Columbia Department of Insurance, Securities & Banking at <https://disb.dc.gov/page/request-help-dealing-financial-institutions-form> or call **202-727-8000**.**

Coverage is also provided for a minor grandchild, niece, or nephew if under the primary care of the Subscriber and, if other than the Subscriber, the legal guardian of the minor grandchild, niece, or nephew is not covered by an accident or sickness policy. For the purposes of this paragraph, "primary care" means the Subscriber provides food, clothing, and shelter on a regular and continuous basis for the minor grandchild, niece, or nephew during the time that the District of Columbia public schools are in regular session.

A child who is covered as a Dependent when he/she reaches the limiting age under #2. b., above, may continue coverage if incapable of self-support by reason of mental incapacity or physical handicap and chiefly dependent upon the Subscriber or the Subscriber's Spouse, Domestic Partner, or Legal Partner for support and maintenance, with proof of incapacity and dependency furnished annually if requested by Health Plan.

If payment of additional Premium is required to provide coverage for a newborn child then, in order for coverage to continue beyond thirty-one (31) days from the date of birth, notification of birth and payment of additional Premium must be provided within thirty-one (31) days of the date of birth, otherwise coverage for the newborn will terminate thirty-one (31) days from the date of birth and the newborn child cannot be covered until the next annual open enrollment period.

Health Savings Account-Qualified Plans

This provision only applies if you are enrolled in a qualified High Deductible Health Plan. It does not apply to Members with catastrophic Plan coverage. A Health Savings Account is a tax-exempt account

Kaiser Permanente for Individuals and Families/ Kaiser Permanente Child Only Membership Agreement and Evidence of Coverage

established under Section 223(d) of the Internal Revenue Code for the exclusive purpose of paying current and future Qualified Medical Expenses. Contributions to such an account are tax deductible, but in order to qualify for and make contributions to a Health Savings Account, a Member must be enrolled in a qualified High Deductible Health Plan.

A qualified High Deductible Health Plan provides health care coverage that includes an:

1. Individual Deductible of \$1,500.00 or greater and a family Deductible of \$3,000.00 or greater; and
2. Individual Out-of-Pocket Maximum of no more than \$7,500.00 and a family Out-of-Pocket Maximum of no more than \$15,000.00 in the current Calendar Year.

In a qualified High Deductible Health Plan, all Deductible, Copayment and Coinsurance amounts must be counted toward the Out-of-Pocket Maximum. Review the Cost Sharing information contained within this Agreement to see whether or not this Plan meets the High Deductible Health Plan requirements described in this paragraph. A Plan is a qualified High Deductible Health Plan only if it meets those requirements. Enrollment in a qualified High Deductible Health Plan is only one of the eligibility requirements for establishing and contributing to a Health Savings Account. Other requirements include the following prohibitions: The Member must not be:

1. Covered by other health coverage that is not also a Health Savings Account-qualified plan, with certain exceptions;
2. Enrolled in Medicare; and/or
3. Able to be claimed as a Dependent on another person's tax return.

Please note that the tax references contained in this Agreement relate to federal income tax only. The tax treatment of Health Savings Account contributions and distributions under a state's income tax laws may differ from the federal tax treatment. Kaiser Permanente does not provide tax advice. Contact your financial or tax advisor for more information about your eligibility for a Health Savings Account or to obtain tax advice.

Payment of Premium

Premium may be paid in different ways depending on how you applied for coverage under this Plan. This may include payment directly to the Health Plan or through the Exchange. In consideration of the timely Premium paid to the Health Plan or Exchange, we agree to arrange health care Services in accordance with the terms, conditions, limitations and exclusions of this Agreement.

Members covered under a Kaiser Permanente Child Only Plan may require someone to contractually agree to pay due Premium on their behalf. That individual is known as the Financially Responsible Person.

This Plan is contributory in that the Subscriber, on behalf of his/herself and any applicable Dependents, or a Financially Responsible Person, on behalf of a child Member, is responsible for payment of all required Premium. Premium is due directly to Health Plan no later than the 1st day of the coverage month.

The Financially Responsible person may be a Parent/Guardian, but sometimes they are different people. In the event that the Financially Responsible Person and Parent/Guardian:

1. Are not the same person, then this Agreement is a legally binding contract between the:
 - a. Health Plan;
 - b. Financially Responsible Person; and

Kaiser Permanente for Individuals and Families/ Kaiser Permanente Child Only Membership Agreement and Evidence of Coverage

- c. Parent/Guardian who holds the legal authority to make medical decisions for a Member under age 18 or who is age 18 or older, but incapable of making medical decisions by reason of mental incapacity.
2. Is the same person, they shall be recognized as having the rights and responsibilities of both the Financially Responsible Person and the Parent/Guardian under this Agreement.

When requested by the Parent/Guardian, more than one (1) eligible child, when properly enrolled and for whom Premium has been paid, may be covered under this Agreement.

Only Members for whom the Health Plan has received the appropriate Premium payments are entitled to coverage under this Agreement, except as provided in **Section 6: Extension of Benefits**, and then only for the period for which such Premium is received, in accordance with **Section 6: Termination Due to Nonpayment of Premium**. You may be assessed a charge for any check written to Health Plan that is returned due to insufficient funds in your bank account.

The Premium due under this Agreement is determined by the Health Plan upon application for coverage. The Subscriber or Financially Responsible Person, as applicable, will be given at least forty-five (45) days' notice of any Premium change.

For Members who enroll through the Exchange: If you use Advance Premium Tax Credit, your monthly Premium payment may change if you take fewer or more tax credits due to changes in your income or the addition of loss of members of your household enrolled under your coverage. Use of Advance Premium Tax Credit may have an impact on your income tax return. Kaiser Permanente does not provide tax advice. Contact your financial or tax advisor for more information about your eligibility for Advance Premium Tax Credit or to obtain tax advice.

Effective Date for Special Enrollment Periods

If an individual enrolls in or changes health plan coverage during a special enrollment period as the result of a triggering event, the effective date of such coverage shall be determined as described below. For more information on triggering events that create special enrollment periods, see *Special Enrollment Periods Due To Triggering Events*.

1. In the case of loss of Minimum Essential Coverage, pregnancy-related or medically needy coverage, or non-calendar year group health plan or individual health insurance coverage; or upon gaining access to new plans due to a permanent move, recent release from incarceration or for becoming newly eligible for the Advance Premium Tax Credit due to a move from a non-Medicaid expansion state, the coverage effective date is based on date of your plan selection. If the plan selection:
 - a. Is made on or before the date of the loss of coverage, then new coverage becomes effective the 1st day of the month following the loss of coverage; or
 - b. Occurs after the date of loss of coverage, then new coverage becomes effective the 1st day of the following month when selection is made between the 1st and 15th day of any month; and the 1st day of the second following month when a selection is made between the 16th and last day of any month.
2. In the case of marriage or domestic partnership, the coverage effective date shall be the 1st day of the month following plan selection or, if you choose and the Exchange permits, according to the plan selection rule in paragraph #10, below.
3. In the case of a newly-eligible Dependent child, as a result of the Dependent child's birth, the coverage effective date shall be the moment of the Dependent child's birth.

Kaiser Permanente for Individuals and Families/ Kaiser Permanente Child Only Membership Agreement and Evidence of Coverage

- any required Premium within those thirty-one (31) days in order for the Dependent child's coverage to extend beyond that period. If proof of the eligibility of the new Dependent child is required, the Health Plan will pay the reasonable cost of the providing of such proof. When additional Premium is not required, coverage automatically continues beyond the thirty-one (31) day period. While notification and enrollment of the new Dependent is recommended to expedite the claims process in situations where no additional Premium is due, it is not required.
- b. Coverage for a newly-eligible Dependent child shall consist of coverage for injury or sickness, including necessary care and treatment of medically diagnosed congenital defects and birth abnormalities.
 - c. Any other individual(s) including the Subscriber or Subscriber's spouse who are added due to this triggering event, will have the same effective date of coverage as the newly-born child.

The "date of adoption" means the earlier of a judicial decree of adoption or the assumption of custody, pending adoption of a prospective adoptive child by a prospective adoptive parent.
- a. Coverage is automatic and unconditional for the first thirty-one (31) days following the date of adoption. When an additional Premium is required to add the newly-Dependent child to the Subscriber's Plan, the Subscriber must affirmatively enroll the newly-Dependent child and pay any required Premium within those thirty-one (31) days in order for the Dependent child's coverage to extend beyond that period. If proof of the eligibility of the new Dependent child is required, the Health Plan will pay the reasonable cost of the providing of such proof. When additional Premium is not required, coverage automatically continues beyond the thirty-one (31) day period. While notification and enrollment of the new Dependent is recommended to expedite the claims process, it is not required.
 - b. Coverage for a newly-eligible Dependent child shall consist of coverage for injury or sickness, including necessary care and treatment of medically diagnosed congenital defects and birth abnormalities.
 - c. Any other individual(s), including the Subscriber or Subscriber's spouse who are added due to this triggering event, will have the same effective date of coverage as the newly-adopted child.
5. In the case of a newly-eligible Dependent child, resulting from a child support order or other court order, the effective date for all enrolled individuals is the date the court order is effective. For Subscribers who enrolled through the Exchange, it may be determined in accordance with paragraph #10, below.
6. In the case of either placement for adoption or into foster care, the effective date of coverage shall be either the date of placement for adoption or into foster care.
- a. Additionally, any other individual(s), including the Subscriber or Subscriber's spouse who are added due to this triggering event, will have the same effective date of coverage as the Dependent placed for adoption or into foster care.
7. In the case of loss of coverage, or new eligibility for Advance Premium Tax Credit due to an employer-sponsored coverage change ***Special Enrollment Periods Due To Triggering Events***, the effective date is based on date of plan selection. If plan selection is made:
- a. On or before the date of the triggering event, then the coverage effective date shall be the 1st day of the month following the loss of coverage; or

Kaiser Permanente for Individuals and Families/ Kaiser Permanente Child Only Membership Agreement and Evidence of Coverage

- b. After the date of the triggering event, then the coverage effective date shall be in accordance with the effective rule described in paragraph #10, below, or the 1st day of the month following the plan selection, at the option of the Exchange. This potential alternate effective date only applies to plans sold on the Exchange.
8. In the case of triggering event described in paragraphs #7, #8, #11 or #12, or in the section *Special Enrollment Periods Due to Triggering Events* or paragraphs #3 or #4 under the Exchange-only Member enrollment section in *Special Enrollment Periods Due to Triggering Events*, coverage for policies that are sold through the Exchange will be effective on an appropriate date based on the specific circumstances as determined by the Exchange. If you did not enroll through the Exchange, the effective date will be determined as described in paragraph #10, below.
9. In the case of the death of you or your Dependent, the coverage effective date shall be the 1st day of the month following plan selection, or if you choose and the Exchange allows, according to the plan selection rule in paragraph #10, below. This potential alternate effective date only applies to plans sold on the Exchange.

 - a. The 1st of the month in which your or your Dependent are confirmed by a provider to be pregnant; or
 - b. The 1st of the month following the date you or your Dependent makes a plan selection.

12. For all other triggering events, for a plan selection received by the Exchange or us between the:
 - a. 1st and the 15th day of any month, then the coverage effective date will be the 1st day of the following month; and

Kaiser Permanente for Individuals and Families/ Kaiser Permanente Child Only Membership Agreement and Evidence of Coverage

1. Durable Power of Attorney for Health Care, which lets you name someone to make health care decisions for you when you cannot speak for yourself. It also lets you write down your views on life support and other treatments; and
2. Living Will and the Natural Death Act Declaration to Physicians, which lets you write down your wishes about receiving life support and other treatment.

For additional information about advance directives, including how to obtain forms and instructions, visit us online at www.kp.org or contact Member Services Monday through Friday between 7:30 a.m. and 9 p.m. at 1-800-777-7902 or 711 (TTY).

Receiving Health Care Services

To receive the Services covered under this Agreement, you must be a current Health Plan Member for whom Premium has been paid. Anyone who is not a Member will be billed the Allowable Charge(s) for any Services we provide and claims for Emergency or Urgent Care Services from non-Plan Providers will be denied.

As a current Member under this Plan, we agree to provide and/or arrange health care Services in accordance with the terms, conditions, limitations and exclusions of this Agreement. You may receive these Services and other benefits specified in this Agreement when provided, prescribed or directed by Plan Providers within our Service Area.

You have your choice of Plan Physicians and Facilities within our Service Area. Covered Services are available only from the Medical Group, Plan Facilities and in-Plan Skilled Nursing Facilities. Neither the Health Plan, Medical Group nor any Plan Physicians have any liability or obligation extending from any Service or benefit sought or received by a Member from any non-Plan:

1. Doctor;
2. Hospital;
3. Skilled Nursing Facility;
4. Person;
5. Institution; or
6. Organization, except when you:
 - a. Have a pre-authorized referral for the Services; or
 - b. Are covered under the *Emergency Services* or *Urgent Care Services* provisions in *Section 3: Benefits, Exclusions and Limitations*.

Emergency and Urgent Care Services, in addition to Services associated with pre-authorized referrals are the only Services a Member may seek outside of the Service Area.

Your Kaiser Permanente Identification Card

Digital Kaiser Permanente Identification Card

Managing your health care is convenient with the Kaiser Permanente mobile app. The app gives you access to your digital Kaiser Permanente identification card, which allows you to check in for appointments, pick up prescriptions and provide your membership information, all from your smartphone. To access your digital Kaiser Permanente identification card:

1. Log into the Kaiser Permanente mobile app; and
2. Select “Member ID Card” from the menu options.

Kaiser Permanente for Individuals and Families/ Kaiser Permanente Child Only Membership Agreement and Evidence of Coverage

Note: Verify that the Kaiser Permanente mobile app is available on your smartphone and create your login before arriving at your appointment. Additionally, the availability of the digital Kaiser Permanente identification card is limited to certain types of Plans and does not replace the physical card. Each Member will also receive a physical Kaiser Permanente identification card.

Using Your Kaiser Permanente Identification Card

Your Kaiser Permanente identification card is for identification purposes only. It contains your name, Medical Record Number and our contact information. When you Visit a Plan Facility, please have both your Kaiser Permanente identification card and a valid photo ID with you. You will be asked to show both of them when checking in.

Your Medical Record Number is used to identify your medical records and membership information. You should always have the same Medical Record Number.

If you need to replace your Kaiser Permanente identification card, or if we ever issue you more than one (1) Medical Record Number, please let us know by contacting Member Services Monday through Friday between 7:30 a.m. and 9 p.m. at 1-800-777-7902 or 711 (TTY).

Note: Allowing another person to use your ID card will result in forfeiture of your Kaiser Permanente identification card and may result in termination of your membership.

Choosing Your Primary Care Plan Physician

We highly encourage you to choose a Primary Care Plan Physician when you enroll. He or she will play an important role in coordinating your health care Services, including Hospital stays and referrals to specialists. Additionally, your Primary Care Plan Physician and Plan Providers will work as a team, along with you, to ensure continuity of care and medically appropriate courses of treatment.

Each Member in your family should select a Primary Care Plan Physician. If you do not select a Primary Care Plan Physician upon enrollment, we will assign you one near your home. You may select or change your Primary Care Plan Physician at any time by visiting us online at www.kp.org or contacting Member Services Monday through Friday between 7:30 a.m. and 9 p.m. at 1-800-777-7902 or 711 (TTY).

Our Provider Directory is available online at www.kp.org and updated twice each month. A listing of all Primary Care Plan Physicians is also provided to you on an annual basis.

You may select a Primary Care Plan Physician, who is available to accept new Members, from the following areas: Internal medicine, family practice and pediatrics. Within pediatrics, you may select an allopathic or osteopathic pediatrician as the Primary Care Plan Physician for your child. In addition to selecting a Primary Care Plan Physician, Members may choose a Plan Physician who practices in the specialty of obstetrics or gynecology (OB/GYN) as their personal OB/GYN.

Getting a Referral

Our Plan Physicians offer primary medical, pediatric and OB/GYN care as well as specialty care in areas such as general surgery, orthopedic surgery, dermatology and other medical specialties. We have Plan Medical Centers and specialty facilities such as imaging centers, located within our Service Area. You will receive most of the covered Services that you routinely need at these facilities unless you have an approved referral to another Plan Provider.

Kaiser Permanente for Individuals and Families/ Kaiser Permanente Child Only Membership Agreement and Evidence of Coverage

All referrals will be subject to review and approval, which is known as authorization, in accordance with the terms of this Agreement. We will notify you when our review is complete.

Receiving an Authorized Specialist or Hospital Referral

If your Plan Provider decides that you require covered Services from a Specialist, you will receive an authorized referral to a Plan Provider who specializes in the type of care you need.

In the event that the covered Services you need are not available from a Plan Provider, we may refer you to another provider. For more information, see *Referrals to Non-Plan Specialists and Non-Physician Specialists* below.

When you need authorized covered Services at a Plan Hospital, you will be referred to a Plan Hospital. We may direct that you receive the Hospital Services at a particular Plan Hospital so that we may better coordinate your care using Medical Group Plan Physicians and our electronic medical record system.

Post-Referral Services Not Covered

Any additional Services not specifically listed, and/or that are provided by a professional not named in the referral, are not authorized and will not be reimbursed.

If a non-Plan Provider for whom you have received an authorized referral recommends additional Services that are not indicated in that approved referral, advise your Plan Provider. He or she will work with you to determine whether those Services can be provided by a Plan Provider. Additional services not specifically listed in the referral are not authorized and will not be reimbursed unless you have received a preauthorization for those Services.

Standing Referrals to Specialists

If you suffer from a life-threatening, degenerative, chronic or disabling disease or condition that requires Specialty Services, your Primary Care Plan Physician may determine, in consultation with you and a Specialist, that you need continuing care from that Specialist. In such instances, your Primary Care Plan Physician will issue a standing referral to the Specialist.

A standing referral should be developed by the specialist, your Primary Care Plan Physician and you, and made in accordance with a written treatment plan consisting of covered Services. The treatment plan may limit the authorized number of Specialist Visits and/or the period of time in which those Specialist Visits are authorized. It may also require that the Specialist communicate regularly with your Primary Care Plan Physician regarding your treatment and health status.

Referrals to Non-Plan Specialists and Non-Physician Specialists

A Member may request a referral to a non-Plan Specialist or a Non-Physician Specialist if:

1. The Member has been diagnosed with a condition or disease that requires specialized health care Services or medical care; and the Health Plan:
 - a. Does not have a Plan Specialist or Non-Physicians Specialist with the professional training and expertise to treat or provide health care Services for the condition or disease; or
 - b. Cannot provide reasonable access to a Specialist or Non-Physician Specialist with the professional training and expertise to treat or provide health care Services for the condition or disease without unreasonable delay or travel.

Kaiser Permanente for Individuals and Families/ Kaiser Permanente Child Only Membership Agreement and Evidence of Coverage

You must have an approved written referral to the non-Plan Specialist or Non-Physician Specialist in order for the Health Plan to cover the Services. The Cost Share amounts for approved referral Services are the same as those required for Services provided by a Plan Provider.

Services that Do Not Require a Referral

There are specific Services that do not require a referral from your Primary Care Plan Physician. However, you must obtain the care from a Plan Provider. These Services include:

1. An initial consultation for treatment of mental illness, emotional disorders and drug or alcohol abuse, when provided by a Plan Provider. For continued treatment, you or your Plan Provider must contact the Behavioral Health Access Unit for assistance to arrange and schedule these covered Services. The Behavioral Access Unit can be reached at 1-866-530-8778;
2. OB/GYN Services provided by an OB/GYN, a certified nurse-midwife or other Plan Provider authorized to provide OB/GYN Services including the ordering of related, covered OB/GYN Services; and
3. Optometry Services.

Prior Authorization for Prescription Drugs

Requests for covered outpatient prescription drugs may be subject to certain utilization management protocols, such as prior authorization or step therapy.

If we deny a Service or prescription drug because prior authorization was not obtained, or if a step-therapy exception request is denied, you may submit an appeal. For information on how to submit an appeal, see *Section 5: Filing Claims, Appeals and Grievances*.

To find out if a prescription drug is subject to prior authorization or step-therapy requirements, please see *Drugs, Supplies and Supplements* in *Section 3 – Benefits, Exclusions and Limitations* or the *Benefits* section of the *Outpatient Prescription Drug Benefit*.

For the most up-to-date list of Plan Medical Centers and Plan Providers, visit us online at www.kp.org. To request a Provider Directory, please contact Member Services Monday through Friday between 7:30 a.m. and 9 p.m. at 1-800-777-7902 or 711 (TTY).

Getting Emergency and Urgent Care Services

Emergency Services

Emergency Services are covered 24 hours per day, 7 days per week no matter when or where in the world they occur without Prior Authorization and without regard to whether the health care provider furnishing the services is a Plan Provider.

If you have an Emergency Medical Condition, call 911 (where available) or go to the nearest hospital emergency department or Independent Freestanding Emergency Department. You do not need Prior Authorization for Emergency Services. When you have an Emergency Medical Condition, we cover Emergency Services that you receive from Plan Providers or non-Plan Providers anywhere in the world, as long as the Services would be covered under *Emergency Services* in *Section 3: Benefits, Exclusions and Limitations* if You had received them from Plan Providers. Emergency Services are available from Plan Hospital emergency departments 24 hours a day, seven days a week.

You will incur the same cost sharing (deductible, coinsurance and/or copayment, as applicable) for Emergency Services furnished by non- Plan Providers as Plan Providers and such cost sharing will be

Kaiser Permanente for Individuals and Families/ Kaiser Permanente Child Only Membership Agreement and Evidence of Coverage

calculated based on the Allowable Charge in accordance with applicable law if you Cost Sharing is not a fixed amount.

If Emergency Services are provided by a Non-Plan Provider, Health Plan will make payment for the covered Emergency Services directly to the Non-Plan Provider. The payment amount will be equal to the amount by which the Allowable Charge exceeds your cost-sharing amount for the Services. You will not be liable for an amount that exceeds the recognized Amount as further described in this Agreement.

Bills for Emergency Services

You should not receive a bill for Emergency Services directly from a Plan Provider or non-Plan Provider when the federal No Surprises Act applies. When you do receive a bill from a hospital, physician or ancillary provider for Emergency Services that were provided to you, you should either (1) contact the hospital, physician or other provider to inform them that the bill should be sent to us at the address listed below, or (2) simply mail the bill to us with your medical record number written on it. Your medical record number can be found on the front of your Kaiser Permanente identification card. You do not have to pay the bill until we determine what amount you owe, if any, for the Emergency Services. A bill from either the provider or you can be mailed to us at:

Kaiser Permanente National Claims Administration - Mid-Atlantic States
PO Box 371860
Denver, CO 80237-9998
Fax: 1-866-568-4184

If you have already paid the bill, then please send proof of payment and a copy of the bill to the address listed above. Please remember to include your medical record number on your proof. For more information on the payment or reimbursement of covered services and how to file a claim, see *Filing for Payment or Reimbursement of a Covered Service or Post-Service Claim* in *Section 5: Filing Claims, Appeals and Grievances*.

Urgent Care Services

All Primary Care Plan Physicians are on-call 24/7. When a situation is not an emergency but requires prompt attention for symptoms such as a sudden rash, high fever, severe vomiting, ear infection or sprain, please call your Primary Care Plan Physician as instructed under *Making and Cancelling Appointments and Who to Contact* at the beginning of this section.

Hospital Admissions

If you are admitted to a non-Plan Hospital, you, your Parent/Guardian, Financially Responsible Person or someone else must notify us within the later of forty-eight (48) hours of a Member's hospital admission or on the first working day following the admission unless it was not reasonably possible to notify us within that time.

Getting Assistance from Our Advice Nurses

Our advice nurses are registered nurses (RNs) specially trained to help assess clinical problems and provide clinical advice. They can help solve a problem over the phone and instruct you on self-care at home, when appropriate. If the problem is more severe and you need an appointment, they will help you get one.

If you are not sure you are experiencing a medical emergency, or for Urgent Care Services for symptoms such as a sudden rash, high fever, severe vomiting, ear infection or sprain, you may call our advice nurses

Kaiser Permanente for Individuals and Families/ Kaiser Permanente Child Only Membership Agreement and Evidence of Coverage

at 1-800-777-7904 or 711 (TTY). You may also call 1-800-677-1112 from anywhere in the United States, Canada, Puerto Rico or the Virgin Islands.

Getting a Second Opinion

You are welcome to receive a second medical opinion from a Plan Physician. We will assist you to arrange an appointment for a second opinion upon request.

Receiving Care in Another Kaiser Foundation Health Plan Service Area

You may receive covered Services from another Kaiser Foundation Health Plan, if the Services are provided, prescribed, or directed by that other plan, and if the Services would have been covered under this EOC. Covered Services are subject to the terms and conditions of this EOC, including prior authorization requirements, the applicable Copayments, Coinsurance and/or Deductible shown in the “Summary of Cost Shares,” and the exclusions, limitations and reductions described in this EOC.

For more information about receiving care in other Kaiser Foundation Health Plan service areas, including availability of Services, and provider and facility locations, please call our Away from Home Travel Line at 951-268-3900. Information is also available online at kp.org/travel.

Value-Added Services

To support Members in their quest for better health, the Health Plan occasionally will make a variety of valuable items or services available to you. Examples of these items or services include, but are not limited to, publications, discounted eyewear, discounted fitness club memberships, health education classes (that are not covered services) and health promotion and wellness programs, including any associated rewards for participating in those programs.

Additionally, a Plan Provider may furnish Medically Necessary value-added items and services at no cost to you in conjunction with your treatment plan.

Value added items and services are:

1. Neither offered nor guaranteed under your Health Plan coverage. Some may be provided by entities other than the Health Plan. We may change or discontinue some or all value-added items and services at any time and without notice.
2. Not offered as an inducement to purchase coverage from the Health Plan. While value-added items and services are not benefits or covered services, we may include their costs in the calculation of your dues or premium.

Some value-added items and services are available to all Members, while others may be available only to Members who are enrolled in certain Plans or covered by certain employer groups. To take advantage of these services, Members should display their Kaiser Permanente identification card and pay any applicable fees due at the time of service. Because value-added items and services are not benefits or covered services, any fees you pay for them will not accrue toward your Deductible, Out-of-Pocket Maximum or any other coverage calculations required under your Plan.

The Health Plan does not endorse or make any representations regarding the quality or medical efficacy of any value-added items or services provided by external entities, nor the financial integrity of any entities providing them. The Health Plan expressly disclaims any liability for value-added items or services provided by these entities.

Kaiser Permanente for Individuals and Families/ Kaiser Permanente Child Only Membership Agreement and Evidence of Coverage

Member Services representatives are available to assist you with questions or concerns about value-added items and services Monday through Friday between 7:30 a.m. and 9 p.m. at 1-800-777-7902 or 711 (TTY). However, Member Services representatives may not be able to resolve or support the resolution of any dispute between a Member and any external entity providing value-added items or services.

Payment Toward Your Cost Share and When You May Be Billed

In most cases, you will be asked to make a payment toward your Cost Share at the time you receive Services. Cost Share payments may be made by you, or on your behalf, (including manufacturer coupons, when accepted), and will apply toward your Out-of-Pocket Maximum. If you receive more than one type of Services, such as Primary Care treatment and laboratory tests, you may be required to pay separate Cost Shares for each of those Services. In some cases, your provider may not ask you to make a payment at the time you receive Services, and you may be billed for your Cost Share.

Keep in mind payments made by you, or on your behalf, toward your Cost Share may cover only a portion of your total Cost Share for the Services you receive, and you will be billed for any additional amounts that are due. The following are examples of when you may be asked to pay Cost Share amounts in addition to the amount you pay at check-in:

1. **You receive non-preventive Services during a preventive Visit.** For example, you go in for a routine physical exam, and at check-in you pay your Cost Share for the preventive exam (your Cost Share may be "no charge"). However, during your preventive exam your provider finds a problem with your health and orders non-preventive Services to diagnose your problem, such as laboratory tests. You may be asked to pay your Cost Share for these additional non-preventive diagnostic Services.
2. **You receive diagnostic Services during a treatment Visit.** For example, you go in for treatment of an existing health condition, and at check-in you pay your Cost Share for a treatment Visit. However, during the Visit your provider finds a new problem with your health and performs or orders diagnostic Services, such as laboratory tests. You may be asked to pay your Cost Share for these additional diagnostic Services.
3. **You receive treatment Services during a diagnostic Visit.** For example, you go in for a diagnostic exam, and at check-in you pay your Cost Share for a diagnostic exam. However, during the diagnostic exam your provider confirms a problem with your health and performs treatment Services, such as an outpatient procedure. You may be asked to pay your Cost Share for these additional treatment Services.
4. **You receive non-preventive Services during a no-charge courtesy Visit.** For example, you go in for a blood pressure check or meet and greet Visit and the provider finds a problem with your health and performs diagnostic or treatment Services. You may be asked to pay your Cost Share for these additional diagnostic or treatment Services.
5. **You receive Services from a second provider during your Visit.** For example, you go in for a diagnostic exam, and at check-in you pay your Cost Share for a diagnostic exam. However, during the diagnostic exam your provider requests a consultation with a specialist. You may be asked to pay your Cost Share for the consultation with the specialist.

Note: If your plan is subject to a Deductible, any required Deductible amount must be met by the Member prior to our payment of non-preventive or diagnostic Services.

The Health Plan will promptly refund any Copayment and Coinsurance you have paid for Services after the Out-of-Pocket Maximum is reached.

When you pay for Services, ask for and keep receipts. You will need them for your tax records and to verify against our records the payments credited toward the Out-of-Pocket Maximum. When you have questions about the status of your Out-of-Pocket Maximum, contact us at 1-800-777-7902.

Emergency Services, including Emergency Services HIV Screening Test

As described below, you are covered for Emergency Services, without Prior Authorization, if you experience an Emergency Medical Condition, anywhere in the world.

If you think you are experiencing an Emergency Medical Condition, you should call 911 immediately.

If you are not sure whether you are experiencing an Emergency Medical Condition, please contact us at the number listed on the reverse side of your ID card for immediate medical advice. You or your representative must notify the Health Plan as soon as possible, not to exceed forty-eight (48) hours or the next business day, whichever is later, after you receive care in a hospital emergency room to ensure coverage.

Coverage depends on our determination of the situation in which care was provided, and not solely on the advice of the non-Plan Provider.

We cover Emergency Services as follows:

Inside our Service Area

We will cover reasonable charges for Emergency Services as defined in this section, received within the Service Area. After Emergency Services have been received inside the Service Area, continuing or follow-up treatment is available from your primary care Plan Physician. Coverage is limited to Emergency Services required before you can, without medically harmful consequences, be transported to a Plan Hospital or Primary Care Plan Physician's office.

Outside of our Service Area

If you are injured or become ill while temporarily outside the Service Area, we will cover reasonable charges for Emergency Services as defined in this section.

Emergency Services HIV Screening Test

We cover the cost of a voluntary HIV screening test performed on a member while the Member is receiving emergency medical services, other than HIV screening, at a hospital emergency room, whether or not the HIV screening test is necessary for the treatment of the medical emergency which caused the member to seek emergency services.

Covered Services include:

1. The costs of administering such a test;
2. All laboratory expenses to analyze the test; and
3. The costs of communicating to the patient the results of the test and any applicable follow-up instructions for obtaining health care and supportive Services.

Other than the Cost Share shown in the *Summary of Cost Shares* for Emergency Services, no additional Cost Share will be imposed for these Services.

Post-Stabilization Care

Post-Stabilization Care is Medically Necessary Services related to your Emergency Medical Condition that you receive in a hospital, including the Emergency Department, after your treating physician determines that your Emergency Medical Condition is stabilized. Post-stabilization Care also includes durable medical equipment covered under this EOC, if it is Medically Necessary after your discharge from a hospital and related to the same Emergency Medical Condition. For more information about durable medical equipment covered under this EOC, see the *Durable Medical Equipment* provision of this *Benefits, Exclusions and Limitations* section and the *Summary of Cost Shares* appendix.

When you receive Emergency Services in the District of Columbia, and federal law does not require that we consider the Post-Stabilization Care as Emergency Services, we cover Post-Stabilization Care only if we provide Prior Authorization for the Post-Stabilization Care. Therefore, it is very important that you, your provider, including your non-Plan Provider, or someone else acting on your behalf, call us to notify us that you need Post-Stabilization Care and to get Prior Authorization from us before you receive the Post-Stabilization Care.

To request Prior Authorization, you, your provider, including your non-Plan Provider or someone else acting on your behalf, must call 1-800-225-8883 or the notification telephone number on the reverse side of your ID card before you receive the care. We will discuss your condition with the non-Plan Provider. If we determine that you require Post-Stabilization Care, we will authorize your care from the non-Plan Provider or arrange to have a Plan Provider, or other designated provider, provide the care. If we decide to have a Plan Hospital, Plan Skilled Nursing Facility, or designated non-Plan Provider provide your care, we may authorize special transportation services that are non-Plan Providers. If you receive care from a non-Plan Provider that we have not authorized, you may have to pay the full cost of that care.

When you receive Emergency Services from non-Plan Providers, Post-Stabilization Care may qualify as Emergency Services pursuant to federal law. We will not require Prior Authorization for such Post-Stabilization Care at a non-Plan Hospital when your attending non-Plan Provider determines that, after you receive Emergency (screening and stabilization) Services, you are not able to travel using non-medical transportation or non-emergency medical transportation to an available Plan Provider located within a reasonable travel distance taking into account your medical condition.

Non-Plan Providers may provide notice and seek your consent to provide Post-Stabilization Care Services or other covered Services. Such Services will not be covered when you do not obtain Prior Authorization as described herein. If you, or your authorized representative, consent to the furnishing of Services by non-Plan Providers, then you will be responsible for paying for such Services in the absence of any Prior Authorization. The cost of such Services will not accumulate to your Deductible, if any, or your Out-of-Pocket Maximum costs.

See the benefit-specific limitation(s) immediately below for additional information.

Benefit-Specific Limitation(s):

1. Notification: If you receive care at a hospital emergency room and/or are admitted to a non-Plan hospital, you, or someone on your behalf, must notify us as soon as possible, not later than

Kaiser Permanente for Individuals and Families/ Kaiser Permanente Child Only Membership Agreement and Evidence of Coverage

forty-eight (48) hours of any emergency room Visit or admission or on the first working day following the emergency room Visit or admission, whichever is later, unless it was not reasonably possible to notify us. If admitted to a hospital, we will decide whether to make arrangements for necessary continued care where you are, or to transfer you to a facility we designate.

2. Continuing or follow-up treatment: We do not cover continuing or follow-up treatment after Emergency Services unless authorized by the Health Plan. We cover only the non-Plan Emergency Services that are required before you could, without medically harmful results, have been moved to a facility we designate either inside or outside our Service Area or in another Kaiser Foundation Health Plan or allied plan Service Area.

- c. It is subject to the approval or review of an Institutional Review Board (“IRB”) of the treating facility that approves or reviews research concerning the safety, toxicity, or efficacy of Services; or
- d. It is the subject of a written protocol used by the treating facility for research, clinical trials, or other tests or studies to evaluate its safety, effectiveness, toxicity or efficacy, as evidenced in the protocol itself or in the written consent form used by the facility.

In determining whether a Service is experimental or investigational, the following sources of information will be relied upon exclusively:

- a. your medical records;
- b. the written protocols or other documents pursuant to which the Service has been or will be provided;
- c. any consent documents you or your representative has executed or will be asked to execute, to receive the Service;
- d. the files and records of the IRB or similar body that approves or reviews research at the institution where the Service has been or will be provided, and other information concerning the authority or actions of the IRB or similar body;
- e. the published authoritative medical or scientific literature regarding the Service, as applied to your illness or injury; and
- f. regulations, records, applications, and any other documents or actions issued by, filed with, or taken by, the FDA, the Office of Technology Assessment or other agencies within the United States Department of Health and Human Services, or any state agency performing similar functions.

The Health Plan consults Medical Group and then uses the criteria described above to decide if a particular Service is experimental or investigational.

14. Worker's Compensation or Employer Liability: Financial responsibility for Services for any illness, injury or condition, to the extent a payment or any other benefit, including any amount received as a settlement (collectively referred to a "Financial Benefit"), is provided under any worker's compensation or employer liability law. We will provide Services even if it is unclear whether you are entitled to a Financial Benefit; but we may recover the value of any covered Services from the following sources:

- a. Any source providing a Financial Benefit or from whom a Financial Benefit is due; or
- b. You, to the extent that a Financial Benefit is provided or payable or would have been required to be provided or payable if you had diligently sought to establish your rights to the Financial Benefit under any workers' compensation or employers' liability law.

Limitations

We will make our best efforts to provide or arrange for your health care Services in the event of unusual circumstances that delay or render impractical the provision of Services under this Agreement, for reasons such as:

1. A major disaster;
2. An epidemic;
3. War;
4. Riot;
5. Civil insurrection;
6. Disability of a large share of personnel of a Plan Hospital or Plan Medical Center; and/or
7. Complete or partial destruction of facilities.

A riot is a public disturbance involving an assemblage of five (5) or more persons which, by tumultuous and violent conduct or the threat thereof, creates grave danger of damage or injury to property or persons. An exclusion or limitation for riot shall apply only when a person willfully engages in a riot or willfully incites or urges other persons to engage in a riot.

In the event that we are unable to provide the Services covered under this Agreement, the Health Plan, Kaiser Foundation Hospitals, Medical Group and Kaiser Permanente's Medical Group Plan Physicians shall only be liable for reimbursement of the expenses necessarily incurred by a Member in procuring the Services through other providers, to the extent prescribed by the Commissioner of Insurance.

For personal reasons, some Members may refuse to accept Services recommended by their Plan Physician for a particular condition. If you refuse to accept Services recommended by your Plan Physician, he or she will advise you if there is no other professionally acceptable alternative. You may get a second opinion from another Plan Physician, as described under ***Getting a Second Opinion*** in ***Section 2: How to Get the Care You Need***. If you still refuse to accept the recommended Services, the Health Plan and Plan Providers have no further responsibility to provide or cover any alternative treatment you may request for that condition.

SECTION 4: Subrogation, Reductions and Coordination of Benefits

There may be occasions when we will seek reimbursement of the Health Plan's costs of providing care to you, or your benefits are reduced as the result of the existence other types of health benefit coverage. This section provides information on these types of situations, and what to do when you encounter them.

Subrogation and Reductions, Explained

Subrogation Overview

There may be occasions when we require reimbursement of the Health Plan's costs of providing care to you. This occurs when there is a responsible party for an illness you acquire or injury you receive. This process is called subrogation. For example, if you were involved in a slip-and-fall incident at a store because of a spill, and the store was found liable for associated injuries you receive, they may become responsible for payment of the costs of your care for those associated injuries. For more information, see *When Illness or Injury is Caused by a Third Party* in this section.

Reductions Overview

There may be occasions when your benefits are reduced as the result of the existence other types of health benefit coverage available to you. For example, if there is duplicative coverage for your dependent under a primary health benefit plan purchased by your spouse, the costs of care may be divided between the available health benefit plans. For more information, see the *Reductions Under Medicare and TRICARE Benefits* and *Coordination of Benefits* provisions in this section.

The above scenarios are a couple of examples of when:

1. We may assert the right to recover the costs of benefits provided to you; or
2. A reduction in benefits may occur.

The remainder of this section will provide you with information on what to do when you encounter these situations.

When Illness or Injury is Caused by a Third Party

If the Health Plan provides coverage under this Agreement when another party is alleged to be responsible to pay for treatment you receive, we have the right to subrogate to recover the costs of related benefits administered to you. To secure our rights, the Health Plan will have a lien on the proceeds of any judgment or settlement you obtain against a third party for covered medical expenses.

The proceeds of any judgment or settlement that the Member or the Health Plan obtains shall first be applied to satisfy the Health Plan's lien, regardless of whether the total amount of recovery is less than the actual losses and damages you incurred. However, you will not have to pay the Health Plan more than what you received from or on behalf of the third party for medical expenses.

Notifying the Health Plan of Claims and/or Legal Action

Within thirty (30) days after submitting or filing a claim or legal action against the third party, you must send written notice of the claim or legal action to us at the following address:

Kaiser Foundation Health Plan of the Mid-Atlantic States, Inc.

Rockville, Maryland 20852

Kaiser Permanente for Individuals and Families/ Kaiser Permanente Child Only Membership Agreement and Evidence of Coverage

When notifying us, please include the third party's liability insurance company name, policy and claim numbers, business address and telephone number and, if known, the name of the handler of the claim.

If you are represented by an attorney in relation to the loss for which you have brought legal action against a third party, please ensure that provide your attorney's name and contact information, including their business address and telephone number. If you change attorneys during the legal process, you are required to inform the Health Plan of your change in representation.

The Health Plan's Right to Recover Payments

In order for the Health Plan to determine the existence of any rights we may have, and to satisfy those rights, you must complete and send the Health Plan all consents, releases, authorizations, assignments and other documents, including lien forms directing your attorney, the third party and the third party's liability insurer to reimburse the Health Plan directly. You may not take any action that is prejudicial to our rights.

If your estate, parent, guardian or conservator asserts a claim against a third party based on your injury or illness; both your estate, parent/guardian or conservator and any settlement or judgment recovered by the estate, parent/guardian or conservator, shall be subject to the Health Plan's liens and other rights to the same extent as if you had asserted the claim against the third party. The Health Plan may assign its rights to enforce its liens and other rights.

The Health Plan's recovery shall be limited to the extent that the Health Plan provided benefits or made payments for benefits as a result of the occurrence that gave rise to the cause of action.

Except for any benefits that would be payable under either Personal Injury Protection coverage; and/or any capitation agreement the Health Plan has with a participating provider:

1. If you become ill or injured through the fault of a third party and you collect any money from the third party or their insurance company for medical expenses; or
2. When you recover for medical expenses in a cause of action, the Health Plan has the option of becoming subrogated to all claims, causes of action and other rights you may have against a third party or an insurer, government program or other source of coverage for monetary damages, compensation or indemnification on account of the injury or illness allegedly caused by the third party:
 - a. The Health Plan will be subrogated for any Service provided by or arranged for as:
 - i. A result of the occurrence that gave rise to the cause of action; or
 - ii. Of the time it mails or delivers a written notice of its intent to exercise this option to you or to your attorney, should you be represented by one, as follows:
 - a) Per the Health Plan's fee schedule for Services provided or arranged by the Medical Group; or
 - b) Any actual expenses that were made for Services provided by participating providers.

When applicable, any amount returned to the Health Plan will be reduced by a pro rata share of the court costs and legal fees incurred by the Member that are applicable to the portion of the settlement returned to the Health Plan.

Worker's Compensation Claims

If you have an active worker's compensation claim for injuries sustained while conducting the duties of your occupation, you must send written notice of the claim to us within thirty (30) days at the following address:

If you are represented by an attorney in relation to the worker's compensation loss for which you have brought legal action against your employer, please ensure that provide your attorney's name and contact information, including their business address and telephone number. If you change attorneys during the legal process, you are required to inform the Health Plan of your change in representation.

Health Plan Not Liable for Illness or Injury to Others

Who is eligible for coverage under this Agreement is stated in *Section 1: Introduction to Your Kaiser Permanente Health Plan*. Neither the Health Plan, Plan Hospitals nor the Medical Group provide benefits or health care Services to others due to your liabilities. If you are responsible for illness or injury caused to another person, coverage will not be provided under this Agreement unless they are a covered Dependent.

Failure to Notify the Health Plan of Responsible Parties

It is a requirement under this Agreement to notify the Health Plan of any third party who is responsible for an action that causes illness or injury to you.

Failure to notify the Health Plan of your pursuit of claims against a third party due to their negligence is a violation of this Agreement. If a member dually recovers compensation by obtaining benefits from the Health Plan and compensation for the same loss from a responsible third party, the Health Plan reserves the right to directly pursue reimbursement of its expenses from the Member who received the settlement as compensation.

No Member, nor the legal representative they appoint, may take any action that would prejudice or prevent the Health Plan's right to recover the costs associated with providing care to any Member covered under this Agreement.

Pursuit of Payment from Responsible Parties

The Health Plan may use the services of another company to handle the pursuit of subrogation against a responsible third party. When we use these services, the Health Plan may need to release information that does not require Member consent, including, but not limited to, your name, medical record number, the date of loss, policy and claim numbers (including those of the insurance carrier for a third party), attorney information and copies of bills.

In the event that medical records or other protected information that requires your consent to be released is requested from us, we will notify you to obtain your consent.

Kaiser Permanente for Individuals and Families/ Kaiser Permanente Child Only Membership Agreement and Evidence of Coverage

Reductions Under Medicare and TRICARE Benefits

If you are enrolled in Medicare Part A and/or Part B, your benefits are reduced by any benefits for which you are enrolled and receive under Medicare; except for Members whose Medicare benefits are secondary by law.

TRICARE benefits are secondary by law.

Coordination of Benefits

Coordination of Benefits Overview

Coordination of benefits applies when a Member has health care coverage under more than one (1) health benefit plan. If you or your eligible dependent has coverage under more than one (1) health benefit plan, then you are responsible to inform the Health Plan that the additional coverage exists. When you have other coverage with another health plan or insurance company, we will coordinate benefits with the other coverage.

The Health Plan may need information from you to coordinate your benefits. Any information that we request to help us coordinate your benefits must be provided to us upon request.

Right to Obtain and Release Needed Information

When information is needed to apply these coordination of benefits rules, the Health Plan will decide the information it needs, and may get that information from, or give it to, any other organization or person. The Health Plan does not need to tell nor obtain consent from any person to do this.

Primary and Secondary Plan Determination

The health benefit plan that pays first, which is known as the primary plan, is determined by using National Association of Insurance Commissioners Order of Benefits Guidelines. The primary plan provides benefits as it would in the absence of any other coverage.

The plan that pays benefits second, which is known as the secondary plan, coordinates its benefits with the primary plan, and pays the difference between what the primary plan paid, or the value of any benefit or Service provided, but not more than 100 percent of the total Allowable Expenses, and not to exceed the maximum liability of the secondary plan. The secondary plan is never liable for more expenses than it would cover if it had been primary.

Coordination of Benefits Rules

To coordinate your benefits, the Health Plan has rules. The following rules for the Health Plan are modeled after the rules recommended by the National Association of Insurance Commissioners. You will find the rules under *Order of Benefit Determination Rules* in this section.

The *Order of Benefit Determination Rules* will be used to determine which plan is the primary plan. Any other plans will be secondary plan(s). If the Health Plan is the:

1. Primary Plan, it will provide or pay its benefits without considering the other plan(s) benefits.
2. A secondary Plan, the benefits or services provided under this Agreement will be coordinated with the primary plan so the total of benefits paid, or the reasonable cash value of the services provided, between the primary plan and the secondary plan(s) do not exceed 100 percent of the total Allowable Expense.

Kaiser Permanente for Individuals and Families/ Kaiser Permanente Child Only Membership Agreement and Evidence of Coverage

Members with a High Deductible Health Plan with a Health Savings Account option: If you have other health care coverage in addition to a High Deductible Health Plan with a Health Savings Account option (as described in *Section 1: Introduction to Your Kaiser Permanente Health Plan* under the *Health Savings Account-Qualified Plans* provision), then you may not be eligible to establish or contribute to a Health Savings Account Kaiser Permanente does not provide tax advice. Ask your financial or tax advisor about your eligibility.

Assistance with Questions about the Coordination of Your Benefits

If you have any questions about coordination of your benefits, please contact Member Services Monday through Friday between 7:30 a.m. and 9 p.m. at 1-800-777-7902 or 711 (TTY).

Order of Benefit Determination Rules

The following rules determine the order in which benefits are paid by primary and secondary health benefit plans.

1. If another plan does not have a Coordination of Benefits provision, that plan is the primary plan.
2. If another plan has a Coordination of Benefits provision, the first of the following rules that apply will determine which plan is the primary plan:

Rules for a Subscriber and Dependents

1. Subject to #2 (immediately below), a plan that covers a person as a Subscriber is primary to a plan that covers the person as a dependent.
2. If the person is a Medicare beneficiary, and, as a result of the provisions of Title XVIII of the Social Security Act and implementing regulations, Medicare is:
 - a. Secondary to the plan covering the person as a dependent; and
 - b. Primary to the plan covering the person as other than a dependent:
 - i. Then the order of benefits is reversed so that the plan covering the person as an employee, member, subscriber, policyholder or retiree is the secondary plan and the other plan covering the person as a dependent is the primary plan.

Rules for a Dependent Child/Parent

1. **Dependent child with parents who are not separated or divorced:** When the Health Plan and another plan cover the same child as a Dependent of different persons, called “parents,” then the plan of the parent whose birthday falls earlier in the year is primary to the plan of the parent whose birthday falls later in the year. If both parents have the same birthday, the plan that covered a parent longer is primary. If the aforementioned parental birthday rules do not apply to the rules provided in the other plan, then the rules in the other plan will be used to determine the order of benefits.
2. **Dependent child with separated or divorced parents:** If two (2) or more plans cover a person as a dependent child, and that child’s parents are divorced, separated or are not living together, whether or not they have ever been married the following rules apply. If a court decree states that:
 - a. One (1) of the parents is responsible for the dependent child’s health care expenses or health care coverage and the plan of that parent has actual knowledge of those terms, that plan is primary. If the parent with responsibility has no health care coverage for the dependent child’s health care expenses, but that parent’s spouse does, that parent’s spouse’s plan is the primary plan. This item shall not apply with respect to any plan year during which benefits are paid or provided before the entity has actual knowledge of the court decree provision; or

Kaiser Permanente for Individuals and Families/ Kaiser Permanente Child Only Membership Agreement and Evidence of Coverage

- b. Both parents are responsible for the dependent child's health care expenses or health care coverage, the provisions of Subparagraph #1 of this provision: ***Dependent Child with Parents Who Are Not Separated or Divorced***, shall determine the order of benefits; or
- c. If a court decree states that the parents have joint custody without specifying that one parent has responsibility for the health care expenses or health care coverage of the dependent child, the provisions of Subparagraph #1 of this provision: ***Dependent Child with Parents Who Are Not Separated or Divorced***, shall determine the order of benefits; or
 - i. If there is no court decree allocating responsibility for the child's health care expenses or health care coverage, the order of benefits for the child are as follows:
 - a) The plan covering the custodial parent;
 - b) The plan covering the custodial parent's spouse;
 - c) The plan covering the non-custodial parent; and then
 - d) The plan covering the non-custodial parent's spouse.

Dependent Child Covered Under the Plans of Non-Parent(s)

1. For a dependent child covered under more than one (1) plan of individuals who are not the parents of the child, the order of benefits shall be determined, as applicable, under the dependent child provisions above, as if those individuals were parents of the child.

Dependent Child Who Has Their Own Coverage

1. For a dependent child who has coverage under either or both parents' plans and also has his or her own coverage as a dependent under a spouse's plan, the rule in this provision for ***Longer or Shorter Length of Coverage*** applies.
2. In the event the dependent child's coverage under the spouse's plan began on the same date as the dependent child's coverage under either or both parents' plans, the order of benefits shall be determined by applying the birthday rule in this provision under the ***Dependent Child with Parents Who Are Not Separated or Divorced***.

Active/Inactive Employee Coverage

1. A plan that covers a person as an employee who is neither laid off nor retired (or that employee's dependent) is primary to a plan that covers that person as a laid off or retired employee (or a laid off or retired employee's dependent).

COBRA or State Continuation Coverage

1. If a person whose coverage is provided pursuant to COBRA or under a right of continuation pursuant to state or other federal law is covered under another plan, the plan covering the person as an employee, member, subscriber or retiree, or that covers the person as a dependent of an employee, member, subscriber or retiree, is the primary plan and the Plan covering that same person pursuant to COBRA or under a right of continuation pursuant to state or other federal law is the secondary plan.
2. If the other plan does not have this rule, and if, as a result, the plans do not agree on the order of benefits, this rule is ignored.

Longer/Shorter Length of Coverage

1. If none of the above rules determines the order of benefits, then the plan that has covered a Subscriber longer time is primary to the plan that has covered the Subscriber for a shorter time.

Kaiser Permanente for Individuals and Families/ Kaiser Permanente Child Only Membership Agreement and Evidence of Coverage

Effect of Coordination of Benefits on the Benefits of this Plan

When the Health Plan is the primary Plan, coordination of benefits has no effect on the benefits or services provided under this Agreement. When the Health Plan is a secondary Plan to one or more other plans, its benefits may be coordinated with the primary plan carrier using the guidelines below. This ***Coordination of Benefits*** provision shall in no way restrict or impede the rendering of services provided by the Health Plan. At the request of the Member or Parent/Guardian, when applicable, the Health Plan will provide or arrange for covered services and then seek coordination with a primary plan.

Coordination with the Health Plan's Benefits

The Health Plan may coordinate benefits payable or recover the reasonable cash value of Services it has provided, when the sum of the benefits that would be payable for:

1. Or the reasonable cash value of, the Services provided as Allowable Expenses by the Health Plan in the absence of this ***Coordination of Benefits*** provision; and
2. Allowable Expenses under one (1) or more of the other primary plans covering the Member, in the absence of provisions with a purpose like that of this ***Coordination of Benefits*** provision, whether or not a claim thereon is made; exceeds Allowable Expenses in a Claim Determination Period.

In that case, the Health Plan benefits will be coordinated, or the reasonable cash value of any services provided by the Health Plan may be recovered from the primary plan, so that the Health Plan benefits and the benefits payable under the other Plans do not total more than the Allowable Expenses.

Facility of Payment

If a payment is made or Service provided under another Plan, and it includes an amount that should have been paid for or provided by us, then we may pay that amount to the organization that made that payment.

The amount paid will be treated as if it was a benefit paid by the Health Plan.

Right of Recovery of Payments Made Under Coordination of Benefits

If the amount of payment by the Health Plan is more than it should have been under this ***Coordination of Benefits*** provision, or if we provided services that should have been paid by the primary plan, then we may recover the excess or the reasonable cash value of the services, as applicable, from the person who received payment or for whom payment was made, or from an insurance company or other organization.

Military Service

For any Services for conditions arising from military service that the law requires the Department of Veterans Affairs to provide, we will not pay the Department of Veterans Affairs. When we cover any such Services, we may recover the value of the Services from the Department of Veterans Affairs.

Members with a High Deductible Health Plan with a Health Savings Account option who receive health benefits from the Department of Veterans Affairs: If a Member has actually received health benefits from the Department of Veterans Affairs within the past three (3) months, they will not be eligible to establish or contribute to a Health Savings Account, even when they are enrolled in a High Deductible Health Plan. Kaiser Permanente does not provide tax advice. Ask your financial or tax advisor about your eligibility.

You should attach itemized bills along with receipts if you have paid the bills. Incomplete forms will be returned to you. This will delay any payments which may be owed to you.

Physicians, hospitals or other health care providers not contracting with us must submit to us within six (6) months any request for payment or reimbursement of the cost of covered services. If they fail to submit such a request within six (6) months, your request will not be invalidated if it was not reasonably possible to submit your request within such time, provided your request is furnished as soon as reasonably possible and, except in the absence of legal capacity, no later than one year from the time proof is otherwise required.

Each Member claiming reimbursement hereunder shall complete and submit to Health Plan such consents, releases, assignments and other documents that Health Plan may reasonably request for the purpose of acting upon the claim.

If you are admitted to a non-Plan hospital, you, or someone on your behalf, must notify us within the later of forty-eight (48) hours of any hospital admission or on the first working day following the admission unless it was not reasonably possible to notify us within that time.

The Health Plan will promptly act on claims. Claims that include the essential data elements will be paid no later than thirty (30) days after receipt of the claim. Payment for covered Services will be made to the provider of the Services. If the Health Plan has paid the claim, reimbursement will be made to you or, in the case of a child, to the parent who incurred the expenses resulting from the claim.

If we deny payment of the claim, in whole or in part, you or your Authorized Representative may then file an Appeal, as defined in this Section.

Health Plan Claim Evaluation and Payment

The Health Plan shall act upon claims promptly, and pay them no more than thirty (30) days following receipt of your claim. Your claim should include all of the required information listed above. Payment for covered Services will be made to the provider of the Services, or, if the claim has been paid, reimbursement will be made to either the:

1. Member, for child-only plans; or
2. Parent/Guardian or Financially Responsible Person who incurred the expenses resulting from the claim, for non-child only plans.

Kaiser Permanente for Individuals and Families/ Kaiser Permanente Child Only Membership Agreement and Evidence of Coverage

Any payment made in good faith will fully discharge us to the extent of the payment.

Physical Examination and Autopsy

The Health Plan, at its own expense, shall have the right and opportunity to examine a Member when and as often as it may reasonably require during the pendency of a claim hereunder, and to make an autopsy in the case of death where it is not forbidden by law.

Claim Denial

If we deny payment of your claim, in whole or in part, you or your Authorized Representative may file an Appeal or Grievance, as described in this section.

Concurrent Care Claims

Concurrent Care Claims are requests that Health Plan continue to approve an ongoing course of covered treatment to be provided over a period of time or number of treatments, when the course of treatment prescribed will either:

1. Expire; or
2. Be shortened.

Determinations regarding a Concurrent Care Claim request will be made, and notice provided to the Member's provider, by telephone and in writing, within one business day of receipt of all information necessary to make a decision, but no later than fifteen (15) calendar days of receipt of the request.

If care is authorized, the notice will identify the number of approved services, the new total of approved services, the date of onset of services and the date of the next scheduled concurrent review of the case.

If we reduce or terminate coverage for an ongoing course of treatment that we already approved, we will notify the Member sufficiently in advance of the reduction or termination to allow the member to Appeal the decision as described below.

Procedure for Filing a Non-Urgent Concurrent Care Claim When Your Course of Treatment Will Expire

We will review your claim, and if we have all the information we need we will send you a written decision within fifteen (15) days after we receive your claim.

If we tell you we need more time because of circumstances beyond our control, we may take an additional fifteen (15) days to send you our written decision. You will have forty-five (45) days to send us the requested information. We encourage you to send all the requested information at one time, so that we will be able to consider it all when we make our decision. If we deny your claim or if we do not agree to continue approval of all the Services you requested, we will tell you in writing why we denied your claim and how you can Appeal.

Procedure for Filing a Concurrent Care Claim When Your Course of Treatment for an Urgent Medical Condition Will Expire

At least twenty-four (24) hours before the expiration of the Services or before your shortened course of care ends, you should call or write to Member Services and advise that you have an Urgent Medical Condition or your course of treatment has been terminated early and that you want to continue your course of care. Your written or oral request and any related document you give us constitute your claim. Call or write the Member Service Department at the address and telephone numbers listed above.

If you filed a request for additional services at least twenty-four (24) hours before the end of an approved course of treatment, you may continue to receive those services during the time your claim is under consideration. If your claim is then denied, you will be financially responsible for the entire cost of those services. Otherwise, if your request for additional services was not timely filed, the Health Plan will decide your request for review within a reasonable period of time appropriate to the circumstances but, in no event, later than thirty (30) calendar days from the date on which the claim was received.

If we determine your claim does not involve an Urgent Medical Condition, we may treat your claim as non-urgent Concurrent Care Claim.

We will review your claim and notify you of our decision orally or in writing within twenty-four (24) hours after we receive your claim. If we notify you orally, we will send you a written decision within three (3) days (two (2) business days if an Adverse Decision could result) after that.

If we deny your claim or if we do not agree to continue approval of all the Services you requested, we will tell you in writing why we denied your claim and how you can Appeal.

When you or your Authorized Representative sends the Appeal, you or your Authorized Representative may also request simultaneous external review of our adverse decision. If you want simultaneous external review, your or your Authorized Representative's Appeal must tell us this. You or your Authorized Representative will be eligible for the simultaneous external review only if your concurrent care claim qualifies as urgent. If you or your Authorized Representative do not request simultaneous external review in the Appeal, then you or your Authorized Representative may be able to request external review after we make our decision regarding the Appeal. See the *External Appeal Procedures* section for additional information about filing an external appeal.

Our Internal Grievance Process

This process applies to a utilization review determination made by us that a proposed or delivered Health Care Service is or was not Medically Necessary, appropriate or efficient thereby resulting in non-coverage of the Health Care Service.

Initiating a Grievance

You or your Authorized Representative may initiate a Grievance by submitting a written request, including all supporting documentation that relates to the Grievance to:

Kaiser Permanente for Individuals and Families/ Kaiser Permanente Child Only Membership Agreement and Evidence of Coverage

Kaiser Permanente
Attention: Member Relations
Nine Piedmont
3495 Piedmont Rd NE
Atlanta, GA 30305
Fax: 1-404-949-5001

A Grievance must be filed in writing within one-hundred eighty (180) calendar days from the date of receipt of the Adverse Decision notice. If the Grievance is filed after one-hundred eighty (180) calendar days, we will send a letter denying any further review due to lack of timely filing.

If we need additional information to complete our internal Grievance process within five (5) working days after you or your Authorized Representative file a Grievance, we will notify you or your Authorized Representative that we cannot proceed with review of the Grievance unless we receive the additional information. If you require assistance, we will assist you to gather necessary additional information without further delay.

Grievance Acknowledgment

We will acknowledge receipt of your Grievance within five (5) working days of the Filing Date of the written Grievance notice. The Filing Date is the earliest of five (5) calendar days after the date of the mailing postmark or the date your written Grievance was received by us.

Pre-service Grievance

If you have a Grievance about a Health Care Service that has not yet been rendered, an acknowledgment letter will be sent requesting any additional information that may be necessary within five (5) working days after the Filing Date. We will also inform you or your Authorized Representative that a decision regarding the Grievance will be made and provided in writing. Such written notice will be sent within thirty (30) working days of the Filing Date of the Grievance.

Post-service Grievance

If the Grievance requests payment for Services already rendered to you, a retrospective acknowledgment letter will be sent requesting additional information that may be necessary within five (5) working days after the Filing Date. We will also inform you or your Authorized Representative that a decision regarding the Grievance will be made and provided in writing. Such written notice will be sent within the earlier of forty-five (45) working days or sixty (60) calendar days of the Filing Date of the Grievance.

For both pre-service and post-service Grievances, we will send you or your Authorized Representative a letter requesting an extension if we anticipate that there will be a delay in our concluding the Grievance within the designated period. The requested extension period shall not exceed more than thirty (30) working days. If you or your Authorized Representative does not agree to the extension, then the Grievance will be completed in the originally designated time frame. Any agreement to extend the period for a Grievance Decision will be documented in writing.

If the pre-service or post-service Grievance is approved, a letter will be sent to you or your Authorized Representative confirming the approval. If the Grievance was filed by your Authorized Representative, then a letter confirming the Grievance Decision will also be sent to you.

Kaiser Permanente for Individuals and Families/ Kaiser Permanente Child Only Membership Agreement and Evidence of Coverage

If the pre-service or post-service Grievance results in a denial, we will notify you or your Authorized Representative of the decision within thirty (30) working days. In the case of an extension to which was agreed, notice will be provided no later than the last day of the extension period for a pre-service Grievance, or the earlier of forty-five (45) working days or sixty (60) calendar days from the date of filing. Notice will be provided no later than the last day of the extension period for a post-service Grievance.

We will communicate our decision to you or your Authorized Representative verbally and will send a written notice of such verbal communication to you or your Authorized Representative within five (5) working days of the verbal communication.

Expedited Grievances for Emergency Cases

You or your Authorized Representative may seek an expedited review in the event of an Emergency Case as that term is defined for this section. An expedited review of an Emergency Case may be initiated by calling 1-800-777-7902.

Once an expedited review is initiated, a clinical review will determine whether you have a medical condition that meets the definition of an Emergency Case. A request for expedited review must contain a telephone number where we may reach you or your Authorized Representative to communicate information regarding our review. In the event that additional information is necessary for us to make a determination regarding the expedited review, we will notify you or your Authorized Representative by telephone to inform him/her that consideration of the expedited review may not proceed unless certain additional information is provided to us. Upon request, we will assist in gathering such information so that a determination may be made within the prescribed timeframes.

If the clinical review determines that you do not have the requisite medical condition, the request will be managed as a non-expedited Grievance pursuant to the procedure outlined above. If we determine that an Emergency Case does not exist, we will verbally notify you or your Authorized Representative within twenty-four (24) hours, and provide notice of the right to file a Complaint with the Commissioner.

Kaiser Permanente for Individuals and Families/ Kaiser Permanente Child Only Membership Agreement and Evidence of Coverage

If we determine that an Emergency Case does exist, then the expedited review request will be reviewed by a physician who is board certified or eligible in the same specialty as the treatment under review and who is neither the individual nor a subordinate of the individual who made the initial decision. If additional information is needed to proceed with the review, we will contact you or your Authorized Representative by telephone.

Within twenty-four (24) hours of the Filing Date of the expedited review request, we will verbally notify you or your Authorized Representative of our decision. We will send written notification within one (1) calendar day following verbal communication of the decision. If approval is granted, then we will assist the Member in arranging the authorized treatment or benefit. If the expedited review results in a denial, we will notify you or your Authorized Representative in writing within one (1) calendar day following verbal communication of the decision.

If we fail to make a decision within the stated timeframes for an expedited review, you or your Authorized Representative may file a Complaint with the Commissioner without waiting to hear from us.

Note: The Health Plan must provide notice of an Adverse Decision in a non-English language if certain thresholds are met for the number of people who are literate in the same non-English language. A threshold language applies to a county if at least 10 percent of the population is literate only in the same foreign language that is identified as a federally mandated non-English language. If we send you a notice of an Appeal decision to an address in a county where a federally mandated threshold language applies, then you or your Authorized Representative may request translation of that notice into the applicable threshold language. You or your Authorized Representative may request translation of the notice by contacting Member Services Monday through Friday between 7:30 a.m. and 9 p.m. at 1-800-777-7902 or 711 (TTY).

Our Internal Appeal Process

This process applies to our Coverage Decisions. The Health Plan's internal Appeal process must be exhausted prior to filing a Complaint with the Commissioner, except if our Coverage Decision involves an Urgent Medical Condition. For Urgent Medical Conditions, a complaint may be filed with the Commissioner without first exhausting our internal Appeal process for pre-service decisions only, meaning that services have not yet been rendered.

Initiating an Appeal

These internal Appeal procedures are designed by the Health Plan to assure that concerns are fairly and properly heard and resolved. These procedures apply to a request for reconsideration of a Coverage Decision rendered by the Health Plan, in regard to any aspect of the Health Plan's Health Care Service. You or your Authorized Representative must file an Appeal within one-hundred eighty (180) calendar days from the date of receipt of the Coverage Decision. The Appeal should be sent to us at the following address:

Kaiser Foundation Health Plan of Georgia, Inc.
Attention: Appeals Coordinator
Nine Piedmont
3495 Piedmont Road, NE
Atlanta, GA 30305-1736
Fax: 1-404-364-4743

You or your Authorized Representative may also initiate an Appeal by contacting Member Services Monday through Friday between 7:30 a.m. and 9 p.m. at 1-800-777-7902 or 711 (TTY). Member Services Representatives are also available to describe to you or your Authorized Representative how Appeals are processed and resolved.

You or your Authorized Representative, as applicable, may review the Health Plan's Appeal file and provide evidence and testimony to support the Appeal request.

Along with an Appeal, you or your Authorized Representative may also send additional information including comments, documents or additional medical records that are believed to support the claim. If the Health Plan requested additional information before and you or your Authorized Representative did not provide it, the additional information may still be submitted with the Appeal. Additionally, testimony may be given in writing or by telephone. Written testimony may be sent with the Appeal to the address listed above. To arrange to provide testimony by telephone, contact Member Services Monday through Friday between 7:30 a.m. and 9 p.m. at 1-800-777-7902 or 711 (TTY). The Health Plan will add all additional information to the claim file and will review all new information regardless of whether this information was submitted and/or considered while making the initial decision.

Kaiser Permanente for Individuals and Families/ Kaiser Permanente Child Only Membership Agreement and Evidence of Coverage

Prior to rendering its final decision, the Health Plan will provide you or your Authorized Representative with any new or additional evidence considered, relied upon or generated by (or at the direction of) the Health Plan in connection with the Appeal, at no charge. If during the Health Plan's review of the Appeal, we determine that an adverse Coverage Decision can be made based on a new or additional rationale, then we will provide you or your Authorized Representative with this new information prior to issuing our final coverage decision and will explain how you or your Authorized Representative can respond to the information, if desired. The additional information will be provided to you or your Authorized Representative as soon as possible, and sufficiently before the deadline to provide a reasonable opportunity to respond to the new information.

After the Health Plan receives the Appeal, we will respond to you or your Authorized Representative in writing within:

1. Thirty (30) working days for a pre-service claim; or
2. Sixty (60) working days for a post-service claim.

If the Health Plan's review results in a denial, it will notify you or your Authorized Representative in writing within three (3) working days after the Appeal Decision has been verbally communicated. This notification will include:

1. The specific factual basis for the decision in clear and understandable language;
2. Reference to the specific plan provision on which determination was based. Additionally, you or your Authorized Representative has the right to request any diagnostic and treatment codes and their meanings that may be the subject of the associated claim;
3. A description of your or your Authorized Representative's right to file a complaint with the Commissioner within four (4) months following receipt of our Appeal Decision;
4. The Commissioner's address and telephone and facsimile numbers.

Note: The Health Plan must provide notice of an Adverse Decision in a non-English language if certain thresholds are met for the number of people who are literate in the same non-English language. A threshold language applies to a county if at least 10 percent of the population is literate only in the same foreign language that is identified as a federally mandated non-English language. If we send you a notice of an Appeal Decision to an address in a county where a federally mandated threshold language applies, then you or your Authorized Representative may request translation of that notice into the applicable threshold language. You or your Authorized Representative may request translation of the notice by contacting Member Services Monday through Friday between 7:30 a.m. and 9 p.m. at 1-800-777-7902 or 711 (TTY).

Expedited Appeals

If you are Appealing an Adverse Decision that involves an Urgent Medical Condition, you may request an expedited decision by contacting Member Services Monday through Friday between 7:30 a.m. and 9 p.m. at 1-800-777-7902 or 711 (TTY). During non-business hours, contact the Advice/Appointment Line at 1-800-777-7904.

Once an expedited Appeal is initiated, clinical review will determine if the Appeal involves an Urgent Medical Condition. If the Appeal does not meet the criteria for an expedited Appeal, the request will be managed as a formal Appeal, as described above. If such a decision is made, the Health Plan will call the Member within twenty-four (24) hours.

Kaiser Permanente for Individuals and Families/ Kaiser Permanente Child Only Membership Agreement and Evidence of Coverage

If the request for Appeal meets the criteria for an expedited Appeal, the Appeal will be reviewed by a Plan Physician. The Plan Physician will be board certified or eligible in the same specialty as the treatment under review. The Plan Physician will not be the individual (or the individual's subordinate) who made the initial Adverse Decision. If additional information is needed to proceed with the review, you or your Authorized Representative will be contacted by telephone or facsimile.

Expedited Appeal Decisions

An expedited Appeal will be concluded as soon as possible after receipt of all necessary documentation by the Health Plan, but not later than twenty-four (24) hours after receipt of the request for Appeal. The Health Plan will notify you of its decision immediately by telephone. If the Service is approved, the Health Plan will assist in arranging the authorized Service. If the Service is denied, the Health Plan will provide written notice of the decision within one (1) business day after the decision is made.

Expedited Appeals for Exigent Circumstances for Use of a Drug

If the Health Plan has denied a request for a drug not on our Preferred Drug List, you or your Authorized Representative, or the prescribing physician (or other prescriber) may request an expedited review based on exigent circumstances. If the Health Plan grants an external exception request, they must pay for the drug for the duration of the prescription or exigency, as applicable.

Exigent circumstances exist when a Member is suffering from a health condition that may seriously jeopardize the Member's life, health or ability to regain maximum function or when the Member is undergoing a current course of treatment using a non-formulary drug.

Notification of Adverse Appeal Decisions

If the review results in a denial, the Health Plan will notify you and your Authorized Representative in writing. The notification shall include:

1. The specific factual basis for the decision in clear and understandable language;
2. Reference to the specific plan provision on which determination was based. Additionally, you or your Authorized Representative has the right to request any diagnostic and treatment codes and their meanings that may be the subject of the associated claim;
3. A description of your or your Authorized Representative's right to file a complaint with the Commissioner within four (4) months following receipt of our Appeal Decision;
4. The Commissioner's address and telephone and facsimile numbers.

External Appeal Procedures

If you receive an Adverse Decision on your Appeal, you have a right to seek a formal external review of the decision within sixty (60) days after the decision.

If the Health Plan denies the Appeal because the Service was not considered medically necessary or appropriate, you may send your request for an external Appeal to:

2. In the case of an Urgent Medical Condition, if the request demonstrates to the satisfaction of the Director a compelling reason to do so, including a showing that the potential delay in receipt of a Service until after the Member exhausts the internal grievance process could result in loss of life, placing the Member's life or health in serious jeopardy, the inability of the Member to regain maximum function, serious impairment to a bodily function, serious dysfunction of a bodily organ, or the member remaining seriously mentally ill with symptoms that causes the Member to be a danger to self and others; or

SECTION 6: Change of Residence, Plan Renewal and Termination, and Transfer of Plan Membership

This section explains what to do when your location of residence changes, and provides you with information on Plan renewal and termination, and transfer of Plan membership.

Change of Residence

If you move outside of the Health Plan's Service Area, you are no longer eligible for Health Plan coverage through the Exchange and your membership will be terminated as described above.

If you move to another Kaiser Foundation Health Plan region, you must promptly apply to a Health Plan Office or Exchange in that region to transfer your Membership. However, identical coverage may not be available in the new region.

You may obtain benefits as described in *Section 2: How to Get the Care You Need*, while temporarily visiting in another Health Plan region. However, you have no right to benefits, except for Emergency Services or out-of-area urgent care as defined in *Section 3: Benefits, Exclusions and Limitations*, in the new region after residing there for more than ninety (90) days, unless you:

Have enrolled as a Member in the new region; or

Demonstrate, by prior application to the Health Plan, that your stay in the new region for a period longer than ninety (90) days is "temporary," and the Health Plan approves continuation of this "temporary" status in writing.

Plan Renewal

This Plan is guaranteed renewable on an annual basis, subject to the redetermination of each Member's eligibility by the Exchange, depending on how you enrolled for coverage. Each Member that remains eligible for coverage following redetermination of eligibility shall remain enrolled under this Plan, unless the Member's coverage is terminated as described below.

Termination of Membership

Except as expressly provided in this section, all rights to Services and other benefits hereunder terminate as of the effective date of termination.

If your membership terminates, all rights to benefits end at 11:59 p.m. Eastern Time on the termination date. The membership of any Dependents will end at the same time that the Subscriber's membership ends. Members will be billed at Allowable Charges for any Services received following membership termination. The Health Plan and Plan Providers have no further responsibility under this Agreement after your membership terminates, except as provided under applicable law.

Termination of Agreement

This Agreement continues in effect from the effective date hereof and from month to month thereafter, subject to provisions in this section.

Kaiser Permanente for Individuals and Families/ Kaiser Permanente Child Only Membership Agreement and Evidence of Coverage

Termination by Member

The Subscriber may terminate membership under this Agreement for any reason, including as a result of obtaining other Minimum Essential Coverage, by providing reasonable notice of the termination to the Exchange. The request will be reasonable if it is received at least 14 days prior to the requested effective date of termination.

The effective date of the termination will be:

1. The date requested by the Member if reasonable notice was given to the Exchange.
 - a. If less than 14 days' notice was given, 14 days after the termination was requested by the Member; or
 - b. If the Health Plan is able to effectuate termination in less than 14 days, and the Member requested an earlier termination date, the date determined by the Health Plan.
2. The day before coverage under Medicaid or CHIP begins, if the Member is newly eligible Medicaid or CHIP.

In the event of termination, the Health Plan shall promptly return any unearned portion of Premium. The earned Premium payment shall be computed pro rata. Termination shall be without prejudice to any claim originating prior to the effective date of termination.

Termination by Exchange and Health Plan

The Exchange may initiate, and the Health Plan may terminate your coverage:

1. When you are longer eligible for coverage through the Exchange;
2. For non-payment of Premiums, and
 - a. The three (3)-month grace period required for Members receiving advance payments of the premium tax credit (APTC) has been exhausted as described in 45 CFR 156.270(g); or
 - b. The thirty-one (31)-day grace period described below under Termination Due to Nonpayment of Premium has been exhausted;
3. When coverage is rescinded in accordance with 45 CFR §147.128;
4. When the Qualified Health Plan terminates or is decertified; or
5. When the Member changes from one Qualified Health Plan to another during an annual open enrollment period or a special enrollment period as described in ***Section 1: Introduction to Your Kaiser Permanente Plan.***

The Health Plan will provide the Member notice of termination of coverage, including the reason for the termination, at least thirty (30) days prior to the last day of coverage.

Termination Due to Loss of Eligibility

If you are no longer eligible for coverage through the Exchange, you will be terminated in accordance with 45 CFR §155.430.

Termination Due to Nonpayment of Premium – Members who Receive APTC

If you are receiving advance payments of the premium tax credit (APTC), and we do not receive your full Premium on time, we will provide a three-month grace period if we have previously received your full Premium for at least one (1) month in the calendar year.

Kaiser Permanente for Individuals and Families/ Kaiser Permanente Child Only Membership Agreement and Evidence of Coverage

We will send written notice stating when the grace period begins. We will pay claims for benefits you receive during the first month of the grace period. For the second and third months of the grace period, we are not required to pay any claims for Services rendered in the second and third months of the grace period unless we receive all outstanding Premium (including Premium due during the grace period) by the end of the three (3)-month grace period. If we do not receive all outstanding Premium by the end of the three (3)-month grace period, your membership will end at 11:59 p.m. on the last day of the first month of the grace period.

Termination Due to Nonpayment of Premium – Other Members

Except for the first Premium payment, if a Subscriber fails to pay any required Premium payment when due according to *Section 1: Introduction to Your Kaiser Permanente Health Plan*, the Health Plan may terminate this Agreement. We will send written notice of the termination to the Subscriber at least thirty-one (31) days before the termination date (grace period). Coverage shall continue in force during the thirty-one (31) day grace period, prior to the termination date, unless written notice of discontinuance in accordance with the terms of this Agreement is received from the subscriber in advance of the date of discontinuance. If payment in full is received within the thirty-one (31) day period set forth in the written notice, then the Subscriber and Dependents shall continue to receive all benefits and Services covered under this Agreement. If payment is not received within the thirty-one (31) day period set forth in the notice, then this Agreement will be terminated at the end of the 31st day. In the event of termination under this provision, the Subscriber is liable for the pro-rata Premium for the time the contract was in force during the grace period.

Termination for Cause

We may terminate your membership for cause if you:

1. Knowingly perform an act, practice or omission that constitutes fraud; or
2. Make an intentional misrepresentation of material fact.

If the fraud or intentional misrepresentation was made by the Subscriber, we may terminate the memberships of the Subscriber and all Dependents in your Family Unit. If the fraud or intentional misrepresentation was made by a Dependent, we may terminate the membership of the Dependent.

We will send written notice to the Subscriber or the Dependent at least thirty-one (31) days before the termination date.

We may report any Member fraud to the authorities for prosecution.

Discontinuation of a Product or All Products

We may discontinue offering a particular product or all products in a market, as permitted by law. If we discontinue offering in a market the product described in this Agreement, we will give ninety (90) days' prior written notice to the Subscriber. If we discontinue offering all products to groups in a market, we will give one hundred-eighty (180) days' prior written notice to the Subscriber.

Kaiser Permanente for Individuals and Families/ Kaiser Permanente Child Only Membership Agreement and Evidence of Coverage

Return of Pro Rata Portion of Premium in Certain Cases

If your rights hereunder are terminated under this section, prepayments received on your account applicable to a period after the effective date of termination are refunded to the Subscriber or Financially Responsible Person, as applicable. Amounts due on claims, if any, less any amounts due to the Health Plan, Plan Hospitals or Medical Group, shall be refunded to the Subscriber within thirty-one (31) days. In such cases, neither the Health Plan, Plan Hospitals, Medical Group nor any Physician has any further liability or responsibility under this Agreement.

Age Limit/Misstatement of Age

This Agreement will continue in effect until the end of the period for which the Health Plan has accepted the payment if:

1. An individual Agreement establishes, as an age limit or otherwise, a date after which the coverage provided by the Agreement will not be effective and the:
 - a. Date falls within a period for which the Health Plan accepts a payment for the Agreement; or
 - b. Health Plan accepts a payment for the Agreement after the date specified in this section.

An equitable adjustment of payments will be made in the event the age of the Member has been misstated. The Health Plan's liability is limited to the refund, upon request, of the payment made for the period not covered by the Agreement if the age of the Member is misstated and according to the correct age of the Member the coverage provided by the Agreement would:

1. Not have become effective; or
2. Have ceased before the acceptance of the payment for the Agreement.

Transfer of Membership: Changing from Dependent to Subscriber Under a Kaiser Permanente for Individuals and Families Membership Agreement

A Member who enrolled as a Dependent under this Kaiser Permanente for Individuals and Families Membership Agreement, but ceases to qualify as a Dependent for any reason except those described in the either *Termination for Cause* or *Termination for Nonpayment of Premium* provisions in this section, may enroll as a Subscriber under this Agreement within sixty (60) days after ceasing to qualify as a Dependent. The Member will not be required to satisfy new evidence of insurability when changing from Dependent to Subscriber under this Agreement.

Reinstatement of Membership

If any renewal Premium is not paid in full within the time granted for payment, a later acceptance of Premium in full by us or by any agent authorized by us to accept the Premium, without requiring a reinstatement application in connection with the acceptance of the Premium in full, shall reinstate the Agreement.

However, if we or the agent requires an application for reinstatement and issues a conditional receipt for the premium tendered, the Agreement will be reinstated upon approval of the application by us or, lacking approval, upon the 45th day following the date of the conditional receipt, unless we have previously notified the Member or Guardian or Financially Responsible Person, as applicable in writing of its disapproval of the reinstatement application.

**Kaiser Permanente for Individuals and Families/
Kaiser Permanente Child Only

In all other respects the Subscriber and Health Plan shall have the same rights under the reinstated Agreement as they had under the contract immediately before the due date of the defaulted premium, subject to any provisions endorsed on the Agreement or attached to the Agreement in connection with the reinstatement.

Any premium accepted in connection with a reinstatement shall be applied to a period for which Premium has not been previously paid, but not to any period more than sixty (60) days prior to the date of reinstatement.

A surrogacy arrangement is an arrangement between a Member who becomes a surrogate mother/gestational carrier and another person or persons. Kaiser Permanente for Individuals and Families/ Kaiser Permanente Child Only Membership Agreement and Evidence of Coverage

You must pay us charges for Services you receive related to conception, pregnancy, delivery, or postpartum care in connection with a surrogacy arrangement (Surrogacy Health Services). Your obligation to pay us for Surrogacy Health Services is limited to the compensation you are entitled to receive under the surrogacy arrangement. Note: This "Surrogacy Arrangements/Gestational Carrier" section does not affect your obligation to pay your Deductible, copayment, Coinsurance, or other amounts you are required to pay for these Services. After you surrender a baby (or babies) to the legal parents, you are not obligated to pay Charges for any Services that the baby (or babies) receive(s) (the legal parents are financially responsible for any Services that the baby receives).

By accepting Surrogacy Health Services, you automatically assign to us your right to receive payments that are payable to you or your chosen payee under the surrogacy arrangement, regardless of whether those payments are characterized as being for medical expenses. To secure our rights, we also have a lien on those payments and on any escrow account, trust, or any other account that holds those payments. Those payments (and amounts in any escrow account, trust, or other account that holds those payments) shall first be applied to satisfy our lien. The assignment and our lien will not exceed the total amount of your obligation to us under the preceding paragraph.

Within thirty (30) days of entering into a surrogacy arrangement, you must send written notice of the arrangement, including all of the following information:

- Names, addresses, and telephone numbers of the other parties to the arrangement
- Names, addresses, and telephone numbers of any escrow agent or trustee
- Names, addresses, and telephone numbers of the intended parents and any other parties who are financially responsible for Services the baby (or babies) receive, including names, addresses, and telephone numbers for any health insurance that will cover Services that the baby (or babies) receive
- A signed copy of any contracts and other documents explaining the arrangement
- Any other information we request in order to satisfy our rights

You must send this information to:

Kaiser Permanente
Attn: Patient Financial Services Surrogacy Coordinator
2101 E. Jefferson St., 4 East
Rockville, MD 20852

You must complete and send us all consents, releases, authorizations, lien forms, assignments and other documents that are reasonably necessary for us to determine the existence of any rights we may have under this provision and to satisfy those rights. You must not take any action that prejudices our rights.

If your estate, Parent, Guardian, Spouse, trustee or conservator asserts a claim against a third party based on the surrogacy arrangement, your estate, Parent, Guardian, Spouse or conservator shall be subject to our liens and other rights to the same extent as if you had asserted the claim against the third party. We may assign our rights to enforce our liens and other rights.

If coverage terminates due to the Member's attainment of age 19, the Member shall be covered under the Adult Dental Plan on the first day of the month following attainment of age 19.

The following dental Services shall be included in the Kaiser Permanente Membership Agreement.

Definitions

The following terms, when capitalized and used in any part of this Appendix, mean:

Covered Preventive Care Dental Services: These included, but are not limited to: oral evaluation, cleaning and certain diagnostic X-rays.

Dental Administrator: The entity that has entered into a contract with the Health Plan to provide or arrange for the provision of Covered Dental Services. The name and information about the Dental Administrator can be found under "General Provisions" below.

Member Copayments: The discounted copayments that a Participating Dental Provider charges you for a Covered Dental Service. Member Copayments are reviewed annually and subject to change effective January 1 of each year.

Dental Specialist: A Participating Dental Provider that is a dental specialist.

General Dentist: A Participating Dental Provider that is a general dentist.

Participating Dental Provider: A licensed dentist who has entered into an agreement with the Dental Administrator to provide Covered Preventive Care Dental Services and/or other dental services at negotiated contracted rates.

General Provisions

Subject to the terms, conditions, limitations, and exclusions specified in this Agreement and this Appendix, you may receive Covered Preventive Care Dental Services from Participating Dental Providers.

The Health Plan has entered into an agreement with the Dental Administrator to provide Covered Preventive Care Dental Services and certain other dental services through its Participating Dental Providers.

You will receive a list of Covered Preventive Care Dental Services and other Covered Dental Services and the associated Member Copayments that you will be charged for each Service. You will pay an office visit copayment for each visit. You will pay Member Copayments for certain other Covered Dental Services you receive from Participating Dental Providers. You will pay the applicable Member Copayment directly to the Participating Dental Provider at the time services are rendered. The Participating Dental Provider has agreed to accept that Member Copayment as payment in full of the Member's responsibility for that procedure. Neither the Health Plan nor Dental Administrator are responsible for payment of these Copayments or for any fees incurred as the result of receipt of non-Covered Dental Services or any other non-covered dental service.

Kaiser Permanente for Individuals and Families/ Kaiser Permanente Child Only Membership Agreement and Evidence of Coverage

You will receive a list of Participating Dental Providers from the Health Plan or from the Dental Administrator. You should select a Participating Dental Provider, who is a “General Dentist,” from whom you will receive Covered Preventive Care Dental Services and other Covered Dental Services. Your covered family members may select the same or a different “General Dentist.” Specialty care is also available should such care be required; however, you must be referred to a Dental Specialist by your General Dentist. You may obtain a list of Participating Dental Providers, Covered Dental Services and Member Copayments by contacting the Dental Administrator or the Health Plan’s Member Services Department at the following telephone numbers:

Within the Washington DC Metropolitan Area: 301-468-6000

Outside the Washington DC metropolitan area: 800-777-7902

TTY number is: 711

The fee may vary depending on the Participating Dental Provider, however in no event shall the missed appointment fee exceed \$50 for a single visit.

Specialist Referrals

Participating Specialist Referrals

If, in the judgment of your General Dentist, you require the Services of a specialist, you may be referred to a Dental Specialist who will provide Covered Dental Services to you at the Member Copayment for each procedure rendered.

Non-Participating Specialist Referrals

If a General Dentist refers you to a non-Participating Dental Provider for Covered Dental Services, the Dental Administrator will be responsible for payment of the charges to the extent the charges exceed the Member Copayments.

Kaiser Permanente for Individuals and Families/ Kaiser Permanente Child Only Membership Agreement and Evidence of Coverage

If during the term of this Dental Appendix none of the Participating Dental Providers can render necessary care and treatment to you due to circumstances not reasonably within the control of the Health Plan and Dental Administrator, such as complete or partial destruction of facilities, war, riot, civil insurrection, labor disputes, or the disability of a significant number of the Participating Dental Providers, then you may seek treatment from an independent licensed dentist of your own choosing. The Dental Administrator will pay you for the expenses incurred for the dental services with the following limitations:

1. The Dental Administrator will pay you for services which are listed in the patient charge schedule as “No Charge,” to the extent that such fees are reasonable and customary for dentists in the same geographic area;
2. The Health Plan will also pay you for those services for which there is a Copayment, to the extent that the reasonable and customary fees for such services exceed the Copayment for such services as set forth in the patient charge schedule.

You may be required to give written proof of loss within ninety (90) days of treatment. The Health Plan and Dental Administrator agree to be subject to the jurisdiction of the Insurance Commissioner in any determination of the impossibility of providing services by plan dentists.

Extension of Benefits

In those instances when your coverage with the Health Plan has terminated, we will extend Covered Dental Services, without payment of premium, in the following instances:

1. If you are in the midst of a course of covered dental treatment at the time your coverage ends, we will continue to provide benefits, in accordance with this Agreement and Dental Appendix in effect at the time your coverage ended, for a period of ninety (90) days following the date your coverage ended.
2. If you are in the midst of a course of covered orthodontic treatment at the time your coverage ends, we will continue to provide benefits, in accordance with this Agreement and Dental Appendix in effect at the time your coverage ended, for a period of:
 - a. Sixty (60) days following the date your coverage ended, if the orthodontist has agreed to or is receiving monthly payments; or
 - b. Until the later of sixty (60) days following the date your coverage ended, or the end of the quarter in progress, if the orthodontist has agreed to accept or is receiving payments on a quarterly basis.

To assist us, if you believe you qualify under this “Extension of Benefits” provision, please notify us in writing.

Extension of Benefits Limitations

The “Extension of Benefits” section listed above does not apply to the following:

1. When coverage ends because of your failure to pay premium;
2. When coverage ends as the result of you committing fraud or material misrepresentation;
3. When coverage is provided by another health plan and that health plan’s coverage:
 - a. Is provided at a cost to you that is less than or equal to the cost to you of the extended benefit available under this Appendix; and
 - b. Will not result in an interruption of the Covered Dental Services you are receiving.

Kaiser Permanente for Individuals and Families/ Kaiser Permanente Child Only Membership Agreement and Evidence of Coverage

Dental Emergencies

Out of Service Area

When a dental emergency occurs when you are more than fifty (50) miles from your General Dentist, the Dental Administrator will reimburse you for the reasonable charges for Covered Dental Services that may be provided, less any discounted fee, upon proof of payment, not to exceed \$100 per incident. Proof of loss must be submitted to the Dental Administrator within ninety (90) days of treatment. Proof of loss should be mailed to:

Dominion National
P.O. Box 211424
Eagan, MN 55121

Coverage is provided for emergency dental treatment as may be required to alleviate pain, bleeding, or swelling. Coverage is limited to those procedures not excluded under Plan limitations and exclusions. You must receive all post-emergency care from your Participating Dental Provider.

Failure to provide proof of loss for a dental emergency, or as may be required under “Non-Participating Specialist Referrals,” within the time required does not invalidate or reduce a claim if it was not reasonably possible to submit the proof within the required time, if the proof is furnished as soon as reasonably possible and, except in the absence of legal capacity of the claimant, not later than one (1) year from the time proof is otherwise required.

Within Service Area

When you have a dental emergency within the Service Area but are unable to make arrangements to receive care through your General Dentist, treatment must be pre-authorized by contacting the Dental Administrator at (855) 733-7524.

Pre-Authorization of Benefits

The Dental Administrator may require the treating dentist to submit a treatment plan prior to initiating services. The Dental Administrator may request X-rays or other dental records prior to issuing the pre-authorization. The proposed services will be reviewed, and a pre-authorization will be issued to you or the dentist specifying coverage. The pre-authorization is not a guarantee of coverage and is considered valid for one hundred eighty (180) days.

Generic and Preferred Drug Requirements

Generic vs. Brand Name Drugs

We cover Generic and Brand Name Drugs, including those for Specialty Drugs and biological drugs. Plan Pharmacies and mail order pharmacies will substitute a generic equivalent for a Brand Name Drug when a generic equivalent is listed as a Preferred Drug unless one of the following is met:

1. The Provider has prescribed a Brand Name Drug and has indicated "dispense as written," also sometimes referred to as "(DAW)" on the prescription;
2. The Brand Name Drug is listed on our Formulary as a Preferred Drug;
3. The Brand Name Drug is prescribed by a:
 - a. Plan Physician;
 - b. Non-Plan Physician to whom you have an approved referral;
 - c. Non-Plan Physician consulted due to an emergency or for out-of-area urgent care; or
 - d. Dentist; and
 - i. There is no equivalent Generic Drug; or
 - ii. An equivalent Generic Drug has:
 - a. Been ineffective in treating the disease or condition of the Member; or
 - b. Caused or is likely to cause an adverse reaction or other harm to the Member.

If a Member requests a Brand Name Drug, not on the Formulary, for which there is a generic equivalent and items #3(d)(ii)(a) and #3(d)(ii)(b) have not been met, the Member will be responsible for the full Allowable Charge for the Brand Name Drug.

Preferred Drugs vs. Non-Preferred Drugs

We cover Preferred Drugs and Non-Preferred Drugs, including those for Specialty Drugs and biological drugs. Plan Pharmacies and mail order pharmacies will dispense a Preferred Drug unless the following criteria are met:

The Non-Preferred Drug is prescribed by a:

1. Plan Physician;

 - i. Been ineffective in treating the disease or condition of the Member; or
 - ii. Caused or is likely to cause an adverse reaction or other harm to the Member.

If the above criteria are met, the applicable Tier Cost Share will apply based on the Formulary. If the Member requests a drug, not on the Formulary, and the criteria are not met, the Member will be responsible for the full Allowable Charge.

The Health Plan will treat the drug(s) obtained as prescribed above, under ***Generic vs. Brand Name Drugs*** and ***Preferred Drugs vs. Non-Preferred Drugs***, as an Essential Health Benefit, including by counting any Cost Sharing towards the health benefit plan's Out-of-Pocket Maximum described in the ***Summary of Cost Shares*** Appendix of this Agreement.
