NOTICE OF PROTECTION PROVIDED BY MARYLAND LIFE AND HEALTH INSURANCE GUARANTY CORPORATION

This notice provides a brief summary of the Maryland Life and Health Insurance Guaranty Corporation (the Corporation) and the protection it provides for policyholders. This safety net was created under Maryland law, which determines who and what is covered and the amounts of coverage.

The Corporation is not a department or unit of the State of Maryland and the liabilities or debts of the Life and Health Insurance Guaranty Corporation are not liabilities or debts of the State of Maryland.

The Corporation was established to provide protection in the unlikely event that your life, annuity, or health insurance company becomes financially unable to meet its obligations and is taken over by its Insurance Department. If this should happen, the Corporation will typically arrange to continue coverage and pay claims, in accordance with Maryland law, with funding from assessments paid by other insurance companies.

The basic protections provided by the Corporation are:

- Life Insurance
 - \$300,000 in death benefits
 - \$100,000 in cash surrender or withdrawal values
- Health Insurance
 - \$500,000 for basic hospital, medical, and surgical insurance or major medical insurance provided by health benefit plans
 - \$300,000 for disability insurance
 - \$300,000 for long-term care insurance
 - \$100,000 for a type of health insurance not listed above, including any net cash surrender and net cash withdrawal values under the types of health insurance listed above
- Annuities
 - \$250,000 in the present value of annuity benefits, including net cash withdrawal values and net cash surrender values
 - With respect to each payee under a structured settlement annuity, or beneficiary of the payee, \$250,000 in present value annuity benefits, in the aggregate, including any net cash surrender and net cash withdrawal values.
- The maximum amount of protection for each individual, regardless of the number of policies or contracts, is:
 - \$300,000 in aggregate for all types of coverage listed above, with the exception of basic hospital, medical, and surgical insurance, or major medical insurance

- \$500,000 in aggregate for basic hospital, medical, and surgical insurance, or major medical insurance

NOTE: Certain policies and contracts may not be covered or fully covered. For example, coverage does not extend to any portion(s) of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. There are also various residency requirements and other limitations under Maryland law.

To learn more about the above protections, please visit the Corporation's website at www.mdlifeqa.org, or contact:

When selecting an insurance company, you should not rely on Corporation coverage. If there is any inconsistency between this notice and Maryland law, then Maryland law will control.

Your Rights and Protections Against Surprise Medical Bills

When you get emergency care or are treated by an out-of-network provider at an in-network hospital or ambulatory surgical center, you are protected from balance billing. In these cases, you shouldn't be charged more than your plan's copayments, coinsurance and/or deductible.

What is "balance billing" (sometimes called "surprise billing")?

When you see a doctor or other health care provider, you may owe certain [out-of-pocket costs](#), like a [copayment](#), [coinsurance](#), or [deductible](#). You may have additional costs or have to pay the entire bill if you see a provider or visit a health care facility that isn't in your health plan's network and/or your plan does not cover out-of-network services.

"Out-of-network" means providers and facilities that haven't signed a contract with your health plan to provide services. Out-of-network providers may be allowed to bill you for the difference between what your plan pays and the full amount charged for a service. This is called "**balance billing**." This amount is likely more than your in-network costs for the same service and might not count toward your plan's deductible or annual out-of-pocket limit. Your health plan coverage may not cover out-of-network services when you agree (consent) to receive services from the out-of-network providers.

"Surprise billing" is an unexpected balance bill. This can happen when you can't control who is involved in your care—like when you have an emergency or when you schedule a visit at an in-network facility but are unexpectedly treated by an out-of-network provider. Surprise medical bills could cost thousands of dollars depending on the procedure or service. Providers and facilities are not balance billing you when they seek to collect cost sharing or another amount that you agreed to pay or are required to pay under your plan for the services that they provided.

You're protected from balance billing for:

Emergency services

If you have an emergency medical condition and get emergency services from an out-of-network provider or facility, the most they can bill you is your plan's in-network cost-sharing amount (such as copayments, coinsurance, and deductibles). You **can't** be balance billed for these emergency services. This includes services you may get after you're in stable condition, unless you give written consent and give up your protections not to be balanced billed for these post-stabilization services.

In some circumstances, you may be protected from balance billing under Maryland state law. For example, if you are enrolled in a fully-insured plan and are treated by a Maryland doctor in an emergency room, the law may protect you.

Certain services at an in-network hospital or ambulatory surgical center

When you get services from an in-network hospital or ambulatory surgical center, certain providers there may be out-of-network. In these cases, the most those providers can bill you is your plan's in-network cost-sharing amount. This applies to emergency medicine, anesthesia, pathology, radiology, laboratory, neonatology, assistant surgeon, hospitalist, or intensivist services, or when an in-

network provider is not available. These providers **can't** balance bill you and may **not** ask you to give up your protections not to be balance billed.

If you get other types of services at these in-network facilities, out-of-network providers **can't** balance bill you, unless you give written consent and give up your protections.

You're never required to give up your protections from balance billing. You also aren't required to get out-of-network care. You can choose a provider or facility in your plan's network.

You are protected from balance billing under Maryland law given that most hospital services are subject to an All-Payor Model Agreement, which means that hospital bills are the same for all payers including consumers. Maryland law also provides protection from balance billing from out-of-network providers but the protection depends on whether you are enrolled in an HMO or PPO plan and, for PPO enrollees, whether the physician is on-call or hospital based.

When balance billing isn't allowed, you also have these protections:

- You're only responsible for paying your share of the cost (like the copayments, coinsurance, and deductible that you would pay if the provider or facility was in-network). Your health plan will pay any additional costs to out-of-network providers and facilities directly.
- Generally, your health plan must:
 - Cover emergency services without requiring you to get approval for services in advance (also known as "prior authorization").
 - Cover emergency services by out-of-network providers and facilities.
 - Base what you owe the provider or facility (your cost-sharing) on what it would pay an in-network provider or facility and show that amount in your explanation of benefits.
 - Count any amount you pay for emergency services or non-emergency services provided by certain out-of-network providers at an in-network facility toward your in-network deductible and out-of-pocket limit.

If you think you've been wrongly billed by a provider or facility, contact the federal government at: **1-800-985-3059** or the Maryland Insurance Administration at <https://insurance.maryland.gov/Consumer/Pages/FileAComplaint.aspx> or call **1-800-492-6116**.

Visit www.cms.gov/nosurprises/consumers for more information about your rights under federal law. Visit

Additionally:

1. Plan Physicians maintain the physician-patient relationship with Members and are solely responsible to Members for all medical Services; and
2. Plan Hospitals maintain the Hospital-patient relationship with Members and are solely responsible to Members for all Hospital Services.

Subscribers

For Subscribers who enroll directly through the Health Plan during an annual open or a special enrollment period: To be a Subscriber you must apply during an annual open enrollment period or a special enrollment period, both of which are described within this section of your EOC.

For Subscribers who enroll through the Exchange: The Exchange will determine whether an individual is a Qualified Individual under this Plan in accordance with 45 CFR §155.305 and 45 CFR §156.265(b).

Any Subscriber under a Kaiser Permanente for Individuals and Families Plan must reside within our Service Area at the time of enrollment to be eligible for this Plan.

Dependents

To be a Dependent you must be:

1. The Subscriber's Spouse or Domestic Partner.
2. A Dependent child of the Subscriber or the Subscriber's Spouse or Domestic Partner who is under the limiting age of 26. A Dependent child under the limiting age is defined as either:

Kaiser Permanente for Individuals and Families/ Kaiser Permanente Child Only Membership Agreement and Evidence of Coverage

- a. A biological child, stepchild, lawfully adopted child or foster child placed for legal adoption with the Subscriber or the Subscriber's Spouse or Domestic Partner; or
 - b. An unmarried grandchild, or unmarried child under testamentary or court-appointed guardianship of the Subscriber or the Subscriber's Spouse or Domestic Partner.

An unmarried child who is covered as a Dependent when they reach the limiting age under requirement #2 above may continue coverage if he/she is incapable of self-support by reason of mental incapacity or physical handicap. The child must be chiefly dependent upon a Member of this Plan for support and maintenance. Proof of incapacity and dependency must be provided when requested by the Health Plan.

If payment of additional Premium is required to provide coverage for a newborn child then, in order for coverage to continue beyond thirty-one (31) days from the date of birth, notification of birth and payment of additional Premium must be provided within thirty-one (31) days of the date of birth, otherwise coverage for the newborn will terminate thirty-one (31) days from the date of birth.

Coverage is also provided for the first thirty-one (31) days after adoption or after a grandchild or a minor for whom guardianship is granted by court or testamentary appointment.

Coverage beyond the first thirty-one (31) days after birth, adoption, or after a grandchild or a minor for whom guardianship is granted by court or testamentary appointment will only continue if the child is enrolled and any additional premium payment is made to cover the child, as required in this EOC.

For Subscribers who enroll a Dependent through the Exchange: Subscribers who apply for coverage through the Exchange must notify the Exchange of any change in eligibility of a Dependent for any reason other than the child becomes age 26.

Eligible children of the Subscriber or Subscriber's Spouse or Domestic Partner who lives, works, or resides outside of our Service Area are eligible for Dependent coverage. However, the only covered Services outside of our Service Area are:

1. Approved Clinical Trials;
2. Emergency Services;
3. Urgent Care Services;

Health Savings Account-Qualified Plans

This provision only applies if you are enrolled in a qualified High Deductible Health Plan. It does not apply to Members with catastrophic Plan coverage. A Health Savings Account is a tax-exempt account established under Section 223(d) of the Internal Revenue Code for the exclusive purpose of paying current and future Qualified Medical Expenses. Contributions to such an account are tax deductible, but in order to qualify for and make contributions to a Health Savings Account, a Member must be enrolled in a qualified High Deductible Health Plan.

A qualified High Deductible Health Plan provides health care coverage that includes an:

1. Individual Deductible of \$1,500.00 or greater and a family Deductible of \$3,000.00 or greater; and
2. Individual Out-of-Pocket Maximum of no more than \$7,500.00 and a family Out-of-Pocket Maximum of no more than \$15,000.00 in the current Calendar Year.

In a qualified High Deductible Health Plan, all Deductible, Copayment and Coinsurance amounts must be counted toward the Out-of-Pocket Maximum. Review the Cost Sharing information contained within this Agreement to see whether or not this Plan meets the High Deductible Health Plan requirements described in this paragraph. A Plan is a qualified High Deductible Health Plan only if it meets those requirements. Enrollment in a qualified High Deductible Health Plan is only one of the eligibility requirements for establishing and contributing to a Health Savings Account. Other requirements include the following

Kaiser Permanente for Individuals and Families/ Kaiser Permanente Child Only Membership Agreement and Evidence of Coverage

prohibitions: The Member must not be:

1. Covered by other health coverage that is not also a Health Savings Account-qualified plan, with certain exceptions;
2. Enrolled in Medicare; and/or
3. Able to be claimed as a Dependent on another person's tax return.

Please note that the tax references contained in this Agreement relate to federal income tax only. The tax treatment of Health Savings Account contributions and distributions under a state's income tax laws may differ from the federal tax treatment. Kaiser Permanente does not provide tax advice. Contact your financial or tax advisor for more information about your eligibility for a Health Savings Account or to obtain tax advice.

Payment of Premium

Premium may be paid in different ways depending on how you applied for coverage under this Plan. This may include payment directly to the Health Plan or through the Exchange. In consideration of the timely Premium paid to the Health Plan or Exchange, we agree to arrange Health Care Services in accordance with the terms, conditions, limitations and exclusions of this Agreement.

Members covered under a Kaiser Permanente Child Only Plan may require someone to contractually agree to pay due Premium on their behalf. That individual is known as the Financially Responsible Person.

This Plan is contributory in that the Subscriber, on behalf of his/herself and any applicable Dependents, or a Financially Responsible Person, on behalf of a child Member, is responsible for payment of all required Premium. Premium is due directly to Health Plan no later than the 1st day of the coverage month, or through the Exchange, as applicable.

The Financially Responsible person may be a Parent/Guardian, but sometimes they are different people. In the event that the Financially Responsible Person and Parent/Guardian:

1. Are not the same person, then this Agreement is a legally binding contract between the:
 - a. Health Plan;
 - b. Financially Responsible Person; and
 - c. Parent/Guardian who holds the legal authority to make medical decisions for a Member under age 19 or who is age 19 or older, but incapable of making medical decisions by reason of mental incapacity.
2. Is the same person, he/she shall be recognized as having the rights and responsibilities of both the Financially Responsible Person and the Parent/Guardian under this Agreement.

When requested by the Parent/Guardian, more than one (1) eligible child, when properly enrolled and for whom Premium has been paid, may be covered under this Agreement.

Only Members for whom the Health Plan has received the appropriate Premium payments are entitled to coverage under this Agreement, except as provided in **Section 6: Extension of Benefits**, and then only for the period for which such Premium is received, in accordance with **Section 6: Termination Due to Nonpayment of Premium**. You may be assessed a charge for any check written to Health Plan that is returned due to insufficient funds in your bank account.

Kaiser Permanente for Individuals and Families/ Kaiser Permanente Child Only Membership Agreement and Evidence of Coverage

The Premium due under this Agreement is determined by the Health Plan upon application for coverage. The Subscriber or Financially Responsible Person, as applicable, will be given at least sixty-two (62) days' prior notice of any Premium change upon renewal.

For Members who enroll through the Exchange: If you use Advance Premium Tax Credit, your monthly Premium payment may change if you take fewer or more tax credits due to changes in your income or the addition of loss of members of your household enrolled under your coverage. Use of Advance Premium Tax Credit may have an impact on your income tax return. Kaiser Permanente does not provide tax advice. Contact your financial or tax advisor for more information about your eligibility for Advance Premium Tax Credit or to obtain tax advice.

(90) days before the beginning of the plan year, in which case you or your Dependent will have sixty (60) days before or after the triggering event to select a Qualified Health Plan.

9. For the triggering event due to untimely notice of triggering events (item #18 above), you or your Dependent will have sixty (60) days from the date you or your Dependent knew, or reasonably should have known, of the occurrence of the triggering event to select a new plan.
10. For the triggering event due to the cessation of employer contributions to COBRA continuation coverage or cessation of a government entity providing subsidies (item #17 above), you or your Dependent has sixty (60) days before or after the triggering the event to select a plan.

Effective Date for Special Enrollment Periods

The regular coverage effective date depends on when the plan selection is received. For a Qualified Health Plan selection received by the Exchange for coverage through the Exchange or received by us for off-Exchange coverage:

1. between the first and the fifteenth day of any month, the coverage effective date is the first day of the following month; and
2. between the sixteenth and the last day of any month, the coverage effective date is the first day of the second following month.

For the triggering events listed below:

1. For birth, adoption, or placement for adoption, coverage is effective the date the birth, adoption or placement for adoption occurs.
2. For placement in foster care, coverage is effective the date the placement in foster care occurs or, if enrollment is through and permitted by the Exchange, you may elect a coverage effective date the first day of the month following plan selection or you may elect a regular coverage effective date.
3. For marriage, coverage is effective on the first day of the month following plan selection.
4. For the special enrollment periods described in items #4, #5, #9, #11, #12 or #13 under ***Special Enrollment Periods Due to Triggering Events***, the Exchange will determine the coverage effective date based on the circumstances. If enrollment is for off-exchange coverage, the regular coverage effective date depends on when the plan selection is received. If the plan selection is received:
 - a. between the first and the fifteenth day of any month, the coverage effective date is the first day of the following month; or
 - b. between the sixteenth and the last day of any month, the coverage effective date is the first day of the second following month.
5. For loss of coverage (item #1 under ***Special Enrollment Periods Due to Triggering Events***), loss of eligibility for employer-sponsored coverage (item #6b under ***Special Enrollment Periods Due to Triggering Events***), gaining access to a new Qualified Health Plan due to a permanent move (item #7 under ***Special Enrollment Periods Due to Triggering Events***), becoming newly eligible to enroll in a Qualified Health Plan through the Exchange as a result from release from incarceration (item #3b under ***Special Enrollment Periods Due to Triggering Events***), becoming newly eligible for Advance Premium Tax Credit due to a permanent move (item #6c under

Kaiser Permanente for Individuals and Families/ Kaiser Permanente Child Only Membership Agreement and Evidence of Coverage

Special Enrollment Periods Due to Triggering Events), or cessation of employer contributions to COBRA continuation coverage or cessation of a government entity providing subsidies (item #17 under *Special Enrollment Periods Due to Triggering Events*), if the Qualified Health Plan selection is made on or before the day of the triggering event, the coverage effective date is the first day of the month following the date of the triggering event. If the plan selection is made after the date of the triggering event, then the regular coverage effective dates apply.

6. For a child support order or other court order (item #2a under *Special Enrollment Periods Due to Triggering Events*), the coverage effective date shall be no later than the date the court order is effective or, if enrollment is through and permitted by the Exchange, you may elect a coverage effective date the first day of the month following plan selection or you may elect a regular coverage effective date.
7. If you or your Dependent dies (item #2b under *Special Enrollment Periods Due to Triggering Events*), the coverage effective date shall be the first day of the month following the plan selection or, if permitted by the Exchange, you may elect a regular coverage effective date.
8. For confirmation of pregnancy, the coverage effective date shall be the 1st day of the month in which the confirmation of pregnancy was received.
9. For gaining access to an individual coverage health reimbursement account (HRA) or being newly provided a QSEHRA, if the plan selection coverage is made before the day of the triggering event, coverage is effective on the 1st day of the month following the date of the triggering event or if the triggering events is on the 1st day of the month, then coverage is effective on the date of the triggering event. If the plan selection is made on or after the day of the triggering event, the coverage is effective on the 1st day of the month following the plan selection.

Restrictions on Qualified Health Plan Selection

For Members who enroll through the Exchange and are currently in a Qualified Health Plan, if you qualify for a special enrollment period or you are adding a Dependent to your Qualified Health Plan other than when the triggering event is for birth, adoption, placement for adoption or placement in foster care (item #2a under *Special Enrollment Periods Due to Triggering Events*), inadvertent error (item #4 under *Special Enrollment Periods Due to Triggering Events*), you or your Dependent becoming newly eligible or ineligible for cost-sharing reduction or newly ineligible for Advanced Premium Tax Credit (item #6 under *Special Enrollment Periods Due to Triggering Events*), you or your Dependent's status as an American Indian or Alaskan Native (item #8 under *Special Enrollment Periods Due to Triggering Events*), exceptional circumstances (item #9 under *Special Enrollment Periods Due to Triggering Events*), eligibility due to domestic violence (item #10 under *Special Enrollment Periods Due to Triggering Events*), material error (item #12 under *Special Enrollment Periods Due to Triggering Events*), you or your Dependent being confirmed by a provider to be pregnant (item #14 under *Special Enrollment Periods Due to Triggering Events*) or you or your Dependent newly gaining access to an individual coverage HRA or you or your Dependent being newly provided a QSEHRA (item #16 under *Special Enrollment Periods Due to Triggering Events*), you and your Dependent may make changes to your enrollment in the same Qualified Health Plan or may change to another Qualified Health Plan within the same level or coverage (or one metal level higher or lower, if no such Qualified Health Plan is available).

Kaiser Permanente for Individuals and Families/ Kaiser Permanente Child Only Membership Agreement and Evidence of Coverage

If a Dependent qualifies for a special enrollment period, and an enrollee who does not also qualify for a special enrollment period is adding the Dependent to his or her Qualified Health Plan, the Exchange must allow the enrollee to add the Dependent to his or her current Qualified Health Plan. If Health Plan's eligibility rules do not allow you to enroll your non-covered Dependent or Dependent to your Qualified Health Plan, the Exchange must allow you and your non-covered Dependent or Dependent to change to another Qualified Health Plan within the same level of coverage (or one metal level higher or lower, if no such Qualified Health Plan is available) or allow your non-covered Dependent or Dependent to enroll in a separate Qualified Health Plan.

In addition, if you have gained a Dependent, as described above in item #2a under *Special Enrollment Periods Due to Triggering Events*, then you may add the Dependent to your current Qualified Health Plan or, if the eligibility rules do not allow such dependent to enroll, then you and your Dependent may change to another Qualified Health Plan within the same level of coverage (or one metal level higher or lower, if no such Qualified Health Plan is available) or, at your or your Dependent's option, your Dependent may enroll in any separate Qualified Health Plan.

If you are not enrolled in a Qualified Health Plan and qualify for a special enrollment period, and you have one or more Dependents who are enrolled in a Qualified Health Plan and do not qualify for a special enrollment period, then you may enroll yourself to your Dependent's current Qualified Health Plan or, if the Qualified Health Plan's business rules do not allow you to enroll in your Dependent's current Qualified Health Plan, you may enroll yourself and your Dependents in another Qualified Health Plan within the same level of coverage, or one metal level higher or lower, if no such Qualified Health Plan is available, or you may enroll yourself in a separate Qualified Health Plan.

You or your Dependent may enroll in any Qualified Health Plan if you or your Dependent are not currently enrolled in a Qualified Health Plan.

If you or your Dependent are enrolling in an off-Exchange plan, you may do so without any restrictions.

Premium Payment Changes Due to Special Enrollments

Your Premium may change if you:

1. Choose a new Plan;
2. Switch to coverage other than self-only by adding Dependents; or
3. Reduce the number of covered Dependents.

Premium Payment Requirements for Special Open Enrollment Periods

When No Additional Premium is Required

If you experience a triggering event then enroll during a special enrollment period, coverage will be effective as of the date described above in the event that no additional Premium is required.

When Additional Premium is Due

If additional Premium is required following enrollment after you experience a triggering event, the Premium is due the date coverage becomes effective. The only exceptions are in the case of a triggering event involving:

1. Birth;

Kaiser Permanente for Individuals and Families/ Kaiser Permanente Child Only Membership Agreement and Evidence of Coverage

2. Adoption; and
3. Placement for adoption.

Under those circumstances, coverage will terminate as of the 31st day during the sixty (60) day period if additional due Premium is not paid before expiration of the sixty (60) day enrollment period mentioned above under *Effective Date for Special Enrollment Periods* in this section.

Additional Special Enrollment Period for a Child Under Guardianship

A newly-eligible Dependent child for whom guardianship has been granted by court or testamentary appointment may be added outside of the Annual Enrollment Period and Special Enrollment Periods described above. The effective date of coverage for a newly-eligible Dependent child for whom guardianship has been granted by court or testamentary appointment is the date of appointment.

The newly-eligible Dependent child will be covered automatically for the first thirty-one (31) days following the newly eligible Dependent child's effective date of coverage. Coverage of a newly-eligible child shall consist of coverage for injury or sickness, including the necessary care and treatment of medically diagnosed congenital defects and birth abnormalities.

When No Additional Premium is Required

If no additional Premium is required, then the coverage must continue beyond the thirty-one (31) days automatically, even if the newly-eligible Dependent child is not affirmatively enrolled. Notification and enrollment of the newly-eligible Dependent child is suggested to expedite the claims process, but it is not required.

When Additional Premium is Due

If additional Premium is due within the aforementioned thirty-one (31) day automatic coverage period in order to add the newly-eligible Dependent child to the coverage, then and only then may Health Plan require notification of appointment of the new Dependent and payment of the required additional Premium in order to continue coverage beyond the thirty-one (31) day period.

Special Enrollment Periods and Effective Date of Coverage for American Indians and Alaska Natives Who Enroll Through the Exchange

For American Indian and Alaska Native Members who enroll through the Exchange: This provision only applies to individuals who are American Indian or Alaska Native, as defined in §4 of the federal Indian Health Care Improvement Act and enroll in a Plan on the Exchange. Receiving Health Care Services

To receive the Services covered under this Agreement, you must be a current Health Plan Member for whom Premium has been paid. Anyone who is not a Member will be billed the Allowable Charge(s) for any Services we provide and claims for Emergency or Urgent Care Services from non-Plan Providers will be denied.

As a current Member under this Plan, we agree to provide and/or arrange health care Services in accordance with the terms, conditions, limitations and exclusions of this Agreement. You may receive these Services and other benefits specified in this Agreement when provided, prescribed or directed by Plan Providers within our Service Area.

You have your choice of Plan Physicians and Facilities within our Service Area. Covered Services are available only from the Medical Group, Plan Facilities and in-Plan Skilled Nursing Facilities. Neither the Health Plan, Medical Group nor any Plan Physicians have any liability or obligation extending from any Service or benefit sought or received by a Member from any non-Plan:

1. Doctor;
2. Hospital;
3. Skilled Nursing Facility;
4. Person;
5. Institution; or
6. Organization, except when you:
 - a. Have a pre-authorized referral, or other approval, for the Services; or
 - b. Are covered under the ***Emergency Services*** or ***Urgent Care Services*** provisions in ***Section 3: Benefits, Exclusions and Limitations***.

Emergency and Urgent Care Services, Air Ambulance Services, non-Emergency Services and items received from a non-Plan Provider in a Plan Facility, Services associated with pre-authorized referrals or other approvals, and clinical trials are the only Services a Member may seek outside of the Service Area. For coverage of items or Services received by a non-Participating Provider at the same Cost Share of an in-network provider, refer to the ***Cost Sharing for Services Provided Based on Reliance on Incorrect Provider Network Information*** provision in ***Section 3: Benefits, Exclusions and Limitations***. For continued coverage of care from a Plan Provider whose Participating Provider contract is terminated or non-renewed for reasons other than for failure to meet applicable quality standards or fraud, refer to the ***Continuing Care Patient*** provision in ***Section 2: How to Get the Care You Need***.

Your Kaiser Permanente Identification Card

Digital Kaiser Permanente Identification Card

Managing your health care is convenient with the Kaiser Permanente mobile app. The app gives you access to your digital Kaiser Permanente identification card, which allows you to check in for appointments, pick up prescriptions and provide your membership information, all from your smartphone. To access your digital Kaiser Permanente identification card:

1. Log into the Kaiser Permanente mobile app; and
2. Select “Member ID Card” from the menu options.

Note: Verify that the Kaiser Permanente mobile app is available on your smartphone and create your login before arriving at your appointment. Additionally, the availability of the digital Kaiser Permanente identification card is limited to certain types of Plans and does not replace the physical card. Each Member will also receive a physical Kaiser Permanente identification card.

Using Your Kaiser Permanente Identification Card

Your Kaiser Permanente identification card is for identification purposes only. It contains your name, Medical Record Number and our contact information. When you visit a Plan Facility, please have both your Kaiser Permanente identification card and a valid photo ID with you. You will be asked to show both of them when checking in.

Your Medical Record Number is used to identify your medical records and membership information. You should always have the same Medical Record Number.

If you need to replace your Kaiser Permanente identification card, or if we ever issue you more than one (1) Medical Record Number, please let us know by contacting Member Services Monday through Friday between 7:30 a.m. and 9 p.m. at 1-800-777-7902 or 711 (TTY).

Note: Allowing another person to use your ID card will result in forfeiture of your Kaiser Permanente identification card and may result in termination of your membership.

Choosing Your Primary Care Plan Physician

We highly encourage you to choose a Primary Care Plan Physician when you enroll. He or she will play an important role in coordinating your health care Services, including Hospital stays and referrals to specialists. Additionally, your Primary Care Plan Physician and Plan Providers will work as a team, along with you, to ensure continuity of care and medically appropriate courses of treatment.

Each Member in your family should select a Primary Care Plan Physician. If you do not select a Primary Care Plan Physician upon enrollment, we will assign you one near your home. You may select or change your Primary Care Plan Physician at any time by visiting us online at www.kp.org or contacting Member Services Monday through Friday between 7:30 a.m. and 9 p.m. at 1-800-777-7902 or 711 (TTY).

Our Provider Directory is available online at www.kp.org and updated twice each month. A listing of all Primary Care Plan Physicians is also provided to you on an annual basis.

You may select a Primary Care Plan Physician, who is available to accept new Members, from the following areas: Internal medicine, family practice and pediatrics. Within pediatrics, you may select an allopathic or osteopathic pediatrician as the Primary Care Plan Physician for your child. In addition to selecting a Primary

Kaiser Permanente for Individuals and Families/ Kaiser Permanente Child Only Membership Agreement and Evidence of Coverage

Care Plan Physician, Members may choose a Plan Physician who practices in the specialty of obstetrics or gynecology (OB/GYN) as their personal OB/GYN.

Getting a Referral

Our Plan Physicians offer primary medical, pediatric and OB/GYN care as well as specialty care in areas such as general surgery, orthopedic surgery, dermatology and other medical specialties. We have Plan Medical Centers and specialty facilities such as imaging centers, located within our Service Area. You will receive most of the covered Services that you routinely need at these facilities unless you have an approved referral to another Plan Provider.

All referrals will be subject to review and approval, which is known as authorization, in accordance with the terms of this Agreement. We will notify you when our review is complete.

Receiving an Authorized Specialist or Hospital Referral

If your Plan Provider decides that you require covered Services from a Specialist, you will receive an authorized referral to a Plan Provider who specializes in the type of care you need.

If your Plan Provider decides that you need covered Services from a Specialist, your Plan Provider will request a referral for you. If you did not receive a refund during your Visit and you would like to request one, please call Member Services at 1-800-777-7902 to start the process. You will receive a decision on your requested referral whether the referral is approved or denied.

In the event that the covered Services you need are not available from a Plan Provider, we may refer you to another provider. For more information, see *Referrals to Non-Plan Specialists and Non-Physician Specialists* below.

When you need authorized covered Services at a Plan Hospital, you will be referred to a Plan Hospital. We may direct that you receive the Hospital Services at a particular Plan Hospital so that we may better coordinate your care using Medical Group Plan Physicians and our electronic medical record system.

Post-Referral Services Not Covered

Any additional Services not specifically listed, and/or that are provided by a professional not named in the referral, are not authorized and will not be reimbursed.

If a non-Plan Provider for whom you have received an authorized referral recommends additional Services that are not indicated in that approved referral, advise your Plan Provider. He or she will work with you to determine whether those Services can be provided by a Plan Provider. Additional services not specifically listed in the referral are not authorized and will not be reimbursed unless you have received a preauthorization for those Services.

Standing Referrals to Specialists

If you suffer from a life-threatening, degenerative, chronic or disabling disease or condition that requires Specialty Services, your Primary Care Plan Physician may determine, in consultation with you and a Specialist, that you need continuing care from that Specialist. In such instances, your Primary Care Plan Physician will issue a standing referral to the Specialist.

A standing referral should be developed by the specialist, your Primary Care Plan Physician and you, and made in accordance with a written treatment plan consisting of covered Services. The treatment plan may limit the authorized number of Specialist Visits and/or the period of time in which those Specialist Visits

Kaiser Permanente for Individuals and Families/ Kaiser Permanente Child Only Membership Agreement and Evidence of Coverage

are authorized. It may also require that the Specialist communicate regularly with your Primary Care Plan Physician regarding your treatment and health status.

Referrals to Non-Plan Specialists and Non-Physician Specialists

A Member may request a referral to a non-Plan Specialist or a Non-Physician Specialist if:

1. The Member has been diagnosed with a condition or disease that requires specialized health care Services or medical care; and the Health Plan:
 - a. Does not have a Plan Specialist or Non-Physicians Specialist with the professional training and expertise to treat or provide health care Services for the condition or disease; or
 - b. Cannot provide reasonable access to a Specialist or Non-Physician Specialist with the professional training and expertise to treat or provide health care Services for the condition or disease without unreasonable delay or travel.

You must have an approved verbal or written referral to the non-Plan Specialist or Non-Physician Specialist in order for the Health Plan to cover the Services. The Cost Share amounts for approved referral Services are the same as those required for Services provided by a Plan Provider.

Services that Do Not Require a Referral

There are specific Services that do not require a referral from your Primary Care Plan Physician. However, you must obtain the care from a Plan Provider.

Except for Emergency Services, these Services include:

1. An initial consultation for treatment of mental illness, emotional disorders and drug or alcohol abuse, when provided by a Plan Provider. For continued treatment, you or your Plan Provider must contact the Behavioral Health Access Unit for assistance to arrange and schedule these covered Services. The Behavioral Access Unit can be reached at 1-866-530-8778;
2. OB/GYN Services provided by an OB/GYN, a certified nurse-midwife, or other Plan Provider authorized to provide OB/GYN Services, including the ordering of related, covered OB/GYN Services; and
3. Optometry Services.

Emergency Services do not require a referral from your Primary Care Plan Physician, regardless if the Emergency Services are received from a Plan Provider or a non-Plan Provider.

Prior Authorization for Prescription Drugs

Requests for covered outpatient prescription drugs may be subject to certain utilization management protocols, such as prior authorization or step therapy.

Step-therapy is a process that requires a prescription drug or sequence of prescription drugs to be used by a Member before the Health Plan will cover a prescription drug prescribed by a prescriber.

We will not require step-therapy if:

1. The step-therapy drug has not been approved by the U.S. Food & Drug Administration (FDA) for the medical condition being treated; or
2. A prescriber provides supporting medical information to us that a prescription drug we cover:
 - a. Was ordered by the prescriber for the Member within the past 180 days; and
 - b. Based on the professional judgement of the prescriber, was effective in treating the Member's disease or medical condition; or

Kaiser Permanente for Individuals and Families/ Kaiser Permanente Child Only Membership Agreement and Evidence of Coverage

3. A prescription drug was approved by the FDA; and
 - a. Is used to treat a Member's stage four advanced metastatic cancer; and
 - b. Use of the prescription drug is:
 - i. Consistent with the FDA approved indication or the National Comprehensive Cancer Network Drugs & Biologics Compendium indication for the treatment of stage four advanced metastatic cancer; and
 - ii. Supported by peer-reviewed medical literature.

Supporting medical information means:

1. A paid claim from the Health Plan for a Member;
2. A pharmacy record that documents that a prescription has been filled and delivered to a Member or a representative of a Member; or
3. Other information mutually agreed on by the Health Plan and the prescriber.

If we deny a Service or prescription drug because prior authorization was not obtained, or if a step-therapy exception request is denied, you may submit an appeal. For information on how to submit an appeal, see ***Section 5: Filing Claims, Appeals and Grievances.***

For the most up-to-date list of Plan Medical Centers and Plan Providers, visit us online at www.kp.org. To request a Provider Directory, please contact Member Services Monday through Friday between 7:30 a.m. and 9 p.m. at 1-800-777-7902 or 711 (TTY).

Continuing Care Patient

A Continuing Care Patient, as defined in the section ***Important Terms You Should Know***, receiving care from a Participating Provider may elect to continue to receive transitional care from such provider if the provider's Participating Provider contract is terminated or non-renewed for reasons other than for failure to meet applicable quality standards or for fraud. Health Plan will notify each Member who is a Continuing Care Patient at the time of termination or non-renewal on a timely basis of such termination and the Member's right to elect transitional care.

When elected, benefits will be provided under the same terms and conditions as would have applied with respect to items and Services that would have been covered had termination not occurred, with respect to the course of treatment provided by such provider or facility relating to the Member's status as a Continuing Care Patient. Benefits will be provided during the period beginning on the date Health Plan notifies the Continuing Care Patient of the termination and ending on the earlier of (i) 90 days after the date of such notice; or (ii) the date on which such Member is no longer a Continuing Care Patient with respect to such provider or facility.

The Member will not be liable for an amount that exceeds the cost-sharing that would have applied to the Member had the termination not occurred.

Continuity of Care for New Members

At the request of a new Member, or a new Member's parent, guardian, designee or health care provider, the Health Plan shall:

1. Accept a preauthorization issued by the Member's prior carrier, managed care organization or third-party administrator; and

Kaiser Permanente for Individuals and Families/ Kaiser Permanente Child Only Membership Agreement and Evidence of Coverage

2. Allow a new enrollee to continue to receive health care services being rendered by a non-Plan provider at the time of the Member's enrollment under this Agreement.

As described below, the Health Plan will accept the preauthorization and allow a new Member to continue to receive services from a non-Plan Provider for:

1. The course of treatment or ninety (90) days, whichever is less; or
2. Up to three (3) trimesters of a pregnancy and the initial postpartum Visit.

Transitioning to our Services

At the end of the applicable time period immediately above under *Continuity of Care* in this section, we may elect to perform our own review to determine the need for continued treatment; and to authorize continued Services as described under *Getting a Referral* in this section.

Accepting Preauthorization for Services

The Health Plan shall accept a preauthorization for the procedures, treatments, medications or other Services covered under this Agreement.

If the Health Plan requires a preauthorization for a prescription drug, the preauthorization request shall allow a health care provider to indicate whether a prescription drug is to be used to treat a chronic condition.

If the health care provider indicates the prescription drug is to treat a chronic condition, the Health Plan may not request a reauthorization for a repeat prescription for the prescription drug for one (1) year or for the standard course of treatment for the chronic condition being treated, whichever is less.

The Health Plan shall accept preauthorization from the health care provider for at least the initial ninety (90) days of the Member's prescription drug benefit coverage. At the end of the applicable time period, we may elect to perform our own review to allow the preauthorization for the prescription drug. The Health Plan will accept preauthorization when a Member changes from a Kaiser Plan to another Kaiser Plan within the ninety (90) day timeframe if:

1. The prescription drug is a covered benefit under the current Kaiser Plan; or
2. The dosage for the approved prescription drug changes and the change is consistent with Federal Food and Drug Administration labeled dosages.

Health Plan may not accept preauthorization for a change in dosage for an opioid. If the Health Plan requires a preauthorization for a prescription drug, we shall provide notice of the new requirement at least thirty (30) days before the requirement of the new preauthorization in writing and/or electronically.

If the Health Plan denies coverage for a prescription drug, the Health Plan shall provide a detailed written explanation for the denial of coverage, including whether the denial was based on a required preauthorization.

After receiving the consent of a Member, or the Member's parent, guardian or designee, we may request a copy of the preauthorization by following all the laws for confidentiality of medical records. The prior carrier, managed care organization or third-party administrator must provide a copy of the preauthorization within ten (10) days following receipt of our request.

Continuity of Care Limitation for Preauthorization

With respect to any benefit or Service provided through the fee-for-services Maryland Medical Assistance Program, this subsection shall apply only to:

Kaiser Permanente for Individuals and Families/ Kaiser Permanente Child Only Membership Agreement and Evidence of Coverage

1. Enrollees transitioning from the Maryland Medical Assistance Program to the Health Plan; and
2. Behavioral health and dental benefits, to the extent they are authorized by a third-party administrator.

Services from Non-Plan Providers

The Health Plan shall allow a new Member to continue to receive covered health care Services being rendered by a non-Plan Provider at the time of the Member's transition to our plan for the following conditions:

1. Acute conditions;
2. Serious chronic conditions;
3. Pregnancy;
4. Mental health conditions and substance use disorders; and
5. Any other condition on which the non-Plan Provider and the Health Plan reach agreement.

Examples of acute and serious chronic conditions may include:

1. Bone fractures;
2. Joint replacements;
3. Heart attack;
4. Cancer;
5. HIV/AIDS; and
6. Organ transplants.

Getting Emergency and Urgent Care Services

Emergency Services

Emergency Services are covered twenty-four (24) hours per day, seven (7) days per week, no matter when or where in the world they occur without Prior Authorization and without regard to whether the health care provider furnishing the services is a Plan Provider.

If you have an Emergency Medical Condition, call 911 (where available) or go to the nearest hospital emergency department or Independent Freestanding Emergency Department. You do not need Prior Authorization for Emergency Services. When you have an Emergency Medical Condition, we cover Emergency Services that you receive from Participating Providers, non-Participating Providers, Participating Emergency Facilities, or non-Participating Emergency Facilities anywhere in the world, as long as the Services would be covered under ***Emergency Services*** in ***Section 3: Benefits, Exclusions and Limitations*** as if you had received them from Participating Providers or Participating Emergency Facilities. Emergency Services are available from Plan Hospital emergency departments twenty-four (24) hours per day, seven (7) days per week.

You will incur the same Cost Sharing (Deductible, Coinsurance and/or Copayment, as applicable) for Emergency Services furnished by non-Participating Providers as Participating Providers, or for Emergency Services furnished by non-Participating Emergency Facilities as Participating Emergency Facilities, and such Cost Sharing will be calculated based on the Recognized Amount in accordance with applicable law if you Cost Sharing is not a fixed amount. Any Cost Share payments made by you will apply toward your Deductible, if any, and Out-of-Pocket Maximum, if any.

If Emergency Services are provided by a non-Participating Provider or non-Participating Emergency Facility, Health Plan will make payment for the covered Emergency Services directly to the non-

Kaiser Permanente for Individuals and Families/ Kaiser Permanente Child Only Membership Agreement and Evidence of Coverage

Participating Provider or non-Participating Emergency Facility. The payment amount will be equal to the amount by which the Allowable Charge exceeds your Cost-Sharing amount for the Services. You will not be liable for an amount that exceeds the Cost Sharing as further described in this Agreement

Bills for Emergency Services

When you receive a bill from a hospital, physician or ancillary provider for Emergency Services that were provided to you, you should either:

1. Contact the hospital, physician or other provider to inform them that the bill should be sent to us at the address listed below; or

Receiving Care in Another Kaiser Foundation Health Plan Service Area

Covered Services are subject to the terms and conditions of this EOC, including prior authorization requirements, the applicable Copayments, Coinsurance and/or Deductible shown in the “Summary of Cost Shares,” and the exclusions, limitations and reductions described in this EOC.

For more information about receiving care in other Kaiser Foundation Health Plan service areas, including availability of Services, and provider and facility locations, please call our Away from Home Travel Line at 951-268-3900. Information is also available online at kp.org/travel.

Payment Toward Your Cost Share and When You May Be Billed

In most cases, you will be asked to make a payment toward your Cost Share at the time you receive Services. If you receive more than one type of Services, such as Primary Care treatment and laboratory tests, you may be required to pay separate Cost Shares for each of those Services. In some cases, your provider may not ask you to make a payment at the time you receive Services, and you may be billed for your Cost Share.

Keep in mind that your payment toward your Cost Share may cover only a portion of your total Cost Share for the Services you receive, and you will be billed for any additional amounts that are due. The following are examples of when you may be asked to pay Cost Share amounts in addition to the amount you pay at check-in:

1. **You receive non-preventive Services during a preventive Visit.** For example, you go in for a routine physical exam, and at check-in you pay your Cost Share for the preventive exam (your Cost Share may be "no charge"). However, during your preventive exam your provider finds a problem with your health and orders non-preventive Services to diagnose your problem, such as laboratory tests. You may be asked to pay your Cost Share for these additional non-preventive diagnostic Services.
2. **You receive diagnostic Services during a treatment Visit.** For example, you go in for treatment of an existing health condition, and at check-in you pay your Cost Share for a treatment Visit. However, during the Visit your provider finds a new problem with your health and performs or orders diagnostic Services, such as laboratory tests. You may be asked to pay your Cost Share for these additional diagnostic Services.
3. **You receive treatment Services during a diagnostic Visit.** For example, you go in for a diagnostic exam, and at check-in you pay your Cost Share for a diagnostic exam. However, during the diagnostic exam your provider confirms a problem with your health and performs treatment Services, such as an outpatient procedure. You may be asked to pay your Cost Share for these additional treatment Services.
4. **You receive non-preventive Services during a no-charge courtesy Visit.** For example, you go in for a blood pressure check or meet and greet Visit and the provider finds a problem with your health and performs diagnostic or treatment Services. You may be asked to pay your Cost Share for these additional diagnostic or treatment Services.

Kaiser Permanente for Individuals and Families/ Kaiser Permanente Child Only Membership Agreement and Evidence of Coverage

5. **You receive Services from a second provider during your Visit.** For example, you go in for a diagnostic exam, and at check-in you pay your Cost Share for a diagnostic exam. However, during the diagnostic exam your provider requests a consultation with a specialist. You may be asked to pay your Cost Share for the consultation with the specialist.

Note: If your plan is subject to a Deductible, any required Deductible amount must be met by the Member prior to our payment of non-preventive or diagnostic Services.

2. Any Cost Sharing payments made with respect to the item or Service will be counted toward any applicable Deductible and Out-of-Pocket Maximum.

Emergency Services

Coverage is provided anywhere in the world without Prior Authorization for Emergency Services should you experience an Emergency Medical Condition.

If you think you are experiencing an Emergency Medical Condition as defined in the section *Important Terms You Should Know*, then you should call 911, where available, immediately. If you are not sure whether you are experiencing an Emergency Medical Condition, please contact us at the number listed on the reverse side of your Kaiser Permanente identification card for immediate medical advice. Any emergency department/room Visit that is not attributed to an Emergency Medical Condition, as defined in the section *Important Terms You Should Know*, will not be authorized by the Health Plan, and you will be responsible for all charges. In situations where the Health Plan authorizes, directs or refers the Member to the emergency room for a condition that is later determined not to meet the definition of an Emergency Medical Condition, the Health Plan would become responsible for charges.

In situations when the Health Plan authorizes, refers or otherwise allows a Member access to a Hospital emergency facility or other Urgent Care facility for a medical condition that requires emergency surgery, the Health Plan will reimburse the physician, oral surgeon, periodontist or podiatrist who performed the surgical procedure for any follow-up care that is:

Kaiser Permanente for Individuals and Families/ Kaiser Permanente Child Only Membership Agreement and Evidence of Coverage

3. Provided in consultation with the Member's Primary Care Plan Physician.

The Health Plan will not impose any Copayment or other Cost-Sharing requirement for follow-up care that exceeds that which a Member would be required to pay had the follow-up care been rendered in-network, using members of the Health Plan's provider panel.

Post-Stabilization Care

Post-Stabilization Care is Medically Necessary Services related to your Emergency Medical Condition that you receive in a hospital, including the Emergency Department, after your treating physician determines that your Emergency Medical Condition is Stabilized. Post-Stabilization Care also includes durable medical equipment covered under this EOC, if it is Medically Necessary after your discharge from a hospital and related to the same Emergency Medical Condition. For more information about durable medical equipment covered under this EOC, see the *Durable Medical Equipment* provision of this *Benefits, Exclusions and Limitations* section and the *Summary of Cost Shares* appendix.

When you receive Emergency Services in Maryland, and federal law does not require that we consider the Post-Stabilization Care as Emergency Services, we cover Post-Stabilization Care only if we provide Prior Authorization for the Post-Stabilization Care. Therefore, it is very important that you, your provider, including your non-Plan Provider, or someone else acting on your behalf, call us to notify us that you need Post-Stabilization Care and to get Prior Authorization from us before you receive the Post-Stabilization Care.

To request Prior Authorization, you, your provider, including your non-Plan Provider, or someone else acting on your behalf, must call 1-800-225-8883 or the notification telephone number on the reverse side of your ID card before you receive the care. We will discuss your condition with the non-Plan Provider. If we determine that you require Post-Stabilization Care, we will authorize your care from the non-Plan Provider or arrange to have a Plan Provider, or other designated provider, provide the care. If we decide to have a Plan Hospital, Plan Skilled Nursing Facility, or designated non-Plan Provider provide your care, we may authorize special transportation Services that are non-Plan Providers. If you receive care from a non-Plan Provider that we have not authorized, you may have to pay the full cost of that care.

When you receive Emergency Services from non-Plan Providers, Post-Stabilization Care may qualify as Emergency Services pursuant to federal law. We will not require Prior Authorization for such Post-Stabilization Care at a non-Plan Hospital when your attending non-Plan Provider determines that, after you receive Emergency Services (screening and Stabilization), you are not able to travel using non-medical transportation or non-emergency medical transportation to an available Plan Provider located within a reasonable travel distance taking into account your medical condition.

Non-Plan Providers may provide notice and seek your consent to provide Post-Stabilization Care Services or other covered Services. Such Services will not be covered when you do not obtain Prior Authorization as described herein. If you, or your Authorized Representative, consent to the furnishing of Services by non-Plan Providers, then you will be responsible for paying for such Services in the absence of any Prior Authorization. The cost of such Services will not accumulate to your Deductible, if any, or your Out-of-Pocket Maximum costs.

Exclusions

This provision provides information on what Services the Health Plan will not pay for regardless of whether or not the Service is Medically Necessary.

These exclusions apply to all Services that would otherwise be covered under this Agreement. Benefit-specific exclusions that apply only to a particular Service are noted in the *List of Benefits* in this section. When a Service is not covered, all Services, drugs, or supplies related to the non-covered service are excluded from coverage, except Services we would otherwise cover to treat serious complications of the non-covered Service.

For example, if you have a non-covered cosmetic surgery, we would not cover Services you receive in preparation for the surgery or for follow-up care. If you later suffer a life-threatening complication, such as a serious infection, this exclusion would not apply and we would cover any Services that we would otherwise cover to treat that complication.

The following Services are excluded from coverage:

1. Services that are not Medically Necessary.
2. Services performed or prescribed under the direction of a person who is not a Health Care Practitioner.
3. Services that are beyond the scope of practice of the Health Care Practitioner performing the Service.
4. Other Services to the extent they are covered by any government unit, except for veterans in Veterans Administration or armed forces facilities for Services received for which the recipient is liable.
5. Services for which a Member is not legally, or as a customary practice, required to pay in the absence of a health benefit plan.
6. Except for the pediatric vision benefit in the *List of Benefits* in this section – the purchase, examination, or fitting of eye glasses or contact lenses, except for aphakic patients and soft or rigid gas permeable lenses or sclera shells intended for the use in the treatment of a disease or injury.
7. Personal care services and domiciliary care services.
8. Services rendered by a Health Care Practitioner who is a Member's spouse, mother, father, daughter, son, brother or sister.
9. Experimental Services. This exclusion does not apply to Services covered under the clinical trials benefit in the *List of Benefits* in this section.
10. Practitioner, Hospital or clinical Services related to radial keratotomy, myopic keratomileusis and surgery which involves corneal tissue for the purpose of altering, modifying or correcting myopia, hyperopia or stigmatic error.
11. Medical or surgical treatment for reducing or controlling weight, unless otherwise specified in the *List of Benefits* in this section.
12. Services incurred before the effective date of coverage for a Member.
13. Services incurred after a Member's termination of coverage, except as provided under *Extension of Benefits* in *Section 6: Change of Residence, Plan Renewal and Termination, and Transfer of Plan Membership*.

 - a. The operation or treatment for the fitting or wearing of dentures;
 - b. Orthodontic care or malocclusion;

38. Services for, or related to, the removal of an organ from a Member for the purposes of transplantation into another person unless the:
 - a. Transplant recipient is covered under the Health Plan and is undergoing a covered transplant; and
 - b. Services are not payable by another carrier.
39. Physical examinations required for obtaining or continuing employment, insurance or government licensing.

Limitations

We will make our best efforts to provide or arrange for your Health Care Services in the event of unusual circumstances that delay or render impractical the provision of Services under this Agreement, for reasons such as:

1. A major disaster;
2. An epidemic;
3. War;
4. Riot;
5. Civil insurrection;
6. Disability of a large share of personnel of a Plan Hospital or Plan Medical Center; and/or
7. Complete or partial destruction of facilities.

In the event that we are unable to provide the Services covered under this Agreement, the Health Plan, Kaiser Foundation Hospitals, Medical Group and Kaiser Permanente's Medical Group Plan Physicians shall only be liable for reimbursement of the expenses necessarily incurred by a Member in procuring the Services through other providers, to the extent prescribed by the Commissioner of Insurance.

For personal reasons, some Members may refuse to accept Services recommended by their Plan Physician for a particular condition. If you refuse to accept Services recommended by your Plan Physician, he or she will advise you if there is no other professionally acceptable alternative. You may get a second opinion from another Plan Physician, as described under ***Getting a Second Opinion*** in ***Section 2: How to Get the Care You Need***. If you still refuse to accept the recommended Services, the Health Plan and Plan Providers have no further responsibility to provide or cover any alternative treatment you may request for that condition.

SECTION 4: Subrogation, Reductions and Coordination of Benefits

There may be occasions when we will seek reimbursement of the Health Plan's costs of providing care to you, or your benefits are reduced as the result of the existence of other types of health benefit coverage. This section provides information on these types of situations, and what to do when you encounter them.

Subrogation and Reductions, Explained

Subrogation Overview

There may be occasions when we require reimbursement of the Health Plan's costs of providing care to you. This occurs when there is a responsible party for an illness you acquire or injury you receive. This process is called subrogation. For example, if you were involved in a slip-and-fall incident at a store because of a spill, and the store was found liable for associated injuries you receive, they may become responsible for payment of the costs of your care for those associated injuries. For more information, see *When Illness or Injury is Caused by a Third Party* in this section.

Reductions Overview

There may be occasions when your benefits are reduced as the result of the existence of other types of health benefit coverage available to you. For example, if there is duplicative coverage for your dependent under a primary health benefit plan purchased by your spouse, the costs of care may be divided between the available health benefit plans. For more information, see the *Reductions Under Medicare and TRICARE Benefits* and *Coordination of Benefits* provisions in this section.

The above scenarios are a couple of examples of when:

1. We may assert the right to recover the costs of benefits provided to you; or
2. A reduction in benefits may occur.

The remainder of this section will provide you with information on what to do when you encounter these situations.

When Illness or Injury is Caused by a Third Party

If the Health Plan provides coverage under this Agreement when another party is alleged to be responsible to pay for treatment you receive, we have the right to subrogate to recover the costs of related benefits administered to you. To secure our rights, the Health Plan will have a lien on the proceeds of any judgment or settlement you obtain against a third party for covered medical expenses.

The proceeds of any judgment or settlement that the Member or the Health Plan obtains shall first be applied to satisfy the Health Plan's lien, regardless of whether the total amount of recovery is less than the actual losses and damages you incurred. However, you will not have to pay the Health Plan more than what you received from or on behalf of the third party for medical expenses.

Notifying the Health Plan of Claims and/or Legal Action

Within thirty (30) days after submitting or filing a claim or legal action against the third party, you must send written notice of the claim or legal action to us at the following address:

Kaiser Foundation Health Plan of the Mid-Atlantic States, Inc.
Attention: Patient Financial Services
2101 East Jefferson Street, 4 East

Kaiser Permanente for Individuals and Families/ Kaiser Permanente Child Only Membership Agreement and Evidence of Coverage

Rockville, Maryland 20852

When notifying us, please include the third party's liability insurance company name, policy and claim numbers, business address and telephone number and, if known, the name of the handler of the claim.

If you are represented by an attorney in relation to the loss for which you have brought legal action against a third party, please ensure that you provide your attorney's name and contact information, including their business address and telephone number. If you change attorneys during the legal process, you are required to inform the Health Plan of your change in representation.

The Health Plan's Right to Recover Payments

In order for the Health Plan to determine the existence of any rights we may have, and to satisfy those rights, you must complete and send the Health Plan all consents, releases, authorizations, assignments and other documents, including lien forms directing your attorney, the third party and the third party's liability insurer to reimburse the Health Plan directly. You may not take any action that is prejudicial to our rights.

If your estate, parent, guardian or conservator asserts a claim against a third party based on your injury or illness; both your estate, parent/guardian or conservator and any settlement or judgment recovered by the estate, parent/guardian or conservator, shall be subject to the Health Plan's liens and other rights to the same extent as if you had asserted the claim against the third party. The Health Plan may assign its rights to enforce its liens and other rights.

The Health Plan's recovery shall be limited to the extent that the Health Plan provided benefits or made payments for benefits as a result of the occurrence that gave rise to the cause of action.

Except for any benefits that would be payable under either Personal Injury Protection coverage; and/or any capitation agreement the Health Plan has with a participating provider:

1. If you become ill or injured through the fault of a third party and you collect any money from the third party or their insurance company for medical expenses; or
2. When you recover for medical expenses in a cause of action, the Health Plan has the option of becoming subrogated to all claims, causes of action and other rights you may have against a third party or an insurer, government program or other source of coverage for monetary damages, compensation or indemnification on account of the injury or illness allegedly caused by the third party:
 - a. The Health Plan will be subrogated for any Service provided by or arranged for as:
 - i. A result of the occurrence that gave rise to the cause of action; or
 - ii. Of the time it mails or delivers a written notice of its intent to exercise this option to you or to your attorney, should you be represented by one, as follows:
 - a) Per the Health Plan's fee schedule for Services provided or arranged by the Medical Group; or
 - b) Any actual expenses that were made for Services provided by participating providers.

When applicable, any amount returned to the Health Plan will be reduced by a pro rata share of the court costs and legal fees incurred by the Member that are applicable to the portion of the settlement returned to the Health Plan.

Medicare

If you are enrolled in Medicare, Medicare law may apply with respect to Services covered by Medicare.

Worker's Compensation Claims

If you have an active worker's compensation claim for injuries sustained while conducting the duties of your occupation, you must send written notice of the claim to us within thirty (30) days at the following address:

Kaiser Foundation Health Plan of the Mid-Atlantic States, Inc.

2101 East Jefferson Street, 4 East
Rockville, Maryland 20852

When notifying us, please include the worker's compensation insurance company or third-party administrator (TPA) name, policy and claim numbers, business address and telephone number and, if known, the name of the handler of the claim.

If you are represented by an attorney in relation to the worker's compensation loss for which you have brought legal action against your employer, please ensure that you provide your attorney's name and contact information, including their business address and telephone number. If you change attorneys during the legal process, you are required to inform the Health Plan of your change in representation.

Health Plan Not Liable for Illness or Injury to Others

Who is eligible for coverage under this Agreement is stated under the Eligibility for a Kaiser Permanente Individuals and Families Plan provision in *Section 1: Introduction to Your Kaiser Permanente Health Plan*. Neither the Health Plan, Plan Hospitals nor the Medical Group provide benefits or health care Services to others due to your liabilities. If you are responsible for illness or injury caused to another person, coverage will not be provided under this Agreement unless they are a covered Dependent.

Failure to Notify the Health Plan of Responsible Parties

It is a requirement under this Agreement to notify the Health Plan of any third party who is responsible for an action that causes illness or injury to you.

Failure to notify the Health Plan of your pursuit of claims against a third party due to their negligence is a violation of this Agreement. If a member dually recovers compensation by obtaining benefits from the Health Plan and compensation for the same loss from a responsible third party, the Health Plan reserves the right to directly pursue reimbursement of its expenses from the Member who received the settlement as compensation.

No Member, nor the legal representative they appoint, may take any action that would prejudice or prevent the Health Plan's right to recover the costs associated with providing care to any Member covered under this Agreement.

Note: This provision does not apply to payments made to a covered person under personal injury protection (see §19-713.1(e) of the Maryland Health General Article.)

Kaiser Permanente for Individuals and Families/ Kaiser Permanente Child Only Membership Agreement and Evidence of Coverage

Pursuit of Payment from Responsible Parties

The Health Plan may use the services of another company to handle the pursuit of subrogation against a responsible third party. When we use these services, the Health Plan may need to release information that does not require Member consent, including, but not limited to, your name, medical record number, the date of loss, policy and claim numbers (including those of the insurance carrier for a third party), attorney information and copies of bills.

In the event that medical records or other protected information that requires your consent to be released is requested from us, we will notify you to obtain your consent.

Reductions Under Medicare and TRICARE Benefits

If you are enrolled in Medicare Part A and/or Part B, your benefits are reduced by any benefits for which you are enrolled and receive under Medicare; except for Members whose Medicare benefits are secondary by law.

TRICARE benefits are secondary by law.

Coordination of Benefits

Coordination of Benefits Overview

Coordination of benefits applies when a Member has health care coverage under more than one (1) health benefit plan. If you or your eligible dependent has coverage under more than one (1) health benefit plan, then you are responsible to inform the Health Plan that the additional coverage exists. When you have other coverage with another health plan or insurance company, we will coordinate benefits with the other coverage.

The Health Plan may need information from you to coordinate your benefits. Any information that we request to help us coordinate your benefits must be provided to us upon request.

Right to Obtain and Release Needed Information

When information is needed to apply these coordination of benefits rules, the Health Plan will decide the information it needs, and may get that information from, or give it to, any other organization or person. The Health Plan does not need to tell anyone, or obtain consent from anyone, to do this.

Primary and Secondary Plan Determination

The health benefit plan that pays first, which is known as the primary plan, is determined by using National Association of Insurance Commissioners Order of Benefits Guidelines. The primary plan provides benefits as it would in the absence of any other coverage.

The plan that pays benefits second, which is known as the secondary plan, coordinates its benefits with the primary plan, and pays the difference between what the primary plan paid, or the value of any benefit or Service provided, but not more than 100 percent of the total Allowable Expenses, and not to exceed the maximum liability of the secondary plan. The secondary plan is never liable for more expenses than it would cover if it had been primary.

Coordination of Benefits Rules

To coordinate your benefits, the Health Plan has rules. The following rules for the Health Plan are modeled after the rules recommended by the National Association of Insurance Commissioners. You will

Kaiser Permanente for Individuals and Families/ Kaiser Permanente Child Only Membership Agreement and Evidence of Coverage

find the rules under *Order of Benefit Determination Rules* in this section.

The *Order of Benefit Determination Rules* will be used to determine which plan is the primary plan. Any other plans will be secondary plan(s). If the Health Plan is the:

1. Primary Plan, it will provide or pay its benefits without considering the other plan(s) benefits.
2. A secondary Plan, the benefits or services provided under this Agreement will be coordinated with the primary plan so the total of benefits paid, or the reasonable cash value of the services provided, between the primary plan and the secondary plan(s) do not exceed 100 percent of the total Allowable Expense.

Members with a High Deductible Health Plan with a Health Savings Account option: If you have other health care coverage in addition to a High Deductible Health Plan with a Health Savings Account option (as described in *Section 1: Introduction to Your Kaiser Permanente Health Plan* under the *Health Savings Account-Qualified Plans* provision), then you may not be eligible to establish or contribute to a Health Savings Account Kaiser Permanente does not provide tax advice. Ask your financial or tax advisor about your eligibility.

Assistance with Questions about the Coordination of Your Benefits

If you have any questions about coordination of your benefits, please contact Member Services Monday through Friday between 7:30 a.m. and 9 p.m. at 1-800-777-7902 or 711 (TTY).

Order of Benefit Determination Rules

The following rules determine the order in which benefits are paid by primary and secondary health benefit plans.

1. If another plan does not have a Coordination of Benefits provision, that plan is the primary plan.
2. If another plan has a Coordination of Benefits provision, the first of the following rules that apply will determine which plan is the primary plan:

Rules for a Subscriber and Dependents

1. Subject to #2 (immediately below), a plan that covers a person as a Subscriber is primary to a plan that covers the person as a dependent.
2. If the person is a Medicare beneficiary, and, as a result of the provisions of Title XVIII of the Social Security Act and implementing regulations, Medicare is:
 - a. Secondary to the plan covering the person as a dependent; and
 - b. Primary to the plan covering the person as other than a dependent:
 - i. Then the order of benefits is reversed so that the plan covering the person as an employee, member, subscriber, policyholder or retiree is the secondary plan and the other plan covering the person as a dependent is the primary plan.

Rules for a Dependent Child/Parent

1. **Dependent child with parents who are not separated or divorced:** When the Health Plan and another plan cover the same child as a Dependent of different persons, called “parents,” who are married or are living together, whether or not they have ever been married, then the plan of the parent whose birthday falls earlier in the year is primary to the plan of the parent whose birthday falls later in the year. If both parents have the same birthday, the plan that covered a parent longer

Kaiser Permanente for Individuals and Families/ Kaiser Permanente Child Only Membership Agreement and Evidence of Coverage

is primary. If the aforementioned parental birthday rules do not apply to the rules provided in the other plan, then the rules in the other plan will be used to determine the order of benefits.

2. **Dependent child with separated or divorced parents:** If two (2) or more plans cover a person as a dependent child, and that child's parents are divorced, separated or are not living together, whether or not they have ever been married the following rules apply. If a court decree states that:
 - a. One (1) of the parents is responsible for the dependent child's health care expenses or health care coverage and the plan of that parent has actual knowledge of those terms, that plan is primary. If the parent with responsibility has no health care coverage for the dependent child's health care expenses, but that parent's spouse does, that parent's spouse's plan is the primary plan. This item shall not apply with respect to any plan year during which benefits are paid or provided before the entity has actual knowledge of the court decree provision; or
 - b. Both parents are responsible for the dependent child's health care expenses or health care coverage, the provisions of Subparagraph #1 of this provision: ***Dependent Child with Parents Who Are Not Separated or Divorced***, shall determine the order of benefits; or
 - c. If a court decree states that the parents have joint custody without specifying that one parent has responsibility for the health care expenses or health care coverage of the dependent child, the provisions of Subparagraph #1 of this provision: ***Dependent Child with Parents Who Are Not Separated or Divorced***, shall determine the order of benefits; or
 - i. If there is no court decree allocating responsibility for the child's health care expenses or health care coverage, the order of benefits for the child are as follows:
 - a) The plan covering the custodial parent;
 - b) The plan covering the custodial parent's spouse;
 - c) The plan covering the non-custodial parent; and then
 - d) The plan covering the non-custodial parent's spouse.

Dependent Child Covered Under the Plans of Non-Parent(s)

1. For a dependent child covered under more than one (1) plan of individuals who are not the parents of the child, the order of benefits shall be determined, as applicable, under the dependent child provisions above, as if those individuals were parents of the child.

Dependent Child Who Has Their Own Coverage

1. For a dependent child who has coverage under either or both parents' plans and also has his or her own coverage as a dependent under a spouse's plan, the rule in this provision for ***Longer or Shorter Length of Coverage*** applies.
2. In the event the dependent child's coverage under the spouse's plan began on the same date as the dependent child's coverage under either or both parents' plans, the order of benefits shall be determined by applying the birthday rule in this provision under the ***Dependent Child with Parents Who Are Not Separated or Divorced***.

Active/Inactive Employee Coverage

1. A plan that covers a person as an employee who is neither laid off nor retired (or that employee's dependent) is primary to a plan that covers that person as a laid off or retired employee (or a laid off or retired employee's dependent).

Kaiser Permanente for Individuals and Families/ Kaiser Permanente Child Only Membership Agreement and Evidence of Coverage

2. If the other plan does not have this rule, and if, as a result, the plans do not agree on the order of benefits, this rule is ignored.
3. This rule does not apply if the rule above in items #1 and #2 under the provision ***Rules for a Subscriber and Dependents*** can determine the order of benefits.

COBRA or State Continuation Coverage

1. If a person whose coverage is provided pursuant to COBRA or under a right of continuation pursuant to state or other federal law is covered under another plan, the plan covering the person as an employee, member, subscriber or retiree, or that covers the person as a dependent of an employee, member, subscriber or retiree, is the primary plan and the Plan covering that same person pursuant to COBRA or under a right of continuation pursuant to state or other federal law is the secondary plan.
2. If the other plan does not have this rule, and if, as a result, the plans do not agree on the order of benefits, this rule is ignored.
3. This rule does not apply if the rule above in items #1 and #2 under the provision ***Rules for a Subscriber and Dependents*** can determine the order of benefits.

Longer/Shorter Length of Coverage

1. If none of the above rules determines the order of benefits, then the plan that has covered a Subscriber longer time is primary to the plan that has covered the Subscriber for a shorter time.

Effect of Coordination of Benefits on the Benefits of this Plan

When the Health Plan is the primary Plan, coordination of benefits has no effect on the benefits or services provided under this Agreement. When the Health Plan is a secondary Plan to one or more other plans, its benefits may be coordinated with the primary plan carrier using the guidelines below. This ***Coordination of Benefits*** provision shall in no way restrict or impede the rendering of services provided by the Health Plan. At the request of the Member or Parent/Guardian, when applicable, the Health Plan will provide or arrange for covered services and then seek coordination with a primary plan.

Coordination with the Health Plan's Benefits

The Health Plan may coordinate benefits payable or recover the reasonable cash value of Services it has provided, when the sum of the benefits that would be payable for:

1. Or the reasonable cash value of, the Services provided as Allowable Expenses by the Health Plan in the absence of this ***Coordination of Benefits*** provision; and
2. Allowable Expenses under one (1) or more of the other primary plans covering the Member, in the absence of provisions with a purpose like that of this ***Coordination of Benefits*** provision, whether or not a claim thereon is made; exceeds Allowable Expenses in a Claim Determination Period.

In that case, the Health Plan benefits will be coordinated, or the reasonable cash value of any services provided by the Health Plan may be recovered from the primary plan, so that the Health Plan benefits and the benefits payable under the other Plans do not total more than the Allowable Expenses.

Facility of Payment

If a payment is made or Service provided under another Plan, and it includes an amount that should have been paid for or provided by us, then we may pay that amount to the organization that made that payment.

Kaiser Permanente for Individuals and Families/ Kaiser Permanente Child Only Membership Agreement and Evidence of Coverage

The amount paid will be treated as if it was a benefit paid by the Health Plan.

Right of Recovery of Payments Made Under Coordination of Benefits

If the amount of payment by the Health Plan is more than it should have been under this *Coordination of Benefits* provision, or if we provided services that should have been paid by the primary plan, then we may recover the excess or the reasonable cash value of the services, as applicable, from the person who received payment or for whom payment was made, or from an insurance company or other organization.

Military Service

For any Services for conditions arising from military service that the law requires the Department of Veterans Affairs to provide, we will not pay the Department of Veterans Affairs. When we cover any such Services, we may recover the value of the Services from the Department of Veterans Affairs.

Members with a High Deductible Health Plan with a Health Savings Account option who receive health benefits from the Department of Veterans Affairs: If a Member has actually received health benefits from the Department of Veterans Affairs within the past three (3) months, they will not be eligible to establish or contribute to a Health Savings Account, even when they are enrolled in a High Deductible Health Plan. Kaiser Permanente does not provide tax advice. Ask your financial or tax advisor about your eligibility.

Maryland Insurance Commissioner

You or your Authorized Representative must exhaust our internal Appeal or Grievance process as described in this section prior to filing a Complaint with the Insurance Commissioner except when:

1. You or your Authorized Representative provides sufficient information and documentation in the Complaint that supports a compelling reason to not exhaust our internal process for resolving Grievances (protests regarding Adverse Decisions), such as, when a delay in receiving the

Service could result in loss of life, serious impairment to a bodily function, or serious dysfunction to a bodily organ or part, or the Member remaining seriously mentally ill or using intoxicating substances with symptoms that cause the Member to be a danger to him/herself or others, or the Member continuing to experience severe withdrawal symptoms. A Member is considered to be in danger to self or others if the Member is unable to function in activities of daily living or care for self without imminent dangerous consequences;

2. We failed to make a Grievance Decision for a pre-service Grievance within thirty (30) working days after the Filing Date, or the earlier of forty-five (45) working days or sixty (60) calendar days after the Filing Date for a post-service Grievance;
3. We or our representative failed to make a Grievance Decision for an expedited Grievance for an Emergency Case within twenty-four (24) hours after you or your Authorized Representative filed the Grievance;
4. We have waived the requirement that our internal Grievance process must be exhausted before filing a Complaint with the Commissioner; or
5. We have failed to comply with any of the requirements of our internal Grievance process.

In a case involving a retrospective denial, there is no compelling reason to allow you or your Authorized Representative to file a complaint without first exhausting our internal grievance process.

Our Internal Grievance Process

This process applies to a utilization review determination made by us that a proposed or delivered Health Care Service is or was not Medically Necessary, appropriate, or efficient, thereby, resulting in non-coverage of the Health Care Service.

Initiating a Grievance

You or your Authorized Representative may initiate a Grievance by contacting Member Services Monday through Friday between 7:30 a.m. and 9 p.m. at 1-800-777-7902 or 711 (TTY) or by submitting a written request, including all supporting documentation that relates to the Grievance, to:

Nine Piedmont
3495 Piedmont Rd NE

Kaiser Permanente for Individuals and Families/ Kaiser Permanente Child Only Membership Agreement and Evidence of Coverage

Atlanta, GA 30305

Fax: 1-404-949-5001

A Grievance must be filed within one-hundred eighty (180) calendar days from the date of receipt of the Adverse Decision notice. If the Grievance is filed after one-hundred eighty (180) calendar days, we will send a letter denying any further review due to lack of timely filing.

If we need additional information to complete our internal Grievance process within five (5) working days after you or your Authorized Representative file a Grievance, we will notify you or your Authorized Representative that we cannot proceed with review of the Grievance unless we receive the additional information. If you require assistance, we will assist you to gather necessary additional information without further delay.

Grievance Acknowledgment

We will acknowledge receipt of your Grievance within five (5) working days of the Filing Date of the written Grievance notice. The Filing Date is the earliest of five (5) calendar days after the date of the mailing postmark or the date your written Grievance was received by us.

Pre-service Grievance

If you have a Grievance about a Health Care Service that has not yet been rendered, an acknowledgment letter will be sent requesting any additional information that may be necessary within five (5) working days after the Filing Date. We will also inform you or your Authorized Representative that a decision regarding the Grievance will be made and provided in writing. Such written notice will be sent within thirty (30) working days of the Filing Date of the Grievance or within five (5) working of the decision whichever comes first.

Post-service Grievance

If the Grievance requests payment for Health Care Services already rendered to you, a retrospective acknowledgment letter will be sent requesting additional information that may be necessary within five (5) working days after the Filing Date. We will also inform you or your Authorized Representative that a decision regarding the Grievance will be made and provided in writing. Such written notice will be sent within the earlier of forty-five (45) working days or sixty (60) calendar days of the Filing Date of the Grievance or within five (5) working of the decision whichever comes first.

For both pre-service and post-service Grievances, we will send you or your Authorized Representative a letter requesting an extension if we anticipate that there will be a delay in our concluding the Grievance within the designated period. The requested extension period shall not exceed more than thirty (30) working days. If you or your Authorized Representative do not agree to the extension, then the Grievance will be completed in the originally designated time frame. Any agreement to extend the period for a Grievance Decision will be documented in writing.

If the pre-service or post-service Grievance is approved, a letter will be sent to you or your Authorized Representative confirming the approval. If the Grievance was filed by your Authorized Representative, then a letter confirming the Grievance Decision will also be sent to you.

In the case of an agreed upon extension, we will communicate our decision to you or your Authorized Representative and provide written notice of the decision by no later than the end of the extension period

Kaiser Permanente for Individuals and Families/ Kaiser Permanente Child Only Membership Agreement and Evidence of Coverage

or within five (5) working days from the date of the decision, whichever comes first.

Grievance Decision Time Periods and Complaints to the Commissioner

For pre-service Grievances, if you or your Authorized Representative does not receive a Grievance Decision from us on or before the later of the:

1. 30th working day from the date the Grievance was filed; or
2. End of an extension period to which was agreed, then:
 - a. You or your Authorized Representative may file a Complaint with the Commissioner without waiting to hear from us.

For post-service Grievances, if you or your Authorized Representative does not receive a post-service Grievance Decision from us on or before the later of the:

1. 45th working day from the date the Grievance was filed; or
2. End of an extension period that to which was agreed, then:
 - a. You or your Authorized Representative may file a Complaint with the Commissioner without waiting to hear from us.

Note: In cases in which a complaint is filed with the Commissioner, you or your Authorized Representative must authorize the release of medical records to the Commissioner to assist with reaching a decision in the complaint.

Expedited Grievances for Emergency Cases

You or your Authorized Representative may seek an expedited review in the event of an Emergency Case as that term is defined for this section. An expedited review of an Emergency Case may be initiated by calling 1-404-364-4862 or TTY/TDD 1-800-255-0056.

Once an expedited review is initiated, a clinical review will determine whether you have a medical condition that meets the definition of an Emergency Case. A request for expedited review must contain a telephone number where we may reach you or your Authorized Representative to communicate information regarding our review. In the event that additional information is necessary for us to make a determination regarding the expedited review, we will notify you or your Authorized Representative by telephone to inform him/her that consideration of the expedited review may not proceed unless certain additional information is provided to us. Upon request, we will assist in gathering such information so that a determination may be made within the prescribed timeframes.

If the clinical review determines that you do not have the requisite medical condition, the request will be managed as a non-expedited Grievance pursuant to the procedure outlined above. If we determine that an Emergency Case does not exist, we will verbally notify you or your Authorized Representative within twenty-four (24) hours, and provide notice of the right to file a Complaint with the Commissioner.

If we determine that an Emergency Case does exist, then the expedited review request will be reviewed by a physician who is board certified or eligible in the same specialty as the treatment under review and who is neither the individual nor a subordinate of the individual who made the initial decision. If additional information is needed to proceed with the review, we will contact you or your Authorized Representative by telephone.

Within twenty-four (24) hours of the Filing Date of the expedited review request, we will verbally notify

Kaiser Permanente for Individuals and Families/ Kaiser Permanente Child Only Membership Agreement and Evidence of Coverage

you or your Authorized Representative of our decision. We will send written notification within one (1) calendar day following verbal communication of the decision. If approval is granted, then we will assist the Member in arranging the authorized treatment or benefit. If the expedited review results in a denial, we will notify you or your Authorized Representative in writing within one (1) calendar day following verbal communication of the decision.

If we fail to make a decision within the stated timeframes for an expedited review, you or your Authorized Representative may file a Complaint with the Commissioner without waiting to hear from us.

Note: The Health Plan must provide notice of an Adverse Decision in a non-English language if certain thresholds are met for the number of people who are literate in the same non-English language. A threshold language applies to a county if at least 10 percent of the population is literate only in the same foreign language that is identified as a federally mandated non-English language. If we send you a notice of an Appeal decision to an address in a county where a federally mandated threshold language applies, then you or your Authorized Representative may request translation of that notice into the applicable threshold language. You or your Authorized Representative may request translation of the notice by contacting Member Services Monday through Friday between 7:30 a.m. and 9 p.m. at 1-800-777-7902 or 711 (TTY).

Our Internal Appeal Process

This process applies to our Coverage Decisions. The Health Plan's internal Appeal process must be exhausted prior to filing a Complaint with the Commissioner, except if our Coverage Decision involves an Urgent Medical Condition. For Urgent Medical Conditions, a complaint may be filed with the Commissioner without first exhausting our internal Appeal process for pre-service decisions only, meaning that services have not yet been rendered.

Initiating an Appeal

These internal Appeal procedures are designed by the Health Plan to assure that concerns are fairly and properly heard and resolved. These procedures apply to a request for reconsideration of a Coverage Decision rendered by the Health Plan, in regard to any aspect of the Health Plan's Health Care Service. You or your Authorized Representative must file an Appeal within one-hundred eighty (180) calendar days from the date of receipt of the Coverage Decision. The Appeal should be sent to us at the following address:

Kaiser Foundation Health Plan of Georgia, Inc.
Attention: Appeals Coordinator
Nine Piedmont Center
3495 Piedmont Rd, NE
Atlanta, GA 30305-1736
Fax: 1-404-364-4743

You or your Authorized Representative may also initiate an Appeal by contacting Member Services Monday through Friday between 7:30 a.m. and 9 p.m. at 1-800-777-7902 or 711 (TTY). Member Services Representatives are also available to describe to you or your Authorized Representative how Appeals are processed and resolved.

You or your Authorized Representative, as applicable, may review the Health Plan's Appeal file and provide evidence and testimony to support the Appeal request.

Along with an Appeal, you or your Authorized Representative may also send additional information including comments, documents or additional medical records that are believed to support the claim. If the Health Plan requested additional information before and you or your Authorized Representative did not provide it, the additional information may still be submitted with the Appeal. Additionally, testimony may be given in writing or by telephone. Written testimony may be sent with the Appeal to the address listed above. To arrange to provide testimony by telephone, contact Member Services Monday through

Kaiser Permanente for Individuals and Families/ Kaiser Permanente Child Only Membership Agreement and Evidence of Coverage

Friday between 7:30 a.m. and 9 p.m. at 1-800-777-7902 or 711 (TTY). The Health Plan will add all additional information to the claim file and will review all new information regardless of whether this information was submitted and/or considered while making the initial decision.

Prior to rendering its final decision, the Health Plan will provide you or your Authorized Representative with any new or additional evidence considered, relied upon or generated by (or at the direction of) the Health Plan in connection with the Appeal, at no charge. If during the Health Plan's review of the Appeal, we determine that an adverse Coverage Decision can be made based on a new or additional rationale, then we will provide you or your Authorized Representative with this new information prior to issuing our final coverage decision and will explain how you or your Authorized Representative can respond to the information, if desired. The additional information will be provided to you or your Authorized Representative as soon as possible, and sufficiently before the deadline to provide a reasonable opportunity to respond to the new information.

After the Health Plan receives the Appeal, we will respond to you or your Authorized Representative in writing within:

1. Thirty (30) working days for a pre-service claim; or
2. Sixty (60) working days for a post-service claim.

If the Health Plan's review results in a denial, it will notify you or your Authorized Representative in writing within three (3) working days after the Appeal Decision has been verbally communicated. This notification will include:

1. The specific factual basis for the decision in clear and understandable language;
2. Reference to the specific plan provision on which determination was based. Additionally, you or your Authorized Representative has the right to request any diagnostic and treatment codes and their meanings that may be the subject of the associated claim;

5. A statement the Health Education and Advocacy Unit is available to assist you or your Authorized Representative with filing a complaint about the Health Plan with the Commissioner; and
6. The Health Education and Advocacy Unit's address, telephone and facsimile numbers and email address.

SECTION 6: Change of Residence, Plan Renewal and Termination, and Transfer of Plan Membership

This section explains what to do when your location of residence changes and provides you with information on Plan renewal and termination, and transfer of Plan membership.

Change of Residence

You are responsible to inform us if you move outside of the Health Plan's Service Area, which is defined in the section *Important Terms You Should Know*.

For Members who enrolled for coverage directly through the Health Plan: If you move to another Kaiser Foundation Health Plan region, you must promptly apply to a Health Plan Office in that region to transfer your membership. Identical coverage may not be available in the new region. If you are no longer eligible for coverage in either the region you are moving from or the new region in which you have moved, the Health Plan will provide you with at least ninety (90) days' notice of the termination of your coverage.

For Members who enrolled for coverage through the Exchange: If you move outside of the Exchange service area, you are no longer eligible for coverage through the Exchange. The Health Plan will provide you with at least ninety (90) days' notice of the termination of your coverage.

Depending on the type of Plan in which you are enrolled, you may be able to obtain benefits while temporarily visiting another Health Plan region. For more information, see the provisions *Visiting Other Kaiser Foundation Health Plan or Allied Plan Service Areas* and *Payment Toward Your Cost Share and When You May Be Billed* in *Section 2: How to Get the Care You Need*.

However, you have no right to benefits, except for Emergency Services and out-of-area Urgent Care Services as defined in *Section 3: Benefits, Exclusions and Limitations*, in the new region after residing there for more than ninety (90) days, unless you:

1. Have enrolled as a Member in the new region; or
2. Demonstrate, by prior application to the Health Plan, that your stay in the new region for a period longer than ninety (90) days is temporary, and the Health Plan approves a continuation of the prolonged temporary status in writing. Before your coverage is terminated, the Health Plan will provide you with at least ninety (90) days' notification of the termination of your coverage.

Plan Renewal

This Plan is guaranteed renewable on an annual basis, subject to the redetermination of each Member's eligibility by the Health Plan or Exchange, depending on how you enrolled for coverage. Each Member that remains eligible for coverage following redetermination of eligibility shall remain enrolled under this Plan, unless the Member's coverage is terminated as described below.

Termination of Membership

Except as expressly provided in this section, all rights to Services and other benefits hereunder terminate as of the effective date of termination, except when the *Extension of Benefits* provision in this section applies.

Kaiser Permanente for Individuals and Families/ Kaiser Permanente Child Only Membership Agreement and Evidence of Coverage

If your membership terminates, all rights to benefits end at 11:59 p.m. Eastern Time on the termination date. The membership of any Dependents will end at the same time that the Subscriber's membership ends. Members will be billed at Allowable Charges for any Services received following membership termination. The Health Plan and Plan Providers have no further responsibility under this Agreement after your membership terminates, except as provided under *Extension of Benefits* in this section.

Termination of Agreement

This Agreement continues in effect from the effective date hereof and from month-to-month thereafter, subject to:

1. **Termination Due to Loss of Eligibility for Catastrophic Plans**

This provision applies only to Members with catastrophic coverage. For catastrophic plans, Subscribers and Dependent(s) will not be terminated from coverage during the current Calendar Year following proper enrollment in catastrophic Plan coverage, and provided that the Subscriber and any Dependent(s) reach age 30 on or after the 1st day of coverage, but before the current Calendar Year expires. Any Member who reaches age 30 before the Calendar Year expires will not be eligible for catastrophic Plan coverage for the next succeeding Calendar Year due to age requirements.

2. **Termination by Members Who Enrolled Through the Exchange**

For Members who enroll through the Exchange: Members who enroll through the Exchange may terminate membership under this Agreement for any reason, including as a result of obtaining other Minimum Essential Coverage, by providing reasonable notice of the termination to the Exchange. The request will be reasonable if it is received at least fourteen (14) days prior to the requested effective date of termination or sooner, if required by applicable law.

The effective date of termination will be:

1. The date requested by the Member if reasonable notice was given to the Exchange, if:
 - a. Less than fourteen (14) days' notice was given, fourteen (14) days after the termination was requested by the Member; or
 - b. The Health Plan is able to effectuate termination in less than fourteen (14) days, and the Member requested an earlier termination date, the date determined by the Health Plan.
2. At the option of the Exchange, the day before coverage under Medicaid or CHIP begins, should the Member be newly eligible for Medicaid or CHIP; or
3. The date of Member's death; or
4. At the option of the Exchange, the date termination is requested by the Member or another prospective date selected by the Member, regardless if fourteen (14) days' notice was given.

Members may retroactively terminate or cancel his or her coverage or enrollment in a Qualified Health Plan in the following circumstances:

1. The Member demonstrates to the Exchange that he or she attempted to terminate his or her coverage or enrollment in a Qualified Health Plan and experienced a technical error that did not allow the Member to terminate his or her coverage or enrollment through the Exchange, and requests retroactive termination within sixty (60) days after he or she discovered the technical error.

Kaiser Permanente for Individuals and Families/ Kaiser Permanente Child Only Membership Agreement and Evidence of Coverage

In the case of retroactive termination described in #1 above, the termination date will be no sooner than fourteen (14) days after the date that the Member can demonstrate he or she contacted the Exchange to terminate his or her coverage or enrollment through the Exchange, unless Health Plan agrees to an earlier effective date.

2. The Member demonstrates to the Exchange that his or her enrollment in a Qualified Health Plan through the Exchange was unintentional, inadvertent or erroneous and was the result of the error or misconduct of an officer, employee, or agent of the Exchange or U.S. Department of Health and Human Services, its instrumentalities, or a non-Exchange entity providing enrollment assistance or conducting enrollment activities. Such Member must request cancellation within sixty (60) days of discovering the unintentional, inadvertent or erroneous enrollment.
3. The Member demonstrates to the Exchange that he or she was enrolled in a Qualified Health Plan without his or her knowledge or consent by any third party, including third parties who have no connection with the Exchange, and requests cancellation within sixty (60) days of discovering the enrollment.

In the case of the retroactive termination, as described immediately above in #2 or #3, the cancellation date or termination date will be the original coverage effective date or a later date, as determined appropriate by the Exchange, based on the circumstances of the cancellation or termination.

Termination by the Exchange and the Health Plan

For Members who enroll through the Exchange: The Exchange may initiate termination of coverage in a Qualified Health Plan through the Exchange, and the Health Plan may terminate coverage and enrollment with the Health Plan and in such Qualified Health Plan:

1. When you are no longer eligible for coverage through the Exchange;
2. For non-payment of Premium, and the:
 - a. Three (3)-month grace period required for Members receiving advance payments of the Advance Premium Tax Credit has been exhausted as described in 45 CFR 156.270(g); or
 - b. Thirty-one (31) day grace period described under ***Termination Due to Nonpayment of Premium*** (in this provision) has been exhausted;
3. When you perform an act, practice or omission that constitutes fraud or makes an intentional misrepresentation of material fact. If required by the Exchange, the Health Plan must demonstrate, to the reasonable satisfaction of the Exchange, that termination is appropriate;
4. When the Qualified Health Plan terminates or is decertified;
5. When you change from one Qualified Health Plan to another during an annual open enrollment period or a special enrollment period as described in ***Section 1: Introduction to Your Kaiser Permanente Health Plan***; or
6. When you were enrolled in the Qualified Health Plan without your knowledge or consent by a third party, including by a third party with no connection with the Exchange.

Kaiser Permanente for Individuals and Families/ Kaiser Permanente Child Only Membership Agreement and Evidence of Coverage

The Health Plan will provide notice of the termination of your coverage, including the effective date of and reason for the termination, promptly and without undue delay, except as stated otherwise in this section.

In the case of the Member being enrolled in the Qualified Health Plan without his or her knowledge or consent by a third party, including a third party with no connection with the Exchange, the Exchange may cancel your enrollment upon its determination that the enrollment was performed without your knowledge or consent and following reasonable notice to you (where possible). The termination date will be the original coverage effective date.

In the event that:

1. You are no longer eligible for coverage through the Exchange as stated in item #1, above; or
2. The Qualified Health Plan terminates or is decertified as stated in item #4, above:
 - a. The Health Plan will continue coverage for you and your Dependents in the same health benefit plan outside of the Exchange, but without the availability of Advance Premium Tax Credit or cost-sharing reductions, meaning that you will be fully liable for all applicable Premium, Deductibles, Copayments and Coinsurance for such coverage, whereupon the terms and conditions of the Membership Agreement applicable to such coverage shall apply.

Termination Due to Loss of Eligibility

For Members who enroll through the Exchange: If you are no longer eligible for coverage through the Exchange, you will be terminated on the last day of the month following the month in which notice of ineligibility was sent to you by the Exchange, unless you request an earlier termination date.

Termination Due to Nonpayment of Premium for Members Who Receive Advance Premium Tax Credit

For Members who receive APTC: We will provide a grace period of three (3) months for a Member, who when failing to timely pay Premium, is receiving advance payments of the premium tax credit.

We will send written notice stating when the grace period begins. We will pay claims for benefits you receive during the 1st month of the grace period. For the second (2nd) and third (3rd) months of the grace period, we are not required to pay any claims for Services rendered in the second (2nd) and third (3rd) months of the grace period unless we receive all outstanding Premium – including Premium due during the grace period – by the end of the three (3)-month grace period. If we do not receive all outstanding Premium by the end of the three (3)-month grace period, your membership will end at 11:59 p.m. Eastern Time on the last day of the 1st month of the grace period.

If applicable law does not require a three (3)-month grace period, then the grace period will be as it is explained in the *Termination Due to Nonpayment of Premium for All Other Members* provision in this section. Our notice regarding your failure to pay Premium on time will inform you about the grace period (the time frame in which you must pay overdue Premium to avoid termination) and whether or not coverage continues during the grace period.

If we do not receive all outstanding Premium by the end of the thirty-one (31) day grace period, your membership will end at 11:59 p.m. Eastern Time on the last day of the grace period.

Upon the payment of a claim under this Agreement, any Premium then due and unpaid or covered by any note or written order may be deducted from the claim payment.

We will send written notice to the Subscriber or the Dependent at least thirty-one (31) days before the termination date.

We may report fraud committed by any Member to the appropriate authorities for prosecution.

SECTION 7: Other Important Provisions of Your Plan

This section contains additional special provisions that apply to this EOC.

Applications and Statements

Any applications, forms or statements specified in this Agreement, or that we request in our normal course of business, must be completed by you or your Authorized Representative or Financially Responsible Person, if applicable.

Assignment

A Member or Parent/Guardian, if applicable, may assign benefits in writing to a non-Plan Provider from whom the Member receives covered Services. A copy of this written assignment must accompany a claim for payment submitted to us by the non-Plan Provider or you.

The claim for payment is considered proof of having received the service. We request that the claim be submitted to us within one (1) year from the date of service. Late submission of your proof of the service will not reduce the amount of nor invalidate your claim. If it is not reasonably possible to submit the claim within one (1) year, then we will accept it up two (2) years from the date of service. A Member's legal incapacity suspends any time requirements regarding timely submission of a claim. If legal capacity is regained, the suspension of any time requirement for claim submission ends, and the aforementioned requirements will become enforceable under this Agreement.

If a Member receives a payment from us for covered Services rendered by a non-Plan provider that remains unpaid, then the Member or Financially Responsible Person is responsible to pay the non-Plan provider.

Attorney Fees and Expenses

In any dispute between a Member and the Health Plan or Plan Providers, each party will bear its own attorney fees and other expenses.

Contestability

This Agreement may not be contested, except for non-payment of Premium, after it has been in force for two (2) years from the date it was issued.

Absent of fraud, each statement made by a Subscriber or Member is considered a representation; not a warranty. Therefore, a statement made to effectuate coverage may not be used to avoid coverage or reduce benefits under the Agreement unless:

1. The statement is documented in writing and signed by the Subscriber, Member, Parent/Guardian or Financially Responsible Person; and
2. A copy of the statement is provided to the Subscriber, Member, Parent/Guardian or Financially Responsible Person.

In such instances, the General Dentist will issue a standing referral to the Dental Specialist.

The standing referral will be made in accordance with a written treatment plan developed by the General Dentist, Dental Specialist, and you. The treatment plan may limit the number of visits to the Dental Specialist or the period of time in which visits to the Dental Specialist are authorized. The Health Plan retains the right to require the Dental Specialist to provide the General Dentist with ongoing communication regarding your treatment and dental health status.

Extension of Benefits

In those instances when your coverage with the Health Plan has terminated, we will extend Covered Dental Services, without payment of Premiums, in the following instances:

1. If you are in the midst of a course of covered dental treatment at the time your coverage ends, we will continue to provide benefits, in accordance with the Evidence of Coverage and Dental Appendix in effect at the time your coverage ended, for a period of ninety (90) days following the date your coverage ended.
2. If you are in the midst of a course of covered orthodontic treatment at the time your coverage ends, we will continue to provide benefits, in accordance with the Evidence of Coverage and Dental Appendix in effect at the time your coverage ended, for a period of:
 - a. Sixty (60) days following the date your coverage ended, if the orthodontist has agreed to or is receiving monthly payments; or
 - b. Until the later of sixty (60) days following the date your coverage ended, or the end of the quarter in progress, if the orthodontist has agreed to accept or is receiving payments on a quarterly basis.

To assist us, if you believe you qualify under this “Extension of Benefits” provision, please notify us in writing.

Extension of Benefits Limitations

The “Extension of Benefits” section listed above does not apply to the following:

1. When coverage ends because of your failure to pay Premiums;
2. When coverage ends as the result of you committing fraud or material misrepresentation;
3. When coverage is provided by a succeeding health plan and that health plan’s coverage:
 - a. Is provided at a cost to you that is less than or equal to the cost to you of the extended benefit available under this Appendix; and
 - b. Will not result in an interruption of the Covered Dental Services you are receiving.

Dental Emergencies Outside the Service Area

When a dental emergency occurs outside the Service Area, the Dental Administrator will reimburse the non-participating provider directly. If the Member has already paid the charges, the Dental Administrator will reimburse the Member (upon proof of payment) instead of paying the provider directly for Covered Dental Services that may have been provided. Reimbursement to the member is not to exceed \$100 per incident. Services are limited to those procedures not excluded under Plan limitations and exclusions.

Kaiser Permanente for Individuals and Families/ Kaiser Permanente Child Only Membership Agreement and Evidence of Coverage

Proof of payment must be submitted to the Dental Administrator by the provider within one hundred eighty (180) days of treatment. The Dental Administrator will allow Members to submit claims up to one (1) year after the date of service. However, a Member's legal incapacity shall suspend the time to submit a claim, and the suspension period ends when legal capacity is regained. Failure to submit a claim within one (1) year after the date of Services does not invalidate or reduce the amount of the claim if it was not reasonably possible to submit the claim within one (1) year after the date of Services, and the claim is submitted within two (2) years after the date of service.

Proof of payment should be mailed to:

Dominion National
P.O. Box 211424
Eagan, MN 55121

Coverage is provided for emergency dental treatment as may be required to alleviate pain, bleeding, or swelling. You must receive all post-emergency care from your Participating Dental Provider.

Pre-Authorization of Benefits

The Dental Administrator may require the treating dentist to submit a treatment plan prior to initiating Services. The Dental Administrator may request X-rays or other dental records prior to issuing the pre-authorization. The proposed Services will be reviewed, and a pre-authorization will be issued to you or the dentist specifying coverage. The pre-authorization is not a guarantee of coverage and is considered valid for one-hundred eighty (180) days.

Appendix – Summary of Cost Shares

Cost Share is the general term used to refer to your out-of-pocket costs (e.g., Deductible, Coinsurance, and Copayments) for the covered Services you receive. The Cost Shares listed here apply to Services provided to Members enrolled in this Silver Metal plan. In addition to the monthly Premium, you may be required to pay a Cost Share for some Services.

The Cost Share is the Copayment, Deductible and Coinsurance, if any, listed in this Appendix for each Service.†

You are responsible for payment of all Cost Shares. Copayments are due at the time you receive a Service. You will be billed for any Deductible and Coinsurance you owe.

This summary does not describe benefits. For the description of benefits, including exclusions and limitations, please refer to:

1. ***Section 3. Benefits, Exclusions and Limitations***
2. ***Appendix - Outpatient Prescription Drug Benefit***
3. ***Appendix - Pediatric Dental Plan***

†When a non-Participating Provider provides non-Emergency Services, including Ancillary Services, and Services for unforeseen urgent medical needs at a Plan Hospital or a Plan Facility, your Cost Share will be the same Cost Sharing amount for the same Service(s) from a Participating Provider unless the non-Participating Provider has satisfied the notice and consent requirements of §149.420(c) through (i) with respect to those non-Emergency Services, including Ancillary Services, or unforeseen urgent medical needs. Any Cost Sharing requirement for the items and Services will be calculated based on the Recognized Amount. Such Cost Share shall count toward your Deductible, if any, and Out-of-Pocket Maximum. You will not be liable for any additional payment other than your Cost Share for non-Emergency Services, including Ancillary Services, or unforeseen urgent medical needs. We will make payment for the items and Services directly to the non-Participating Provider. The payment amount will be equal to the amount by which the Out-of-Network Rate exceeds the Cost Sharing amount for the items and Services.

For covered Services rendered by a Health Care Provider for which payment is required under §19-710.1 of the Health-General Article, Ancillary Services, and items or Services furnished as a result of unforeseen, urgent medical needs that arise at the time an item or Service is furnished, regardless of whether the non-Participating Provider satisfied the notice and consent criteria, the notice and consent criteria of 45 C.F.R. §149.420 (c) through (i) do not apply to non-Participating Providers. Additionally, when these Services are received by a non-Participating Provider they will always be subject to the conditions described in the above paragraph.

Deductible

The Deductible is the amount of Allowable Charges you must incur during a Calendar Year for certain benefits before the Health Plan will provide benefits for those Services.

For benefits that are subject to a Deductible, you must pay the full charge for the Services when you receive them, until you meet your Deductible. The Deductible applies to all Benefits except Preventive Health Care Services as described in ***Section 3 – Benefits, Exclusions and Limitations*** and Pediatric Dental Services as described in ***Appendix – Pediatric Dental Plan***. The only amounts that count toward your Deductible are the Allowable Charges you incur for Services that are subject to the Deductible, but only if the Service would otherwise be covered. After you meet the Deductible, you pay the applicable Copayment or Coinsurance for these Services.

Kaiser Permanente for Individuals and Families/ Kaiser Permanente Child Only Membership Agreement and Evidence of Coverage

Self-Only Deductible

If you are covered as a Subscriber, and you do not have any Dependents covered under the plan, you must meet the Self-Only Deductible indicated below.

Family Deductible

If you have one or more Dependents covered under this Agreement, either the Self-Only or Family Deductible must be met. No one family member's medical expenses may contribute more than the Self-Only Deductible shown below. After one member of a Family Unit has met the Self-Only Deductible, this Member will start paying Copayments or Coinsurance for the remainder of the Calendar Year. Other family members will continue to pay full charges for Services that are subject to the Deductible until the Family Deductible is met. After two or more members of your Family Unit combined have met the Family Deductible, the Deductible will be met for all members of the Family Unit for the rest of the Calendar Year.

Keep Your Receipts

When you pay an amount toward your Deductible, we will give you a receipt. Keep your receipts. Also, if you have met your Deductible, and we have not received and processed all of your claims, you can use your receipts to prove that you have met your Deductible. You can also obtain a statement of the amounts that have been applied toward your Deductible from our Member Services Department.

Generic and Preferred Drug Requirements

Generic vs. Brand Name Drugs

We cover Generic and Brand Name Drugs, including those for Specialty Drugs and biological drugs. Plan Pharmacies and mail order pharmacies will substitute a generic equivalent for a Brand Name Drug when a generic equivalent is listed as a Preferred Drug unless one of the following is met:

1. The Provider has prescribed a Brand Name Drug and has indicated "dispense as written," also sometimes referred to as "(DAW)" on the prescription;
2. The Brand Name Drug is listed on our Formulary as a Preferred Drug;
3. The Brand Name Drug is prescribed by a:
 - a. Plan Physician;
 - b. Non-Plan Physician to whom you have an approved referral;
 - c. Non-Plan Physician consulted due to an emergency or for out-of-area urgent care; or

Kaiser Permanente for Individuals and Families/ Kaiser Permanente Child Only Membership Agreement and Evidence of Coverage

- d. Dentist; and
 - i. There is no equivalent Generic Drug or device; or
 - ii. An equivalent Generic Drug or device has:
 - a. Been ineffective in treating the disease or condition of the Member; or
 - b. Caused or is likely to cause an adverse reaction or other harm to the Member.
4. For a contraceptive prescription drug or device, the prescription drug or device that is not on the Formulary is Medically Necessary for the Member to adhere to the appropriate use of the prescription drug or device.

If a Member requests a Brand Name Drug, not on the Formulary, for which there is a generic equivalent and items #3(d)(ii)(a) and #3(d)(ii)(b) have not been met, the Member will be responsible for the full Allowable Charge for the Brand Name Drug.

If the above conditions in items #3(d)(ii)(a) and #3(d)(ii)(b) are met and a Brand Name Drug or device is moved to a higher Cost Share, we will continue the same Cost Share received when that Brand Name Drug or device was available on a lower tier.

We will provide coverage for prescription drugs or devices not on the Formulary or if a prescription drug or device is removed from the Formulary. If a prescription drug or device on the Formulary is moved to a higher tier resulting in a higher Cost Share or a prescription drug or device is removed from the Formulary resulting in a higher cost share, we will continue the same Cost Share received when the prescription drug or device was available on a lower tier, if certain criteria are met. We will provide coverage for the prescription drug or device if in the judgement of the prescriber:

1. There is no equivalent prescription drug or device on the Formulary in a lower tier; or
2. An equivalent prescription drug or device on the Formulary in a lower tier:
 - a. Has been ineffective in treating the disease or condition of the Member; or
 - b. Has caused or is likely to cause an adverse reaction or other harm to the Member; or
3. For a contraceptive prescription drug or device, the prescription drug or device that is not on the Formulary is Medically Necessary for the Member to adhere to the appropriate use of the prescription drug or device.

If a drug or accessory is added or removed from the Formulary, a 30-day notice will be provided to you prior to its removal or movement to a higher tier or Cost Share.

Preferred Drugs vs. Non-Preferred Drugs

We cover Preferred Drugs and Non-Preferred Drugs, including those for Specialty Drugs and biological drugs. Plan Pharmacies and mail order pharmacies will dispense a Preferred Drug unless the following criteria are met:

The Non-Preferred Drug is prescribed by a:

1. Plan Physician;
2. Non-Plan Physician to whom you have a referral;
3. Non-Plan Physician consulted due to an emergency or for out-of-area urgent care; or
4. Dentist; and
 - a. There is no equivalent drug in our Formulary; or

Kaiser Permanente for Individuals and Families/ Kaiser Permanente Child Only Membership Agreement and Evidence of Coverage

- b. An equivalent Formulary drug has:
 - i. Been ineffective in treating the disease or condition of the Member; or
 - ii. Caused or is likely to cause an adverse reaction or other harm to the Member.

If the above criteria are met, the applicable Tier Cost Share will apply based on the Formulary. If the Member requests a drug, not on the Formulary, and the criteria are not met, the Member will be responsible for the full Allowable Charge.

We will provide coverage for prescription drugs or devices not on the Formulary or if a prescription drug or device is removed from the Formulary. If a prescription drug or device on the Formulary is moved to a higher tier resulting in a higher Cost Share or a prescription drug or device is removed from the Formulary resulting in a higher cost share, we will continue the same Cost Share received when the prescription drug or device was available on a lower tier, if certain criteria are met. We will provide coverage for the prescription drug or device if in the judgement of the prescriber:

1. There is no equivalent prescription drug or device on the Formulary in a lower tier; or
2. An equivalent prescription drug or device on the Formulary in a lower tier:
 - a. Has been ineffective in treating the disease or condition of the Member; or
 - b. Has caused or is likely to cause an adverse reaction or other harm to the Member; or
3. For a contraceptive prescription drug or device, the prescription drug or device that is not on the Formulary is Medically Necessary for the Member to adhere to the appropriate use of the prescription drug or device.

If a drug or accessory is added or removed from the Formulary, a 30-day notice will be provided to you prior to its removal or movement to a higher tier or Cost Share.

The Health Plan will treat the drug(s) obtained as prescribed above, under ***Generic vs. Brand Name Drugs*** and ***Preferred Drugs vs. Non-Preferred Drugs***, as an Essential Health Benefit, including by counting any Cost Sharing towards the health benefit plan's Out-of-Pocket Maximum described in the ***Summary of Cost Shares*** Appendix of this Agreement.
