NOTICE OF PROTECTION PROVIDED BY MARYLAND LIFE AND HEALTH INSURANCE GUARANTY CORPORATION

This notice provides a brief summary of the Maryland Life and Health Insurance Guaranty Corporation (the Corporation) and the protection it provides for policyholders. This safety net was created under Maryland law, which determines who and what is covered and the amounts of coverage.

The Corporation is not a department or unit of the State of Maryland and the liabilities or debts of the Life and Health Insurance Guaranty Corporation are not liabilities or debts of the State of Maryland.

The Corporation was established to provide protection in the unlikely event that your life, annuity or health insurance company becomes financially unable to meet its obligations and is taken over by its Insurance Department. If this should happen, the Corporation will typically arrange to continue coverage and pay claims, in accordance with Maryland law, with funding from assessments paid by other insurance companies.

The basic protections provided by the Corporation are:

- Life Insurance
 - \$300,000 in death benefits
 - \$100,000 in cash surrender or withdrawal values
- Health Insurance
 - \$500,000 for basic hospital, medical, and surgical insurance or major medical insurance provided by health benefit plans
 - \$300,000 for disability insurance
 - \$300,000 for long-term care insurance
 - \$100,000 for a type of health insurance not listed above, including any net cash surrender and net cash withdrawal values under the types of health insurance listed above
- Annuities
 - \$250,000 in the present value of annuity benefits, including net cash withdrawal values and net cash surrender values
 - With respect to each payee under a structured settlement annuity, or beneficiary of the payee, \$250,000 in present value annuity benefits, in the aggregate, including any net cash surrender and net cash withdrawal values.
- The maximum amount of protection for each individual, regardless of the number of policies or contracts, is:
 - \$300,000 in aggregate for all types of coverage listed above, with the exception of basic hospital, medical, and surgical insurance or major medical insurance

- \$500,000 in aggregate for basic hospital, medical, and surgical insurance or major medical insurance

NOTE: Certain policies and contracts may not be covered or fully covered. For example, coverage does not extend to any portion(s) of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. There are also various residency requirements and other limitations under Maryland law.

To learn more about the above protections, please visit the Corporation's website at www.mdlifeqa.org, or contact:

Your Small Group Agreement and Evidence of Coverage

SECTION 1: Introduction to Your Kaiser Permanente Health Plan

Welcome to Kaiser Permanente

Thank you for choosing us as your partner in total health. Kaiser Permanente provides you with many resources to support your health and wellbeing. This Group Agreement and Evidence of Coverage (EOC) is one of them. It provides you with an overview of your Group health Plan, including the benefits you are entitled to, how to get care, what services are covered and what part of the costs of your care you will have to pay.

We ask that you review your EOC in full and contact us with any questions you may have. Member Services representatives are ready and available to assist you Monday through Friday between 7:30 a.m. and 9 p.m. at 1-800-777-7902 or 711 (TTY).

You may also visit our website, www.kp.org to schedule an appointment, select a Plan Provider, choose or change your Primary Care Plan Physician, access valuable wellness tips and find answers to frequently asked questions.

Again, thank you for enrolling with Kaiser Permanente. We look forward to the opportunity to help you live a happier, healthier life!

Our Commitment to Diversity and Nondiscrimination

Diversity, inclusion and culturally competent medical care are defining characteristics of Kaiser Permanente. We do not discriminate in our employment practices or the delivery of health care Services on the basis of age, race, color, national origin, religion, sex, sexual orientation, or physical or mental disability.

About This Group Agreement

Once you are enrolled under this Group Agreement, you become a Covered Person. A Covered Person may be a Subscriber and/or any eligible Dependents, once properly enrolled. Covered Persons are sometimes referred to by the terms “you” and “your.” Kaiser Foundation Health Plan of the Mid-Atlantic States, Inc., is sometimes referred to as “Health Plan,” “we,” “us,” “our” and “Kaiser Permanente.”

Note: Under no circumstances should the terms “you” or “your” be interpreted to mean anyone other than the Covered Person, including any nonmember reading or interpreting this contract on behalf of a Covered Person.

Important Terms

Some terms in this contract are capitalized. They have special meanings. Please see the *Important Terms You Should Know* section to familiarize yourself with these terms.

Under our contract with your Group, we have assumed the role of a named fiduciary, which is the party responsible for determining whether you are entitled to covered Services under this EOC and provides us with the authority to review and evaluate claims that arise under this EOC. We conduct this evaluation independently by interpreting the provisions of this EOC.

Payment of Premium

The Small Group Employer will make payments to the Health Plan. Covered Persons are entitled to health care coverage only for the period for which the Premium has been paid to the Health Plan. You are responsible to pay any required contribution to the Premium, as determined and required by your Group. Your Group will tell you the amount you owe and how you will pay it to your Group such as through a payroll deduction.

Payment of Copayments, Coinsurance and Deductibles

In addition to your monthly Premium payment, you may also be required to pay a Cost Share when you receive certain covered Services. A Cost Share may consist of a Copayment, Coinsurance, Deductible or a combination of these. Copayments are due at the time you receive a Service. In the event that a Cost Share amount is not collected at the point of service, then you will be billed for any Deductible and/or Coinsurance you owe.

There are limits to the total amount of Copayments, Coinsurance and Deductibles you have to pay during the Contract Year. This limit is known as the Out-of-Pocket Maximum.

Any Copayment, Coinsurance or Deductible you may be required to pay, along with the Out-of-Pocket Maximum, will be listed in the *Summary of Services and Cost Shares*, which is attached to this EOC.

The Health Plan will keep accurate records of each Covered Person's Cost Sharing and will notify the Covered Person in writing within thirty (30) days of when he or she has reached the Out-of-Pocket Maximum. Once you have paid the Out-of-Pocket Maximum for Services received within the Contract Year, no additional Copayments, Coinsurance or Deductibles will be charged by the Health Plan for the remainder of the Contract Year. We will promptly refund a Covered Person's Copayment, Coinsurance or Deductible if it was charged after the Out-of-Pocket Maximum was reached.

Open Enrollment

1. Yourself, as a new Subscriber, along with any of your eligible Dependents; or

New Employees and Their Dependents

Employees who become eligible outside of the annual open enrollment period may enroll themselves and any eligible Dependents within thirty (30) days from the date that the employee first becomes eligible.

The Group shall notify you and any enrolled Dependents of your effective date of membership if that date is different than the effective date of the Group Agreement specified on the *Face Sheet*, or if it is different than the dates specified under *Special Enrollment Due to New Dependents*, below.

You can only enroll during the annual open enrollment described above, unless one of the following is true. You:

1. Become eligible for a special enrollment period, as described in this section; or
2. Did not enroll in any coverage through your Group when you were first eligible and your Group does not give us a written statement that verifies you signed a document that explained restrictions about enrolling at a later time. The effective date of an enrollment resulting from this provision is no later than the 1st day of the month following the date your Group receives a Health Plan-approved enrollment or change of enrollment application from the Subscriber.

Special Enrollment Due to New Dependents

If you are covered as an existing Subscriber, you may add eligible Dependents by submitting a Health Plan-approved enrollment application to your Group within thirty-one (31) days from the date that your Dependent becomes newly eligible. You may be required to pay additional Premium.

If you are otherwise eligible as a Subscriber, but you are not enrolled for coverage at the time you gain a newly-eligible Dependent, you may enroll:

1. Yourself by submitting a Health Plan-approved enrollment application to your Group within thirty-one (31) days after a Dependent becomes newly-eligible; or
2. Both yourself and any or all eligible Dependents by submitting a Health Plan-approved enrollment application to your Group within thirty-one (31) days from the date that your Dependent becomes newly-eligible.

If you are not enrolled as a Subscriber at the time we receive a court order to add a newly-eligible Dependent child, we will enroll you and the child pursuant to the requirements and timeframes established by §15-405(c) of the Maryland Insurance Article. (Refer to the *Special Enrollment for Child Due to Order* provision below). The Spouse or Domestic Partner of an eligible Subscriber may enroll:

4. For a newly-eligible grandchild, the date the child becomes a Dependent of the covered employee as the result of guardianship granted by court or testamentary appointment.

If no additional Premium is required, coverage will continue beyond the thirty-one (31)-day period. If additional Premium is required to provide coverage, the additional Premium is due within thirty-one (31) days. If the Health Plan does not receive the additional Premium within thirty-one (31) days, coverage will terminate on the 32nd day.

Special Enrollment Due to Pregnancy

You, or your Spouse or Dependent, may enroll for coverage if you become pregnant, as confirmed by a health care practitioner, or if your Spouse or Dependent becomes pregnant, as confirmed by a health care practitioner, provided your Spouse or Dependent is otherwise eligible for coverage. Special Enrollment for Child Due to Order

If the insuring parent does not enroll the child, then the non-insuring parent, child support enforcement agency, or

Maryland Department of Health may apply for enrollment on behalf of the child regardless of enrollment period restrictions. The child's coverage may not be terminated unless written evidence is provided to the Health Plan that the:

2. Child has been or will be enrolled under other reasonable health insurance coverage that will take effect on or before the effective termination date;
3. Employer has eliminated family member coverage for all of its employees; or
4. Employer no longer employs the insuring parent, except that if the parent elects to exercise the provisions of COBRA, coverage shall be provided for the child consistent with the employer's coverage for Dependents under COBRA.

Special Enrollment Due to Loss of Other Coverage

By submitting a Health Plan-approved enrollment application to your Group within thirty (30) days after an enrolling person you are dependent upon for coverage loses that coverage, you may enroll:

1. Yourself, as a new Subscriber, along with any of your eligible Dependents; or
2. Eligible Dependents, if you are already an existing Subscriber, as long as the:
 - a. Enrolling person or at least one (1) of the Dependents had other coverage when you previously declined all coverage through your Group, and
 - b. Loss of the other coverage is due to either:
 - i. Exhaustion of COBRA coverage or Continuation of Coverage under Maryland law;
 - ii. Termination of employer contributions for non-COBRA coverage; however, the special enrollment period is still applicable even if the other coverage continues because the enrolling person is paying the amounts previously paid by the employer;
 - iii. Loss of eligibility for non-COBRA coverage, but not termination for cause or termination from an individual (non-group) plan for nonpayment. For example, this loss of eligibility may be due to legal separation or divorce, reaching the age limit for dependent children, death, termination of employment or reduction in hours of employment.

Note: If you are enrolling yourself as a Subscriber along with at least one (1) eligible Dependent, only one (1) of you must meet the requirements stated above.

To request enrollment, the Subscriber must submit a Health Plan-approved enrollment or change of enrollment application to your Group within thirty (30) days after loss of other coverage. 8. At the option of the SHOP Exchange, a Subscriber or Dependent loses a Dependent or is no longer considered a Dependent through divorce or legal separation.
9. At the option of the SHOP Exchange, a Subscriber or Dependent dies.

Choosing Your Primary Care Plan Physician

We highly encourage you to choose a Primary Care Plan Physician when you enroll. He or she will play an important role in coordinating your health care Services, including Hospital stays and referrals to specialists. Additionally, your Primary Care Plan Physician and Plan Providers will work as a team, along with you, to ensure continuity of care and medically appropriate courses of treatment.

Each Covered Person in your family should select a Primary Care Plan Physician. If you do not select a Primary Care Plan Physician upon enrollment, we will assign you one near your home. You may select or change your Primary Care Plan Physician at any time by visiting us online at www.kp.org or contacting Member Services Monday through Friday between 7:30 a.m. and 9 p.m. at 1-800-777-7902 or 711 (TTY).

Primary Care Plan Physicians are located within our Plan Medical Centers.

Our Provider Directory is available online at www.kp.org and updated twice each month. A listing of all Primary Care Plan Physicians is also provided to you on an annual basis.

You may select a Primary Care Plan Physician, who is available to accept new Covered Persons, from the following areas: Internal medicine, family practice, and pediatrics. Within pediatrics, you may select an allopathic or osteopathic pediatrician as the Primary Care Plan Physician for your child. In addition to selecting a Primary Care Plan Physician, Covered Persons may choose a Plan Physician who practices in the specialty of obstetrics or gynecology (OB/GYN) as their personal OB/GYN.

Getting a Referral

Our Plan Providers offer primary medical, pediatric and obstetrics/gynecology (OB/GYN) care as well as specialty care in areas such as general surgery, orthopedic surgery, dermatology and other medical specialties. If your Primary Care Plan Physician decides that you require covered Services from a Specialist, you will be referred (as further described in this EOC) to a Plan Provider in your SignatureSM care delivery system who is a Specialist that can provide the care you need. All referrals will be subject to review and approval (authorization) in accordance with the terms of this EOC. We will notify you when our review is complete.

If your Provider decides that you need covered services from a Specialist, your Provider will request a referral for you. If you did not receive a referral during your visit and you would like to request one, please call Member Services at Monday through Friday between 7:30 a.m. and 9 p.m. at 1-800-777-7902 or 711 (TTY) to start the process. You will receive a decision on your requested referral whether the referral is approved or denied.

If your Plan Provider decides that you require covered Services not available from us, he or she will refer you to a Non-Plan Provider inside or outside our Service Area. You must have an approved referral to the Non-Plan Provider in order for us to cover the Services.

Copayments and Coinsurance for approved referral Services provided by a Non-Plan Provider are the same as those required for Services provided by a Plan Provider.

Kaiser Permanente

Your Small Group Agreement and Evidence of Coverage

Any additional radiology studies, laboratory services or services from any other professional not named in the referral are not authorized and will not be reimbursed. If the Non-Plan Provider recommends Services not indicated in the approved referral, your Primary Care Plan Physician will work with you to determine whether those Services can be provided by a Plan Provider.

Our facilities include Plan Medical Centers and specialty facilities, such as imaging centers, located within our Service Area. You will receive most of the covered Services that you routinely need at these facilities unless you have an approved referral to another Plan Provider.

When you need authorized covered Services at a Plan Hospital, you will be referred to a Plan Hospital. We may direct that you receive covered Hospital Services at a particular Plan Hospital so that we may better coordinate your care using Medical Group Plan Physicians and our electronic medical record system.

Services that Do Not Require a Referral

There are specific Services that do not require a referral from your Primary Care Plan Physician. However, you must obtain the care from a Plan Provider.

Except for Emergency Services, these Services include the following:

1. An initial consultation for treatment of mental illness, emotional disorders, and drug or alcohol abuse when provided by a Plan Provider. For continued treatment, you or your Plan Provider must contact the Behavioral Health Access Unit for assistance to arrange and schedule these covered Services. The Behavioral Health Access Unit may be reached at 1-866-530-8778;
2. OB/GYN Services provided by an OB/GYN, a certified nurse-midwife or any other Plan Provider authorized to provide OB/GYN Services, including the ordering of related, covered OB/GYN Services; and
3. Optometry Services.

Emergency Services do not require a referral from your Primary Care Plan Physician, regardless if the Emergency Services are received from a Plan Provider or a non-Participating Provider.

Prior Authorization for Prescription Drugs

Requests for covered outpatient prescription drugs may be subject to certain utilization management protocols, such as prior authorization or step therapy.

Step-therapy is a process that requires a prescription drug or sequence of prescription drugs to be used by a Covered Person before the Health Plan will cover a prescription drug prescribed by a prescriber.

We will not require step-therapy if:

1. The step-therapy drug has not been approved by the U.S. Food & Drug Administration (FDA) for the medical condition being treated; or
2. A prescriber provides supporting medical information to us that a prescription drug we cover:
 - a. Was ordered by the prescriber for the Covered Person within the past 180 days; and
 - b. Based on the professional judgement of the prescriber, was effective in treating the Covered Person's disease or medical condition; or
3. A prescription drug was approved by the FDA; and
 - a. Is used to treat a Covered Person's stage four advanced metastatic cancer; and

- b. Use of the prescription drug is:
 - i. Consistent with the FDA approved indication or the National Comprehensive Cancer Network Drugs & Biologics Compendium indication for the treatment of stage four advanced metastatic cancer; and
 - ii. Supported by peer-reviewed medical literature.

Supporting medical information means:

- 1. A paid claim from the Health Plan for a Covered Person;
- 2. A pharmacy record that documents that a prescription has been filled and delivered to a Covered Person or a representative of a Covered Person; or

Standing Referrals to Specialists

If you suffer from a life-threatening, degenerative, chronic or disabling disease or condition that requires Specialty Services, your Primary Care Plan Physician may determine, in consultation with you and a Specialist, that you need continuing care from that Specialist. In such instances, your Primary Care Plan Physician will issue a standing referral to the Specialist.

A standing referral should be developed by the specialist, your Primary Care Plan Physician and you, and made in accordance with a written treatment plan consisting of covered Services. The treatment plan may limit the authorized number of Specialist visits and/or the period of time in which those Specialist visits are authorized. It may also require that the Specialist communicate regularly with your Primary Care Plan Physician regarding your treatment and health status.

Referrals to Non-Plan Specialists and Non-Physician Specialists

A Covered Person may request a referral to a non-Plan Specialist or a Non-Physician Specialist if:

- 1. The Covered Person has been diagnosed with a condition or disease that requires specialized health care Services or medical care; and the Health Plan:
 - a. Does not have a Plan Specialist or Non-Physicians Specialist with the professional training and expertise to treat or provide health care Services for the condition or disease; or
 - b. Cannot provide reasonable access to a Specialist or Non-Physician Specialist with the professional training and expertise to treat or provide health care Services for the condition or disease without unreasonable delay or travel.

You must have an approved referral to the non-Plan Specialist or Non-Physician Specialist in order for us to cover the Services. Copayments and Coinsurance for approved referral Services provided by Non-Plan Providers are the same as those required for Services provided by a Plan Provider. Services received for

Kaiser Permanente

Your Small Group Agreement and Evidence of Coverage

mental health or substance use disorders are provided at no greater cost to the Covered Person than if the covered benefit were provided by a provider on the Health Plan's provider panel.

Post-Referral Services Not Covered

Any additional Services not specifically listed, and/or that are provided by a professional not named in the referral, are not authorized and will not be reimbursed.

If a Non-Plan Provider for whom you have received an authorized referral recommends additional Services that are not indicated in that approved referral, advise your Plan Provider. He or she will work with you to determine whether those Services can be provided by a Plan Provider. Additional services not specifically listed in the referral are not authorized and will not be reimbursed unless you have received a preauthorization for those services.

Continuing Care Patient

A Continuing Care Patient, as defined in the section *Important Terms You Should Know*, receiving care from a Participating Provider may elect to continue to receive transitional care from such provider if the provider's Participating Provider contract is terminated or non-renewed for reasons other than for failure to meet applicable quality standards or for fraud or if the group contract terminates resulting in a loss of benefits with respect to such provider or facility, Health plan will notify each Covered Person who is a Continuing Care Patient at the time of termination or non-renewal on a timely basis of such termination and the Covered Person's right to elect transitional care.

When elected, benefits will be provided under the same terms and conditions as would have applied with respect to items and services that would have been covered had termination not occurred, with respect to the course of treatment provided by such provider or facility relating to the Covered Person's status as a Continuing Care Patient. Benefits will be provided during the period beginning on the date Health Plan notifies the Continuing Care Patient of the termination and ending on the earlier of: (i) 90 days after the date of such notice; or (ii) the date on which such Covered Person is no longer a Continuing Care Patient with respect to such provider or facility.

The Covered Person will not be liable for an amount that exceeds the cost-sharing that would have applied to the Covered Person had the termination not occurred.

Continuity of Care for New Covered Persons

At the request of a new Covered Person, or a new Covered Person's parent, guardian, designee or health care provider, the Health Plan shall:

1. Accept a preauthorization issued by the Covered Person's prior carrier, managed care organization or third party administrator; and
2. Allow a new enrollee to continue to receive health care Services being rendered by a Non-Plan Provider at the time of the Covered Person's enrollment under this Agreement.
3. Use the same cost-sharing for Services received from non-Plan Providers as it would if the Service was received from a Plan Provider.

As described below, the Health Plan will accept the preauthorization and allow a new Covered Person to continue to receive Services from a Non-Plan Provider for:

Kaiser Permanente

Your Small Group Agreement and Evidence of Coverage

1. The course of treatment or ninety (90) days, whichever is less; or
2. Up to three (3) trimesters of a pregnancy and the initial postpartum Visit.

Transitioning to our Services

At the end of the applicable time period immediately above under *Continuity of Care* in this section, we may elect to perform our own review to determine the need for continued treatment; and to authorize continued Services as described under *Getting a Referral* in this section.

Accepting Preauthorization for Services

The Health Plan shall accept a preauthorization for the procedures, treatments, medications or other Services covered under this Agreement.

If the Health Plan requires a preauthorization for a prescription drug, the preauthorization request shall allow a health care provider to indicate whether a prescription drug is to be used to treat a chronic condition.

If the health care provider indicates the prescription drug is to treat a chronic condition, the Health Plan may not request a reauthorization for a repeat prescription for the prescription drug for one (1) year or for the standard course of treatment for the chronic condition being treated, whichever is less.

The Health Plan shall accept preauthorization from the health care provider for at least the initial ninety (90) days of the Covered Person's prescription drug benefit coverage. During the applicable time period, we may elect to perform our own review to allow the preauthorization for the prescription drug. The Health Plan will accept preauthorization when a Covered Person changes from a Kaiser Plan to another Kaiser Plan within the ninety (90) day timeframe if:

1. The prescription drug is a covered benefit under the current Kaiser Plan; or
2. The dosage for the approved prescription drug changes and the change is consistent with Federal Food and Drug Administration labeled dosages.

Health Plan may not accept preauthorization for a change in dosage for an opioid. If the Health Plan requires a preauthorization for a prescription drug, we shall provide notice to all Plan Physicians and Plan Providers, the previous health care provider, and any Covered Person who is prescribed that prescription drug of the new requirement at least thirty (30) days before the requirement of the new preauthorization in writing and/or electronically.

If the Health Plan denies coverage for a prescription drug, the Health Plan shall provide a detailed written explanation for the denial of coverage, including whether the denial was based on a required preauthorization.

After receiving the consent of a Covered Person, or the Covered Person's parent, guardian or designee, we may request a copy of the preauthorization by following all the laws for confidentiality of medical records. The prior carrier, managed care organization or third party administrator must provide a copy of the preauthorization within ten (10) days following receipt of our request.

Continuity of Care Limitation for Preauthorization

With respect to any benefit or Service provided through the fee-for-services Maryland Medical Assistance Program, this subsection shall apply only to:

Kaiser Permanente

Your Small Group Agreement and Evidence of Coverage

1. Enrollees transitioning from the Maryland Medical Assistance Program to the Health Plan; and
2. Behavioral health and dental benefits, to the extent they are authorized by a third-party administrator.

1. Acute conditions;
2. Serious chronic conditions;
3. Pregnancy;
4. Mental health conditions and substance use disorders; and
5. Any other condition on which the Non-Plan Provider and the Health Plan reach agreement.

Examples of acute and serious chronic conditions may include:

1. Bone fractures;
2. Joint replacements;
3. Heart attack;
4. Cancer;
5. HIV/AIDS; and
6. Organ transplants.

Getting Emergency and Urgent Care Services

Emergency Services

Emergency Services are covered twenty-four (24) hours per day, seven (7) days per week, no matter when or where in the world they occur without Prior Authorization and without regard to whether the health care provider furnishing the services is a Plan Provider.

If you have an Emergency Medical Condition, call 911 (where available) or go to the nearest hospital emergency department or Independent Freestanding Emergency Department. You do not need Prior Authorization for Emergency Services. When you have an Emergency Medical Condition, we cover Emergency Services that you receive from Plan Providers, or non-Participating Providers anywhere in the world, as long as the Services would be covered under ***Emergency Services in Section 3: Benefits, Exclusions and Limitations*** if you had received them from Plan Providers. Emergency Services are available from Plan Hospital emergency departments twenty-four (24) hours per day, seven (7) days per week.

You will incur the same Cost Sharing (Deductible, Coinsurance and/or Copayment, as applicable) for Emergency Services furnished by non-Participating Providers or Plan Providers and such Cost Sharing will be calculated based on the Recognized Amount in accordance with applicable law if you Cost Sharing is not a fixed amount. Any Cost Share payments made by you will apply toward your Deductible, if any, and Out-of-Pocket Maximum, if any.

If Emergency Services are provided by a non-Participating Provider, Health Plan will make payment for the covered Emergency Services directly to the non-Participating Provider. The payment amount will be equal to the amount by which the Allowable Charge exceeds your Cost-Sharing amount for the Services.

Kaiser Permanente Your Small Group Agreement and Evidence of Coverage

You will not be liable for an amount that exceeds Covered Person's Cost-Sharing as further described in this Agreement.

2. Simply mail the bill to us with your medical record number written on it. Your medical record number can be found on the front of your Kaiser Permanente identification card. You do not have to pay the bill until we determine what amount you owe, if any, for the Emergency Services. A bill from either the provider or you can be mailed to us at:

Kaiser Permanente National Claims Administration - Mid-Atlantic States
PO Box 371860
Denver, CO 80237-9998

Urgent Care Services

All Primary Care Plan Physicians are on-call 24/7. When a situation is not an emergency but requires prompt attention for symptoms such as a sudden rash, high fever, severe vomiting, ear infection or sprain, please call your Primary Care Plan Physician as instructed under ***Making and Cancelling Appointments*** and ***Who to Contact***, which is located at the beginning of this section.

Hospital Admissions

If you are admitted to a non-Plan Hospital, you, your Parent/Guardian, Financially Responsible Person or someone else must notify us within the later of forty-eight (48) hours of a Covered Person's hospital admission or on the first working day following the admission unless it was not reasonably possible to notify us within that time.

Getting Assistance from Our Advice Nurses

Our advice nurses are registered nurses (RNs) specially trained to help assess clinical problems and provide clinical advice. They can help solve a problem over the phone and instruct you on self-care at home, when appropriate. If the problem is more severe and you need an appointment, they will help you get one.

If you are not sure you are experiencing a medical emergency, or for Urgent Care Services for symptoms such as a sudden rash, high fever, severe vomiting, ear infection or sprain, you may call our advice nurses at 1-800-777-7904 or 711 (TTY).

Payment Toward Your Cost Share and When You May Be Billed

This provision does not apply to Covered Persons enrolled in a High Deductible Health Plan. In most cases, you will be asked to make a payment toward your Cost Share at the time you receive Services. If you receive more than one type of Services, such as Primary Care treatment and laboratory tests, you may be required to pay separate Cost Shares for each of those Services. In some cases, your provider may not ask you to make a payment at the time you receive Services, and you may be billed for your Cost Share.

Keep in mind that your payment toward your Cost Share may cover only a portion of your total Cost Share for the Services you receive, and you will be billed for any additional amounts that are due. The following are examples of when you may be asked to pay Cost Share amounts in addition to the amount you pay at check-in:

1. **You receive non-preventive Services during a preventive Visit.** For example, you go in for a routine physical exam, and at check-in you pay your Cost Share for the preventive exam (your Cost Share may be "no charge"). However, during your preventive exam your provider finds a problem with your health and orders non-preventive Services to diagnose your problem, such as laboratory tests. You may be asked to pay your Cost Share for these additional non-preventive diagnostic Services.
2. **You receive diagnostic Services during a treatment Visit.** For example, you go in for treatment of an existing health condition, and at check-in you pay your Cost Share for a treatment Visit. However, during the Visit your provider finds a new problem with your health and performs or orders diagnostic Services, such as laboratory tests. You may be asked to pay your Cost Share for these additional diagnostic Services.
3. **You receive treatment Services during a diagnostic Visit.** For example, you go in for a diagnostic exam, and at check-in you pay your Cost Share for a diagnostic exam. However, during the diagnostic exam your provider confirms a problem with your health and performs

Kaiser Permanente

Your Small Group Agreement and Evidence of Coverage

treatment Services, such as an outpatient procedure. You may be asked to pay your Cost Share for these additional treatment Services.

4. **You receive non-preventive Services during a no-charge courtesy Visit.** For example, you go in for a blood pressure check or meet and greet Visit and the provider finds a problem with your health and performs diagnostic or treatment Services. You may be asked to pay your Cost Share for these additional diagnostic or treatment Services.
5. **You receive Services from a second provider during your Visit.** For example, you go in for a diagnostic exam, and at check-in you pay your Cost Share for a diagnostic exam. However, during the diagnostic exam your provider requests a consultation with a specialist. You may be asked to pay your Cost Share for the consultation with the specialist.

Cost-Sharing and Balance Billing Protections for Services Provided Based on Reliance on Incorrect Provider Network Information

If a Covered Person is furnished, by a Non-Participating Provider, an item or service that would otherwise be covered if provided by a Participating Provider, and the covered person relied on a database, provider directory, or information regarding the provider's network status provided by health plan through a telephone call or electronic, web-based, or Internet-based means which incorrectly indicated that the provider was a Participating Provider for the furnishing of such item or service, then the following apply:

1. The copayment amount, coinsurance percentage, and/or other cost-sharing requirement for such item or service furnished by a Non-Participating Provider is the same as the copayment amount, coinsurance percentage, and/or other cost-sharing requirement listed in the EOC for the item or service when provided by a Participating Provider; and

Kaiser Permanente Your Small Group Agreement and Evidence of Coverage

Emergency Services

Coverage is provided anywhere in the world without Prior Authorization for Emergency Services should you experience an Emergency Medical Condition.

If you think you are experiencing an Emergency Medical Condition as defined in the section ***Important Terms You Should Know***, then you should call 911, where available, immediately. If you are not sure whether you are experiencing an Emergency Medical Condition, please contact us at the number listed on the reverse side of your Kaiser Permanente identification card for immediate medical advice.

The Health Plan will not impose any Copayment or other Cost-Sharing requirement for follow-up care that exceeds that which a Member would be required to pay had the follow-up care been rendered in-network, using members of the Health Plan's provider panel.

Non-Emergency Services Performed by Non-Participating Providers at Participating Facilities, including Ancillary Services and Services for Unforeseen Urgent Medical Needs

We cover items and services furnished by a non-Participating Provider with respect to a covered Visit at a Participating Facility in the following manner, except when the non-Participating Provider has satisfied the notice and consent criteria of 45 C.F.R. § 149.420(c) through (i):

1. The copayment amount, coinsurance percentage, and/or other cost-sharing requirement for such items and services furnished by a non-Participating Provider with respect to a Visit in a Participating Facility is the same as the copayment amount, coinsurance percentage, and/or other cost-sharing requirement listed in the EOC for the items and services when provided by a Participating Provider;
2. Any cost-sharing requirement for the items and services will be calculated based on the Recognized Amount;
3. Any cost-sharing payments made with respect to the items and services will be counted toward any applicable in-network deductible and in-network out-of-pocket maximum;
4. Health plan will make payment for the items and services directly to the non-Participating Provider. The payment amount will be equal to the amount by which the Out-of-Network Rate exceeds the cost-sharing amount for the items and services; and
5. Covered Person will not be liable for an amount that exceeds the Covered Person's cost-sharing requirements.

Items #1-5 above are not applicable when the non-Participating Provider has satisfied the notice and consent criteria of 45 C.F.R. § 149.420(c) through (i), including providing notice to the covered person of the estimated charges for the items and services and that the provider is a non-Participating Provider, and obtaining consent from the covered person to be treated and balance billed by the non-Participating Provider. Post-Stabilization Care

Post-Stabilization Care is Medically Necessary Services related to your Emergency Medical Condition that you receive in a hospital, including the Emergency Department, after your treating physician determines that your Emergency Medical Condition is Stabilized. Post-Stabilization Care also includes durable medical equipment covered under this EOC, if it is Medically Necessary after your discharge from a hospital and related to the same Emergency Medical Condition. For more information about durable medical equipment covered under this EOC, see the Durable Medical Equipment provision of this *Benefits, Exclusions and Limitations* section and the *Summary of Cost Shares* appendix.

When you receive Emergency Services in Maryland, and federal law does not require that we consider the Post-Stabilization Care as Emergency Services, we cover Post-Stabilization Care only if we provide Prior Authorization for the Post-Stabilization Care. Therefore, it is very important that you, your provider, including your non-Participating Provider, or someone else acting on your behalf, call us to notify us that you need Post-Stabilization Care and to get Prior Authorization from us before you receive the Post-Stabilization Care.

To request Prior Authorization, you, your provider, including your non-Participating Provider, or someone else acting on your behalf, must call 1-800-225-8883 or the notification telephone number on the reverse side of your ID card before you receive the care. We will discuss your condition with the non-Participating Provider. If we determine that you require Post-Stabilization Care, we will authorize your care from the non-Participating Provider or arrange to have a Participating Provider, or other designated provider, provide the care. If we decide to have a Plan Hospital, Plan Skilled Nursing Facility, or designated non-Participating Provider provide your care, we may authorize special transportation Services that are non-Participating Providers. If you receive care from a non-Participating Provider that we have not authorized, you may have to pay the full cost of that care.

When you receive Emergency Services from non-Participating Providers, Post-Stabilization Care may qualify as Emergency Services pursuant to federal law. We will not require Prior Authorization for such Post-Stabilization Care at a non-Participating Emergency Facility when your attending non-Participating Provider determines that, after you receive Emergency Services (screening and Stabilization), you are not able to travel using non-medical transportation or non-emergency medical transportation to an available Participating Provider located within a reasonable travel distance taking into account your medical condition.

Non-Participating Providers may provide notice and seek your consent to provide Post-Stabilization Care Services or other covered Services. Such Services will not be covered when you do not obtain Prior Authorization as described herein. If you, or your Authorized Representative, consent to the furnishing of Services by non-Participating Providers, then you will be responsible for paying for such Services in the absence of any Prior Authorization. The cost of such Services will not accumulate to your Deductible, if any, or your Out-of-Pocket Maximum costs.

We cover an audio-only telephone conversation if it results in the delivery of a billable covered Health Care Service. Note: We cover telehealth Services regardless of the location of the patient at the time the telehealth Services are provided. See the benefit-specific exclusion(s) immediately below for additional information.</p>
<p>Benefit-Specific Exclusion(s): We do not cover non-interactive telemedicine services consisting of electronic mail message and/or facsimile transmission.</p>

Kaiser Permanente

Your Small Group Agreement and Evidence of Coverage

Urgent Care Services are defined as Services required as the result of a sudden illness or injury, which requires prompt attention, but is not of an emergent nature.

Inside our Service Area:

We will cover charges for Urgent Care Services received from Plan Providers and Plan Facilities within the Service Area.

If you require Urgent Care Services, please call your primary care Plan Provider as follows:

If your primary care Plan Physician is located at a Plan Medical Center, please contact us at 1-800-777-7902 or 711 (TTY).

If your primary care Plan Physician is located in our network of Plan Providers, please call their office directly. You will find his or her telephone number on the front of your identification card.

Outside our Service Area:

If you are injured or become ill while temporarily outside the Service Area, we will cover reasonable charges for Urgent Care Services as defined in this section. Except as provided for emergency surgery below, all follow-up care must be provided by a Plan Provider or Plan Facility.

If you obtain prior approval from the Health Plan, covered benefits include the cost of necessary ambulance or other special transportation Services medically required to transport you to a Plan Hospital or Medical Center in the Service Area, or in the nearest Kaiser Foundation Health Plan region, for continuing or follow-up treatment.

To obtain follow-up care from a Plan Provider, call the appointment or advice telephone number listed on the reverse side of your ID card. We do not cover follow-up care from Non-Plan Providers after you no longer need urgent care, except for durable medical equipment covered under this EOC. For more information about durable medical equipment covered under this EOC, see “Durable Medical Equipment” in the “Benefits, Exclusions and Limitations and Summary of Cost Shares” section. If you require durable medical equipment related to your urgent care after receiving out-of-area urgent care, your provider must obtain prior authorization as described under “Getting a Referral” in the “How to Obtain Services” section.

If we gave prior authorization for durable medical equipment provided as part of out-of-area urgent care, you pay the Cost Share for durable medical equipment as described under “Summary of Cost Shares” section.

Follow-up Care for Emergency Surgery

In those situations when we authorize, refer or otherwise allow you access to a hospital emergency facility or other urgent care facility for a medical condition that requires emergency surgery, we will reimburse the physician, oral surgeon, periodontist or podiatrist who performed the surgical procedure for any follow-up care that is:

1. Medically Necessary;
2. Directly related to the condition for which the surgical procedure was performed; and
3. Provided in consultation with your primary care Plan Physician.

We will not impose any Copayment or other cost-sharing requirement for follow-up care under this provision that exceeds that which you would be required to pay had the follow-up care been rendered by Plan Providers within our Service Area.

See the benefit-specific limitation(s) and exclusion(s) immediately below for additional information.

Exclusions

This provision provides information on what Services the Health Plan will not pay for regardless of whether or not the Service is Medically Necessary.

These exclusions apply to all Services that would otherwise be covered under this Agreement. Benefit-specific exclusions that apply only to a particular Service are noted in the *List of Benefits* in this section. When a Service is not covered, all Services, drugs, or supplies related to the non-covered Service are excluded from coverage, except Services we would otherwise cover to treat serious complications of the non-covered Service.

For example, if you have a non-covered cosmetic surgery, we would not cover Services you receive in preparation for the surgery or for follow-up care. If you later suffer a life-threatening complication, such as a serious infection, this exclusion would not apply and we would cover any Services that we would otherwise cover to treat that complication.

The following services are excluded from coverage:

1. Services that are not Medically Necessary.
2. Services performed or prescribed under the direction of a person who is not a Health Care Practitioner.
3. Services that are beyond the scope of practice of the Health Care Practitioner performing the Service.

7. Personal Care Services and Domiciliary Care Services.
8. Services rendered by a Health Care Practitioner who is a Covered Person's spouse, mother, father, daughter, son, brother or sister.
9. Experimental Services. This exclusion does not apply to Services covered under the clinical trials benefit in the *List of Benefits* in this section.

Limitations

We will make our best efforts to provide or arrange for your health care Services in the event of unusual circumstances that delay or render impractical the provision of Services under this Agreement, for reasons such as:

1. A major disaster;
2. An epidemic;
3. War;
4. Riot;
5. Civil insurrection;
6. Disability of a large share of personnel of a Plan Hospital or Plan Medical Center; and/or
7. Complete or partial destruction of facilities.

In the event that we are unable to provide the Services covered under this Agreement, the Health Plan, Kaiser Foundation Hospitals, Medical Group and Kaiser Permanente's Medical Group Plan Physicians shall only be liable for reimbursement of the expenses necessarily incurred by a Member in procuring the Services through other providers, to the extent prescribed by the Commissioner of Insurance.

For personal reasons, some Members may refuse to accept Services recommended by their Plan Physician for a particular condition. If you refuse to accept Services recommended by your Plan Physician, he or she will advise you if there is no other professionally acceptable alternative. You may get a second opinion from another Plan Physician, as described under *Getting a Second Opinion in Section 2: How to Get the Care You Need*. If you still refuse to accept the recommended Services, the Health Plan and Plan Providers have no further responsibility to provide or cover any alternative treatment you may request for that condition.

SECTION 4: Subrogation, Reductions and Coordination of Benefits

There may be occasions when we will seek reimbursement of the Health Plan's costs of providing care to you, or your benefits are reduced as the result of the existence other types of health benefit coverage. This section provides information on these types of situations, and what to do when you encounter them.

Subrogation and Reductions, Explained

Subrogation Overview

There may be occasions when we require reimbursement of the Health Plan's costs of providing care to you. This occurs when there is a responsible party for an illness you acquire or injury you receive. This process is called subrogation. For example, if you were involved in a slip-and-fall incident at a store because of a spill, and the store was found liable for associated injuries you receive, they may become responsible for payment of the costs of your care for those associated injuries. For more information, see *When Illness or Injury is Caused by a Third Party* in this section.

Reductions Overview

There may be occasions when your benefits are reduced as the result of the existence of other types of health benefit coverage available to you. For example, if there is duplicative coverage for your dependent under a primary health benefit plan purchased by your spouse, the costs of care may be divided between the available health benefit plans. For more information, see the *Reductions Under Medicare and TRICARE Benefits* and *Coordination of Benefits* provisions in this section.

The above scenarios are a couple of examples of when:

1. We may assert the right to recover the costs of benefits provided to you; or
2. A reduction in benefits may occur.

The remainder of this section will provide you with information on what to do when you encounter these situations.

When Illness or Injury is Caused by a Third Party

If the Health Plan provides coverage under this Agreement when another party is alleged to be responsible to pay for treatment you receive, we have the right to subrogate to recover the costs of related benefits administered to you. To secure our rights, the Health Plan will have a lien on the proceeds of any judgment or settlement you obtain against a third party for covered medical expenses.

The proceeds of any judgment or settlement that the Covered Person or the Health Plan obtains shall first be applied to satisfy the Health Plan's lien, regardless of whether the total amount of recovery is less than the actual losses and damages you incurred. However, you will not have to pay the Health Plan more than what you received from or on behalf of the third party for medical expenses.

Notifying the Health Plan of Claims and/or Legal Action

Within thirty (30) days after submitting or filing a claim or legal action against the third party, you must send written notice of the claim or legal action to us at the following address:

Kaiser Foundation Health Plan of the Mid-Atlantic States, Inc.
Attention: Patient Financial Services

2101 East Jefferson Street, 4 East
Rockville, Maryland 20852

When notifying us, please include the third party's liability insurance company name, policy and claim numbers, business address and telephone number and, if known, the name of the handler of the claim.

If you are represented by an attorney in relation to the loss for which you have brought legal action against a third party, please ensure that you provide your attorney's name and contact information, including their business address and telephone number. If you change attorneys during the legal process, you are required to inform the Health Plan of your change in representation.

The Health Plan's Right to Recover Payments

In order for the Health Plan to determine the existence of any rights we may have, and to satisfy those rights, you must complete and send the Health Plan all consents, releases, authorizations, assignments and other documents, including lien forms directing your attorney, the third party and the third party's liability insurer to reimburse the Health Plan directly. You may not take any action that is prejudicial to our rights.

If your estate, parent, guardian or conservator asserts a claim against a third party based on your injury or illness; both your estate, parent/guardian or conservator and any settlement or judgment recovered by the estate, parent/guardian or conservator, shall be subject to the Health Plan's liens and other rights to the same extent as if you had asserted the claim against the third party. The Health Plan may assign its rights to enforce its liens and other rights.

The Health Plan's recovery shall be limited to the extent that the Health Plan provided benefits or made payments for benefits as a result of the occurrence that gave rise to the cause of action.

Except for any benefits that would be payable under either Personal Injury Protection coverage; and/or any capitation agreement the Health Plan has with a participating provider:

1. If you become ill or injured through the fault of a third party and you collect any money from the third party or their insurance company for medical expenses; or
2. When you recover for medical expenses in a cause of action, the Health Plan has the option of becoming subrogated to all claims, causes of action and other rights you may have against a third party or an insurer, government program or other source of coverage for monetary damages, compensation or indemnification on account of the injury or illness allegedly caused by the third party:
 - a. The Health Plan will be subrogated for any Service provided by or arranged for as:
 - i. A result of the occurrence that gave rise to the cause of action; or
 - ii. Of the time it mails or delivers a written notice of its intent to exercise this option to you or to your attorney, should you be represented by one, as follows:
 - a) Per the Health Plan's fee schedule for Services provided or arranged by the Medical Group; or
 - b) Any actual expenses that were made for Services provided by participating providers.

When applicable, any amount returned to the Health Plan will be reduced by a pro rata share of the court

costs and legal fees incurred by the Covered Person that are applicable to the portion of the settlement returned to the Health Plan.

Medicare

If you are enrolled in Medicare, Medicare law may apply with respect to Services covered by Medicare.

Worker's Compensation Claims

If you have an active worker's compensation claim for injuries sustained while conducting the duties of your occupation, you must send written notice of the claim to us within thirty (30) days at the following address:

Kaiser Foundation Health Plan of the Mid-Atlantic States, Inc.

When notifying us, please include the worker's compensation insurance company or third-party administrator (TPA) name, policy and claim numbers, business address and telephone number and, if known, the name of the handler of the claim.

If you are represented by an attorney in relation to the worker's compensation loss for which you have brought legal action against your employer, please ensure that you provide your attorney's name and contact information, including their business address and telephone number. If you change attorneys during the legal process, you are required to inform the Health Plan of your change in representation.

Health Plan Not Liable for Illness or Injury to Others

Who is eligible for coverage under this Agreement is stated in *Section 1: Introduction to Your Kaiser Permanente Health Plan*. Neither the Health Plan, Plan Hospitals nor the Medical Group provide benefits or health care Services to others due to your liabilities. If you are responsible for illness or injury caused to another person, coverage will not be provided under this Agreement unless they are a covered Dependent.

Failure to Notify the Health Plan of Responsible Parties

Note: This provision does not apply to payments made to a covered person under personal injury protection (see §19-713.1(e) of the Maryland Health General Article).

It is a requirement under this Agreement to notify the Health Plan of any third party who is responsible for an action that causes illness or injury to you.

Failure to notify the Health Plan of your pursuit of claims against a third party due to their negligence is a violation of this Agreement. If a Covered Person dually recovers compensation by obtaining benefits from the Health Plan and compensation for the same loss from a responsible third party, the Health Plan reserves the right to directly pursue reimbursement of its expenses from the Covered Person who received the settlement as compensation.

No Covered Person, nor the legal representative they appoint, may take any action that would prejudice or prevent the Health Plan's right to recover the costs associated with providing care to any Covered

Kaiser Permanente

Small Group Agreement and Evidence of Coverage Maryland

Person covered under this Agreement.

Pursuit of Payment from Responsible Parties

The Health Plan may use the services of another company to handle the pursuit of subrogation against a responsible third party. When we use these services, the Health Plan may need to release information that does not require Covered Person consent, including, but not limited to, your name, medical record number, the date of loss, policy and claim numbers (including those of the insurance carrier for a third party), attorney information and copies of bills.

In the event that medical records or other protected information that requires your consent to be released is requested from us, we will notify you to obtain your consent.

Reductions Under Medicare and TRICARE Benefits

If you are enrolled in Medicare Part A and/or Part B, your benefits are reduced by any benefits for which you are enrolled and receive under Medicare; except for Covered Persons whose Medicare benefits are secondary by law.

TRICARE benefits are secondary by law.

Coordination of Benefits

Coordination of Benefits Overview

Coordination of benefits applies when a Covered Person has health care coverage under more than one (1) health benefit plan. If you or your eligible dependent has coverage under more than one (1) health benefit plan, then you are responsible to inform the Health Plan that the additional coverage exists. When you have other coverage with another health plan or insurance company, we will coordinate benefits with the other coverage.

The Health Plan may need information from you to coordinate your benefits. Any information that we request to help us coordinate your benefits must be provided to us upon request.

Right to Obtain and Release Needed Information

When information is needed to apply these coordination of benefits rules, the Health Plan will decide the information it needs, and may get that information from, or give it to, any other organization or person. The Health Plan does not need to tell anyone, or obtain consent from anyone, to do this.

Primary and Secondary Plan Determination

The health benefit plan that pays first, which is known as the primary plan, is determined by using National Association of Insurance Commissioners Order of Benefits Guidelines. The primary plan provides benefits as it would in the absence of any other coverage.

The plan that pays benefits second, which is known as the secondary plan, coordinates its benefits with the primary plan, and pays the difference between what the primary plan paid, or the value of any benefit or Service provided, but not more than 100 percent of the total Allowable Expenses, and not to exceed the maximum liability of the secondary plan. The secondary plan is never liable for more expenses than it would cover if it had been primary.

Kaiser Permanente

Small Group Agreement and Evidence of Coverage Maryland

Coordination of Benefits Rules

To coordinate your benefits, the Health Plan has rules. The following rules for the Health Plan are modeled after the rules recommended by the National Association of Insurance Commissioners. You will find the rules under *Order of Benefit Determination Rules* in this section.

The *Order of Benefit Determination Rules* will be used to determine which plan is the primary plan. Any other plans will be secondary plan(s). If the Health Plan is the:

1. Primary Plan, it will provide or pay its benefits without considering the other plan(s) benefits.
2. A secondary Plan, the benefits or services provided under this Agreement will be coordinated with the primary plan so the total of benefits paid, or the reasonable cash value of the services provided, between the primary plan and the secondary plan(s) do not exceed 100 percent of the total Allowable Expense.

Covered Persons with a High Deductible Health Plan with a Health Savings Account option: If you have other health care coverage in addition to a High Deductible Health Plan with a Health Savings Account option (as described in *Section 1: Introduction to Your Kaiser Permanente Health Plan* under the *Health Savings Account-Qualified Plans* provision), then you may not be eligible to establish or contribute to a Health Savings Account Kaiser Permanente does not provide tax advice. Ask your financial or tax advisor about your eligibility.

Assistance with Questions about the Coordination of Your Benefits

If you have any questions about coordination of your benefits, please contact Member Services Monday through Friday between 7:30 a.m. and 9 p.m. at 1-800-777-7902 or 711 (TTY).

Order of Benefit Determination Rules

The following rules determine the order in which benefits are paid by primary and secondary health benefit plans.

1. If another plan does not have a Coordination of Benefits provision, that plan is the primary plan.
2. If another plan has a Coordination of Benefits provision, the first of the following rules that apply will determine which plan is the primary plan:

Rules for a Subscriber and Dependents

1. Subject to #2. (immediately below), a plan that covers a person as a Subscriber is primary to a plan that covers the person as a dependent.
2. If the person is a Medicare beneficiary, and, as a result of the provisions of Title XVIII of the Social Security Act and implementing regulations, Medicare is:
 - a. Secondary to the plan covering the person as a dependent; and
 - b. Primary to the plan covering the person as other than a dependent:
 - i. Then the order of benefits is reversed so that the plan covering the person as an employee, Covered Person, subscriber, policyholder or retiree is the secondary plan and the other plan covering the person as a dependent is the primary plan.

Rules for a Dependent Child/Parent

1. **Dependent child with parents who are not separated or divorced:** When the Health Plan and

Kaiser Permanente

Small Group Agreement and Evidence of Coverage Maryland

another plan cover the same child as a Dependent of different persons, called “parents,” who are married or are living together, whether or not they have ever been married, then the plan of the parent whose birthday falls earlier in the year is primary to the plan of the parent whose birthday falls later in the year. If both parents have the same birthday, the plan that covered a parent longer is primary. If the aforementioned parental birthday rules do not apply to the rules provided in the other plan, then the rules in the other plan will be used to determine the order of benefits.

2. **Dependent child with separated or divorced parents:** If two (2) or more plans cover a person as a dependent child, and that child’s parents are divorced, separated or are not living together, whether or not they have ever been married the following rules apply. If a court decree states that:
 - a. One (1) of the parents is responsible for the dependent child’s health care expenses or health care coverage and the plan of that parent has actual knowledge of those terms, that plan is primary. If the parent with responsibility has no health care coverage for the dependent child’s health care expenses, but that parent’s spouse does, that parent’s spouse’s plan is the primary plan. This item shall not apply with respect to any plan year during which benefits are paid or provided before the entity has actual knowledge of the court decree provision; or
 - b. Both parents are responsible for the dependent child’s health care expenses or health care coverage, the provisions of Subparagraph #1 of this provision: *Dependent Child with Parents Who Are Not Separated or Divorced*, shall determine the order of benefits; or
 - c. If a court decree states that the parents have joint custody without specifying that one parent has responsibility for the health care expenses or health care coverage of the dependent child, the provisions of Subparagraph #1 of this provision: *Dependent Child with Parents Who Are Not Separated or Divorced*, shall determine the order of benefits; or
 - i. If there is no court decree allocating responsibility for the child’s health care expenses or health care coverage, the order of benefits for the child are as follows:
 - a) The plan covering the custodial parent;
 - b) The plan covering the custodial parent’s spouse;
 - c) The plan covering the non-custodial parent; and then
 - d) The plan covering the non-custodial parent’s spouse.

Dependent Child Covered Under the Plans of Non-Parent(s)

1. For a dependent child covered under more than one (1) plan of individuals who are not the parents of the child, the order of benefits shall be determined, as applicable, under the dependent child provisions above, as if those individuals were parents of the child.

Dependent Child Who Has Their Own Coverage

1. For a dependent child who has coverage under either or both parents’ plans and also has his or her own coverage as a dependent under a spouse’s plan, the rule in this provision for *Longer or Shorter Length of Coverage* applies.
2. In the event the dependent child’s coverage under the spouse’s plan began on the same date as the dependent child’s coverage under either or both parents’ plans, the order of benefits shall be

Kaiser Permanente Small Group Agreement and Evidence of Coverage Maryland

determined by applying the birthday rule in this provision under the *Dependent Child with Parents Who Are Not Separated or Divorced*.

Active/Inactive Employee Coverage

1. A plan that covers a person as an employee who is neither laid off nor retired (or that employee's dependent) is primary to a plan that covers that person as a laid off or retired employee (or a laid off or retired employee's dependent).
2. If the other plan does not have this rule, and if, as a result, the plans do not agree on the order of benefits, this rule is ignored.
3. This rule does not apply if the rules in #1. and #2. under the provision *Rules for a Subscriber and Dependents* above can determine the order of benefits.

COBRA or State Continuation Coverage

1. If a person whose coverage is provided pursuant to COBRA or under a right of continuation pursuant to state or other federal law is covered under another plan, the plan covering the person as an employee, member, subscriber or retiree, or that covers the person as a dependent of an employee, member, subscriber or retiree, is the primary plan and the Plan covering that same person pursuant to COBRA or under a right of continuation pursuant to state or other federal law is the secondary plan.
2. If the other plan does not have this rule, and if, as a result, the plans do not agree on the order of benefits, this rule is ignored.
3. This rule does not apply if the rules in #1. and #2. under the provision *Rules for a Subscriber and Dependents* above can determine the order of benefits.

Longer/Shorter Length of Coverage

1. If none of the above rules determines the order of benefits, then the plan that has covered a Subscriber longer time is primary to the plan that has covered the Subscriber for a shorter time.

Effect of Coordination of Benefits on the Benefits of this Plan

When the Health Plan is the primary Plan, coordination of benefits has no effect on the benefits or services provided under this Agreement. When the Health Plan is a secondary Plan to one or more other plans, its benefits may be coordinated with the primary plan carrier using the guidelines below. This *Coordination of Benefits* provision shall in no way restrict or impede the rendering of services provided by the Health Plan. At the request of the Covered Person or Parent/Guardian, when applicable, the Health Plan will provide or arrange for covered services and then seek coordination with a primary plan.

Coordination with the Health Plan's Benefits

The Health Plan may coordinate benefits payable or recover the reasonable cash value of Services it has provided, when the sum of the benefits that would be payable for:

1. Or the reasonable cash value of, the Services provided as Allowable Expenses by the Health Plan in the absence of this *Coordination of Benefits* provision; and
2. Allowable Expenses under one (1) or more of the other primary plans covering the Covered Person, in the absence of provisions with a purpose like that of this *Coordination of Benefits* provision, whether or not a claim thereon is made; exceeds Allowable Expenses in a Claim

Kaiser Permanente

Determination Period.

In that case, the Health Plan benefits will be coordinated, or the reasonable cash value of any services provided by the Health Plan may be recovered from the primary plan, so that the Health Plan benefits and the benefits payable under the other Plans do not total more than the Allowable Expenses.

Facility of Payment

If a payment is made or Service provided under another Plan, and it includes an amount that should have been paid for or provided by us, then we may pay that amount to the organization that made that payment.

The amount paid will be treated as if it was a benefit paid by the Health Plan.

Right of Recovery of Payments Made Under Coordination of Benefits

If the amount of payment by the Health Plan is more than it should have been under this *Coordination of Benefits* provision, or if we provided services that should have been paid by the primary plan, then we may recover the excess or the reasonable cash value of the services, as applicable, from the person who received payment or for whom payment was made, or from an insurance company or other organization.

Military Service

For any Services for conditions arising from military service that the law requires the Department of Veterans Affairs to provide, we will not pay the Department of Veterans Affairs. When we cover any such Services, we may recover the value of the Services from the Department of Veterans Affairs.

The Health Care Service Review Program

Pre-Service Reviews

If you do not have an Emergency Case and you have not received the health care Service you are requesting, then within two (2) working days of receiving all necessary information, the Health Plan will make its determination. If we do not have the necessary information to make our decision, we will notify you or your Authorized Representative within three (3) calendar days of the initial request and explain in detail what information is required. Once the necessary information has been received, the Health Plan will make its determination within two (2) working days. Necessary information includes, but is not limited to, the results of any face-to-face clinical evaluation or any second opinion that may be required. We must receive the information requested by the notice, within forty-five (45) calendar days from the receipt of the notice identifying the additional necessary information, or we will make our decision based upon the information we have available to us at that time.

If an admission, procedure or Service is preauthorized, the Health Plan will:

1. Notify the provider by telephone within one (1) working day of pre-authorization; and
2. Confirm the pre-authorization with you and the provider in writing within five (5) working days of our decision.

If pre-authorization is denied or an alternate treatment or Service is recommended, the Health Plan will:

1. Notify the provider by telephone within one (1) working day of making the denial or alternate treatment or service recommendation; and
2. Confirm the denial decision with you and your Authorized Representative in writing within five (5) working days of making our decision.

Kaiser Permanente

Your Small Group Agreement and Evidence of Coverage

You or your Authorized Representative may then file an Appeal or Grievance, as appropriate, and as described below.

If pre-authorization is required for an emergency inpatient admission, or an admission for residential crisis services as defined in §15-840 of the Maryland Insurance Article, for the treatment of a mental, emotional, or substance abuse disorder, the Health Plan shall:

1. Make all determinations on whether to authorize or certify an inpatient admission, or an admission for residential crisis services as defined in §15-840 of the Maryland Insurance Article, within two (2) hours after receipt of the information necessary to make the determination; and
2. Promptly notify the Health Care Provider of the determination.

Expedited Pre-Service Reviews

If you have an Emergency Case and you have not received the health care Service for which you are requesting review, then within twenty-four (24) hours of your request, we will notify you if we need additional information to make a decision, or if you or your Authorized Representative failed to follow proper procedures which would result in a denial decision. If additional information is requested, you will have only forty-eight (48) hours to submit the requested information. We will make a decision for this type of claim within forty-eight (48) hours following the earlier of the:

1. Receipt of the information from you; or
2. End of the period for submitting the requested information.

Decisions regarding pre-service review for Covered Persons who have an Emergency Case will be communicated to you by telephone within twenty-four (24) hours. Such decisions will be confirmed in writing within one (1) calendar day of our decision.

Concurrent Reviews

When you make a request for additional treatment, when we had previously approved a course of treatment that is about to end, the Health Plan will make concurrent review determinations within one (1) working day of receiving the request or within one (1) working day of obtaining all the necessary information so long as the request for authorization of additional Services is made prior to the end of prior authorized Services. In the event that our review results in the end or limitation of health care Services, we will make a review determination with sufficient advance notice so that you can file a timely Grievance or Appeal of our decision. If you have an Emergency Case, then a request for concurrent review will be handled like any other pre-service request for review when an Emergency Case is involved, except that our decision will be made within one (1) working day.

If Health Plan authorizes an extended stay or additional health care Services under the concurrent review, the Health Plan will:

1. Notify the provider by telephone within one (1) working day of the authorization; and
2. Confirm the authorization in writing with you or your Authorized Representative within five (5) working days after the telephone notification. The written notification will include the number of extended days or next review date, or the new total number of health care Services approved.

If the request for extended stay or additional health care Services is denied, the Health Plan will:

1. Notify the provider and/or you or your Authorized Representative of the denial by telephone within one (1) working day of making the denial decision; and

Kaiser Permanente

Your Small Group Agreement and Evidence of Coverage

2. Confirm the denial in writing with you or your Authorized Representative and/or the provider within five (5) working days of the denial. Coverage will continue for health care Services until you or your Authorized Representative and the provider rendering the health care Service have been notified of the denial decision in writing.

You or your Authorized Representative may then file an Appeal or Grievance as described in this section. If you filed a request for additional services at least twenty-four (24) hours before the end of an approved course of treatment, you may continue to receive those services during the time your Appeal or Grievance is under consideration. If your Appeal or Grievance is then denied, you will be financially responsible for the entire cost of those services. Otherwise, if your request for additional services was not timely filed, the Health Plan will decide your request for review within a reasonable period of time appropriate to the circumstances but in no event later than thirty (30) calendar days from the date on which the Appeal or Grievance was received.

Post-Service Claim Reviews

The Health Plan will make its determination on post-service review within thirty (30) days of receiving a claim. If Health Plan approves the claim, benefits payable under your contract will be paid within thirty (30) days of receiving the receipt of written proof of loss. This time period may be extended one (1) time by us, for up to fifteen (15) calendar days, if we determine that an extension is necessary because the:

1. Legitimacy of the claim or the appropriate amount of reimbursement is in dispute and additional information is necessary; or
2. Claim is not clean and, therefore, we need more information to process the claim.

We will notify you of the extension within the initial thirty (30)-day period. Our notice will explain the circumstances requiring the extension and the date upon which we expect to render a decision. If such an extension is necessary because we need information from you, then our notice of extension will specifically describe the required information which you need to submit. You must respond to requests for additional information within forty-five (45) calendar days or we will make our decision based upon the information we have available to us at that time.

We will send a notice to you or your Authorized Representative explaining that:

1. The claim was paid; or
2. The claim is being denied in whole or in part; or
3. Additional information is needed to determine if all or part of the claim will be reimbursed and what specific information must be submitted; or
4. The claim is incomplete and/or unclean and what information is needed to make the claim complete and/or clean.

If we deny payment of the claim, in whole or in part, you or your Authorized Representative may then file an Appeal or Grievance as described in this section.

Notice of Claim

We do not require a written notice of claim. Additionally, Covered Persons are not required to use a claim form to notify us of a claim.

Filing for Payment or Reimbursement of a Covered Service or Post-Service Claim

Notice of Claim and Proof of Loss Requirements

When the Health Plan receives a notice of claim, we will provide you with the appropriate forms for filing proof of loss. If we do not provide you with claim forms within fifteen (15) days of your notice to us, then you will be considered to have complied with the proof of loss requirements of this Agreement after you have submitted written proof that details the occurrence and the character and extent of the loss for which you have made a claim.

We consider an itemized bill or a request for payment or reimbursement of the cost of covered services received from physicians, hospitals or other health care providers not contracting with us to be sufficient proof of the covered service you received or your post-service claim. Simply mail or fax a proof of payment and a copy of the bill to us with your medical record number written on it. Your medical record number can be found on the front of your Kaiser Permanente identification card. Please mail or fax your proof to us within one (1) year at the following address:

Kaiser Permanente National Claims Administration - Mid-Atlantic States
PO Box 371860
Denver, CO 80237-9998
Fax: 1-866-568-4184

Failure to submit such proof within one (1) year will not invalidate or reduce the amount of your claim if it was not reasonably possible to submit the request within that time frame. If it is not reasonably possible to submit the proof within one (1) year after the date of service, we ask that you ensure that it is sent to us no later than two (2) years from the date of service. A Covered Person's legal incapacity shall suspend the time restrictions regarding the submission of proof; however, any suspension period will end when legal capacity is regained.

You may also file a claim by visiting **www.kp.org** and completing an electronic form and uploading supporting documentation or by mailing a paper form that can be obtained by either visiting **www.kp.org** or by calling the Member Services Department at the number listed below.

If you are unable to access the electronic form or obtain the paper form, you may also file your claim by mailing the minimum amount of information we need to process claim to the address above:

- Covered Person's Name;
- Medical Record Number (MRN);
- The date the Covered Person received the Services;
- Where the Covered Person received the Services;
- Who provided the Services;
- Reason you believe we should pay for the Services; and

Kaiser Permanente

Your Small Group Agreement and Evidence of Coverage

- A copy of the bill, the Covered Person's medical record(s) for the Services, and the receipt, if you paid for the Services.

Each Covered Person claiming reimbursement under this contract shall complete and submit any consents, releases, assignments and/or other documents to the Health Plan that we may reasonably request for the purpose of acting upon a claim.

A Grievance must be filed within one-hundred eighty (180) calendar days from the date of receipt of the Adverse Decision notice. If the Grievance is filed after one-hundred eighty (180) calendar days, we will send a letter denying any further review due to lack of timely filing.

If we need additional information to complete our internal Grievance process within five (5) working days after you or your Authorized Representative file a Grievance, we will notify you or your Authorized Representative that we cannot proceed with review of the Grievance unless we receive the additional information. If you require assistance, we will assist you to gather necessary additional information without further delay.

Grievance Acknowledgment

We will acknowledge receipt of your Grievance within five (5) working days of the filing date of the written Grievance notice. The filing date is the earliest of five (5) calendar days after the date of the mailing postmark or the date your written Grievance was received by us.

Pre-service Grievance

If you have a Grievance about a health care Service that has not yet been rendered, an acknowledgment letter will be sent requesting any additional information that may be necessary within five (5) working days after the filing date. We will also inform you or your Authorized Representative that a decision regarding the Grievance will be made and provided in writing. Such written notice will be sent within thirty (30) working days of the filing date of the Grievance or within five (5) working of the decision whichever comes first.

Post-service Grievance

If the Grievance requests payment for health care Services already rendered to you, a retrospective acknowledgment letter will be sent requesting additional information that may be necessary within five (5) working days after the filing date. We will also inform you or your Authorized Representative that a decision regarding the Grievance will be made and provided in writing. Such written notice will be sent within the earlier of forty-five (45) working days or sixty (60) calendar days of the filing date of the Grievance or within five (5) working of the decision whichever comes first.

For both pre-service and post-service Grievances, we will send you or your Authorized Representative a letter requesting an extension if we anticipate that there will be a delay in our concluding the Grievance within the designated period. The requested extension period shall not exceed more than thirty (30) working days. If you or your Authorized Representative does not agree to the extension, then the Grievance will be completed in the originally designated time frame. Any agreement to extend the period for a Grievance decision will be documented in writing.

If the pre-service or post-service Grievance is approved, a letter will be sent to you or your Authorized Representative confirming the approval. If the Grievance was filed by your Authorized Representative, then a letter confirming the Grievance Decision will also be sent to you.

In the case of an agreed upon extension, we will communicate our decision to you or your Authorized Representative and provide written notice of the decision by no later than the end of the extension period

or within 5 working days from the date of the decision, whichever comes first.

Grievance Decision Time Periods and Complaints to the Commissioner

For pre-service Grievances, if you or your Authorized Representative does not receive a Grievance Decision from us on or before the later of the:

1. 30th working day from the date the Grievance was filed; or
2. End of an extension period to which was agreed, then:
 - a. You or your Authorized Representative may file a Complaint with the Commissioner without waiting to hear from us.

For post-service Grievances, if you or your Authorized Representative does not receive a post-service Grievance Decision from us on or before the later of the:

1. 45th working day from the date the Grievance was filed; or
2. End of an extension period that to which was agreed, then:
 - a. You or your Authorized Representative may file a Complaint with the Commissioner without waiting to hear from us.

Note: In cases in which a Complaint is filed with the Commissioner, you or your Authorized Representative must authorize the release of medical records to the Commissioner to assist with reaching a decision in the Complaint.

Expedited Grievances for Emergency Cases

You or your Authorized Representative may seek an expedited review in the event of an Emergency Case as that term is defined for this section. An expedited review of an Emergency Case may be requested by calling Member Services at 1-800-777-7902 or 711 (TTY).

Once an expedited review is initiated, a clinical review will determine whether you have a medical condition that meets the definition of an Emergency Case. A request for expedited review must contain a telephone number where we may reach you or your Authorized Representative to communicate information regarding our review. In the event that additional information is necessary for us to make a determination regarding the expedited review, we will notify you or your Authorized Representative by telephone to inform him/her that consideration of the expedited review may not proceed unless certain additional information is provided to us. Upon request, we will assist in gathering such information so that a determination may be made within the prescribed timeframes.

If the clinical review determines that you do not have the requisite medical condition, the request will be managed as a non-expedited Grievance pursuant to the procedure outlined above. If we determine that an Emergency Case does not exist, we will verbally notify you or your Authorized Representative within twenty-four (24) hours and provide notice of the right to file a Complaint with the Commissioner.

If we determine that an Emergency Case does exist, then the expedited review request will be reviewed by a physician who is board certified or eligible in the same specialty as the treatment under review and who is neither the individual nor a subordinate of the individual who made the initial decision. If additional information is needed to proceed with the review, we will contact you or your Authorized Representative by telephone.

Within twenty-four (24) hours of the filing date of the expedited review request, we will verbally notify

Kaiser Permanente

Your Small Group Agreement and Evidence of Coverage

you or your Authorized Representative of our decision. We will send written notification within one (1) calendar day following verbal communication of the decision. If approval is granted, then we will assist the Covered Person in arranging the authorized treatment or benefit. If the expedited review results in a denial, we will notify you or your Authorized Representative in writing within one (1) calendar day following verbal communication of the decision.

If we fail to make a decision within the stated timeframes for an expedited review, you or your Authorized Representative may file a Complaint with the Commissioner without waiting to hear from us.

1. The specific factual basis for the decision in clear and understandable language;

threshold language applies to a county if at least 10 percent of the population is literate only in the same foreign language that is identified as a federally mandated non-English language. If we send you a notice of an Appeal Decision to an address in a county where a federally mandated threshold language applies, then you or your Authorized Representative may request translation of that notice into the applicable threshold language. You or your Authorized Representative may request translation of the notice by contacting Member Services Monday through Friday between 7:30 a.m. and 9 p.m. at 1-800-777-7902 or 711 (TTY).

Initiating an Appeal

These internal Appeal procedures are designed by the Health Plan to assure that concerns are fairly and properly heard and resolved. These procedures apply to a request for reconsideration of a Coverage Decision rendered by the Health Plan, in regard to any aspect of the Health Plan's health care Service. You or your Authorized Representative may also request an Appeal by contacting Member Services Monday through Friday between 7:30 a.m. and 9 p.m. at 1-800-777-7902 or 711 (TTY).

Member Services Representatives are also available to describe how Appeals are processed and resolved.

You or your Authorized Representative, as applicable, may review the Health Plan's Appeal file and provide evidence and testimony to support the Appeal request.

Along with an Appeal, you or your Authorized Representative may also send additional information including comments, documents or additional medical records that are believed to support the claim. If the Health Plan requested additional information before and you or your Authorized Representative did not provide it, the additional information may still be submitted with the Appeal. Additionally, testimony may be given in writing or by telephone. Written testimony may be sent with the Appeal to the address listed above. To arrange to provide testimony by telephone, contact Member Services Monday through Friday between 7:30 a.m. and 9 p.m. at 1-800-777-7902 or 711 (TTY). The Health Plan will add all additional information to the claim file and will review all new information regardless of whether this information was submitted and/or considered while making the initial decision.

Kaiser Permanente

Your Small Group Agreement and Evidence of Coverage

Prior to rendering its final decision, the Health Plan will provide you or your Authorized Representative with any new or additional evidence considered, relied upon or generated by (or at the direction of) the Health Plan in connection with the Appeal, at no charge. If during the Health Plan's review of the Appeal, we determine that an adverse coverage decision can be made based on a new or additional rationale, then we will provide you or your Authorized Representative with this new information prior to issuing our final coverage decision and will explain how you or your Authorized Representative can respond to the information, if desired. The additional information will be provided to you or your Authorized Representative as soon as possible, and sufficiently before the deadline to provide a reasonable opportunity to respond to the new information.

After the Health Plan receives the Appeal, we will respond to you or your Authorized Representative in writing within:

1. Thirty (30) working days for a pre-service claim; or
2. Sixty (60) working days for a post-service claim.

If the Health Plan's review results in a denial, the written notification will include:

1. The specific factual basis for the decision in clear and understandable language;
2. Reference to the specific plan provision on which determination was based. Additionally, you or your Authorized Representative has the right to request any diagnostic and treatment codes and their meanings that may be the subject of the associated claim;
3. A description of your or your Authorized Representative's right to file a Complaint with the Commissioner within four (4) months following receipt of our Appeal Decision;
4. The Commissioner's address and telephone and facsimile numbers;
5. A statement the Health Education and Advocacy Unit is available to assist you or your Authorized Representative with filing a Complaint about the Health Plan with the Commissioner; and
6. The Health Education and Advocacy Unit's address, telephone and facsimile numbers and email address.

Note: The Health Plan must provide notice of an adverse decision in a non-English language if certain thresholds are met for the number of people who are literate in the same non-English language. A threshold language applies to a county if at least 10 percent of the population is literate only in the same foreign language that is identified as a federally mandated non-English language. If we send you a notice of an Appeal Decision to an address in a county where a federally mandated threshold language applies, then you or your Authorized Representative may request translation of that notice into the applicable threshold language. You or your Authorized Representative may request translation of the notice by contacting Member Services Monday through Friday between 7:30 a.m. and 9 p.m. at 1-800-777-7902 or 711 (TTY).

Your Small Group Agreement and Evidence of Coverage

SECTION 6: Termination of Membership

This section describes how your membership may end and explains how you will be able to maintain Health Plan coverage without a break in coverage if your membership under this contract ends.

If a Subscriber's membership ends, both the Subscriber's and any applicable Dependents memberships will end at the same time. We will inform you of the date your coverage terminates and the reason for the termination. This termination notice will be provided at least thirty (30) days before the termination date. If your membership terminates, all rights to benefits end at 11:59 p.m. Eastern Time (the time at the location of the administrative office of Health Plan at 2101 East Jefferson Street, Rockville, Maryland 20852) on the termination date. The Health Plan and Plan Providers have no further responsibility under this contract after a membership terminates, except as provided under *Extension of Benefits* in this section.

Termination

Termination of Your Group Agreement

If your Group's Agreement with us terminates for any reason, your membership ends on the same date that your Group's Agreement terminates.

Termination Due to Loss of Eligibility

Your membership will terminate if you no longer meet the conditions under which you became eligible to be enrolled, as described in *Eligibility for This Plan* in **Section 1: Introduction to Your Kaiser Permanente Health Plan**.

If you are eligible on the 1st day of a month, but later in that month you no longer meet those eligibility requirements, your membership terminates on the last day of that month unless your Group has an arrangement with us to terminate at a time other than the last day of the month. Please check with the Group's benefits administrator to confirm your termination date.

Termination Due to Change of Residence

If the Subscriber no longer lives or works within the Health Plan's Service Area, which is defined in the section *Important Terms You Should Know*, we may terminate the membership of the Subscriber and all Dependents in his or her Family Unit by sending notice of termination at least thirty (30) days prior to the termination date.

Termination for Cause

By sending written notice to the Subscriber at least thirty (30) days before the termination date, we may terminate the Subscriber or any Dependent's membership for cause if you or your Dependent(s):

1. Knowingly perform an act, practice or omission that constitutes fraud, which under certain circumstances may include, but is not limited to, presenting a fraudulent prescription or physician order, selling your prescription or allowing someone else to obtain Services using your Kaiser Permanente identification card; or
2. Make an intentional misrepresentation of material fact.

Kaiser Permanente

Your Small Group Agreement and Evidence of Coverage

Additionally, if the fraud or intentional misrepresentation was committed by:

1. The Subscriber, we may terminate the memberships of the Subscriber and all Dependents in the Family Unit.
2. A Dependent, we may terminate the membership of only that Dependent.

We may report fraud committed by any Covered Person to the appropriate authorities for prosecution.

Termination for Nonpayment

You are entitled to coverage only for the period for which we have received the appropriate Premium from your Group. If your Group fails to pay us the appropriate Premium for your Family Unit, we will terminate the memberships of everyone in your Family Unit.

Extension of Benefits

In those instances when your coverage with us has terminated, we will extend benefits for covered Services, without Premium, in the following instances:

1. If you are Totally Disabled at the time your coverage ends, we will continue to provide benefits for covered services related to the condition causing the disability. Coverage will stop at the point you no longer qualify as being Totally Disabled, or up to twelve (12) months from the date your coverage ends, whichever comes first.
2. If you have ordered eyeglasses or contact lenses before the date your coverage ends, we will provide benefits for covered eyeglasses or contact lenses received within thirty (30) days following the date you placed the order.
3. If you are in the midst of a course of covered dental treatment at the time your coverage ends, we will continue to provide benefits, in accordance with the EOC in effect at the time your coverage ended, for a period of ninety (90) days following the date your coverage ended.
4. If you are in the midst of a course of covered orthodontic treatment at the time your coverage ends, we will continue to provide benefits, in accordance with the EOC in effect at the time your coverage ended, for a period of:
 - a. Sixty (60) days following the date your coverage ended if the orthodontist has agreed to or is receiving monthly payments; or
 - b. Until the latter of sixty (60) days following the date your coverage ended, or the end of the quarter in progress, if the orthodontist has agreed to accept or is receiving payments on a quarterly basis.

To assist us, if you believe you qualify under this *Extension of Benefits* provision, we encourage you to notify us in writing.

Limitation(s):

The *Extension of Benefits* section listed above does not apply to the following:

1. Failure to pay Premium by the Covered Person;
2. Covered Persons whose coverage ends because of fraud or material misrepresentation by the Covered Person;
3. When coverage is provided by a succeeding health plan and that health plan's coverage:

Kaiser Permanente

Your Small Group Agreement and Evidence of Coverage

- a. Is provided at a cost to the individual that is less than or equal to the cost to the individual of the extended benefit available under this EOC; and
- b. Will not result in an interruption of benefits to the Covered Person.

Discontinuation of a Product or All Products

We may discontinue offering a particular product or all products in a market, as permitted by law. If we discontinue offering in a market the product described in this EOC, we will provide ninety (90) days' prior written notice to the Subscriber. If we discontinue offering all products to groups in a market, we will give one-hundred eighty (180) days' prior written notice to the Subscriber.

Continuation of Group Coverage Under Federal Law

COBRA

You or your Dependents may be able to continue your coverage under this EOC for a limited time after you would otherwise lose eligibility. Covered Persons are eligible for COBRA continuation coverage even if they live in another Kaiser Foundation Health Plan or allied plan service area. Please contact your Group if you want to know whether you or your Dependents are eligible for COBRA coverage, how to elect COBRA coverage, or how much you will have to pay your Group for it.

USERRA

If you are called to active duty in the uniformed services, you may be able to continue your coverage under this EOC for a limited time after you would otherwise lose eligibility, if required by the federal USERRA law. Covered Persons are not ineligible for USERRA continuation coverage solely because they move or live outside our Service Area. For Covered Persons who serve in the military, you must submit a USERRA election form to your Group within sixty (60) days following your call to active duty. Please contact your Group if you want to know how to elect USERRA coverage or how much you will have to pay your Group for it.

Continuation of Coverage Under State Law

Death of the Subscriber

Upon the Subscriber's death, the spouse of the Subscriber and any Dependent children of the Subscriber (including any of the Subscriber's children born after the Subscriber's death), may continue uninterrupted coverage hereunder, upon arrangement with the Group in compliance with applicable Maryland law.

The election period for such coverage provided under Maryland law shall begin with the date on which there has been an applicable change in status and end no sooner than forty-five (45) days after such date.

Group coverage under this section continues for those Dependents who are eligible for state continuation coverage, only upon payment of applicable monthly charges, which may include an allowable reasonable administrative fee, not to exceed two percent of the entire cost to the employer, to your Group's Premium charge at the time specified by Group, and terminates on the earliest of:

1. Termination of this Agreement;
2. Eligibility of the Covered Person for hospital, medical or surgical benefits under an insured or self-insured group health benefit program or plan, other than the group contract, that is written on an expense-incurred basis or is with a health maintenance organization;

3. Entitlement of the Covered Person to benefits under Title XVIII of the Social Security Act;
4. Acceptance by the Covered Person of any hospital, medical or surgical coverage under a non-group contract or policy that is written on an expense-incurred basis or is with a health maintenance organization;
5. Ceasing to qualify as a Dependent child (in which case only the coverage of the affected formerly Dependent child would be impacted); or
6. The expiration of eighteen (18) calendar months following the death of the Subscriber.

Divorce of the Subscriber and His/Her Spouse

If a Covered Person would otherwise lose coverage due to divorce from the Subscriber, the former spouse of the Subscriber and any Dependent children of the Subscriber (including any of the Subscriber's children born after the divorce), may continue uninterrupted coverage hereunder, upon arrangement with the Group in compliance with applicable Maryland law. The notification period for the applicable change in status provided under Maryland law shall begin with the date on which there has been a change in status and end no sooner than sixty (60) days after such date.

Group coverage under this section continues for those Dependents who are eligible for state continuation coverage, only upon payment of applicable monthly charges to Group at the time specified by Group, and terminates on the earliest of:

1. Termination of this Agreement;
2. Eligibility of the Covered Person for hospital, medical or surgical benefits under an insured or self-insured group health benefit program or plan, other than the group contract, that is written on an expense-incurred basis or is with a health maintenance organization;
3. Entitlement of the Covered Person to benefits under Title XVIII of the Social Security Act;
4. Acceptance by the Covered Person of any hospital, medical or surgical coverage under a non-group contract or policy that is written on an expense-incurred basis or is with a health maintenance organization;
5. Ceasing to qualify as a Dependent child (in which case only the coverage of the affected formerly Dependent child would be impacted); or
6. Remarriage of the Covered Person who is the divorced former spouse of the Subscriber (in which case only the coverage of the divorced former spouse of the Subscriber would be impacted).

Voluntary or Involuntary Termination of a Subscriber's Employment for Reasons Other Than for Cause

If you would otherwise lose coverage due to the voluntary or involuntary termination of the Subscriber's employment, for any reason other than for cause, the Subscriber's spouse and any Dependent children who were covered under this contract before the change in employment status of the Subscriber, may continue uninterrupted coverage hereunder, upon arrangement with Group in compliance with applicable Maryland law, if the Subscriber resides in Maryland.

Group coverage under this section continues for those Dependents who are eligible for state continuation coverage, only upon payment of applicable monthly charges, which may include an allowable reasonable administrative fee, not to exceed two percent of the entire cost to the employer, to your Group's Premium

3. Entitlement of the Covered Person to benefits under Title XVIII of the Social Security Act;
4. Acceptance by the Covered Person of any hospital, medical or surgical coverage under a non-group contract or policy that is written on an expense-incurred basis or is with a health maintenance organization;
5. Ceasing to qualify as a Dependent (in which case only the coverage of the affected formerly Dependent child would be impacted); or
6. The expiration of eighteen (18) calendar months after the termination of the Subscriber's employment.

Coverage Under the Continuation Provision of Group's Prior Plan

An individual who previously had continued group coverage with a health benefits carrier or health maintenance organization other than the Health Plan and who becomes, by virtue of applicable Maryland law, eligible to continue Group coverage with the Health Plan, may enroll in Health Plan coverage and continue that coverage as set forth in this section.

For purposes of this section, Covered Person or Dependent includes a child born to a surviving or divorced spouse who is enrolled under this section.

Unless otherwise agreed to by your Group, subject to these provisions, a person who is a Covered Person hereunder on the 1st day of a month is covered for the entire month.

SECTION 7: Other Important Provisions of Your Plan

This section contains additional special provisions that apply to this EOC.

Applications and Statements

Any applications, forms or statements specified in this EOC, or that we request in our normal course of business, must be completed by you or your Authorized Representative.

Assignment

You may not assign this EOC or any of the benefits, interests, obligations, rights or claims for money due hereunder without our prior written consent.

Attorney Fees and Expenses

In any dispute between a Covered Person and the Health Plan or Plan Providers, each party will bear its own attorney fees and other expenses.

Certificates

A certificate is a statement that summarizes the benefits and rights that pertain to each Covered Person under this contract. We will provide you with a certificate, which will be delivered either:

1. Directly to each Subscriber, as only one statement per Family will be issued when Dependents are enrolled under this Plan; or
2. To your Group, for distribution to each Subscriber of the Group.

Contestability

This contract may not be contested, except for non-payment of Premium, after it has been in force for two (2) years from the date of issue.

A statement made by a Covered Person in relation to insurability may not be used to contest the validity of their coverage if the statement was made after coverage was in force for a period of two (2) years before the contest.

Absent of fraud, each statement made by an applicant, employer or Covered Person is considered a representation; not a warranty. Therefore, a statement made to effectuate coverage may not be used to void coverage or reduce benefits under the contract unless:

1. The statement is documented in writing and signed by the applicant, employer or Covered Person; and
2. A copy of the statement is provided to the applicant, employer or Covered Person.

1. A proposed or delivered Service is or was not Medically Necessary, appropriate or efficient; and
2. May result in non-coverage of the health Care Service.

A denial by the Health Plan of a request by a Covered Person for an alternative standard or a waiver of a standard to satisfy the requirements of a wellness program.

An Adverse Decision does not include a decision about the enrollment status as a Covered Person under the Health Plan.

 - a. Obtained at a pharmacy owned and operated by Health Plan, the amount the pharmacy would charge a Covered Person for the item if a Covered Person's benefit plan did not cover the item. This amount is an estimate of the cost of acquiring, storing and dispensing drugs, the direct and indirect costs of providing Kaiser Permanente pharmacy Services to Covered Persons, and the pharmacy program's contribution to the net revenue requirements of Health Plan.
 - b. Obtained at a Plan Pharmacy other than a pharmacy owned and operated by Health Plan, the cost of the item calculated on a discounted wholesale price plus a dispensing fee;
3. Emergency Services from a Non-Participating Provider, including Post-Stabilization Care that constitutes Emergency Services under federal law, the Out-of-Network Rate.

It is your responsibility to pay all applicable Coinsurance, Copayments, Deductibles, and any fee-for-service charges for non-covered Services directly to the Plan Provider. The Plan Provider has agreed to accept Health Plan's payment plus your Coinsurance, Copayment, and Deductible as full payment for covered Services.
- F. A Non-Plan Provider, at his/her/its discretion may: (1) require payment at the time Services are received; (2) bill you directly for the Services received, or (3) bill Health Plan directly for the Services you received.

Regardless of how the Non-Plan Provider elects to collect payment for Services, it is your responsibility to pay all applicable Coinsurance, Copayments, Deductibles, Excess Charges, or fee-for-service charges for non-covered Services directly to the Non-Plan Provider.

It is also your responsibility to file a claim with Health Plan for payment and/or reimbursement. For information on how to submit a claim, please see the "Submission of Claims" section of this Point-of-Service Amendment.

III. BENEFIT LIMITATIONS

- A. The "Benefit, Exclusions and Limitations" section of the Small Group Evidence of Coverage also apply to this Point-of-Service Amendment.
- B. Health Plan will combine the In-Plan and Out-of-Plan usage of covered Services that have a specific visit or day limitations to reach the maximum number of days or visits allowable per Contract Year.
- C. Urgent Care Services received inside the Service Area that are provided by Non-Plan Providers will be treated as Out-of-Plan benefits.

IV. OUT-OF-PLAN ANNUAL DEDUCTIBLE

Each Contract Year, each Covered Person or Family Unit is responsible for the Individual or Family Deductible amount before the Health Plan will pay any portion of the Usual, Customary and Reasonable charges for covered Services received Out-of-Plan. For a Family Unit, no one Covered Person will be responsible for more than the individual Deductible. Once one (1) Covered Person has satisfied the individual Deductible, the expenses of all other Covered Persons in a Family Unit may be combined to satisfy the remaining Family Deductible. The individual Deductible and the Family Deductible for this plan can be found in the "Summary of Services and Cost Shares."

V. COINSURANCE AND EXCESS CHARGES

Coinsurance referred to in this Point-of-Service Amendment applies to the covered Services you receive Out-of-Plan. When using Out-of-Plan covered Services, you have the choice of receiving covered Services from Plan Providers and Non-Plan Providers. However, you should always be aware that by electing to receive covered Services Out-of-Plan, you are not only responsible for the annual Deductible and Coinsurances, but also for payment of the difference between the Usual, Customary and Reasonable charges and the Non-Plan Provider's actual billed charges for the Services you received. This difference is known as "Excess Charges." Any Excess Charge does not count toward your Deductible, Coinsurance, and Out-of-Pocket Maximum. Your Coinsurance amounts for each covered Services can be found on the "Summary of Services and Cost Shares."

VI. OUT-OF-POCKET MAXIMUM

Each Contract Year, each Covered Person or Family Unit is responsible for the Individual or Family Out-of-Pocket Maximum for covered Services received In-Plan and Out-of-Plan. In-Plan and Out-of-Plan Out-of-Pocket Maximum are separate (i.e. applicable expenses for services provided by In-Plan providers accumulate towards the In-Plan Out-of-Pocket Maximum, and applicable expenses for services provided by Out-Of-Plan providers accumulate towards the Out-Of-Plan Out-of-Pocket Maximum).

For a Family Unit, no one Covered Person will be responsible for more than the individual Out-of-Pocket Maximum. Once one Covered Person has satisfied the individual Out-of-Pocket Maximum, his or her Out-of-Pocket Maximum will be met for the rest of the Contract Year. Other Covered Persons will continue to pay applicable Cost Shares for Services that are subject to the Out-of-Pocket Maximum until the Family Out-of-Pocket Maximum is met. The expenses of all other Covered Persons may be combined to satisfy the remaining Family Out-of-Pocket Maximum for the rest of the Contract Year.

Only the maximum amount of the Coinsurance, Copayments and the annual Deductible payments for covered Services will count toward the Out-of-Pocket Maximum. Once you or the Family Unit have satisfied the Out-of-Pocket Maximum, you or the Family Unit will no longer be required to pay any Coinsurance or Copayment amounts for covered Services for the remainder of the Contract Year. Excess Charges do not apply toward the Out-of-Pocket Maximum, and are not covered under this Plan.

The Out-of-Pocket Maximum that you or the Family Unit are obligated to pay for covered Services in a Contract Year under this Point-of-Service Amendment can be found on the “Summary of Services and Cost Shares.”

VII. PRE-CERTIFICATION/AUTHORIZATION FOR COVERED SERVICES

Health Plan requires that the following Out-of-Plan Services be pre-certified/authorized **before** you receive them:

- A. Abortion Care Services, Elective/Therapeutic

- C. Allergy Treatment and Injections

To obtain pre-certification/authorization of these Services, you must call the Health Plan at the phone number listed on the Covered Person's ID card.

If you fail to obtain pre-certification/authorization for the Services listed above, Health Plan **will not pay nor reimburse** the cost of these Services. You will be responsible for all charges you incur for these Services.

Emergency Hospital Admissions

With respect to Emergency Hospital admissions, you have the choice of using either your In-Plan benefits or Out-of-Plan benefits once a Plan Provider determines that your medical condition is stabilized and that you can be transferred to a Plan Hospital.

You will receive In-Plan benefits only if you:

- A. Notify us within 48 hours or the first working day following the admission, unless it was not reasonably possible for you to notify us within that time; and
- B. Agree to be transferred to a Plan Hospital.

You will receive Out-of-Plan benefits if you:

- A. Notify us within 48 hours or the first working day following the admission, unless it was not reasonably possible for you to notify us within that time; and
- B. Do not agree to be transferred to a Plan Hospital.

VIII. SUBMISSION OF CLAIMS

When the Health Plan receives a notice of claim, we will provide you with the appropriate forms for filing proof of loss. If we do not provide you with claim forms within fifteen (15) days of your notice to us, then you will be considered to have complied with the proof of loss requirements of this Agreement after you have submitted written proof that details the occurrence and the character and extent of the loss for which you have made a claim.

When you receive covered Services from a Plan Provider, without a referral from the primary care Plan Physician, there is no need to file a claim with us. Plan Providers have agreed to submit their claims directly to us.

When you receive covered Services from a Non-Plan Provider, you are responsible for submitting itemized bills, a request for payment or reimbursement of the cost of covered Services to us for payment and/or reimbursement. Simply mail or fax a proof of payment and a copy of the bill to us with your medical record number written on it. Your medical record number can be found on the front of your Kaiser Permanente identification card. Please mail or fax your proof to us within one (1) year at the following address:

Kaiser National Claims Administration - Mid-Atlantic States
 Attention: Claims Department
 P. O. Box 371860
 Denver, CO 80237-9998
 Fax: 1-866-568-4184

Failure to submit such proof within one (1) year will not invalidate or reduce the amount of your claim if it was not reasonably possible to submit the request within that time frame. If it is not reasonably possible to submit the proof within one (1) year after the date of service, we ask that you ensure that it is sent to us no later than two (2) years from the time proof is otherwise required. A Covered Person's legal incapacity shall suspend the time restrictions regarding the submission of proof; however, any suspension period will end when legal capacity is regained.

Benefits payable under the Small Group Evidence of Coverage for any loss will be paid not more than 30 days after receipt of written proof of loss. If a claim is denied in whole or in part, the written notice of the denial will contain the reasons for denial and reference to the pertinent provisions of the Small Group Evidence of Coverage and this Amendment.

Each Covered Person claiming reimbursement under this contract shall complete and submit any consents, releases, assignments and/or other documents to the Health Plan that we may reasonably request for the purpose of acting upon a claim.

If a claim is denied, you or your Authorized Representative may file an appeal in accordance with the "Health Care Service Review, Appeals and Grievances section of your Small Group Evidence of Coverage.

This Added Choice: A Point-of-Service Amendment is subject to all the terms and conditions of the Small Group Agreement and Small Group Evidence of Coverage to which this Point of Service Amendment is attached. This Point of Service Amendment does not change any of those terms and conditions, unless specifically stated in this Amendment.

Covered Preventive Care Dental Services: These include, but are not limited to: oral evaluation, cleaning and certain diagnostic X-rays.

Participating Dental Provider: A licensed dentist who has entered into an agreement with the Dental Administrator to provide Covered Preventive Care Dental Services, Covered Dental Services and/or other dental Services at negotiated contracted rates.

General Provisions

Subject to the terms, conditions, limitations, and exclusions specified in this Appendix, you may receive Covered Preventive Care Dental and Covered Dental Services from Participating Dental Providers. You may receive Covered Dental Services from a non-Participating Dental Provider for emergencies, urgent care received outside the Health Plan’s Service Area, and Services obtained pursuant to a referral to a non-participating specialist.

The Health Plan has entered into an agreement with the Dental Administrator to provide Covered Preventive Care Dental Services and certain other Covered Dental Services through its Participating Dental Providers.

Attached is a list of Covered Preventive Care Dental Services and other Covered Dental Services and the associated Dental Fees that you will be charged for each Service. You will pay a \$10 fixed copayment for each office visit.

Kaiser Permanente Your Small Group Agreement and Evidence of Coverage

You will pay Dental Fees for certain other Covered Dental Services you receive from Participating Dental Providers. You will pay the applicable Dental Fee directly to the Participating Dental Provider at the time Services are rendered. The Participating Dental Provider has agreed to accept that Dental Fee as payment in full of the Member's responsibility for that procedure. Neither the Health Plan nor Dental Administrator are responsible for payment of these fees or for any fees incurred as the result of receipt of non-Covered Dental Services or any other non-covered dental service.

Covered Dental Services are not subject to a Deductible. Copayments and Dental Fees set forth in the attached *Pediatric Dental Plan Schedule of Dental Fees* apply toward the Out-of-Pocket Maximum in the *Summary of Services and Cost Shares Appendix* of this Agreement.

You will receive a list of Participating Dental Providers from the Health Plan or from the Dental Administrator. You should select a Participating Dental Provider, who is a "General Dentist," from whom you and your covered family members will receive Covered Preventive Care Dental Services and other Covered Dental Services. Specialty care is also available should such care be required; however, you must be referred to a Dental Specialist by your General Dentist.

Specialist Referrals

Participating Specialist Referrals

If, in the judgment of your General Dentist, you require the Services of a specialist, you may be referred to a Dental Specialist who will provide Covered Dental Services to you at the Dental Fee for each procedure rendered. Please note that a referral is not required to receive Covered Dental Services from a participating pediatric dentist.

Non-Participating Specialist Referrals

Benefits may be provided for referrals to non-Participating Dental Provider specialists when you have been diagnosed by your General Dentist with a condition or disease that requires care from a dental specialist; and:

1. The Health Plan and Dental Administrator do not have a Participating Dental Provider specialist who possesses the professional training and expertise required to treat the condition or disease; or
2. The Health Plan and Dental Administrator cannot provide reasonable access to a Dental Specialist with the professional training and expertise to treat the condition or disease without unreasonable delay or travel.

The Member's Cost Share will be calculated as if the provider rendering the Covered Dental Services was a Participating Dental Provider.

If during the term of this contract none of the Participating Dental Providers can render necessary care and treatment to the Member due to circumstances not reasonably within the control of the Plan, such as complete or partial destruction of facilities, war, riot, civil insurrection, labor disputes, or the disability of a significant number of the Participating Dental Providers, then the Member may see treatment from an independent licensed dentist of his/her own choosing. The Plan will pay the Member for the expenses incurred for the dental services with the following limitations: The Plan will pay the Member for services which are listed in the Schedule of Dental Fees as "No Charge", to the extent that such fees are reasonable and customary for dentists in the same geographic area; the Plan will also pay the Member for those services for which there is a Copayment, to the extent that the reasonable and customary fees for such services exceed the Copayment for such services as set forth in the Schedule of Dental Fees. The Plan agrees to be subject to the jurisdiction of the Maryland Insurance Commissioner in any determination of the impossibility of providing services by Participating Dental Providers. Please note that the Plan may require the Member to submit a written proof of loss.

Standing Referrals to Dental Specialists

If you suffer from a life-threatening, degenerative, chronic or disabling disease or condition that requires specialized care, your General Dentist may determine, in consultation with you and the Dental Specialist, that you would be best served through the continued care of a Dental Specialist. In such instances, the General Dentist will issue a standing referral to the Dental Specialist.

The standing referral will be made in accordance with a written treatment plan developed by the General Dentist, Dental Specialist, and you. The treatment plan may limit the number of visits to the Dental Specialist or the period of time in which visits to the Dental Specialist are authorized. The Health Plan retains the right to require the Dental Specialist to provide the General Dentist with ongoing communication regarding your treatment and dental health status.

Your Small Group Agreement and Evidence of Coverage

Extension of Benefits

In those instances when your coverage with the Health Plan has terminated, we will extend Covered Dental Services, without payment of Premiums, in the following instances:

1. If you are in the midst of a course of covered dental treatment at the time your coverage ends, we will continue to provide benefits, in accordance with the Evidence of Coverage and Dental Appendix in effect at the time your coverage ended, for a period of ninety (90) days following the date your coverage ended.
2. If you are in the midst of a course of covered orthodontic treatment at the time your coverage ends, we will continue to provide benefits, in accordance with the Evidence of Coverage and Dental Appendix in effect at the time your coverage ended, for a period of:
 - a. Sixty (60) days following the date your coverage ended, if the orthodontist has agreed to or is receiving monthly payments; or
 - b. Until the later of sixty (60) days following the date your coverage ended, or the end of the quarter in progress, if the orthodontist has agreed to accept or is receiving payments on a quarterly basis.

To assist us, if you believe you qualify under this “Extension of Benefits” provision, please notify us in writing.

Extension of Benefits Limitations

The “Extension of Benefits” section listed above does not apply to the following:

1. When coverage ends because of your failure to pay Premiums;
2. When coverage ends as the result of you committing fraud or material misrepresentation;
3. When coverage is provided by a succeeding health plan and that health plan’s coverage:
 - a. Is provided at a cost to you that is less than or equal to the cost to you of the extended benefit available under this Appendix; and
 - b. Will not result in an interruption of the Covered Dental Services you are receiving.

Dental Emergencies Outside the Service Area

When a dental emergency occurs outside the Service Area, the Dental Administrator will reimburse the non-participating provider directly. If the Member has already paid the charges, the Dental Administrator will reimburse the Member (upon proof of payment) instead of paying the provider directly for Covered Dental Services that may have been provided. Reimbursement to the member or provider is not to exceed \$100 per incident. Services are limited to those procedures not excluded under Plan limitations and exclusions.

Proof of payment must be submitted to the Dental Administrator by the provider within one hundred eighty (180) days of treatment. The Dental Administrator will allow Members to submit claims up to one (1) year after the date of service. However, a Member’s legal incapacity shall suspend the time to submit a claim, and the suspension period ends when legal capacity is regained. Failure to submit a claim within one (1) year after the date of Services does not invalidate or reduce the amount of the claim if it was not reasonably possible to submit the claim within one (1) year after the date of Services, and the claim is submitted within two (2) years after the date of service. Benefits payable under this contract for any loss will be paid immediately or within the time required by state regulations after receipt of proof of loss that contains the required supporting documentation. If the Dental Administrator fails to pay claim within the time required

Kaiser Permanente Your Small Group Agreement and Evidence of Coverage

by state regulations, it will pay interest from the date on which payment is required to the date the claim is paid.

Proof of payment should be mailed to:

Dominion National
P.O. Box 211424
Eagan, MN 55121

Coverage is provided for emergency dental treatment as may be required to alleviate pain, bleeding, or swelling. You must receive all post-emergency care from your Participating Dental Provider.

Pre-Authorization of Benefits

The Dental Administrator may require the treating dentist to submit a treatment plan prior to initiating Services. The Dental Administrator may request X-rays or other dental records prior to issuing the pre-authorization. The proposed Services will be reviewed, and a pre-authorization will be issued to you or the dentist specifying coverage. The pre-authorization is not a guarantee of coverage and is considered valid for one-hundred eighty (180) days.

Exclusions and Limitations

1. Services which are covered under worker's compensation or employer's liability laws.
