Notice of Protection Provided by Virginia Life, Accident and Sickness Insurance Guaranty Association

This notice provides a **brief summary** of the Virginia Life, Accident and Sickness Insurance Guaranty Association ("the Association") and the protection it provides for policyholders. This safety net was created under Virginia law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that a life, annuity or accident and sickness insurance company (including a health maintenance organization) licensed in the Commonwealth of Virginia becomes financially unable to meet its obligations and is taken over by its Insurance Department. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Virginia law, with funding from assessments paid by other life and health insurance companies licensed in the Commonwealth of Virginia.

The basic protections provided by the Association are:

- Life Insurance
  - $300,000 in death benefits
  - $100,000 in cash surrender and withdrawal values

- Health Insurance
  - $500,000 for health benefit plans
  - $300,000 in disability income insurance benefits
  - $300,000 in long-term care insurance benefits
  - $100,000 in other types of accident and sickness insurance benefits

- Annuities
  - $250,000 in withdrawal and cash values

The maximum amount of protection for each individual, regardless of the number of policies or contracts is $350,000, except for health benefit plans, for which the limit is increased to $500,000.

Note: Certain policies and contracts may not be covered or fully covered. For example, coverage does not extend to any portion(s) of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. There are also various residency requirements and other limitations under Virginia law.

To learn more about the above protections, please visit the Association's website at www.valifega.org or contact:

Form 405-A (rev. 09/2022)

Your Rights and Protections Against Surprise Medical Bills

When you get emergency care or are treated by an out-of-network provider at an in-network facility, you are protected from surprise billing or balance billing. In these cases, you shouldn't be charged more than your plan's copayments, coinsurance and/or deductible.

What is "balance billing" (sometimes called "surprise billing")?

When you see a doctor or other health care provider, you may owe certain out-of-pocket costs, like a copayment, coinsurance, or a deductible. You may have additional costs or have to pay the entire bill if you see a provider or visit a health care facility that isn't in your health plan's network.

"Out-of-network" means providers and facilities that haven't signed a contract with your health plan to provide services. Out-of-network providers may be allowed to bill you for the difference between what your plan pays, and the full amount charged for a service. This is called "balance billing." This amount is likely more than in-network costs for the same service and might not count toward your plan's deductible or annual out-of-pocket limit.

"Surprise billing" is an unexpected balance bill. This can happen when you can't control who is involved in your care—like when you have an emergency or when you schedule a visit at an in-network facility but are unexpectedly treated by an out-of-network provider. Surprise medical bills could cost thousands of dollars depending on the procedure or service.

Insurers are required to tell you which providers and facilities are in their networks. Providers and facilities must tell you with which provider networks they participate. This information is on the insurer's, provider's or facility's website or on request.

You're protected from balance billing for:

Emergency services
If you have an emergency medical condition and get emergency services from an out-of-network provider or facility, the most they can bill you is your plan's in- network cost-sharing amount (such as deductibles, copayments and coinsurance). You can't be balance billed for these emergency services. This includes services at the same facility that you may get after you're in stable condition, unless you give written consent and give up your protections not to be balanced billed for these post-stabilization services.

Certain services at an in-network facility
When you get services from an in-network facility, certain providers there may be out-of-network. In these cases, the most those providers can bill you is your plan's in-network cost-sharing amount. This applies to emergency medicine, laboratory, surgeon and assistant surgeon services, and professional ancillary services such as anesthesia, pathology, radiology, neonatology, hospitalist, or intensivist services. These providers can't balance bill you and can't ask you to give up your protections not to be balance billed.

If you receive other types of services at these in-network facilities, out-of-network providers **can't** balance bill you unless you give written consent and give up your protections.

You're never required to give up your protections from balance billing. You also aren't required to get out-of-network care. You can choose a provider or facility in your plan's network.

When balance billing isn't allowed, you also have these protections:

- You're only responsible for paying your share of the cost (like the copayments, coinsurance, and deductible that you would pay if the provider or facility was in-network). Your health plan will pay any additional costs to out-of-network providers and facilities directly.

- Generally, your health plan must:

    - Cover emergency services without requiring you to get approval for services in advance (prior authorization).

    - Cover emergency services by out-of-network providers.

    - Base what you owe the provider or facility (cost-sharing) on what it would pay an in-network provider or facility and show that amount in your explanation of benefits.

    - Count any amount you pay for emergency services or out-of-network services toward your in-network deductible and in-network out-of-pocket limit.

If you think you've been wrongly billed, call the federal agencies responsible for enforcing the federal balance billing protection law at: **1-800-985-3059** and/or file a complaint with the Virginia State Corporation Commission Bureau of Insurance at: scc.virginia.gov/pages/File-Complaint-Consumers or call **1-877-310-6560.**

Visit cms.gov/nosurprises/consumers for more information about your rights under federal law.

Consumers covered under (i) a fully-insured policy issued in Virginia, (ii) the Virginia state employee health benefit plan; or (iii) a self-funded group that opted-in to the Virginia protections are also protected from balance billing under Virginia law. Visit scc.virginia.gov/pages/Balance-Billing-Protection for more information about your rights under Virginia law.

Under no circumstances should the terms "you" or "your" be interpreted to mean a Financially Responsible Person, Parent/Guardian or any other nonmember reading or interpreting this Agreement on behalf of a Member.

Important Terms

Some terms in this Agreement are capitalized. They have special meanings. Please see the ***Important Terms You Should Know*** section to familiarize yourself with these terms.

Purpose of this Agreement

If you return this Agreement and it is received by us within ten (10) days, you will receive a full refund of paid Premium and the Agreement will be void and canceled. This right may not be exercised if any Member covered under the Agreement receives the Services under this Agreement within the aforementioned ten (10)-day period.

Administration of Agreement

We may adopt reasonable policies, procedures and interpretations that promote the orderly and efficient administration of this Agreement.

No Waiver

Our failure to enforce any provision of this EOC will not constitute a waiver of that or any other provision, nor impair our right thereafter to require your strict performance of any provision.

How Your Health Plan Works

The Health Plan provides health care Services to Members through an integrated medical care system, rather than reimbursement of expenses on a fee-for-service basis. Please keep this direct service nature in mind as you read this Agreement. Our integrated medical care system is made up of various entities. The relationship between them is explained immediately below.

Relations Among Parties Affected By This Agreement

Kaiser Permanente is comprised of three entities: the Health Plan, Medical Group and Plan Hospitals. Please note that:

1. The relationship between the Health Plan and Medical Group and between the Health Plan and Plan Hospitals are those of independent contractors;
2. Plan Providers and Plan Hospitals are not agents or employees of the Health Plan; and
3. Neither the Health Plan nor any employee of the Health Plan is an employee or agent of Plan Hospitals or Medical Group or any other Plan Provider.

Additionally:

1. Plan Physicians maintain the physician-patient relationship with Members, and are solely responsible to Members for all medical Services; and
2. Plan Hospitals maintain the Hospital-patient relationship with Members and are solely responsible to Members for all Hospital Services.

Patient Information Obtained By Affected Parties

Patient-identifying information from Member medical records, and that is received by Plan Physicians or Plan Hospitals incident to the physician-patient or Hospital-patient relationship, is kept confidential. Patient-identifying information is not disclosed without the prior consent of a Member, except for use by the Health Plan, Plan Hospitals, Medical Group or Plan Physicians in relation to:

1. Administering this Agreement;
2. Complying with government requirements; and
3. Bona fide research or education.

Liability for Amounts Owed By the Health Plan

Members are not liable for any amounts owed to the Medical Group or Plan Hospitals by the Health Plan, as stipulated by contracts between these entities.

Enrollment Through the Exchange

The Health Plan will enroll all Qualified Individuals that apply for coverage with us through the Exchange only if the Exchange:

1. Notifies us that the individual is a Qualified Individual; and
2. Transmits all the information necessary for us to enroll the applicant.

Eligibility for a Kaiser Permanente Individuals and Families Plan

If you or your Dependent are entitled to Medicare Part A or enrolled in Medicare Part B, then you or your Dependent are ineligible for this Kaiser Permanente Individual and Families Plan.

Member Eligibility

Members may be accepted for enrollment and continuing coverage hereunder only upon meeting all of the applicable requirements below, which are set forth by the Health Plan or Exchange, depending on how you applied for coverage.

Subscribers

The Exchange will determine whether an individual is a Qualified Individual under this Plan in accordance with 45 CFR §155.305 and 45 CFR §156.265(b).

Any Subscriber under a Kaiser Permanente for Individuals and Families Plan must reside within our Service Area to be eligible for this Plan.

Dependents

To be a Dependent you must be:

1. The Subscriber's Spouse or Domestic Partner.
2. A Dependent child of the Subscriber or the Subscriber's Spouse or Domestic Partner who is under the limiting age of 26. A Dependent child under the limiting age is defined as either:
    a. A biological child, stepchild, lawfully adopted child or foster child placed for legal adoption with the Subscriber or the Subscriber's Spouse or Domestic Partner; or
    b. An unmarried grandchild, or unmarried child under testamentary or court-appointed Guardianship of the Subscriber or the Subscriber's Spouse or Domestic Partner.
3. A Dependent child under the limiting age of 26 who is not a natural or adopted child, but for whom the Subscriber or the Subscriber's Spouse or Domestic Partner has received a court or administrative order.

An unmarried child who is covered as a Dependent when they reach the limiting age under requirement #2 above may continue coverage if he/she is incapable of self-support by reason of intellectual incapacity or physical handicap. The child must be chiefly dependent upon the Subscriber or the Subscriber's Spouse or Domestic Partner for support and maintenance. Proof of incapacity and dependency must be provided when requested by the Health Plan.

If payment of additional Premium is required to provide coverage for a newborn child then, in order for coverage to continue beyond thirty-one (31) days from the date of birth, notification of birth and payment of additional Premium must be provided within thirty-one (31) days of the date of birth, otherwise coverage for the newborn will terminate thirty-one (31) days from the date of birth.

Coverage beyond the first thirty-one (31) days after birth will only continue if the child is enrolled and any additional premium payment is made to cover the newborn, as required in this EOC.

Subscribers who apply for coverage through the Exchange must notify the Exchange of any change in eligibility of a Dependent for any reason other than the child becomes age 26.

Eligible children of the Subscriber or Subscriber's Spouse or Domestic Partner who live outside of our Service Area are eligible for Dependent coverage. However, the only covered Services outside of our Service Area are:

1. Emergency Services;
2. Urgent Care Services; and
3. Services received in connection with an approved referral, unless you elect to bring the Dependent within our Service Area to receive covered Services from Plan Providers.

Eligibility for Catastrophic Coverage Plans

This provision applies only to Members with catastrophic coverage. Some Plans offer catastrophic coverage, depending on Member age and other factors. Review the Cost Sharing information provided in this Agreement to determine whether or not you are enrolled in catastrophic coverage.

Member Eligibility

In order to enroll and to continue enrollment in our catastrophic Plan, you and each Dependent must individually meet one of the following requirements:

1. You and your Dependent(s) must not have reached age 30 before January 1 of the Calendar Year. If you reach age 30 on or after January 1, your catastrophic coverage will continue until the end of the current Calendar Year. However, you will no longer meet the age qualification for catastrophic coverage beginning January 1 of the next year; or
2. The Health Plan has certified that for the first day of the current Calendar Year, you and/or your Dependent are exempt from the shared responsibility payment for the reasons identified in Internal Revenue Code Section 5000A(e)(1) (relating to individuals without affordable coverage) or 5000A(e)(5) (relating to individuals with hardships).

Payment of Premium

In consideration of the timely Premium paid to the Health Plan or Exchange, we agree to arrange health care Services in accordance with the terms, conditions, limitations and exclusions of this Agreement.

This Plan is contributory in that the Subscriber, on behalf of his/herself and any applicable Dependents, or a Financially Responsible Person, on behalf of an eligible child Member, is responsible for payment of all required Premium. Premium is due directly to Exchange no later than the first day of the coverage month.

The Financially Responsible person may be a Parent/Guardian, but sometimes they are different people. In the event that the Financially Responsible Person and Parent/Guardian:

1. Are not the same person, then this Agreement is a legally binding contract between the:
   a. Health Plan;
   b. Financially Responsible Person; and
   c. Parent/Guardian who holds the legal authority to make medical decisions for a Member under age 18 or who is age 18 or older, but incapable of making medical decisions by reason of mental incapacity.
2. Is the same person, he/she shall be recognized as having the rights and responsibilities of both the Financially Responsible Person and the Parent/Guardian under this Agreement.

When requested by the Parent/Guardian, more than one (1) eligible child, when properly enrolled and for whom Premium has been paid, may be covered under this Agreement.

Only Members for whom the Exchange has received the appropriate Premium Payments are entitled to coverage under this Agreement, except as provided in ***Section 6: Extension of Benefits***, and then only for the period for which such Premium is received, in accordance with ***Section 6: Termination Due to Nonpayment of Premium***. You may be assessed a charge for any check written to Health Plan that is returned due to insufficient funds in your bank account.

The Premium due under this Agreement is determined by the Exchange upon application for coverage. The Subscriber or Financially Responsible Person, as applicable, will be given at least seventy-five (75) days' notice of any Premium change. Please refer to ***Amendment of Agreement*** in this section for additional information.

If you use the Advance Premium Tax Credit, your monthly Premium Payment may change if you take fewer or more tax credits due to changes in your income or the addition of loss of members of your household. Use of the Advance Premium Tax Credit may have an impact on your income tax return. Kaiser Permanente does not provide tax advice. Contact your financial or tax advisor for more information about your eligibility for the Advance Premium Tax Credit or to obtain tax advice.

Annual Enrollment Period and Effective Date of Coverage

There is an annual enrollment period during which Qualified Individuals may:

1. Enroll in this Plan;
2. Discontinue enrollment in this Plan; or
3. Change enrollment from this Plan to another Plan offered by us.

The annual enrollment period shall begin on November 1, 2023, and extend through December 15, 2023.

Special Enrollment Periods Due to Triggering Events

When a triggering event occurs, a special enrollment period will be provided. If you and/or any Dependents are eligible to enroll in this Plan or another Plan offered by us during the special enrollment period, we will process your enrollment following your Plan selection and submission of any necessary information to confirm the occurrence of a triggering event. To learn more, contact Member Services Monday through Friday between 7:30 a.m. and 9 p.m. Eastern Standard Time (EST) at 1-800-777-7902 or 711 (TTY)or visit kp.org/specialenrollment to obtain a copy of our Special Enrollment Guide.

If we do not receive the Plan selection and any other required information necessary to confirm the triggering event in a timely manner, then no changes in enrollment can be made by us.

A triggering event when you or your Dependent:

1. Loses Minimum Essential Coverage. Loss of Minimum Essential Coverage includes, but is not limited to, loss of coverage due to the loss of:
    a. Your job or a reduction in your working hours;
    b. Individual coverage;
    c. Medicare;
    d. Certain Medicaid; and
    e. Children's Health Insurance Program (CHIP) coverage.
        i. **Note:** Loss of Minimum Essential Coverage does not include loss of coverage due to:
            a) Failure to pay Premium in a timely manner, including COBRA Premium prior to expiration of COBRA coverage;
            b) Rescission of coverage as specified in 45 C.F.R. §147.128; or
            c) Voluntary termination of coverage by an individual.

    The date of the loss of coverage is the last day you and/or your Dependent would have coverage under the previous plan or coverage.

2. Loses pregnancy-related coverage as described under section 1902(a)(10)(A)(i) (IV) and (a)(10)(A)(ii)(IX) of the Social Security Act (42 U.S.C. 1396(a)(10)(A)(i)(IV), (a)(10)(A)(ii)(IX)). The date of the loss of coverage is the last day that you and/or your Dependent would have pregnancy-related coverage.
3. Loses medically needy coverage as described under section 1902(a)(10)(C) of the Social Security Act. This triggering event allows you a special enrollment period only once per Calendar Year. The date of the loss of coverage is the last day you and/or your Dependent would have medically needy coverage.
4. Are enrolled in any non-Calendar Year group health plan or individual health plan coverage and such non-Calendar Year plan or policy year is ending, even if you and/or your Dependent have the option to renew that coverage. The date of the loss of coverage is the last day of the expiring non-Calendar Year plan.

Triggering events also occur when:

1. You gain or become a Dependent through:

   a. Marriage (only applies if at least one (1) spouse was enrolled in an exchange plan at least one (1) day in the sixty (60) days before marriage, lived abroad for one (1) or more days in the sixty (60) days before marriage or is an American Indian or Alaskan Native);
   b. Birth;
   c. Adoption;
   d. Placement for adoption;
   e. Placement in foster care;
   f. A child support order; or
   g. Other court or administrative order.
2. You lose a Dependent or you are no longer considered to be a Dependent due to divorce or legal separation as defined by state law in the state where the divorce or legal separation occurs.
3. The Subscriber or a Dependent dies.
4. You or your Dependent gains access to a new Qualified Health Plan as a result of a permanent move or a recent release from incarceration.
5. You or your Dependent who is enrolled in this Plan are determined newly-eligible or ineligible for Advance Premium Tax Credit or have a change in eligibility for federal Cost Sharing reductions.
6. Either you or your Dependent, while enrolled in an eligible employer-sponsored plan, becomes newly-eligible for Advance Premium Tax Credit because you or your Dependent will be ineligible for qualifying coverage in an employer-sponsored plan (in accordance with 26 CFR 1.36B-2(c)(3)). This includes loss of coverage as a result of the employer's discontinuation or change of available coverage within the next sixty (60) days, provided that you or your Dependent may terminate your existing coverage under the employer-sponsored plan.

For Members who enroll through the Exchange, there are additional triggering events that may apply. They are listed below:

1. You or your Dependent, who was not previously a citizen, national or lawfully-present individual, gains such status.
2. You or your Dependent qualify as an American Indian or Alaska Native, as defined by §4 of the federal Indian Health Care Improvement Act, and you or your Dependent choose to:
   a. Enroll in a Qualified Health Plan; or
   b. Change from one Qualified Health Plan to another once per month.

4. You or your Dependent's enrollment or lack of enrollment in a Qualified Health Plan is evaluated and determined by the Exchange to be:
   a. Unintentional, inadvertent or erroneous; and
   b. The result of an error or misrepresentation, or the misconduct or inaction (including failure to comply with applicable standards under federal or state laws as determined by the Exchange) of an officer, employee, or agent of the Exchange or the U.S. Department of Health and Human Services, its instrumentalities, or a non-Exchange entity providing enrollment assistance or conducting enrollment activities.
      i. **Note:** The Exchange may take any necessary action to correct or eliminate the effects of an error, misrepresentation or misconduct or inaction.

5. You or your Dependent who is enrolled in this Plan adequately demonstrate to the Exchange that we have substantially violated a material provision of this Agreement.
6. You or your Dependent, including an unmarried victim within a household, are a victim of domestic abuse or spousal abandonment, enrolled in minimum essential coverage, and seeks to obtain coverage separate from the perpetrator of the abuse or abandonment. The Dependent of a victim of domestic abuse or spousal abandonment may enroll in coverage at the same time as the victim and on the same application as the victim.
7. Your or your Dependent applies for coverage during the annual open enrollment period or following a triggering event and are assessed as potentially eligible for Medicaid or the CHIP but are determined to be ineligible for Medicaid or CHIP by the state Medicaid or CHIP agency either after the open enrollment period has ended or more than sixty (60) days after the qualifying event.

Length of Special Enrollment Periods

Based on the type of triggering event experienced by you or your Dependent (which are described above in ***Special Enrollment Periods Due to Triggering Events***), your special enrollment period will last sixty (60) days from the date of the triggering event, except when:

1. You or your Dependent loses Minimum Essential Coverage, pregnancy-related or medically needy coverage, or if coverage under any non-Calendar Year group health plan or individual health insurance is ending;
2. You or your Dependent loses coverage in an employer-sponsored plan; or
3. You or your Dependent gains access to a new Qualified Health Plan as a result of a permanent move.

If any of the aforementioned events immediately above occurs, you have sixty (60) days prior to and sixty (60) days following the triggering event to enroll.

If the Exchange determines that you are eligible for a special enrollment period based on the triggering events described in paragraphs #1, #3 or #5 under the Exchange-only Member enrollment section in ***Special Enrollment Periods Due to Triggering Events***, your special enrollment period will last for a specified time that may be less, but not greater than sixty (60) days. The length of the special enrollment period will be determined by the Exchange.

Effective Date for Special Enrollment Periods

If an individual enrolls as the result of a triggering event, the effective date of coverage shall be:

1. In the case of marriage or loss of Minimum Essential Coverage, the first day of the following month;
2. In the case of birth, adoption, placement for adoption or placement in foster care, the date of birth, adoption, placement for adoption or placement in foster care. The "date of adoption" means the earlier of:
   a. A judicial decree of adoption; or
   b. The assumption of custody, pending adoption of a prospective adoptive child by a prospective adoptive Parent.
3. In the case of a newly-eligible grandchild in court-ordered custody, the date the grandchild is placed in the custody of the Subscriber or the Subscriber's Spouse or Domestic Partner.

4. In the case of a child who is newly-eligible as the result of a child support order or other court or administrative order received by the Subscriber or the Subscriber's Spouse or Domestic Partner, the date of the court or administrative order.
5. In the case of a child who is newly-eligible as the result of a testamentary or court-appointed Guardianship, received by the Subscriber or the Subscriber's Spouse or Domestic Partner, the date of the court or testamentary appointment.
6. In the case of an individual eligible for special enrollment when:
   a. Enrollment or non-enrollment was unintentional, inadvertent or erroneous; and the result of an error by the Exchange, HHS or a non-Exchange entity; or
   b. The Qualified Health Plan substantially violated a material provision of its Contract with the individual, the effective date is the first day of the following month when the application or change form is received by the Health Plan between the 1st and the 15th day of any month; and first day of the second following month when a selection is received by the Health Plan between the 16th and the last day of any month.
7. In the case of death, the first day of the following month following plan selection or, if permitted by the Health Plan.
8. For all other triggering events, the first day of the following month when the application or change form is received by the Health Plan between the first and the 15th day of any month; and first day of the second following month when a selection is received by the Health Plan between the 16th and the last day of any month.

Premium Payment Changes Due to Special Enrollments

Your Premium may change if you:

1. Choose a new Plan;
2. Switch to coverage other than Self-Only Coverage by adding Dependents; or
3. Reduce the number of covered Dependents.

Premium Payment Requirements for Special Open Enrollment Periods

When No Additional Premium is Required

If you experience a triggering event then enroll during a special enrollment period, coverage will be effective as of the date described above in the event that no additional Premium is required.

When Additional Premium is Due

If additional Premium is required following enrollment after you experience a triggering event, the Premium is due no later than the last day of the special enrollment period described above in order for us to provide coverage. If the premium is not paid prior to the end of the special enrollment period, coverage never becomes effective. The only exceptions are in the case of a triggering event involving:

1. Birth;
2. Adoption; and
3. Placement for adoption.

Under those circumstances, coverage will terminate as of the 31st day during the sixty (60)-day period if additional due Premium is not paid before expiration of the sixty (60)-day enrollment period mentioned above under ***Effective Date for Special Enrollment Periods*** in this section.

Special Enrollment Periods and Effective Date of Coverage for American Indians and Alaska Natives Who Enroll Through the Exchange

This provision only applies to individuals who are American Indian or Alaska Native, as defined in §4 of the federal Indian Health Care Improvement Act and enroll in a Plan on the Exchange. If you meet those criteria, you may enroll in a Plan, or change from one Plan in the Exchange to another Plan in the Exchange once per month. The effective date of the new Plan will be the first day of the month following your enrollment or change.

Notice of Your Effective Date of Coverage

The Health Plan will notify you and any enrolled Dependents of your effective date of coverage under this Plan based on the rules described above.

Advance Directives to Direct Your Care While Incapacitated

Advance directives are legal forms that help you control the kind of health care you will receive if you become very ill or unconscious. We ask that you please consider the benefits of completing a:

1. Durable Power of Attorney for Health Care, which lets you name someone to make health care decisions for you when you cannot speak for yourself. It also lets you write down your views on life support and other treatments; and
2. Living Will and the Natural Death Act Declaration to Physicians, which lets you write down your wishes about receiving life support and other treatment.

For additional information about advance directives, including how to obtain forms and instructions, visit us online at www.kp.org or contact Member Services Monday through Friday between 7:30 a.m. and 9 p.m. Eastern Standard Time (EST) at 1-800-777-7902 or 711 (TTY).

Receiving Health Care Services

To receive the Services covered under this Agreement, you must be a current Health Plan Member for whom Premium has been paid. Anyone who is not a Member will be billed the Allowable Charge(s) for any Services we provide and claims for Emergency or Urgent Care Services from non-Plan Providers will be denied.

As a current Member under this Plan, we agree to provide and/or arrange health care Services in accordance with the terms, conditions, limitations and exclusions of this Agreement. You may receive these Services and other benefits specified in this Agreement when provided, prescribed or directed by Plan Providers within our Service Area.

You have your choice of Plan Physicians and Facilities within our Service Area. Covered Services are available only from the Medical Group, Plan Facilities and in-Plan Skilled Nursing Facilities. Neither the Health Plan, Medical Group nor any Plan Physicians have any liability or obligation extending from any Service or benefit sought or received by a Member from any non-Plan:

1. Doctor;
2. Hospital;
3. Skilled Nursing Facility;
4. Person;
5. Institution; or
6. Organization, except when you:
    a. Have a pre-authorized referral for the Services; or
    b. Are covered under the ***Emergency Services*** or ***Urgent Care Services*** provisions in ***Section 3: Benefits, Exclusions and Limitations***.

Emergency Services and Urgent Care Services, in addition to Services associated with pre-authorized referrals, are the only Services a Member may seek outside of the Service Area. Non-emergency Surgical or Ancillary Services provided at a Plan Facility and Emergency Services from non-Plan Hospitals, freestanding facilities, and Air Ambulance Providers are the only Services a Member may receive by a non-Plan Provider.

Your Kaiser Permanente Identification Card

Digital Kaiser Permanente Identification Card

Managing your health care is convenient with the Kaiser Permanente mobile app. The app gives you access to your digital Kaiser Permanente identification card, which allows you to check in for appointments, pick

up prescriptions and provide your membership information, all from your smartphone. To access your digital Kaiser Permanente identification card:

1. Log into the Kaiser Permanente mobile app; and
2. Select "Member ID Card" from the menu options.

Note: Verify that the Kaiser Permanente mobile app is available on your smartphone and create your login before arriving at your appointment. Additionally, the availability of the digital Kaiser Permanente identification card is limited to certain types of Plans and does not replace the physical card. Each Member will also receive a physical Kaiser Permanente identification card.

Using Your Kaiser Permanente Identification Card

Your Kaiser Permanente identification card is for identification purposes only. It contains your name, Medical Record Number and our contact information. When you visit a Plan Facility, please have both your Kaiser Permanente identification card and a valid photo ID with you. You will be asked to show both of them when checking in.

Your Medical Record Number is used to identify your medical records and membership information. You should always have the same Medical Record Number.

If you need to replace your Kaiser Permanente identification card, or if we ever issue you more than one (1) Medical Record Number, please let us know by contacting Member Services Monday through Friday between 7:30 a.m. and 9 p.m. Eastern Standard Time (EST) at 1-800-777-7902 or 711 (TTY).

Note: Allowing another person to use your ID card will result in forfeiture of your Kaiser Permanente identification card and may result in termination of your membership.

Choosing Your Primary Care Plan Physician

We highly encourage you to choose a Primary Care Plan Physician when you enroll. He or she will play an important role in coordinating your health care Services, including Hospital stays and referrals to specialists. Additionally, your Primary Care Plan Physician and Plan Providers will work as a team, along with you, to ensure continuity of care and medically appropriate courses of treatment.

Each Member in your family should select a Primary Care Plan Physician. If you do not select a Primary Care Plan Physician upon enrollment, we will assign you one near your home. You may select or change your Primary Care Plan Physician at any time by visiting us online at www.kp.org or contacting Member Services Monday through Friday between 7:30 a.m. and 9 p.m. Eastern Standard Time (EST) at 1-800-777-7902 or 711 (TTY).

Our Provider Directory is available online at www.kp.org and updated twice each month. A listing of all Primary Care Plan Physicians is also provided to you on an annual basis.

You may select a Primary Care Plan Physician, who is available to accept new Members, from the following areas: internal medicine, family practice and pediatrics. Within pediatrics, you may select an allopathic or osteopathic pediatrician as the Primary Care Plan Physician for your child. In addition to selecting a Primary Care Plan Physician, Members may choose a Plan Physician who practices in the specialty of obstetrics or gynecology (OB/GYN) as their personal OB/GYN.

Getting a Referral

Our Plan Physicians offer primary medical, pediatric and OB/GYN care as well as specialty care in areas such as general surgery, orthopedic surgery, dermatology and other medical specialties. We have Plan Medical Centers and specialty facilities, such as imaging centers, located within our Service Area. You will receive most of the covered Services that you routinely need at these facilities unless you have an approved referral to another Plan Provider.

All referrals will be subject to review and approval, which is known as authorization, in accordance with the terms of this Agreement. We will notify you when our review is complete.

Receiving an Authorized Specialist or Hospital Referral

If your Plan Provider decides that you require covered Services from a Specialist, you will receive an authorized referral to a Plan Provider who specializes in the type of care you need.

In the event that the covered Services you need are not available from a Plan Provider, we may refer you to another provider. For more information, see ***Referrals to Non-Plan Specialists and Non-Physician Specialists*** below.

When you need authorized covered Services at a Plan Hospital, you will be referred to a Plan Hospital. We may direct that you receive the Hospital Services at a particular Plan Hospital so that we may better coordinate your care using Medical Group Plan Physicians and our electronic medical record system.

Post-Referral Services Not Covered

Any additional Services not specifically listed, and/or that are provided by a professional not named in the referral, are not authorized and will not be reimbursed.

If a non-Plan Provider for whom you have received an authorized referral recommends additional Services that are not indicated in that approved referral, advise your Plan Provider. He or she will work with you to determine whether those Services can be provided by a Plan Provider. Additional Services not specifically listed in the referral are not authorized and will not be reimbursed unless you have received a preauthorization for those Services.

Standing Referrals to Specialists

If you suffer from a life-threatening, degenerative, chronic or disabling disease or condition that requires Specialty Services, your Primary Care Plan Physician may determine, in consultation with you and a Specialist, that you need continuing care from that Specialist. In such instances, your Primary Care Plan Physician will issue a standing referral to the Specialist.

If you have been diagnosed with cancer, Health Plan will allow your primary care Plan Physician to issue a standing referral to any Health Plan authorized oncologist or board-certified physician in pain management, as you choose.

A standing referral should be developed by the specialist, your Primary Care Plan Physician and you, and made in accordance with a written treatment plan consisting of covered Services. The treatment plan may limit the authorized number of Specialist Visits and/or the period of time in which those Specialist Visits are authorized. It may also require that the Specialist communicate regularly with your Primary Care Plan Physician regarding your treatment and health status.

Referrals to Non-Plan Specialists and Non-Physician Specialists

A Member may request a referral to a non-Plan Specialist or a non-physician Specialist if:

1. The Member has been diagnosed with a condition or disease that requires specialized health care Services or medical care; and
    a. The Health Plan does not have a Plan Specialist or non-physician Specialist with the professional training and expertise to treat or provide health care Services for the condition or disease; or
    b. The Health Plan cannot provide reasonable access to a Specialist or non-physician Specialist with the professional training and expertise to treat or provide health care Services for the condition or disease without unreasonable delay or travel.

You must have an approved written referral to the non-Plan Specialist or Non-Physician Specialist in order for the Health Plan to cover the Services. The Cost Share amounts for approved referral Services are the same as those required for Services provided by a Plan Provider.

Under Virginia law, a non-Plan Provider shall not balance bill for (i) emergency Services provided by a non-Plan Provider or (ii) non-emergency Services provided at a Plan Facility or a non-Plan Facility if the non-emergency Services involve Surgical or Ancillary Services provided by a non-Plan Provider.

Note: Surgical or Ancillary Services are professional Services including surgery, anesthesiology, pathology, radiology, or hospitalist Services and laboratory Services.

If you are balance billed by a non-Plan physician or other non-Plan provider for authorized Services that were provided to you, simply mail a copy of the bill to us with your medical record number written on it. Your medical record number can be found on the front of your Kaiser Permanente identification card. Please mail your proof to us within one (1) year at the following address:

Kaiser Permanente National Claims Administration - Mid-Atlantic States
PO Box 371860
Denver, CO 80237-9998

For more information on the payment or reimbursement of covered Services and how to file a claim, see ***Section 5: Filing Claims, Appeals and Grievances***.

Services that Do Not Require a Referral

There are specific Services that do not require a referral from your Primary Care Plan Physician. However, you must obtain the care from a Plan Provider. These Services include:

1. An initial consultation for treatment of mental illness, emotional disorders and drug or alcohol abuse, when provided by a Plan Provider. For continued treatment, you or your Plan Provider must contact the Behavioral Health Access Unit for assistance to arrange and schedule these covered Services. The Behavioral Access Unit can be reached at 1-866-530-8778;
2. OB/GYN Services provided by an OB/GYN, a certified nurse-midwife or other Plan Provider authorized to provide OB/GYN Services, including the ordering of related, covered OB/GYN Services. A female Dependent age thirteen (13) years or older can receive direct access to Services from a participating obstetrician-gynecologist that is authorized to provide Services under this EOC and is selected by the Dependent; and
3. Optometry Services.

For the most up-to-date list of Plan Medical Centers and Plan Providers, visit us online at www.kp.org. To request a Provider Directory, please contact Member Services Monday through Friday between 7:30 a.m. and 9 p.m. Eastern Standard Time (EST) at 1-800-777-7902 or 711 (TTY).

Prior Authorization for Prescription Drugs

Requests for covered outpatient prescription drugs may be subject to certain utilization management protocols, such as prior authorization or step therapy.

If we deny a Service or prescription drug because prior authorization was not obtained, or if a step-therapy exception request is denied, you may submit an appeal. For information on how to submit an appeal, see ***Section 5: Filing Claims, Appeals and Grievances***.

Continuity of Care for Members

Members may request to continue receiving health care Services for a period of at least ninety (90) days from the date of the Plan Provider's termination from the Health Plan's provider panel, except when terminated for cause.

In addition, under the following special situations, the Health Plan will continue to provide benefits for Plan Provider's care for the time periods specified:

1. When the Member has been medically confirmed to be pregnant at the time of the provider's termination, except when terminated for cause, such treatment may continue, at the Member's option, through the provision of postpartum care directly related to the delivery;
2. When the Member is determined to be terminally ill at the time of the Plan Provider's termination, except when terminated for cause, such treatment may continue, at the Member's option, for the remainder of their life for care directly related to the treatment of the terminal illness;
3. When the Member has been determined by a medical professional to have a life-threatening condition at that time of the provider's termination of participating such treatment may continue, at the Member's option, for up to 180 days for care directly related to the life-threatening condition; or
4. When the Member is admitted to and receiving treatment in any inpatient facility at the time of a provider's termination, the provider may continue care until the Member is discharged from the inpatient facility.

The terminated Provider will be reimbursed in accordance with Health Plan's agreement with the Provider existing immediately before the Provider's termination of participation.

Getting Emergency and Urgent Care Services

Emergency Services

Emergency Services are covered 24 hours per day, 7 days per week no matter when or where in the world they occur without Prior Authorization and without regard to whether the health care provider furnishing the services is a Plan Provider.

If you have an Emergency Medical Condition, call 911, where available, or go to the nearest hospital emergency department or Independent Freestanding Emergency Department. You do not need Prior Authorization for Emergency Services. When you have an Emergency Medical Condition, we cover Emergency Services that you receive from Plan Providers or non-Plan Providers anywhere in the world, as long as the Services would be covered under ***Emergency Services*** in ***Section 3: Benefits, Exclusions and***

Limitations if you had received them from Plan Providers. Emergency Services are available from Plan Hospital emergency departments 24 hours a day, seven days a week.

You will incur the same Cost Sharing for Emergency Services furnished by non-Plan Providers as Plan Providers and such Cost Sharing will be calculated based on the Allowable Charge in accordance with applicable law if you Cost Sharing is not a fixed amount.

If Emergency Services are provided by a Non-Plan Provider, Health Plan will make payment for the covered Emergency Services directly to the Non-Plan Provider. The payment amount will be equal to the amount by which the Allowable Charge exceeds your Cost Sharing amount for the Services. You will not be liable for an amount that exceeds the recognized amount as further described in this Agreement.

Urgent Care Services

All Primary Care Plan Physicians are on-call 24/7. When a situation is not an emergency but requires prompt attention for symptoms such as a sudden rash, high fever, severe vomiting, ear infection or sprain, please call your Primary Care Plan Physician as instructed under ***Making and Cancelling Appointments and Who to Contact*** at the beginning of this section.

Bills for Emergency and Urgent Care Services

You should not receive a bill for Emergency Services directly from a Plan Provider or non-Plan Provider when the federal No Surprises Act applies. When you do receive a bill from a hospital, physician or ancillary provider for Emergency Services that were provided to you, you should either:

1. Contact the hospital, physician or other provider to inform them that the bill should be sent to us at the address listed below; or
2. Simply mail the bill to us with your medical record number written on it. Your medical record number can be found on the front of your Kaiser Permanente identification card. You do not have to pay the bill until we determine what amount you owe, if any, for the Emergency Services. A bill from either the provider or you can be mailed to us at:

Kaiser Permanente National Claims Administration - Mid-Atlantic States
PO Box 371860
Denver, CO 80237-9998
Fax: 1-866-568-4184

If you have already paid the bill, then please send proof of payment and a copy of the bill to the address listed above. Please remember to include your medical record number on your proof.

Note: When a non-Plan Provider provides Surgical or Ancillary Services at a Plan Hospital or Plan Facility, your Cost Share will be the same Cost Sharing amount for the same Service(s) from a Plan Provider. Such Cost Share shall count toward your Out-of-Pocket Maximum. You will not be liable for any additional payment other than your Cost Share for Surgical or Ancillary Services.

For more information on the payment or reimbursement of covered services and how to file a claim, see ***Filing for Payment or Reimbursement of a Covered Service or Post-Service Claim*** in ***Section 5: Filing Claims, Appeals and Grievances.***

Hospital Admissions

If you are admitted to a non-Plan Hospital, you, your Parent/Guardian, Financially Responsible Person or someone else must notify us within forty-eight (48) hours of a Member's hospital admission or on the first working day following the admission unless it was not reasonably possible to notify us within that time.

Getting Assistance from Our Advice Nurses

Our advice nurses are registered nurses (RNs) specially trained to help assess clinical problems and provide clinical advice. They can help solve a problem over the phone and instruct you on self-care at home, when appropriate. If the problem is more severe and you need an appointment, they will help you get one.

If you are not sure you are experiencing a medical emergency, or for Urgent Care Services for symptoms such as a sudden rash, high fever, severe vomiting, ear infection or sprain, you may call our advice nurses at 1-800-777-7904 or 711 (TTY). You may also call 1-800-677-1112 from anywhere in the United States, Canada, Puerto Rico or the Virgin Islands.

Getting a Second Opinion

You are welcome to receive a second medical opinion from a Plan Physician. We will assist you to arrange an appointment for a second opinion upon request.

Receiving Care in Another Kaiser Foundation Health Plan Service Area

You may receive covered Services from another Kaiser Foundation Health Plan, if the Services are provided, prescribed, or directed by that other plan, and if the Services would have been covered under this EOC. Covered Services are subject to the terms and conditions of this EOC, including prior authorization requirements, the applicable Copayments, Coinsurance and/or Deductibles shown in the ***Summary of Cost Shares*** and the exclusions and limitations described in this EOC.

For more information about receiving care in other Kaiser Foundation Health Plan service areas, including availability of Services, and provider and Facility locations, please call our Away from Home Travel Line at 951-268-3900. Information is also available online at kp.org/travel.

Payment Toward Your Cost Share and When You May Be Billed

In most cases, you will be asked to make a payment toward your Cost Share at the time you receive Services. If you receive more than one type of Services, such as Primary Care treatment and laboratory tests, you may be required to pay separate Cost Shares for each of those Services. In some cases, your provider may not ask you to make a payment at the time you receive Services, and you may be billed for your Cost Share.

Keep in mind payments made by you, or on your behalf, toward your Cost Share may cover only a portion of your total Cost Share for the Services you receive, and you will be billed for any additional amounts that are due. The following are examples of when you may be asked to pay Cost Share amounts in addition to the amount you pay at check-in:

1. **You receive non-preventive Services during a preventive Visit**. For example, you go in for a routine physical exam, and at check-in you pay your Cost Share for the preventive exam (your Cost Share may be "no charge"). However, during your preventive exam your provider finds a problem with your health and orders non-preventive Services to diagnose your problem, such as laboratory tests. You may be asked to pay your Cost Share for these additional non-preventive diagnostic Services.

2. **You receive diagnostic Services during a treatment Visit**. For example, you go in for treatment of an existing health condition, and at check-in you pay your Cost Share for a treatment Visit. However, during the Visit your provider finds a new problem with your health and performs or orders diagnostic Services, such as laboratory tests. You may be asked to pay your Cost Share for these additional diagnostic Services.
3. **You receive treatment Services during a diagnostic Visit**. For example, you go in for a diagnostic exam, and at check-in you pay your Cost Share for a diagnostic exam. However, during the diagnostic exam your provider confirms a problem with your health and performs treatment Services, such as an outpatient procedure. You may be asked to pay your Cost Share for these additional treatment Services.
4. **You receive non-preventive Services during a no-charge courtesy Visit**. For example, you go in for a blood pressure check or meet and greet Visit and the provider finds a problem with your health and performs diagnostic or treatment Services. You may be asked to pay your Cost Share for these additional diagnostic or treatment Services.
5. **You receive Services from a second provider during your Visit**. For example, you go in for a diagnostic exam, and at check-in you pay your Cost Share for a diagnostic exam. However, during the diagnostic exam your provider requests a consultation with a specialist. You may be asked to pay your Cost Share for the consultation with the specialist.

Note: If your Plan is subject to a Deductible, any required Deductible amount must be met by the Member prior to our payment of non-preventive or diagnostic Services.

Emergency Services

Coverage is provided anywhere in the world without Prior Authorization for Emergency Services should you experience an Emergency Medical Condition.

Emergency Services are health care Services that are provided by a Plan or non-Plan Provider after the sudden onset of a medical condition that manifests itself by symptoms of sufficient severity, including severe pain, that the absence of immediate medical attention could reasonably be expected by a prudent layperson, who possesses an average knowledge of health and medicine, to result in:

1. Placing the patient's health in serious jeopardy;
2. Serious impairment to bodily functions;
3. Serious dysfunction of any bodily organ or part; or,
4. In the case of a pregnant person, serious jeopardy to the health of the mother and/or fetus.

If you think you are experiencing a medical emergency, you should call 911 immediately. If you are not sure whether you are experiencing a medical emergency, please contact us at the number listed on the reverse side of your ID card for immediate medical advice. You or your representative must notify Health Plan as soon as possible, not to exceed forty-eight (48) hours or the end of the first business day, whichever is later, after you receive care in a hospital emergency room to ensure coverage. If you are incapacitated and unable to notify us within forty-eight (48) hours, you or your representative must notify us as soon as reasonably possible.

If an emergency room Visit is made for a condition that is not a true emergency, then assessment and stabilization are covered.

We cover Emergency Services as follows:

Inside our Service Area
We cover emergency room Surgical or Ancillary Services, including diagnostic x-ray, laboratory Services, medical supplies, and advanced diagnostic imaging such as magnetic resonance imaging (MRI) and computed tomography (CT) scans, for Emergency Services provided within our Service Area by a Plan Provider or a non-Plan Provider. You will not incur any additional cost sharing for Emergency Services beyond that which is indicated in your ***Summary of Cost Shares***. After Emergency Services have been received inside the Service Area, continuing or follow-up treatment is available from your primary care Plan Physician. Coverage provided by a non-Plan Provider is limited to Emergency Services required before you can, without medically harmful consequences, be transported to a Plan Hospital or primary care Plan Physician's office. Coverage for Emergency Services will be provided without need for prior authorization and regardless of the final diagnosis rendered to the Member.

Outside our Service Area
If you are injured or become ill while temporarily outside the Service Area, but within the United States, we will cover charges for Emergency Services as defined in this section. We cover emergency room Surgical or Ancillary Services, including diagnostic x-ray, laboratory Services, medical supplies, and advanced diagnostic imaging such as magnetic resonance imaging (MRI) and computed tomography (CT) scans, when received from a Plan Provider or a non-Plan Provider at a Plan Facility or non-Plan Facility. You will incur no additional cost sharing for Emergency Services beyond that which is indicated in your ***Summary of Cost Shares***. We will cover Services received outside of the Service Area until you can, without medically harmful consequences, be transported to a Plan Hospital or primary care Plan Physician's office. Coverage for Emergency Services will be provided without need for prior authorization and regardless of the final diagnosis rendered to the Member.

Note: Surgical or Ancillary Services are professional Services including surgery, anesthesiology, pathology, radiology, or hospitalist Services and laboratory Services.

Outside the United States
If you are injured or become ill while temporarily outside the United States, we will cover charges for Emergency Services as defined in this section; subject to the same Cost Shares that would apply if the Service was provided inside our Service Area. You will not incur any additional cost sharing for Emergency Services beyond that which is indicated in your ***Summary of Cost Shares***.

Post-Stabilization Care
Post-Stabilization Care is Medically Necessary Services related to your Emergency Medical Condition that you receive in a hospital, including the Emergency Department, after your treating physician determines that your Emergency Medical Condition is Stabilized. Post-Stabilization Care also includes durable medical equipment covered under this EOC, if it is Medically Necessary after your discharge from a hospital and related to the same Emergency Medical Condition. For more information about durable medical equipment covered under this EOC, see the ***Durable Medical Equipment*** provision of this ***Benefits, Exclusions and Limitations*** section and the ***Summary of Cost Shares*** appendix.

When you receive Emergency Services in Virginia, and federal law does not require that we consider the Post-Stabilization Care as Emergency Services, we cover Post-Stabilization Care only if we provide Prior Authorization for the Post-Stabilization Care. Therefore, it is very important that you, your provider, including your non-Plan Provider, or someone else acting on your behalf, call us to notify us that you need Post-Stabilization Care and to get Prior Authorization from us before you receive the Post-Stabilization Care.

To request Prior Authorization, you, your provider, including your non-Plan Provider, or someone else acting on your behalf, must call 1-800-225-8883 or the notification telephone number on the reverse side of your ID card before you receive the care. We will discuss your condition with the non-Plan Provider. If we determine that you require Post-Stabilization Care, we will authorize your care from the non-Plan Provider or arrange to have a Plan Provider, or other designated provider, provide the care. If we decide to have a Plan Hospital, Plan Skilled Nursing Facility, or designated non-Plan Provider provide your care, we may authorize special transportation Services that are non-Plan Providers. If you receive care from a non-Plan Provider that we have not authorized, you may have to pay the full cost of that care.

When you receive Emergency Services from non-Plan Providers, Post-Stabilization Care may qualify as Emergency Services pursuant to federal law. We will not require Prior Authorization for such Post-Stabilization Care at a non-Plan Hospital when your attending non-Plan Provider determines that, after you receive Emergency Services (screening and Stabilization), you are not able to travel using non-medical transportation or non-emergency medical transportation to an available Plan Provider located within a reasonable travel distance taking into account your medical condition.

See the benefit-specific limitation(s) below for additional information.

Bills for Emergency Services
You should not receive a bill for Emergency Services directly from a Plan Provider or non-Plan Provider when the federal No Surprises Act applies. When you do receive a bill from a hospital, physician or ancillary provider for Emergency Services that were provided to you, you should either:

1. Contact the hospital, physician or other provider to inform them that the bill should be sent to us at the address listed below; or
2. Simply mail the bill to us with your medical record number written on it. Your medical record number can be found on the front of your Kaiser Permanente identification card. You do not have to pay the bill until we determine what amount you owe, if any, for the Emergency Services. A bill from either the provider or you can be mailed to us at:

Kaiser Permanente National Claims Administration - Mid-Atlantic States
PO Box 371860
Denver, CO 80237-9998
Fax: 1-866-568-4184

For more information on the payment or reimbursement of covered Services and how to file a claim, see ***Section 5: Filing Claims, Appeals and Grievances***.

Benefit-Specific Limitation(s):

1. **Notification**
   If you receive care at a hospital emergency room and/or are admitted to a non-Plan hospital, you, or someone on your behalf, must notify us as soon as possible, not later than forty-eight (48) hours of any emergency room Visit or admission or on the first working day following the emergency room Visit or admission, whichever is later, unless it was not reasonably possible to notify us. If admitted to a hospital, we will decide whether to make arrangements for necessary continued care where you are, or to transfer you to a Facility we designate. Once your emergency condition has been stabilized, all continuing and follow-up treatment must be authorized by us. If you do not notify us and obtain authorization for a continued hospital stay once your condition has stabilized, we will not cover the inpatient hospital charges you incur after transfer would have been possible.
2. **Continuing or Follow-Up Treatment**
   We do not cover continuing or follow-up treatment after Emergency Services unless authorized by the Health Plan. We cover only the non-Plan Emergency Services that are required before you could, without medically harmful results, have been moved to a Facility we designate either inside or outside our Service Area or in another Kaiser Foundation Health Plan or allied plan service area.
3. **Hospital Observation**
   Transfer to an observation bed or observation status does not qualify as an admission to a hospital. Your emergency room Visit Copayment, if applicable, will not be waived.

For example, if you have a non-covered cosmetic surgery, we will not cover Services you receive in preparation for the surgery or for follow-up care. SECTION 4: Coordination of Benefits

Medicare

If you are enrolled in Medicare, Medicare law may apply with respect to Services covered by Medicare.

Worker's Compensation Claims

If you have an active worker's compensation claim for injuries sustained while conducting the duties of your occupation, you must send written notice of the claim to us within thirty (30) days at the following address:

Kaiser Foundation Health Plan of the Mid-Atlantic States, Inc.
Attention: Patient Financial Services
2101 East Jefferson Street, 4 East
Rockville, Maryland 20852

When notifying us, please include the worker's compensation insurance company or third-party administrator (TPA) name, policy and claim numbers, business address and telephone number and, if known, the name of the handler of the claim.

If you are represented by an attorney in relation to the worker's compensation loss for which you have brought legal action against your employer, please ensure that provide your attorney's name and contact information, including their business address and telephone number. If you change attorneys during the legal process, you are required to inform the Health Plan of your change in representation.

Medicare and TRICARE Benefits

The value of your benefits are coordinated with any benefits to which you are entitled under Medicare, except for Members whose Medicare benefits are secondary by law.

TRICARE benefits are secondary benefits by law.

Coordination of Benefits

Coordination of Benefits Overview

Coordination of benefits applies when a Member has health care coverage under more than one (1) health benefit plan. If you or your eligible dependent has coverage under more than one (1) health benefit plan, then you are responsible to inform the Health Plan that the additional coverage exists. When you have other coverage with another health plan or insurance company, we will coordinate benefits with the other coverage.

The Health Plan may need information from you to coordinate your benefits. Any information that we request to help us coordinate your benefits must be provided to us upon request in a timely manner.

Right to Obtain and Release Needed Information

When information is needed to apply these coordination of benefits rules, the Health Plan will decide the information it needs, and may get that information from, or give it to, any other organization or person. The Health Plan does not need not tell nor obtain consent from any person to do this.

Primary and Secondary Plan Determination

The health benefit plan that pays first, which is known as the primary plan, is determined by using National Association of Insurance Commissioners Order of Benefits Guidelines. The primary plan provides benefits

as it would in the absence of any other coverage.

The plan that pays benefits second, which is known as the secondary plan, coordinates its benefits with the primary plan, and pays the difference between what the primary plan paid, or the value of any benefit or Service provided, but not more than 100 percent of the total Allowable Expenses, and not to exceed the maximum liability of the secondary plan. The secondary plan is never liable for more expenses than it would cover if it had been primary.

Coordination of Benefits Rules

To coordinate your benefits, you will find the rules under ***Order of Benefit Determination Rules*** in this section.

The ***Order of Benefit Determination Rules*** will be used to determine which plan is the primary plan. Any other plans will be secondary plan(s). If the Health Plan is the:

1. Primary Plan, it will provide or pay its benefits without considering the other plan(s) benefits.
2. Secondary Plan, the benefits or Services provided under this Agreement will be coordinated with the primary plan so the total of benefits paid, or the reasonable cash value of the Services provided, between the primary plan and the secondary plan(s) do not exceed 100 percent of the total Allowable Expense.

Assistance with Questions about the Coordination of Your Benefits

If you have any questions about coordination of your benefits, please contact Member Services Monday through Friday between 7:30 a.m. and 9 p.m. Eastern Standard Time (EST) at 1-800-777-7902 or 711 (TTY).

Order of Benefit Determination Rules

The following rules determine the order in which benefits are paid by primary and secondary health benefit plans.

1. If another plan does not have a Coordination of Benefits provision, that plan is the primary plan.
2. If another plan has a Coordination of Benefits provision, the first of the following rules that apply will determine which plan is the primary plan:

Rules for a Non-Dependent and Dependents

1. Subject to #2 (immediately below), a plan that covers a person other than as a Dependent, such as an employee, Member, Subscriber, policyholder, or retiree, is the primary plan and the plan that covers the person as a Dependent is the secondary plan.
2. If the person is a Medicare beneficiary, and, as a result of the provisions of Title XVIII of the Social Security Act and implementing regulations, Medicare is:
    a. Secondary to the plan covering the person as a dependent; and
    b. Primary to the plan covering the person as other than a dependent:
        i. Then the order of benefits is reversed so that the plan covering the person as an employee, member, subscriber, policyholder or retiree is the secondary plan and the other plan covering the person as a dependent is the primary plan.

Rules for a Dependent Child/Parent

1. **Dependent child with Parents who are not separated or divorced:** When the Health Plan and another plan cover the same child as a Dependent of different persons, called “Parents,” then the

plan of the Parent whose birthday falls earlier in the year is primary to the plan of the Parent whose birthday falls later in the year. When both Parents have the same birthday, the plan that covered a Parent longer is primary – this is known as the "Birthday Rule". If the "Birthday Rules" does not apply by the terms of the other plan, then the applicable rule in the other plan will be used to determine the order of benefits.

2. **Dependent child with separated or divorced Parents:** If two (2) or more plans cover a person as a dependent child, and that child's Parents are divorced, separated or are not living together, whether or not they have ever been married the following rules apply. If a court decree states that:
   a. One (1) of the Parents is responsible for the dependent child's health care expenses or health care coverage and the plan of that Parent has actual knowledge of those terms, that plan is primary. If the Parent with responsibility has no health care coverage for the dependent child's health care expenses, but that Parent's Spouse or Domestic Partner does, that Parent's Spouse's or Domestic Partner's plan is the primary plan. This item shall not apply with respect to any plan year during which benefits are paid or provided before the entity has actual knowledge of the court decree provision; or
   b. Both Parents are responsible for the dependent child's health care expenses or health care coverage, the provisions of Subparagraph #1 of this provision: ***Dependent Child with Parents Who Are Not Separated or Divorced***, shall determine the order of benefits; or
   c. If a court decree states that the Parents have joint custody without specifying that one Parent has responsibility for the health care expenses or health care coverage of the dependent child, the provisions of Subparagraph #1 of this provision: ***Dependent Child with Parents Who Are Not Separated or Divorced***, shall determine the order of benefits; or
      i. If there is no court decree allocating responsibility for the child's health care expenses or health care coverage, the order of benefits for the child are as follows:
         a) The plan covering the custodial Parent;
         b) The plan covering the custodial Parent's Spouse or Domestic Partner;
         c) The plan covering the non-custodial Parent; and then
         d) The plan covering the non-custodial Parent's Spouse or Domestic Partner.

Dependent Child Covered Under the Plans of Non-Parent(s)

1. For a dependent child covered under more than one (1) plan of individuals who are not the Parents of the child, the order of benefits shall be determined, as applicable, under the dependent child provisions above, as if those individuals were Parents of the child.

Dependent Child Who Has Their Own Coverage

1. For a dependent child who has coverage under either or both Parents' plans and also has his or her own coverage as a dependent under a Spouse's or Domestic Partner's plan, the rule in this provision for ***Longer or Shorter Length of Coverage*** applies.
2. In the event the dependent child's coverage under the Spouse's or Domestic Partner's plan began on the same date as the dependent child's coverage under either or both Parents' plans, the order of benefits shall be determined by applying the "Birthday Rule".

Active/Inactive Employee Coverage

1. A plan that covers a person as an employee who is neither laid off nor retired (or that employee's dependent) is primary to a plan that covers that person as a laid off or retired employee (or a laid

off or retired employee's dependent).

COBRA or State Continuation Coverage

1. If a person whose coverage is provided pursuant to COBRA or under a right of continuation pursuant to state or other federal law is covered under another plan, the plan covering the person as an employee, member, subscriber or retiree, or that covers the person as a dependent of an employee, member, subscriber or retiree, is the primary plan and the Plan covering that same person pursuant to COBRA or under a right of continuation pursuant to state or other federal law is the secondary plan.
2. If the other plan does not have this rule, and if, as a result, the plans do not agree on the order of benefits, this rule is ignored.

Longer/Shorter Length of Coverage

1. If none of the above rules determines the order of benefits, then the plan that has covered a Subscriber longer time is primary to the plan that has covered the Subscriber for a shorter time.

Effect of Coordination of Benefits on the Benefits of this Plan

When the Health Plan is the primary Plan, coordination of benefits has no effect on the benefits or Services provided under this Agreement. When the Health Plan is a secondary Plan to one or more other plans, its benefits may be coordinated with the primary plan carrier using the guidelines below. This ***Coordination of Benefits*** provision shall in no way restrict or impede the rendering of Services covered by the Health Plan. At the request of the Member or Parent/Guardian, when applicable, the Health Plan will provide or arrange for covered services and then seek coordination with a primary plan.

Coordination with the Health Plan's Benefits

The Health Plan may coordinate benefits payable or recover the reasonable cash value of Services it has provided, when the sum of the benefits that would be payable for:

1. Or the reasonable cash value of, the Services provided as Allowable Expenses by the Health Plan in the absence of this ***Coordination of Benefits*** provision; and
2. Allowable Expenses under one (1) or more of the other primary plans covering the Member, in the absence of provisions with a purpose like that of this ***Coordination of Benefits*** provision, whether or not a claim is made thereunder; exceeds Allowable Expenses in a Claim Determination Period.

In that case, the Health Plan benefits will be coordinated, or the reasonable cash value of any services provided by the Health Plan may be recovered from the primary plan, so that the Health Plan benefits and the benefits payable under the other Plans do not total more than the Allowable Expenses.

Facility of Payment

If a payment is made or Service provided under another Plan, and it includes an amount that should have been paid for or provided by us, then we may pay that amount to the organization that made that payment.

The amount paid will be treated as if it was a benefit paid by the Health Plan.

Right of Recovery of Payments Made Under Coordination of Benefits

If the amount of payment by the Health Plan is more than it should have been under this ***Coordination of Benefits*** provision, or if we provided Services that should have been paid by the primary plan, then we may recover the excess or the reasonable cash value of the Services, as applicable, from the person who received payment or for whom payment was made, or from an insurance company or other organization.

Military Service

For any Services for conditions arising from military service that the law requires the Department of Veterans Affairs to provide, we will not pay the Department of Veterans Affairs, and when we cover any such Services we may recover the value of the Services from the Department of Veterans Affairs.

Definitions

Adverse Decision: Any Health Plan determination or decision that:

1. A Service is not a covered benefit, or if it is a covered benefit, that such Service does not meet the Health Plan's requirements for medical necessity, appropriateness, health care setting, level of care, or effectiveness and therefore payment is not provided or made by Health Plan, in whole or

in part, for the Service, thereby making the Member responsible for payment of such Service, in whole or in part; or

2. Cancels or terminates a Member's membership retroactively for a reason other than a failure to pay premiums or contributions toward the cost of coverage.

Appellant: An appellant is a person eligible to file an Independent External Appeal. The Member or the following persons may be considered an Appellant:

1. An Authorized Representative; or
2. The Member's Spouse or Domestic Partner, parent, committee, legal guardian or other individual authorized by law to act on the Member's behalf if the Member is not a minor but is incompetent or incapacitated.

Authorized Representative: An individual appointed by the Member in writing or otherwise authorized by state law to act on the Member's behalf to file claims and to submit Appeals. Authorized Representative shall also include a Health Care Provider acting on behalf of a Member with the Member's express written consent, or without the Member's express consent in an emergency situation. With respect to claims and appeals, the term "Member" shall include an Authorized Representative.

Complaint: A Complaint is an inquiry to the Member Services Department about Services, Member rights or other issues; or the communication of dissatisfaction about the quality of service or other issue which is not an Adverse Decision. Complaints do not involve utilization review decisions.

Concurrent Care Claim: A request that Health Plan continue to approve an ongoing course of covered treatment to be provided over a period of time or number of treatments, when either the course of treatment prescribed will:

1. Expire; or
2. Be shortened.

Expedited (Urgent Care) Appeal: An appeal that must be reviewed under an expedited process because the application of non-expedited appeal time frames could seriously jeopardize a Member's life or health or the Member's ability to regain maximum function. In determining whether an appeal involves Urgent Care, Health Plan must apply the judgment of a prudent layperson that possesses an average knowledge of health and medicine. An Expedited Appeal is also an appeal involving:

1. Care that the treating physician deems urgent in nature;
2. The treating physician determines that a delay in the care would subject the Member to severe pain that could not adequately be managed without the care or treatment that is being requested; or
3. When Health Plan covers prescription drugs and the requested service is a prescription for the alleviation of cancer pain, the Member is a cancer patient and the delay would subject the Member to pain that could not adequately be managed without the care or treatment that is being requested.

Such Appeal may be made by telephone, facsimile or other available similarly expeditious method.

Explanation of Benefits (EOB): Any form provided by an insurer, health services plan or health maintenance organization which explains the amounts covered under a policy or Plan or shows the amounts payable by a Member to a health care provider.

Independent External Review: If the Member receives an Adverse Decision of an appeal, the Member or the Member's Authorized Representative, which may include the treating provider, may appeal the Adverse Decision to the Bureau of Insurance for an Independent External Review.

Pre-Service Claim: A request that the Health Plan provide or pay for a Service that you have not yet received.

Proof of Loss: All necessary documentation reasonably required by the Health Plan to make a determination of benefit or coverage.

Post-Service Claim: A request for payment for Services you have already received, including but not limited to, claims for Out-of-Plan emergency services.

Urgent Medical Condition: As used in this section, a medical condition for which care has not been rendered and which:

1. Could seriously jeopardize your life, health or ability to regain maximum function; or
2. Would, in the opinion of a physician with knowledge of your medical condition, subject the Member to severe pain that cannot be adequately managed without the Services which are the subject of the claim.

Procedure for Filing a Claim and Initial Claim Decisions

When receiving Services outside of a Plan Medical Center, you will receive an Explanation of Benefits (EOB) within twenty-one (21) days of proof of loss. The EOB will describe the Services provided, whether the claim was paid or denied, the amount paid by Health Plan, your Cost Share, and the amounts accumulated toward meeting your Deductible (if applicable) and Out-of-Pocket Maximum. For Services furnished by Kaiser Permanente staff clinicians within a Plan Medical Center, EOBs will not be issued unless the Services provided are subject to a Deductible and/or Coinsurance.

The Health Plan will review claims that you file for Services or payment, and we may use medical experts to help us review claims and appeals. You may file a claim or an Appeal on your own behalf or through an Authorized Representative. As used with respect to Pre-Service, Concurrent Care, or Post-Service Claims and appeals related thereto, the term "Member" or "you" shall include an Authorized Representative, as defined above.

You may file a claim by visiting www.kp.org and completing an electronic form and uploading supporting documentation or by mailing a paper form that can be obtained by either visiting www.kp.org or by calling the Member Services Department at the number listed above.

If you are unable to access the electronic form or obtain a paper form, you may also file your claim by submitting the following information we need to process your claim:

1. Member Name;
2. Member Medical Record Number (MRN);
3. The date the Member received the Services;
4. Where the Member received the Services;
5. The Physician who provided the Services;
6. Reason you believe Health Plan should pay for the Services; and
7. A copy of the bill, the Member's medical record(s) for the Services, and the receipt, if the Service have already been paid for.

Paper forms, supporting documentation, and any other information can be mailed to:

Kaiser Permanente National Claims Administration - Mid-Atlantic States
PO Box 371860
Denver, CO 80237-9998
Fax: 1-866-568-4184

The Health Plan will also process a request for a standard review of a decision that a drug is not covered by the Plan for you or your Authorized Representative or the prescribing physician (or other prescriber).

The initial response of the Health Plan may be to request additional information from the prescribing provider in order to make a determination. Health Plan will make its utilization review decision no later than two (2) business days following receipt of all the information necessary to complete the review.

Health Plan will provide coverage of the drug for the duration of the prescription, including refills if the Health Plan grants a standard exception.

If you miss a deadline for filing a claim or appeal, we may decline to review it. If your health benefits are provided through an ERISA covered employer group, you can file a demand for arbitration or civil action under ERISA §502(a)(1)(B), but you must meet any deadlines and exhaust the claims and appeals procedures as described in this Section before you can do so. If you are not sure if your group is an ERISA group, you should contact your employer.

We do not charge you for filing claims or appeals, but you must bear the cost of anyone you hire to represent or help you. You may also contact the Office of the Managed Care Ombudsman, for which contact information is contained within this section, to obtain assistance.

Pre-Service Claims

Pre-Service Claims are requests that Health Plan provide or pay for a Service that you have not yet received. Our clinical peer will decide if your claim involves an Urgent Medical Condition or not. If you receive any of the Services you are requesting before we make our decision, your claim or Appeal will become a Post-Service Claim with respect to those Services. If you have any questions about Pre-Service Claims, please contact our Member Services Monday through Friday between 7:30 a.m. and 9 p.m. Eastern Standard Time (EST) at 1-800-777-7902 or 711 (TTY).

Procedure for Filing a Non-Urgent Pre-Service Claim

1. Tell the Member Services Department that you want to make a claim for Health Plan to provide or pay for a Service you have not yet received. Your written or oral request and any related documents you give us constitutes your claim. You may write or call us at the address and number listed above.
2. We will review your claim, and if we have all the information we need we will communicate our decision within two (2) working days after we receive your claim. If we cannot make a determination because we do not have all the information we need, we will ask you for more information within fifteen (15) days of receipt of your claim. We encourage you to send all the requested information at one time so that we will be able to consider all of it when we make our decision. If we do not receive any of the requested information (including documents) within forty-five (45) days, we will then make a decision within fifteen (15) days of the due date or the receipt date, whichever is earlier, based on the information we have.

3. We will make a good faith attempt to obtain information from the treating provider before we make any Adverse Decision. At any time before we make our decision, the provider shall be entitled to review the issue of medical necessity with a physician advisor or peer of the treating provider. A physician reviewer will review the issue of medical necessity with the provider prior to making any Adverse Decision relating to cancer pain medication.
4. If we make an Adverse Decision regarding your claim, we will notify the treating provider:
    a. In writing within two (2) working days of the decision; or
    b. Orally by telephone within twenty-four (24) hours of the decision if the claim is for cancer pain medication.

    Note: The notice will include instructions for the provider on behalf of the member to seek a reconsideration of the Adverse Decision, including the name, address and telephone number of the person responsible for making the Adverse Decision.
5. If we deny your claim or if we do not agree to provide or pay for all the Services you requested, we will tell you in writing why we denied your claim, and how you can appeal.

Expedited Procedure for an Urgent Medical Condition

1. If you or your treating provider feels that you have an Urgent Medical Condition, you may request an expedited review of your Pre-Service Claim.
2. If our clinical peer determines your claim does not involve an Urgent Medical Condition, we may treat your claim as a non-urgent Pre-Service Claim.
3. We will review your claim, and if we have all the information we need we will notify you of our decision as soon as possible taking into account your medical condition(s) but no later than twenty-four (24) hours after receiving your claim. We will send a written or electronic confirmation within three (3) days after making our decision. If we cannot make a decision because we do not have all the information we need, we will ask you for more information within twenty-four (24) hours of receipt of your claim. You will have forty-eight (48) hours from the time of notification by us to provide the missing information. We will make a decision forty-eight (48) hours after the earlier of:
    a. Our receipt of the requested information; or
    b. The end of the forty-eight (48)-hour period we have given you to provide the specified additional information.
4. If we deny your claim or if we do not agree to provide or pay for all the Services you requested, we will tell you in writing why we denied your claim, and how you can Appeal.
5. When you or your Authorized Representative sends an Appeal, you or your Authorized Representative may also request simultaneous external review of our initial Adverse Decision. If you or your Authorized Representative wants simultaneous external review, your or your Authorized Representative's appeal must tell us this. You will be eligible for the simultaneous external review only if your pre-service appeal qualifies as urgent. If you do not request simultaneous external review in your Appeal, then you or your Authorized Representative may be able to request external review after we make our decision regarding the appeal. See ***Bureau of Insurance Independent External Appeals*** in this section for additional information about filing an external Appeal.

Concurrent Care Claims

Concurrent Care Claims are requests that Health Plan continue to approve an ongoing course of covered treatment to be provided over a period of time or number of treatments, when either the course of treatment prescribed:

1. Will expire: or
2. Be shortened.

Determinations regarding a Concurrent Care Claim request will be made, and notice provided to the Member's provider, by telephone and in writing, within one (1) business day of receipt of all information necessary to make a decision, but no later than fifteen (15) calendar days of receipt of the request.

1. If care is authorized, the notice will identify the number of approved services, the new total of approved services, the date of onset of services and the date of the next scheduled concurrent review of the case.
2. If we reduce or terminate coverage for an ongoing course of treatment that we already approved, we will notify the Member sufficiently in advance of the reduction or termination to allow the member to Appeal the decision as described below.

Concurrent Care Claims for an Urgent Medical Condition

If your Concurrent Care Claim involves an Urgent Medical Condition, and the claim is submitted within twenty-four (24) hours before the end of the initially approved period, we will decide the claim within twenty-four (24) hours of receipt.

If you filed a request for additional services at least twenty-four (24) hours before the end of an approved course of treatment, you may continue to receive those services during the time your claim is under consideration. If your claim is denied, you will be financially responsible for the entire cost of those services. Otherwise, if your request for additional services was not timely filed, the Health Plan will decide your request for review within a reasonable period of time appropriate to the circumstances, but in no event later than thirty (30) calendar days from the date on which your claim was received.

1. If our clinical peer determines your claim does not involve an Urgent Medical Condition, we may treat your claim as a non-urgent Concurrent Care Claim.
2. We will notify you of our decision orally or in writing within twenty-four (24) hours after we receive your claim. If we notify you orally, we will send you a written decision within three (3) days after that.
3. If we deny your claim or if we do not agree to continue approval of all the Services you requested, we will tell you in writing why we denied your claim and how you can Appeal.
4. When you or your Authorized Representative sends the Appeal, you or your Authorized Representative may also request simultaneous external review of our Adverse Decision. If you want simultaneous external review, your or your Authorized Representative's appeal must tell us this. You or your Authorized Representative will be eligible for the simultaneous external review only if your concurrent care claim qualifies as urgent. If you or your Authorized Representative do not request simultaneous external review in the Appeal, then you or your Authorized Representative may be able to request external review after we make our decision regarding the Appeal. See ***Bureau of Insurance Independent External Appeals*** in this section for additional information about filing an external appeal.

Post-Service Claims

Post-service Claims are requests for payment for Services you already received, including claims for Emergency Services and Urgent Care Services rendered outside our Service Area. If you have any questions about post-service claims or Appeals, contact Member Services Monday through Friday between 7:00 a.m. and 9 p.m. Eastern Standard Time (EST) at 1-800-777-7902 or 711 (TTY).

Procedure for Filing a Post-Service Claim

Claims for Emergency Services or Urgent Care Services rendered outside our Service Area or other Services received from non-Plan Providers must be filed on forms provided by Health Plan; such forms may be obtained on our website, **www.kp.org** or by contacting Member Services Monday through Friday between 7:30 a.m. and 9 p.m. Eastern Standard Time (EST) at 1-800-777-7902 or 711 (TTY).

1. You must send the completed claim form to us at the address listed on the claim form within one-hundred eighty 180 days, or as soon as reasonably possible after the Services are rendered. You should attach itemized bills along with receipts if you have paid the bills. Incomplete claim forms will be returned to you. This will delay any payments that may be owed to you. Also, you must complete and submit to us any documents that we may reasonably need for processing your claim or obtaining payment from insurance companies or other payors.
2. We will review your claim, and if we have all the information we need we will send you a written decision within thirty (30) days after we receive your claim. If we tell you we need more time because of circumstances beyond our control, we may take an additional fifteen (15) days to send you our written decision. If we tell you we need more time and ask you for more information, you will have forty-five (45) days to provide the requested information. We encourage you to send all the requested information at one time, so that we will be able to consider all of it when we make our decision. If we do not receive any of the requested information (including documents) within forty-five (45) days, we will make a decision based on the information we have. We will issue our decision within fifteen (15) days of the deadline for receiving the information.
3. If we deny your claim or if we do not pay for all the Services you requested, our written decision will tell you why we denied your claim and how you can Appeal.

Reconsideration of an Adverse Decision

Reconsideration of an Adverse Decision is available only to the treating health care provider, to request the review of an Adverse Decision by the Health Plan, on behalf of a Member. A request for reconsideration is optional. The treating provider may choose to skip this step, and you or your Authorized Representative may file an Appeal, as described below. If the provider does request reconsideration, the Member still has a right to Appeal.

The Health Plan will render its decision regarding the reconsideration request and provide the decision to the treating provider and the Member, in writing, within ten (10) working days of the date of receipt of the request. If we deny the claim, the notice will include the criteria used and the clinical reason for the Adverse Decision, the alternate length of treatment of any alternate treatment recommended, and the Member's right to Appeal the decision as described below.

Appeals of Claim Decisions

The Appeal Procedures are designed by the Health Plan to assure that Member concerns are fairly and properly heard and resolved. By following the steps outlined below, Member concerns can be quickly and responsively addressed.

Standard Appeal

This procedure applies to decisions regarding non-urgent Pre-Service Claims and Concurrent Claims as well as for Post-Service Claims. Please note that the timeframe for our response differs for Post-Service Claims (it is longer).

You or your Authorized Representative may initiate a standard appeal by submitting a written request, including all supporting documentation that relates to the Appeal to:

Kaiser Permanente
Attention: Member Relations
Nine Piedmont Center
3495 Piedmont Rd NE
Atlanta, GA 30305
1-(404) 949-5001 (FAX)

You or your Authorized Representative may request a standard Appeal by contacting the Member Services Department. In addition, you or your Authorized Representative, as applicable, may review the Health Plan's Appeal file and provide evidence and testimony to support the appeal request.

Wherever the term "Member" or "you" or "your" is used in this section, it shall include the Member's Authorized Representative.

The Appeal must be filed in writing within one-hundred eighty (180) days from the date of receipt of the original denial notice. If the Appeal is filed after the one-hundred eighty (180) days, the Health Plan will send a letter denying any further review due to lack of timely filing.

If within five (5) working days after a Member files an appeal, the Health Plan does not have sufficient information to initiate its internal appeal process, the Health Plan shall:

1. Notify the Member that it cannot proceed with reviewing the appeal unless additional information is provided; and
2. Assist in gathering the necessary information without further delay.

Standard appeals will be acknowledged within five (5) working days of the filing date of the written appeal request. An acknowledgement letter will be sent as follows:

Appeal of a Non-Urgent Pre-Service or Non-Urgent Concurrent Care Claim

If the Appeal is for a Service that the Member is requesting, the acknowledgment letter will:

1. Request additional information, if necessary;
2. Inform the Member when there will be a decision on their Appeal; and
3. State that written notice of the Appeal decision will be sent within thirty (30) days of the date the Appeal was received.

Appeal of a Post-Service Claim

If the Appeal is asking for payment for completed services, an acknowledgment letter is sent:

1. Requesting additional information, if necessary;
2. Informing the Member when a decision will be made;
3. That the Member will be notified of the decision within sixty (60) days of the date the Appeal was received.

If there will be a delay in concluding the Appeal process in the designated time, the Member will be sent a letter requesting an extension of time during the original time frame for a decision. If the Member does not agree to this extension, the Appeal will move forward to be completed by end of the original time frame. Any agreement to extend the Appeal decision shall be documented in writing.

If the Appeal is approved, a letter will be sent to the Member stating the approval. If the Appeal is by an Authorized Representative, the letter will be sent to both the Member and the Authorized Representative.

In addition, you or your Authorized Representative, as applicable, may review (without charge) the information upon which the Health Plan made its decision. You or your Authorized Representative may also send additional information, including comments, documents, or additional medical records supporting the claim, to:

Kaiser Permanente
Attention: Member Relations
Nine Piedmont Center
3495 Piedmont Rd NE
Atlanta, GA 30305
1-(404) 949-5001 (FAX)

If the Health Plan asked for additional information before and you or your Authorized Representative did not provide it, you or your Authorized Representative may still submit the additional information with the Appeal. In addition, you or your Authorized Representative may also provide testimony by writing or by telephone. Written testimony may be sent along with the Appeal to the address above. To arrange to give testimony by telephone, you or your Authorized Representative may contact the Appeals and Complaints Resolution Department. The Health Plan will add all additional information to the claim file and review all new information without regard to whether this information was submitted or considered in the initial decision.

Prior to the Health Plan rendering its final decision, it must provide you or your Authorized Representative, without charge, any new or additional evidence considered, relied upon, or generated (or at the direction of) by the Health Plan in connection with the informal Appeal.

If during the Health Plan's review of the standard Appeal, it determines that an Adverse Decision can be made based on a new or additional rationale, the Health Plan must provide you or your Authorized Representative with this new information prior to issuing its final Adverse Decision. The additional information must be provided to you or your Authorized Representative as soon as possible and sufficiently before the deadline to give you or your Authorized Representative a reasonable opportunity to respond to the new information.

If the review results in a denial, the Health Plan will notify you or your Authorized Representative. The notification shall include:

1. The specific factual basis for the decision in clear understandable language;

2. References to any specific criteria or standards on including interpretive guidelines, on which the Appeal Decision was based (including reference to the specific plan provisions on which determination was based);
3. A statement that the Member is entitled to receive upon request and free of charge, reasonable access to, and copies of, all documents, records and other information relevant to the claim. If specific criterion was relied upon, either a copy of the criterion or a statement that such criterion will be provided free of charge upon request. If the determination was based on medical necessity, experimental treatment or similar exclusion or limit, either an explanation of the scientific or clinical judgment, applying the terms of the plan to the Member's medical circumstances, or provide a statement that such explanation will be supplied free of charge upon request. In addition, you or your Authorized representative has the right to request any diagnostic and treatment codes and their meanings that may be the subject of your or your Authorized representative's claim.
4. A description of the right of the Member to file an external Appeal with the Bureau of Insurance, along with the forms for filing and a detailed explanation of how to file such an Appeal. An external Appeal must be filed within one-hundred twenty (120) days after the date of receipt of a notice of the right to an external review of a final Adverse Decision or an Adverse Decision if the internal Appeal process has been deemed to be exhausted or waived, a Member or their Authorized Representative may file a request for an external review in writing with the Commission of the date of the Health Plan's final Adverse Decision, as described below; and
5. A statement of your rights under section 502(a) of ERISA.

If we send you a notice of an Adverse Decision to an address in a county where a federally mandated threshold language applies, then you or your Authorized Representative may request translation of that notice into the applicable threshold language. A threshold language applies to a county if at least 10 percent of the population is literate only in the same federally mandated non-English language. You or your Authorized Representative may request translation of the notice by contacting Member Services Monday through Friday between 7:30 a.m. and 9 p.m. Eastern Standard Time (EST) at 1-800-777-7902 or 711 (TTY).

If the Health Plan fails to make an Appeal Decision for a non-urgent pre-service Appeal within thirty (30) days or within sixty (60) days for a post-service Appeal, the Member may file a complaint with the Bureau of Insurance.

Expedited Appeal

When an Adverse Decision or adverse reconsideration is made, and you, your Authorized Representative, or treating health care provider believes that such Adverse Decision or adverse reconsideration warrants an immediate Expedited Appeal, you, your Authorized Representative, or your treating health care provider shall have the opportunity to Appeal the Adverse Decision or adverse reconsideration by telephone on an expedited basis.

An Expedited Appeal may be requested only when the regular reconsideration and Appeal process will delay the rendering of covered Services in a manner that would be detrimental to the Member's health.

You, your Authorized Representative, or your treating health care provider may initiate an Expedited Appeal by contacting Member Services Monday through Friday between 7:30 a.m. and 9 p.m. Eastern

Standard Time (EST) at 1-800-777-7902 or 711 (TTY) during regular business hours. During non-business hours, please contact the Advice and Appointment Line at 1-703-359-7878.

Once an Expedited Appeal is initiated, our clinical peer will determine if the Appeal involves an urgent Pre-Service or Concurrent Care Claim. If the Appeal does not meet the criteria for an expedited Appeal, the request will be managed as a standard Appeal, as described above. If such a decision is made, the Health Plan will verbally notify the Member within twenty-four (24) hours.

If the request for Appeal meets the criteria for an expedited Appeal, the Appeal will be reviewed by a Plan physician who is board certified or eligible in the same specialty as the treatment under review, and who is not the individual (or the individual's subordinate) who made the initial Adverse Decision.

If additional information is needed to proceed with the expedited review, the Health Plan and the provider shall attempt to share the maximum information by telephone, facsimile, or otherwise to resolve the expedited Appeal in a satisfactory manner.

A decision with respect to such Expedited Appeal shall be rendered no later than:

1. Seventy-two (72) hours after receipt of the claim, if we have all of the necessary information; or
2. If the claim is for cancer pain medication, no later than twenty-four (24) hours after receipt of the claim.

If approval is recommended, the Health Plan will immediately provide assistance in arranging the authorized treatment or benefit.

If the Health Plan declines to review an Appeal as an Expedited Appeal; or if the Expedited Appeal results in a denial, the Health Plan shall immediately take the following actions:

1. Notify you, your Authorized Representative, or the provider who requested the expedited review, by telephone, fax, or electronic mail that the Member is eligible for an Expedited Appeal to the Bureau of Insurance without the necessity of providing the justification required for a standard Appeal; and
2. Within twenty-four (24) hours after the initial notice, provide a written notice to the provider and the Member clearly informing them of the right to Appeal this decision to the Bureau of Insurance. The written notice will include the appropriate forms and instructions to file an Appeal with the Bureau of Insurance, as described below.

The notification shall also include:

1. The specific factual basis for the decision in clear understandable language;
2. References to any specific criteria or standards, including interpretive guidelines, on which the decision was based (including reference to the specific plan provisions on which determination was based);
3. A statement that the Member is entitled to receive upon request and free of charge, reasonable access to, and copies of, all documents, records and other information relevant to the claim. If specific criterion was relied upon, either a copy of the criterion or a statement that such criterion will be provided free of charge upon request. If the determination was based on medical necessity, experimental treatment or similar exclusion or limit, either an explanation of the scientific or clinical judgment, applying the terms of the plan to the Member's medical circumstances, or provide a statement that such explanation will be supplied free of charge upon request; and
4. A statement of your rights under section 502(a) of ERISA.

An Expedited Appeal may be further Appealed through the standard Appeal process described above unless all material information was reasonably available to the provider and to the Health Plan at the time of the expedited Appeal, and the physician advisor reviewing the Expedited Appeal was a peer of the treating health care provider, was board certified or board eligible, and specialized in a discipline related to the issues of the Expedited Appeal.

Bureau of Insurance Independent External Appeals

A Member may file for an Independent External Appeal with the State Corporation Commission's Bureau of Insurance:

1. If all of the Health Plan's Appeal procedures described above have been exhausted; or
2. If the Member's Adverse Decision involves cancer treatment or a medical condition where the timeframe for completion of an expedited internal appeal of an Adverse Decision would seriously jeopardize the life or health of the Member or would jeopardize the Member's ability to regain maximum function; or
3. If the Member requested an Expedited Appeal and Health Plan determined that the standard appeal timeframes should apply; or
4. When an Expedited Appeal is reviewed and is denied.

A member may request an expedited emergency review prior to exhausting our internal Appeal process if:

1. An Adverse Decision that was based on a determination that services are experimental/investigational may be expedited with written certification by the treating physician that services would be less effective if not initiated promptly;
2. The Health Plan fails to render a standard internal appeal determination within thirty (30) or sixty (60) days and you, your Authorized Representative or Health Care provider has not requested or agreed to a delay; or
3. The Health Plan waives the exhaustion requirement.

An expedited emergency review for denials due to medical necessity, appropriateness, healthcare setting, level of care, or effectiveness may be requested simultaneously with an expedited internal review. The Independent Review Organization will review and determine if an internal appeal should be completed prior to expedited emergency review.

The forms and instructions for filing an emergency review are provided to the Member along with the notice of a final Adverse Decision.

To file an Appeal with the Bureau it must be filed in writing within one-hundred twenty (120) days from the date of receipt of your Health Plan decision letter using the forms required by the Bureau. The request is mailed to the following address:

Virginia State Corporation Commission
Bureau of Insurance
Life and Health Consumer Services Division

Richmond, VA 23218
1-804-371-9691 (Phone)
1-804-671-9944 (Fax)
www.scc.virginia.gov (Website)

The decision resulting from the external review will be binding on both the member and Health Plan to the same extent to which we would have been bound by a judgment entered in an action of law or in equity, with respect to those issues which the external review entity may review regarding a final Adverse Decision of Health Plan.

SECTION 6: Change of Residence, Plan Renewal and Termination, and Transfer of Plan Membership

This section explains what to do when your location of residence changes and provides you with information on Plan renewal and termination, and transfer of Plan membership.

Change of Residence

If you move outside of the Health Plan's Service Area, you are no longer eligible for Health Plan coverage through the Exchange and your membership will be terminated as described below.

If you move to another Kaiser Foundation Health Plan region, you must promptly apply to a Health Plan Office or Exchange in that region to transfer your Membership. However, identical coverage may not be available in the new region.

Termination of Membership

Except as expressly provided in this section, all rights to Services and other benefits hereunder terminate as of the effective date of termination.

If your membership terminates, all rights to benefits end at 11:59 p.m. Eastern Time on the termination date. The membership of any Dependents will end at the same time that the Subscriber's membership ends. Members will be billed at Allowable Charges for any Services received following membership termination. The Health Plan and Plan Providers have no further responsibility under this Agreement after your membership terminates, except as provided under applicable law.

Termination of Agreement

This Agreement continues in effect from the effective date hereof and from month to month thereafter, subject to provisions in this section.

Termination by Member

The Subscriber may terminate this Agreement by written notice delivered or mailed to the Health Plan effective on a later date as specified in the written notice or at the end of the month in which the written notice is received by the Health Plan. In the event of termination, the Health Plan shall promptly return any unearned portion of the Premium Payment. The earned Premium Payment shall be computed pro rata. Termination shall be without prejudice to any claim originating prior to the effective date of termination.

Members who enroll through the Exchange may terminate membership under this Agreement for any reason, including as a result of obtaining other Minimum Essential Coverage, by providing reasonable notice of the termination to the Exchange. The request will be reasonable if it is received at least fourteen (14) days prior to the requested effective date of termination or sooner, if required by applicable law.

Termination by Exchange and Health Plan

The Exchange may initiate, and the Health Plan may terminate your coverage:

1. When you are longer eligible for coverage through the Exchange;
2. For non-payment of Premiums, and
    a. The three (3) consecutive month grace period required for Members receiving advance payments of the Advance Premium Tax Credit (APTC) has been exhausted as described in 45 CFR 156.270(g); or

   b. The thirty-one (31)-day grace period described below under Termination Due to Nonpayment of Premium has been exhausted;
3. When coverage is rescinded in accordance with 45 CFR §147.128;
4. When the Qualified Health Plan terminates or is decertified; or
5. When the Member changes from one Qualified Health Plan to another during an annual open enrollment period or a special enrollment period as described in ***Section 1: Introduction to Your Kaiser Permanente Plan***.

The Health Plan will provide the Member notice of termination of coverage, including the reason for the termination, at least thirty (30) days prior to the last day of coverage.

Termination Due to Loss of Eligibility

If you are no longer eligible for coverage through the Exchange, you will be terminated in accordance with 45 CFR §155.430.

Termination Due to Nonpayment of Premium – Members who Receive APTC

If you are receiving advance payments of the Advance Premium Tax Credit (APTC), and we do not receive your full Premium on time, we will provide a three-month grace period if we have previously received your full Premium for at least one (1) month in the Calendar Year.

We will send written notice stating when the grace period begins. We will pay claims for benefits you receive during the first month of the grace period. For the second and third months of the grace period, we will pend any claims for Services rendered in the second and third months of the grace period unless we receive all outstanding Premium (including Premium due during the grace period) by the end of the three (3)-month grace period. If we do not receive all outstanding Premium by the end of the three (3)-month grace period, your membership will end at 11:59 p.m. on the last day of the first month of the grace period.

Termination Due to Nonpayment of Premium – Other Members

Except for the first Premium Payment, if a Subscriber fails to pay any required Premium Payment when due according to ***Section 1: Introduction to Your Kaiser Permanente Health Plan***, the Health Plan may terminate this Agreement. We will send written notice of the termination to the Subscriber at least thirty-one (31) days before the termination date (grace period). Coverage shall continue in force during the thirty-one (31) day grace period, prior to the termination date, unless written notice of discontinuance in accordance with the terms of this Agreement is received from the subscriber in advance of the date of discontinuance. If payment in full is received within the thirty-one (31) day period set forth in the written notice, then the Subscriber and Dependents shall continue to receive all benefits and Services covered under this Agreement. If payment is not received within the thirty-one (31) day period set forth in the notice, then this Agreement will be terminated at the end of the 31st day. In the event of termination under this provision, the Subscriber is liable for the pro-rata Premium for the time the contract was in force during the grace period.

Termination or Rescission for Cause

We may terminate or rescind your membership for cause if you:

1. Knowingly perform an act, practice or omission that constitutes fraud; or
2. Make an intentional misrepresentation of material fact.

If the fraud or intentional misrepresentation was made by the Subscriber, we may terminate the memberships of the Subscriber and all Dependents in your Family Unit. If the fraud or intentional misrepresentation was made by a Dependent, we may terminate the membership of the Dependent.

We will send written or electronic notice to the Subscriber or the Dependent at least thirty-one (31) days before the termination date. Such notice will include at minimum:

We may report any Member fraud to the authorities for prosecution.

We may discontinue offering a particular product or all products in a market, as permitted by law. If we discontinue offering in a market the product described in this Agreement, we will give ninety (90) days' prior written notice to the Subscriber. If we discontinue offering all products to groups in a market, we will give one hundred-eighty (180) days' prior written notice to the Subscriber.

Return of Pro Rata Portion of Premium in Certain Cases

If your rights hereunder are terminated under this section, prepayments received on your account applicable to a period after the effective date of termination are refunded to the Subscriber or Financially Responsible Person, as applicable. Amounts due on claims, if any, less any amounts due to the Health Plan, Plan Hospitals or Medical Group, shall be refunded to the Subscriber within thirty-one (31) days. In such cases, neither the Health Plan, Plan Hospitals, Medical Group nor any Physician has any further liability or responsibility under this Agreement.

An equitable adjustment of payments will be made in the event the age of the Member has been misstated. The Health Plan's liability is limited to the refund, upon request, of the payment made for the period not covered by the Agreement if the age of the Member is misstated and according to the correct age of the Member the coverage provided by the Agreement would:

1. Not have become effective; or
2. Have ceased before the acceptance of the payment for the Agreement.

The claim for payment must be submitted to the Health Plan within six (6) months from the date of service.

If you receive a payment for covered Services received from a non-participating provider for which you have not already made payment, you are responsible for applying that Plan payment to the claim from that non-participating provider.

Mental Health Parity and Addiction Equity Act

The Mental Health Parity and Addiction Equity Act provides for parity in the application of aggregate treatment limitations (day or Visit limits) on mental health and substance use disorder benefits with day or Visit limits on medical and surgical benefits. In general, group health plans offering mental health and substance use disorder benefits cannot set day/Visit limits on mental health or substance use disorder benefits that are lower than any such day or Visit limits for medical and surgical benefits. A plan that does not impose day or Visit limits on medical and surgical benefits may not impose such day or Visit limits on mental health and substance use disorder benefits offered under the Plan. Also, the Plan may not impose Deductibles, Copayment, Coinsurance, and out of pocket expenses on mental health and substance use disorder benefits that are more restrictive than Deductibles, Copayment, Coinsurance and out of pocket expenses applicable to other medical and surgical benefits.

Overpayment Recovery

We may recover any overpayment we make for Services from:

1. Anyone who receives an overpayment; or
2. Any person or organization obligated to pay for the Services.

In the event of an overpayment to a Health Care Provider, we may only retroactively deny reimbursement to that Health Care Provider during the six (6)-month period after the date we paid a claim submitted by that Health Care Provider.

Privacy Practices

Kaiser Permanente will protect the privacy of your protected health information (PHI). We also require contracting providers to protect your PHI. Your PHI is individually identifiable information about your health, the health care Services you receive, and payment for your health care. You may generally:

1. See and receive copies of your PHI;
2. Correct or update your PHI; and
3. Ask us for an account of certain disclosures of your PHI.

We may use or disclose your PHI for treatment, payment, health research and health care operations purposes, such as measuring the quality of Services. We are sometimes required by law to give PHI to others, such as government agencies or in judicial actions. We will not use or disclose your PHI for any other purpose without written authorization from you or your Authorized Representative, except as described in our *Notice of Privacy Practices*. Giving us authorization is at your discretion.

This is only a brief summary of some of our key privacy practices. If a Member disagrees with a prescribed course of treatment, the Member shall be permitted to receive a second opinion from another participating provider. If the second participating provider disagrees with the prescribed course of treatment, the Health Plan may refuse to provide some of the Services for that particular condition, subject to the terms, conditions, limitations and exclusions of this Agreement and Health Plan's utilization review protocols and policies.

You may also contact Member Services Monday through Friday between 7:30 a.m. and 9 p.m. Eastern Standard Time (EST) at 1-800-777-7902 or 711 (TTY).

Where to Purchase Covered Drugs

Except for Emergency Services and Urgent Care Services, as defined in the section ***Important Terms You Should Know*** in your Membership Agreement and Evidence of Coverage, you must obtain prescribed drugs from a Plan Pharmacy or through the Health Plan's Mail Service Delivery Program, subject to the Cost Shares listed on the attached ***Summary of Cost Shares*** under Copayment/Coinsurance. Most non-refrigerated prescription medications ordered through the Health Plan's Mail Service Delivery Program can be delivered to addresses in MD, VA, DC and certain locations outside the Service Area.

Members may obtain prescribed drugs and accessories from either a Plan Pharmacy or a Non-Plan Pharmacy (or its intermediary) only is it has previously notified the Health Plan, by facsimile or otherwise, of its agreement to accept, as payment in full, a reimbursement for its Services at rates applicable to Plan Network Pharmacies, including any prescription Coinsurance consistently imposed by the Plan.

Services of Non-Plan Pharmacies

Notwithstanding any provision in this Agreement to the contrary, you have coverage for outpatient prescription drug services provided to you by a Non-Plan Pharmacy (or its intermediary) that has previously notified the Health Plan of its agreement to accept, as payment in full, reimbursement for its services at rates applicable to our Health Plan's Pharmacy network providers. This shall include any applicable copayment, coinsurance and/or deductible (if any) amounts as payment in full, to the same extent as coverage for outpatient prescription drug services provided to you by Plan Pharmacies participating in our pharmacy network. Note, however, that this paragraph shall not apply to any pharmacy which does not execute a participating pharmacy agreement with the Health Plan or its designee within thirty (30) days of being requested to do so in writing by the Health Plan, unless and until the pharmacy executes and delivers the agreement.

If you have a prescription filled at a Non-Plan Pharmacy (or its intermediary), you must complete and submit a claim form. Reimbursement will be based on what a Plan Pharmacy would receive had the prescription been filled at a Plan Pharmacy. You will remain responsible for any applicable copayment, coinsurance and/or deductible. If you have questions or need a claim form, visit **www.kp.org** or contact Member Services Monday through Friday between 7:30 a.m. and 9 p.m. Eastern Standard Time (EST) at 1-800-777-7902 or 711 (TTY). This provision does not apply when prescription drugs are purchased from a Non-Plan Pharmacy that has agreed to accept reimbursement for its services at rates applicable to a Plan Pharmacy. In this case, you are not required to submit a claim for reimbursement.

Generic and Preferred Drug Requirements

Generic vs. Brand Name Drugs

We cover Generic and Brand Name Drugs, including those for Specialty Drugs and biological drugs. Plan Pharmacies and mail order pharmacies will substitute a generic equivalent for a Brand Name Drug when a generic equivalent is listed as a Preferred Drug unless one of the following is met:

1. The Provider has prescribed a Brand Name Drug and has indicated "dispense as written," also sometimes referred to as "(DAW)" on the prescription;
2. The Brand Name Drug is listed on our Formulary as a Preferred Drug;
3. The Brand Name Drug is prescribed by a:
    a. Plan Physician;
    b. Non-Plan Physician to whom you have an approved referral;
    c. Non-Plan Physician consulted due to an emergency or for out-of-area urgent care; or
    d. Dentist; and
        i. There is no equivalent Generic Drug; or
        ii. An equivalent Generic Drug has:
            a. Been ineffective in treating the disease or condition of the Member; or
            b. Caused or is likely to cause an adverse reaction or other harm to the Member.

If a Member requests a Brand Name Drug, not on the Formulary, for which there is a generic equivalent and items #3(d)(ii)(a) and #3(d)(ii)(b) have not been met, the Member will be responsible for the full Allowable Charge for the Brand Name Drug.

Step Therapy Exception Process

A step therapy exception request will be granted if your Plan Provider's submitted justification and supporting clinical documentation are determined to support their statement that:

1. The required prescription drug is contraindicated;
2. The required drug would be ineffective based on the known clinical characteristics of the patient and the known characteristics of the prescription drug regimen;
3. The Member has tried the step-therapy required prescription drug while under their current or previous health benefit plan and such prescription drug was discontinued due to lack of efficacy or effectiveness, diminished effect, or an adverse event; or
4. The Member is currently receiving a positive therapeutic outcome on a prescription drug recommended by their provider for the medical condition under consideration while on a current or the immediately preceding health benefit plan;

If a step Therapy exception is granted, we will authorize coverage for the prescription drug prescribed by your Plan Provider provided that the prescription drug is covered by us.

We will respond to a step therapy exception request within seventy-two (72) hours of receiving the request and notify you of our Coverage Decision or if the request requires supplementation. If waiting up to seventy-two (72) hours could be harmful to your health, either you, your Kaiser Permanente physician, or Plan Provider can request an expedited exception. If the expedited exception request is approved, we will respond within twenty-four (24) hours of receiving the request.

You may appeal any step-therapy exception request denial following the appeals process as described in ***Section 5: Filing Claims, Appeals and Grievances***.

General Formulary Exception Process

Without any additional Cost Share beyond that provided for a Formulary prescription drug covered by us, a Member may request a specific, Medically Necessary non-Formulary prescription drug if the Formulary drug is determined by us, after reasonable investigation and consultation with the prescribing physician, to be an inappropriate therapy for the medical condition of the Member. Such a request will be reviewed and a Coverage Decision provided by us within one (1) business day of receipt.

Without any additional Cost Share beyond that provided for a Formulary prescription drug covered by us, a Member may request a specific, Medically Necessary non-Formulary prescription drug they have been receiving for at least six (6) months previous to the development or revision of the Formulary and the prescribing physician has determined that the Formulary drug is an inappropriate therapy for the Member or that changing drug therapy presents a significant health risk to the Member. Such a request will be reviewed a Coverage Decision provided by us within one (1) business day of receipt.

If you would like detailed information on the formulary exception process, please visit www.kp.org or call our Member Services Call Center, Monday through Friday between 7:30 a.m. and 9 p.m. Eastern Standard Time (EST) at 1-800-777-7902 or 711 (TTY).

Except for modifications that occur at time of coverage renewal, we will provide at least thirty (30)-days prior written notice of modification to a Formulary that results in the movement of a prescription drug to a tier with higher Cost Sharing requirements.

Preferred Drugs vs. Non-Preferred Drugs

We cover Preferred Drugs and Non-Preferred Drugs, including those for Specialty Drugs and biological drugs. Plan Pharmacies and mail order pharmacies will dispense a Preferred Drug unless the following criteria are met for a Non-Preferred Drug.

The Non-Preferred Drug is prescribed by a:

1. Plan Physician;
2. Non-Plan Physician to whom you have a referral;
3. Non-Plan Physician consulted due to an emergency or for out-of-area urgent care; or
4. Dentist; and
    a. There is no equivalent drug in our Formulary; or
    b. An equivalent Formulary drug has:
        i. Been ineffective in treating the disease or condition of the Member; or
        ii. Caused or is likely to cause an adverse reaction or other harm to the Member.

If the above criteria are met, the applicable Tier Cost Share will apply based on the Formulary. If the Member requests a drug, not on the Formulary, and the criteria are not met, the Member will be responsible for the full Allowable Charge. The Health Plan, upon consultation with the prescribing provider, shall act on urgent requests within one business day of receipt of the request.

The Health Plan will treat the drug(s) obtained as prescribed above, under ***Generic vs. Brand Name Drugs*** and ***Preferred Drugs vs. Non-Preferred Drugs***, as an Essential Health Benefit, including by counting any Cost Sharing towards the health benefit plan's Out-of-Pocket Maximum described in the ***Summary of Cost Shares*** Appendix of this Agreement.

Dispensing Limitations

Except for Maintenance Medications and contraceptive drugs as described below, Members may obtain up to a thirty (30)-day supply and will be charged the applicable Copayment or Coinsurance based on the:

1. Prescribed dosage;
2. Standard Manufacturers Package Size; and
3. Specified dispensing limits.

Drugs that have a short shelf life may require dispensing in smaller quantities to assure that the quality is maintained. Such drugs will be limited to a thirty (30)-day supply. If a drug is dispensed in several smaller quantities (for example, three (3) ten (10)-day supplies), you will be charged only one Cost Share at the initial dispensing for each thirty (30)-day supply.

Except for Maintenance Medications and contraceptive drugs, as described immediately below, injectable drugs that are self-administered and dispensed from the pharmacy are limited to a thirty (30)-day supply.

Maintenance Medication Dispensing Limitations

Members may obtain up to a ninety (90)-day supply of Maintenance Medications in a single prescription, when authorized by the prescribing Plan Provider, or by a dentist or a referral physician. This does not apply to the first prescription or change in a prescription. The day supply is based on the:

1. Prescribed dosage;
2. Standard Manufacturer's Package Size; and
3. Specified dispensing limits.

Contraceptive Drug Dispensing Limitations

Members may obtain up to a twelve (12)-month supply of prescription contraceptives in a single prescription, when authorized by the prescribing Plan Provider or a referral physician.

Partial Dispensing of Medication

Members may obtain a partial supply of a prescription drug and will be charged a prorated daily copayment or coinsurance, if the following conditions are met:

- the prescribing physician or pharmacist determines dispensing a partial supply of a prescription drug to be in the best interest of the member; and
- the Member requests or agrees to a partial supply for the purpose of synchronizing the dispensing of the Member's prescription drugs.

Obtaining Reimbursement for Prescriptions Covered Outside the Service Area:

The Health Plan covers drugs prescribed by non-Plan Providers and purchased at non-Plan Pharmacies when the drug was prescribed during the course of an emergency care Visit or an urgent care Visit (see Emergency Services and Urgent Care Services, as defined in the section ***Important Terms You Should Know*** in your Membership Agreement and Evidence of Coverage), or that are associated with a covered, authorized referral inside or outside of the Health Plan's Service Area. To obtain reimbursement, the Member must submit a copy of the itemized receipts for their prescriptions to the Health Plan. We may require proof that urgent or emergency care Services were provided. Reimbursement will be made at the Allowable Charge less the applicable Cost Share, as described in the ***Summary of Cost Shares*** section of this Agreement. Claims should be submitted to:

The Non-Preferred Drugs coverage criteria is detailed in the above subsection titled ***Preferred Drugs vs. Non-Preferred Drugs***.

In the event of a civil emergency or the shortage of one or more prescription drugs, we may limit availability in consultation with the Health Plan's emergency management department/our Pharmacy and Therapeutics Committee. If limited, the applicable Cost Share per prescription will apply. However, a Member may file a claim for the difference between the Cost Share for a full prescription and the pro-rata Cost Share for the actual amount received. Instructions for filing a claim can be found in ***Section 5: Filing Claims, Appeals and Grievances***. Claims should be submitted to:

Neither the Health Plan nor Dental Administrator are responsible for payment of these Copayments or for any fees incurred as the result of receipt of non-Covered Dental Services or any other non-covered dental service. Participating Dental Providers have agreed to accept Member Copayments as payment in full of the Member's responsibility for that procedure.

Participating Dental Provider or In-Network Dentist: A licensed dentist who has signed a contract with the Dental Administrator to provide services to our members in accordance with the Dental Administrator's guidelines and criteria. 2. The Dental Administrator is not able to provide reasonable access to a Participating Dental Provider with the professional training and expertise to treat the condition or disease without unreasonable delay or travel.

The Member's Cost Share will be calculated as if the Non-Participating Dental Provider specialist rendering the Covered Dental Services were a Participating Dental Provider.

In those instances when your coverage with the Health Plan has terminated, we will extend Covered Dental Services, without payment of premium, in the following instances:

1. If you are in the midst of a course of covered dental treatment at the time your coverage ends, we will continue to provide benefits, in accordance with this Agreement and Dental Appendix in effect at the time your coverage ended, for a period of ninety (90) days following the date your coverage ended.
2. If you are in the midst of a course of covered orthodontic treatment at the time your coverage ends, we will continue to provide benefits, in accordance with this Agreement and Dental Appendix in effect at the time your coverage ended, for a period of:
    a. Sixty (60) days following the date your coverage ended, if the orthodontist has agreed to or is receiving monthly payments; or
    b. Until the later of sixty (60) days following the date your coverage ended, or the end of the quarter in progress, if the orthodontist has agreed to accept or is receiving payments on a quarterly basis.

To assist us, if you believe you qualify under this "Extension of Benefits" provision, please notify us in writing.

Extension of Benefits Limitations

The "Extension of Benefits" section listed above does not apply to the following:

1. When coverage ends because of your failure to pay premium;
2. When coverage ends as the result of you committing fraud or material misrepresentation;
3. When coverage is provided by another health plan and that health plan's coverage:
    a. Is provided at a cost to you that is less than or equal to the cost to you of the extended benefit available under this Appendix; and
    b. Will not result in an interruption of the Covered Dental Services you are receiving.

Dental Emergencies

Out of Service Area

When a dental emergency occurs when you are more than fifty (50) miles from your General Dentist, the Dental Administrator will reimburse you for the reasonable charges for Covered Dental Services that may be provided, less any discounted fee, upon proof of payment, not to exceed $100 per incident. Proof of loss must be submitted to the Dental Administrator within ninety (90) days of treatment. Proof of loss should be mailed to:

LIBERTY Dental Plan
Claims Department
P.O. Box 15149
Tampa, FL 33684-5149

Coverage is provided for emergency dental treatment as may be required to alleviate pain, bleeding, or swelling. Coverage is limited to those procedures not excluded under Plan limitations and exclusions. You must receive all post-emergency care from your Participating Dental Provider.

Failure to provide proof of loss for a dental emergency, or as may be required under "Non-Participating Specialist Referrals," within the time required does not invalidate or reduce a claim if it was not reasonably possible to submit the proof within the required time, if the proof is furnished as soon as reasonably possible and, except in the absence of legal capacity of the claimant, not later than one (1) year from the time proof is otherwise required.

Within Service Area
When you have a dental emergency within the Service Area but are unable to make arrangements to receive care through your General Dentist, contact the Dental Administrator 1-888-798-9868, TTY: 1-877-855-8039, Monday through Friday from 8 a.m. to 8 p.m. (Eastern Time) for assistance in locating another Participating Dental Provider.

Submission of Claims

When you receive Covered Dental Services from a Non-Participating Dental Provider, the Dental Administrator will reimburse the Non-Participating Provider directly. If the Member has already paid the charges, the Dental Administrator will reimburse the Member (upon proof of payment) instead of paying the provider directly for Covered Dental Services that may have been provided.

The Dental Administrator will accept a recognized ADA claim form from the dental provider's office. Claims can be submitted to:

LIBERTY Dental Plan
Claims Department
P.O. Box 15149
Tampa, FL 33684-5149

A claim form is available to download at www.kp.org. Once you have completed the claim form, you must include any copies of all itemized bills and proof of payment.

If you do not receive the claim form within fifteen (15) days after you notified the Dental Administrator, you may submit written proof of the occurrence, character, and extent of the loss for which the claim is made, including any copies of itemized bills and proof of payment.

All itemized bills and/or proof of payment must be submitted within ninety (90) days of treatment. Failure to submit the itemized bill and/or proof of payment within the time required does not invalidate or reduce Benefits payable if it was not reasonably possible for you to submit the itemized bills and/or proof of payment within the one-year period. If you submit the itemized bill and/or proof of payment as soon as reasonably possible and, except in the absence of legal capacity, no later than one (1) year from the time proof is otherwise required, Benefits will be payable.

Benefits payable under the Evidence of Coverage for any loss will be paid within the time required by state regulations after receipt of written proof of loss. If the Dental Administrator fails to pay a claim within the time required by state regulations, it will pay interest from the date on which payment is required to the date the claim is paid. If a claim is denied in whole or in part, the written notice of the denial will contain the reasons for denial and reference to the pertinent provisions of the Evidence of Coverage and this Rider.

Appeals

If a claim is denied, you or your Authorized Representative may file an appeal with the Dental Administrator in accordance with the "Health Care Service Review, Appeals and Grievances" section of the Evidence of Coverage.

Submit your Appeal to:

Section C. Summary of Cost Shares

Cost Share is the general term used to refer to your out-of-pocket costs (e.g., Deductible, Coinsurance and Copayments) for the covered Services you receive. The Cost Shares listed here apply to Services provided to Members enrolled in this Bronze Metal plan. In addition to the monthly Premium, you may be required to pay a Cost Share for some Services.

The Cost Share is the Copayment, Deductible, if applicable, and Coinsurance, if any, listed in this Appendix for each Service.†

You are responsible for payment of all Cost Shares. Copayments are due at the time you receive a Service. You will be billed for any Deductible, if applicable, and Coinsurance you owe.

This summary does not describe benefits. For the description of benefits, including exclusions and limitations, please refer to:

1. ***Section 3: Benefits, Exclusions and Limitations***
2. ***Section A: Outpatient Prescription Drug Benefit***
3. ***Section B: Kaiser Permanente Smile Kids KPIF Embedded Dental EPO Plan***

†When a non-Plan Provider provides Surgical or Ancillary Services at a Plan Hospital or Plan Facility, your Cost Share will be the same Cost Sharing amount for the same Service(s) from a Plan Provider. Such Cost Share shall count toward your Deductible and Out-of-Pocket Maximum. You will not be liable for any additional payment other than your Cost Share for Surgical or Ancillary Services.

Deductible

The Deductible is the amount of Allowable Charges you must incur during a Calendar Year for certain covered Services before the Health Plan will provide benefits for those Services.

For covered Services that are subject to a Deductible, you must pay the full charge for the Services when you receive them, until you meet your Deductible. The only amounts that count toward your Deductible are the Allowable Charges you incur for Services that are subject to the Deductible, but only if the Service would otherwise be covered. After you meet the Deductible, you pay the applicable Copayment or Coinsurance for these Services. Under this Agreement, you must meet either a Self-Only Coverage Deductible or a Family Coverage Deductible.

Self-Only Coverage Deductible

If you are covered as a Subscriber, and you do not have any Dependents covered under this Agreement, you must meet the Self-Only Deductible indicated below.

Family Coverage Deductible

If you have one or more Dependents covered under this Agreement, all members of your Family Unit together must meet the Family Coverage Deductible indicated below. No one family member's medical expenses may contribute more than the Self-Only Coverage Deductible shown below. After one member of a Family Unit has met the Self-Only Coverage Deductible, that Member will start paying Copayments or Coinsurance for the remainder of the Calendar Year. Other family members will continue to pay full charges for Services that are subject to the Deductible until the Family Coverage Deductible is met. After two (2) or more members of your Family Unit, combined, have met the Family Coverage Deductible, the Deductible will be met for all members of your Family Unit for the rest of the Calendar Year.

Keep Your Receipts

When you pay an amount toward your Deductible, we will give you a receipt. Keep your receipts. Also, if you have met your Deductible, and we have not received and processed all of your claims, you can use your receipts to prove that you

have met your Deductible. You can also obtain a statement of the amounts that have been applied toward your Deductible from our Member Services Department.

The Out-of-Pocket Maximum is the maximum amount of Copayments, Deductibles and Coinsurance that an individual or family is obligated to pay for covered Services, except as excluded below, per Calendar Year. Payments made by you, or on your behalf, for any Cost Shares will be applied toward your Out-of-Pocket Maximum to the extent allowed by Federal law and regulation. Once you or your Family Unit together have met your Out-of-Pocket Maximum, you will not be required to pay any additional Cost Shares for covered Services that apply toward the Out-of-Pocket Maximum for the rest of the Calendar Year.

After one member of a Family Unit has met the Self-Only Out-of-Pocket Maximum, that Member will not be required to pay any additional Cost Shares for covered Services for the rest of the Calendar Year. Outpatient Prescription Drug Benefit

Copayment/Coinsurance

The following Copayments and Coinsurance apply to all covered prescription drugs purchased at a Kaiser Permanente Plan Pharmacy or through the Kaiser Permanente Mail Service Delivery Program. These Copayments and Coinsurance amounts also apply to covered prescription drugs offered at non-Plan Pharmacies in connection with Emergency Services and Urgent Care Services.

You pay the Copayment or Coinsurance amounts set forth below when purchasing covered outpatient prescription drugs from the Kaiser Permanente Plan Pharmacy. If the price of the drug is less than the Copayment, you will pay the price of the drug.

For outpatient prescription drugs and/or items that are covered under this ***Outpatient Prescription Drug Benefit*** appendix and obtained at a pharmacy owned and operated by Health Plan, you may be able to use manufacturer coupons as payment for the Cost Sharing that you owe, as allowed under Health Plan's coupon program. You will owe any additional amount if the coupon does not cover the entire amount of your Cost Sharing for your prescription. When you use a coupon for payment of your Cost Sharing, the coupon amount, and any additional payment that you make, will accumulate to your Out-of-Pocket Maximum. You can get more information regarding the Kaiser Permanente coupon program rules and limitations at https://healthy.kaiserpermanente.org/learn/pharmacy/drug-manufacturer-coupons.
