## A. Welcome to our plan

Our plan provides Medicare and Medi-Cal services to individuals who are eligible for both programs. Our plan includes doctors, hospitals, pharmacies, providers of long-term services and supports, behavioral health providers, and other providers. We also have care coordinators and care teams to help you manage your providers and services. They all work together to provide the care you need.

Kaiser Permanente Dual Complete is a specialized Medicare Advantage Plan (a Medicare Special Needs Plan), which means its benefits are designed for people with special health care needs. Kaiser Permanente Dual Complete is designed for people who have Medicare and who are also entitled to assistance from Medi-Cal.

Kaiser Permanente provides health care services directly to members through an integrated medical care program. Health Plan, Plan Hospitals, The Permanente Medical Group, and the Southern California Permanente Medical Group (“Medical Group”) work together to provide our members with quality care. Our medical care program gives you access to covered services you may need, such as routine care, hospital care, laboratory services, emergency care, urgent care, and other benefits described in this *Member Handbook*. Plus, our health education programs offer you great ways to protect and improve your health.

This *Member Handbook* describes the following plans:

- Kaiser Permanente Dual Complete South P1 (HMO D-SNP), referred to in this document as “South P1 plan.”
- Kaiser Permanente Dual Complete North P2 (HMO D-SNP), referred to in this document as “North P2 plan.”

If you are not certain which plan you are enrolled in, please call Member Services at the numbers at the bottom of this page or refer to the cover of your *Annual Notice of Changes* (or for new members, your enrollment form or enrollment confirmation letter).

Note: Please refer to **Section D** in this chapter for the geographic service area of each plan included in this *Member Handbook*. For the purposes of premiums, cost-sharing, enrollment, and disenrollment, there are two Kaiser Permanente Dual Complete plans in our Region's service area, which are described in this *Member Handbook*. But, for the purposes of obtaining covered services, you get care from network providers anywhere inside your Region's service area.

## B. Information about Medicare and Medi-Cal

### B1. Medicare

Medicare is the federal health insurance program for:

- People 65 years of age or over,

**If you have questions**, please call Member Services at 1-800-443-0815 (TTY 711), 8 a.m. to 8 p.m., 7 days a week. The call is free. **For more information**, visit [kp.org/medicare](http://kp.org/medicare).

- Some people under age 65 with certain disabilities, **and**
- People with end-stage renal disease (kidney failure).

## B2. Medi-Cal

Medi-Cal is the name of California's Medicaid program. Medi-Cal is run by the state and is paid for by the state and the federal government. Medi-Cal helps people with limited incomes and resources to pay for Long-Term Services and Supports (LTSS) and medical costs. It covers extra services and drugs not covered by Medicare.

Each state decides:

- What counts as income and resources,
- Who is eligible,
- What services are covered, **and**
- The cost for services.

States can decide how to run their programs, as long as they follow the federal rules.

Medicare and the state of California approved our plan. You can get Medicare and Medi-Cal services through our plan as long as:

- We choose to offer the plan, **and**
- Medicare and the state of California allow us to continue to offer this plan.

Even if our plan stops operating in the future, your eligibility for Medicare and Medi-Cal services is not affected.

---

## C. Advantages of our plan

You will now get all your covered Medicare and Medi-Cal services from our plan, including prescription drugs. **You do not pay extra to join this health plan.**

We help make your Medicare and Medi-Cal benefits work better together for you. Some of the advantages include:

- You can work with us for **most** of your health care needs.
- You have a care team that you help put together. Your care team may include yourself, your caregiver, doctors, nurses, counselors, or other health professionals.

**If you have questions**, please call Member Services at 1-800-443-0815 (TTY 711), 8 a.m. to 8 p.m., 7 days a week. The call is free. **For more information**, visit [kp.org/medicare](http://kp.org/medicare).

- You have access to a care coordinator. This is a person who works with you, with our plan, and with your care team to help make a care plan.
- You're able to direct your own care with help from your care team and care coordinator.
- Your care team and care coordinator work with you to make a care plan designed to meet **your** health needs. The care team helps coordinate the services you need. For example, this means that your care team makes sure:
  - Your doctors know about all the medicines you take so they can make sure you're taking the right medicines and can reduce any side effects that you may have from the medicines.
  - Your test results are shared with all of your doctors and other providers, as appropriate.

**New members to Kaiser Permanente Dual Complete:** In most instances you will be enrolled in our Kaiser Permanente Dual Complete Plan for your Medicare benefits the 1st day of the month after you request to be enrolled in Kaiser Permanente Dual Complete. You may still receive your Medi-Cal services from your previous Medi-Cal health plan for one additional month. After that, you will receive your Medi-Cal services through Kaiser Permanente Dual Complete. There will be no gap in your Medi-Cal coverage. Please call us at 1-800-443-0815 (TTY 711) if you have any questions. Hours are 8 a.m. to 8 p.m., 7 days a week.

You are eligible for our plan as long as you:

- Live in our service area (incarcerated individuals are not considered living in the geographic service area even if they are physically located in it.), **and**
- Are age 21 and older at the time of enrollment, **and**
- Have both Medicare Part A and Medicare Part B, **and**

**If you have questions**, please call Member Services at 1-800-443-0815 (TTY 711), 8 a.m. to 8 p.m., 7 days a week. The call is free. **For more information**, visit [kp.org/medicare](http://kp.org/medicare).

- Are a United States citizen or are lawfully present in the United States, **and**
- Are currently eligible for Medi-Cal.

Call Member Services for more information.

---

## F. What to expect when you first join our health plan

When you first join our plan, you get a health risk assessment (HRA) within 90 days before or after your enrollment effective date.

We must complete an HRA for you. This HRA is the basis for developing your care plan. The HRA includes questions to identify your medical, behavioral health, and functional needs.

We reach out to you to complete the HRA. We can complete the HRA by an in-person visit, telephone call, or mail.

We'll send you more information about this HRA.

**If our plan is new for you**, you can keep using the doctors you use now for a certain amount of time, even if they are not in our network. We call this continuity of care. If they are not in our network, you can keep your current providers and service authorizations at the time you enroll for up to 12 months if all of the following conditions are met:

- You, your representative, or your provider asks us to let you keep using your current provider.
- We establish that you had an existing relationship with a primary or specialty care provider, with some exceptions. When we say “existing relationship,” it means that you saw an out-of-network provider at least once for a non-emergency visit during the 12 months before the date of your initial enrollment in our plan.
  - We determine an existing relationship by reviewing your available health information or information you give us.
  - We have 30 days to respond to your request. You can ask us to make a faster decision, and we must respond in 15 days. You can make this request by calling 1-800-443-0815. If you are at risk of harm, we must respond within 3 days.
  - You or your provider must show documentation of an existing relationship and agree to certain terms when you make the request.

**If you have questions**, please call Member Services at 1-800-443-0815 (TTY 711), 8 a.m. to 8 p.m., 7 days a week. The call is free. **For more information**, visit [kp.org/medicare](http://kp.org/medicare).

**Note:** You can make this request for providers of Durable Medical Equipment (DME) for at least 90 days until we authorize a new rental and have a network provider deliver the rental. Although you cannot make this request for providers of transportation or other ancillary providers, you can make a request for services of transportation or other ancillary services not included in our plan.

After the continuity of care period ends, you will need to use doctors and other providers in our Kaiser Permanente Dual Complete Plan network, unless we make an agreement with your out-of-network doctor. A network provider is a provider who works with the health plan. Refer to **Chapter 3** of your *Member Handbook* for more information on getting care.

**If your provider stops working with us**, you may be able to keep getting services from that provider. This is another form of continuity of care.

If you are assigned to a provider group whose contract with us terminates, we will give you written notice at least 60 days before the termination (or as soon as reasonably possible). We will also give you written notice at least 60 days before we terminate a contract with a hospital that is within 15 miles of where you live. You may be able to continue to see a provider in that provider group or at that hospital for up to 12 months or longer in certain situations.

**In addition to the criteria listed above**, the following must be true for you to get Continuity of Care:

- Your Medi-Cal coverage is in effect on the date you receive the services
- The provider agrees to our standard contractual terms and conditions
- The services are Medically Necessary and would be Covered Services under this *Member Handbook* if you got them from a network provider
- You request continuity of care within the required timeframes:
  - Within 30 days (or as soon as reasonably possible) from your effective date of coverage if you are a new Member under standard continuity of care. Requests received outside of 30 days will be decided on a case-by-case basis.
  - Within 30 days of the date the provider leaves our Medi-Cal provider network. Requests received outside of 30 days will be decided on a case-by-case basis.
- Kaiser Permanente does not have a documented quality of care concern with the Out-of-Network Provider

We do not cover continuity of care from out-of-network providers if either of the following is true:

- The services are not covered by our Kaiser Permanente Dual Complete Plan
- Your out-of-network provider won't work with us. You will need to find a new network provider

**If you have questions**, please call Member Services at 1-800-443-0815 (TTY 711), 8 a.m. to 8 p.m., 7 days a week. The call is free. **For more information**, visit [kp.org/medicare](http://kp.org/medicare).

Not all services are eligible for coverage under continuity of care. For more information about continuity of care, or to request the services or a copy of our "Completion of Covered Services" policy, please call our Member Services department.

Refer to **Chapter 3** of this *Member Handbook* for more information on getting care.

## G. Your care team and care plan

### G1. Care team

A care team can help you keep getting the care you need. A care team may include your doctor, a care coordinator, or other health person that you choose.

A care coordinator is a person trained to help you manage the care you need. You get a care coordinator when you enroll in our plan. This person also refers you to other community resources that our plan may not provide and will work with your care team to help coordinate your care. Call us at the numbers at the bottom of the page for more information about your care coordinator and care team.

### G2. Care plan

Your care team works with you to make a care plan. A care plan tells you and your doctors what services you need and how to get them. It includes your medical, behavioral health, and LTSS or other services.

Your care plan includes:

- Your health care goals, **and**
- A timeline for getting the services you need.

Your care team meets with you after your HRA. They ask you about services you need. They also tell you about services you may want to think about getting. Your care plan is created based on your needs and goals. Your care team works with you to update your care plan at least every year.

---

## H. Your monthly costs for our Kaiser Permanente Dual Complete (HMO D-SNP) Plan

Our Plan has no premium.

### H1. Medicare Prescription Payment Amount

If you're participating in the Medicare Prescription Payment Plan, you'll get a bill from your plan for your prescription drugs (instead of paying the pharmacy). Your monthly bill is based on what you owe for

**If you have questions**, please call Member Services at 1-800-443-0815 (TTY 711), 8 a.m. to 8 p.m., 7 days a week. The call is free. **For more information**, visit [kp.org/medicare](http://kp.org/medicare).

any prescriptions you get, plus your previous month's balance, divided by the number of months left in the year.

**Chapter 2, Section L3** tells more about the Medicare Prescription Payment Plan. If you disagree with the amount billed as part of this payment option, you can follow the steps in **Chapter 9** to make a complaint or appeal.

---

## I. Your Member Handbook

This *Member Handbook* is part of our contract with you. This means that we must follow all rules in this document. If you think we've done something that goes against these rules, you may be able to appeal our decision. For information about appeals, refer to **Chapter 9** of this *Member Handbook* or call 1-800-MEDICARE (1-800-633-4227).

You can ask for a *Member Handbook* by calling Member Services at the numbers at the bottom of the page. You can also refer to the *Member Handbook* found on our website at the web address at the bottom of the page.

The contract is in effect for the months you are enrolled in our plan between January 1, 2025, and December 31, 2025.

If you receive emergency care in a non-plan hospital, please call us at <b>1-800-225-8883 (TTY 711)</b> as soon as your condition is stabilized so that a Kaiser Permanente physician can access your medical information to discuss your care with the treating physician. Your call to obtain authorization for post-stabilization care may also help protect you from financial responsibility. This card is for identification only. Possession of this card confers no right to services or benefits unless the holder is a member complying with all provisions of an applicable agreement. 03135-NC022 (09/20)

If your Member ID Card is damaged, lost, or stolen, call Member Services at the number at the bottom of the page right away. We will send you a new card.

As long as you are a member of our plan, you do not need to use your red, white, and blue Medicare card or your Medi-Cal card to get most services. Keep those cards in a safe place, in case you need them later. If you show your Medicare card instead of your Member ID Card, the provider may bill Medicare instead of our plan, and you may get a bill. Refer to **Chapter 7** of this *Member Handbook* to find out what to do if you get a bill from a provider.

Remember, you need your Medi-Cal card or Benefits Identification Card (BIC) to access the following services:

- Behavioral health services that you may get from the county mental health plan (MHP)
- Medi-Cal Rx services
- In-Home Support services
- 1915(c) Home and Community Based Waiver services
- Medi-Cal dental services

**If you have questions**, please call Member Services at 1-800-443-0815 (TTY 711), 8 a.m. to 8 p.m., 7 days a week. The call is free. **For more information**, visit [kp.org/medicare](http://kp.org/medicare).

## J2. Provider and Pharmacy Directory

The *Provider and Pharmacy Directory* lists the providers and pharmacies in our plan's network. While you're a member of our plan, you must use network providers to get covered services.

You can ask for a *Provider and Pharmacy Directory* (electronically or in hard copy form) by calling Member Services at the numbers at the bottom of the page. Requests for hard copy Provider and Pharmacy Directories will be mailed to you within three business days.

You can also refer to the *Provider and Pharmacy Directory* at [kp.org/directory](http://kp.org/directory).

The Provider and Pharmacy Directory lists our network providers and durable medical equipment suppliers. All of our network providers accept both Medicare and Medicaid, except where noted otherwise. In the event that you need a service not covered by our plan that is covered by Medi-Cal, we may refer you to the state Medi-Cal agency to locate an out-of-network provider who can provide your Medi-Cal-covered care.

### Definition of network providers

- Our network providers include:
  - Doctors, nurses, and other health care professionals that you can use as a member of our plan;
  - Clinics, hospitals, nursing facilities, and other places that provide health services in our plan; **and**
  - LTSS, behavioral health services, home health agencies, durable medical equipment (DME) suppliers, and others who provide goods and services that you get through Medicare or Medi-Cal.

Network providers agree to accept payment from our plan for covered services as payment in full.

### Definition of network pharmacies

- Network pharmacies are pharmacies that agree to fill prescriptions for our plan members. Use the *Provider and Pharmacy Directory* to find the network pharmacy you want to use.
- Except during an emergency, you must fill your prescriptions at one of our network pharmacies if you want our plan to help you pay for them.

Call Member Services at the numbers at the bottom of the page for more information. Both Member Services and our website can give you the most up-to-date information about changes in our network pharmacies and providers.

---

**If you have questions**, please call Member Services at 1-800-443-0815 (TTY 711), 8 a.m. to 8 p.m., 7 days a week. The call is free. **For more information**, visit [kp.org/medicare](http://kp.org/medicare).

### J3. List of Covered Drugs

The plan has a **List of Covered Drugs**. We call it the “*Drug List*” for short. It tells you which prescription drugs our plan covers.

The *Drug List* also tells you if there are any rules or restrictions on any drugs, such as a limit on the amount you can get. Refer to **Chapter 5** of this *Member Handbook* for more information.

Each year, we send you information about how to access the *Drug List*, but some changes may occur during the year. To get the most up-to-date information about which drugs are covered, call Member Services or visit our website at [kp.org/seniorrx](http://kp.org/seniorrx).

### J4. The Explanation of Benefits

When you use your Medicare Part D prescription drug benefits, we send you a summary to help you understand and keep track of payments for your Medicare Part D prescription drugs. This summary is called the *Explanation of Benefits* (EOB).

The EOB tells you the total amount you, or others on your behalf, spent on your Medicare Part D prescription drugs and the total amount we paid for each of your Medicare Part D prescription drugs during the month. This EOB is not a bill. The EOB has more information about the drugs you take such as increases in price and other drugs with lower cost sharing that may be available.

You can talk to your prescriber about these lower cost options. **Chapter 6** of this *Member Handbook* gives more information about the EOB and how it helps you track your drug coverage.

You can also ask for an EOB. To get a copy, contact Member Services at the numbers at the bottom of the page.

You can also choose to view your **Part D EOB** online instead of by mail. Please visit [kp.org/goinggreen](http://kp.org/goinggreen) and sign on to learn more about choosing to view your **Part D EOB** securely online.

## K. Keeping your membership record up to date

You can keep your membership record up to date by telling us when your information changes.

We need this information to make sure that we have your correct information in our records. Our network providers and pharmacies also need correct information about you. **They use your membership record to know what services and drugs you get and how much they cost you.**

Tell us right away about the following:

- Any liability claims, such as claims from an automobile accident;
- Admission to a nursing facility or hospital;
- Care from a hospital or emergency room.
- Changes in your caregiver (or anyone responsible for you); **and**,
- If you take part in a clinical research study. (**Note:** You are not required to tell us about a clinical research study you are in or become part of, but we encourage you to do so.)

If any information changes, call Member Services at the numbers at the bottom of the page.

### **K1. Privacy of personal health information (PHI)**

Information in your membership record may include personal health information (PHI). Federal and state laws require that we keep your PHI private. We protect your PHI. For more details about how we protect your PHI, refer to **Chapter 8** of this *Member Handbook*.

## L. Programs to Help People Pay for Their Prescription Drugs

The Medicare.gov website (<https://www.medicare.gov/drug-coverage-part-d/costs-for-medicare-drug-coverage/costs-in-the-coverage-gap/5-ways-to-get-help-with-prescription-costs>) provides information on how to lower your prescription drug costs. For people with limited incomes, there are also other programs to assist, as described below.

### L1. Extra Help

Because you are eligible for Medi-Cal, you qualify for and are getting “Extra Help” from Medicare to pay for your prescription drug plan costs. You do not need to do anything to get this “Extra Help.”

<b>CALL</b>	1-800-MEDICARE (1-800-633-4227) Calls to this number are free, 24 hours a day, 7 days a week.
<b>TTY</b>	1-877-486-2048 This call is free. This number is for people who have difficulty with hearing or speaking. You must have special telephone equipment to call it.
<b>WEBSITE</b>	<a href="http://www.medicare.gov">www.medicare.gov</a>

If you believe that you are paying an incorrect cost-sharing amount when you get your prescription at a pharmacy, our plan has a process for you to either request assistance in obtaining evidence of your correct copayment level, or if you already have the evidence, to provide this evidence to us.

If you aren't sure what evidence to provide us, please contact a network pharmacy or Member Services. The evidence is often a letter from either the state Medicaid or Social Security office that confirms you are qualified for "Extra Help." The evidence may also be state-issued documentation with your eligibility information associated with Home and Community-Based Services.

You or your appointed representative may need to provide the evidence to a network pharmacy when obtaining covered Part D prescriptions so that we may charge you the appropriate cost-sharing amount until the Centers for Medicare & Medicaid Services (CMS) updates its records to reflect your current status. Once CMS updates its records, you will no longer need to present the evidence to the pharmacy. Please provide your evidence in one of the following ways so we can forward it to CMS for updating:

**If you have questions**, please call Member Services at 1-800-443-0815 (TTY 711), 8 a.m. to 8 p.m., 7 days a week. The call is free. **For more information**, visit [kp.org/medicare](http://kp.org/medicare).

- Write to Kaiser Permanente at:

California Service Center  
Attn: Best Available Evidence  
P.O. Box 232400  
San Diego, CA 92193-2400

- Fax it to 1-877-528-8579.
- Take it to a network pharmacy or your local Member Services office at a network facility.

When we receive the evidence showing your copayment level, we will update our system so that you will be charged the correct copayment when you get your next prescription. If you overpay your copayment, we will pay you back. Either we will send a check to you in the amount of your overpayment or we will deduct the amount from future copayments. If the pharmacy hasn't collected a copayment from you and is carrying your copayment as a debt owed by you, we may make the payment directly to the pharmacy. If a state paid on your behalf, we may make the payment directly to the state. Please contact Member Services if you have questions.

## L2. AIDS Drug Assistance Program (ADAP)

ADAP helps ADAP-eligible individuals living with HIV/AIDS have access to life-saving HIV drugs. Medicare Part D prescription drugs that are also on the ADAP formulary qualify for prescription cost-sharing assistance. Note: To be eligible for the ADAP operating in your state, individuals must meet certain criteria, including proof of the state residence and HIV status, low income as defined by the state, and uninsured/under-insured status. If you change plans please notify your local ADAP enrollment worker so you can continue to receive assistance for information on eligibility criteria, covered drugs, or how to enroll in the program, please call the ADAP call center at 1-844-421-7050 between 8 a.m. and 5 p.m., Monday through Friday (excluding holidays).

## L3. The Medicare Prescription Payment Plan

The Medicare Prescription Payment Plan is a new payment option that works with your current drug coverage, and it may help you manage your drug costs by spreading them across monthly payments that vary throughout the year (January- December). This payment option might help you manage your expenses, but it doesn't save you money or lower your drug costs. "Extra Help" from Medicare and help from your SPAP and ADAP, for those who qualify, is more advantageous than participation in this payment option, regardless of income level, and plans with drug coverage must offer this payment option. Contact us at the phone number at the bottom of the page or visit [Medicare.gov](https://www.Medicare.gov) to find out if this payment option is right for you.

**If you have questions**, please call Member Services at 1-800-443-0815 (TTY 711), 8 a.m. to 8 p.m., 7 days a week. The call is free. **For more information**, visit [kp.org/medicare](https://www.kp.org/medicare).

## M. Social Security

Social Security determines eligibility and handles enrollment for Medicare. U.S. Citizens and lawful permanent residents who are 65 and over, or who have a disability or End-Stage Renal Disease (ESRD) and meet certain conditions, are eligible for Medicare. If you are already getting Social Security checks, enrollment into Medicare is automatic. If you are not getting Social Security checks, you have to enroll in Medicare. To apply for Medicare, you can call Social Security or visit your local Social Security office.

If you move or change your mailing address, it is important that you contact Social Security to let them know.

<b>CALL</b>	1-800-772-1213 Calls to this number are free. Available 8:00 am to 7:00 pm, Monday through Friday. You can use their automated telephone services to get recorded information and conduct some business 24 hours a day.

## A. Information about services and providers

**Services** are health care, long-term services and supports (LTSS), supplies, behavioral health services, prescription and over-the-counter drugs, equipment and other services. **Covered services** are any of these services that our plan pays for. Covered health care, behavioral health, and LTSS are in **Chapter 4** of this *Member Handbook*. Your covered services for prescription are in **Chapter 5** of this *Member Handbook*.

**Providers** are doctors, nurses, and other people who give you services and care. Providers also include hospitals, home health agencies, clinics, and other places that give you health care services, behavioral health services, medical equipment, and certain LTSS.

**Network providers** are providers who work with our plan. These providers agree to accept our payment as full payment. Network providers bill us directly for care they give you. When you use a network provider, you usually pay nothing for covered services.

---

## B. Rules for getting services our plan covers

Our plan covers all services covered by Medicare, and most Medi-Cal services. This includes certain behavioral health and LTSS.

Our plan will generally pay for health care services, behavioral health services, and many LTSS you get when you follow our rules. To be covered by our plan:

- The care you get must be a **plan benefit**. This means we include it in our Benefits Chart in **Chapter 4** of this *Member Handbook*.
- The care must be **medically necessary**. By medically necessary, we mean important services that are reasonable and protect life. Medically necessary care is needed to keep individuals from getting seriously ill or becoming disabled and reduces severe pain by treating disease, illness, or injury.
- For medical services, you must have a network **primary care provider (PCP)** who orders the care or tells you to use another provider. As a plan member, you must choose a network provider to be your PCP.
  - In most cases, your network PCP must give you approval before you can use a provider that is not your PCP or use other providers in our plan's network. This is called a **referral**. If you don't get approval, we may not cover the services.
  - You do not need a referral from your PCP for emergency care or urgently needed care, to use a woman's health provider, or for any of the other kinds of care without having a referral from your PCP (for more information about this, refer to section **D1** in this chapter).

- **You must get your care from network providers.** Usually, we won't cover care from a provider who doesn't work with our health plan. This means that you will have to pay the provider in full for the services provided. Here are some cases when this rule does not apply:
  - We cover emergency or urgently needed care from an out-of-network provider for more information, refer to **Section H** in this chapter.
  - If you need care that our plan covers and our network providers can't give it to you, you can get care from an out-of-network provider if we or our Medical Group authorize the services before you get the care. In this situation, we cover the care as if you got it from a network provider.
  - We cover kidney dialysis services when you're outside our plan's service area for a short time or when your provider is temporarily unavailable or not accessible. You can get these services at a Medicare-certified dialysis facility. The cost sharing you pay for dialysis can never exceed the cost sharing in Original Medicare. If you are outside the plan's service area and obtain the dialysis from a provider that is outside the plan's network, your cost sharing cannot exceed the cost sharing you pay in-network. However, if your usual in-network provider for dialysis is temporarily unavailable and you choose to obtain services inside the service area from an out-of-network provider the cost sharing for the dialysis may be higher.
  - When you first join our plan, you can ask to continue using your current providers. With some exceptions, we must approve this request if we can establish that you had an existing relationship with the providers. Refer to **Chapter 1** of this *Member Handbook*. If we approve your request, you can continue using the providers you use now for up to 12 months for services. During that time, your care coordinator will contact you to help you find providers in our network. After 12 months, we will no longer cover your care if you continue to use providers that are not in our network.
  - **New members to Kaiser Permanente Dual Complete:** In most instances you will be enrolled in our Kaiser Permanente Dual Complete Plan for your Medicare benefits the 1st day of the month after you request to be enrolled in Kaiser Permanente Dual Complete. You may still receive your Medi-Cal services from your previous Medi-Cal health plan for one additional month. After that, you will receive your Medi-Cal services through our Kaiser Permanente Dual Complete. There will be no gap in your Medi-Cal coverage. Please call us at 1-800-443-0815 (TTY 711) if you have any questions.

## C. Your care coordinator

### C1. What a care coordinator is

Your Special Needs Plan Program Coordinator is responsible for coordinating your care. They will contact you annually for a health risk assessment and also after a hospital discharge. (For more information about this, refer to **Chapter 2, Section B.**)

### C2. How you can contact your care coordinator

Refer to **Chapter 2, Section B** for information on how to contact your care coordinator.

### C3. How you can change your care coordinator

To change your care coordinator, contact your care coordinator (refer to **Chapter 2, Section B** for information).

---

## D. Care from providers

### D1. Care from a primary care provider

You must choose a primary care provider (PCP) to provide and manage your care.

#### Definition of a PCP and what a PCP does for you

Your primary care provider is a physician who meets state requirements and is trained to give you primary medical care. Your PCP will also coordinate your care. "Coordinating" your care includes checking or consulting with other network providers about your care and how it is going. In some cases, your PCP will need to get prior authorization (prior approval) from us (see **D2** in this chapter for more information).

#### Your choice of PCP

Your PCP will usually practice general medicine (also called adult or internal medicine and family practice) and sometimes obstetrics/gynecology. At some network facilities, if you prefer, you may choose an available nurse practitioner or physician assistant to be your primary care provider. PCPs are identified in the *Provider and Pharmacy Directory*.

Your PCP provides, prescribes, or authorizes medically necessary covered services. Your PCP will provide most of your routine or basic care and provide a referral as needed to see other network providers for other care you need. For example, to see a specialist, you usually need to get your PCP's approval first (this is called getting a "referral" to a specialist). There are a few types of covered services you can get on your own without contacting your PCP first (see "Services you can get without approval from your PCP" in this chapter).

Please see your *Provider and Pharmacy Directory* or call Member Services for more information about selecting a PCP and which providers are accepting new patients.

**If you have questions**, please call Member Services at 1-800-443-0815 (TTY 711), 8 a.m. to 8 p.m., 7 days a week. The call is free. **For more information**, visit [kp.org/medicare](http://kp.org/medicare).

## Option to change your PCP

You may change your PCP for any reason, at any time. Also, it's possible that your PCP may leave our plan's network. If your PCP leaves our network, we can help you find a new PCP in our network. Your PCP selection will be effective immediately.

To choose or change your PCP, please call **our personal physician selection number at 1-888-956-1616 (TTY 711)**, Monday through Friday, 7 a.m. to 7 p.m. **You can also make your selection at [kp.org/finddoctors](https://kp.org/finddoctors).**

When you call, tell us if you are seeing specialists or getting other covered services that need your PCP's approval (such as home health services and durable medical equipment) so we can tell you if you need to get a referral from your new PCP to continue the services. Also, if there is a particular network specialist or hospital that you want to use, check with us to find out if your PCP makes referrals to that specialist or uses that hospital.

## Services you can get without approval from your PCP

In most cases, you need approval from your PCP before using other providers. This approval is called a **referral**. You can get services like the ones listed below without getting approval from your PCP first:

- Emergency services from network providers or out-of-network providers.
- Urgently needed care from network providers.
- Urgently needed care from out-of-network providers when you can't get to a network provider (for example, if you're outside our plan's service area). **Note:** Urgently needed care must be immediately needed and medically necessary.
- Kidney dialysis services that you get at a Medicare-certified dialysis facility when you're outside our plan's service area. If you call Member Services before you leave the service area, we can help you receive dialysis while you're away.
- Flu shots and COVID-19 vaccinations, as well as hepatitis B vaccinations and pneumonia vaccinations, as long as you get them from a network provider.
- Routine women's health care and family planning services. This includes breast exams, screening mammograms (X-rays of the breast), Pap tests, and pelvic exams, as long as you get them from a network provider.
- Second opinions from another network provider.
- Appointments in the following areas: optometry, substance abuse, and psychiatry.
- Medicare-covered chiropractic care as long as you get them from a network provider.

---

**If you have questions**, please call Member Services at 1-800-443-0815 (TTY 711), 8 a.m. to 8 p.m., 7 days a week. The call is free. **For more information**, visit [kp.org/medicare](https://kp.org/medicare).

- Preventive care except for abdominal aortic aneurysm screenings, medical nutritional therapy, flexible sigmoidoscopy, screening colonoscopy, bone density screening, and lab tests.
- Additionally, if you are an American Indian Member, you may obtain Covered Services from an Indian Health Care Provider of your choice, without requiring a referral from a network PCP or prior authorization.
- Appointments for sensitive services.
- For North P2 plan: Medicare-covered chiropractic care as long as you get them from a network provider.

## D2. Care from specialists and other network providers

A specialist is a doctor who provides health care for a specific disease or part of the body. There are many kinds of specialists, such as:

- Oncologists care for patients with cancer.
- Cardiologists care for patients with heart problems.
- Orthopedists care for patients with bone, joint, or muscle problems.

### Referrals from your PCP

You will usually see your PCP first for most of your routine health care needs. There are only a few types of covered services you may get on your own, without getting approval from your PCP first, which are described above in **Section D1**.

A written referral may be for a single visit or it may be a standing referral for more than one visit if you need ongoing services. We must give you a standing referral to a qualified specialist for any of these conditions:

- a chronic (ongoing) condition;
- a life-threatening mental or physical illness;
- a degenerative disease or disability;
- any other condition or disease that is serious or complex enough to require treatment by a specialist.

If you do not get a written referral when needed, the bill may not be paid. For more information, call Member Services at the number at the bottom of this page.

## Referrals to network providers

When your PCP prescribes care that isn't available from a PCP (for example, specialty care), he or she will give you a referral to see a network specialist or another network provider as needed. If your PCP refers you to a network specialist, the referral will be for a specific treatment plan. Your treatment plan may include a standing referral if ongoing care from the specialist is prescribed. We will send you a written referral to authorize an initial consultation or a specified number of visits with a network specialist. After your initial consultation with the network specialist, you must then return to your PCP unless we have authorized more visits as specified in the written referral that we gave you. Don't return to the network specialist after your initial consultation visit unless we have authorized additional visits in your referral. Otherwise, the services may not be covered.

## Prior authorization

For the services and items listed below, your network provider will need to get approval in advance from our plan or Medical Group (this is called getting "prior authorization"). Decisions regarding requests for authorization will be made only by licensed physicians or other appropriately licensed medical professionals. If you ever disagree with authorization decisions, you can file an appeal as described in **Chapter 9**.

- Services and items identified in **Chapter 4** with a footnote (†).
- If your network provider decides that you require covered services not available from network providers, he or she will recommend to Medical Group that you be referred to an out-of-network provider inside or outside our service area. The appropriate Medical Group designee will authorize the services if he or she determines that the covered services are medically necessary and are not available from a network provider. Referrals to out-of-network providers will be for a specific treatment plan, which may include a standing referral if ongoing care is prescribed. It specifies the duration of the referral without having to get additional approval from us. Please ask your network provider what services have been authorized if you are not certain. If the out-of-network specialist wants you to come back for more care, be sure to check if the referral covers the additional care. If it doesn't, please contact your network provider.
- After we are notified that you need post-stabilization care from an out-of-network provider following emergency care, we will discuss your condition with the out-of-network provider. If we decide that you require post-stabilization care and that this care would be covered if you received it from a network provider, we will authorize your care from the out-of-network provider only if we cannot arrange to have a network provider (or other designated provider) provide the care. Please see **Section H** in this chapter for more information.
- Medically necessary transgender surgery and associated procedures.
- Care from a religious nonmedical health care institution described in **Section J** of this chapter.

**If you have questions**, please call Member Services at 1-800-443-0815 (TTY 711), 8 a.m. to 8 p.m., 7 days a week. The call is free. **For more information**, visit [kp.org/medicare](http://kp.org/medicare).

- If your network provider makes a written or electronic referral for a transplant evaluation, Medical Group's regional transplant advisory committee or board or case conference (if one exists) will authorize the referral if it determines that you are a potential candidate for organ transplant and the service is covered in accord with Medicare guidelines. In cases where no transplant committee or board exists, Medical Group will refer you to physician(s) at a transplant center, and Medical Group will authorize the services if the transplant center's physician(s) determine that they are medically necessary or covered in accord with Medicare guidelines. Note: A network physician may provide or authorize a corneal transplant without using this Medical Group transplant authorization procedure.

### D3. When a provider leaves our plan

A network provider you use may leave our plan. If one of your providers leaves our plan, you have certain rights and protections that are summarized below:

- Even if our network of providers change during the year, we must give you uninterrupted access to qualified providers.
- We will notify you that your provider is leaving our plan so that you have time to select a new provider.
  - If your primary care or behavioral health provider leaves our plan, we will notify you if you have seen that provider within the past three years.
  - If any of your other providers leave our plan, we will notify you if you are assigned to the provider, currently receive care from them, or have seen them within the past three months.
- We will help you select a new qualified in-network provider to continue managing your health care needs.
- If you are currently undergoing medical treatment or therapies with your current provider, you have the right to ask, and we work with you to ensure, that the medically necessary treatment or therapies you are getting continues.
- We will provide you with information about the different enrollment periods available to you and options you may have for changing plans.
- If we can't find a qualified network specialist accessible to you, we must arrange an out-of-network specialist to provide your care when an in-network provider or benefit is unavailable or inadequate to meet your medical needs. The appropriate Medical Group designee will authorize the services if he or she determines that the covered services are medically necessary and are not available from a network provider. Referrals to out-of-network providers will be for a specific treatment plan, which may include a standing referral if ongoing care is prescribed. It specifies the duration of the referral without

having to get additional approval from us. Please ask your network provider what services have been authorized if you are not certain. If the out-of-network specialist wants you to come back for more care, be sure to check if the referral covers the additional care. If it doesn't, please contact your network provider.

- If you think we haven't replaced your previous provider with a qualified provider or that we aren't managing your care well, you have the right to file a quality of care complaint to the QIO, a quality of care grievance, or both. (Refer to **Chapter 9** for more information.)

If you find out one of your providers is leaving our plan, contact us. We can assist you in finding a new provider and managing your care. Please contact us at 1-800-443-0815 (TTY 711), 7 days a week, 8 a.m. to 8 p.m.

#### **D4. Out-of-network providers**

If you use an out-of-network provider, the provider must be eligible to participate in Medicare and/or Medi-Cal.

- We cannot pay a provider who is not eligible to participate in Medicare and/or Medi-Cal.
- If you use a provider who is not eligible to participate in Medicare, you must pay the full cost of the services you get.
- Providers must tell you if they are not eligible to participate in Medicare.

Care you receive from an out-of-network provider will not be covered except in the following situations:

- Emergency or urgently needed services that you get from an out-of-network provider. For more information about this, and to see what emergency or urgently needed services mean, see **D1** in this chapter.
- We or Medical Group authorize a referral to an out-of-network provider described in **Section D2** of this chapter.
- Kidney dialysis services that you get at a Medicare-certified dialysis facility when you are temporarily outside our service area or when your provider for this service is temporarily unavailable or not accessible and you are not able to access an in-network provider.
- If you visit the service area of another Kaiser Permanente region, you can receive certain Medicare-covered care covered under this *Member Handbook* from designated providers in that service area. Please call our care away from home travel line at 1-951-268-3900 (TTY 711), 24 hours a day, 7 days a week (except holidays), or visit our website at [kp.org/travel](http://kp.org/travel) for more information about getting care when visiting another Kaiser Permanente Region's service area, including coverage information and facility locations. Kaiser Permanente is located in California, District of Columbia, Colorado, Georgia, Hawaii, Maryland, Oregon,

**If you have questions**, please call Member Services at 1-800-443-0815 (TTY 711), 8 a.m. to 8 p.m., 7 days a week. The call is free. **For more information**, visit [kp.org/medicare](http://kp.org/medicare).

Virginia, and Washington. Note: Our care away from home travel line can also answer questions about covered emergency or urgent care services you receive out-of-network, including how to get reimbursement.

For Medi-Cal Services, you can go to an out-of-network provider without a referral or prior authorization for emergency services or for certain sensitive care services. You can also go to an out-of-network provider for out-of-area urgent care when you are in an area where we do not operate. If you need outpatient mental health services, you can go to either a network provider or a county mental health plan provider without prior authorization. You must have a referral or pre-approval for all other out-of-network services, or they will not be covered.

Note: If you are an American Indian, you can get care at an Indian Health Care Provider outside of our provider network without a referral.

---

## E. Long-term services and supports (LTSS)

LTSS can help you stay at home and avoid a hospital or skilled nursing facility stay. You have access to certain LTSS through our plan, including skilled nursing facility care, Community Based Adult Services (CBAS) where available, and Community Supports. Another type of LTSS, the In-Home Supportive Services (IHSS) program is available through your county social service agency.

You can ask your doctor or your care coordinator for more information on LTSS including IHSS. Your care coordinator can help you apply for IHSS by contacting the appropriate county social services agency indicated in **Chapter 4, Section F4** of this *Member Handbook*.

---

## F. Behavioral health (mental health and substance use disorder) services

You have access to medically necessary behavioral health services that Medicare and Medi-Cal cover. We provide access to behavioral health services covered by Medicare and Medi-Cal managed care. ## G. Transportation services

### G1. Medical transportation of non-emergency situations

You are entitled to non-emergency medical transportation if you have medical needs that don't allow you to use a car, bus, or taxi to your appointments. Non-emergency medical transportation can be provided for covered services such as medical, dental, mental health, substance use, and pharmacy appointments. You can request non-emergency medical transportation by asking your network provider, dentist, or substance use disorder provider for it. Your provider will decide the correct type of transportation that you need.

Non-emergency medical transportation is an ambulance, litter van, wheelchair van, or air transport. We allow the lowest cost covered transportation mode and most appropriate non-emergency medical transportation for your medical needs when you need a ride to your appointment. For example, if you can physically or medically be transported by a wheelchair van, we will not pay for an ambulance. You are only entitled to air transport if your medical condition makes any form of ground transportation impossible.

Non-emergency medical transportation must be used when:

**If you have questions**, please call Member Services at 1-800-443-0815 (TTY 711), 8 a.m. to 8 p.m., 7 days a week. The call is free. **For more information**, visit [kp.org/medicare](http://kp.org/medicare).

- You physically or medically need it as determined by written authorization from a network provider, dentist, or substance use disorder provider because you are not able to use a bus, taxi, car, or van to get to your appointment.
- You need help from the driver to and from your residence, vehicle or place of treatment due to a physical or mental disability.

To ask for medical transportation that your doctor has prescribed for non-urgent **routine appointments**, call 1 833-226-6760 (TTY 711) at least three business days (Monday-Friday) before your appointment. For **urgent appointments**, call as soon as possible. Have your Member ID Card ready when you call. You can also call if you need more information.

### Medical transportation limits

We cover the lowest cost medical transportation for your medical needs to the closest provider where an appointment is available. If the appointment type is covered by Medi-Cal but not through the health plan, we will help you schedule your transportation. A list of covered services is in **Chapter 4** of this handbook. Transportation is not covered outside Kaiser Permanente's network or service area unless pre-authorized.

### G2. Non-medical transportation

Non-medical transportation benefits include traveling to and from your appointments for a service authorized by your provider. You can get a ride, at no cost to you, when you are:

- Traveling to and from an appointment for a service authorized by your provider, or
- Picking up prescriptions and medical supplies.

Our plan allows you to use a car, taxi, bus, or other public/private way of getting to your non-medical appointment for services authorized by your provider. We use vendors to arrange for non-medical transportation. We cover the lowest cost, non-medical transportation type that meets your needs.

Sometimes, you can be reimbursed for rides in a private vehicle that you arrange. Our plan must approve this **before** you get the ride, and you must tell us why you can't get a ride in another way, like taking the bus. You can tell us by calling us. **You cannot be reimbursed for driving yourself.**

Mileage reimbursement requires all of the following:

- The driver's license of the driver.
- The vehicle registration of the driver.
- Proof of car insurance for the driver.

To ask for a ride for services that have been authorized, call our transportation line at 1-844-299-6230 (TTY 711) at least three business days (Monday through Friday) before your appointment. For **urgent appointments**, call as soon as possible. You can also call if you need more information. Please have all of the following when you call:

- Your Kaiser Permanente ID card.
- The date and time of your medical appointments.
- The address of where you need to be picked up and the address of where you are going.
- If you will need a return trip.
- If someone will be traveling with you (for example, a parent/legal guardian or caregiver).

**Note:** American Indian members may contact their local Indian Health Clinic to ask for non-medical transportation.

### **Non-medical transportation limits**

Our plan provides the lowest cost non-medical transportation that meets your needs from your home to the closest provider where an appointment is available. **You cannot drive yourself or be reimbursed directly.**

Non-medical transportation does **not** apply if:

- An ambulance, litter van, wheelchair van, or other form of non-emergency medical transportation is needed to get to a service.
- You need assistance from the driver to and from the residence, vehicle or place of treatment due to a physical or medical condition.
- You are in a wheelchair and are unable to move in and out of the vehicle without help from the driver.
- The service is not covered by Medicare or Medi-Cal.

## **H. Covered services in a medical emergency, when urgently needed, or during a disaster**

### **H1. Care in a medical emergency**

A medical emergency is a medical condition with symptoms such as severe pain or serious injury. The condition is so serious that, if it doesn't get immediate medical attention, you or anyone with an average knowledge of health and medicine could expect it to result in:

- Serious risk to your health or to that of your unborn child; **or**
- Serious harm to bodily functions; **or**

**If you have questions**, please call Member Services at 1-800-443-0815 (TTY 711), 8 a.m. to 8 p.m., 7 days a week. The call is free. **For more information**, visit [kp.org/medicare](http://kp.org/medicare).

- Serious dysfunction of any bodily organ or part; **or**
- In the case of a pregnant woman in active labor, when:
  - there is not enough time to safely transfer you to another hospital before delivery.
  - a transfer to another hospital may pose a threat to your health or safety or to that of your unborn child.

If you have a medical emergency:

- **Get help as fast as possible.** Call **911** or use the nearest emergency room or hospital. Call for an ambulance if you need it. You do **not** need approval or a referral from your PCP. You do not need to use a network provider. You may get emergency medical care, including ambulance services, whenever you need it, anywhere in the U.S. or its territories or worldwide, from any provider with an appropriate state license.
- **As soon as possible, tell our plan about your emergency.** We will follow up on your emergency care. You or someone else should call to tell us about your emergency care, usually within 48 hours. However, you won't pay for emergency services if you delay in telling us. The number to call is listed on the back of your plan membership card.

### Covered services in a medical emergency

You may get covered emergency medical care whenever you need it, anywhere inside or outside the United States. If you need an ambulance to get to the emergency room, our plan covers that. We also cover medical services during the emergency. To learn more, refer to the Benefits Chart in **Chapter 4** of this *Member Handbook*.

The providers who give you emergency care decide when your condition is stable and the medical emergency is over. They will continue to treat you and will contact us to make plans if you need follow-up care to get better.

Our plan covers your follow-up care. If you get your emergency care from out-of-network providers, we will try to get network providers to take over your care as soon as possible.

We will partner with the doctors who are providing the emergency care to help manage and follow up on your care. After the emergency is over, you are entitled to follow-up care to be sure your condition continues to be stable. Your doctors will continue to treat you until your doctors contact us and make plans for additional care. We will cover your follow-up post-stabilization care in accord with applicable law. It is very important that your provider call us to get authorization for post-stabilization care **before** you receive the care from the out-of-network provider. The provider treating you must get authorization from us before we will pay for post-stabilization care. In most cases, you will only be held financially liable if you are notified by the out-of-network provider or us about your potential liability.

To request pre-approval for you to receive post-stabilization care from an out-of-network provider, the provider must call us at 1-800-225-8883 (TTY 711). They can also call the phone number on the back of your Kaiser Permanente ID card. The provider must call us before you get the services.

**If you have questions**, please call Member Services at 1-800-443-0815 (TTY 711), 8 a.m. to 8 p.m., 7 days a week. The call is free. **For more information**, visit [kp.org/medicare](http://kp.org/medicare).

When the provider calls, we will talk to the doctor who is treating you about your health issue. If we determine you need post-stabilization care, we will authorize the covered services. In some cases, we may arrange to have a network provider provide the care.

If we decide to have a network hospital, skilled nursing facility, or other provider provide the care, we may authorize transport services that are medically necessary to get you to the provider. This may include special transport services that we would not normally cover.

You should ask the provider what care (including any transport) we have authorized. We cover only the services or related transport that we authorized. If you ask for and get services that are not covered, we may not pay the provider for the services.

Post-stabilization care also includes durable medical equipment (“DME”) only when all of the following conditions are met:

- The DME item is covered under as described in **Chapter 4** of this *Member Handbook*.
- It is medically necessary for you to have the DME item after you leave the hospital.
- The DME item is related to the emergency care you received in the hospital.

### **Getting emergency care if it wasn't an emergency**

Sometimes it can be hard to know if you have a medical or behavioral health emergency. You may go in for emergency care and the doctor says it wasn't really an emergency. As long as you reasonably thought your health was in serious danger, we cover your care.

After the doctor says it wasn't an emergency, we cover your additional care only if:

- You use a network provider **or**
- The additional care you get is considered “urgently needed care” and you follow the rules for getting it. Refer to the next section.

### **H2. Urgently needed care**

Urgently needed care is care you get for a situation that isn't an emergency but needs care right away. For example, you might have a flare-up of an existing condition or an unforeseen illness or injury.

#### **Urgently needed care in our plan's service area**

In most cases, we cover urgently needed care only if:

- You get this care from a network provider **and**
- You follow the rules described in this chapter.

If it is not possible or reasonable to get to a network provider, given your time, place or circumstances we cover urgently needed care you get from an out-of-network provider.

We know that sometimes it's difficult to know what type of care you need. That's why we have telephone advice nurses available to assist you. Our advice nurses are registered nurses specially trained to help assess medical symptoms and provide advice over the phone, when medically appropriate. Whether you are calling for advice or to make an appointment, you can speak to an advice nurse.

They can often answer questions about a minor concern, tell you what to do if a network facility is closed, or advise you about what to do next, including making a same-day urgent care appointment for you if it's medically appropriate. To speak with an advice nurse 24 hours a day, 7 days a week or make an appointment, please refer to your *Provider and Pharmacy Directory* for appointment and advice telephone numbers.

### **Urgently needed care outside our plan's service area**

When you're outside our plan's service area, you may not be able to get care from a network provider. In that case, our plan covers urgently needed care you get from any provider.

Our plan covers worldwide urgent care services outside the United States under the following circumstances:

- You are temporarily outside of our service area.
- The services were necessary to treat an unforeseen illness or injury to prevent serious deterioration of your health.
- It was not reasonable to delay treatment until you returned to our service area.
- The services would have been covered had you received them from a network provider.

### **H3. Care during a disaster**

If the governor of California, the U.S. Secretary of Health and Human Services, or the president of the United States declares a state of disaster or emergency in your geographic area, you are still entitled to care from our plan.

Visit our website for information on how to get care you need during a declared disaster: [kp.org](http://kp.org).

During a declared disaster, if you can't use a network provider, you can get care from out-of-network providers at the in-network cost-sharing rate. If you can't use a network pharmacy during a declared disaster, you can fill your prescription drugs at an out-of-network pharmacy. Refer to **Chapter 5** of this Member Handbook for more information.

## I. What to do if you are billed directly for services our plan covers

If a provider sends you a bill instead of sending it to our plan, you should ask us to pay our share of the bill.

**You should not pay the bill yourself. If you do, we may not be able to pay you back.**

If you paid more than your plan cost-sharing for covered services or if you got a bill for the full cost of covered medical services, refer to **Chapter 7** of this *Member Handbook* to find out what to do.

### I1. What to do if our plan does not cover services

Our plan covers all services:

- That are determined medically necessary, **and**
- That are listed in our plan's Benefits Chart (refer to **Chapter 4** of this *Member Handbook*) **and**
- That you get by following plan rules.

If you get services that our plan does not cover, **you pay the full cost yourself**, unless it is covered by another Medi-Cal program outside our plan.

If you want to know if we pay for any medical service or care, you have the right to ask us. You also have the right to ask for this in writing. If we say we will not pay for your services, you have the right to appeal our decision.

**Chapter 9** of this *Member Handbook* explains what to do if you want us to cover a medical service or item. It also tells you how to appeal our coverage decision. Call Member Services to learn more about your appeal rights.

We pay for some services up to a certain limit. If you go over the limit, you pay the full cost to get more of that type of service. Refer to **Chapter 4** for specific benefit limits. Call Member Services to find out what the benefit limits are and how much of your benefits you've used.

## J. Coverage of health care services in a clinical research study

### J1. Definition of a clinical research study

A clinical research study (also called a clinical trial) is a way doctors test new types of health care or drugs. A clinical research study approved by Medicare typically asks for volunteers to be in the study.

Once Medicare approves a study you want to be in, and you express interest, someone who works on the study contacts you. That person tells you about the study and finds out if you qualify to be in it. You can be in the study as long as you meet the required conditions. You must understand and accept what you must do in the study.

**If you have questions**, please call Member Services at 1-800-443-0815 (TTY 711), 8 a.m. to 8 p.m., 7 days a week. The call is free. **For more information**, visit [kp.org/medicare](http://kp.org/medicare).

While you're in the study, you may stay enrolled in our plan. That way, our plan continues to cover you for services and care not related to the study.

If you want to take part in any Medicare-approved clinical research study, you do **not** need to tell us or get approval from us or your primary care provider. Providers that give you care as part of the study do **not** need to be network providers. Please note that this does not include benefits for which our plan is responsible that include, as a component, a clinical trial or registry to assess the benefit. These include certain benefits specified under national coverage determinations requiring coverage with evidence deployment (NCDs-CED) and investigational device exemption (IDE) studies and may be subject to prior authorization and other plan rules.

### **We encourage you to tell us before you take part in a clinical research study.**

If you plan to be in a clinical research study, covered for enrollees by Original Medicare, we encourage you or your care coordinator to contact Member Services to let us know you will take part in a clinical trial.

### **J2. Payment for services when you participate in a clinical research study**

If you volunteer for a clinical research study that Medicare approves, you pay nothing for the services covered under the study. Medicare pays for services covered under the study as well as routine costs associated with your care. Once you join a Medicare-approved clinical research study, you're covered for most services and items you get as part of the study. This includes:

- Room and board for a hospital stay that Medicare would pay for even if you weren't in a study.
- An operation or other medical procedure that is part of the research study.
- Treatment of any side effects and complications of the new care.

If you're part of a study that Medicare has **not** approved, you pay any costs for being in the study.

### **J3. More about clinical research studies**

You can learn more about joining a clinical research study by reading "Medicare & Clinical Research Studies" on the Medicare website ([www.medicare.gov/Pubs/pdf/02226-Medicare-and-Clinical-Research-Studies.pdf](http://www.medicare.gov/Pubs/pdf/02226-Medicare-and-Clinical-Research-Studies.pdf)). You can also call 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

**If you have questions**, please call Member Services at 1-800-443-0815 (TTY 711), 8 a.m. to 8 p.m., 7 days a week. The call is free. **For more information**, visit [kp.org/medicare](http://kp.org/medicare).

## K. How your health care services are covered in a religious non-medical health care institution

### K1. Definition of a religious non-medical health care institution

A religious non-medical health care institution is a place that provides care you would normally get in a hospital or skilled nursing facility. If getting care in a hospital or a skilled nursing facility is against your religious beliefs, we cover care in a religious non-medical health care institution.

This benefit is only for Medicare Part A inpatient services (non-medical health care services).

### K2. Care from a religious non-medical health care institution

To get care from a religious non-medical health care institution, you must sign a legal document that says you are against getting medical treatment that is “non-excepted.”

- “Non-excepted” medical treatment is any care that is **voluntary and not required** by any federal, state, or local law.
- “Excepted” medical treatment is any care that is **not voluntary and is required** under federal, state, or local law.

To be covered by our plan, the care you get from a religious non-medical health care institution must meet the following conditions:

- The facility providing the care must be certified by Medicare.
- Our plan's coverage of services is limited to non-religious aspects of care.
- If you get services from this institution that are provided to you in a facility:
  - You must have a medical condition that would allow you to get covered services for inpatient hospital care or skilled nursing facility care.
  - You must get approval from us before you are admitted to the facility, or your stay will **not** be covered.

**Note:** Covered services are subject to the same limitations and cost-sharing required for services provided by network providers as described in **Chapters 4 and 12**.

---

## L. Durable medical equipment (DME)

### L1. DME as a member of our plan

Durable medical equipment (“DME”) includes items that meet the following criteria:

- The item is intended for repeated use
- The item is primarily and customarily used to serve a medical purpose
- The item is generally useful only to a person who has an illness, injury, functional impairment, or congenital anomaly
- The item is appropriate for use in or out of the home
- The item is needed to help you with activities of daily living (“ADLs”)

Durable medical equipment requires pre-approval. Coverage is limited to the lowest cost item that adequately meets your medical needs. We select the vendor. You must return the equipment to us or pay us the fair market price of the equipment when we are no longer covering it.

DME includes certain medically necessary items ordered by a provider such as wheelchairs, crutches, powered mattress systems, diabetic supplies, hospital beds ordered by a provider for use in the home, intravenous (IV) infusion pumps, speech generating devices, oxygen equipment and supplies, nebulizers, and walkers.

You always own certain items, such as prosthetics.

In this section, we discuss DME you rent. In Original Medicare, people who rent certain types of DME own the equipment after paying copayments for the item for 13 months. As a member of our plan, you will **not** own DME, no matter how long you rent it.

Even if you had DME for up to 12 months in a row under Medicare before you joined our plan, you will **not** own the equipment.

### L2. DME ownership if you switch to Original Medicare

In the Original Medicare program, people who rent certain types of DME own it after 13 months. In a Medicare Advantage (MA) plan, the plan can set the number of months people must rent certain types of DME before they own it.

**Note:** You can find definitions of Original Medicare and MA Plans in **Chapter 12**. You can also find more information about them in the *Medicare & You 2025* handbook. If you don't have a copy of this booklet, you can get it at the Medicare website ([www.medicare.gov/medicare-and-you](http://www.medicare.gov/medicare-and-you)) or by calling 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

**If you have questions**, please call Member Services at 1-800-443-0815 (TTY 711), 8 a.m. to 8 p.m., 7 days a week. The call is free. **For more information**, visit [kp.org/medicare](http://kp.org/medicare).

If Medi-Cal is not elected, you will have to make 13 payments in a row under Original Medicare, or you will have to make the number of payments in a row set by the MA plan, to own the DME item if:

- You did not become the owner of the DME item while you were in our plan, **and**
- You leave our plan and get your Medicare benefits outside of any health plan in the Original Medicare program or an MA plan.

If you made payments for the DME item under Original Medicare or an MA plan before you joined our plan, **those Original Medicare or MA plan payments do not count toward the payments you need to make after leaving our plan.**

- You will have to make 13 new payments in a row under Original Medicare or a number of new payments in a row set by the MA plan to own the DME item.
- There are no exceptions to this when you return to Original Medicare or an MA plan

### **L3. Oxygen equipment benefits as a member of our plan**

If you qualify for oxygen equipment covered by Medicare and you're a member of our plan, we cover:

- Rental of oxygen equipment.
- Delivery of oxygen and oxygen contents.
- Tubing and related accessories for the delivery of oxygen and oxygen contents.
- Maintenance and repairs of oxygen equipment.

Oxygen equipment must be returned when it's no longer medically necessary for you or if you leave our plan.

### **L4. Oxygen equipment when you switch to Original Medicare or another Medicare Advantage (MA) plan**

When oxygen equipment is medically necessary and **you leave our plan and switch to Original Medicare**, you rent it from a supplier for 36 months. Your monthly rental payments cover the oxygen equipment and the supplies and services listed above.

If oxygen equipment is medically necessary **after you rent it for 36 months**, your supplier must provide:

- Oxygen equipment, supplies, and services for another 24 months.
- Oxygen equipment and supplies for up to 5 years if medically necessary.

If oxygen equipment is still medically necessary **at the end of the 5-year period**:

- Your supplier no longer has to provide it, and you may choose to get replacement equipment from any supplier.
- A new 5-year period begins.
- You rent from a supplier for 36 months.
- Your supplier then provides the oxygen equipment, supplies, and services for another 24 months.
- A new cycle begins every 5 years as long as oxygen equipment is medically necessary.

When oxygen equipment is medically necessary and **you leave our plan and switch to another MA plan**, the plan will cover at least what Original Medicare covers. You can ask your new MA plan what oxygen equipment and supplies it covers and what your costs will be.

## Chapter 4: Benefits chart

### Introduction

This chapter tells you about the services our plan covers and any restrictions or limits on those services and how much you pay for each service. It also tells you about benefits not covered under our plan. Key terms and their definitions appear in alphabetical order in the last chapter of this **Member Handbook**.

**New members to Kaiser Permanente Dual Complete:** In most instances you will be enrolled in our **Kaiser Permanente Dual Complete Plan** for your Medicare benefits the 1st day of the month after you request to be enrolled in **Kaiser Permanente Dual Complete**. You may still receive your Medi-Cal services from your previous Medi-Cal health plan for one additional month. After that, you will receive your Medi-Cal services through **Kaiser Permanente Dual Complete**. There will be no gap in your Medi-Cal coverage. Please call us at 1-800-443-0815 (TTY 711) **if you have any questions. Hours are 8 a.m. to 8 p.m., 7 days a week.**

## A. Your covered services and your out-of-pocket costs

This chapter tells you about services our plan covers and how much you pay for each service. You can also learn about services that are not covered. Information about drug benefits is in **Chapter 5** of this *Member Handbook*. This chapter also explains limits on some services.

For some services, you are charged an out-of-pocket cost called a copay. This is a fixed amount (for example, \$5) you pay each time you get that service. You pay the copay at the time you get the medical service.

If you need help understanding what services are covered, call Member Services at 1-800-443-0815 (TTY 711), 7 days a week, 8 a.m. to 8 p.m.

### A1. During public health emergencies

In the event of a public health emergency declaration due to a disease, we will cover the following services at no cost to you for as long as the public health emergency lasts, which may or may not be the entire year:

- Preventive services, including immunizations, with an "A" or "B" recommendation from the United States Preventive Services Task Force.
- Services and products necessary for screening, testing, and diagnosis of the disease that is the subject of the public health emergency.
- Therapeutic approved or granted emergency use authorization by the FDA for treatment of the disease.

---

## B. Rules against providers charging you for services

We don't allow our providers to bill you for in-network covered services. We pay our providers directly, and we protect you from any charges. This is true even if we pay the provider less than the provider charges for a service.

**You should never get a bill from a provider for covered services.** If you do, refer to **Chapter 7** of this *Member Handbook* or call Member Services.

---

## C. About our plan's Benefits Chart

The Benefits Chart tells you the services our plan pays for. It lists covered services in alphabetical order and explains them.

**We pay for the services listed in the Benefits Chart when the following rules are met.**

- We provide covered Medicare and Medi-Cal covered services according to the rules set by Medicare and Medi-Cal.

**If you have questions**, please call Member Services at 1-800-443-0815 (TTY 711), 8 a.m. to 8 p.m., 7 days a week. The call is free. **For more information**, visit [kp.org/medicare](http://kp.org/medicare).

- The services (including medical care, services, supplies, equipment, and Part B prescription drugs) must be medically necessary. "Medically necessary" means that the services, supplies, or drugs are needed for the prevention, diagnosis, or treatment of your medical condition and meet accepted standards of medical practice.
- For new enrollees, our plan must provide a minimum 90-day transition period, during which time we may not require prior authorization for any active course of treatment, even if the course of treatment was for a service that began with an out-of-network provider.
- You get your care from a network provider. A network provider is a provider who works with us. In most cases, care you receive from an out-of-network provider will not be covered unless it is an emergency or urgently needed care or unless your plan or a network provider has given you a referral. **Chapter 3** of this *Member Handbook* has more information about using network and out-of-network providers.
- You have a primary care provider (PCP) or a care team that is providing and managing your care. In most cases, your PCP must give you approval before you can use a provider that is not your PCP or use other providers in the plan's network. This is called a referral. **Chapter 3** of this *Member Handbook* has more information about getting a referral and when you do **not** need one.
- We cover some services listed in the Benefits Chart only if your doctor or other network provider gets our approval first. This is called prior authorization (PA). We mark covered services in the Benefits Chart that need PA with a footnote (†). In addition, see **Chapter 3**, for more information about PA, including other services that require PA that are not listed in the Benefits Chart.
- If you lose your Medi-Cal benefits, within our plan's four-month period of deemed continued eligibility, we will continue to provide all Medicare Advantage plan-covered benefits. However, the cost-sharing for Part D drugs and other Medicare-covered services may change. You will need to consult with Medi-Cal to find out what, if anything, Medi-Cal will cover for services not covered by our plan but covered by Medi-Cal.
- All preventive services are free. You will find this apple 🍏 next to preventive services in the Benefits Chart.
- Community Supports: Community Supports may be available under your Individualized Care Plan. Community Supports are medically appropriate and cost-effective alternative services or settings. These services are optional for members. If you qualify, these services may help you live more independently. They do not replace benefits that you already get under Medi-Cal. They are not available in all areas. Not all members qualify to receive Community Supports. To qualify, you must meet specific criteria. For more information on Community Supports, talk to your PCP or call Member Services.

The Benefits Chart below describes the medical benefits of the following Kaiser Permanente Dual Complete plans included in this *Member Handbook*:

- South P1 plan.
- North P2 plan.

If you are not certain which plan you are enrolled in, please call Member Services or refer to the cover of your Annual Notice of Changes (or for new members, your enrollment form or enrollment confirmation letter).

Note: Please refer to **Chapter 1** for the geographic service area of each plan included in this *Member Handbook*. For the purposes of premiums, cost-sharing, enrollment, and disenrollment, there are multiple Dual Complete plans in our Region's service area, which are described in this *Member Handbook*. But, for the purposes of obtaining covered services, you get care from network providers anywhere inside your Region's service area.

## F. Benefits covered outside of our plan

We don't cover the following services, but they are available through Original Medicare or Medi-Cal fee-for service.

### F1. California Community Transitions (CCT)

The California Community Transitions (CCT) program uses local Lead Organizations to help eligible Medi-Cal beneficiaries, who have lived in an inpatient facility for at least 90 consecutive days, transition back to, and remaining safely in, a community setting. The CCT program funds transition coordination services during the pre-transition period and for 365 days post transition to assist beneficiaries with moving back to a community setting.

You can get transition coordination services from any CCT Lead Organization that serves the county you live in. You can find a list of CCT Lead Organizations and the counties they serve on the Department of Health Care Services website at: [www.dhcs.ca.gov/services/ltc/Pages/CCT](http://www.dhcs.ca.gov/services/ltc/Pages/CCT).

#### For CCT transition coordination services

Medi-Cal pays for the transition coordination services. You pay nothing for these services.

While you get CCT transition coordination services, we pay for services listed in the Benefits Chart in **Section D**.

### No change in drug coverage benefit

The CCT program does **not** cover drugs. You continue to get your normal drug benefit through our plan. For more information, refer to **Chapter 5** of this *Member Handbook*.

**Note:** If you need non-CCT transition care, call your care coordinator to arrange the services. Non-CCT transition care is care **not** related to your transition from an institution or facility.

**Note:** If you need non-hospice care, call your care coordinator to arrange the services. Non-hospice care is care not related to your terminal prognosis.

**F4. In-Home Supportive Services (IHSS)**

- The IHSS Program will help pay for services provided to you so that you can remain safely in your own home. IHSS is considered an alternative to out-of-home care, such as nursing homes or board and care facilities.
- The types of services which can be authorized through IHSS are housecleaning, meal preparation, laundry, grocery shopping, personal care services (such as bowel and bladder care, bathing, grooming and paramedical services), accompaniment to medical appointments, and protective supervision for the mentally impaired.
- Your care coordinator can help you apply for IHSS with your county social service agency. Contact information for your county can be found in **Chapter 2, Section I** or at <https://www.cdss.ca.gov/inforesources/county-ihss-offices>.

## F5. 1915(c) Home and Community Based Services (HCBS) Waiver Programs

### Assisted Living Waiver (ALW)

- The Assisted Living Waiver (ALW) offers Medi-Cal eligible beneficiaries the choice of residing in an assisted living setting as an alternative to long-term placement in a nursing facility. The goal of the ALW is to facilitate nursing facility transition back into a homelike and community setting or prevent skilled nursing admissions for beneficiaries with an imminent need for nursing facility placement.
- Members who are enrolled in ALW can remain enrolled in ALW while also receiving benefits provided by our plan. Our plan works with your ALW Care Coordination Agency to coordinate the services you receive.
- Your care coordinator can help you apply for the ALW. A list of ALW Care Coordination agencies can be found at the following website:  
<https://www.dhcs.ca.gov/services/ltc/Documents/Care-Coordination-Agencies.pdf>

### HCBS Waiver for Californians with Developmental Disabilities (HCBS-DD)

#### California Self-Determination Program (SDP) Waiver for Individuals with Developmental Disabilities

- There are two 1915(c) waivers, the HCBS-DD Waiver and SDP Waiver, that provide services to people who have been diagnosed with a developmental disability that begins before the individual's 18th birthday and is expected to continue indefinitely. Both waivers are a way to fund certain services that allow persons with developmental disabilities to live at home or in the community rather than residing in a licensed health facility. Costs for these services are funded jointly by the federal government's Medicaid program and the State of California. Your care coordinator can help connect you to DD Waiver services.

### Home and Community-Based Alternative (HCBA) Waiver

- The HCBA Waiver provides care management services to persons at risk for nursing home or institutional placement. The care management services are provided by a multidisciplinary Care Management Team comprised of a nurse and social worker. The team coordinates Waiver and State Plan services (such as medical, behavioral health, In-Home Supportive Services, etc.), and arranges for other long-term services and supports available in the local community. Care management and Waiver services are provided in the participant's community-based residence. This residence can be privately owned, secured through a tenant lease arrangement, or the residence of a participant's family member.
- Members who are enrolled in the HCBA Waiver can remain enrolled in the HCBA Waiver while also receiving benefits provided by our plan. Our plan works with your HCBA waiver agency to coordinate the services you receive.

**If you have questions**, please call Member Services at 1-800-443-0815 (TTY 711), 8 a.m. to 8 p.m., 7 days a week. The call is free. **For more information**, visit [kp.org/medicare](http://kp.org/medicare).

- Your care coordinator can help you apply for the HCBA.

### Medi-Cal Waiver Program (MCWP)

- The Medi-Cal Waiver Program (MCWP) provides comprehensive case management and direct care services to persons living with HIV as an alternative to nursing facility care or hospitalization. Case management is a participant centered, team approach consisting of a registered nurse and social work case manager. Case managers work with the participant and primary care provider(s), family, caregiver(s), and other service providers, to assess care needs to keep the participant in their home and community.
- The goals of the MCWP are to: (1) provide home and community-based services for persons with HIV who may otherwise require institutional services; (2) assist participants with HIV health management; (3) improve access to social and behavioral health support and (4) coordinate service providers and eliminate duplication of services.
- Members who are enrolled in the MCWP Waiver can remain enrolled in the MCWP Waiver while also receiving benefits provided by our plan. Our plan works with your MCWP waiver agency to coordinate the services you receive.
- Your care coordinator can help you apply for the MCWP. A list of MCWP waiver agencies can be found at the following website: [https://www.cdph.ca.gov/Programs/CID/DOA/Pages/OA\\_MCWP\\_Provider\\_List.aspx](https://www.cdph.ca.gov/Programs/CID/DOA/Pages/OA_MCWP_Provider_List.aspx)

### Multipurpose Senior Services Program (MSSP)

- The Multipurpose Senior Services Program (MSSP) provides both social and health care management services to assist individuals remain in their own homes and communities.
- While most of the program participants also receive In-Home Supportive Services, MSSP provides on-going care coordination, links participants to other needed community services and resources, coordinates with health care providers, and purchases some needed services that are not otherwise available to prevent or delay institutionalization. The total annual combined cost of care management and other services must be lower than the cost of receiving care in a skilled nursing facility.
- A team of health and social service professionals provides each MSSP participant with a complete health and psychosocial assessment to determine needed services. The team then works with the MSSP participant, their physician, family, and others to develop an individualized care plan. Services include:
  - Care management.
  - Adult day care.
  - Minor home repair/maintenance.
  - Supplemental in-home chore, personal care, and protective supervision services.

- Respite services.
- Transportation services.
- Counseling and therapeutic services.

- Communication services.
- Members who are enrolled in the MSSP Waiver can remain enrolled in the MSSP Waiver while also receiving benefits provided by our plan. Our plan works with your MSSP provider to coordinate the services you receive.
- Your care coordinator can help you apply for MSSP. A list of MSSP provider agencies can be found at the following website: [aging.ca.gov/Providers\\_and\\_Partners/Multipurpose\\_Senior\\_Services\\_Program/Service\\_Area\\_Map/](http://aging.ca.gov/Providers_and_Partners/Multipurpose_Senior_Services_Program/Service_Area_Map/)

- Vision correction surgeries (for example, LASIK surgery).
- Reversal of sterilization procedures.
- Naturopath services (the use of natural or alternative treatments).
- Services provided to veterans in Veterans Affairs (VA) facilities. You are still responsible for your cost-sharing amounts.
- Certain exams and services:
  - To get or keep a job

- To get insurance
- To get any kind of license
- By order of a court, or if for parole or probation
- This exclusion does not apply if a network doctor finds that the services are medically necessary.
- Comfort or convenience items. Medi-Cal coverage does not include comfort, convenience, or luxury equipment or features. These include items that are solely for the comfort or convenience of a member, a member's family member, or a member's health care provider. This exclusion does not apply to retail-grade breast pumps that are provided to women after a pregnancy. This exclusion also does not apply to items approved for you under Community Supports.
- Cosmetic services or procedures. This exclusion does not apply to the following:
  - Testicular implants implanted as part of a covered reconstructive surgery.
  - Breast prostheses needed after a mastectomy or lumpectomy.
  - Prostheses to replace all or part of an external facial body part.
- Disposable supplies. Medi-Cal coverage does not include the following disposable supplies for home use: bandages, gauze, tape, antiseptics, dressings, and Ace-type bandages. This exclusion does not apply to disposable supplies provided as part of the following benefits described in **Chapter 4** ("Benefits and services") of this *Member Handbook*:
  - Dialysis/hemodialysis treatment.
  - Durable medical equipment.
  - Home health care.
  - Hospice and palliative care.
  - Medical supplies, equipment and appliances.
  - Prescription drugs.
  - Prosthetics devices and related supplies.
- Fertility services:
  - Services to reverse voluntary, surgically induced infertility and fertility preservation services.
  - Conception by artificial means, such as in vitro fertilization, zygote intrafallopian transfers, ovum transplants, and gamete intrafallopian transfers (except artificial insemination and related services covered by Medicare).

- Items and services that are not health care items and services unless they are approved under your Medi-Cal coverage under the ILOS program or Durable Medical Equipment. For example, we do not cover:
  - Teaching manners and etiquette.
  - Teaching and support services to develop planning skills such as daily activity planning and project or task planning.
  - Items and services for the purpose of increasing academic knowledge or skills.
  - Teaching and support services to increase intelligence.
  - Academic coaching or tutoring for skills such as grammar, math, and time management.
  - Teaching you how to read, whether or not you have dyslexia.
  - Educational testing.
  - Teaching art, dance, horse riding, music, play, or swimming, except that this exclusion for “teaching play” does not apply to services that are part of a behavioral health therapy treatment plan and covered in **Chapter 4**.
  - Teaching skills for employment or vocational purposes.

  - Professional growth courses.
  - Training for a specific job or employment counseling.
- Modifications to your home or car, unless they are temporary changes that are determined to be medically necessary or approved for you under Community Supports.

  - Home health care.
  - Hospice and palliative care.
  - Rehabilitative and habilitative services.
  - Skilled nursing facility services.
- Massage therapy. This exclusion does not apply to therapy services that are part of a physical therapy treatment plan and covered as part of the following benefits:
  - Home health care.
  - Hospice and palliative care.
  - Rehabilitative and habilitative services.

- Skilled nursing facility services.
- Personal care services (custodial care), such as help with activities of daily living (for example: walking, getting in and out of bed, bathing, dressing, feeding, toileting, and taking medicine). This exclusion does not apply to assistance with activities of daily living that is provided as part of coverage described under the following sections:
  - Hospice and palliative care.
  - Long-term care services and supports.
  - Skilled nursing/intermediate/subacute facility care.
  - Community Supports.
- Services not approved by the federal Food and Drug Administration. We do not cover drugs, supplements, tests, vaccines, devices, radioactive materials, and any other services that by law require federal Food and Drug Administration (“FDA”) approval in order to be sold in the U.S. but are not approved by the FDA. This exclusion does not apply to the following situations:
  - Services covered under Clinical Trials.
  - Services provided as part of covered investigational services.
- Services performed by unlicensed people. Coverage generally does not include services that are performed safely and effectively by people who do not require licenses or certificates by the state to provide health care services and where the member’s condition does not require that the services be provided by a licensed health care provider. This exclusion does not apply to the following:
  - Services covered in **Chapter 4** of this *Member Handbook*.
  - Covered Community Supports approved for you.
  - Covered doula services.
  - Covered community health worker services.
- Services related to a noncovered service. When a service is not covered, all services related to the noncovered service are excluded. This exclusion does not apply to treatment of complications that result from the noncovered services, if those complications would be otherwise covered. For example, if you have cosmetic surgery that is not covered, we will not cover the services you get to prepare for the surgery or for follow-up care. If you later suffer a life-threatening complication such as a serious infection, this exclusion will not apply and we will cover the services needed to treat the complication, as long as the services are covered under this *Member Handbook*.
- Childhood lead poisoning case management provided by county health departments. Please contact your county for more information on lead poisoning case management services.

## Chapter 5: Getting your outpatient prescription drugs

---

### Introduction

This chapter explains rules for getting your outpatient prescription drugs. These are drugs that your provider orders for you that you get from a pharmacy or by mail-order. They include drugs covered under Medicare Part D and Medi-Cal. **Chapter 6** of this *Member Handbook* tells you what you pay for these drugs. Key terms and their definitions appear in alphabetical order in the last chapter of this *Member Handbook*.

We also cover the following drugs, although they are not discussed in this chapter:

- **Drugs covered by Medicare Part A.** These generally include drugs given to you while you are in a hospital or nursing facility.
- **Drugs covered by Medicare Part B.** These include some chemotherapy drugs, some drug injections given to you during an office visit with a doctor or other provider, and drugs you are given at a dialysis clinic. To learn more about what Medicare Part B drugs are covered, refer to the Benefits Chart in **Chapter 4** of this *Member Handbook*.
- In addition to the plan's Medicare Part D and medical benefits coverage, your drugs may be covered by Original Medicare if you are in Medicare hospice. For more information, please refer to **Section F** "If you are in a Medicare-certified hospice program."

### Rules for our plan's outpatient drug coverage

We usually cover your drugs as long as you follow the rules in this section.

You must have a provider (doctor, dentist or a prescriber) write your prescription, which must be valid under applicable state law. This person often is your primary care provider (PCP). It could also be another provider if your PCP has referred you for care.

Your prescriber must **not** be on Medicare's Exclusion or Preclusion Lists or any similar Medi-Cal lists.

You generally must use a network pharmacy to fill your prescription. Or you can fill your prescription through the plan's mail-order service.

Your prescribed drug must be on our **List of Covered Drugs**. We call it the "*Drug List*" for short. (Refer to **Section B** of this chapter).

- If it is not on the *Drug List*, we may be able to cover it by giving you an exception.

**If you have questions**, please call Member Services at 1-800-443-0815 (TTY 711), 8 a.m. to 8 p.m., 7 days a week. The call is free. **For more information**, visit [kp.org/medicare](http://kp.org/medicare).

- Refer to **Chapter 9** to learn about asking for an exception.
- Please also note that the request to cover your prescribed drug will be evaluated under both Medicare and Medi-Cal standards.

Your drug must be used for a medically accepted indication. This means that use of the drug is either approved by the Food and Drug Administration (FDA) or supported by certain medical references. Your prescriber may be able to help you identify medical references to support the requested use of the prescribed drug.

Your drug may require approval before we will cover it. Refer to **Section C** in this chapter.

## A. Getting your prescriptions filled

### A1. Filling your prescription at a network pharmacy

In most cases, we pay for prescriptions only when filled at any of our network pharmacies. A network pharmacy is a drug store that agrees to fill prescriptions for our plan members. You may use any of our network pharmacies.

To find a network pharmacy, look in the *Provider and Pharmacy Directory*, visit our website, or contact Member Services.

### A2. Using your Member ID Card when you fill a prescription

To fill your prescription, **show your Member ID Card** at your network pharmacy. The network pharmacy bills us for our share of the cost of your covered prescription drug. You may need to pay the pharmacy a copay when you pick up your prescription.

Remember, you need your Medi-Cal card or Benefits Identification Card (BIC) to access Medi-Cal Rx covered drugs.

If you don't have your Member ID Card or BIC with you when you fill your prescription, ask the pharmacy to call us to get the necessary information, or you can ask the pharmacy to look up your plan enrollment information.

If the pharmacy can't get the necessary information, you may have to pay the full cost of the prescription when you pick it up. Then you can ask us to pay you back for our share. **If you can't pay for the drug, contact Member Services right away.** We will do everything we can to help.

- To ask us to pay you back, refer to **Chapter 7** of this *Member Handbook*.
- If you need help getting a prescription filled, contact Member Services.

### A3. What to do if you change your network pharmacy

If you need help changing your network pharmacy, contact Member Services.

### A4. What to do if your pharmacy leaves the network

If the pharmacy you use leaves our plan's network, you need to find a new network pharmacy.

To find a new network pharmacy, look in the *Provider and Pharmacy Directory*, visit our website, or contact Member Services.

### A5. Using a specialized pharmacy

Sometimes prescriptions must be filled at a specialized pharmacy. Specialized pharmacies include:

- Pharmacies that supply drugs for home infusion therapy.

**If you have questions**, please call Member Services at 1-800-443-0815 (TTY 711), 8 a.m. to 8 p.m., 7 days a week. The call is free. **For more information**, visit [kp.org/medicare](http://kp.org/medicare).

- Pharmacies that supply drugs for residents of a long-term care facility, such as a nursing facility.
  - Usually, long-term care facilities have their own pharmacies. If you're a resident of a long-term care facility, we make sure you can get the drugs you need at the facility's pharmacy.
  - If your long-term care facility's pharmacy is not in our network or you have difficulty getting your drugs in a long-term care facility, contact Member Services.
- Pharmacies that serve the Indian Health Care Provider (IHCP) and Urban Indian Organization (UIO) Pharmacies Indian Health Service/Tribal/Urban Indian Health Program. Except in emergencies, only Native Americans or Alaska Natives may use these pharmacies.
- Pharmacies that dispense drugs that are restricted by the FDA to certain locations or that require special handling, provider coordination, or education on their use. (Note: This scenario should happen rarely.)

To find a specialized pharmacy, look in the *Provider and Pharmacy Directory*, visit our website, or contact Member Services.

## A6. Using mail-order services to get your drugs

For certain kinds of drugs, you can use our plan's network mail-order services. Generally, drugs available through mail-order are drugs that you take on a regular basis for a chronic or long-term medical condition. Drugs available through our plan's mail-order service are marked as mail-order drugs in our *Drug List*.

Our plan's mail-order service allows you to order up to a 100-day supply. A 100-day supply has the same copay as a one-month supply.

### Filling prescriptions by mail

To get information about filling your prescriptions by mail, visit your local network pharmacy or our website at [kp.org/refill](http://kp.org/refill). You can conveniently order your prescription refills in the following ways:

- Register and order online securely at [kp.org/refill](http://kp.org/refill).
- Call the number listed on your prescription plan and follow the prompts (be sure to select the mail delivery option when prompted).
- Call the number below applicable to your plan:

**South P1 plan: 1-866-206-2983 (TTY 711)**, Monday through Friday,  
7 a.m. to 7 p.m.

**North P2 plan: 1-888-218-6245 (TTY 711)**, Monday through Friday, 8 a.m. to 8 p.m., Saturday 8 a.m. to 6 p.m., and Sunday 9 a.m. to 6 p.m.

- Mail your prescription or refill request on a mail-order form available at any Kaiser Permanente network pharmacy.

When you order refills for home delivery online, by phone, or in writing, you must pay your cost-sharing when you place your order (there are no shipping charges for regular USPS mail delivery). If you prefer, you may designate a network pharmacy where you want to pick up and pay for your prescription. Please contact a network pharmacy if you have a question about whether your prescription can be mailed or see our *Drug List* for information about the drugs that can be mailed.

Usually, a mail-order prescription arrives within 5 days. If your mail-order prescription is delayed, please call the number listed above or on your prescription bottle's label for assistance. Also, if you cannot wait for your prescription to arrive from our mail-order pharmacy, you can get an urgent supply by calling your local network retail pharmacy listed in your *Provider and Pharmacy Directory* or at [kp.org/directory](http://kp.org/directory). Please be aware that you may pay more if you get a 100-day supply from a network retail pharmacy instead of from our mail-order pharmacy.

## Mail-order processes

Mail-order service has different procedures for new prescriptions it gets from you, new prescriptions it gets directly from your provider's office, and refills on your mail-order prescriptions.

### 1. New prescriptions the pharmacy gets from your provider's office

After the pharmacy gets a prescription from a health care provider, it contacts you to find out if you want the medication filled immediately or at a later time.

- This gives you an opportunity to make sure the pharmacy is delivering the correct drug (including strength, amount, and form) and, if needed, allows you to stop or delay the order before you are billed and it is shipped.
- Respond each time the pharmacy contacts you, to let them know what to do with the new prescription and to prevent any delays in shipping.

### 2. Refills on mail-order prescriptions

- For refills, contact your pharmacy 5 days before your current prescription will run out to make sure your next order is shipped to you in time. Let the pharmacy know the best ways to contact you so they can reach you to confirm your order before shipping. When you place your order, please provide your current contact information in case we need to reach you.

## A7. Getting a long-term supply of drugs

You can get a long-term supply of maintenance drugs on our plan's *Drug List*. Maintenance drugs are drugs that you take on a regular basis, for a chronic or long-term medical condition.

Some network pharmacies allow you to get a long-term supply of maintenance drugs. A 100-day supply has the same copay as a one-month supply. The *Provider and Pharmacy Directory* tells you which pharmacies can give you a long-term supply of maintenance drugs. You can also call Member Services for more information.

For certain kinds of drugs, you can use our plan's network mail-order services to get a long-term supply of maintenance drugs. Refer to **Section A6** to learn about mail-order services.

## A8. Using a pharmacy not in our plan's network

Generally, we pay for drugs filled at an out-of-network pharmacy only when you aren't able to use a network pharmacy. In these cases, check with Member Services first to find out if there's a network pharmacy nearby.

We pay for prescriptions filled at an out-of-network pharmacy in the following cases:

- If you are traveling within the United States and its territories but outside the service area and you become ill or run out of your covered Part D prescription drugs, we will cover prescriptions that are filled at an out-of-network pharmacy in limited, nonroutine circumstances according to our Medicare Part D formulary guidelines.
- If you need a Medicare Part D prescription drug in conjunction with covered out-of-network emergency care or out-of-area urgent care, we will cover up to a 30-day supply from an out-of-network pharmacy. Note: Prescription drugs prescribed and provided outside of the United States and its territories as part of covered emergency or urgent care are covered up to a 30-day supply in a 30-day period. These drugs are not covered under Medicare Part D; therefore, payments for these drugs do not count toward reaching the catastrophic coverage stage.
- If you are unable to obtain a covered drug in a timely manner within our service area because there is no network pharmacy within a reasonable driving distance that provides 24-hour service. We may not cover your prescription if a reasonable person could have purchased the drug at a network pharmacy during normal business hours.
- If you are trying to fill a prescription for a drug that is not regularly stocked at an accessible network pharmacy or available through our mail-order pharmacy (including high-cost drugs).
- If you are not able to get your prescriptions from a network pharmacy during a disaster.

## A9. Paying you back for a prescription

If you must use an out-of-network pharmacy, you must generally pay the full cost instead of a copay when you get your prescription. You can ask us to pay you back for our share of the cost.

If you pay the full cost for your prescription that may be covered by Medi-Cal Rx, you may be able to be reimbursed by the pharmacy once Medi-Cal Rx pays for the prescription. Alternatively, you may ask Medi-Cal Rx to pay you back by submitting the “Medi-Cal Out-of-Pocket Expense Reimbursement (Conlan)” claim. More information can be found on the Medi-Cal Rx website:

[medi-calrx.dhcs.ca.gov/home/](https://medi-calrx.dhcs.ca.gov/home/).

To learn more about this, refer to **Chapter 7** of this *Member Handbook*.

---

## B. Our plan’s *Drug List*

We have a **List of Covered Drugs**. We call it the “*Drug List*” for short.

We select the drugs on the *Drug List* with the help of a team of doctors and pharmacists. The *Drug List* also tells you the rules you need to follow to get your drugs.

We generally cover a drug on our plan’s *Drug List* when you follow the rules we explain in this chapter.

### B1. Drugs on our *Drug List*

Our *Drug List* includes drugs covered under Medicare Part D.

Most of the prescription drugs you get from a pharmacy are covered by your plan. Other drugs, such as some over-the-counter (OTC) medications and certain vitamins, may be covered by Medi-Cal Rx. Please visit the Medi-Cal Rx website ([medi-calrx.dhcs.ca.gov](https://medi-calrx.dhcs.ca.gov)) for more information. You can also call the Medi-Cal Rx Customer Service Center at 1-800-977-2273. Please bring your Medi-Cal Beneficiary Identification Card (BIC) when getting your prescriptions through Medi-Cal Rx.

Our *Drug List* includes brand name drugs, generic drugs, and biological products (which may include biosimilars).

A brand name drug is a prescription drug that is sold under a trademarked name owned by the drug manufacturer. Biological products are drugs that are more complex than typical drugs. On our *Drug List*, when we refer to “drugs” this could mean a drug or a biological product.

Generic drugs have the same active ingredients as brand name drugs. Biological products have alternatives that are called biosimilars. Generally, generic drugs and biosimilars work just as well as brand name drugs or original biological products and usually cost less. There are generic drug substitutes available for many brand name drugs and biosimilar alternatives for some original biological products. Some biosimilars are interchangeable biosimilars and, depending on state law, may be substituted for the original biological product at the pharmacy without needing a new prescription, just like generic drugs can be substituted for brand name drugs.

**If you have questions**, please call Member Services at 1-800-443-0815 (TTY 711), 8 a.m. to 8 p.m., 7 days a week. The call is free. **For more information**, visit [kp.org/medicare](https://kp.org/medicare).

Refer to **Chapter 12** for definitions of the types of drugs that may be on the *Drug List*.

## **B2. How to find a drug on our *Drug List***

To find out if a drug you take is on our *Drug List*, you can:

- Check the most recent *Drug List* we provided electronically on our website.
- Visit our plan's website at [kp.org/seniorrx](http://kp.org/seniorrx). The *Drug List* on our website is always the most current one.
- Call Member Services to find out if a drug is on our *Drug List* or to ask for a copy of the list.
- Drugs that are not covered by Part D may be covered by Medi-Cal Rx. Please visit the Medi-Cal Rx website ([medi-calrx.dhcs.ca.gov/](http://medi-calrx.dhcs.ca.gov/)) for more information.
- Use our "Real Time Benefit Tool" at [kp.org/seniorrx](http://kp.org/seniorrx) or call Member Services. With this tool you can search for drugs on the *Drug List* to get an estimate of what you will pay and if there are alternative drugs on the *Drug List* that could treat the same condition.

## **B3. Drugs not on our *Drug List***

We don't cover all prescription drugs. Some drugs are not on our *Drug List* because the law doesn't allow us to cover those drugs. In other cases, we decided not to include a drug on our *Drug List*.

Our plan does not pay for the kinds of drugs described in this section. These are called **excluded drugs**. If you get a prescription for an excluded drug, you may need to pay for it yourself. If you think we should pay for an excluded drug because of your case, you can make an appeal. Refer to **Chapter 9** of this *Member Handbook* for more information about appeals.

Here are three general rules for excluded drugs:

- Our plan's outpatient drug coverage (which includes Medicare Part D drugs) cannot pay for a drug that Medicare Part A or Medicare Part B already covers. Our plan covers drugs covered under Medicare Part A or Medicare Part B for free, but these drugs aren't considered part of your outpatient prescription drug benefits.
- Our plan cannot cover a drug purchased outside the United States and its territories.
- Use of the drug must be approved by the FDA or supported by certain medical references as a treatment for your condition. Your doctor or other provider may prescribe a certain drug to treat your condition, even though it wasn't approved to treat the condition. This is called "off-label use." Our plan usually doesn't cover drugs prescribed for off-label use.

**If you have questions**, please call Member Services at 1-800-443-0815 (TTY 711), 8 a.m. to 8 p.m., 7 days a week. The call is free. **For more information**, visit [kp.org/medicare](http://kp.org/medicare).

- Under Medi-Cal, most outpatient prescription drugs are covered by Medi-Cal Rx as a service through FFS Medi-Cal. To be covered by Medi-Cal Rx, the item must be on the Medi-Cal Contract *Drug List* (“CDL”) or must be pre-approved for you by Medi-Cal Rx. Your provider can tell you if a drug is on the Medi-Cal Rx CDL.

Also, by law, Medicare or Medi-Cal cannot cover the types of drugs listed below:

- Drugs used to promote fertility.
- Drugs used for the relief of cough or cold symptoms.\*
- Drugs used for cosmetic purposes or to promote hair growth.
- Prescription vitamins and mineral products, except prenatal vitamins and fluoride\* preparations.
- Drugs used for the treatment of sexual or erectile dysfunction.
- Drugs used for the treatment of anorexia, weight loss or weight gain.\*
- Outpatient drugs made by a company that says you must have tests or services done only by them.

\*Select products may be covered by Medi-Cal. Please visit the Medi-Cal Rx website (<https://medi-calrx.dhcs.ca.gov/home/>) for more information.

---

## C. Limits on some drugs

For certain prescription drugs, special rules limit how and when our plan covers them. Generally, our rules encourage you to get a drug that works for your medical condition and is safe and effective. When a safe, lower-cost drug works just as well as a higher-cost drug, we expect your provider to prescribe the lower-cost drug.

**If there is a special rule for your drug, it usually means that you or your provider must take extra steps for us to cover the drug.** For example, your provider may have to tell us your diagnosis or provide results of blood tests first. If you or your provider thinks our rule should not apply to your situation, ask us to make an exception. We may or may not agree to let you use the drug without taking extra steps.

To learn more about asking for exceptions, refer to **Chapter 9** of this *Member Handbook*.

### 1. Limiting use of a brand name drug or original biological products when respectively, a generic or interchangeable biosimilar version is available.

Generally, a generic drug or interchangeable biosimilar works the same as a brand name drug or original biological product and usually costs less. If there is a generic or interchangeable biosimilar version of a brand name drug or original biological product

**If you have questions**, please call Member Services at 1-800-443-0815 (TTY 711), 8 a.m. to 8 p.m., 7 days a week. The call is free. **For more information**, visit [kp.org/medicare](http://kp.org/medicare).

available, our network pharmacies give you the generic or interchangeable biosimilar version.

- We usually do not pay for the brand name drug or original biological product when there is an available generic version.
- However, if your provider told us the medical reason that the generic drug or interchangeable biosimilar or other covered drugs that treat the same condition will not work for you, then we cover the brand name drug.
- Your copay may be greater for the brand name drug or original biological product than the generic drug original biological product or interchangeable biosimilar.

## 2. Getting plan approval in advance

For some drugs, you or your prescriber must get approval from our plan before you fill your prescription. If you don't get approval, we may not cover the drug.

## 3. Quantity limits

For some drugs, we limit the amount of the drug you can have. This is called a quantity limit. For example, we might limit how much of a drug you can get each time you fill your prescription.

To find out if any of the rules above apply to a drug you take or want to take, check our *Drug List*. For the most up-to-date information, call Member Services or check our website at [kp.org/seniorrx](http://kp.org/seniorrx). If you disagree with our coverage decision based on any of the above reasons, you may request an appeal. Please refer to **Chapter 9** of this *Member Handbook*.

---

## D. Reasons your drug might not be covered

We try to make your drug coverage work well for you, but sometimes a drug may not be covered in the way that you like. For example:

- Our plan doesn't cover the drug you want to take. The drug may not be on our *Drug List*. We may cover a generic version of the drug but not the brand name version you want to take. A drug may be new, and we haven't reviewed it for safety and effectiveness yet.
- Our plan covers the drug, but there are special rules or limits on coverage. As explained in **Section C**, some drugs our plan covers have rules that limit their use. In some cases, you or your prescriber may want to ask us for an exception.

There are things you can do if we don't cover a drug the way you want us to cover it.

**If you have questions**, please call Member Services at 1-800-443-0815 (TTY 711), 8 a.m. to 8 p.m., 7 days a week. The call is free. **For more information**, visit [kp.org/medicare](http://kp.org/medicare).

## D1. Getting a temporary supply

In some cases, we can give you a temporary supply of a drug when the drug is not on our *Drug List* or is limited in some way. This gives you time to talk with your provider about getting a different drug or to ask us to cover the drug.

**To get a temporary supply of a drug, you must meet the two rules below:**

1. The drug you've been taking:
  - Is no longer on our *Drug List*, **or**
  - Was never on our *Drug List*, **or**
  - Is now limited in some way.
2. You must be in one of these situations:
  - You were in our plan last year.
    - We cover a temporary supply of your drug **during the first 90 days of the calendar year.**
    - This temporary supply is for up to 30 days.
    - If your prescription is written for fewer days, we allow multiple refills to provide up to a maximum of 30 days of medication. You must fill the prescription at a network pharmacy.
    - Long-term care pharmacies may provide your prescription drug in small amounts at a time to prevent waste.
  - You are new to our plan.
    - We cover a temporary supply of your drug during the first 90 days of your membership in our plan.
    - This temporary supply is for up to 30 days.
    - If your prescription is written for fewer days, we allow multiple refills to provide up to a maximum of 30 days of medication. You must fill the prescription at a network pharmacy.
    - Long-term care pharmacies may provide your prescription drug in small amounts at a time to prevent waste.
  - You have been in our plan for more than 90 days, live in a long-term care facility, and need a supply right away.

- We cover one 31-day supply, or less if your prescription is written for fewer days. This is in addition to the temporary supply above.
- If you enter into or are discharged from a hospital, skilled nursing facility, or long-term care facility to a different care setting or home, this is what is known as a level of care change. When your level of care changes, you may require an additional fill of your medication. We will generally cover up to a one-month supply of your Part D drugs during this level of care transition period even if the drug is not on our *Drug List*.

## D2. Asking for a temporary supply

To ask for a temporary supply of a drug, call Member Services.

**When you get a temporary supply of a drug, talk with your provider as soon as possible to decide what to do when your supply runs out.** Here are your choices:

- Change to another drug.

Our plan may cover a different drug that works for you. Call Member Services to ask for a list of drugs we cover that treat the same medical condition. The list can help your provider find a covered drug that may work for you.

### OR

- Ask for an exception.

You and your provider can ask us to make an exception. For example, you can ask us to cover a drug that is not on our *Drug List* or ask us to cover the drug without limits. If your provider says you have a good medical reason for an exception, they can help you ask for one.

## D3. Asking for an exception

If a drug you take will be taken off our *Drug List* or limited in some way next year, we allow you to ask for an exception before next year.

- We tell you about any change in the coverage for your drug for next year. Ask us to make an exception and cover the drug for next year the way you would like.
- We answer your request for an exception within 72 hours after we get your request (or your prescriber's supporting statement).

To learn more about asking for an exception, refer to **Chapter 9** of this *Member Handbook*.

If you need help asking for an exception, contact Member Services.

**If you have questions**, please call Member Services at 1-800-443-0815 (TTY 711), 8 a.m. to 8 p.m., 7 days a week. The call is free. **For more information**, visit [kp.org/medicare](http://kp.org/medicare).

---

## E. Coverage changes for your drugs

Most changes in drug coverage happen on January 1, but we may add or remove drugs on our *Drug List* during the year. We may also change our rules about drugs. For example, we may:

- Decide to require or not require prior approval (PA) for a drug (permission from us before you can get a drug).
- Add or change the amount of a drug you can get (quantity limits).

For more information on these drug rules, refer to **Section C**.

If you take a drug that we covered at the **beginning** of the year, we generally will not remove or change coverage of that drug **during the rest of the year** unless:

- A new, cheaper drug comes on the market that works as well as a drug on our *Drug List* now, **or**
- We learn that a drug is not safe, **or**
- A drug is removed from the market.

### What happens if coverage changes for a drug you are taking?

To get more information on what happens when our *Drug List* changes, you can always:

- Check our current *Drug List* online at [kp.org/seniorrx](http://kp.org/seniorrx) **or**
- Call Member Services to check our current *Drug List*.

### Changes we may make to the *Drug List* that affect you during the current plan year

Some changes to our *Drug List* happen **immediately**. For example:

- **A new generic drug becomes available.** Sometimes, a new generic or biosimilar drug comes on the market that works as well as a brand name drug or the original biological product on the *Drug List* now. When that happens, we may remove the brand name drug and add the new generic drug, but your cost for the new drug stays the same or will be lower.

When we add the new generic drug, we may also decide to keep the brand name drug on the list but change its coverage rules or limits.

- We may not tell you before we make this change, but we will send you information about the specific change we made once it happens.
- You or your provider can ask for an “exception” from these changes. We will send you a notice with the steps you can take to ask for an exception.

**If you have questions**, please call Member Services at 1-800-443-0815 (TTY 711), 8 a.m. to 8 p.m., 7 days a week. The call is free. **For more information**, visit [kp.org/medicare](http://kp.org/medicare).

Please refer to **Chapter 9** of this **Handbook** for more information on exceptions.

**A drug is taken off the market.** If the FDA says a drug you are taking is not safe or effective or the drug's manufacturer takes a drug off the market, we may immediately take it off our *Drug List*. If you are taking the drug, we will send you a notice after we make the change. Your prescriber will also know about this change, and can work with you to find another drug for your condition.

**We may make other changes that affect the drugs you take.** We tell you in advance about these other changes to our *Drug List*. These changes might happen if:

- The FDA provides new guidance or there are new clinical guidelines about a drug.
- We add a generic drug that is not new to the market **and**
  - Replace a *brand* name drug currently on our *Drug List* **or**
  - Change the coverage rules or limits for the brand name drug.

When these changes happen, we:

- Tell you at least 30 days before we make the change to our *Drug List* **or**
- Let you know and give you a 30-day supply of the drug after you ask for a refill.

This gives you time to talk to your doctor or other prescriber. They can help you decide:

- If there is a similar drug on our *Drug List* you can take instead **or**
- If you should ask for an exception from these changes to continue covering the drug or the version of the drug you have been taking. To learn more about asking for exceptions, refer to **Chapter 9** of this *Member Handbook*.

### **Changes to the *Drug List* that do not affect you during the current plan year**

We may make changes to drugs you take that are not described above and do not affect you now. For such changes, if you are taking a drug we covered at the **beginning** of the year, we generally do not remove or change coverage of that drug **during the rest of the year**.

For example, if we remove a drug you are taking or limit its use, then the change does not affect your use of the drug for the rest of the year.

If any of these changes happen for a drug you are taking (except for the changes noted in the section above), the change won't affect your use until January 1 of the next year.

We will not tell you about these types of changes directly during the current year. You will need to check the *Drug List* for the next plan year (when the list is available during the open enrollment period) to see if there are any changes that will impact you during the next plan year.

---

**If you have questions**, please call Member Services at 1-800-443-0815 (TTY 711), 8 a.m. to 8 p.m., 7 days a week. The call is free. **For more information**, visit [kp.org/medicare](http://kp.org/medicare).

## F. Drug coverage in special cases

### F1. In a hospital or a skilled nursing facility for a stay that our plan covers

If you are admitted to a hospital or skilled nursing facility for a stay our plan covers, we generally cover the cost of your prescription drugs during your stay. You will not pay a copay. Once you leave the hospital or skilled nursing facility, we cover your drugs as long as the drugs meet all of our coverage rules.

To learn more about drug coverage and what you pay, refer to **Chapter 6** of this *Member Handbook*.

### F2. In a long-term care facility

Usually, a long-term care facility, such as a nursing facility, has its own pharmacy or a pharmacy that supplies drugs for all of their residents. If you live in a long-term care facility, you may get your prescription drugs through the facility's pharmacy if it is part of our network.

Check your *Provider and Pharmacy Directory* to find out if your long-term care facility's pharmacy is part of our network. If it is not or if you need more information, contact Member Services.

### F3. In a Medicare-certified hospice program

Drugs are never covered by both hospice and our plan at the same time.

- You may be enrolled in a Medicare hospice and require certain drugs (e.g., pain, anti-nausea drugs, laxative, or anti-anxiety drugs) that your hospice does not cover because it is not related to your terminal prognosis and conditions. In that case, our plan must get notification from the prescriber or your hospice provider that the drug is unrelated before we can cover the drug.
- To prevent delays in getting any unrelated drugs that our plan should cover, you can ask your hospice provider or prescriber to make sure we have the notification that the drug is unrelated before you ask a pharmacy to fill your prescription.

If you leave hospice, our plan covers all of your drugs. To prevent any delays at a pharmacy when your Medicare hospice benefit ends, take documentation to the pharmacy to verify that you left hospice.

Refer to earlier parts of this chapter that tell about drugs our plan covers. Refer to **Chapter 4** of this *Member Handbook* for more information about the hospice benefit.

---

## G. Programs on drug safety and managing drugs

### G1. Programs to help you use drugs safely

Each time you fill a prescription, we look for possible problems, such as drug errors or drugs that:

- May not be needed because you take another similar drug that does the same thing.

**If you have questions**, please call Member Services at 1-800-443-0815 (TTY 711), 8 a.m. to 8 p.m., 7 days a week. The call is free. **For more information**, visit [kp.org/medicare](http://kp.org/medicare).

- May not be safe for your age or gender.
- Could harm you if you take them at the same time.
- Have ingredients that you are or may be allergic to.
- Have unsafe amounts of opioid pain medications.

If we find a possible problem in your use of prescription drugs, we work with your provider to correct the problem.

## **G2. Programs to help you manage your drugs**

Our plan has a program to help members with complex health needs. In such cases, you may be eligible to get services, at no cost to you, through a medication therapy management (MTM) program. This program is voluntary and free. This program helps you and your provider make sure that your medications are working to improve your health. If you qualify for the program, a pharmacist or other health professional will give you a comprehensive review of all of your medications and talk with you about:

- How to get the most benefit from the drugs you take.
- Any concerns you have, like medication costs and drug reactions.
- How best to take your medications.
- Any questions or problems you have about your prescription and over-the-counter medication.

Then, they will give you:

- A written summary of this discussion. The summary has a medication action plan that recommends what you can do for the best use of your medications.
- A personal medication list that includes all medications you take, how much you take, and when and why you take them.
- Information about safe disposal of prescription medications that are controlled substances.

It's a good idea to talk to your prescriber about your action plan and medication list.

- Take your action plan and medication list to your visit or anytime you talk with your doctors, pharmacists, and other health care providers.
- Take your medication list with you if you go to the hospital or emergency room.

MTM programs are voluntary and free to members who qualify. If we have a program that fits your needs, we enroll you in the program and send you information. If you do not want to be in the program, let us know, and we will take you out of it.

If you have questions about these programs, contact Member Services.

### **G3. Drug management program for safe use of opioid medications**

Our plan has a program that can help members safely use their prescription opioid medications and other medications that are frequently misused. This program is called a Drug Management Program (DMP).

If you use opioid medications that you get from several prescriber or pharmacies or if you had a recent opioid overdose, we may talk to your prescriber to make sure your use of opioid medications is appropriate and medically necessary. Working with your prescriber, if we decide your use of prescription opioid or benzodiazepine medications is not safe, we may limit how you can get those medications. Limitations may include:

- Requiring you to get all prescriptions for those medications from certain pharmacies and/or from certain prescriber.
- Limiting the amount of those medications we cover for you.

If we think that one or more limitations should apply to you, we send you a letter in advance. The letter will tell you if we will limit coverage of these drugs for you, or if you'll be required to get the prescriptions for these drugs only from a specific provider or pharmacy.

**You will have a chance to tell us which prescriber or pharmacies you prefer to use and any information you think is important for us to know.** If we decide to limit your coverage for these medications after you have a chance to respond, we send you another letter that confirms the limitations.

If you think we made a mistake, you disagree that you are at risk for prescription drug misuse, or you disagree with the limitation, you and your prescriber can make an appeal. If you make an appeal, we will review your case and give you our decision. If we continue to deny any part of your appeal related to limitations to your access to these medications, we automatically send your case to an Independent Review Organization (IRO). (To learn more about appeals and the IRO, refer to **Chapter 9** of this *Member Handbook*.)

The DMP may not apply to you if you:

- Have certain medical conditions, such as cancer or sickle cell disease,
- Are getting hospice, palliative, or end-of-life care, **or**
- Live in a long-term care facility.

**If you have questions**, please call Member Services at 1-800-443-0815 (TTY 711), 8 a.m. to 8 p.m., 7 days a week. The call is free. **For more information**, visit [kp.org/medicare](https://kp.org/medicare).

## Chapter 6: What you pay for your Medicare and Medi-Cal prescription drugs

---

### Introduction

This chapter tells what you pay for your outpatient prescription drugs. By “drugs,” we mean:

- Medicare Part D prescription drugs, and
- Drugs and items covered under Medi-Cal Rx, and
- Drugs and items covered by our plan as additional benefits.
- Because you are eligible for Medi-Cal, you get “Extra Help” from Medicare to help pay for your Medicare Part D prescription drugs. We will send you a separate insert, called the “Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs” (also known as the “Low Income Subsidy Rider” or the “LIS Rider”), which tells you about your drug coverage. If you don’t have this insert, please call Member Services and ask for the “LIS Rider.”

**Extra Help** is a Medicare program that helps people with limited incomes and resources reduce Medicare Part D prescription drug costs, such as premiums, deductibles, and copays. Extra Help is also called the “Low-Income Subsidy,” or “LIS.”

Other key terms and their definitions appear in alphabetical order in the last chapter of this *Member Handbook*.

To learn more about prescription drugs, you can look in these places:

- Our List of Covered Drugs.
  - We call this the “*Drug List*.” It tells you:
    - Which drugs we pay for.
    - Which of the 6 tiers each drug is in.
    - If there are any limits on the drugs.
  - If you need a copy of our *Drug List*, call Member Services. You can also find the most current copy of our *Drug List* on our **website at** [kp.org/seniorrx](http://kp.org/seniorrx).

**If you have questions**, please call Member Services at 1-800-443-0815 (TTY 711), 8 a.m. to 8 p.m., 7 days a week. The call is free. **For more information**, visit [kp.org/medicare](http://kp.org/medicare).

- Most of the prescription drugs you get from a pharmacy are covered by our plan. Other drugs, such as some over-the-counter (OTC) medications and certain vitamins, may be covered by Medi-Cal Rx. Please visit the Medi-Cal Rx website ([medi-calrx.dhcs.ca.gov/](http://medi-calrx.dhcs.ca.gov/)) for more information. You can also call the Medi-Cal Rx Customer Service Center at 1-800-977-2273. Please bring your Medi-Cal Beneficiary Identification Card (BIC) when getting prescriptions through Medi-Cal Rx.
- Chapter 5 of this *Member Handbook*.
  - It tells how to get your outpatient prescription drugs through our plan.
  - It includes rules you need to follow. It also tells which types of prescription drugs our plan does not cover.
  - When you use the plan’s “Real Time Benefit Tool” to look up drug coverage (refer to **Chapter 5, Section B2**), the cost shown is provided in “real time” meaning the cost displayed in the tool reflects a moment in time to provide an estimate of the out-of-pocket costs you are expected to pay. You can call Member Services for more information.
- Our *Provider and Pharmacy Directory*.
  - In most cases, you must use a network pharmacy to get your covered drugs. Network pharmacies are pharmacies that agree to work with us.
  - The *Provider and Pharmacy Directory* lists our network pharmacies. Refer to **Chapter 5** of this *Member Handbook* more information about network pharmacies.

## A. The Explanation of Benefits (EOB)

Our plan keeps track of your prescription drugs. We keep track of two types of costs:

- Your **out-of-pocket costs**. This is the amount of money you, or others on your behalf, pay for your prescriptions. This includes what you paid when you get a covered Part D drug, any payments for your drugs made by family or friends, any payments made for your drugs by “Extra Help” from Medicare, employer or union health plans, TRICARE, Indian Health Service, AIDS drug assistance programs, charities, and most State Pharmaceutical Assistance Programs (SPAPs).
- Your **total drug costs**. This is the total of all payments made for your covered Part D drugs. It includes what the plan paid, and what other programs or organizations paid for your covered Part D drugs.

When you get prescription drugs through our plan, we send you a summary called the **Explanation of Benefits**. If you have had one or more prescriptions filled through the plan during the previous month, we will send you an **Explanation of Benefits**. We call it the EOB for short. The EOB is not a bill. The EOB has more information about the drugs you take. The EOB includes:

- **Information for the month**. The summary tells what prescription drugs you got for the previous month. It shows the total drug costs, what we paid, and what you and others paying for you paid.
- **Year-to-date information**. This is your total drug costs and total payments made since January 1.
- **Drug price information**. This is the total price of the drug and any percentage change in the drug price since the first fill.
- **Lower cost alternatives**. When available, they appear in the summary below your current drugs. You can talk to your prescriber to find out more.

We offer coverage of drugs not covered under Medicare.

- Payments made for these drugs do not count towards your total out-of-pocket costs.
- Most of the prescription drugs you get from a pharmacy are covered by the plan. Other drugs, such as some over-the-counter (OTC) medications and certain vitamins, may be covered by Medi-Cal Rx. Please visit Medi-Cal Rx website ([medi-calrx.dhcs.ca.gov/](http://medi-calrx.dhcs.ca.gov/)) for more information. You can also call the Medi-Cal customer service center at 1-800-977-2273. Please bring your Medi-Cal beneficiary identification card (BIC) when getting prescriptions through Medi-Cal Rx.
- To find out which drugs our plan covers, refer to our *Drug List*.

**If you have questions**, please call Member Services at 1-800-443-0815 (TTY 711), 8 a.m. to 8 p.m., 7 days a week. The call is free. **For more information**, visit [kp.org/medicare](http://kp.org/medicare).

## B. How to keep track of your drug costs

To keep track of your drug costs and the payments you make, we use records we get from you and from your pharmacy. Here is how you can help us:

### 1. Use your Member ID Card.

Show your Member ID Card every time you get a prescription filled. This helps us know what prescriptions you fill and what you pay.

### 2. Make sure we have the information we need.

Give us copies of receipts for covered drugs that you paid for. You can ask us to pay you back for our share of the cost of the drug.

Here are some examples of when you should give us copies of your receipts:

- When you buy a covered drug at a network pharmacy at a special price or using a discount card that is not part of our plan's benefit
- When you pay a copay for drugs that you get under a drug maker's patient assistance program
- When you buy covered drugs at an out-of-network pharmacy
- When you pay the full price for a covered drug

For more information about asking us to pay you back for our share of the cost of a drug, refer to **Chapter 7** of this *Member Handbook*.

### 3. Send us information about payments others have made for you.

Payments made by certain other people and organizations also count toward your out-of-pocket costs. For example, payments made by an AIDS drug assistance program (ADAP), the Indian Health Service, and most charities count toward your out-of-pocket costs. This can help you qualify for catastrophic coverage. When you reach the Catastrophic Coverage Stage, our plan pays all of the costs of your Medicare Part D drugs for the rest of the year.

### 4. Check the EOBs we send you.

When you get an EOB in the mail, make sure it is complete and correct.

- **Do you recognize the name of each pharmacy?** Check the dates. Did you get drugs that day?
- **Did you get the drugs listed?** Do they match those listed on your receipts? Do the drugs match what your doctor prescribed?

**If you have questions**, please call Member Services at 1-800-443-0815 (TTY 711), 8 a.m. to 8 p.m., 7 days a week. The call is free. **For more information**, visit [kp.org/medicare](http://kp.org/medicare).

For more information, you can call Member Services.

### **What if you find mistakes on this summary?**

If something is confusing or doesn't seem right on this EOB, please call Member Services.

### **What about possible fraud?**

If this summary shows drugs you're not taking or anything else that seems suspicious to you, please contact us.

- Call us Member Services.
- Or call Medicare at 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048. You can call these numbers for free, 24 hours a day, 7 days a week.
- If you suspect that a provider who gets Medi-Cal has committed fraud, waste or abuse, it is your right to report it by calling the confidential toll-free number 1- 800-822-6222. Other methods of reporting Medi-Cal fraud may be found at:  
<https://www.dhcs.ca.gov/individuals/Pages/StopMedi-CalFraud.aspx>.

If you think something is wrong or missing, or if you have any questions, call Member Services. You can also choose to view your **EOB** online instead of by mail. Please visit [kp.org/goinggreen](http://kp.org/goinggreen) and sign on to learn more about choosing to view your **EOB** securely online. Keep these EOBs. They are an important record of your drug expenses.

## C. Drug Payment Stages for Medicare Part D drugs

There are two payment stages for your Medicare Part D prescription drug coverage under our plan. How much you pay depends on which stage you are in when you get a prescription filled or refilled. These are the two stages:

Stage 1: Initial Coverage Stage	Stage 2: Catastrophic Coverage Stage
<p>During this stage, we pay part of the costs of your drugs, and you pay your share. Your share is called the copay.</p> <p>You begin in this stage when you fill your first prescription of the year.</p>	<p>During this stage, we pay all of the costs of your drugs through December 31, 2025.</p> <p>You begin this stage when you have paid a certain amount of out-of-pocket costs.</p>

### D. Stage 1: The Initial Coverage Stage

During the Initial Coverage Stage, we pay a share of the cost of your covered prescription drugs, and you pay your share. Your share is called the copay. The copay depends on the cost-sharing tier the drug is in and where you get it.

Cost-sharing tiers are groups of drugs with the same copay. Every drug on our plan's *Drug List* is in one of two cost-sharing tiers. In general, the higher the tier number, the higher the copay. To find the cost-sharing tiers for your drugs, refer to our *Drug List*.

- Tier 1 and 2 drugs have the lowest copay. They may be generic drugs. The copay is from **\$0** to **\$4.90**, depending on your income.
- Tier 3, 4, and 5 drugs have the highest copay. They are brand name or specialty drugs. The copay is from **\$0** to **\$12.15**, depending on your income.

## D1. Your pharmacy choices

How much you pay for a drug depends on if you get the drug from:

- A network pharmacy **or**
- An out-of-network pharmacy.

In limited cases, we cover prescriptions filled at out-of-network pharmacies. Refer to **Chapter 5** of this *Member Handbook* to find out when we do that.

**If you have questions**, please call Member Services at 1-800-443-0815 (TTY 711), 8 a.m. to 8 p.m., 7 days a week. The call is free. **For more information**, visit [kp.org/medicare](http://kp.org/medicare).

To learn more about these choices, refer to **Chapter 5** of this *Member Handbook* and to our *Provider and Pharmacy Directory*.

## D2. Getting a long-term supply of a drug

For some drugs, you can get a long-term supply (also called an “extended supply”) when you fill your prescription. A long-term supply is up to a 100-day supply. It costs you the same as a one-month supply.

For details on where and how to get a long-term supply of a drug, refer to **Chapter 5** of this *Member Handbook* or our plan’s *Provider and Pharmacy Directory*.

## D3. What you pay

During the Initial Coverage Stage, you may pay a copay each time you fill a prescription. If your covered drug costs less than the copay, you pay the lower price.

Contact Member Services to find out how much your copay is for any covered drug.

**Your share of the cost when you get a one-month or long-term supply of a covered prescription drug from:**

	<b>A network pharmacy or our plan’s mail-order service</b> Up to a 100-day supply	<b>A network long-term care pharmacy</b> Up to a 31-day supply	<b>An out-of-network pharmacy</b> Up to a 30-day supply. Coverage is limited to certain cases. Refer to <b>Chapter 5</b> of this <i>Member Handbook</i> for details
<b>Cost-sharing Tier 1</b> (generic drugs)	<b>\$0-\$4.90 per prescription</b> , depending on your level of Extra Help		
<b>Cost-sharing Tier 2</b> (brand name and specialty drugs)	<b>\$0-\$12.15 per prescription</b> , depending on your level of Extra Help		

**If you have questions**, please call Member Services at 1-800-443-0815 (TTY 711), 8 a.m. to 8 p.m., 7 days a week. The call is free. **For more information**, visit [kp.org/medicare](http://kp.org/medicare).

For information about which pharmacies can give you long-term supplies, refer to our *Provider and Pharmacy Directory*.

## D4. End of the Initial Coverage Stage

The Initial Coverage Stage ends when your total out-of-pocket costs reach \$2,000. At that point, the Catastrophic Coverage Stage begins. We cover all your drug costs from then until the end of the year. Your EOB helps you keep track of how much you have paid for your drugs during the year. We let you know if you reach the \$2,000 limit. Many people do not reach it in a year.

---

## E. Stage 2: The Catastrophic Coverage Stage

When you reach the out-of-pocket limit of **\$2,000** for your prescription drugs, the Catastrophic Coverage Stage begins. You stay in the Catastrophic Coverage Stage until the end of the calendar year. During this stage, you pay nothing for your Part D covered drugs.

---

## F. Your drug costs if your doctor prescribes less than a full month's supply

Usually, you pay a copay to cover a full month's supply of a covered drug. However, your doctor can prescribe less than a month's supply of drugs.

- There may be times when you want to ask your doctor about prescribing less than a month's supply of a drug (for example, when you are trying a drug for the first time that is known to have serious side effects).
- If your doctor agrees, you do not pay for the full month's supply for certain drugs.

When you get less than a month's supply of a drug, the amount you pay is based on the number of days of the drug that you get. We calculate the amount you pay per day for your drug (the "daily cost-sharing rate") and multiply it by the number of days of the drug you get.

- Here's an example: Let's say the copay for your drug for a full month's supply (a 30-day supply) is \$1.35. This means that the amount you pay for your drug is less than \$0.05 per day. If you get a 7 days' supply of the drug, your payment is less than \$.05 per day multiplied by 7 days, for a total payment less than \$0.35.
- Daily cost-sharing allows you to make sure a drug works for you before you pay for an entire month's supply.
- You can also ask your provider to prescribe less than a full month's supply of a drug to help you:
  - Better plan when to refill your drugs,
  - Coordinate refills with other drugs you take, **and**

## G. Prescription cost-sharing assistance for persons with HIV/AIDS

### G1. The AIDS Drug Assistance Program (ADAP)

The ADAP helps eligible individuals living with HIV/AIDS access life-saving HIV medications. Outpatient Medicare Part D prescription drugs that are also covered by ADAP qualify for prescription cost-sharing assistance through the California Department of Public Health, Office of AIDS for individuals enrolled in ADAP.

### G2. If you are not enrolled in ADAP

For information on eligibility criteria, covered drugs, or how to enroll in the program, call 1-844-421-7050 or check the ADAP website at [www.cdph.ca.gov/Programs/CID/DOA/Pages/OA\\_adap\\_eligibility.aspx](http://www.cdph.ca.gov/Programs/CID/DOA/Pages/OA_adap_eligibility.aspx).

### G3. If you are enrolled in ADAP

ADAP can continue to provide ADAP clients with Medicare Part D prescription cost-sharing assistance for drugs on the ADAP formulary. To be sure you continue getting this assistance, notify your local ADAP enrollment worker of any changes in your Medicare Part D plan name or policy number. If you need help finding the nearest ADAP enrollment site and/or enrollment worker, call 1-844-421-7050 or check the website listed above.

## H. Vaccinations

**Important Message About What You Pay for Vaccines:** Some vaccines are considered medical benefits and are covered under Medicare Part B. Other vaccines are considered Medicare Part D drugs. You can find these vaccines listed in the plan's **List of Covered Drugs (Formulary)**. Our plan covers most adult Medicare Part D vaccines at no cost to you. Refer to our plan's **List of Covered Drugs (Formulary)** or contact Member Services for coverage and cost sharing details about specific vaccines.

There are two parts to our coverage of Medicare Part D vaccinations:

1. The first part of coverage is for the cost of **the vaccine itself**. The vaccine is a prescription drug.
2. The second part of coverage is for the cost of **giving you the vaccine**. For example, sometimes you may get the vaccine as a shot given to you by your doctor.

### H1. What you need to know before you get a vaccination

We recommend that you call Member Services if you plan to get a vaccination.

- We can tell you about how our plan covers your vaccination.

**If you have questions**, please call Member Services at 1-800-443-0815 (TTY 711), 8 a.m. to 8 p.m., 7 days a week. The call is free. **For more information**, visit [kp.org/medicare](http://kp.org/medicare).

- We can tell you how to keep your costs down by using network pharmacies and providers.
- If you are not able to use a network provider and pharmacy, we can tell you what you need to do to ask us to pay you back for our share of the cost.

## H2. What you pay for a vaccination covered by Medicare Part D

What you pay for a vaccination depends on the type of vaccine (what you are being vaccinated for).

- Some vaccines are considered health benefits rather than drugs. These vaccines are covered at no cost to you. To learn about coverage of these vaccines, refer to the Benefits Chart in **Chapter 4** of this *Member Handbook*.
- Other vaccines are considered Medicare Part D drugs. You can find these vaccines on our plan's *Drug List*. You may have to pay a copay for Medicare Part D vaccines. If the vaccine is recommended for adults by an organization called the **Advisory Committee or Immunization Practices (ACIP)** then the vaccine will cost you nothing.

Here are three common ways you might get a Medicare Part D vaccination.

1. You get the Medicare Part D vaccine and your shot at a network pharmacy.
  - For most adult Part D vaccines, you will pay nothing.
  - For other Part D vaccines, you pay a copay for the vaccine.
2. You get the Medicare Part D vaccine at your doctor's office, and your doctor gives you the shot.
  - You pay a copay to the doctor for the vaccine.
  - Our plan pays for the cost of giving you the shot.
  - The doctor's office should call our plan in this situation so we can make sure they know you only have to pay a copay for the vaccine.
3. You get the Medicare Part D vaccine medication at a pharmacy, and you take it to your doctor's office to get the shot.
  - For most adult Part D vaccines, you will pay nothing for the vaccine itself.
  - For other Part D vaccines, you pay a copay for the vaccine.
  - Our plan pays for the cost of giving you the shot.

## Chapter 7: Asking us to pay our share of a bill you received for covered services or drugs

---

### Introduction

This chapter tells you how and when to send us a bill to ask for payment. It also tells you how to make an appeal if you do not agree with a coverage decision. Key terms and their definitions appear in alphabetical order in the last chapter of this *Member Handbook*.

### Chapter 7 Table of Contents

A. Asking us to pay for your services or drugs.....	177
B. Sending us a request for payment.....	180
C. Coverage decisions .....	182
D. Appeals.....	182

---

## A. Asking us to pay for your services or drugs

**If you get a bill for the full cost of health care or drugs, do not pay the bill and send the bill to us.** To send us a bill, refer to **Section B**.

- If we cover the services or drugs, we will pay the provider directly.
- If we cover the services or drugs and you already paid more than your share of the cost, it is your right to be paid back.
  - If you paid for services covered by Medicare, we will pay you back.
- If you paid for Medi-Cal services you already received, you may qualify to be reimbursed (paid back) if you meet all of the following conditions:
  - The service you received is a Medi-Cal covered service that we are responsible for paying. We will not reimburse you for a service that is not covered by our plan.
  - You received the covered service after you became an eligible Kaiser Permanente Dual Complete member.
  - You ask to be paid back within one year from the date you received the covered service.
  - You provide proof that you paid for the covered service, such as a detailed receipt from the provider.
  - You received the covered service from a Medi-Cal enrolled provider in our network. You do not need to meet this condition if you received emergency care, family planning services, or another service that Medi-Cal allows out-of-network providers to perform without pre-approval (prior authorization).
- If the covered service normally requires pre-approval (prior authorization), you need to provide proof from the provider that shows a medical need for the covered service.
- We will tell you if they will reimburse you in a letter called a Notice of Action. If you meet all of the above conditions, the Medi-Cal-enrolled provider should pay you back for the full amount you paid. If the provider refuses to pay you back, our plan will pay you back for the full amount you paid. We will reimburse you within 45 working days of receipt of the claim. If the provider is enrolled in Medi-Cal, but is not in our network and refuses to pay you back, our plan will pay you back, but only up to the amount that FFS Medi-Cal would pay. We will pay you back for the full out-of-pocket amount for emergency services, family planning services, or another service that Medi-Cal allows to be provided by out-of-network providers without pre-approval. If you do not meet one of the above conditions, we will not pay you back.
- We will not pay you back if:
  - You asked for and received services that are not covered by Medi-Cal, such as cosmetic services.
  - The service is not a covered service under Kaiser Permanente Dual Complete.

**If you have questions**, please call Member Services at 1-800-443-0815 (TTY 711), 8 a.m. to 8 p.m., 7 days a week. The call is free. **For more information**, visit [kp.org/medicare](http://kp.org/medicare).

- You went to a doctor who does not take Medi-Cal and you signed a form that said you want to be seen anyway and you will pay for the services yourself.
- If we do not cover the services or drugs, we will tell you.

Contact Member Services if you have any questions. If you do not know what you should have paid, or if you get a bill and you don't know what to do about it, we can help. You can also call if you want to tell us information about a request for payment you already sent to us.

Here are examples of times when you may need to ask us to pay you back or to pay a bill you got:

### 1. When you get emergency or urgently needed health care from an out-of-network provider

Ask the provider to bill us.

- If you pay the full amount when you get the care, ask us to pay you back for our share of the cost. Send us the bill and proof of any payment you made.
- You may get a bill from the provider asking for payment that you think you don't owe. Send us the bill and proof of any payment you made.
  - If the provider should be paid, we will pay the provider directly.
  - If you already paid more than your share of the cost for the Medicare service, we will figure out how much you owed and pay you back for our share of the cost.

### 2. When a network provider sends you a bill

Network providers must always bill us. It's important to show your Member ID Card when you receive any services or prescriptions; However sometimes network providers make mistakes, and ask you to pay for your services or more than your share of the costs. **Call Member Services** at the number at the bottom of this page **if you get any bills.**

- As a plan member, you only pay the copay when you get services we cover. We don't allow providers to bill you more than this amount. This is true even if we pay the provider less than the provider charged for a service. Even if we decide not to pay for some charges, you still do not pay them.
- Whenever you get a bill from a network provider that you think is more than you should pay, send us the bill. We will contact the provider directly and take care of the problem.
- If you already paid a bill from a network provider for Medicare-covered services, but you feel that you paid too much, send us the bill and proof of any payment you made. We will pay you back for the difference between the amount you paid and the amount you owed under our plan.

### 3. If you are retroactively enrolled in our plan

Sometimes your enrollment in the plan can be retroactive. (This means that the first day of your enrollment has passed. It may have even been last year.)

- If you were enrolled retroactively and you paid a bill after the enrollment date, you can ask us to pay you back.
- Send us the bill and proof of any payment you made.

### 4. When you use an out-of-network pharmacy to get a prescription filled

If you use an out-of-network pharmacy, you pay the full cost of your prescription.

- In only a few cases, we will cover prescriptions filled at out-of-network pharmacies. Send us a copy of your receipt when you ask us to pay you back for our share of the cost.
- Refer to Chapter 5 of this *Member Handbook* to learn more about out-of-network pharmacies.
- We may not pay you back the difference between what you paid for the drug at the out-of-network pharmacy and the amount that we would pay at an in-network pharmacy.

### 5. When you pay the full Medicare Part D prescription cost because you don't have your plan ID card with you

If you don't have your Member ID Card with you, you can ask the pharmacy to call us or look up your plan enrollment information.

- If the pharmacy can't get the information right away, you may have to pay the full prescription cost yourself or return to the pharmacy with your Member ID Card.
- Send us a copy of your receipt when you ask us to pay you back for our share of the cost.
- We may not pay you back the full cost you paid if the cash price you paid is higher than our negotiated price for the prescription.

### 6. When you pay the full Medicare Part D prescription cost for a drug that's not covered

You may pay the full prescription cost because the drug isn't covered.

The drug may not be on our **List of Covered Drugs** (*Drug List*) on our website, or it may have a requirement or restriction that you don't know about or don't think applies to you. If you decide to get the drug, you may need to pay the full cost.

- If you don't pay for the drug but think we should cover it, you can ask for a coverage decision (refer to **Chapter 9** of this *Member Handbook*).

- If you and your doctor or other prescriber think you need the drug right away (within 24 hours), you can ask for a fast coverage decision (refer to **Chapter 9** of this *Member Handbook*).

Send us a copy of your receipt when you ask us to pay you back. In some cases, we may need to get more information from your doctor or other prescriber to pay you back for our share of the cost of the drug. We may not pay you back the full cost you paid if the price you paid is higher than our negotiated price for the prescription.

When you send us a request for payment, we review it and decide whether the service or drug should be covered. This is called making a “coverage decision.” If we decide the service or drug should be covered, we pay for our share of the cost of it.

If we deny your request for payment, you can appeal our decision. To learn how to make an appeal, refer to **Chapter 9** of this *Member Handbook*.

---

## B. Sending us a request for payment

You may request us to pay you back by sending us a request in writing. If you send a request in writing, send your bill and documentation of any payment you have made for Medicare services. It's a good idea to make a copy of your bill and receipts for your records. **You must submit your claim to us within 12 months (for Part C medical claims) and within 36 months (for Part D drug claims) of the date you received the service.**

To make sure you are giving us all the information we need to make a decision, you can fill out our claim form to make your request for payment. You don't have to use the form, but it will help us process the information faster. You can file a claim to request payment by:

- Completing and submitting our electronic form at [kp.org](http://kp.org) and upload supporting documentation.
- Either download a copy of the form from our website ([kp.org](http://kp.org)) or call Member Services at the phone number on the bottom of this page and ask them to send you the form. Mail the completed form to our Claims Department address listed below.
- If you are unable to get the form, you can file your request for payment by sending us the following information to our Claims Department address listed below:
  - A statement with the following information:
  - Your name (member/patient name) and medical/health record number.
  - The date you received the services.
  - Where you received the services.
  - Who provided the services.

**If you have questions**, please call Member Services at 1-800-443-0815 (TTY 711), 8 a.m. to 8 p.m., 7 days a week. The call is free. **For more information**, visit [kp.org/medicare](http://kp.org/medicare).

- Why you think we should pay for the services.
- Your signature and date signed. (If you want someone other than yourself to make the request, we will also need a completed "Appointment of representative" form, which is available at [kp.org](http://kp.org).)
- A copy of the bill, your medical record(s) for these services, and your receipt if you paid for the services.

Mail your request for payment together with any bills or receipts to this address:

**South P1 plan:**

Kaiser Permanente  
Claims Department  
P.O. Box 7004  
Downey, CA 90242-7004

**North P2 plan:**

Kaiser Permanente  
Claims Department  
P.O. Box 12923  
Oakland, CA 94604-2923

To request payment of a Part D drug that was prescribed by a network provider and obtained from a network pharmacy, write to the address below. For all other Part D requests, send your request to the address above.

Kaiser Permanente  
Medicare Part D Unit  
P.O. Box 1809  
Pleasanton, CA 94566

Contact Member Services if you have any questions. If you don't know what you should have paid, or you receive bills and you don't know what to do about those bills, we can help. You can also call if you want to give us more information about a request for payment you have already sent to us.

---

## C. Coverage decisions

**When we get your request for payment, we make a coverage decision. This means that we decide if our plan covers your service, item, or drug.** We also decide the amount of money, if any, you must pay.

- We will let you know if we need more information from you.
- If we decide that our plan covers the service, item, or drug and you followed all the rules for getting it, we will pay our share of the cost for it. If you already paid for the service or drug, we will mail you a check for our share of the cost. If you haven't paid, we will pay the provider directly. If you paid the full cost of a drug, you might not be reimbursed the full amount you paid (for example, if you obtained a drug at an out-of-network pharmacy or if the cash price you paid is higher than our negotiated price). If you haven't paid, we will pay the provider directly.

**Chapter 3** of this *Member Handbook* explains the rules for getting your services covered.

**Chapter 5** of this *Member Handbook* explains the rules for getting your Medicare Part D prescription drugs covered.

- If we decide not to pay for our share of the cost of the service or drug, we will send you a letter with the reasons. The letter also explains your rights to make an appeal.
- To learn more about coverage decisions, refer to **Chapter 9**.

---

## D. Appeals

If you think we made a mistake in turning down your request for payment, you can ask us to change our decision. This is called “making an appeal.” You can also make an appeal if you don't agree with the amount we pay.

The formal appeals process has detailed procedures and deadlines. To learn more about appeals, refer to **Chapter 9** of this *Member Handbook*:

- To make an appeal about getting paid back for a health care service, refer to **Section F**.
- To make an appeal about getting paid back for a drug, refer to **Section G**.

**If you have questions**, please call Member Services at 1-800-443-0815 (TTY 711), 8 a.m. to 8 p.m., 7 days a week. The call is free. **For more information**, visit [kp.org/medicare](http://kp.org/medicare).

Kaiser Permanente will not disclose medical information related to sensitive services to anyone else without written authorization from the member receiving care. Kaiser Permanente will accommodate requests for confidential communication in the form and format requested, if it is readily producible in the requested form and format, or at alternative locations. - Members may request confidential communication by completing a confidential communication request form, which is available on [kp.org](http://kp.org) under "Request for confidential communications forms."

### **C1. How we protect your PHI**

We make sure that no unauthorized people look at or change your records.

Except for the cases noted below, we don't give your PHI to anyone not providing your care or paying for your care. If we do, we must get written permission from you first. You, or someone legally authorized to make decisions for you, can give written permission.

Sometimes we don't need to get your written permission first. These exceptions are allowed or required by law:

- We must release PHI to government agencies checking on our plan's quality of care.
- We may release PHI if ordered by a court, but only if it is allowed by California law.

**If you have questions**, please call Member Services at 1-800-443-0815 (TTY 711), 8 a.m. to 8 p.m., 7 days a week. The call is free. **For more information**, visit [kp.org/medicare](http://kp.org/medicare).

- We must give Medicare your PHI. If Medicare releases your PHI for research or other uses, they do it according to federal laws.

  - limits to your coverage and drugs.
  - rules you must follow to get covered services and drugs.
- Why something is not covered and what you can do about it (refer to **Chapter 9** of this *Member Handbook*), including asking us to:
  - put in writing why something is not covered.
  - change a decision we made.
  - pay for a bill you got.

---

## E. Inability of network providers to bill you directly

Doctors, hospitals, and other providers in our network cannot make you pay for covered services. They also cannot balance bill or charge you if we pay less than the amount the provider charged. To learn what to do if a network provider tries to charge you for covered services, refer to **Chapter 7** of this *Member Handbook*.

---

## F. Your right to leave our plan

No one can make you stay in our plan if you do not want to.

- You have the right to get most of your health care services through Original Medicare or another Medicare Advantage (MA) plan.
- You can get your Medicare Part D prescription drug benefits from a prescription drug plan or from another MA plan.
- Refer to **Chapter 10** of this *Member Handbook*.
  - For more information about when you can join a new MA or prescription drug benefit plan.
  - For information about how you will get your Medi-Cal benefits if you leave our plan.

**If you have questions**, please call Member Services at 1-800-443-0815 (TTY 711), 8 a.m. to 8 p.m., 7 days a week. The call is free. **For more information**, visit [kp.org/medicare](http://kp.org/medicare).

## G. Your right to make decisions about your health care

You have the right to full information from your doctors and other health care providers to help you make decisions about your health care.

### G1. Your right to know your treatment choices and make decisions

Your providers must explain your condition and your treatment choices in a way that you can understand. You have the right to:

- **Know your choices.** You have the right to be told about all treatment options.
- **Know the risks.** You have the right to be told about any risks involved. We must tell you in advance if any service or treatment is part of a research experiment. You have the right to refuse experimental treatments.
- **Get a second opinion.** You have the right to use another doctor before deciding on treatment.
- **Say no.** You have the right to refuse any treatment. This includes the right to leave a hospital or other medical facility, even if your doctor advises you not to. You have the right to stop taking a prescribed drug. If you refuse treatment or stop taking a prescribed drug, we will not drop you from our plan. However, if you refuse treatment or stop taking a drug, you accept full responsibility for what happens to you.
- **Ask us to explain why a provider denied care.** You have the right to get an explanation from us if a provider denied care that you think you should get.
- Ask us to cover a service or drug that we denied or usually don't cover. This is called a coverage decision. **Chapter 9** of this *Member Handbook* tells how to ask us for a coverage decision.

### G2. Your right to say what you want to happen if you are unable to make health care decisions for yourself

Sometimes people are unable to make health care decisions for themselves. Before that happens to you, you can:

- Fill out a written form **giving someone the right to make health care decisions for you.**
- **Give your doctors written instructions** about how to handle your health care if you become unable to make decisions for yourself, including care you do not want.

**If you have questions,** please call Member Services at 1-800-443-0815 (TTY 711), 8 a.m. to 8 p.m., 7 days a week. The call is free. **For more information,** visit [kp.org/medicare](http://kp.org/medicare).

The legal document that you use to give your directions is called an “advance directive.” There are different types of advance directives and different names for them. Examples are a living will and a power of attorney for health care.

You are not required to have an advance directive, but you can. Here's what to do if you want to use an advance directive:

- **Get the form.** You can get the form from your doctor, a lawyer, a legal services agency, or a social worker. Pharmacies and provider offices often have the forms. You can find a free form online and download it. You can also contact Member Services to ask for the form.
- **Fill out the form and sign it.** The form is a legal document. You should consider having a lawyer or someone else you trust, such as a family member or your PCP, help you complete it.
- **Give copies to people who need to know.** You should give a copy of the form to your doctor. You should also give a copy to the person you name to make decisions for you. You may want to give copies to close friends or family members. Keep a copy at home.
- If you are being hospitalized and you have a signed advance directive, **take a copy of it to the hospital.**
- The hospital will ask if you have a signed advance directive form and if you have it with you.
- If you don't have a signed advance directive form, the hospital has forms available and will ask if you want to sign one.

You have the right to:

- Have your advance directive placed in your medical records.
- Change or cancel your advance directive at any time.
- Learn about changes to advance directive laws. Our plan will tell you about changes to the state law no later than 90 days after the change.

Call Member Services for more information.

### **G3. What to do if your instructions are not followed**

If you signed an advance directive and you think a doctor or hospital didn't follow the instructions in it, you can make a complaint with the Quality Improvement Organization listed in **Chapter 2, Section F** of this *Member Handbook*.

---

## **H. Your right to make complaints and ask us to reconsider our decisions**

**Chapter 9** of this *Member Handbook* tells you what you can do if you have any problems or concerns about your covered services or care. For example, you can ask us to make a coverage decision, make an appeal to change a coverage decision, or make a complaint.

You have the right to get information about appeals and complaints that other plan members have filed against us. Call Member Services to get this information.

### **H1. What to do about unfair treatment or to get more information about your rights**

If you think we treated you unfairly – and it is not about discrimination for reasons listed in **Chapter 11** of this *Member Handbook* – or you want more information about your rights, you can call:

- Member Services at 1-800-443-0815, 7 days a week, 8 a.m. to 8 p.m. TTY users should call 711.
- The Health Insurance Counseling and Advocacy Program (HICAP) at 1-800-434-0222. For more details about HICAP, refer to **Chapter 2, Section E** of this *Member Handbook*.
- The Medicare and Medi-Cal Ombuds Program at 1-855-501-3077. For more details about this program, refer to **Chapter 2** of this *Member Handbook*.
- The DHCS Ombudsman Program at 1-888-452-8609, Monday through Friday, 8 a.m. to 5 p.m. For more details about this program, refer to **Chapter 2** of this *Member Handbook*.
- Medicare at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048. (You can also read or download “Medicare Rights & Protections,” found on the Medicare website at [www.medicare.gov/Pubs/pdf/11534-Medicare-Rights-and-Protections.pdf](http://www.medicare.gov/Pubs/pdf/11534-Medicare-Rights-and-Protections.pdf).)

## **I. Information about new technology assessments**

Rapidly changing technology affects health care and medicine as much as any other industry. To determine whether a new drug or other medical development has long-term benefits, our plan carefully monitors and evaluates new technologies for inclusion as covered benefits. These technologies include medical procedures, medical devices, and new drugs.

**If you have questions**, please call Member Services at 1-800-443-0815 (TTY 711), 8 a.m. to 8 p.m., 7 days a week. The call is free. **For more information**, visit [kp.org/medicare](http://kp.org/medicare).

## J. You can make suggestions about rights and responsibilities

As a member of our plan, you have the right to make recommendations about the rights and responsibilities included in this chapter. Please call Member Services with any suggestions.

---

## K. Your responsibilities as a plan member

As a plan member, you have a responsibility to do the things that are listed below. If you have any questions, call Member Services.

- **Read the *Member Handbook*** to learn what our plan covers and the rules to follow to get covered services and drugs. For details about your:
  - Covered services, refer to **Chapters 3 and 4** of this *Member Handbook*. Those chapters tell you what is covered, what is not covered, what rules you need to follow, and what you pay.
  - Covered drugs, refer to **Chapters 5 and 6** of this *Member Handbook*.
- **Tell us about any other health or prescription drug coverage** you have. We must make sure you use all of your coverage options when you get health care. Call Member Services if you have other coverage.
- **Tell your doctor and other health care providers** that you are a member of our plan. Show your Member ID Card when you get services or drugs.
- **Help your doctors** and other health care providers give you the best care.
  - Give them information they need about you and your health. Learn as much as you can about your health problems. Follow the treatment plans and instructions that you and your providers agree on.
  - Make sure your doctors and other providers know about all of the drugs you take. This includes prescription drugs, over-the-counter drugs, vitamins, and supplements.
  - Ask any questions you have. Your doctors and other providers must explain things in a way you can understand. If you ask a question and you don't understand the answer, ask again.
- **Work with your care coordinator** including completing an annual health risk assessment.
- **Be considerate.** We expect all plan members to respect the rights of others. We also expect you to act with respect in your doctor's office, hospitals, and with other provider offices.

**If you have questions**, please call Member Services at 1-800-443-0815 (TTY 711), 8 a.m. to 8 p.m., 7 days a week. The call is free. **For more information**, visit [kp.org/medicare](http://kp.org/medicare).

- **Pay what you owe.** As a plan member, you are responsible for these payments:
  - Medicare Part A and Medicare Part B premiums. For most Kaiser Permanente Dual Complete members, Medi-Cal pays for your Medicare Part A premium and your Medicare Part B premium.
  - For some of your long-term services and supports or drugs covered by our plan, you must pay your share of the cost when you get the service or drug. Chapter 4 tells what you must pay for your long-term services and supports. Chapter 6 tells what you must pay for your drugs.
  - **If you get any services or drugs that are not covered by our plan, you must pay the full cost.** (Note: If you disagree with our decision to not cover a service or drug, you can make an appeal. Please refer to **Chapter 9** to learn how to make an appeal.)
- **Tell us if you move.** If you plan to move, tell us right away. Call Member Services.
  - **If you move outside of our service area, you cannot stay in our plan.** Only people who live in our service area can be members of this plan. **Chapter 1** of this *Member Handbook* advises you about our service area.
  - We can help you find out if you're moving outside our service area. During a special enrollment period, you can switch to Original Medicare or enroll in a Medicare health or prescription drug plan in your new location. We can tell you if we have a plan in your new area.
  - Tell Medicare and Medi-Cal your new address when you move. Refer to **Chapter 2** of this *Member Handbook* for phone numbers for Medicare and Medi-Cal.
  - **If you move and stay in our service area, we still need to know.** We need to keep your membership record up to date and know how to contact you.
- **Tell us if you have a new phone number** or a better way to contact you.
- Call Member Services for help if you have questions or concerns.

## Chapter 9: What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

---

### Introduction

This chapter has information about your rights. Read this chapter to find out what to do if:

- You have a problem with or complaint about your plan.
- You need a service, item, or medication that your plan said it won't pay for.
- You disagree with a decision your plan made about your care.
- You think your covered services are ending too soon.
- You have a problem or complaint with your long-term services and supports, which include Community-Based Adult Services (CBAS) where available, and Nursing Facility (NF) services.

This chapter is in different sections to help you easily find what you are looking for. **If you have a problem or concern, read the parts of this chapter that apply to your situation.**

You should get the health care, drugs, and long-term services and supports that your doctor and other providers determine are necessary for your care as a part of your care plan. **If you have a problem with your care, you can call the Medicare Medi-Cal Ombuds Program at 1-855-501-3077 for help.** This chapter explains different options you have for different problems and complaints, but you can always call the Ombuds Program to help guide you through your problem. For additional resources to address your concerns and ways to contact them, refer to **Chapter 2** of this *Member Handbook*.

## A. What to do if you have a problem or concern

This chapter explains how to handle problems and concerns. The process you use depends on the type of problem you have. Use one process for **coverage decisions and appeals** and another for **making complaints**; also called grievances.

To ensure fairness and promptness, each process has a set of rules, procedures, and deadlines that we and you must follow.

### A1. About the legal terms

There are legal terms in this chapter for some rules and deadlines. Many of these terms can be hard to understand, so we use simpler words in place of certain legal terms when we can. We use abbreviations as little as possible.

For example, we say:

- “Making a complaint” instead of “filing a grievance.”
- “Coverage decision” instead of “organization determination,” “benefit determination,” “at-risk determination,” or “coverage determination.”
- “Fast coverage decision” instead of “expedited determination.”
- “Independent Review Organization” (IRO) instead of “Independent Review Entity” (IRE)

Knowing the proper legal terms may help you communicate more clearly, so we provide those too.

---

## B. Where to get help

### B1. For more information and help

Sometimes it's confusing to start or follow the process for dealing with a problem. This can be especially true if you don't feel well or have limited energy. Other times, you may not have the information you need to take the next step.

#### Help from the Health Insurance Counseling and Advocacy Program

You can call the Health Insurance Counseling and Advocacy Program (HICAP). HICAP counselors can answer your questions and help you understand what to do about your problem. HICAP is not connected with us or with any insurance company or health plan. HICAP has trained counselors in every county, and services are free. The HICAP phone number is 1-800-434-0222.

#### Help from the Medicare Medi-Cal Ombuds Program

You can call the Medicare Medi-Cal Ombuds Program and speak with an advocate about your health coverage questions. They offer free legal help. The Ombuds Program is not connected with us or with

**If you have questions**, please call Member Services at 1-800-443-0815 (TTY 711), 8 a.m. to 8 p.m., 7 days a week. The call is free. **For more information**, visit [kp.org/medicare](http://kp.org/medicare).

any insurance company or health plan. Their phone number is 1-855-501-3077, and their website is [www.healthconsumer.org](http://www.healthconsumer.org).

### Help and information from Medicare

For more information and help, you can contact Medicare. Here are two ways to get help from Medicare:

- Call 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users call 1-877-486-2048.
- Visit the Medicare website ([www.medicare.gov](http://www.medicare.gov)).

### Help and information from Medi-Cal

#### Help from the California Department of Health Care Services

The California Department of Health Care Services (DHCS) Medi-Cal Managed Care Ombudsman can help. They can help if you have problems joining, changing or leaving a health plan. They can also help if you moved and are having trouble getting your Medi-Cal transferred to your new county. You can call the Ombudsman Monday through Friday, between 8:00 a.m. and 5:00 p.m. at 1-888-452-8609.

#### Help from the California Department of Managed Health Care

Contact the California Department of Managed Health Care (DMHC) for free help. The DMHC is responsible for overseeing health plans. The DMHC helps people with appeals about Medi-Cal services or billing problems. The phone number is **1-888-466-2219**. Individuals who are deaf, hard of hearing, or speech-impaired can use the toll-free **TDD number, 1-877-688-9891**. You can also visit DMHC's website at [www.dmhc.ca.gov](http://www.dmhc.ca.gov). The California Department of Managed Health Care is responsible for regulating health care service plans. If you have a grievance against your health plan, you should first telephone your health plan at **1-800-443-0815 (TTY 711)** and use your health plan's grievance process before contacting the department. Utilizing this grievance procedure does not prohibit any potential legal rights or remedies that may be available to you. If you need help with a grievance involving an emergency, a grievance that has not been satisfactorily resolved by your health plan, or a grievance that has remained unresolved for more than 30 days, you may call the department for assistance. You may also be eligible for an Independent Medical Review ("IMR"). If you are eligible for IMR, the IMR process will provide an impartial review of medical decisions made by a health plan related to the medical necessity of a proposed service or treatment, coverage decisions for treatments that are experimental or investigational in nature and payment disputes for emergency or urgent medical services. The department also has a **free telephone number (1-888-466-2219)** and a **TDD line (1-877-688-9891)** for the hearing and speech impaired. The department's internet website [www.dmhc.ca.gov](http://www.dmhc.ca.gov) has complaint forms, IMR application forms and instructions online.

---

**If you have questions**, please call Member Services at 1-800-443-0815 (TTY 711), 8 a.m. to 8 p.m., 7 days a week. The call is free. **For more information**, visit [kp.org/medicare](http://kp.org/medicare).

---

## C. Understanding Medicare and Medi-Cal complaints and appeals in our plan

You have Medicare and Medi-Cal. Information in this chapter applies to **all** of your Medicare and Medi-Cal managed care benefits. This is sometimes called an “integrated process” because it combines, or integrates, Medicare and Medi-Cal processes.

Sometimes Medicare and Medi-Cal processes cannot be combined. In those situations, you use one process for a Medicare benefit and another process for a Medi-Cal benefit. **Section F4** explains these situations.

## D. Problems with your benefits

If you have a problem or concern, read the parts of this chapter that apply to your situation. The following chart helps you find the right section of this chapter for problems or complaints.

<b>Is your problem or concern about your benefits or coverage?</b>	
This includes problems about whether particular medical care (medical items, services and/or Part B prescription drugs) are covered or not, the way they are covered, and problems about payment for medical care.	
<b>Yes.</b> My problem is about benefits or coverage.  Refer to <b>Section E</b> , “Coverage decisions and appeals.”	<b>No.</b> My problem is not about benefits or coverage.  Refer to <b>Section K</b> , “How to make a complaint.”

---

## E. Coverage decisions and appeals

The process for asking for a coverage decision and making an appeal deals with problems related to your benefits and coverage for your medical care (services, items and Part B prescription drugs, including payment). To keep things simple, we generally refer to medical items, services, and Part B prescription drugs as **medical care**.

### E1. Coverage decisions

A coverage decision is a decision we make about your benefits and coverage or about the amount we pay for your medical services or drugs. For example, your plan network doctor makes a (favorable)

**If you have questions**, please call Member Services at 1-800-443-0815 (TTY 711), 8 a.m. to 8 p.m., 7 days a week. The call is free. **For more information**, visit [kp.org/medicare](http://kp.org/medicare).

coverage decision for you whenever you receive medical care from them (**refer to Chapter 4, Section G of this Member Handbook**).

You or your doctor can also contact us and ask for a coverage decision. You or your doctor may be unsure whether we cover a specific medical service or if we may refuse to provide medical care you think you need. **If you want to know if we will cover a medical service before you get it, you can ask us to make a coverage decision for you.**

We make a coverage decision whenever we decide what is covered for you and how much we pay. In some cases, we may decide a service or drug is not covered or is no longer covered for you by Medicare or Medi-Cal. If you disagree with this coverage decision, you can make an appeal.

## E2. Appeals

If we make a coverage decision and you are not satisfied with this decision, you can “appeal” the decision. An appeal is a formal way of asking us to review and change a coverage decision we have made.

When you appeal a decision for the first time, this is called a Level 1 Appeal. In this appeal, we review the coverage decision we made to check if we followed all rules properly. Different reviewers than those who made the original unfavorable decision handle your appeal.

In most cases, you must start your appeal at Level 1. If your health problem is urgent or involves an immediate and serious threat to your health, or if you are in severe pain and need an immediate decision, you may ask for an IMR from the Department of Managed Health Care at [www.dmhc.ca.gov](http://www.dmhc.ca.gov). Refer to the **Section F4** for more information.

When we complete the review, we give you our decision. Under certain circumstances, explained later in this chapter, you can ask for an expedited or “fast coverage decision” or fast appeal of a coverage decision.

If we say **No** to part or all of what you asked for, we will send you a letter. If your problem is about coverage of a Medicare medical care, the letter will tell you that we sent your case to the Independent Review Organization (IRO) for a Level 2 Appeal. If your problem is about coverage of a Medicare Part D or Medicaid service or item, the letter will tell you how to file a Level 2 Appeal yourself. Refer to **Section F4** for more information about Level 2 Appeals. If your problem is about coverage of a service or item covered by both Medicare and Medicaid, the letter will give you information regarding both types of Level 2 Appeals.

If you are not satisfied with the Level 2 Appeal decision, you may be able to go through additional levels of appeal.

### E3. Help with coverage decisions and appeals

You can ask for help from any of the following:

- **Member Services** at the numbers at the bottom of the page.
- **Medicare Medi-Cal Ombuds Program** at 1-855-501-3077.
- **Health Insurance Counseling and Advocacy Program (HICAP)** at 1-800-434-0222.
- **The Help Center at the Department of Managed Health Care (DMHC)** for free help. The DMHC is responsible for regulating health plans. The DMHC helps people with appeals about Medi-Cal services or billing problems. The phone number is 1-888-466-2219. Individuals who are deaf, hard of hearing, or speech-impaired can use the toll-free TDD number, 1-877-688-9891. You can also visit DMHC's website at [www.dmhc.ca.gov](http://www.dmhc.ca.gov).
- **Your doctor or other provider.** Your doctor or other provider can ask for a coverage decision or appeal on your behalf.
- **A friend or family member.** You can name another person to act for you as your “representative” and ask for a coverage decision or make an appeal.
- **A lawyer.** You have the right to a lawyer, but **you are not required to have a lawyer** to ask for a coverage decision or make an appeal.
  - Call your own lawyer, or get the name of a lawyer from the local bar association or other referral service. Some legal groups will give you free legal services if you qualify.
  - Ask for a legal aid attorney from the Medicare Medi-Cal Ombuds Program at 1-855-501-3077.
- Fill out the Appointment of Representative form if you want a lawyer or someone else to act as your representative. The form gives someone permission to act for you.
- Call Member Services at the numbers at the bottom of the page and ask for the “Appointment of Representative” form. You can also get the form by visiting [www.cms.gov/Medicare/CMS-Forms/CMS-Forms/downloads/cms1696.pdf](http://www.cms.gov/Medicare/CMS-Forms/CMS-Forms/downloads/cms1696.pdf). **You must give us a copy of the signed form.**

### E4. Which section of this chapter can help you

There are four situations that involve coverage decisions and appeals. Each situation has different rules and deadlines. We give details for each one in a separate section of this chapter. Refer to the section that applies:

- **Section F**, “Medical care”

**If you have questions**, please call Member Services at 1-800-443-0815 (TTY 711), 8 a.m. to 8 p.m., 7 days a week. The call is free. **For more information**, visit [kp.org/medicare](http://kp.org/medicare).

- **Section G**, “Medicare Part D prescription drugs”
- **Section H**, “Asking us to cover a longer hospital stay”
- **Section I**, “Asking us to continue covering certain medical services (This section only applies to these services: home health care, skilled nursing facility care, and Comprehensive Outpatient Rehabilitation Facility (CORF) services.)”

If you're not sure which section to use, call Member Services at the numbers at the bottom of the page. You can also get help or information from government organizations such as your Health Insurance Counseling and Advocacy Program (**Chapter 2, Section C**, of this *Member Handbook* has the phone numbers for this program).

## F. Medical care

This section explains what to do if you have problems getting coverage for medical care or if you want us to pay you back for our share of the cost of your care.

This section is about your benefits for medical care that is described in **Chapter 4** of your *Member Handbook*. In some cases, different rules may apply to a Medicare Part B prescription drug. When they do, we explain how rules for Medicare Part B prescription drugs differ from rules for medical services and items.

### F1. Using this section

This section explains what you can do in any of the following situations:

1. You think we cover medical care you need but are not getting.

**What you can do:** You can ask us to make a coverage decision. Refer to **Section F2**.

2. We didn't approve the medical care your doctor or other health care provider wants to give you, and you think we should.

**What you can do:** You can appeal our decision. Refer to **Section F3**.

3. You got medical care that you think we cover, but we will not pay.

**What you can do:** You can appeal our decision not to pay. Refer to **Section F5**.

4. You got and paid for medical care you thought we cover, and you want us to pay you back.

**What you can do:** You can ask us to pay you back. Refer to **Section F5**.

5. We reduced or stopped your coverage for certain medical care, and you think our decision could harm your health.

**What you can do:** You can appeal our decision to reduce or stop the medical care. Refer to **Section F4**.

- If the coverage is for hospital care, home health care, skilled nursing facility care, or CORF services, special rules apply. Refer to **Section H** or **Section I** to find out more.
- For all other situations involving reducing or stopping your coverage for certain medical care, use this section (**Section F**) as your guide.

**6.** You are experiencing delays in care or you cannot find a doctor.

- **What you can do:** You can file a complaint. Refer to **Section K2**.

## F2. Asking for a coverage decision

When a coverage decision involves your medical care, it's called an **“integrated organization determination.”**

You, your doctor, or your representative can ask us for a coverage decision by:

- Calling: 1-800-443-0815, 7 days a week, 8 a.m. to 8 p.m., TTY: 711. If your coverage decision, appeal, or complaint qualifies for a fast decision, call the Expedited Review Unit at 1-888-987-7247, 8:30 a.m. to 5 p.m., Monday through Sunday.
- Faxing: 1-888-987-2252.
- Writing:
  - For a standard coverage decision or complaint, write to your local Member Services office (see the *Provider and Pharmacy Directory* for locations).
  - For a standard appeal, write to the address shown on the denial notice we send you. If your coverage decision, appeal, or complaint qualifies for a fast decision, write to:

### Standard coverage decision

When we give you our decision, we use the “standard” deadlines unless we agree to use the “fast” deadlines. A standard coverage decision means we give you an answer about a:

- Medical service or item within 14 calendar days after we get your request. For Knox-Keene plans, within 5 business days, and no later than 14 calendar days after we get your request.

**If you have questions**, please call Member Services at 1-800-443-0815 (TTY 711), 8 a.m. to 8 p.m., 7 days a week. The call is free. **For more information**, visit [kp.org/medicare](http://kp.org/medicare).

- Medicare Part B prescription drug within 72 hours after we get your request.

### Fast coverage decision

**The legal term** for “fast coverage decision” is “**expedited determination.**”

When you ask us to make a coverage decision about your medical care and your health requires a quick response, ask us to make a “fast coverage decision.” A fast coverage decision means we will give you an answer about a:

- Medical service or item within 72 hours after we get your request, or sooner if your medical condition requires a quicker response.
- Medicare Part B prescription drug within 24 hours after we get your request.

To get a fast coverage decision, you must meet two requirements:

- You are asking for coverage for medical items and/or services you **did not get**. You can't ask for a fast coverage decision about payment for items or services you already got.
- Using the standard deadlines **could cause serious harm to your health** or hurt your ability to function.

**We automatically give you a fast coverage decision if your doctor tells us your health requires it.** If you ask without your doctor's support, we decide if you get a fast coverage decision.

If we decide that your health doesn't meet the requirements for a fast coverage decision, we send you a letter that says so and we use the standard deadlines instead. The letter tells you:

- We automatically give you a fast coverage decision if your doctor asks for it.
- How you can file a “fast complaint” about our decision to give you a standard coverage decision instead of a fast coverage decision. For more information about making a complaint, including a fast complaint, refer to **Section K**.

**If we say No to part or all of your request**, we send you a letter explaining the reasons.

- If we say **No**, you have the right to make an appeal. If you think we made a mistake, making an appeal is a formal way of asking us to review our decision and change it.
- If you decide to make an appeal, you will go on to Level 1 of the appeals process (refer to **Section F3**).

In limited circumstances we may dismiss your request for a coverage decision, which means we won't review the request. Examples of when a request will be dismissed include:

**If you have questions**, please call Member Services at 1-800-443-0815 (TTY 711), 8 a.m. to 8 p.m., 7 days a week. The call is free. **For more information**, visit [kp.org/medicare](http://kp.org/medicare).

- If the request is incomplete,
- If someone makes the request on your behalf but isn't legally authorized to do so, or
- If you ask for your request to be withdrawn.

If we dismiss a request for a coverage decision, we will send you a notice explaining why the request was dismissed and how to ask for a review of the dismissal. This review is called an appeal. Appeals are discussed in the next section.

### F3. Making a Level 1 Appeal

**To start an appeal**, you, your doctor, or your representative must contact us. Call Member Services.

**Ask for a standard appeal or a fast appeal** in writing or by calling Member Services.

- If your doctor or other prescriber asks to continue a service or item you are already getting during your appeal, you may need to name them as your representative to act on your behalf.
- If someone other than your doctor makes the appeal for you, include an Appointment of Representative form authorizing this person to represent you. You can get the form by visiting [www.cms.gov/Medicare/CMS-Forms/CMS-Forms/downloads/cms1696.pdf](http://www.cms.gov/Medicare/CMS-Forms/CMS-Forms/downloads/cms1696.pdf) or on our website at [kp.org](http://kp.org).
- We can accept an appeal request without the form, but we can't begin or complete our review until we get it. If we don't get the form before our deadline for making a decision on your appeal:
  - We dismiss your request, and
  - We send you a written notice explaining your right to ask the IRO to review our decision to dismiss your appeal.
- You must ask for an appeal **within 65 calendar days** from the date on the letter we sent to tell you our decision.
- If you miss the deadline and have a good reason for missing it, we may give you more time to make your appeal. Examples of good reasons are things like you had a serious illness or we gave you the wrong information about the deadline. Explain the reason why your appeal is late when you make your appeal.
- You have the right to ask us for a free copy of the information about your appeal. You and your doctor may also give us more information to support your appeal. This request must be in writing.

### **If your health requires it, ask for a fast appeal.**

The legal term for “fast appeal” is “**expedited reconsideration.**”

If you appeal a decision we made about coverage for care that you did not get, you and/or your doctor decide if you need a fast appeal.

**We automatically give you a fast appeal if your doctor tells us your health requires it.** If you ask without your doctor’s support, we decide if you get a fast appeal.

- If we decide that your health doesn’t meet the requirements for a fast appeal, we send you a letter that says so and we use the standard deadlines instead. The letter tells you:
  - We automatically give you a fast appeal if your doctor asks for it.
  - How you can file a “fast complaint” about our decision to give you a standard appeal instead of a fast appeal. For more information about making a complaint, including a fast complaint, refer to **Section K**.

### **If we tell you we are stopping or reducing services or items that you already get, you may request to continue those services or items during your appeal.**

- If we decide to change or stop coverage for a service or item that you get, we send you a notice before we take action.
- If you disagree with our decision, you can file a Level 1 Appeal.
- We continue covering the service or item if you ask for a Level 1 Appeal within 10 calendar days of the date on our letter or by the intended effective date of the action, whichever is later.
  - If you meet this deadline, you will get the service or item with no changes while your Level 1 appeal is pending.
  - You will also get all other services or items (that are not the subject of your appeal) with no changes.
  - If you do not appeal before these dates, then your service or item will not be continued while you wait for your appeal decision.

### **We consider your appeal and give you our answer.**

- When we review your appeal, we take another careful look at all information about your request for coverage of medical care.
- We check if we followed all the rules when we said No to your request.
- We gather more information if we need it. We may contact you or your doctor to get more information.

### **There are deadlines for a fast appeal.**

- When we use the fast deadlines, we must give you our answer **within 72 hours after we get your appeal, or sooner if your health requires a quicker response.** We will give you our answer sooner if your health requires it.
- If we don't give you an answer within 72 hours, we must send your request to Level 2 of the appeals process. An IRO then reviews it. Later in this chapter, we tell you about this organization and explain the Level 2 appeals process. If your problem is about a service or item that Medi-Cal usually covers, you can file a Level 2 Appeal yourself. We include more information later in this chapter. We do not automatically file a Level 2 Appeal for you for Medi-Cal services or items.
- **If we say Yes to part or all of your request,** we must authorize or provide the coverage we agreed to provide within 72 hours after we get your appeal, or sooner if your health requires it.
- **If we say No to part or all of your request,** we send your appeal to the IRO for a Level 2 Appeal.

### **There are deadlines for a standard appeal.**

- When we use the standard deadlines, we must give you our answer **within 30 calendar days** after we get your appeal for coverage for services you didn't get.
- If your request is for a Medicare Part B prescription drug you didn't get, we give you our answer **within 7 calendar days** after we get your appeal or sooner if your health requires it.
  - If we don't give you an answer by the deadline, we must send your request to Level 2 of the appeals process. An IRO then reviews it. Later in this chapter, we tell you about this organization and explain the Level 2 appeals process. If your problem is about a service or item that Medi-Cal usually covers, you can file a Level 2 Appeal yourself. We include more information later in this chapter. We do not automatically file a Level 2 Appeal for you for Medi-Cal services or items.

**If we say Yes to part or all of your request**, we must authorize or provide the coverage we agreed to provide within 30 calendar days of the date we got your appeal request, or as fast as your health condition requires and within 72 hours of the date we change our decision, or within 7 calendar days of the date we got your appeal if your request is for a Medicare Part B prescription drug.

**If we say No to part or all of your request, you have additional appeal rights:**

- If we say **No** to part or all of what you asked for, we send you a letter.
- If your problem is about coverage of a Medicare service or item, the letter tells you that we sent your case to the IRO for a Level 2 Appeal.
- If your problem is about coverage of a Medi-Cal service or item, the letter tells you how to file a Level 2 Appeal yourself.

#### **F4. Making a Level 2 Appeal**

If we say **No** to part or all of your Level 1 Appeal, we will send you a letter. This letter tells you if Medicare, Medi-Cal, or both programs usually cover the service or item.

- If your problem is about a service or item that **Medicare** usually covers, we automatically send your case to Level 2 of the appeals process as soon as the Level 1 Appeal is complete.
- If your problem is about a service or item that **Medi-Cal** usually covers, you can file a Level 2 Appeal yourself. The letter tells you how to do this. We also include more information later in this chapter.
- If your problem is about a service or item that **both Medicare and Medi-Cal** may cover, you automatically get a Level 2 Appeal with the IRO. In addition to the automatic Level 2 Appeal, you can also ask for a State Hearing and an Independent Medical Review with the state. However, an Independent Medical Review is not available if you have already presented evidence in a State Hearing.

If you qualified for continuation of benefits when you filed your Level 1 Appeal, your benefits for the service, item, or drug under appeal may also continue during Level 2. Refer to **Section F3** for information about continuing your benefits during Level 1 Appeals.

- If your problem is about a service usually covered only by **Medicare**, your benefits for that service don't continue during the Level 2 appeals process with the IRO.
- If your problem is about a service usually covered only by **Medi-Cal**, your benefits for that service continue if you submit a Level 2 Appeal within 10 calendar days after getting our decision letter.

## When your problem is about a service or item Medicare usually covers

The IRO reviews your appeal. It's an independent organization hired by Medicare.

The formal name for the "Independent Review Organization" (IRO) is the "**Independent Review Entity**," sometimes called the "**IRE**."

- This organization isn't connected with us and isn't a government agency. Medicare chose the company to be the IRO, and Medicare oversees their work.
- We send information about your appeal (your "case file") to this organization. You have the right to a free copy of your case file.
- You have a right to give the IRO additional information to support your appeal.
- Reviewers at the IRO take a careful look at all information related to your appeal.

### If you had a fast appeal at Level 1, you also have a fast appeal at Level 2.

- If you had a fast appeal to us at Level 1, you automatically get a fast appeal at Level 2. The IRO must give you an answer to your Level 2 Appeal **within 72 hours** of getting your appeal.

### If you had a standard appeal at Level 1, you also have a standard appeal at Level 2.

- If you had a standard appeal to us at Level 1, you automatically get a standard appeal at Level 2.
- If your request is for a medical item or service, the IRO must give you an answer to your Level 2 Appeal **within 30 calendar days** of getting your appeal.
- If your request is for a Medicare Part B prescription drug, the IRO must give you an answer to your Level 2 Appeal **within 7 calendar days** of getting your appeal.

The IRO gives you their answer in writing and explains the reasons.

- If the IRO says Yes to part or all of a request for a medical item or service, we must promptly implement the decision:
  - Authorize the medical care coverage **within 72 hours, or**
  - Provide the service **within 14 calendar days** after we get the IRO's decision **for standard requests, or**
  - Authorize or provide the service **within 72 hours** from the date we get the IRO's decision **for expedited requests.**

**If you have questions**, please call Member Services at 1-800-443-0815 (TTY 711), 8 a.m. to 8 p.m., 7 days a week. The call is free. **For more information**, visit [kp.org/medicare](http://kp.org/medicare).

- If the IRO says Yes to part or all of a request for a Medicare Part B prescription drug, we must authorize or provide the Medicare Part B prescription drug under dispute:
  - **Within 72 hours** after we get the IRO's decision for standard requests, **or**
  - **Within 24 hours** from the date we get the IRO's decision for **expedited requests**.
- If the IRO says No to part or all of your appeal, it means they agree that we should not approve your request (or part of your request) for coverage for medical care. This is called “upholding the decision” or “turning down your appeal.”
- If your case meets the requirements, you choose whether you want to take your appeal further.
- There are three additional levels in the appeals process after Level 2, for a total of five levels.
- If your Level 2 Appeal is turned down and you meet the requirements to continue the appeals process, you must decide whether to go on to Level 3 and make a third appeal. The details about how to do this are in the written notice you get after your Level 2 Appeal.
- An Administrative Law Judge (ALJ) or attorney adjudicator handles a Level 3 Appeal. Refer to **Section J** for more information about Level 3, 4, and 5 Appeals.

### **When your problem is about a service or item Medi-Cal usually covers**

There are two ways to make a Level 2 appeal for Medi-Cal services and items: (1) Filing a complaint or Independent Medical Review or (2) State Hearing.

#### **(1) Independent Medical Review**

You can file a complaint with or ask for an Independent Medical Review (IMR) from the Help Center at the California Department of Managed Health Care (DMHC). By filing a complaint, the DMHC will review our decision and make a determination. An IMR is available for any Medi-Cal covered service or item that is medical in nature. An IMR is a review of your case by experts who are not part of our plan or a part of the DMHC. If the IMR is decided in your favor, we must give you the service or item you requested. You pay no costs for an IMR.

You can file a complaint or apply for an IMR if our plan:

- Denies, changes, or delays a Medi-Cal service or treatment because our plan determines it is not medically necessary.
- Will not cover an experimental or investigational Medi-Cal treatment for a serious medical condition.
- Disputes whether a surgical service or procedure was cosmetic or reconstructive in nature.
- Will not pay for emergency or urgent Medi-Cal services that you already received.

- Has not resolved your Level 1 Appeal on a Medi-Cal service within 30 calendar days for a standard appeal or 72 hours, or sooner, if your health requires it, for a fast appeal.

**NOTE:** If your provider filed an appeal for you, but we do not get your Appointment of Representative form, you will need to refile your appeal with us before you can file for a Level 2 IMR with the Department of Managed Health Care unless your appeal involves an imminent and serious threat to your health, including but not limited to, severe pain, potential loss of life, limb, or major bodily function.

You are entitled to both an IMR and a State Hearing, but you are not entitled to an IMR if you have already presented evidence in a State Hearing or had a State Hearing on the same issue.

In most cases, you must file an appeal with us before requesting an IMR. Refer to Section G5 for information, about our Level 1 appeal process. If you disagree with our decision, you can file a complaint with the DMHC or ask the DMHC Help Center for an IMR.

If your treatment was denied because it was experimental or investigational, you do not have to take part in our appeal process before you apply for an IMR.

If your problem is urgent or involves an immediate and serious threat to your health or if you are in severe pain, you may bring it immediately to the DMHC's attention without first going through our appeal process.

You must **apply for an IMR within 6 months** after we send you a written decision about your appeal. The DMHC may accept your application after 6 months for good reason, such as you had a medical condition that prevented you from asking for the IMR within 6 months or you did not get adequate notice from us of the IMR process.

To ask for an IMR:

- Fill out the Independent Medical Review Application/Complaint Form available at: [www.dmhc.ca.gov/FileaComplaint/IndependentMedicalReviewComplaintForms.aspx](http://www.dmhc.ca.gov/FileaComplaint/IndependentMedicalReviewComplaintForms.aspx) or call the DMHC Help Center at 1-888-466-2219. TTY users should call 1-877-688-9891.
- If you have them, attach copies of letters or other documents about the service or item that we denied. This can speed up the IMR process. Send copies of documents, not originals. The Help Center cannot return any documents.
- Fill out the Authorized Assistant Form if someone is helping you with your IMR. You can get the form at [www.dmhc.ca.gov/FileaComplaint/IndependentMedicalReviewComplaintForms.aspx](http://www.dmhc.ca.gov/FileaComplaint/IndependentMedicalReviewComplaintForms.aspx) or call the Department's Help Center at 1-888-466-2219. TTY users should call 1-877-688-9891.
- Mail or fax your forms and any attachments to:

Help Center  
Department of Managed Health Care

980 Ninth Street, Suite 500  
Sacramento, CA 95814-2725  
FAX: 1-916-255-5241

- You may also submit your Independent Medical Review Application/Complaint Form and Authorized Assistant form online: [www.dmhc.ca.gov/FileaComplaint.aspx](http://www.dmhc.ca.gov/FileaComplaint.aspx)

If you qualify for an IMR, the DMHC will review your case and send you a letter within 7 calendar days telling you that you qualify for an IMR. After your application and supporting documents are received from your plan, the IMR decision will be made within 30 calendar days. You should receive the IMR decision within 45 calendar days of the submission of the completed application.

If your case is urgent and you qualify for an IMR, the DMHC will review your case and send you a letter within 48 hours of receipt of a completed application telling you that you qualify for an IMR. After your application and supporting documents are received from your plan, the IMR decision will be made within 3 calendar days. You should receive the IMR decision within 7 calendar days of the submission of the completed application. If you are not satisfied with the result of the IMR, you can still ask for a State Hearing.

An IMR can take longer if the DMHC does not receive all of the medical records needed from you or your treating doctor. If you are using a doctor who is not in your health plan's network, it is important that you get and send us your medical records from that doctor. Your health plan is required to get copies of your medical records from doctors who are in the network.

If the DMHC decides that your case is not eligible for IMR, the DMHC will review your case through its regular consumer complaint process. Your complaint should be resolved within 30 calendar days of the submission of the completed application. If your complaint is urgent, it will be resolved sooner.

## (2) State Hearing

You can ask for a State Hearing for Medi-Cal covered services and items. If your doctor or other provider asks for a service or item that we will not approve, or we will not continue to pay for a service or item you already have and we said no to your Level 1 appeal, you have the right to ask for a State Hearing.

In most cases **you have 120 days to ask for a State Hearing** after the "Appeal Decision Letter" notice is mailed to you.

**NOTE:** If you ask for a State Hearing because we told you that a service you currently get will be changed or stopped, **you have fewer days to submit your request** if you want to keep getting that service while your State Hearing is pending. Read "Making a Level 2 Appeal" in this section for more information.

There are two ways to ask for a State Hearing:

1. You may complete the "Request for State Hearing" on the back of the notice of action. You should provide all requested information such as your full name, address, telephone number, the name of the plan or county that took the action against you, the aid program(s) involved, and a detailed reason why you want a hearing. Then you may submit your request one of these ways:

- To the county welfare department at the address shown on the notice.
- To the California Department of Social Services:

State Hearings Division  
P.O. Box 944243, Mail Station 9-17-433  
Sacramento, California 94244-2430

- To the State Hearings Division at fax number 1-916-309-3487 or toll-free at 1-833-281-0903.

2. You can call the California Department of Social Services at 1-800-743-8525. TTY users should call 1-800-952-8349. If you decide to ask for a State Hearing by phone, you should be aware that the phone lines are very busy.

You will not have to pay for a State Hearing or an IMR.

You are entitled to both a State Hearing and an IMR. But if you ask for a State Hearing first, and the hearing has already happened, you cannot ask for an IMR. In this case, the State Hearing has the final say. Medi-Cal Rx pharmacy benefit decisions are not subject to the IMR process.

The sections below will provide you with more information on how to ask for a State Hearing or an IMR.

Complaints and appeals related to Medi-Cal Rx pharmacy benefits are not handled by Kaiser Permanente. You can submit complaints and appeals about Medi-Cal Rx pharmacy benefits by calling 1-800-977-2273 (TTY 1-800-977-2273 and press 5 or 711). However, complaints and appeals related to pharmacy benefits not subject to Medi-Cal Rx may be eligible for an Independent Medical Review. If you do not agree with a decision related to your Medi-Cal Rx pharmacy benefit, you may ask for a State Hearing.

Note: Items and services you receive under the Community Supports Program do not qualify for IMR.

The State Hearings Division gives you their decision in writing and explain the reasons.

- If the State Hearings Division says **Yes** to part or all of a request for a medical item or service, we must authorize or provide the service or item within 72 hours after we get their decision.
- If the State Hearings Division says **No** to part or all of your appeal, it means they agree that we should not approve your request (or part of your request) for coverage for medical care.

This is called “upholding the decision” or “turning down your appeal.” If the IRO or State Hearing decision is **No** for all or part of your request, you have additional appeal rights.

If your Level 2 Appeal went to the **IRO**, you can appeal again only if the dollar value of the service or item you want meets a certain minimum amount. An ALJ or attorney adjudicator handles a Level 3 Appeal. **The letter you get from the IRO explains additional appeal rights you may have.**

The letter you get from the State Hearings Division describes the next appeal option.

Refer to **Section J** for more information about your appeal rights after Level 2.

## **F5. Payment problems**

We do not allow our network providers to bill you for covered services and items. This is true even if we pay the provider less than the provider charges for a covered service or item. You are never required to pay the balance of any bill. The only amount you should be asked to pay is the copay for ambulance, dialysis, emergency department visits, and certain DME items as described in the Benefits Chart in **Chapter 4** or the cost-sharing described in **Chapter 6**.

If you get a bill that is more than your copay for covered services and items, send the bill to us. **You should not pay the bill yourself.** We will contact the provider directly and take care of the problem. If you do pay the bill, you can get a refund if you followed the rules for getting services or item.

For more information, refer to **Chapter 7** of this *Member Handbook*. It describes situations when you may need to ask us to pay you back or pay a bill you got from a provider. It also tells how to send us the paperwork that asks us for payment.

If you ask to be paid back, you are asking for a coverage decision. We will check if the service or item you paid for is covered and if you followed all the rules for using your coverage.

- If the service or item you paid for is covered and you followed all the rules, we will send you our share of the cost for the service or item typically within 30 calendar days, but no later than 60 calendar days after we get your request.
- If you haven't paid for the service or item yet, we will send the payment directly to the provider. When we send the payment, it's the same as saying **Yes** to your request for a coverage decision.
- If the service or item is not covered or you did not follow all the rules, we will send you a letter telling you we won't pay for the service or item and explaining why.

If you don't agree with our decision not to pay, **you can make an appeal.** Follow the appeals process described in **Section F3**. When you follow these instructions, note:

- If you make an appeal for us to pay you back, we must give you our answer within 30 calendar days after we get your appeal.

- If you ask us to pay you back for medical care you got and paid for yourself, you can't ask for a fast appeal.

If our answer to your appeal is **No** and **Medicare** usually covers the service or item, we will send your case to the IRO. We will send you a letter if this happens.

- If the IRO reverses our decision and says we should pay you, we must send the payment to you or to the provider within 30 calendar days. If the answer to your appeal is Yes at any stage of the appeals process after Level 2, we must send the payment to you or to the health care provider within 60 calendar days.
- If the IRO says **No** to your appeal, it means they agree that we should not approve your request. This is called “upholding the decision” or “turning down your appeal.” You will get a letter explaining additional appeal rights you may have. Refer to **Section J** for more information about additional levels of appeal.

If our answer to your appeal is **No** and **Medi-Cal** usually covers the service or item, you can file a Level 2 Appeal yourself. Refer to **Section F4** for more information.

## G. Medicare Part D prescription drugs

Your benefits as a member of our plan include coverage for many prescription drugs. Most of these are Medicare Part D drugs. There are a few drugs that Medicare Part D doesn't cover that Medi-Cal may cover. **This section only applies to Medicare Part D drug appeals.** We'll say “drug” in the rest of this section instead of saying “Medicare Part D drug” every time.

To be covered, the drug must be used for a medically accepted indication. That means the drug is approved by the Food and Drug Administration (FDA) or supported by certain medical references. Refer to **Chapter 5** of this *Member Handbook* for more information about a medically accepted indication.

### G1. Medicare Part D coverage decisions and appeals

Here are examples of coverage decisions you ask us to make about your Medicare Part D drugs:

- You ask us to make an exception, including asking us to:
  - Cover a Medicare Part D drug that is not on our plan's *Drug List* or
  - Set aside a restriction on our coverage for a drug (such as limits on the amount you can get).
- You ask us if a drug is covered for you (such as when your drug is on our plan's *Drug List* but we must approve it for you before we cover it).

**NOTE:** If your pharmacy tells you that your prescription can't be filled as written, the pharmacy gives you a written notice explaining how to contact us to ask for a coverage decision.

An initial coverage decision about your Medicare Part D drugs is called a “**coverage determination.**”

You ask us to pay for a drug you already bought. This is asking for a coverage decision about payment.

If you disagree with a coverage decision we made, you can appeal our decision. This section tells you both how to ask for coverage decisions and how to make an appeal. Use the chart below to help you.

Which of these situations are you in?			
You need a drug that isn't on our <i>Drug List</i> or need us to set aside a rule or restriction on a drug we cover.	You want us to cover a drug on our <i>Drug List</i> , and you think you meet plan rules or restrictions (such as getting approval in advance) for the drug you need.	You want to ask us to pay you back for a drug you already got and paid for.	We told you that we won't cover or pay for a drug in the way that you want.
<b>You can ask us to make an exception.</b> (This is a type of coverage decision.)	<b>You can ask us for a coverage decision.</b>	<b>You can ask us to pay you back.</b> (This is a type of coverage decision.)	<b>You can make an appeal.</b> (This means you ask us to reconsider.)
Start with <b>Section G2</b> , then refer to <b>Sections G3 and G4</b> .	Refer to <b>Section G4</b> .	Refer to <b>Section G4</b> .	Refer to <b>Section G5</b> .

## G2. Medicare Part D exceptions

If we don't cover a drug in the way you would like, you can ask us to make an "exception." If we turn down your request for an exception, you can appeal our decision.

When you ask for an exception, your doctor or other prescriber needs to explain the medical reasons why you need the exception.

Asking for coverage of a drug not on our *Drug List* or for removal of a restriction on a drug is sometimes called asking for a "**formulary exception.**"

Here are some examples of exceptions that you or your doctor or other prescriber can ask us to make:

### 1. Covering a drug that is not on our *Drug List*

- If we agree to make an exception and cover a drug that is not on our *Drug List*, you pay the copay that applies to all of our drugs.
- You can't get an exception to the required copay amount for the drug.

### 2. Removing a restriction for a covered drug

- Extra rules or restrictions apply to certain drugs on our *Drug List* (refer to **Chapter 5** of this *Member Handbook* for more information).
- Extra rules and restrictions for certain drugs include:
  - Being required to use the generic version of a drug instead of the brand name drug.
  - Getting our approval in advance before we agree to cover the drug for you. This is sometimes called “prior authorization” (PA).
  - Quantity limits. For some drugs, there are restrictions on the amount of the drug you can have.
- **Changing coverage of a drug to a lower cost-sharing tier.** Every drug on our *Drug List* is in one of two cost-sharing tiers. In general, the lower the cost-sharing tier number, the less your required copay amount is.

## G3. Important things to know about asking for an exception

### Your doctor or other prescriber must tell us the medical reasons.

Your doctor or other prescriber must give us a statement explaining the medical reasons for asking for an exception. For a faster decision, include this medical information from your doctor or other prescriber when you ask for the exception.

Our *Drug List* often includes more than one drug for treating a specific condition. These are called “alternative” drugs. If an alternative drug is just as effective as the drug you ask for and wouldn't cause more side effects or other health problems, we generally do **not** approve your exception request. If you ask us for a tiering exception, we generally do not approve your exception request

unless all alternative drugs in the lower cost-sharing tier(s) won't work as well for you or are likely to cause an adverse reaction or other harm.

### **We can say Yes or No to your request.**

- If we say **Yes** to your exception request, the exception usually lasts until the end of the calendar year. This is true as long as your doctor continues to prescribe the drug for you and that drug continues to be safe and effective for treating your condition.
- If we say **No** to your exception request, you can make an appeal. Refer to **Section G5** for information on making an appeal if we say **No**.

The next section tells you how to ask for a coverage decision, including an exception.

### **G4. Asking for a coverage decision, including an exception**

- Ask for the type of coverage decision you want by calling Member Services, writing, or faxing us. You, your representative, or your doctor (or other prescriber) can do this. Please include your name, contact information, and information about the claim.
- You or your doctor (or other prescriber) or someone else acting on your behalf can ask for a coverage decision. You can also have a lawyer act on your behalf.
- Refer to **Section E3** to find out how to name someone as your representative.
- You don't need to give written permission to your doctor or other prescriber to ask for a coverage decision on your behalf.
- If you want to ask us to pay you back for a drug, refer to **Chapter 7** of this *Member Handbook*.
- If you ask for an exception, give us a "supporting statement." The supporting statement includes your doctor or other prescriber's medical reasons for the exception request.
- Your doctor or other prescriber can fax or mail us the supporting statement. They can also tell us by phone and then fax or mail the statement.

### **If your health requires it, ask us for a "fast coverage decision."**

We use the "standard deadlines" unless we agree to use the "fast deadlines."

- A **standard coverage decision** means we give you an answer within 72 hours after we get your doctor's statement.
- A **fast coverage decision** means we give you an answer within 24 hours after we get your doctor's statement.

A “fast coverage decision” is called an “**expedited coverage determination.**”

You can get a fast coverage decision if:

- It's for a drug you didn't get. You can't get a fast coverage decision if you are asking us to pay you back for a drug you already bought.
- Your health or ability to function would be seriously harmed if we use the standard deadlines.

If your doctor or other prescriber tells us that your health requires a fast coverage decision, we agree and give it to you. We send you a letter that tells you.

- If you ask for a fast coverage decision without support from your doctor or other prescriber, we decide if you get a fast coverage decision.
- If we decide that your medical condition doesn't meet the requirements for a fast coverage decision, we use the standard deadlines instead.
  - We send you a letter that tells you we will use the standard deadline. The letter also tells you how to make a complaint about our decision.
  - You can file a fast complaint and get a response within 24 hours. For more information making complaints, including fast complaints, refer to **Section K**.

### **Deadlines for a fast coverage decision**

- If we use the fast deadlines, we must give you our answer within 24 hours after we get your request. If you ask for an exception, we give you our answer within 24 hours after we get your doctor's supporting statement. We give you our answer sooner if your health requires it.
- If we don't meet this deadline, we send your request to Level 2 of the appeals process for review by an IRO. Refer to **Section G6** for more information about a Level 2 Appeal.
- If we say **Yes** to part or all of your request, we give you the coverage within 24 hours after we get your request or your doctor's supporting statement.
- If we say **No** to part or all of your request, we send you a letter with the reasons. The letter also tells you how you can make an appeal.

### **Deadlines for a standard coverage decision about a drug you didn't get**

- If we use the standard deadlines, we must give you our answer within 72 hours after we get your request. If you ask for an exception, we give you our answer within 72 hours after we

get your doctor's supporting statement. We give you our answer sooner if your health requires it.

- If we don't meet this deadline, we send your request to Level 2 of the appeals process for review by an IRO.
- If we say **Yes** to part or all of your request, we give you the coverage within 72 hours after we get your request or your doctor's supporting statement for an exception.
- If we say **No** to part or all of your request, we send you a letter with the reasons. The letter also tells you how to make an appeal.

### **Deadlines for a standard coverage decision about a drug you already bought**

- We must give you our answer within 14 calendar days after we get your request.
- If we don't meet this deadline, we send your request to Level 2 of the appeals process for review by an IRO.
- If we say **Yes** to part or all of your request, we pay you back within 14 calendar days.
- If we say **No** to part or all of your request, we send you a letter with the reasons. The letter also tells you how to make an appeal.

### **G5. Making a Level 1 Appeal**

An appeal to our plan about a Medicare Part D drug coverage decision is called a plan **“redetermination.”**

- Start your **standard or fast appeal** by calling 1-866-206-2973, writing, or faxing us. You, your representative, or your doctor (or other prescriber) can do this. Please include your name, contact information, and information regarding your appeal.
- You must ask for an appeal **within 65 calendar days** from the date on the letter we sent to tell you our decision.
- If you miss the deadline and have a good reason for missing it, we may give you more time to make your appeal. Examples of good reasons are things like you had a serious illness or we gave you the wrong information about the deadline. Explain the reason why your appeal is late when you make your appeal.
- You have the right to ask us for a free copy of the information about your appeal. You and your doctor may also give us more information to support your appeal.

## If your health requires it, ask for a fast appeal.

A fast appeal is also called an “**expedited redetermination.**”

- If you appeal a decision we made about a drug you didn't get, you and your doctor or other prescriber decide if you need a fast appeal.
- Requirements for a fast appeal are the same as those for a fast coverage decision. Refer to **Section G4** for more information.

We consider your appeal and give you our answer.

- We review your appeal and take another careful look at all of the information about your coverage request.
- We check if we followed the rules when we said **No** to your request.
- We may contact you or your doctor or other prescriber to get more information.

### Deadlines for a fast appeal at Level 1

- If we use the fast deadlines, we must give you our answer **within 72 hours** after we get your appeal.
  - We give you our answer sooner if your health requires it.
  - If we don't give you an answer within 72 hours, we must send your request to Level 2 of the appeals process. Then an IRO reviews it. Refer to **Section G6** for information about the review organization and the Level 2 appeals process.
- If we say **Yes** to part or all of your request, we must provide the coverage we agreed to provide within 72 hours after we get your appeal.
- If we say **No** to part or all of your request, we send you a letter that explains the reasons and tells you how you can make an appeal.

### Deadlines for a standard appeal at Level 1

- If we use the standard deadlines, we must give you our answer **within 7 calendar days** after we get your appeal for a drug you didn't get.
- We give you our decision sooner if you didn't get the drug and your health condition requires it. If you believe your health requires it, ask for a fast appeal.

- If we don't give you a decision within 7 calendar days, we must send your request to Level 2 of the appeals process. Then an IRO reviews it. Refer to **Section G6** for information about the review organization and the Level 2 appeals process.

If we say **Yes** to part or all of your request:

- We must **provide the coverage** we agreed to provide as quickly as your health requires, but **no later than 7 calendar days** after we get your appeal.
- We must **send payment to you** for a drug you bought **within 30 calendar days** after we get your appeal.

If we say **No** to part or all of your request:

- We send you a letter that explains the reasons and tells you how you can make an appeal.
- We must give you our answer about paying you back for a drug you bought **within 14 calendar days** after we get your appeal.
  - If we don't give you a decision within 14 calendar days, we must send your request to Level 2 of the appeals process. Then an IRO reviews it. Refer to **Section G6** for information about the review organization and the Level 2 appeals process.
- If we say **Yes** to part or all of your request, we must pay you within 30 calendar days after we get your request.
- If we say **No** to part or all of your request, we send you a letter that explains the reasons and tells you how you can make an appeal.

## G6. Making a Level 2 Appeal

If we say **No** to your Level 1 Appeal, you can accept our decision or make another appeal. If you decide to make another appeal, you use the Level 2 Appeal appeals process. The **IRO** reviews our decision when we said **No** to your first appeal. This organization decides if we should change our decision.

The formal name for the "Independent Review Organization" (IRO) is the "**Independent Review Entity**," sometimes called the "**IRE**."

To make a Level 2 Appeal, you, your representative, or your doctor or other prescriber must contact the IRO **in writing** and ask for a review of your case.

- If we say **No** to your Level 1 Appeal, the letter we send you includes **instructions about how to make a Level 2 Appeal** with the IRO. The instructions tell who can make the Level 2

Appeal, what deadlines you must follow, and how to reach the organization. If, however, we did not complete our review within the applicable timeframe, or make an unfavorable decision regarding at-risk determination under our drug management program, we will automatically forward your claim to the IRO.

- When you make an appeal to the IRO, we send the information we have about your appeal to the organization. This information is called your “case file.” **You have the right to a free copy of your case file.** If you need help requesting a free copy of your case file, Member Services 1-800-443-0815.
- You have a right to give the IRO additional information to support your appeal.

The IRO reviews your Medicare Part D Level 2 Appeal and gives you an answer in writing. Refer to **Section F4** for more information about the IRO.

### **Deadlines for a fast appeal at Level 2**

- If your health requires it, ask the IRO for a fast appeal.
- If they agree to a fast appeal, they must give you an answer **within 72 hours** after getting your appeal request.
- If they say **Yes** to part or all of your request, we must provide the approved drug coverage **within 24 hours** after getting the IRO’s decision.

### **Deadlines for a standard appeal at Level 2**

If you have a standard appeal at Level 2, the IRO must give you an answer:

- **Within 7 calendar days** after they get your appeal for a drug you didn’t get.
- **Within 14 calendar days** after getting your appeal for repayment for a drug you bought.

If the IRO says **Yes** to part or all of your request:

- We must provide the approved drug coverage **within 72 hours** after we get the IRO’s decision.
- We must pay you back for a drug you bought within 30 calendar days after we get the IRO’s decision.
- If the IRO says **No** to your appeal, it means they agree with our decision not to approve your request. This is called “upholding the decision” or “turning down your appeal.”

If the IRO says **No** to your Level 2 Appeal, you have the right to a Level 3 Appeal if the dollar value of the drug coverage you ask for meets a minimum dollar value. If the dollar value of the drug coverage

you ask for is less than the required minimum, you can't make another appeal. In that case, the Level 2 Appeal decision is final. The IRO sends you a letter that tells you the minimum dollar value needed to continue with a Level 3 Appeal.

If the dollar value of your request meets the requirement, you choose if you want to take your appeal further.

- There are three additional levels in the appeals process after Level 2.
- If the IRO says **No** to your Level 2 Appeal and you meet the requirement to continue the appeals process, you:
  - Decide if you want to make a Level 3 Appeal.
  - Refer to the letter the IRO sent you after your Level 2 Appeal for details about how to make a Level 3 Appeal.
- An ALJ or attorney adjudicator handles Level 3 Appeals. Refer to **Section J** for information about Level 3, 4, and 5 Appeals.

## H. Asking us to cover a longer hospital stay

When you're admitted to a hospital, you have the right to get all hospital services that we cover that are necessary to diagnose and treat your illness or injury. For more information about our plan's hospital coverage, refer to **Chapter 4** of this *Member Handbook*.

During your covered hospital stay, your doctor and the hospital staff work with you to prepare for the day when you leave the hospital. They also help arrange for care you may need after you leave.

- The day you leave the hospital is called your "discharge date."
- Your doctor or the hospital staff will tell you what your discharge date is.

If you think you're being asked to leave the hospital too soon or you are concerned about your care after you leave the hospital, you can ask for a longer hospital stay. This section tells you how to ask.

Notwithstanding the appeals discussed in this **Section H**, you may also file a complaint with and ask the DMHC for an Independent Medical Review to continue your hospital stay. Please refer to **Section F4** to learn how to file a complaint with and ask the DMHC for an Independent Medical Review. You can ask for an Independent Medical Review in addition to or instead of a Level 3 Appeal.

### H1. Learning about your Medicare rights

Within two days after you're admitted to the hospital, someone at the hospital, such as a nurse or caseworker, will give you a written notice called "**An Important Message from Medicare about**

**Your Rights.**” Everyone with Medicare gets a copy of this notice whenever they are admitted to a hospital.

If you don't get the notice, ask any hospital employee for it. If you need help, call Member Services at the numbers at the bottom of the page. You can also call 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

- **Read the notice** carefully and ask questions if you don't understand. The notice tells you about your rights as a hospital patient, including your rights to:
  - Get Medicare-covered services during and after your hospital stay. You have the right to know what these services are, who will pay for them, and where you can get them.
  - Be a part of any decisions about the length of your hospital stay.
  - Know where to report any concerns you have about the quality of your hospital care.
  - Appeal if you think you're being discharged from the hospital too soon.
- **Sign the notice** to show that you got it and understand your rights.
  - You or someone acting on your behalf can sign the notice.
  - Signing the notice **only** shows that you got the information about your rights. Signing does **not** mean you agree to a discharge date your doctor or the hospital staff may have told you.
- **Keep your copy** of the signed notice so you have the information if you need it.
  - If you sign the notice more than two days before the day you leave the hospital, you'll get another copy before you're discharged.
- You can look at a copy of the notice in advance if you:
  - Call Member Services at the numbers at the bottom of the page
  - Call Medicare at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.
  - Visit [www.cms.gov/Medicare/Medicare-General-Information/BNI/HospitalDischargeAppealNotices](http://www.cms.gov/Medicare/Medicare-General-Information/BNI/HospitalDischargeAppealNotices).

## H2. Making a Level 1 Appeal

If you want us to cover your inpatient hospital services for a longer time, make an appeal. The Quality Improvement Organization (QIO) reviews the Level 1 Appeal to find out if your planned discharge date is medically appropriate for you.

The QIO is a group of doctors and other health care professionals paid by the federal government. These experts check and help improve the quality for people with Medicare. They are not part of our plan.

In California, the QIO is Livanta. Call them at 1-877-588-1123. Contact information is also in the notice, “An Important Message from Medicare about Your Rights,” and in **Chapter 2**.

**Call the QIO before you leave the hospital and no later than your planned discharge date.**

- **If you call before you leave**, you can stay in the hospital after your planned discharge date without paying for it while you wait for the QIO’s decision about your appeal.
- **If you do not call to appeal**, contact us. If you decide to stay in the hospital after your planned discharge date, you may pay all costs for hospital care you get after your planned discharge date.
- Because hospital stays are covered by both Medicare and Medi-Cal, if the QIO will not hear your request to continue your hospital stay, or you believe that your situation is urgent, involves an immediate and serious threat to your health, or you are in severe pain, you may also file a complaint with or ask the California Department of Managed Health Care (DMHC) for an Independent Medical Review. Please refer to **Section F4** to learn how to file a complaint and ask the DMHC for an Independent Medical Review.

**Ask for help if you need it.** If you have questions or need help at any time:

- Call Member Services at the numbers at the bottom of the page.
- Call the Health Insurance Counseling and Advocacy Program (HICAP) at 1-800-434-0222.

**Ask for a fast review.** Act quickly and contact the QIO to ask for a fast review of your hospital discharge.

The legal term for “**fast review**” is “**immediate review**” or “**expedited review.**”

### What happens during fast review

- Reviewers at the QIO ask you or your representative why you think coverage should continue after the planned discharge date. You aren’t required to write a statement, but you may.

- Reviewers look at your medical information, talk with your doctor, and review information that the hospital and our plan gave them.
- By noon of the day after reviewers tell our plan about your appeal, you get a letter with your planned discharge date. The letter also gives reasons why your doctor, the hospital, and we think that is the right discharge date that's medically appropriate for you.

The legal term for this written explanation is the “**Detailed Notice of Discharge.**” You can get a sample by calling Member Services at the numbers at the bottom of the page or 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. (TTY users should call 1-877-486-2048.) You can also refer to a sample notice online at [www.cms.gov/Medicare/Medicare-General-Information/BNI/HospitalDischargeAppealNotices](http://www.cms.gov/Medicare/Medicare-General-Information/BNI/HospitalDischargeAppealNotices).

Within one full day after getting all of the information it needs, the QIO will give you their answer to your appeal.

If the QIO says **Yes** to your appeal:

- We will provide your covered inpatient hospital services for as long as the services are medically necessary.

If the QIO says **No** to your appeal:

- They believe your planned discharge date is medically appropriate.
- Our coverage for your inpatient hospital services will end at noon on the day after the QIO gives you their answer to your appeal.
- You may have to pay the full cost of hospital care you get after noon on the day after the QIO gives you their answer to your appeal.
- You can make a Level 2 Appeal if the QIO turns down your Level 1 Appeal and you stay in the hospital after your planned discharge date.

### H3. Making a Level 2 Appeal

For a Level 2 Appeal, you ask the QIO to take another look at the decision they made on your Level 1 Appeal. Call them at 1-877-588-1123.

You must ask for this review **within 60 calendar days** after the day the QIO said **No** to your Level 1 Appeal. You can ask for this review **only** if you stay in the hospital after the date that your coverage for the care ended.

QIO reviewers will:

- Take another careful look at all of the information related to your appeal.
- Tell you their decision about your Level 2 Appeal within 14 calendar days of receipt of your request for a second review.

If the QIO says **Yes** to your appeal:

- We must pay you back for our share of hospital care costs since noon on the day after the date the QIO turned down your Level 1 Appeal.
- We will provide your covered inpatient hospital services for as long as the services are medically necessary.

If the QIO says **No** to your appeal:

- They agree with their decision about your Level 1 Appeal and won't change it.
- They give you a letter that tells you what you can do if you want to continue the appeals process and make a Level 3 Appeal.
- You may also file a complaint with or ask the DMHC for an Independent Medical Review to continue your hospital stay. Please refer to **Section E4** to learn how to file a complaint with and ask the DMHC for an Independent Medical Review.

An ALJ or attorney adjudicator handles Level 3 Appeals. Refer to **Section J** for information about Level 3, 4, and 5 Appeals.

## I. Asking us to continue covering certain medical services

This section is only about three types of services you may be getting:

- Home health care services.
- Skilled nursing care in a skilled nursing facility, **and**
- Rehabilitation care as an outpatient at a Medicare-approved CORF. This usually means you're getting treatment for an illness or accident or you're recovering from a major operation.

With any of these three types of services, you have the right to get covered services for as long as the doctor says you need them.

When we decide to stop covering any of these, we must tell you **before** your services end. When your coverage for that service ends, we stop paying for it.

If you think we're ending the coverage of your care too soon, **you can appeal our decision**. This section tells you how to ask for an appeal.

## 11. Advance notice before your coverage ends

We send you a written notice that you'll get at least two days before we stop paying for your care. This is called the "Notice of Medicare Non-Coverage." The notice tells you the date when we will stop covering your care and how to appeal our decision.

You or your representative should sign the notice to show that you got it. Signing the notice **only** shows that you got the information. Signing does not mean you agree with our decision.

## 12. Making a Level 1 Appeal

If you think we're ending coverage of your care too soon, you can appeal our decision. This section tells you about the Level 1 Appeal process and what to do.

- **Meet the deadlines.** The deadlines are important. Understand and follow the deadlines that apply to things you must do. Our plan must follow deadlines too. If you think we're not meeting our deadlines, you can file a complaint. Refer to **Section K** for more information about complaints.
- **Ask for help if you need it.** If you have questions or need help at any time:
  - Call Member Services at the numbers at the bottom of the page.
  - Call the HICAP at 1-800-434-0222.
- Contact the QIO.
  - Refer to **Section H2** or refer to **Chapter 2** of this *Member Handbook* for more information about the QIO and how to contact them.
  - Ask them to review your appeal and decide whether to change our plan's decision.
- **Act quickly and ask for a "fast-track appeal.** Ask the QIO if it's medically appropriate for us to end coverage of your medical services.

### Your deadline for contacting this organization

- You must contact the QIO to start your appeal by noon of the day before the effective date on the "Notice of Medicare Non-Coverage" we sent you.
- If the QIO will not hear your request to continue coverage of your health care services or you believe that your situation is urgent or involves an immediate and serious threat to your health or if you are in severe pain, you may file a complaint with and ask the California Department of Managed Health Care (DMHC) for an Independent Medical Review. Please

refer to **Section F4** to learn how to file a complaint with and ask the DMHC for an Independent Medical Review.

The legal term for the written notice is “**Notice of Medicare Non-Coverage.**” To get a sample copy, call Member Services at the numbers at the bottom of the page or call Medicare at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048. Or get a copy online at [www.cms.gov/Medicare/Medicare-General-Information/BNI/MAEDNotices](http://www.cms.gov/Medicare/Medicare-General-Information/BNI/MAEDNotices).

### What happens during a fast-track appeal

- Reviewers at the QIO ask you or your representative why you think coverage should continue. You aren’t required to write a statement, but you may.
- Reviewers look at your medical information, talk with your doctor, and review information that our plan gave them.
- Our plan also sends you a written notice that explains our reasons for ending coverage of your services. You get the notice by the end of the day the reviewers inform us of your appeal.

The legal term for the notice explanation is “**Detailed Explanation of Non-Coverage.**”

- Reviewers provide their decision within one full day after getting all the information they need.

If the QIO says **Yes** to your appeal:

- We will provide your covered services for as long as they are medically necessary.

If the QIO says **No** to your appeal:

- Your coverage ends on the date we told you.
- We stop paying our share of the costs of this care on the date in the notice.
- You pay the full cost of this care yourself if you decide to continue the home health care, skilled nursing facility care, or CORF services after the date your coverage ends

You decide if you want to continue these services and make a Level 2 Appeal.

### I3. Making a Level 2 Appeal

For a Level 2 Appeal, you ask the QIO to take another look at the decision they made on your Level 1 Appeal. Call them at 1-877-588-1123.

You must ask for this review **within 60 calendar days** after the day the QIO said No to your Level 1 Appeal. You can ask for this review **only** if you continue care after the date that your coverage for the care ended.

QIO reviewers will:

- Take another careful look at all of the information related to your appeal.
- Tell you their decision about your Level 2 Appeal within 14 calendar days of receipt of your request for a second review.

If the QIO says **Yes** to your appeal:

- We pay you back for our share of the costs of care you got since the date when we said your coverage would end.
- We will provide coverage for the care for as long as it is medically necessary.

If the QIO says **No** to your appeal:

- They agree with our decision to end your care and will not change it.
- They give you a letter that tells you what you can do if you want to continue the appeals process and make a Level 3 Appeal.
- You may file a complaint with and ask the DMHC for an Independent Medical Review to continue coverage of your health care services. Please refer to **Section F4** to learn how to ask the DMHC for an Independent Medical Review. You can file a complaint with and ask the DMHC for an Independent Medical Review in addition to or instead of a Level 3 Appeal.

An ALJ or attorney adjudicator handles Level 3 Appeals. Refer to **Section J** for information about Level 3, 4, and 5 Appeals.

---

## J. Taking your appeal beyond Level 2

### J1. Next steps for Medicare services and items

If you made a Level 1 Appeal and a Level 2 Appeal for Medicare services or items, and both of your appeals were turned down, you may have the right to additional levels of appeal.

If the dollar value of the Medicare service or item you appealed does not meet a certain minimum dollar amount, you cannot appeal any further. If the dollar value is high enough, you can continue the

appeals process. The letter you get from the IRO for your Level 2 Appeal explains who to contact and what to do to ask for a Level 3 Appeal.

### Level 3 Appeal

Level 3 of the appeals process is an ALJ hearing. The person who makes the decision is an ALJ or an attorney adjudicator who works for the federal government.

If the ALJ or attorney adjudicator says **Yes** to your appeal, we have the right to appeal a Level 3 decision that is favorable to you.

- If we decide **to appeal** the decision, we send you a copy of the Level 4 Appeal request with any accompanying documents. We may wait for the Level 4 Appeal decision before authorizing or providing the service in dispute.
- If we decide **not to appeal** the decision, we must authorize or provide you with the service within 60 calendar days after getting the ALJ or attorney adjudicator's decision.
- If the ALJ or attorney adjudicator says **No** to your appeal, the appeals process may not be over.
- If you decide **to accept** this decision that turns down your appeal, the appeals process is over.
- If you decide **not to accept** this decision that turns down your appeal, you can continue to the next level of the review process. The notice you get will tell you what to do for a Level 4 Appeal.

### Level 4 Appeal

The Medicare Appeals Council (Council) reviews your appeal and gives you an answer. The Council is part of the federal government.

If the Council says **Yes** to your Level 4 Appeal or denies our request to review a Level 3 Appeal decision favorable to you, we have the right to appeal to Level 5.

- If we decide **to appeal** the decision, we will tell you in writing.
- If we decide **not to appeal** the decision, we must authorize or provide you with the service within 60 calendar days after getting the Council's decision.

If the Council says **No** or denies our review request, the appeals process may not be over.

- If you decide **to accept** this decision that turns down your appeal, the appeals process is over.

- If you decide **not to accept** this decision that turns down your appeal, you may be able to continue to the next level of the review process. The notice you get will tell you if you can go on to a Level 5 Appeal and what to do.

### Level 5 Appeal

A Federal District Court judge will review your appeal and all of the information and decide **Yes** or **No**. This is the final decision. There are no other appeal levels beyond the Federal District Court.

## J2. Additional Medi-Cal appeals

You also have other appeal rights if your appeal is about services or items that Medi-Cal usually covers. The letter you get from the State Hearings Division will tell you what to do if you want to continue the appeals process.

## J3. Appeal Levels 3, 4 and 5 for Medicare Part D Drug Requests

This section may be appropriate for you if you made a Level 1 Appeal and a Level 2 Appeal, and both of your appeals have been turned down.

If the value of the drug you appealed meets a certain dollar amount, you may be able to go on to additional levels of appeal. The written response you get to your Level 2 Appeal explains who to contact and what to do to ask for a Level 3 Appeal.

### Level 3 Appeal

Level 3 of the appeals process is an ALJ hearing. The person who makes the decision is an ALJ or an attorney adjudicator who works for the federal government.

If the ALJ or attorney adjudicator says **Yes** to your appeal:

- The appeals process is over.
- We must authorize or provide the approved drug coverage within 72 hours (or 24 hours for an expedited appeal) or make payment no later than 30 calendar days after we get the decision.

If the ALJ or attorney adjudicator says **No** to your appeal, the appeals process may not be over.

- If you decide **to accept** this decision that turns down your appeal, the appeals process is over.
- If you decide **not to accept** this decision that turns down your appeal, you can continue to the next level of the review process. The notice you get will tell you what to do for a Level 4 Appeal.

## Level 4 Appeal

The Council reviews your appeal and gives you an answer. The Council is part of the federal government.

If the Council says **Yes** to your appeal:

- The appeals process is over.
- We must authorize or provide the approved drug coverage within 72 hours (or 24 hours for an expedited appeal) or make payment no later than 30 calendar days after we get the decision.

If the Council says **No** to your appeal, the appeals process may not be over.

- If you decide **to accept** this decision that turns down your appeal, the appeals process is over.
- If you decide **not to accept** this decision that turns down your appeal, you may be able to continue to the next level of the review process. The notice you get will tell you if you can go on to a Level 5 Appeal and what to do.

## Level 5 Appeal

- A Federal District Court judge will review your appeal and all of the information and decide **Yes** or **No**. This is the final decision. There are no other appeal levels beyond the Federal District Court.

## K. How to make a complaint

### K1. What kinds of problems should be complaints

The complaint process is used for certain types of problems only, such as problems related to quality of care, waiting times, coordination of care, and customer service. Here are examples of the kinds of problems handled by the complaint process.

Complaint	Example
<b>Quality of your medical care</b>	<ul style="list-style-type: none"> <li>You are unhappy with the quality of care, such as the care you got in the hospital.</li> </ul>
<b>Respecting your privacy</b>	<ul style="list-style-type: none"> <li>You think that someone did not respect your right to privacy or shared confidential information about you.</li> </ul>

Complaint	Example
<b>Information you get from us</b>	<ul style="list-style-type: none"> <li>• You think we failed to give you a notice or letter that you should have received.</li> <li>• You think written information we sent you is too difficult to understand.</li> </ul>
<b>Timeliness related to coverage decisions or appeals</b>	<ul style="list-style-type: none"> <li>• You think we don't meet our deadlines for making a coverage decision or answering your appeal.</li> <li>• You think that, after getting a coverage or appeal decision in your favor, we don't meet the deadlines for approving or giving you the service or paying you back for certain medical services.</li> <li>• You don't think we sent your case to the IRO on time.</li> </ul>

**There are different kinds of complaints.** You can make an internal complaint and/or an external complaint. An internal complaint is filed with and reviewed by our plan. An external complaint is filed with and reviewed by an organization not affiliated with our plan. If you need help making an internal and/or external complaint, you can call Member Services at 1-800-443-0815 (TTY 711), 7 days a week, 8 a.m. to 8 p.m.

The legal term for a “complaint” is a “**grievance.**”

The legal term for “making a complaint” is “**filing a grievance.**”

## K2. Internal complaints

To make an internal complaint, call Member Services at 1-800-443-0815 (TTY 711), 7 days a week, 8 a.m. to 8 p.m. You can make the complaint at any time unless it is about a Medicare Part D drug. If the complaint is about a Medicare Part D drug, you must make it **within 60 calendar days** after you had the problem you want to complain about.

- If there is anything else you need to do, Member Services will tell you.
- You can also write your complaint and send it to us. If you put your complaint in writing, we will respond to your complaint in writing.

We must address your grievance as quickly as your health requires, but no later than 30 calendar days after receiving your complaint.

**The legal term for “fast complaint” is “expedited grievance.”**

If possible, we answer you right away. If you call us with a complaint, we may be able to give you an answer on the same phone call. If your health condition requires us to answer quickly, we will do that.

- We answer most complaints within 30 calendar days. If we don't make a decision within 30 calendar days because we need more information, we notify you in writing. We also provide a status update and estimated time for you to get the answer.
- If you make a complaint because we denied your request for a “fast coverage decision” or a “fast appeal,” we automatically give you a “fast complaint” and respond to your complaint within 24 hours.
- If you make a complaint involving a serious threat to your health, including, but not limited to, severe pain or potential loss of life, limb, or major bodily function, we may give you a “fast complaint” and respond to your complaint within 24 hours.

If we don't agree with some or all of your complaint, we will tell you and give you our reasons. We respond whether we agree with the complaint or not.

## A. When you can end your membership in our plan

Most people with Medicare can end their membership during certain times of the year. Since you have Medi-Cal, you have some choices to end your membership with our plan any month of the year:

In addition, you may end your membership in our plan during the following periods each year:

- The **Annual Enrollment Period**, which lasts from October 15 to December 7. If you choose a new plan during this period, your membership in our plan ends on December 31 and your membership in the new plan starts on January 1.
- The **Medicare Advantage (MA) Open Enrollment Period**, which lasts from January 1 to March 31 and also for new Medicare beneficiaries who are enrolled in a plan, from the month of entitlement to Part A and Part B until the last day of the 3rd month of entitlement. If you choose a new plan during this period, your membership in the new plan starts the first day of the next month.

There may be other situations when you are eligible to make a change to your enrollment. For example, when:

- You move out of our service area,
- Your eligibility for Medi-Cal or Extra Help changed, or
- If you recently moved into, currently are getting care in, or just moved out of a nursing facility or a long-term care hospital.

Your membership ends on the last day of the month that we get your request to change your plan. For example, if we get your request on January 18, your coverage with our plan ends on January 31. Your new coverage begins the first day of the next month (February 1, in this example).

If you leave our plan, you can get information about your:

- Medicare options in the table in **Section C1**.
- Medi-Cal options and services in **Section C2**.

If you are no longer eligible for Medi-Cal, we will tell you in writing that you have a four-month grace period to regain Medi-Cal eligibility before you are required to leave the **Kaiser Permanente Dual Complete** plan. Prior to termination of your enrollment in the **Kaiser Permanente Dual Complete** plan, we will contact you to give you the opportunity to enroll in one of our other Medicare Advantage plans. If you are within our plan's four-month period of deemed continued eligibility, we will continue to provide all Medicare Advantage plan–covered benefits. ## C. Notice about Medicare as a second payer and Medi-Cal as a payer of last resort

Sometimes someone else must pay first for the services we provide you. For example, if you're in a car accident or if you're injured at work, insurance or Workers Compensation must pay first.

We have the right and responsibility to collect for covered Medicare services for which Medicare is not the first payer.

We comply with federal and state laws and regulations relating to the legal liability of third parties for health care services to members. We take all reasonable measures to ensure that Medi-Cal is the payer of last resort.

## D. Notice about Medi-Cal estate recovery

## G. Binding arbitration

The following description of binding arbitration applies to the following members:

- All members enrolled in a Kaiser Permanente Medicare Advantage Individual Plan with an effective date prior to January 1, 2008; and
- All members enrolled in a Kaiser Permanente Medicare Advantage Individual Plan with an effective date of January 1, 2008 or after who have not expressly opted out of the binding arbitration process within 60 calendar days of his or her Medicare Advantage effective date.

For all claims subject to this "Binding Arbitration" section, both Claimants and Respondents give up the right to a jury or court trial and accept the use of binding arbitration. Insofar as this "Binding Arbitration" section applies to claims asserted by Kaiser Permanente Parties, it shall apply retroactively to all unresolved claims that accrued before the effective date of this *Member Handbook*. Such retroactive application shall be binding only on the Kaiser Permanente Parties.

## Scope of arbitration

Any dispute shall be submitted to binding arbitration if all of the following requirements are met:

- The claim arises from or is related to an alleged violation of any duty incident to or arising out of or relating to this *Member Handbook* or a member Party's relationship to Kaiser Foundation Health Plan, Inc., including any claim for medical or hospital malpractice (a claim that medical services or items were unnecessary or unauthorized or were improperly, negligently, or incompetently rendered), for premises liability, or relating to the coverage for, or delivery of, services or items, irrespective of the legal theories upon which the claim is asserted.

**If you have questions**, please call Member Services at 1-800-443-0815 (TTY 711), 8 a.m. to 8 p.m., 7 days a week. The call is free. **For more information**, visit [kp.org/medicare](http://kp.org/medicare).

- The claim is asserted by one or more member Parties against one or more Kaiser Permanente Parties or by one or more Kaiser Permanente Parties against one or more member Parties.
- Governing law does not prevent the use of binding arbitration to resolve the claim.

Members enrolled under this *Member Handbook* thus give up their right to a court or jury trial, and instead accept the use of binding arbitration except that the following types of claims are not subject to binding arbitration:

- Claims within the jurisdiction of the Small Claims Court.
- Claims subject to a Medicare appeal procedure as applicable to Kaiser Permanente Dual Complete Plan members (see **Chapter 9** for Medicare appeal information).
- Claims that cannot be subject to binding arbitration under governing law.

As referred to in this “Binding arbitration” section, “member Parties” include:

- A member.
- A member’s heir, relative, or personal representative.
- Any person claiming that a duty to him or her arises from a member’s relationship to one or more Kaiser Permanente Parties.

“Kaiser Permanente Parties” include:

- Kaiser Foundation Health Plan, Inc
- Kaiser Foundation Hospitals.
- The Permanente Medical Group, Inc.
- Southern California Permanente Medical Group.
- The Permanente Federation, LLC.
- The Permanente Company, LLC.
- Any Southern California Permanente Medical Group or The Permanente Medical Group physician.
- Any individual or organization whose contract with any of the organizations identified above requires arbitration of claims brought by one or more member Parties.
- Any employee or agent of any of the foregoing.

“Claimant” refers to a member Party or a Kaiser Permanente Party who asserts a claim as described above. “Respondent” refers to a member Party or a Kaiser Permanente Party against whom a claim is asserted.

## Rules of Procedure

Arbitrations shall be conducted according to the **Rules for Kaiser Permanente Member Arbitrations Overseen by the Office of the Independent Administrator** (“Rules of Procedure”) developed by the Office of the Independent Administrator in consultation with Kaiser Permanente and the Arbitration Oversight Board. Copies of the Rules of Procedure may be obtained from Member Services.

## Initiating arbitration

Claimants shall initiate arbitration by serving a Demand for Arbitration. The Demand for Arbitration shall include the basis of the claim against the Respondents; the amount of damages the Claimants seek in the arbitration; the names, addresses, and telephone numbers of the Claimants and their attorney, if any; and the names of all Respondents. Claimants shall include in the Demand for Arbitration all claims against Respondents that are based on the same incident, transaction, or related circumstances.

## Serving Demand for Arbitration

Kaiser Foundation Health Plan, Inc., Kaiser Foundation Hospitals, KP Cal, LLC, The Permanente Medical Group, Inc., Southern California Permanente Medical Group, The Permanente Federation, LLC, and The Permanente Company, LLC, shall be served with a Demand for Arbitration by mailing the Demand for Arbitration addressed to that Respondent in care of:

- **South P1 Plan:** Kaiser Foundation Health Plan, Inc.  
Legal Department, Professional & Public Liability  
373 E. Walnut Street  
Pasadena, CA 91188
- **North P2 Plan:** Kaiser Foundation Health Plan, Inc.  
Legal Department, Professional & Public Liability  
1 Kaiser Plaza, 19<sup>th</sup> Floor  
Oakland, CA 94612

Service on that Respondent shall be deemed completed when received. All other Respondents, including individuals, must be served as required by the California Code of Civil Procedure for a civil action.

## Filing fee

The Claimants shall pay a single, nonrefundable filing fee of \$150 per arbitration payable to “Arbitration Account” regardless of the number of claims asserted in the Demand for Arbitration or the number of Claimants or Respondents named in the Demand for Arbitration.

Any Claimant who claims extreme hardship may request that the Office of the Independent Administrator waive the filing fee and the neutral arbitrator’s fees and expenses. A Claimant who seeks such waivers shall complete the Fee Waiver Form and submit it to the Office of the Independent Administrator and simultaneously serve it upon the Respondents. The Fee Waiver Form sets forth the criteria for waiving fees and is available by calling Member Services.

## Number of arbitrators

The number of arbitrators may affect the Claimants’ responsibility for paying the neutral arbitrator’s fees and expenses (see the Rules of Procedure).

If the Demand for Arbitration seeks total damages of \$200,000 or less, the dispute shall be heard and determined by one neutral arbitrator, unless the parties otherwise agree in writing after a dispute has arisen and a request for binding arbitration has been submitted that the arbitration shall be heard by two party arbitrators and one neutral arbitrator. The neutral arbitrator shall not have authority to award monetary damages that are greater than \$200,000.

If the Demand for Arbitration seeks total damages of more than \$200,000, the dispute shall be heard and determined by one neutral arbitrator and two-party arbitrators, one jointly appointed by all Claimants and one jointly appointed by all Respondents. Parties who are entitled to select a party arbitrator may agree to waive this right. If all parties agree, these arbitrations will be heard by a single neutral arbitrator.

## Payment of arbitrators’ fees and expenses

Kaiser Foundation Health Plan, Inc., will pay the fees and expenses of the neutral arbitrator under certain conditions as set forth in the Rules of Procedure. In all other arbitrations, the fees and expenses of the neutral arbitrator shall be paid one-half by the Claimants and one-half by the Respondents.

If the parties select party arbitrators, Claimants shall be responsible for paying the fees and expenses of their party arbitrator and Respondents shall be responsible for paying the fees and expenses of their party arbitrator.

## Costs

Except for the aforementioned fees and expenses of the neutral arbitrator, and except as otherwise mandated by laws that apply to arbitrations under this “Binding arbitration” section, each party shall bear the party’s own attorneys’ fees, witness fees, and other expenses incurred in prosecuting or defending against a claim regardless of the nature of the claim or outcome of the arbitration.

## General provisions

A claim shall be waived and forever barred if (1) on the date the Demand for Arbitration of the claim is served, the claim, if asserted in a civil action, would be barred as to the Respondent served by the applicable statute of limitations, (2) Claimants fail to pursue the arbitration claim in accord with the Rules of Procedure with reasonable diligence, or (3) the arbitration hearing is not commenced within five years after the earlier of (a) the date the Demand for Arbitration was served in accord with the procedures prescribed herein, or (b) the date of filing of a civil action based upon the same incident, transaction, or related circumstances involved in the claim. A claim may be dismissed on other grounds by the neutral arbitrator based on a showing of a good cause. If a party fails to attend the arbitration hearing after being given due notice thereof, the neutral arbitrator may proceed to determine the controversy in the party's absence.

The California Medical Injury Compensation Reform Act of 1975 (including any amendments thereto), including sections establishing the right to introduce evidence of any insurance or disability benefit payment to the patient, the limitation on recovery for noneconomic losses, and the right to have an award for future damages conformed to periodic payments, shall apply to any claims for professional negligence or any other claims as permitted or required by law.

Arbitrations shall be governed by this "Binding arbitration" section, **Section 2** of the Federal Arbitration Act, and the California Code of Civil Procedure provisions relating to arbitration that are in effect at the time the statute is applied, together with the Rules of Procedure, to the extent not inconsistent with this "Binding arbitration" section. In accord with the rule that applies under **Sections 3 and 4** of the Federal Arbitration Act, the right to arbitration under this "Binding arbitration" section shall not be denied, stayed, or otherwise impeded because a dispute between a member Party and a Kaiser Permanente Party involves both arbitrable and nonarbitrable claims or because one or more parties to the arbitration is also a party to a pending court action with a third party that arises out of the same or related transactions and presents a possibility of conflicting rulings or findings.

## H. Assignment

You may not assign this *Member Handbook* or any of the rights, interests, claims for money due, benefits, or obligations hereunder without our prior written consent.

---

## I. Attorney and advocate fees and expenses

**If you have questions**, please call Member Services at 1-800-443-0815 (TTY 711), 8 a.m. to 8 p.m., 7 days a week. The call is free. **For more information**, visit [kp.org/medicare](http://kp.org/medicare).

## J. Coordination of benefits

If you have other insurance, you are required to use your other coverage in combination with your coverage as a Kaiser Permanente Dual Complete Plan member to pay for the care you receive. This is called “coordination of benefits” because it involves coordinating all of the health benefits that are available to you. You will get your covered care as usual from network providers, and the other coverage you have will simply help pay for the care you receive.

If your other coverage is the primary payer, it will often settle its share of payment directly with us, and you will not have to be involved. However, if payment owed to us by a primary payer is sent directly to you, you are required by Medicare law to give this primary payment to us. For more information about primary payments in third party liability situations, see **Section Q** in this chapter, and for primary payments in workers’ compensation cases, see **Section R** in this chapter.

You must tell us if you have other health care coverage, and let us know whenever there are any changes in your additional coverage.

---

## K. Employer responsibility

For any services that the law requires an employer to provide, we will not pay the employer, and when we cover any such services, we may recover the value of the services from the employer.

---

## L. *Member Handbook* binding on members

By electing coverage or accepting benefits under this *Member Handbook*, all members legally capable of contracting, and the legal representatives of all members incapable of contracting, agree to all provisions of this *Member Handbook*.

---

## M. Government agency responsibility

For any services that the law requires be provided only by or received only from a government agency, we will not pay the government agency, and when we cover any such services we may recover the value of the services from the government agency.

---

## N. Member nonliability

Our contracts with network providers provide that you are not liable for any amounts we owe. However, you are liable for the cost of noncovered services you obtain from network providers or out-of-network providers.

**If you have questions**, please call Member Services at 1-800-443-0815 (TTY 711), 8 a.m. to 8 p.m., 7 days a week. The call is free. **For more information**, visit [kp.org/medicare](http://kp.org/medicare).

## O. No waiver

Our failure to enforce any provision of this *Member Handbook* will not constitute a waiver of that or any other provision, or impair our right thereafter to require your strict performance of any provision.

---

## P. Notices

Our notices to you will be sent to the most recent address we have. You are responsible for notifying us of any change in your address. If you move, please call Member Services (phone numbers are printed on the back of this booklet) and Social Security at 1-800-772-1213 (TTY 1-800-325-0778) as soon as possible to report your address change.

---

## Q. Overpayment recovery

We may recover any overpayment we make for services from anyone who receives such an overpayment or from any person or organization obligated to pay for the services.

---

## R. Third party liability

Third parties who cause you injury or illness (and/or their insurance companies) usually must pay first before Medicare or our plan. Therefore, we are entitled to pursue these primary payments. If you obtain a judgment or settlement from or on behalf of a third party who allegedly caused an injury or illness for which you received covered services, you must ensure we receive reimbursement for those services.

Note: This “Third party liability” section does not affect your obligation to pay cost-sharing for these services.

To the extent permitted or required by law, we shall be subrogated to all claims, causes of action, and other rights you may have against a third party or an insurer, government program, or other source of coverage for monetary damages, compensation, or indemnification on account of the injury or illness allegedly caused by the third party. We will be so subrogated as of the time we mail or deliver a written notice of our exercise of this option to you or your attorney.

To secure our rights, we will have a lien and reimbursement rights to the proceeds of any judgment or settlement you or we obtain against a third party that results in any settlement proceeds or judgment, from other types of coverage that include but are not limited to: liability, uninsured motorist, underinsured motorist, personal umbrella, workers’ compensation, personal injury, medical payments and all other first party types. The proceeds of any judgment or settlement that you or we obtain shall first be applied to satisfy our lien, regardless of whether you are made whole and regardless of whether the total amount of the proceeds is less than the actual losses and damages you incurred. We are not required to pay attorney fees or costs to any attorney hired by you to pursue your damages claim. If you reimburse us without the need for legal action, we will allow a procurement cost discount. If we have to pursue legal action to enforce its interest, there will be no procurement discount. Within 30 days after

submitting or filing a claim or legal action against a third party, you must send written notice of the claim or legal action to:

The Rawlings Company  
One Eden Parkway  
P.O. Box 2000  
LaGrange, KY 40031-2000  
Fax: 1-502-214-1137

In order for us to determine the existence of any rights we may have and to satisfy those rights, you must complete and send us all consents, releases, authorizations, assignments, and other documents, including lien forms directing your attorney, the third party, and the third party's liability insurer to pay us directly. You may not agree to waive, release, or reduce our rights under this provision without our prior, written consent.

If your estate, parent, guardian, or conservator asserts a claim against a third party based on your injury or illness, your estate, parent, guardian, or conservator and any settlement or judgment recovered by the estate, parent, guardian, or conservator shall be subject to our liens and other rights to the same extent as if you had asserted the claim against the third party. We may assign our rights to enforce our liens and other rights.

---

## S. U.S. Department of Veterans Affairs

For any services for conditions arising from military service that the law requires the Department of Veterans Affairs to provide, we will not pay the Department of Veterans Affairs, and when we cover any such services we may recover the value of the services from the Department of Veterans Affairs.

---

## T. Workers' compensation or employer's liability benefits

Workers' compensation usually must pay first before Medicare or our plan. Therefore, we are entitled to pursue primary payments under workers' compensation or employer's liability law. You may be eligible for payments or other benefits, including amounts received as a settlement (collectively referred to as "Financial Benefit"), under workers' compensation or employer's liability law. We will provide covered services even if it is unclear whether you are entitled to a Financial Benefit, but we may recover the value of any covered services from the following sources:

- From any source providing a Financial Benefit or from whom a Financial Benefit is due.
- From you, to the extent that a Financial Benefit is provided or payable or would have been required to be provided or payable if you had diligently sought to establish your rights to the Financial Benefit under any workers' compensation or employer's liability law.

## U. Surrogacy

In situations where a member receives monetary compensation to act as a surrogate, our plan will seek reimbursement of all Plan Charges for covered services the member receives that are associated with conception, pregnancy and/or delivery of the child. A surrogate arrangement is one in which a woman agrees to become pregnant and to surrender the baby to another person or persons who intend to raise the child.

## Chapter 12: Definitions of important words

---

### Introduction

This chapter includes key terms used throughout this *Member Handbook* with their definitions. The terms are listed in alphabetical order. If you can't find a term you're looking for or if you need more information than a definition includes, contact Member Services.

**Activities of daily living (ADL):** The things people do on a normal day, such as eating, using the toilet, getting dressed, bathing, or brushing teeth.

**Administrative law judge:** A judge that reviews a level 3 appeal.

**AIDS drug assistance program (ADAP):** A program that helps eligible individuals living with HIV/AIDS have access to life-saving HIV medications.

**Ambulatory surgical center:** A facility that provides outpatient surgery to patients who do not need hospital care and who are not expected to need more than 24 hours of care.

**Appeal:** A way for you to challenge our action if you think we made a mistake. You can ask us to change a coverage decision by filing an appeal. **Chapter 9** of this *Member Handbook* explains appeals, including how to make an appeal.

**Behavioral Health:** An all-inclusive term referring to mental health and substance use disorder services.

**Biological product:** A prescription drug that is made from natural and living sources like animal cells, plant cells, bacteria, or yeast. Biological products are more complex than other drugs and cannot be copied exactly, so alternative forms are called biosimilars. (See also "Original Biological Product" and "Biosimilar").

**Biosimilar:** A biological drug that is very similar, but not identical, to the original biological product. Biosimilars are as safe and effective as the original biological product. Some biosimilars may be substituted for the original biological product at the pharmacy without needing a new prescription. (See "Interchangeable Biosimilar").

**Brand name drug:** A prescription drug that is made and sold by the company that originally made the drug. Brand name drugs have the same ingredients as the generic versions of the drugs. Generic drugs are usually made and sold by other drug companies.

**Care coordinator:** One main person who works with you, with the health plan, and with your care providers to make sure you get the care you need.

**Care plan:** Refer to “Individualized Care Plan.”

**Care Plan Optional Services (CPO Services):** Additional services that are optional under your Individualized Care Plan (ICP). These services are not intended to replace long-term services and supports that you are authorized to get under Medi-Cal.

**Care team:** Refer to “Interdisciplinary Care Team.”

**Catastrophic coverage stage:** The stage in the Medicare Part D drug benefit where our plan pays all costs of your drugs until the end of the year. You begin this stage when you (or other qualified parties on your behalf) have spent **\$2,000** for Medicare Part D covered drugs during the year. During this payment stage, the plan pays the full cost for your covered Medicare Part D drugs. You pay nothing.

**Centers for Medicare & Medicaid Services (CMS):** The federal agency in charge of Medicare. **Chapter 2** of this *Member Handbook* explains how to contact CMS.

**Community-Based Adult Services (CBAS) where available:** Outpatient, facility-based service program that delivers skilled nursing care, social services, occupational and speech therapies, personal care, family/caregiver training and support, nutrition services, transportation, and other services to eligible members who meet applicable eligibility criteria.

**Complaint:** A written or spoken statement saying that you have a problem or concern about your covered services or care. This includes any concerns about the quality of service, quality of your care, our network providers, or our network pharmacies. The formal name for “making a complaint” is “filing a grievance.”

**Comprehensive outpatient rehabilitation facility (CORF):** A facility that mainly provides rehabilitation services after an illness, accident, or major operation. It provides a variety of services, including physical therapy, social or psychological services, respiratory therapy, occupational therapy, speech therapy, and home environment evaluation services.

**Copay:** A fixed amount you pay as your share of the cost each time you get certain services or prescription drugs. For example, you might pay \$2 or \$5 for a service or a prescription drug.

**Cost sharing:** Amounts you have to pay when you get certain services or prescription drugs. Cost sharing includes copays.

**Cost-sharing tier:** A group of drugs with the same copay. Every drug on the List of Covered Drugs (also known as the Drug List) is in one of two cost-sharing tiers. In general, the higher the cost-sharing tier, the higher your cost for the drug.

**Coverage decision:** A decision about what benefits we cover. This includes decisions about covered drugs and services or the amount we pay for your health services. **Chapter 9** of this *Member Handbook* explains how to ask us for a coverage decision.

**Covered drugs:** The term we use to mean all of the prescription drugs covered by our plan.

**Covered services:** The general term we use to mean all of the health care, long-term services and supports, supplies, prescription drugs, equipment, and other services our plan covers.

**Cultural competence training:** Training that provides additional instruction for our health care providers that helps them better understand your background, values, and beliefs to adapt services to meet your social, cultural, and language needs.

**Department of Health Care Services (DHCS):** The state department in California that administers the Medicaid Program (known as Medi-Cal).

**Department of Managed Health Care (DMHC):** The state department in California responsible for regulating health plans. DMHC helps people with appeals and complaints about Medi-Cal services. DMHC also conducts Independent Medical Reviews (IMR).

**Disenrollment:** The process of ending your membership in our plan. Disenrollment may be voluntary (your own choice) or involuntary (not your own choice).

**Drug management program (DMP):** A program that helps make sure members safely use prescription opioids and other frequently abused medications.

**Dual eligible special needs plan (D-SNP):** Health plan that serves individuals who are eligible for both Medicare and Medicaid. Our plan is a D-SNP.

**Durable medical equipment (DME):** Certain items your doctor orders for use in your own home. Examples of these items are wheelchairs, crutches, powered mattress systems, diabetic supplies, hospital beds ordered by a provider for use in the home, IV infusion pumps, speech generating devices, oxygen equipment and supplies, nebulizers, and walkers.

**Emergency:** A medical emergency when you, or any other person with an average knowledge of health and medicine, believe that you have medical symptoms that need immediate medical attention to prevent death, loss of a body part, or loss of or serious impairment to a bodily function. The medical symptoms may be an illness, injury, severe pain, or a medical condition that is quickly getting worse.

**Emergency care:** Covered services given by a provider trained to give emergency services and needed to treat a medical or behavioral health emergency.

**Exception:** Permission to get coverage for a drug not normally covered or to use the drug without certain rules and limitations.

**Excluded Services:** Services that are not covered by this health plan.

**Extra Help:** Medicare program that helps people with limited incomes and resources reduce Medicare Part D prescription drug costs, such as premiums, deductibles, and copays. Extra Help is also called the “Low-Income Subsidy,” or “LIS.”

**Generic drug:** A prescription drug approved by the federal government to use in place of a brand name drug. A generic drug has the same ingredients as a brand name drug. It’s usually cheaper and works just as well as the brand name drug.

**Grievance:** A complaint you make about us or one of our network providers or pharmacies. This includes a complaint about the quality of your care or the quality of service provided by your health plan.

**Health Insurance Counseling and Advocacy Program (HICAP):** A program that provides free and objective information and counseling about Medicare. **Chapter 2** of this *Member Handbook* explains how to contact HICAP.

**Health plan:** An organization made up of doctors, hospitals, pharmacies, providers of long-term services, and other providers. It also has care coordinators to help you manage all your providers and services. All of them work together to provide the care you need.

**Health risk assessment (HRA):** A review of your medical history and current condition. It’s used to learn about your health and how it might change in the future.

**Home health aide:** A person who provides services that don’t need the skills of a licensed nurse or therapist, such as help with personal care (like bathing, using the toilet, dressing, or carrying out the prescribed exercises). Home health aides don’t have a nursing license or provide therapy.

**Hospice:** A program of care and support to help people who have a terminal prognosis live comfortably. A terminal prognosis means that a person has been medically certified as terminally ill, meaning having a life expectancy of 6 months or less.

An enrollee who has a terminal prognosis has the right to elect hospice.

A specially trained team of professionals and caregivers provide care for the whole person, including physical, emotional, social, and spiritual needs.

We are required to give you a list of hospice providers in your geographic area.

**Improper/inappropriate billing:** A situation when a provider (such as a doctor or hospital) bills you more than our cost sharing amount for services. Call Member Services if you get any bills you don’t understand.

As a plan member, you only pay our plan’s cost sharing amounts when you get services we cover. We do not allow providers to bill you more than this amount.

**In Home Supportive Services (IHSS):** The IHSS Program will help pay for services provided to you so that you can remain safely in your own home. IHSS is an alternative to out-of-home care, such

as nursing homes or board and care facilities. The types of services which can be authorized through IHSS are housecleaning, meal preparation, laundry, grocery shopping, personal care services (such as bowel and bladder care, bathing, grooming and paramedical services), accompaniment to medical appointments, and protective supervision for the mentally impaired. County social service agencies administer IHSS.

**Independent Medical Review (IMR):** If we deny your request for medical services or treatment, you can make an appeal. If you disagree with our decision and your problem is about a Medi-Cal service, including DME supplies and drugs, you can ask the California Department of Managed Health Care for an IMR. An IMR is a review of your case by doctors who are not part of our plan. If the IMR decision is in your favor, we must give you the service or treatment you asked for. You pay no costs for an IMR.

**Independent review organization (IRO):** An independent organization hired by Medicare that reviews a level 2 appeal. It is not connected with us and is not a government agency. This organization decides whether the decision we made is correct or if it should be changed. Medicare oversees its work. The formal name is the Independent Review Entity.

**Individualized Care Plan (ICP or Care Plan):** A plan for what services you will get and how you will get them. Your plan may include medical services, behavioral health services, and long-term services and supports.

**Initial coverage stage:** The stage before your total Medicare Part D drug expenses reach **\$2,000**. This includes amounts you paid, what our plan paid on your behalf, and the low-income subsidy. **You begin in this state when you fill your first prescription of the year.** During this stage, we pay part of the costs of your drugs, and you pay your share.

**Inpatient:** A term used when you are formally admitted to the hospital for skilled medical services. If you're not formally admitted, you may still be considered an outpatient instead of an inpatient even if you stay overnight.

**Interdisciplinary Care Team (ICT or Care team):** A care team may include doctors, nurses, counselors, or other health professionals who are there to help you get the care you need. Your care team also helps you make a care plan.

**Integrated D-SNP:** A dual-eligible special needs plan that covers Medicare and most or all Medicaid services under a single health plan for certain groups of individuals eligible for both Medicare and Medicaid. These individuals are known as full-benefit dually eligible individuals.

**Interchangeable Biosimilar:** A biosimilar that may be substituted at the pharmacy without needing a new prescription because it meets additional requirements related to the potential for automatic substitution. Automatic substitution at the pharmacy is subject to state law.

**List of Covered Drugs (*Drug List*):** A list of prescription drugs we cover. We choose the drugs on this list with the help of doctors and pharmacists. The *Drug List* tells you if there are any rules you need to follow to get your drugs. The *Drug List* is sometimes called a “formulary.”

**Long-term services and supports (LTSS):** Long-term services and supports help improve a long-term medical condition. Most of these services help you stay in your home so you don’t have to go to a nursing facility or hospital. LTSS covered by our plan include Community-Based Adult Services (CBAS) where available, also known as adult day health care, Nursing Facilities (NF), and Community Supports. IHSS and 1915(c) waiver programs are Medi-Cal LTSS provided outside our plan.

**Low-income subsidy (LIS):** Refer to “Extra Help.”

**Mail Order Program:** Some plans may offer a mail-order program that allows you to get up to a 3-month supply of your covered prescription drugs sent directly to your home. This may be a cost-effective and convenient way to fill prescriptions you take regularly.

**Medi-Cal:** This is the name of California’s Medicaid program. Medi-Cal is managed by the state and is paid for by the state and the federal government.

- It helps people with limited incomes and resources pay for long-term services and supports and medical costs.
- It covers extra services and some drugs not covered by Medicare.
- Medicaid programs vary from state to state, but most health care costs are covered if you qualify for both Medicare and Medi-Cal.

**Medi-Cal plans:** Plans that cover only Medi-Cal benefits, such as long-term services and supports, medical equipment, and transportation. Medicare benefits are separate.

**Medicaid (or Medical Assistance):** A program run by the federal government and the state that helps people with limited incomes and resources pay for long-term services and supports and medical costs. Medi-Cal is the Medicaid program for the State of California.

**Medically necessary:** This describes services, supplies, or drugs you need to prevent, diagnose, or treat a medical condition or to maintain your current health status. This includes care that keeps you from going into a hospital or nursing facility. It also means the services, supplies, or drugs meet accepted standards of medical practice.

**Medicare:** The federal health insurance program for people 65 years of age or older, some people under age 65 with certain disabilities, and people with end-stage renal disease (generally those with permanent kidney failure who need dialysis or a kidney transplant). People with Medicare can get their Medicare health coverage through Original Medicare or a managed care plan (refer to “Health plan”).

**Medicare Advantage:** A Medicare program, also known as “Medicare Part C” or “MA,” that offers MA plans through private companies. Medicare pays these companies to cover your Medicare benefits.

**Medicare Appeals Council (Council):** A council that reviews a level 4 appeal. The Council is part of the Federal government.

**Medicare-covered services:** Services covered by Medicare Part A and Part B. All Medicare health plans, including our plan, must cover all of the services covered by Medicare Part A and Medicare Part B.

**Medicare diabetes prevention program (MDPP):** A structured health behavior change program that provides training in long-term dietary change, increased physical activity, and strategies for overcoming challenges to sustaining weight loss and a healthy lifestyle.

**Medicare-Medi-Cal enrollee:** A person who qualifies for Medicare and Medi-Cal coverage. A Medicare-Medi-Cal enrollee is also called a “dually eligible individual.”

**Medicare Part A:** The Medicare program that covers most medically necessary hospital, skilled nursing facility, home health, and hospice care.

**Medicare Part B:** The Medicare program that covers services (such as lab tests, surgeries, and doctor visits) and supplies (such as wheelchairs and walkers) that are medically necessary to treat a disease or condition. Medicare Part B also covers many preventive and screening services.

**Medicare Part C:** The Medicare program, also known as “Medicare Advantage” or “MA” that lets private health insurance companies provide Medicare benefits through an MA Plan.

**Medicare Part D:** The Medicare prescription drug benefit program. We call this program “Part D” for short. Medicare Part D covers outpatient prescription drugs, vaccines, and some supplies not covered by Medicare Part A or Medicare Part B or Medicaid. Our plan includes Medicare Part D.

**Medicare Part D drugs:** Drugs covered under Medicare Part D. Congress specifically excludes certain categories of drugs from coverage under Medicare Part D. Medicaid may cover some of these drugs.

**Medication Therapy Management (MTM):** A distinct group of service or group of services provided by health care providers, including pharmacists, to ensure the best therapeutic outcomes for patients. Refer to **Chapter 5** of this *Member Handbook* for more information.

**Medi-Medi plan:** A Medicare Medi-Cal Plan (Medi-Medi Plan) is a type of Medicare Advantage plan. It is for people who have both Medicare and Medi-Cal, and combines Medicare and Medi-Cal benefits

into one plan. Medi-Medi Plans coordinate all benefits and services across both programs, including all Medicare and Medi-Cal covered services.

**Member (member of our plan, or plan member):** A person with Medicare and Medi-Cal who qualifies to get covered services, who has enrolled in our plan, and whose enrollment has been confirmed by the Centers for Medicare & Medicaid Services (CMS) and the state.

**Member Handbook and Disclosure Information:** This document, along with your enrollment form and any other attachments, or riders, which explain your coverage, what we must do, your rights, and what you must do as a member of our plan.

**Member Services:** A department in our plan responsible for answering your questions about membership, benefits, grievances, and appeals. Refer to **Chapter 2** of this *Member Handbook* for more information about Member Services.

**Network pharmacy:** A pharmacy (drug store) that agreed to fill prescriptions for our plan members. We call them “network pharmacies” because they agreed to work with our plan. In most cases, we cover your prescriptions only when filled at one of our network pharmacies.

**Network provider:** “Provider” is the general term we use for doctors, nurses, and other people who give you services and care. The term also includes hospitals, home health agencies, clinics, and other places that give you health care services, medical equipment, and long-term services and supports.

- They are licensed or certified by Medicare and by the state to provide health care services.
- We call them “network providers” when they agree to work with our health plan, accept our payment, and do not charge members an extra amount.
- While you’re a member of our plan, you must use network providers to get covered services. Network providers are also called “plan providers.”

**Nursing home or facility:** A facility that provides care for people who can’t get their care at home but don’t need to be in the hospital.

**Ombudsman:** An office in your state that works as an advocate on your behalf. They can answer questions if you have a problem or complaint and can help you understand what to do. The ombudsperson’s services are free. You can find more information in **Chapters 2 and 9** of this *Member Handbook*.

**Organization determination:** Our plan makes an organization determination when we, or one of our providers, decide about whether services are covered or how much you pay for covered services. Organization determinations are called “coverage decisions.” **Chapter 9** of this *Member Handbook* explains coverage decisions.

**Original Biological Product:** A biological product that has been approved by the Food and Drug

Administration (FDA) and serves as the comparison for manufacturers making a biosimilar version. It is also called a reference product.

**Original Medicare (traditional Medicare or fee-for-service Medicare):** The government offers Original Medicare. Under Original Medicare, services are covered by paying doctors, hospitals, and other health care providers amounts that Congress determines.

- You can use any doctor, hospital, or other health care provider that accepts Medicare. Original Medicare has two parts: Medicare Part A (hospital insurance) and Medicare Part B (medical insurance).
- Original Medicare is available everywhere in the United States.
- If you don't want to be in our plan, you can choose Original Medicare.

**Out-of-network pharmacy:** A pharmacy that has not agreed to work with our plan to coordinate or provide covered drugs to members of our plan. Our plan doesn't cover most drugs you get from out-of-network pharmacies unless certain conditions apply.

**Out-of-network provider or Out-of-network facility:** A provider or facility that is not employed, owned, or operated by our plan and is not under contract to provide covered services to members of our plan. **Chapter 3** of this *Member Handbook* explains out-of-network providers or facilities.

**Out-of-pocket costs:** The cost sharing requirement for members to pay for part of the services or drugs they get is also called the "out-of-pocket" cost requirement. Refer to the definition for "cost sharing" above.

**Over-the-counter (OTC) drugs:** Over-the-counter drugs are drugs or medicines that a person can buy without a prescription from a health care professional. Refer to **Chapter 4** information about covered Over-the-Counter Health and Wellness items.

**Part A:** Refer to "Medicare Part A."

**Part B:** Refer to "Medicare Part B."

**Part C:** Refer to "Medicare Part C."

**Part D:** Refer to "Medicare Part D."

**Part D drugs:** Refer to "Medicare Part D drugs."

**Personal health information (also called Protected health information) (PHI):**

Information about you and your health, such as your name, address, social security number, physician visits, and medical history. Refer to our **Notice of Privacy Practices** for more information about how we protect, use, and disclose your PHI, as well as your rights with respect to your PHI.

**Primary care provider (PCP):** The doctor or other provider you use first for most health problems. They make sure you get the care you need to stay healthy.

- They also may talk with other doctors and health care providers about your care and refer you to them.
- In many Medicare health plans, you must use your primary care provider before you use any other health care provider.
- Refer to **Chapter 3** of this *Member Handbook* for information about getting care from primary care providers.

**Prior authorization (PA):** An approval you must get from us before you can get a specific service or drug or use an out-of-network provider. Our plan may not cover the service or drug if you don't get approval first.

Our plan covers some network medical services only if your doctor or other network provider gets PA from us.

- Covered services that need our plan's PA are marked in **Chapter 4** of this *Member Handbook*.

Our plan covers some drugs only if you get PA from us.

- Covered drugs that need our plan's PA are marked in the *List of Covered Drugs* and the rules are posted on our website.

**Program for All-Inclusive Care for the Elderly (PACE):** A program that covers Medicare and Medicaid benefits together for people age 55 and over who need a higher level of care to live at home.

**Prosthetics and Orthotics:** Medical devices ordered by your doctor or other health care provider that include, but are not limited to, arm, back, and neck braces; artificial limbs; artificial eyes; and devices needed to replace an internal body part or function, including ostomy supplies and enteral and parenteral nutrition therapy.

**Quality improvement organization (QIO):** A group of doctors and other health care experts who help improve the quality of care for people with Medicare. The federal government pays the QIO to check and improve the care given to patients. Refer to **Chapter 2** of this *Member Handbook* for information about the QIO.

**Quantity limits:** A limit on the amount of a drug you can have. We may limit the amount of the drug that we cover per prescription.

**Real Time Benefit Tool:** A portal or computer application in which enrollees can look up complete, accurate, timely, clinically appropriate, enrollee-specific covered drugs and benefit information. This includes cost sharing amounts, alternative drugs that may be used for the same health condition as a

given drug, and coverage restrictions (prior authorization or quantity limits) that apply to alternative drugs.

**Referral:** A referral is your primary care provider's (PCP's) or our approval to use a provider other than your PCP. If you don't get approval first, we may not cover the services. You don't need a referral to use certain specialists, such as women's health specialists. You can find more information about referrals in **Chapters 3 and 4** of this *Member Handbook*.

**Rehabilitation services:** Treatment you get to help you recover from an illness, accident or major operation. Refer to **Chapter 4** of this *Member Handbook* to learn more about rehabilitation services.

**Sensitive services:** Services related to mental or behavioral health, sexual and reproductive health, family planning, sexually transmitted infections (STIs), HIV/AIDS, sexual assault and abortions, substance use disorder, gender affirming care, and intimate partner violence.

**Service area:** A geographic area where a health plan accepts members if it limits membership based on where people live. For plans that limit which doctors and hospitals you may use, it's generally the area where you can get routine (non-emergency) services. Only people who live in our service area can enroll in our plan.

The service area is described in **Chapter 1** for the purposes of cost-sharing, enrollment, and disenrollment. For the purposes of obtaining covered services, you get care from network providers anywhere inside your Regions' service area (refer to our *Provider and Pharmacy Directory*).

**Share of cost:** The portion of your health care costs that you may have to pay each month before your benefits become effective. The amount of your share of cost varies depending on your income and resources.

**Skilled nursing facility (SNF):** A nursing facility with the staff and equipment to give skilled nursing care and, in most cases, skilled rehabilitative services and other related health services.

**Skilled nursing facility (SNF) care:** Skilled nursing care and rehabilitation services provided on a continuous, daily basis, in a skilled nursing facility. Examples of skilled nursing facility care include physical therapy or intravenous (IV) injections that a registered nurse or a doctor can give.

**Specialist:** A doctor who provides health care for a specific disease or part of the body.

**Specialized pharmacy:** Refer to **Chapter 5** of this *Member Handbook* to learn more about specialized pharmacies.

**State Hearing:** If your doctor or other provider asks for a Medi-Cal service that we won't approve, or we won't continue to pay for a Medi-Cal service you already have, you can ask for a State Hearing. If the State Hearing is decided in your favor, we must give you the service you asked for.

**Supplemental Security Income (SSI):** A monthly benefit Social Security pays to people with limited incomes and resources who are disabled, blind, or age 65 and over. SSI benefits are not the same as Social Security benefits.

**Urgently needed care:** Care you get for an unforeseen illness, injury, or condition that is not an emergency but needs care right away. You can get urgently needed care from out-of-network providers when network providers are unavailable or you cannot get to them because given your time, place, or circumstances, it is not possible, or it is unreasonable to obtain services from network providers (for example when you are outside the plan's service area and you require medically needed immediate services for an unseen condition but it is not a medical emergency).
