INTRODUCTION

This *Evidence of Coverage (EOC)*, including the “Benefit Summary” and any benefit riders attached to this *EOC*, describes the health care benefits of the Large Group PPO Plus Plan provided under the *Group Agreement (Agreement)* between Kaiser Foundation Health Plan of the Northwest and your Group. In the event of a conflict in language between the *Agreement* and the *EOC*, the *EOC* will govern. For benefits provided under any other Plan, refer to that Plan’s evidence of coverage.

The provider network for this PPO Plus Plan is the PPO Plus network.

Kaiser Foundation Health Plan of the Northwest uses health care benefit managers to administer this Plan. For a current list of the health care benefit managers we use and the services they provide, please visit kp.org/disclosures; look under “Choose your region”; select Oregon / SW Washington; click on “Coverage information”; expand the “Getting care” list; and open the document titled *List of Health Care Benefit Managers*.

The provisions of this *EOC* must be considered together to fully understand the benefits available under the *EOC*. In this *EOC*, Kaiser Foundation Health Plan of the Northwest is sometimes referred to as “Company,” “we,” “our,” or “us.” Members are sometimes referred to as “you.” Some capitalized terms have special meaning in this *EOC*. See the “Definitions” section for terms you should know. The benefits under this Plan are not subject to a pre-existing condition waiting period.

It is important to familiarize yourself with your coverage by reading this *EOC* and the “Benefit Summary” completely, so that you can take full advantage of your Plan benefits. Also, if you have special health care needs, carefully read the sections applicable to you.

If you would like additional information about your benefits, important health plan disclosures, or other products and services, please call Customer Service or e-mail us by registering at kp.org/register.

Term of This EOC

This *EOC* is effective for the period stated on the cover page, unless amended. Your Group’s benefits administrator can tell you whether this *EOC* is still in effect.

DEFINITIONS

The following terms, when capitalized and used in any part of this *EOC*, mean:

Allowed Amount. The lower of the following amounts:

- The actual fee the provider, facility, or vendor charged for the Service.
- 160 percent of the Medicare fee for the Service, as indicated by the applicable Current Procedural Terminology (CPT) code or Healthcare Common Procedure Coding System (HCPCS) code shown on the current Medicare fee schedule. The Medicare fee schedule is developed by the Centers for Medicare and Medicaid Services (CMS) and adjusted by Medicare geographical practice indexes. When there is no established CPT or HCPCS code indicating the Medicare fee for a particular Service, the Allowed Amount is 70 percent of the actual fee the provider, facility, or vendor charged for the Service.

Ancillary Service. Services that are:

- Related to emergency medicine, anesthesiology, pathology, radiology, and neonatology, whether provided by a physician or non-physician practitioner.
- Provided by assistant surgeons, hospitalists, and intensivists.
- Diagnostic Services, including radiology and laboratory Services.
- Provided by a Non-Participating Provider if there is no PPO Provider who can furnish such Service at the facility.

- Provided as a result of unforeseen, urgent medical needs that arise at the time the Service is provided, regardless of whether the Non-Participating Provider or Non-Participating Facility satisfies the notice and consent requirements under federal law.

Behavioral Health Emergency Services Provider. Emergency Services provided in any of the following settings, which are licensed or certified by the Washington Department of Health:

- A crisis stabilization unit.
- An evaluation and treatment facility that can provide directly, or by direct arrangement with other public or private agencies, emergency evaluation and treatment, outpatient care, and timely and appropriate inpatient care to persons suffering from a mental disorder.
- An agency certified to provide outpatient crisis services.
- A triage facility.
- An agency certified to provide medically managed or medically monitored withdrawal management services.
- A mobile rapid response crisis team that is contracted with a behavioral health administrative services organization operating to provide crisis response services in the behavioral health administrative services organization's service area.

Benefit Summary. A section of this *EOC* which provides a brief description of your medical Plan benefits and what you pay for covered Services.

Charges. Charges means the following:

- For Services provided by Medical Group or Kaiser Foundation Hospitals, the amount in Company's schedule of Medical Group and Kaiser Foundation Hospitals charges for Services provided to Members.
- For Services for which a provider or facility (other than Medical Group or Kaiser Foundation Hospitals) is compensated on a capitation basis, the amount in the schedule of charges that Company negotiates with the capitated provider.
- For Services received from other PPO Providers or PPO Facilities we contract with, the amount the provider or facility has agreed to accept as payment.
- For items obtained at a pharmacy owned and operated by Kaiser Permanente, the amount the pharmacy would charge a Member for the item if the Member's benefit Plan did not cover the pharmacy item. This amount is an estimate of: the cost of acquiring, storing, and dispensing drugs, the direct and indirect costs of providing pharmacy Services to Members, and the pharmacy program's contribution to the net revenue requirements of Company.
- For Emergency Services received from a Non-Participating Provider or Non-Participating Facility (including Post-Stabilization Care that constitutes Emergency Services under federal law), the amount required to be paid by Company pursuant to state law, when it is applicable, or federal law, including any amount determined through negotiation or an independent dispute resolution (IDR) process.
- For all other Services received from a Non-Participating Provider or Non-Participating Facility (including Post-Stabilization Services that are not Emergency Services under federal law), the amount (1) required to be paid pursuant to state law, when it is applicable, or federal law, including any amount determined through negotiation or an independent dispute resolution (IDR) process, or (2) in the event that neither state or federal law prohibiting balance billing apply, then the amount agreed to by the Non-Participating Provider or Non-Participating Facility and Company or, absent such an agreement, the Allowed Amount.

Coinsurance. The percentage of Charges or the percentage of the Allowed Amount that you must pay when you receive a covered Service.

Company. Kaiser Foundation Health Plan of the Northwest, an Oregon nonprofit corporation. This *EOC* sometimes refers to our Company as “we,” “our,” or “us.”

Copayment. The defined dollar amount that you must pay when you receive a covered Service.

Cost Share. The Deductible, Copayment, or Coinsurance you must pay for covered Services.

Deductible. The amount you must pay for certain Services you receive in a Year before we will cover those Services, subject to any applicable Copayment or Coinsurance, in that Year. Deductible amounts include the Deductible take-over amounts as described in the “What You Pay” section of this *EOC*.

Dependent. A Member who meets the eligibility requirements for a Dependent as described in the “Who Is Eligible” section.

Dependent Limiting Age. The “Premium, Eligibility, and Enrollment” section requires that most types of Dependents (other than Spouses and disabled Dependents as described in the “Dependents” section) be under the Dependent Limiting Age in order to be eligible for membership. The “Benefit Summary” shows the Dependent Limiting Age (the student Dependent Limiting Age is for students, and the general Dependent Limiting Age is for non-students).

Durable Medical Equipment (DME). Non-disposable supply or item of equipment that is able to withstand repeated use, primarily and customarily used to serve a medical purpose and generally not useful to you if you are not ill or injured.

Emergency Medical Condition. A medical, mental health, or Substance Use Disorder condition that manifests itself by acute symptoms of sufficient severity (including, but not limited to, severe pain or emotional distress) such that a prudent layperson, who possesses an average knowledge of health and medicine, could reasonably expect the absence of immediate medical, mental health, or Substance Use Disorder treatment attention to result in any of the following:

- Placing the person’s health (or, with respect to a pregnant person, the health of them or their unborn child) in serious jeopardy.
- Serious impairment to bodily functions.
- Serious dysfunction of any bodily organ or part.

Emergency Services. All of the following with respect to an Emergency Medical Condition:

- A medical screening examination (as required under the federal Emergency Medical Treatment and Active Labor Act, “EMTALA”) that is within the capability of the emergency department of a hospital, or of an Independent Freestanding Emergency Department, including Ancillary Services and patient observation routinely available to the emergency department to evaluate the Emergency Medical Condition.
- A behavioral health screening examination that is within the capability of a Behavioral Health Emergency Services Provider, including Ancillary Services routinely available to the Behavioral Health Emergency Services Provider to evaluate the Emergency Medical Condition.
- Further examination and treatment, within the capabilities of the staff and facilities available at the emergency department of a hospital, or Independent Freestanding Emergency Department, or Behavioral Health Emergency Services Provider to Stabilize the patient, as required under EMTALA (or would be required under EMTALA if it applied to each of these settings).
- Covered Services provided by a Non-Participating Provider (including staff or facilities at the emergency department of a hospital or Independent Freestanding Emergency Department, or Behavioral Health Emergency Services Provider) after you are Stabilized, and that are part of outpatient observation or an inpatient or outpatient stay with respect to the visit during which screening and Stabilization Services have been furnished, if the Non-Participating Provider determines that, taking into account your medical or

behavioral health condition, you are not able to travel to an available PPO Provider within a reasonable travel distance, using non-medical transportation or non-emergency transportation.

ERISA. The Employee Retirement Income Security Act of 1974, as amended.

Essential Health Benefits. Essential Health Benefits means benefits that the U.S. Department of Health and Human Services (HHS) Secretary defines as essential health benefits. Essential Health Benefits must be equal to the scope of benefits provided under a typical employer plan, except that they must include at least the following: ambulatory services, emergency services, hospitalization, maternity and newborn care, mental health and substance use disorder services (including behavioral health treatment), prescription drugs, rehabilitative and habilitative services and devices, laboratory services, preventive and wellness services and chronic disease management, and pediatric services (including oral and vision care).

Evidence of Coverage (EOC). This *Evidence of Coverage* document provided to the Subscriber that specifies and describes benefits and conditions of coverage. This document, on its own, is not designed to meet the requirements of a summary plan description (SPD) under ERISA. After you enroll, you will receive a postcard that explains how you may either download an electronic copy of this *EOC* or request that this *EOC* be mailed to you.

External Prosthetic Devices. External prosthetic devices are rigid or semi-rigid external devices required to replace all or any part of a body organ or extremity.

Family. A Subscriber and all of their Dependents.

Gender Affirming Treatment. Medically Necessary Services that a PPO Provider or a Non-Participating Provider prescribes, in accordance with generally accepted standards of care, to treat any condition related to a Member's gender expression or gender identity.

Group. The employer, union trust, or association with which we have an *Agreement* that includes this *EOC*.

Home Health Agency. A "home health agency" is an agency that: (i) meets any legal licensing required by the state or other locality in which it is located; (ii) qualifies as a participating home health agency under Medicare; and (iii) specializes in giving skilled nursing facility care Services and other therapeutic Services, such as physical therapy, in the patient's home (or to a place of temporary or permanent residence used as your home).

Homemaker Services. Assistance in personal care, maintenance of a safe and healthy environment, and Services to enable the individual to carry out the plan of care.

Independent Freestanding Emergency Department. A health care facility that is geographically separate and distinct and licensed separately from a hospital under applicable State law and that provides Emergency Services.

Kaiser Permanente. Kaiser Foundation Hospitals (a California nonprofit corporation), Medical Group, and Kaiser Foundation Health Plan of the Northwest (Company).

Kaiser Permanente Pharmacy. A pharmacy owned and operated by Kaiser Permanente or another pharmacy that we designate, that is listed as a Kaiser Permanente Pharmacy in the *Medical Facility Directory*. Kaiser Permanente Pharmacies are subject to change.

Kaiser Permanente Physician. Any licensed physician who is an employee of Medical Group or contracts directly or indirectly with Medical Group. Kaiser Permanente Physicians are subject to change.

Kaiser Permanente Provider. Any person who is a Kaiser Permanente Physician; or a person licensed under state law to provide health or health-related services or otherwise providing health care services within the scope of licensure or certification consistent with state law and who is an employee of a Kaiser Permanente Physician or of Kaiser Permanente. Kaiser Permanente Providers are subject to change.

Medical Facility Directory. The *Medical Facility Directory* includes addresses and telephone numbers for PPO Providers, PPO medical offices and other PPO Facilities and provides general information about obtaining Services. After you enroll, you will receive an e-mail or flyer that explains how you may either download an electronic copy of the *Medical Facility Directory* or request that the *Medical Facility Directory* be mailed to you.

Medical Group. Northwest Permanente, P.C., Physicians and Surgeons, which is a professional corporation of physicians organized under the laws of the state of Oregon. Medical Group contracts with Company to provide professional medical Services to Members and others primarily on a capitated, prepaid basis in PPO Facilities.

Medically Necessary. Our determination that the Service is all of the following: (i) medically required to prevent, diagnose or treat your condition or clinical symptoms; (ii) in accordance with generally accepted standards of medical practice; (iii) not solely for the convenience of you, your family and/or your provider; and, (iv) the most appropriate level of Service which can safely be provided to you. For purposes of this definition, “generally accepted standards of medical practice” means (a) standards that are based on credible scientific evidence published in peer-reviewed medical literature generally recognized by the relevant medical community; (b) physician specialty society recommendations; (c) the view of physicians practicing in the relevant clinical area or areas within Kaiser Permanente locally or nationally; and/or (d) any other relevant factors reasonably determined by us. Unless otherwise required by law, we decide if a Service is Medically Necessary. You may appeal our decision as set forth in the “Grievances, Claims, Appeals, and External Review” section. The fact that a provider has prescribed, recommended, or approved a Service does not, in itself, make such Service Medically Necessary and, therefore, a covered Service.

Medicare. A federal health insurance program for people aged 65 and older, certain people with disabilities, and those with end-stage renal disease (ESRD).

MedImpact Pharmacy. A pharmacy that participates in the MedImpact National Retail and Choice90[®] Pharmacy Network and is listed in the directory at kp.org/choiceproducts/nw.

Member. A person who is eligible and enrolled under this *EOC*, and for whom we have received applicable Premium. This *EOC* sometimes refers to a Member as “you.” The term Member may include the Subscriber, their Dependent, or other individual who is eligible for and has enrolled under this *EOC*.

New Episode of Care. Treatment for a new condition for which you have not been treated by a PPO Provider of the same licensed profession within the previous 90 days and are not currently undergoing any active treatment.

Non-Participating Facility. Any of the following licensed institutions that provide Services, but do not have a written agreement with Kaiser Permanente to participate as a health care provider for this Plan: hospitals and other inpatient centers; ambulatory surgical or treatment centers; birthing centers; medical offices and clinics; skilled nursing facilities; residential treatment centers; diagnostic, laboratory, and imaging centers; and rehabilitation settings. This includes any of these facilities that are owned and operated by a political subdivision or instrumentality of the state and other facilities as required by federal law and implementing regulations.

Non-Participating Provider. A physician or other health care provider, facility, business, or vendor regulated under state law to provide health or health-related services or otherwise providing health care services within the scope of licensure or certification consistent with state law that does not have a written agreement with Kaiser Permanente to participate as a health care provider for this Plan.

Orthotic Devices. Orthotic devices are rigid or semi-rigid external devices (other than casts) required to support or correct a defective form or function of an inoperative or malfunctioning body part or to restrict motion in a diseased or injured part of the body.

Out-of-Pocket Maximum. The total amount of Deductibles, Copayments, and Coinsurance you will be responsible to pay in a Year, as described in the “Out-of-Pocket Maximum” section of this *EOC*.

Plan. Any hospital expense, medical expense, or hospital and/or medical expense policy or certificate, health care service contractor or health maintenance organization subscriber contract, any plan provided by a multiple employer welfare arrangement or by another benefit arrangement defined in the federal Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Post-Stabilization Care. The Services you receive after your treating physician determines that your Emergency Medical Condition is clinically stable.

PPO Facility. Any of the following licensed institutions that have entered into a written agreement with Kaiser Permanente to provide Services to Members enrolled in this Plan: hospitals and other inpatient centers; ambulatory surgical or treatment centers; birthing centers; medical offices and clinics; skilled nursing facilities; residential treatment centers; diagnostic, laboratory, and imaging centers; and rehabilitation settings. This includes any of these facilities that are owned and operated by a political subdivision or instrumentality of the state and other facilities as required by federal law and implementing regulations. PPO Facilities are subject to change.

PPO Provider. A physician or other health care provider, facility, business, or vendor regulated under state law to provide health or health-related services or otherwise providing health care services within the scope of licensure or certification consistent with state law, and who is a Kaiser Permanente Provider, or has otherwise entered into a written agreement with Kaiser Permanente to provide Services to Members enrolled in this Plan. PPO Providers are subject to change.

PPO Provider Network. The PPO Providers and PPO Facilities with which Kaiser Permanente has entered into a written provider agreement for the provision of covered Services.

Premium. Monthly membership charges paid by Group.

Service Area. Our Service Area consists of the state of Washington.

Services. Health care services, supplies, or items.

Specialist. Any licensed physician, who practices in a specialty care area of medicine (not family medicine, pediatrics, gynecology, obstetrics, general practice, or internal medicine).

Spinal and Extremity Manipulation (Diversified or Full Spine Specific (FSS)). The Diversified manipulation/adjustment entails a high-velocity, low amplitude thrust that usually results in a cavitation of a joint (quick, shallow thrusts that cause the popping noise often associated with a chiropractic manipulation/adjustment).

Spouse. The person to whom you are legally married under applicable law. For the purposes of this EOC, the term "Spouse" includes a person who is legally recognized as your domestic partner in a valid Certificate of State Registered Domestic Partnership issued by the state of Washington, validly registered as your domestic partner under the laws of another state, or otherwise recognized as your domestic partner under criteria agreed upon, in writing, by Kaiser Foundation Health Plan of the Northwest and your Group.

Stabilize. With respect to an Emergency Medical Condition, to provide the medical treatment of the condition that is necessary to assure, within reasonable medical probability, that no material deterioration of the condition is likely to result from or occur during the transfer of the person from the facility. With respect to a pregnant person who is having contractions, when there is inadequate time to safely transfer them to another hospital before delivery (or the transfer may pose a threat to the health or safety of them or their unborn child), "Stabilize" means to deliver the infant (including the placenta).

Subscriber. A Member who is eligible for membership on their own behalf and not by virtue of Dependent status and who meets the eligibility requirements as a Subscriber.

Substance Use Disorder. A substance-related or addictive disorder listed in the most current version of the *Diagnostic and Statistical Manual of Mental Disorders (DSM)* published by the American Psychiatric Association.

Urgent Care. Treatment for an unforeseen condition that requires prompt medical attention to keep it from becoming more serious, but that is not an Emergency Medical Condition.

Utilization Review. The formal application of criteria and techniques designed to ensure that each Member is receiving Services at the appropriate level; used as a technique to monitor the use of or evaluate the medical necessity, appropriateness, effectiveness, or efficiency of a specific Service, procedure, or setting.

Year. A period of time that is either a) a calendar year beginning on January 1 of any year and ending at midnight December 31 of the same year, or b) a plan year beginning on an effective date and ending at midnight prior to the anniversary date agreed to by Company and Group. The “Benefit Summary” shows which period is applicable to this Plan.

PREMIUM, ELIGIBILITY, AND ENROLLMENT

Premium

Your Group is responsible for paying the Premium. If you are responsible for any contribution to the Premium, your Group will tell you the amount and how to pay your Group.

Who Is Eligible

General

To be eligible to enroll and to remain enrolled under this employer’s *Agreement*, you must meet all of the following requirements:

- You must meet your Group’s eligibility requirements that we have approved. (Your Group is required to inform Subscribers of its eligibility requirements.)
- You must meet the Subscriber or Dependent eligibility requirements described below unless your Group has different eligibility requirements that we have approved.

Subscribers

To be eligible to enroll and to remain enrolled as a Subscriber, you must meet the following requirements:

- You are an employee of your Group; or
- You are otherwise entitled to coverage through your Group under a trust agreement, retirement benefit program, employment contract, or the rules of a professional, trade, or bona fide association.
- Your Group is located in Clark or Cowlitz counties in Washington.
- You cannot live or physically work in Clark or Cowlitz counties in Washington.

Dependents

If you are a Subscriber (or if you are a subscriber under our Kaiser Permanente Senior Advantage (HMO) plan offered by your Group), the following persons are eligible to enroll as your Dependents under this *EOC*. (Note: if you are a subscriber under a Kaiser Permanente Senior Advantage plan offered by your Group, all of your Dependents who are enrolled under this or any other non-Medicare evidence of coverage offered by your Group must be enrolled under the same non-Medicare evidence of coverage. A “non-Medicare” evidence of coverage is one that does not require members to be entitled to Medicare.)

- Your Spouse.
- A person who is under the general Dependent Limiting Age shown in the “Benefit Summary” and who is any of the following:
 - Your or your Spouse’s child.

- A child adopted by you or your Spouse, or for whom you or your Spouse have assumed a legal obligation in anticipation of adoption.
 - Any other person for whom you or your Spouse is a court-appointed guardian.
 - A child placed with you or your Spouse for foster care.
- A person who is over the general Dependent Limiting Age but under the student Dependent Limiting Age shown in the “Benefit Summary,” who is a full-time registered student at an accredited college or accredited vocational school, and is any of the following:
 - Your or your Spouse’s child.
 - A child adopted by you or your Spouse, or for whom you or your Spouse have assumed a legal obligation in anticipation of adoption.
 - Any other person for whom you or your Spouse is a court-appointed guardian.

You may be asked to provide proof of dependency annually until the Dependent reaches the student Dependent Limiting Age shown in the “Benefit Summary” and their coverage ends.

Students who suffer a severe illness or injury that causes them to lose full-time student status will continue to be considered full-time students for eligibility purposes, provided that within 31 days after the loss of full-time student status, we receive written certification from the child’s treating physician that the child is suffering from a serious illness or injury and that the leave of absence or other change of enrollment is Medically Necessary. Eligibility as a full-time student under this provision may then continue for up to 12 months from the date that your child’s medical leave of absence began, or until your child reaches the student Dependent Limiting Age shown in the “Benefit Summary,” whichever comes first.

- A person of any age who is primarily dependent upon you or your Spouse for support and maintenance if the person is incapable of self-sustaining employment by reason of a developmental disability, mental illness, or a physical disability that occurred prior to the person reaching the general Dependent Limiting Age shown in the “Benefit Summary,” if the person is any of the following:
 - Your or your Spouse’s child.
 - A child adopted by you or your Spouse, or for whom you or your Spouse have assumed legal obligation in anticipation of adoption.
 - Any other person for whom you or your Spouse is a court-appointed guardian and was a court-appointed guardian prior to the person reaching the Dependent Limiting Age shown in the “Benefit Summary.”

You must provide proof of incapacity and dependency annually upon request, but only after the two-year period following attainment of the general Dependent Limiting Age shown in the “Benefit Summary.”

Children born to a Dependent other than your Spouse (for example, your grandchildren) are not eligible for coverage beyond the first 21 days of life, including the date of birth, unless: (a) you or your Spouse adopts them or assumes a legal obligation in anticipation of adoption; (b) they are primarily supported by you or your Spouse and you or your Spouse is their court-appointed guardian; or, (c) your Group has different eligibility requirements that we have approved.

Company will not deny enrollment of a newborn child, newly adopted child, child for whom legal obligation is assumed in anticipation of adoption, child newly placed for adoption, or newly placed foster child solely on the basis that: (a) the child was born out of wedlock; (b) the child is not claimed as a dependent on the parent’s federal tax return; (c) the child does not reside with the child’s parent or in our Service Area; or (d) the mother of the child used drugs containing diethylstilbestrol prior to the child’s birth. Also, Company does

not discriminate between married and unmarried persons, or between children of married or unmarried persons.

When You Can Enroll and When Coverage Begins

A Group is required to inform employees about when they are eligible to enroll and their effective date of coverage. The effective date of coverage for employees and their eligible Dependents is determined by the Group in accord with waiting period requirements in state and federal law. The Group is required to inform the Subscriber of the date membership becomes effective.

If an individual is eligible to be a Dependent under this *EOC* but the subscriber in their family is enrolled under our Kaiser Permanente Senior Advantage evidence of coverage offered by the Group, the subscriber must follow the rules for adding Dependents as described in this “When You Can Enroll and When Coverage Begins” section.

New Employees and Their Dependents

When a Group informs an employee that they are eligible to enroll as a Subscriber, they may enroll themselves and any eligible Dependents by following the instructions from the Group.

Open Enrollment

The Group will inform an employee of their open enrollment period and effective date of coverage. An eligible employee may enroll as a Subscriber along with any eligible Dependents if they or their Dependents were not previously enrolled. If you are an existing Subscriber, you may add eligible Dependents not previously enrolled following your Group’s enrollment process during the open enrollment period.

Special Enrollment

If an eligible employee or their eligible Dependents do not enroll when they are first eligible and later want to enroll, they can enroll only during open enrollment unless they experience a qualifying event as defined in applicable state and federal law. Your Group will administer special enrollment rights under applicable state and federal law.

Examples of qualifying events include, but are not limited to:

- Loss of minimum essential coverage for any reason other than nonpayment of Premium, rescission of coverage, misrepresentation, fraud or voluntary termination of coverage.
- Gaining a Dependent through marriage or entering into a domestic partnership, birth, adoption, placement for adoption, placement for foster care, or through a child support order or other court order.
- Loss of a Dependent through divorce or legal separation, or if the enrollee, or their Dependent dies.

Note: If the individual is enrolling as a Subscriber along with at least one eligible Dependent, only one enrollee must meet one of the requirements for a qualifying event.

The individual must notify the Group within 31 days of a qualifying event, 60 days if they are requesting enrollment due to a change in eligibility for Medicaid or Child Health Insurance Program (CHIP) coverage. The Group will determine if the individual is eligible to select or change coverage. Contact the Group for further instructions on how to enroll.

A Group may require an employee declining coverage to provide a written statement indicating whether the coverage is being declined due to other health coverage. If this statement is not provided, or if coverage is not declined due to other health coverage, the employee may not be eligible for special enrollment due to loss of other health coverage. Contact the Group for further information.

Adding New Dependents to an Existing Account

To enroll a Dependent who becomes eligible to enroll after you became a Subscriber, you must submit a Company-approved enrollment application to your Group as described in this “Adding New Dependents to an Existing Account” section.

Newborns, newly adopted children, children newly placed for adoption, or newly placed foster children are covered for 21 days after birth, adoption, placement for adoption, or placement for foster care. In order for coverage to continue beyond this 21-day period, you must submit an enrollment application to your Group within 60 days after the date of birth, adoption, placement for adoption, or placement for foster care if additional Premium is required to add the Dependent. If additional Premium is not required, the application requirement is waived; however, please notify your Group and Customer Service to add the child to your Plan.

To add all other newly eligible Dependents (such as a new Spouse), you must submit an enrollment application to your Group within 60 days after the qualifying event.

Contact your Group for further instructions on how to enroll your newly eligible Dependent.

When Coverage Begins

Your Group will notify you of the date your coverage will begin. Membership begins at 12 a.m. PT of the effective date specified.

If an individual enrolls in, adds a Dependent, or changes health plan coverage during a special enrollment period, the membership effective date will be determined by your Group under applicable state and federal law.

HOW TO OBTAIN SERVICES

General Information

This PPO Plus Plan lets you choose to receive covered Services from PPO Providers or Non-Participating Providers. You may also choose different providers for different covered Services. The Services we cover, and the amounts you pay for covered Services, will differ depending on the provider you choose. Your out-of-pocket costs will typically be less when you receive covered Services from PPO Providers. Also, PPO Providers will obtain any necessary prior authorization on your behalf and will submit claim forms to us.

PPO Providers

The provider network for this PPO Plus Plan is the PPO Plus network.

The PPO Provider Network includes Kaiser Permanente Providers, First Choice Health providers, First Health network providers, Kaiser Permanente Pharmacies, MedImpact Pharmacies, and other providers who contract with us to provide covered Services for Members enrolled in this PPO Plus Plan.

Together, these are called “PPO Providers.” To locate a PPO Provider, visit kp.org/choiceproducts/nw for a provider directory.

You pay the PPO Provider Cost Share amount shown on your “Benefit Summary” when you receive covered Services from PPO Providers.

If you need assistance searching for PPO Providers, or to verify the current participation status of a PPO Provider, or if you do not have access to the online directory, please contact Customer Service.

Non-Participating Providers

When you receive covered Services from Non-Participating Providers, your Cost Share will typically be higher than when you receive covered Services from PPO Providers. See your “Benefit Summary” for your Cost Share when you receive covered Services from a Non-Participating Provider.

We pay for covered Services from Non-Participating Providers up to the Allowed Amount. If a Non-Participating Provider charges more than the Allowed Amount, that provider may bill you directly for the additional amount that is not covered by us. This is called balance billing.

You are responsible for assuring your Non-Participating Provider has obtained necessary prior authorization.

You may be required to pay the full amount for the Services you receive and submit a claim form to us for reimbursement.

If you choose to receive covered Services from a Non-Participating Provider, those Services are still subject to the provisions of this *EOC*. Except for Emergency Services and Urgent Care, we do not cover Services you receive from Non-Participating Providers outside the United States.

We will not directly or indirectly prohibit you from freely contracting at any time to obtain non-covered Services. However, if you choose to receive non-covered Services, you will be responsible for the full price of the Services. Company is not responsible for any amounts you are billed for non-covered Services. Any amounts you pay for non-covered Services will not count toward your Deductible or Out-of-Pocket Maximum.

Using Your Identification Card

We provide each Member with a Company identification (ID) card that contains the Member health record number. Have your health record number available when you call for advice, make an appointment, or seek Services. We use your health record number to identify your medical records, for billing purposes, and for membership information. You should always have the same health record number. If we ever inadvertently issue you more than one health record number, please let us know by calling Customer Service. If you need to replace your ID card, please call Customer Service.

Your ID card is for identification only, and it does not entitle you to Services. To receive covered Services, you must be a current Member. Anyone who is not a Member will be billed as a non-member for any Services they receive. If you allow someone else to use your ID card, we may keep your card and terminate your membership (see the “Termination for Cause” section). We may request photo identification in conjunction with your ID card to verify your identity.

To verify your eligibility or benefits, your PPO Provider or Non-Participating Provider may call the Customer Service number listed on the ID card. The claims billing address and prior authorization numbers are also on the ID card.

Advice Nurses

If you are unsure whether you need to be seen by a physician or where to go for Services, or if you would like to discuss a medical concern, call Customer Service during normal business hours, evenings, weekends, and holidays to be directed to one of our advice nurses.

You may also use the Member section of our website, **kp.org**, to send *nonurgent* questions to an advice nurse or pharmacist.

Your Non-Participating Provider’s office may have advice personnel to assist you. To learn more, check with their office.

Your Primary Care Provider

We encourage you to choose a primary care provider for each covered Family Member. This decision is important as your primary care provider provides or arranges most of your health care needs.

You may select a PPO Provider from family practice, internal medicine, or pediatrics as your primary care provider. Members also have the option of choosing a women's health care PPO Provider as their primary care provider. A women's health care provider includes an obstetrician or gynecologist, a physician assistant specializing in women's health, an advanced registered nurse practitioner specializing in women's health, or a certified nurse midwife. Not all PPO Providers in these specialties are designated primary care providers.

If you do not select a primary care provider, we will assign you to an individual primary care provider or primary care team. We will send you a letter that includes information to help you learn more about your provider or care team, how to find information about other primary care providers near you, and how to change your primary care provider. You may select a different primary care provider at any time. The change will take effect immediately.

For more information, visit kp.org/choiceproducts/nw to search for providers and locations near you and read online provider profiles. For help with selecting or changing your primary care provider, contact Customer Service.

Appointments for Routine Services

Routine appointments are for medical needs that are not urgent such as checkups and follow-up visits that can wait more than a few days.

If you need to make an appointment for routine Services with a PPO Provider who is located at a Kaiser Permanente medical office, go to kp.org to schedule an appointment online or call Customer Service. If you need to make an appointment for routine Services with a PPO Provider located anywhere else, please contact the PPO Provider's office directly to make your appointment. You can learn more about locating PPO Providers by contacting Customer Service or going to kp.org/choiceproducts/nw.

Please contact the Non-Participating Provider's office directly to make your appointment.

Getting Assistance

We want you to be satisfied with your health care Services. If you have any questions or concerns about Services you received from PPO Providers or PPO Facilities, please discuss them with that provider or the provider's office. If you have any questions or concerns about Services you received from a Non-Participating Provider, please discuss them with that provider or the provider's office.

Customer Service representatives can answer questions you have about your benefits, available Services, and the facilities where you can receive Services. For example, they can explain your benefits, how to make your first medical appointment, what to do if you move, what to do if you need Services while you are traveling, and how to replace your ID card. These representatives can also help you if you need to file a claim, complaint, grievance, or appeal, as described in the "Grievances, Claims, Appeals, and External Review" section. Upon request, Customer Service can also provide you with written materials about your coverage.

Customer Service representatives are available to assist you Monday through Friday (except holidays), from 8 a.m. to 6 p.m. PT.

Receiving Care in Another Kaiser Foundation Health Plan Service Area

You may receive covered Services from another Kaiser Foundation Health Plan, if the Services are provided, prescribed, or directed by that other plan, and if the Services would have been covered under this *EOC*. Covered Services are subject to the terms and conditions of this *EOC*, including prior authorization requirements, the applicable Cost Share shown in the “Benefit Summary,” and the exclusions, limitations and reductions described in this *EOC*.

For more information about receiving care in other Kaiser Foundation Health Plan service areas, including availability of Services, and provider and facility locations, please call our Away from Home Travel Line at 951-268-3900. Information is also available online at kp.org/travel.

Referrals

Referrals to Kaiser Permanente Providers

In most cases, you will need a referral to see a Specialist the first time. In some cases, a standing referral may be allowed to a Specialist for a time period that is in accord with your individual medical needs as determined by the Kaiser Permanente Provider and Company.

Some outpatient specialty care is available from Kaiser Permanente Providers without a referral. You do not need a referral for outpatient Services provided in the following departments at medical offices owned and operated by Kaiser Permanente. Please call Customer Service to schedule routine appointments in these departments:

- Audiology (routine hearing exams).
- Cancer Counseling.
- Mental Health Services.
- Obstetrics/Gynecology.
- Occupational Health.
- Optometry (eye exams).
- Social Services.
- Substance Use Disorder Services.

Referrals to all other PPO Providers or Non-Participating Providers

Except as described in the “Referrals to Kaiser Permanente Providers” section above, you do not need a referral to obtain Services from PPO Providers or Non-Participating Providers. However, you should contact the provider’s office to see if they have any requirements before you make your appointment. For example, some specialist providers may want you to see your primary care provider first, or the specialist provider may ask you to obtain a referral, order, or plan of care from your primary care provider before the specialist provider’s office will make your appointment.

Even if you need a referral, it is important to remember that when you obtain covered Services from a PPO Provider or a Non-Participating Provider, your benefit and Cost Share is based on who provides the Services, not on who makes the referral. If a PPO Provider provides the Services, your PPO Provider benefit applies. If a Non-Participating Provider provides the Services, your Non-Participating Provider benefit applies.

Some Services require prior authorization in order to be covered, as described in the “Prior Authorization Review Requirements” section below.

Prior Authorization Review Requirements

The Services that require prior authorization are described under “Services Subject to Prior Authorization Review” in this “How to Obtain Services” section. PPO Providers are responsible for requesting prior authorization from Company. If a Non-Participating Provider recommends Services that require prior authorization, you need to ask them to request prior authorization by calling us at 855-281-1840.

Except in the case of misrepresentation, prior authorization review decisions will not be retrospectively denied. Prior authorization determinations shall expire no sooner than forty-five days from the date of approval. We may revoke or amend a prior authorization for Services you have not yet received if your membership terminates or your coverage changes or you lose your eligibility, or if we receive information that is materially different from that which was reasonably available at the time of the original determination.

After you or your PPO Provider or Non-Participating Provider requests prior authorization, we will review your proposed course of treatment to verify that it is medically appropriate. If the request was received electronically, we will send a letter to you within three calendar days after we receive the request. If the request was received orally or in writing, we will send a letter to you within five calendar days after we receive the request. After we review your request, we will either:

- Give prior authorization for treatment, and send a confirmation of prior authorization and approved length of stay to your provider, and the hospital, surgical center, or other facility, or
- Contact your provider to discuss alternative forms of treatment. We will send you and your provider a denial letter if we do not agree that the proposed treatment or setting is appropriate.

Following a prior authorization by Company, your treatment may begin. If your hospital stay is longer than the approved length of stay, we will consult with you, your provider, and the hospital about a possible extension of your stay.

If you disagree with our prior authorization review decision, you may appeal the decision. Follow the instructions for appeals as outlined in the “Grievances, Claims, Appeals, and External Review” section.

Services Subject to Prior Authorization Review

All covered Services require prior, concurrent, or post-service authorization by Company, except for the following:

- Acupuncture Services (self-referred), limited to the number of visits per Year shown in the “Benefit Summary.”
- Ambulance Services.
- Biomarker testing Services for stage 3 or 4 cancer, or recurrent, relapsed, refractory, or metastatic cancer.
- Emergency Services.
- Health education Services.
- Initial evaluation and management visit and up to six treatment visits in a New Episode of Care for hearing, physical, massage (soft tissue mobilization), occupational, and speech therapies.
- Limited outpatient drugs and supplies as described in the “Limited Outpatient Prescription Drugs and Supplies” section.
- Maternity Services.
- Naturopathic medicine Services.
- Outpatient habilitative therapy Services and outpatient rehabilitative therapy Services.

- Outpatient laboratory Services, except genetic testing. (For genetic testing prior authorization requirements, see the “Outpatient Laboratory, X-ray, Imaging, and Special Diagnostic Procedures” section.)
- Outpatient radiology Services, except MRI, CT scans, PET scans, and bone density/DXA scans. (For MRI, CT scan, PET scan, and bone density/DXA scan prior authorization requirements, see the “Outpatient Laboratory, X-ray, Imaging, and Special Diagnostic Procedures” section.)
- PPO Provider and Non-Participating Provider office visits.
- Services that are billed as preventive care Services.
- Spinal and Extremity Manipulation Services (self-referred), limited to the number of visits per Year shown in the “Benefit Summary.”
- Urgent Care.

Failure to Satisfy Prior Authorization Review Requirements

If you do not obtain prior authorization for Services received from a Non-Participating Provider or at a Non-Participating Facility, and those Services require prior authorization, we will deny the claim and you will be responsible for paying the full amount for those Services.

Provider Whose Contract Terminates

You may be eligible to continue receiving covered Services from a PPO Provider for a limited period of time after our contract with the PPO Provider terminates.

This continuity of care provision applies when our contract with a PPO Provider terminates, or when a physician’s employment with Medical Group terminates, except when the contract or employment termination is for cause (including quality of care issues) or because the PPO Provider:

- Has retired.
- Has died.
- No longer holds an active license.
- Has moved.
- Has gone on sabbatical.
- Is prevented from continuing to care for patients because of other circumstances.

If we directly or indirectly terminate the contract between Kaiser Permanente, Medical Group, and/or any other primary care PPO Provider while your Plan is in effect and while you are under the care of that provider, we will notify you. We will retain financial responsibility for covered Services by that provider, in excess of any applicable Cost Share, for 90 days following the notice of termination to you.

Additionally, if we directly or indirectly terminate the contract between Kaiser Permanente, Medical Group and/or any PPO Provider who is a Specialist, while your Plan is in effect and while you are under the care of the provider, we will notify you. We will retain financial responsibility for covered Services by that provider until we can make arrangements for the Services to be provided by another PPO Provider.

POST-SERVICE CLAIMS – SERVICES ALREADY RECEIVED

In general, if you receive Services from a PPO Provider, PPO Facility, Kaiser Permanente Pharmacy, or MedImpact Pharmacy, our Claims Administration Department will handle the claim. Customer Service can assist you with questions about specific claims or about the claim procedures in general.

If you receive a bill for Services from a Non-Participating Provider or Non-Participating Facility, or a pharmacy that is not a Kaiser Permanente Pharmacy or MedImpact Pharmacy, and you believe Company should cover the Services, you need to send a completed medical claim form and the itemized bill to:

Kaiser Permanente
National Claims Administration – Northwest
PO Box 370050
Denver, CO 80237-9998

You can request a claim form from Customer Service or download it from kp.org/choiceproducts/nw. When you submit the claim, please include a copy of your medical records from the Non-Participating Provider or Non-Participating Facility if you have them.

Company accepts CMS 1500 claim forms for professional Services and UB-04 forms for hospital claims. Even if the provider bills Company directly, you still need to submit the claim form.

You must submit a claim for a Service within 12 months after receiving that Service. If it is not reasonably possible to submit a claim within 12 months, then you must submit a claim as soon as reasonably possible, but in no case more than 15 months after receiving the Service, except in the absence of legal capacity.

We will reach a decision on the claim and pay those covered Charges within 30 calendar days from receipt unless additional information, not related to coordination of benefits, is required to make a decision. If the 30-day period must be extended, you will be notified in writing with an explanation about why. This written notice will explain how long the time period may be extended depending on the requirements of applicable state and federal laws, including ERISA.

You will receive written notification about the claim determination. This notification will provide an explanation for any unpaid amounts. It will also tell you how to appeal the determination if you are not satisfied with the outcome, along with other important disclosures required by state and federal laws.

If you have questions or concerns about a bill from Company, you may contact Customer Service for an explanation. If you believe the Charges are not appropriate, Customer Service will advise you on how to proceed.

EMERGENCY, POST-STABILIZATION, AND URGENT CARE

Emergency Services

If you have an Emergency Medical Condition, call 911 (where available) or go to the nearest hospital emergency department, Independent Freestanding Emergency Department, or Behavioral Health Emergency Services Provider. You do not need prior authorization for Emergency Services. When you have an Emergency Medical Condition, we cover Emergency Services you receive anywhere in the world, as long as the Services would have been covered under the “Benefits” section (subject to the “Exclusions and Limitations” section) if you had received them from PPO Providers or PPO Facilities.

You pay the emergency department visit Cost Share shown in the “Benefit Summary” under “Outpatient Services” for all Services received in the emergency department or from the Behavioral Health Emergency Services Provider.

If you receive covered inpatient hospital Services, you pay the Cost Share shown in the “Benefit Summary” under “Inpatient Hospital Services,” regardless of whether the Services also constitute Emergency Services or Post-Stabilization Care. If you visit an emergency department and are not admitted directly as an inpatient, you pay the emergency department visit Cost Share shown in the “Benefit Summary” under “Outpatient Services” for all Services received in the emergency department or from the Behavioral Health Emergency Services Provider.

If you have an Emergency Medical Condition, we cover licensed ambulance Services when:

- Your condition requires the use of medical Services that only a licensed ambulance can provide.
- Use of all other means of transportation, whether or not available, would endanger your health.
- The ambulance transports you to a hospital where you receive covered Emergency Services.

Post-Stabilization Care

Post-Stabilization Services relate to medical, mental health or Substance Use Disorder treatment necessary in the short term to avoid placing the health of the individual, or with respect to a pregnant person, the health of them or their unborn child, in serious jeopardy, serious impairment to bodily functions, or serious dysfunction of any bodily organ or part.

We cover Post-Stabilization Care if one of the following is true:

- A PPO Provider or PPO Facility provides the Services.
- We authorize the Services from the Non-Participating Provider or Non-Participating Facility.
- Services are provided after you are Stabilized and as part of outpatient observation or an inpatient or outpatient stay with respect to the visit during which screening and Stabilization Services have been furnished.

Coverage for Post-Stabilization Care from a Non-Participating Provider or Non-Participating Facility is limited to the Allowed Amount. In addition to the applicable Cost Share, you are responsible for paying any amount over the Allowed Amount, and any such payments do not count toward the Deductible or the Out-of-Pocket Maximum.

To request prior authorization for your receiving Post-Stabilization Care from a Non-Participating Provider or Non-Participating Facility, you or someone on your behalf must call us at 503-735-2596, or toll-free at 1-877-813-5993, before you receive the Services if it is reasonably possible to do so, but no later than 24 hours after any admission.

We understand that extraordinary circumstances can delay your ability to call us, for example if you are unconscious, or if there is no parent or guardian with a young child. In these cases, you or someone on your behalf must call us as soon as reasonably possible.

After we are notified, we will discuss your condition with the Non-Participating Provider. If we decide that the Post-Stabilization Care is Medically Necessary and would be covered if you received it from a PPO Provider or PPO Facility, we will either authorize your receiving the Services from the Non-Participating Provider or Non-Participating Facility, or arrange to have a PPO Provider or PPO Facility provide the Services.

If we decide to arrange to have a PPO Provider or PPO Facility (or other designated provider or facility) provide the Services, we may authorize special transportation Services that are medically required to get you to the provider or facility. This may include transportation that is otherwise not covered. If your Non-Participating Provider determines you are clinically stable and you decline special transportation to a PPO Provider or PPO Facility (or other designated provider or facility that we authorize), Post-Stabilization Care will be covered at the Non-Participating Provider Cost Share for Services provided by a Non-Participating Provider or a Non-Participating Facility.

When you receive Emergency Services from Non-Participating Providers, Post Stabilization Care may qualify as Emergency Services pursuant to federal law. We will not require prior authorization for such Post-Stabilization Care when your attending Non-Participating Provider determines that, after you are Stabilized, and taking into account your medical or behavioral health condition, you are not able to travel to an available PPO Provider located within a reasonable travel distance, using non-medical transportation or non-emergency transportation.

Urgent Care

You may receive covered Urgent Care Services from PPO Providers, including Kaiser Permanente Urgent Care, or from any Non-Participating Provider that provides Urgent Care. You are responsible for the applicable Cost Share shown on your “Benefit Summary,” including for any ancillary Services you receive, such as lab tests and X-rays billed by the provider.

Visit kp.org/getcare to find the Kaiser Permanente Urgent Care locations nearest you. For a complete list of PPO Provider urgent care locations, visit kp.org/choiceproducts/nw, or call Customer Service.

WHAT YOU PAY

Deductible

For each Year, most covered Services are subject to the Deductible amounts shown in the “Benefit Summary.” The “Benefit Summary” indicates which Services are subject to the Deductible.

For Services that are subject to the Deductible, you must pay all Charges for the Services when you receive them, until you meet your Deductible.

If you are the only Member in your Family, then you must meet the self-only Deductible. If there is at least one other Member in your Family, then either you must each meet the individual Family Member Deductible, or your Family must meet the Family Deductible, whichever occurs first. Each individual Family Member Deductible amount counts toward the Family Deductible amount. Once the Family Deductible is satisfied, no further individual Family Member Deductible will be due for the remainder of the Year. The Deductible amounts are shown in the “Benefit Summary.”

After you meet the Deductible, you pay the applicable Copayments and Coinsurance for covered Services for the remainder of the Year, until you meet your Out-of-Pocket Maximum (see “Out-of-Pocket Maximum” in this “What You Pay” section). For Non-Participating Provider Services, you will also be responsible for paying any amounts in excess of the Allowed Amount.

For each Year, only the following payments count toward your Deductible:

- Charges you pay for covered Services that you receive in that Year and that are subject to the Deductible. However, payments you make for amounts in excess of the Allowed Amount do not count toward the Deductible.
- **Deductible take-over.** Payments that were counted toward your deductible under your prior group health coverage if all of the following requirements are met:
 - This group health coverage with Company replaces the Group’s prior group health coverage.
 - Your prior group health coverage was not with Company or with any Kaiser Foundation Health Plan.
 - You were covered under Group’s prior group health coverage on the day before the effective date of this *EOC*.
 - The payments were for Services you received during the period of 12 months or less that occurred between the plan year effective date under Group’s prior group health coverage and your effective date of coverage under this *EOC*.
 - The payments were for Services that we would have covered under this *EOC* if you had received them as a Member during the term of this *EOC*.
 - We would have counted the payments toward your Deductible under this *EOC* if you had received the Services as a Member during the term of this *EOC*.

Note: If your Group has purchased benefits with a specific benefit Deductible, such as a prescription drug benefit, payments made for these benefits will be counted only to that specific benefit Deductible and will accumulate separately from the Deductible for covered Services shown in the “Benefit Summary.”

Copayments and Coinsurance

When you receive covered Services, you will be required to pay Copayments and Coinsurance, as shown in the “Benefit Summary.” Any applicable Copayments or Coinsurance are due when you receive the Service.

For covered Services you receive from PPO Providers and PPO Facilities, we have financial arrangements for rates that we pay to these providers and facilities. Coinsurance is based on those rates. PPO Providers and PPO Facilities are not permitted to bill you for covered Services, except for your Deductible, Coinsurance, and Copayments.

For covered Services you receive from Non-Participating Providers, Coinsurance is based on the Allowed Amount. Non-Participating Providers and Non-Participating Facilities may bill you for amounts in excess of the Allowed Amount, and those amounts are not Copayments or Coinsurance.

Out-of-Pocket Maximum

There is a maximum to the total dollar amount of Deductible, Copayments, and Coinsurance that you must pay for covered Services that you receive within the same Year.

If you are the only Member in your Family, then you must meet the self-only Out-of-Pocket Maximum. If there is at least one other Member in your Family, then you must each meet the individual Family Member Out-of-Pocket Maximum, or your Family must meet the Family Out-of-Pocket Maximum, whichever occurs first. Each individual Family Member Out-of-Pocket Maximum amount counts toward the Family Out-of-Pocket Maximum amount. The Out-of-Pocket Maximum amounts are shown in the “Benefit Summary.”

All Deductibles, Copayments, and Coinsurance amounts count toward the Out-of-Pocket Maximum, unless otherwise indicated. After you reach the Out-of-Pocket Maximum, you are not required to pay Copayments and Coinsurance for these Services for the remainder of the Year. Customer Service can provide you with the amount you have paid toward your Out-of-Pocket Maximum.

Note: For Services that count toward the Out-of-Pocket Maximum, the amounts you pay for covered Services from PPO Providers do not count toward the Out-of-Pocket Maximum for Services from Non-Participating Providers, and vice versa.

The following amounts do not count toward the Out-of-Pocket Maximum, and you will continue to be responsible for these amounts even after the Out-of-Pocket Maximum is satisfied:

- Amounts you pay for Non-Participating Provider or Non-Participating Facility Services that are in excess of the Allowed Amount.
- Payments for Services that are not covered under this *EOC*.
- Payments that you make because you exhausted (used up) your benefit allowance, or because we already covered the benefit maximum amount or the maximum number of days or visits for a Service.
- Payments for Services under the “Adult Vision Hardware and Optical Services Rider,” if purchased by your Group.
- Amounts recovered from a liability claim against another party subject to reimbursement under the “Injuries or Illnesses Alleged to be Caused by Other Parties or Covered by No-Fault Insurance” section.

BENEFITS

The Services described in this “Benefits” section are covered only if all the following conditions are satisfied, and will not be retrospectively denied:

- You are a Member on the date you receive the Services.
- The Services are Medically Necessary.
- You receive prior authorization for the Services, if required under the “How to Obtain Services” section.

All Services are subject to the coverage requirements described in this “Benefits” section. Some Services are subject to benefit-specific exclusions and/or limitations, which are listed, when applicable, in each benefit section. A broader list of exclusions and limitations that apply to all benefits is provided under the “Exclusions and Limitations” section.

Covered Services are subject to any applicable Cost Share as described in the “What You Pay” section and in the “Benefit Summary.”

The benefits under this Plan are not subject to a pre-existing condition waiting period.

Preventive Care Services

We cover a variety of preventive care Services, which are Services to keep you healthy or to prevent illness, and are not intended to diagnose or treat a current or ongoing illness, injury, sign or symptom of a disease, or condition.

If you wish to receive more than the covered day supply limit, then you must pay full price (at a MedImpact Pharmacy) or Charges (at a Kaiser Permanente Pharmacy) for any prescribed quantity that exceeds the day supply limit, unless due to medication synchronization, in which case we will adjust the applicable Copayment for the quantity that exceeds the day supply limit.

About the Kaiser Permanente Drug Formulary (Kaiser Permanente Pharmacies Only)

The Kaiser Permanente drug formulary is a list of drugs that the Kaiser Permanente Regional Formulary and Therapeutics Committee has reviewed and approved for our Members and includes drugs covered under this EOC. Drugs on the formulary have been approved by the FDA.

The Kaiser Permanente Regional Formulary and Therapeutics Committee is made up of Kaiser Permanente Physicians, Kaiser Permanente Providers, pharmacists, and administrative staff. The committee chooses drugs for the formulary based on several factors, including safety and effectiveness as determined from a review of the scientific literature. They may not approve a drug if there is not enough scientific evidence that it is clinically effective. They may also exclude a drug if it does not have a clinical or cost advantage over comparable formulary drugs.

The Regional Formulary and Therapeutics Committee meets to review new drugs and reconsider drugs currently on the market. After this review, they may add drugs to the formulary or remove drugs from it. If a drug is removed from the formulary, you will need to switch to another comparable drug that is on the Kaiser Permanente drug formulary, unless your old drug meets exception criteria. Refer to the “Drug Formulary Exception Process” in this section for more information.

We will not require the substitution of a non-preferred drug with a preferred drug in a given therapeutic class or increase the Cost Share within the Year, if the prescription is for the refill of a drug prescribed to treat a serious mental illness, the Member is medically stable on the drug, and a prescribing provider continues to prescribe the drug.

When a drug is removed from the formulary, we will notify Members who filled a prescription for the drug at a Kaiser Permanente Pharmacy within the prior three months. If a formulary change affects a prescription drug you are taking, we encourage you to discuss any questions or concerns with your prescribing provider or another member of your health care team.

To see if a drug or supply is on the Kaiser Permanente drug formulary, go online to kp.org/formulary. You may also call the Formulary Application Services Team (FAST) at 503-261-7900 or toll-free at 1-888-572-7231. If you would like a copy of the Kaiser Permanente drug formulary or additional information about the formulary process, please call Customer Service. The presence of a drug on the Kaiser Permanente drug formulary does not necessarily mean that your provider will prescribe it for a particular medical condition.

If a PPO Provider (who is not a Kaiser Permanente Provider) or a Non-Participating Provider prescribes a drug or supply that the Kaiser Permanente drug formulary does not list for your condition, your options include:

- Asking a Kaiser Permanente Pharmacy to contact your prescribing provider to see if your prescription can be changed to a drug or supply that the Kaiser Permanente drug formulary lists for your condition.

- Making an appointment for a Kaiser Permanente Provider to evaluate your medical condition. The Kaiser Permanente Provider may prescribe a drug or supply that the Kaiser Permanente drug formulary lists for your condition. If the Kaiser Permanente Provider prescribes a drug or supply that the Kaiser Permanente drug formulary does not list for your condition, they may request a formulary exception (see the “Drug Formulary Exception Process” section).
- Getting the drug or supply from a MedImpact Pharmacy.

Drug Formulary Exception Process

The Kaiser Permanente drug formulary guidelines include an exception process that is available when a Kaiser Permanente Provider or any licensed dentist prescribes a drug or supply that the Kaiser Permanente drug formulary does not list for your condition, if the law requires the item to bear the legend “Rx only.” The exception process is not available for drugs and supplies that the law does not require to bear this legend.

A PPO Provider, Non-Participating Provider, or any licensed dentist may request an exception if they determine that the non-formulary drug or supply is Medically Necessary. We will make a coverage determination within 72 hours of receipt for standard requests and within 24 hours of receipt for expedited requests. A request may be expedited if you are experiencing a health condition that may seriously jeopardize your life, health, or ability to regain maximum function, or when you are undergoing a current course of treatment using a nonformulary drug.

If the information provided is not sufficient to approve or deny the request, we will notify your prescribing provider that additional information is required in order to make a determination. This additional information will be due within five calendar days for standard requests or two business days for expedited requests.

After we receive the first piece of information (including documents) we requested, we will make a decision and send notification within four calendar days (for standard requests) or two days (for expedited requests), or by the deadline for receiving the information, whichever is sooner.

We will approve the exception if all of the following requirements are met:

- We determine that the drug or supply meets all other coverage requirements except for the fact that the Kaiser Permanente drug formulary does not list it for your condition.
- Medical Group or a designated physician makes the following determinations:
 - The drug or supply is Medically Necessary because you are allergic to, or intolerant of, or have experienced treatment failure with, any alternative drugs or supplies that the Kaiser Permanente drug formulary lists for your condition.
 - Your condition meets any additional requirements that the Regional Formulary and Therapeutics Committee has approved for the drug or supply. For this drug or supply, the pharmacy can provide a copy of the additional criteria upon request. In some cases, there may be a short delay in filling your prescription while your information is being reviewed.

If we approve an exception through this exception process, then we will cover the drug or supply at the applicable Cost Share shown in the “Benefit Summary.”

If we do not approve the formulary exception request, we will send you a letter informing you of that decision. You may request a review by an independent review organization. The process is explained in our denial letter and under “External Review” in the “Grievances, Claims, Appeals, and External Review” section.

- They are provided pursuant to informed consent documents that describe the Services as experimental or investigational, or in other terms that indicate that the Services are being evaluated for their safety, toxicity, or efficacy.
- The prevailing opinion among experts as expressed in the published authoritative medical or scientific literature is that:
 - Use of the Services should be substantially confined to research settings, or
 - Further research is necessary to determine the safety, toxicity, or efficacy of the Services.

In making determinations whether a Service is experimental or investigational, the following sources of information will be relied upon exclusively:

- Your medical records.
- The written protocols and other documents pursuant to which the Service has been or will be provided.
- Any consent documents you or your representative have executed or will be asked to execute, to receive the Service.
- The files and records of the IRB or similar body that approves or reviews research at the institution where the Service has been or will be provided, and other information concerning the authority or actions of the IRB or similar body.

- Regulations, records, applications, and any other documents or actions issued by, filed with, or taken by, the FDA or other agencies within the United States Department of Health and Human Services, or any state agency performing similar functions.

REDUCTIONS

Coordination of Benefits

This Coordination of Benefits (COB) provision applies when you have health care coverage under more than one Plan. To avoid delays in claim processing, you and your provider should file all your claims with each Plan at the same time. If Medicare is your Primary Plan, Medicare may submit your claims to your Secondary Plan for you.

Plan, and other important terms that apply only to this provision, are defined below.

The order of benefit determination rules described in this “Coordination of Benefits” section determines the order in which each Plan will pay a claim for benefits. The Plan that pays first is called the Primary Plan. The Primary Plan must pay benefits in accordance with its contract terms without regard to the possibility that another Plan may cover some expenses. The Plan that pays after the Primary Plan is the Secondary Plan. The Secondary Plan may reduce the benefits it pays so that payments from all Plans do not exceed 100 percent of the total Allowable Expense.

Notice to Covered Persons

If you are covered by more than one health benefit Plan, and you do not know which is your primary Plan, you or your provider should contact any one of the health Plans to verify which Plan is primary. The health Plan you contact is responsible for working with the other Plan to determine which is primary and will let you know within thirty calendar days.

CAUTION: All health Plans have timely claim filing requirements. If you or your provider fail to submit your claim to a secondary health Plan within that Plan's claim filing time limit, the Plan can deny the claim. If you experience delays in the processing of your claim by the primary health Plan, you or your provider will need to submit your claim to the secondary health Plan within its claim filing time limit to prevent a denial of the claim.

To avoid delays in claims processing, if you are covered by more than one Plan you should promptly report to your providers and Plans any changes in your coverage.

Definitions for This “Coordination of Benefits” Section

Plan. A Plan is any of the following that provides benefits or Services for medical or dental care or treatment. If separate contracts are used to provide coordinated coverage for members of a group, the separate contracts are considered parts of the same Plan and there is no COB among those separate contracts. However, if COB

rules do not apply to all contracts, or to all benefits in the same contract, the contract or benefit to which COB does not apply is treated as a separate Plan.

- Plan includes: Group, individual or blanket disability insurance contracts, and group or individual insurance contracts issued by health care service contractors or health maintenance organizations (HMO), Closed Panel Plans or other forms of group coverage; medical care components of long-term care contracts, such as skilled nursing care; and Medicare or any other federal governmental Plan, as permitted by law.
- Plan does not include: Hospital indemnity or fixed payment coverage or other fixed indemnity or fixed payment coverage; accident only coverage; specified disease or specified accident coverage; limited benefit health coverage, as defined by state law; school accident type coverage; benefits for non-medical components of long-term care policies; automobile insurance policies required by statute to provide medical benefits; Medicare supplement policies; Medicaid coverage; or coverage under other federal governmental Plans, unless permitted by law.

Each contract for coverage is a separate Plan. If a Plan has two parts and COB rules apply only to one of the two, each of the parts is treated as a separate Plan.

This Plan. This Plan means the part of the contract providing the health care benefits to which the COB provision applies and which may be reduced because of the benefits of other Plans. Any other part of the contract providing health care benefits is separate from This Plan. A contract may apply one COB provision to certain benefits, such as dental benefits, coordinating only with similar benefits, and may apply another COB provision to coordinate other benefits.

Primary Plan/Secondary Plan. The order of benefit determination rules determines whether This Plan is a Primary Plan or Secondary Plan when the person has health care coverage under more than one Plan.

When This Plan is primary, we determine payment for the benefits first before those of any other Plan without considering any other Plan's benefits. We will not reduce your benefits under This Plan. When This Plan is secondary, we determine the benefits after those of another Plan and must make payment in an amount so that when combined with the amount paid by the Primary Plan, the total benefits paid or provided by all Plans for the claim equal 100 percent of the total Allowable Expense for that claim. This means that when This Plan is secondary, we must pay the amount which, when combined with what the Primary Plan paid, cannot be less than the same Allowable Expense the Secondary Plan would have paid if it had been the Primary Plan. In addition, if This Plan is secondary, we must calculate the savings (the amount paid subtracted from the amount we would have paid had we been the Primary Plan) and record these savings as a medical benefit reserve for the covered person. This reserve must be used to pay any medical expenses during that calendar year, whether or not they are an Allowable Expense under This Plan. If This Plan is Secondary, it will not be required to pay an amount in excess of its maximum benefit plus any accrued savings.

Allowable Expense. Allowable Expense is a health care expense, including Deductibles, Coinsurance and Copayments, that is covered at least in part by any Plan covering the person. When a Plan provides benefits in the form of Services, the Charges of each Service will be considered an Allowable Expense and a benefit paid. An expense that is not covered by any Plan covering the person is not an Allowable Expense.

The following are examples of expenses that are not Allowable Expenses:

- The difference between the cost of a semi-private hospital room and a private hospital room is not an allowable expense, unless one of the Plans provides coverage for private hospital room expenses.
- If a person is covered by two or more Plans that compute their benefit payments on the basis of usual and customary fees or relative value schedule reimbursement method or other similar reimbursement method, any amount in excess of the highest reimbursement amount for a specific benefit.
- If a person is covered by two or more Plans that provide benefits or Services on the basis of negotiated fees, an amount in excess of the highest of the negotiated fees.

Closed Panel Plan. Closed Panel Plan is a Plan that provides health care benefits to covered persons in the form of Services through a panel of providers who are primarily contracted by the Plan, and that excludes coverage for Services provided by other providers, except in cases of emergency or referral by a panel provider.

Custodial Parent. Custodial parent is the parent awarded custody by a court decree or, in the absence of a court decree, is the parent with whom the child resides more than one half of the calendar year excluding any temporary visitation.

Order of Benefit Determination Rules

When a Member is covered by two or more Plans, the rules for determining the order of benefit payments are as follows:

- The Primary Plan pays or provides its benefits according to its terms of coverage and without regard to the benefits under any other Plan.
- A Plan that does not contain a COB provision that is consistent with state regulations is always primary unless the provisions of both Plans state that the complying Plan is primary.
- Coverage that is obtained by virtue of membership in a group that is designed to supplement a part of a basic package of benefits and provides that this supplementary coverage is excess to any other parts of the Plan provided by the contract holder. Examples include major medical coverages that are superimposed over hospital and surgical benefits, and insurance type coverages that are written in connection with a Closed Panel Plan to provide out-of-network benefits.
- A Plan may consider the benefits paid or provided by another Plan in calculating payment of its benefits only when it is secondary to that other Plan.

Each Plan determines its order of benefits using the first of the following rules that apply.

Subscriber or Dependent. The Plan that covers the person as a Subscriber is the Primary Plan and the Plan that covers the person as a Dependent is the Secondary Plan. However, if the person is a Medicare beneficiary and, as a result of federal law, Medicare is secondary to the Plan covering the person as a Dependent, and primary to the Plan covering the person as a Subscriber (for example, a retired employee), then the order of benefits between the two Plans is reversed so that the Plan covering the person as Subscriber is the Secondary Plan and the other Plan is the Primary Plan.

Dependent child covered under more than one Plan. Unless there is a court decree stating otherwise, when a Dependent child is covered by more than one Plan the order of benefits is determined as follows:

- For a Dependent child whose parents are married or are living together, whether or not they have ever been married:
 - The Plan of the parent whose birthday falls earlier in the calendar year is the Primary Plan; or
 - If both parents have the same birthday, the Plan that has covered the parent the longest is the Primary Plan.
- For a Dependent child whose parents are divorced or separated or not living together, whether or not they have ever been married:
 - If a court decree states that one of the parents is responsible for the Dependent child's health care expenses or health care coverage and the Plan of that parent has actual knowledge of those terms, that Plan is primary. This rule applies to claim determination periods commencing after the Plan is given notice of the court decree;

- If a court decree states one parent is to assume primary financial responsibility for the Dependent child but does not mention responsibility for health care expenses, the Plan of the parent assuming financial responsibility is primary;
- If a court decree states that both parents are responsible for the Dependent child's health care expenses or health care coverage, the Plan of the parent whose birthday falls earlier in the calendar year is the Primary Plan or if both parents have the same birthday, the Plan that has covered the parent the longest is the Primary Plan;
- If a court decree states that the parents have joint custody without specifying that one parent has responsibility for the health care expenses or health care coverage of the Dependent child, the Plan of the parent whose birthday falls earlier in the calendar year is the Primary Plan or if both parents have the same birthday, the Plan that has covered the parent the longest is the Primary Plan; or
- If there is no court decree allocating responsibility for the Dependent child's health care expenses or health care coverage, the order of benefits for the child are as follows:
 - 1) The Plan covering the Custodial Parent.
 - 2) The Plan covering the spouse of the Custodial Parent.
 - 3) The Plan covering the non-Custodial Parent.
 - 4) The Plan covering the spouse of the non-Custodial Parent.
- For a Dependent child covered under more than one Plan of individuals who are not the parents of the child, the above provisions determine the order of benefits as if those individuals were the parents of the child.

Active employee or retired or laid-off employee. The Plan that covers a person as an active employee, that is, an employee who is neither laid off nor retired, is the Primary Plan. The Plan covering that same person as a retired or laid-off employee is the Secondary Plan. The same would hold true if a person is a Dependent of an active employee and that same person is a Dependent of a retired or laid-off employee. If the other Plan does not have this rule, and as a result, the Plans do not agree on the order of benefits, this rule is ignored. This rule does not apply if the "Order of Benefit Determination Rules" section can determine the order of benefits.

COBRA or state continuation coverage. If a person whose coverage is provided under COBRA or under a right of continuation provided by state or other federal law is covered under another Plan, the Plan covering the person as an employee, member, subscriber or retiree or covering the person as a dependent of an employee, member, subscriber or retiree is the Primary Plan and the COBRA or state or other federal continuation coverage is the Secondary Plan. If the other Plan does not have this rule, and as a result, the Plans do not agree on the order of benefits, this rule is ignored. This rule does not apply if the "Order of Benefit Determination Rules" section can determine the order of benefits.

Longer or shorter length of coverage. The Plan that covered the person as an employee, member, policyholder, subscriber, or retiree longer is the Primary Plan and the Plan that covered the person the shorter period of time is the Secondary Plan.

If the preceding rules do not determine the order of benefits, the Allowable Expenses must be shared equally between the Plans meeting the definition of Plan. In addition, This Plan will not pay more than we would have paid had we been the Primary Plan.

Effect on the benefits of This Plan. When This Plan is secondary, we may reduce the benefits so that the total benefits paid or provided by all Plans during a claim determination period are not more than the total Allowable Expenses. In determining the amount to be paid for any claim, the Secondary Plan must make payment in an amount so that, when combined with the amount paid by the Primary Plan, the total benefits paid or provided by all Plans for the claim equal one hundred percent of the total Allowable Expense for that

claim. Total Allowable Expense cannot be less than the same Allowable Expense the Secondary Plan would have paid if it had been the Primary Plan. In addition, the Secondary Plan must credit to its Plan deductible any amounts it would have credited to its deductible in the absence of other health care coverage.

Right to receive and release needed information. Certain facts about health care coverage and Services are needed to apply these COB rules and to determine benefits payable under This Plan and other Plans. We may get the facts we need from or give them to other organizations or persons for the purpose of applying these rules and determining benefits payable under This Plan and other Plans covering the person claiming benefits. We are not required to tell, or obtain the consent of, any person to do this. Each person claiming benefits under This Plan must give us any facts we need to apply those rules and determine benefits payable.

Facility of payment. If payments that should have been made under This Plan are made by another Plan, we have the right, at our discretion, to remit to the other Plan the amount we determine appropriate to satisfy the intent of this provision. The amounts paid to the other Plan are considered benefits paid under This Plan. To the extent of such payments, we are fully discharged from liability under This Plan.

Right of recovery. We have the right to recover excess payment whenever we pay Allowable Expenses in excess of the maximum amount of payment necessary to satisfy the intent of this provision. We may recover excess payment from any person to whom or for whom payment was made or any other issuers or Plans.

Injuries or Illnesses Alleged to be Caused by Other Parties or Covered by No-Fault Insurance

This “Injuries or Illnesses Alleged to be Caused by Other Parties or Covered by No-Fault Insurance” section applies if you receive covered Services for an injury or illness alleged to be any of the following:

- Caused by another party’s act or omission.
- Received on the premises of another party.
- Covered by a no-fault insurance provision.

For purposes of this section, “no-fault insurance” means a type of insurance policy that covers your medical expenses for injury or illness due to an accident, regardless of who caused the accident.

Subject to applicable law, if you obtain a settlement, award, or judgment from or on behalf of another party or insurer, or a payment under a no-fault insurance provision, you must ensure we are reimbursed for covered Services that you receive for the injury or illness, except that we will not collect to the extent that the payment would leave you less than fully compensated for your injury or illness.

This “Injuries or Illnesses Alleged to be Caused by Other Parties or Covered by No-Fault Insurance” section does not affect your obligation to pay any applicable Cost Share for these covered Services. The amount of reimbursement due to the Plan is not limited by or subject to the Out-of-Pocket Maximum provision.

If you do not recover anything from or on behalf of the other party, or no-fault insurance, then you are responsible only for any applicable Cost Share.

To the extent permitted by law, we have the option of becoming subrogated to all claims, causes of action, and other rights you may have against another party or an insurer, government program, or other source of coverage for monetary damages, compensation, or indemnification on account of the injury or illness allegedly caused by another party. We will be so subrogated as of the time we mail or deliver a written notice of our exercise of this option to you or your attorney, but we will be subrogated only to the extent of the total Charges for the relevant covered Services.

To secure our rights, we will have a lien on the proceeds of any judgment, award, or settlement you or we (when we subrogate) obtain against another party or any other insurer, regardless of how those proceeds may be characterized or designated. The proceeds that are subject to our lien include any judgment, award, or settlement that you obtain.

Within 30 days after submitting or filing a claim or legal action against another party, or any insurer, you must send written notice of the claim or legal action to us at:

The Phia Group, LLC
40 Pequot Way
Canton, MA 02021
Fax: 781-848-1154

In order for us to determine the existence of any rights we may have and to satisfy those rights, you must complete and send to us all consents, releases, trust agreements, authorizations, assignments, and other documents, including lien forms directing your attorney, the responsible party, and the responsible party's insurer to pay us directly. You must not take any action prejudicial to our rights.

You must provide us written notice before you settle a claim or obtain a judgment or award, or if it appears you will make a recovery of any kind. Subject to applicable law, if you recover any amounts from another party or any other insurer based on your injury or illness, you must pay us after you are reimbursed the total amount of the actual losses and damages you incurred. Sufficient funds to satisfy our claims must be held in a specifically identifiable account until our claims are resolved. Pending final resolution of our claims, you must retain control over the recovered amounts to which we may assert a right.

If reasonable collections costs have been incurred by your attorney in connection with obtaining recovery, we will reduce the amount of our claim by the amount of an equitable apportionment of the collection costs between us and you. This reduction will be made only if:

- We receive a list of the fees and associated costs before settlement, and
- Your attorney's actions were directly related to securing a recovery for you.

If your estate, parent, guardian, or conservator asserts a claim against another party or any insurer based on your injury or illness, any settlement or judgment recovered shall be subject to our liens and other rights to the same extent as if you had asserted the claim against the other party. We may assign our rights to enforce our liens and other rights.

Surrogacy Arrangements – Traditional and Gestational Carriers

If you enter into a Surrogacy Arrangement, whether traditional or gestational, you must ensure we are reimbursed for covered Services you receive related to conception, pregnancy, delivery, or postpartum care in connection with that arrangement ("Surrogacy Health Services"), except that the amount we collect will not exceed the payments or other compensation you and any other payee are entitled to receive under the Surrogacy Arrangement. A "Surrogacy Arrangement" is one in which a woman agrees to become pregnant and to surrender the baby (or babies) to another person or persons who intend to raise the child (or children), whether or not the woman receives payment for being a surrogate.

This section applies to any person who is impregnated by artificial insemination, intrauterine insemination, in vitro fertilization or through the surgical implantation of a fertilized egg of another person and includes both traditional surrogacy and gestational carriers. Note: This "Surrogacy Arrangements – Traditional and Gestational Carriers" section does not affect your obligation to pay any applicable Cost Share, or other amounts you are required to pay for these Services. After you surrender a baby to the legal parents, you are not obligated to pay Charges for any Services that the baby receives (the legal parents are financially responsible for any Services that the baby receives).

By accepting Surrogacy Health Services, you automatically assign to us your right to receive payments that are payable to you or any other payee under the Surrogacy Arrangement, regardless of whether those payments are characterized as being for medical expenses. To secure our rights, we will also have a lien on those payments and on any escrow account, trust, or any other account that holds those payments. Those payments (and amounts in any escrow account, trust, or other account that holds those payments) shall first be applied to satisfy our lien. The assignment and our lien will not exceed the total amount of your obligation to us under the preceding paragraph.

Within 30 days after entering into a Surrogacy Arrangement, you must send written notice of the arrangement, including all of the following information:

- Names, addresses, and telephone numbers of the other parties to the arrangement
- Names, addresses, and telephone numbers of any escrow agent or trustee
- Names, addresses, and telephone numbers of the intended parents and any other parties who are financially responsible for Services the baby (or babies) receive, including names, addresses, and telephone numbers for any health insurance that will cover Services that the baby (or babies) receive
- A signed copy of any contracts and other documents explaining the arrangement
- Any other information we request in order to satisfy our rights

You must send this information to:

Surrogacy Other Party Liability Supervisor
Equian
P.O. Box 36380
Louisville, KY 40233-6380
Fax: 1-502-214-1137
Phone: 1-800-552-8314

You must complete and send us all consents, releases, authorizations, lien forms, and other documents that are reasonably necessary for us to determine the existence of any rights we may have under this “Surrogacy Arrangements – Traditional and Gestational Carriers” section and to satisfy those rights. You may not agree to waive, release, or reduce our rights under this “Surrogacy Arrangements – Traditional and Gestational Carriers” section without our prior, written consent.

If your estate, parent, guardian, or conservator asserts a claim against another party based on the Surrogacy Arrangement, your estate, parent, guardian, or conservator and any settlement, award, or judgment recovered by the estate, parent, guardian, or conservator shall be subject to our liens and other rights to the same extent as if you had asserted the claim against that party. We may assign our rights to enforce our liens and other rights.

Workers’ Compensation or Employer’s Liability

If you suffer from an injury or illness that is compensable under a workers’ compensation or employer’s liability law, we will provide Services even if it is unclear whether you are entitled to a payment or settlement under the law. You have an obligation to reimburse us to the extent of a payment or any other benefit, including any amount you receive as a settlement under the law.

In addition, we, our PPO Providers, or Non-Participating Providers will be permitted to seek reimbursement for these Services directly from the responsible employer or the government agency that administers the law.

GRIEVANCES, CLAIMS, APPEALS, AND EXTERNAL REVIEW

Important Information for Members Whose Benefit Plans are Subject to ERISA.

The Employee Retirement Income Security Act of 1974 (ERISA) is a federal law that regulates employee benefits, including the claim and appeal procedures for benefit plans offered by certain employers. If an employer's benefit plan is subject to ERISA, each time you request Services that must be approved before the Service is provided, you are filing a "pre-service claim" for benefits. You are filing a "post-service claim" when you ask us to pay for or cover Services that have already been received. You must follow our procedure for filing claims, and we must follow certain rules established by ERISA for responding to claims.

Terms We Use in This Section

The following terms have the following meanings when used in this "Grievances, Claims, Appeals, and External Review" section:

- A claim is a request for us to:
 - Provide or pay for a Service that you have not received (pre-service claim);
 - Continue to provide or pay for a Service that you are currently receiving (concurrent care claim); or
 - Pay for a Service that you have already received (post-service claim).
- An adverse benefit determination includes:
 - Any decision by our utilization review organization that a request for a benefit under our Plan does not meet our requirements for medical necessity, appropriateness, health care setting, level of care, or effectiveness or is determined to be experimental or investigational and the requested benefit is therefore denied, reduced, or terminated or payment is not provided or made, in whole or in part for the benefit;
 - The denial, reduction, termination, or failure to provide or make payment, in whole or in part, for a benefit based on a determination by us or our designated utilization review organization regarding a covered person's eligibility to participate in our health benefit Plan; or
 - Any prospective review or retrospective review determination that denies, reduces, or terminates or fails to provide or make payment in whole or in part for a benefit.
- An internal appeal is a request for us to review our initial adverse benefit determination.

Grievance Procedure

We want you to be satisfied with the Services you receive from Kaiser Permanente. We encourage you to discuss any questions or concerns about your care with your provider or another member of your health care team. If you are not satisfied with your provider, you may request another. Contact Customer Service for assistance. You always have the right to a second opinion from a qualified provider at the applicable Cost Share.

A grievance is a complaint submitted by or on behalf of a covered person regarding Service delivery issues other than denial of payment for medical Services or nonprovision of Services, including dissatisfaction with medical care, waiting time for Services, provider or staff attitude or demeanor, or dissatisfaction with Service provided by the health carrier.

If you are not satisfied with the Services received at a particular medical office, or if you have a concern about the personnel or some other matter relating to Services and wish to file a complaint, you may do so by following one of the procedures listed below:

- Call Customer Service; or

- Send your written complaint to Member Relations at:

Kaiser Foundation Health Plan of the Northwest
Member Relations Department
500 NE Multnomah St., Suite 100
Portland, OR 97232-2099
Fax: 1-855-347-7239

All complaints are handled in a confidential manner.

After you notify us of a complaint, this is what happens:

- A representative reviews the complaint and conducts an investigation, verifying all the relevant facts.
- The representative or a physician evaluates the facts and makes a recommendation for corrective action, if any.
- When you file a complaint, we will respond within 30 calendar days.

Grievance determinations are not adverse benefit determinations. There is not an appeal process for grievance determinations.

We want you to be satisfied with our facilities, Services, and providers. Using this grievance procedure gives us the opportunity to correct any problems that keep us from meeting your expectations and your health care needs. If you are dissatisfied for any reason, please let us know.

You also have the right to request any diagnosis and treatment codes and their meanings that are the subject of your claim. To make a request, you should contact Customer Service.

Providing Additional Information Regarding Your Claim

When you appeal, you may send us additional information including comments, documents, and additional medical records that you believe support your claim. If we asked for additional information and you did not provide it before we made our initial decision about your claim, then you may still send us the additional information so that we may include it as part of our review of your appeal. Please mail or fax all additional information to:

To arrange to give testimony by telephone, you should contact Customer Service.

We will add the information that you provide through testimony or other means to your claim file and we will review it without regard to whether this information was submitted and/or considered in our initial decision regarding your claim.

Sharing Additional Information That We Collect

If we believe that your appeal of our initial adverse benefit determination will be denied, then before we issue another adverse benefit determination, we will also share with you any new or additional reasons for that decision. We will send you a letter explaining the new or additional information and/or reasons and inform you how you can respond to the information in the letter if you choose to do so. If you do not respond before we must make our final decision, that decision will be based on the information already in your claim file.

Internal Claims and Appeals Procedures

Company will review claims and appeals, and we may use medical experts to help us review them.

There are several types of claims, and each has a different procedure described below for sending your claim and appeal to us as described in this “Internal Claims and Appeals Procedures” section:

- Pre-service claims (urgent and non-urgent)
- Concurrent care claims (urgent and non-urgent)
- Post-service claims

When you file an appeal, we will review your claim without regard to our previous adverse benefit determination. The individual who reviews your appeal will not have participated in our original decision regarding your claim nor will they be the subordinate of someone who did participate in our original decision.

If you miss a deadline for making a claim or appeal, we may decline to review it.

Except when simultaneous external review can occur (urgent pre-service appeal and urgent concurrent appeal), you must exhaust the internal claims and appeals procedures described below before initiating an external review.

Pre-service Claims and Appeals

Pre-service claims are requests that we provide or pay for a Service that you have not yet received. Failure to receive authorization before receiving a Service that must be authorized in order to be a covered benefit may be the basis for our denial of your pre-service claim or a post-service claim for payment. If you receive any of the Services you are requesting before we make our decision, your pre-service claim or appeal will become a post-service claim or appeal with respect to those Services. If you have any general questions about pre-service claims or appeals, please contact Customer Service.

Here are the procedures for filing a non-urgent pre-service claim, an urgent pre-service claim, a non-urgent pre-service appeal, and an urgent pre-service appeal.

Non-Urgent Pre-service Claim

- You may request a pre-service benefit determination on your own behalf. Tell us in writing or orally that you want to make a claim for us to provide or pay for a Service you have not yet received. Your request and any related documents you give us constitute your claim. You may email your request to us at <https://healthy.kaiserpermanente.org/oregon-washington/support>, call Customer Service, mail, or fax your claim to us at:

Kaiser Foundation Health Plan of the Northwest
Attn: Utilization Management
500 N.E. Multnomah St., Suite 100
Portland, OR 97232-2099
Fax: 1-877-899-4972

- If you want us to consider your pre-service claim on an urgent basis, your request should tell us that. We will decide whether your claim is urgent or non-urgent. If we determine that your claim is not urgent, we will treat your claim as non-urgent. Generally, a claim is urgent only if using the procedure for non-urgent claims (a) could seriously jeopardize your life or health, the life or health of a fetus, or your ability to regain maximum function; (b) would, in the opinion of a physician with knowledge of your medical condition, subject you to severe pain that cannot be adequately managed without the Services you are requesting; (c) your attending provider requests that your claim be treated as urgent; or (d) involves a request concerning admissions, continued stay, or other health care Services if you have received Emergency Services but have not been discharged from a facility.

- We will review your claim and, if we have all the information we need, we will make a decision within three calendar days if your request was received electronically and within five calendar days if your request was received orally or in writing.

If more information is needed to make a decision, we will ask you for the information within one calendar day after we receive your claim, and we will give you 45 calendar days to send the information.

We will make a decision and send notification within 15 calendar days after we receive the first piece of information (including documents) we requested, or by the deadline for receiving the information, whichever is sooner.

We encourage you to send all the requested information at one time, so that we will be able to consider it all when we make our decision.

- We will send written notice of our decision to you and, if applicable, to your provider.

Urgent Pre-service Claim

- If your pre-service claim was considered on an urgent basis, we will make a decision within one calendar day if your request was received electronically and within two calendar days if your request was received orally or in writing.
- If more information is needed to make a decision, we will ask you for the information within one calendar day after we receive your claim, and we will give you seven calendar days to send the information.

We will notify you of our decision within 48 hours of receiving the first piece of requested information or by the deadline for receiving the information, whichever is sooner.

If we notify you of our decision orally, we will send you, and if applicable, your provider, written confirmation within three calendar days after the oral notification.

- If we deny your claim (if we do not agree to provide or pay for all the Services you requested), our adverse benefit determination notice will tell you why we denied your claim and how you can appeal.

Non-Urgent Pre-service Appeal

- Within 180 calendar days after you receive our adverse benefit determination notice, you must tell us in writing or orally that you want to appeal our denial of your pre-service claim. Please include the following:

- (1) Your name and health record number;
- (2) Your medical condition or relevant symptoms;
- (3) The specific Service that you are requesting;
- (4) All of the reasons why you disagree with our adverse benefit determination; and
- (5) All supporting documents.

Your request and the supporting documents constitute your appeal. You must call Customer Service, mail, or fax your appeal to us at:

Kaiser Foundation Health Plan of the Northwest
 Member Relations Department
 500 N.E. Multnomah St., Suite 100
 Portland, OR 97232-2099
 Fax: 1-855-347-7239

- We will acknowledge your appeal in writing within 72 hours after we receive it.

- We will fully and fairly review all available information relevant to your appeal without deferring to prior decisions.
- We will review your appeal and send you a written decision within 14 calendar days after we receive your appeal, unless you are notified that additional time is needed to complete the review. The extension will not delay the decision beyond 30 calendar days without your consent.
- If we deny your appeal, our adverse benefit determination notice will tell you why we denied your appeal and will include information regarding any further process, including external review, which may be available to you.

Urgent Pre-service Appeal

- Tell us that you want to urgently appeal our adverse benefit determination regarding your pre-service claim. Please include the following:
 - (1) Your name and health record number;
 - (2) Your medical condition or relevant symptoms;
 - (3) The specific Service that you are requesting;
 - (4) All of the reasons why you disagree with our adverse benefit determination; and
 - (5) All supporting documents.

Your request and the supporting documents constitute your appeal. You must call Customer Service, mail, or fax your appeal to us at:

Kaiser Foundation Health Plan of the Northwest
 Member Relations Department
 500 N.E. Multnomah St., Suite 100
 Portland, OR 97232-2099
 Fax: 1-855-347-7239

- When you send your appeal, you may also request simultaneous external review of our initial adverse benefit determination. If you want simultaneous external review, your appeal must tell us this. You will be eligible for the simultaneous external review only if your pre-service appeal qualifies as urgent. If you do not request simultaneous external review in your appeal, then you may be able to request external review after we make our decision regarding your appeal (see “External Review” in this “Grievances, Claims, Appeals, and External Review” section), if our internal appeal decision is not in your favor.
- We will decide whether your appeal is urgent or non-urgent. If we determine that your appeal is not urgent, we will treat your appeal as non-urgent. Generally, an appeal is urgent only if using the procedure for non-urgent appeals (a) could seriously jeopardize your life or health, the life or health of a fetus, or your ability to regain maximum function; (b) would, in the opinion of a physician with knowledge of your medical condition, subject you to severe pain that cannot be adequately managed without the Services you are requesting; (c) your attending provider requests that your claim be treated as urgent; or (d) involves a request concerning admissions, continued stay, or other health care Services if you have received Emergency Services but have not been discharged from a facility.
- We will fully and fairly review all available information relevant to your appeal without deferring to prior decisions.
- We will review your appeal and give you oral or written notice of our decision as soon as your clinical condition requires, but no later than 72 hours after we receive your appeal. If we notify you of our decision orally, we will send you a written confirmation within 72 hours after the decision is made.
- If we deny your appeal, our adverse benefit determination notice will tell you why we denied your

appeal and will include information regarding any further process, including external review, which may be available to you.

Concurrent Care Claims and Appeals

Concurrent care claims, which are all considered urgent, are requests that Company continues to provide, or pay for, an ongoing course of covered treatment to be provided over a period of time or number of treatments, when the course of treatment already being received is scheduled to end. If you have any general questions about concurrent care claims or appeals, please call Customer Service.

Unless you are appealing an urgent care claim, if we either (a) deny your request to extend your current authorized ongoing care (your concurrent care claim) or (b) inform you that authorized care that you are currently receiving is going to end early and you appeal our adverse benefit determination at least 24 hours before your ongoing course of covered treatment will end, then during the time that we are considering your appeal, you may continue to receive the authorized Services. If you continue to receive these Services while we consider your appeal and your appeal does not result in our approval of your concurrent care claim, then you will have to pay for the Services that we decide are not covered.

Here are the procedures for filing a concurrent care claim and a concurrent care appeal:

Concurrent Care Claim

- Tell us that you want to make a concurrent care claim for an ongoing course of covered treatment. Inform us in detail of the reasons that your authorized ongoing care should be continued or extended. Your request and any related documents you give us constitute your claim. You must call Customer Service, mail, or fax your claim to us at:

Kaiser Foundation Health Plan of the Northwest
Attn: Utilization Management
500 N.E. Multnomah St., Suite 100
Portland, OR 97232-2099
Fax: 1-877-899-4972

- We will notify you of our decision orally or in writing as soon as your clinical condition requires, but no later than 24 hours after we receive your claim. If we notify you of our decision orally, we will send you, and if applicable, your provider, written confirmation within three calendar days after the oral notification.
- If we deny your claim (if we do not agree to provide or pay for extending the ongoing course of treatment), our adverse benefit determination notice will tell you why we denied your claim and how you can appeal.

Concurrent Care Appeal

- Within 180 calendar days after you receive our adverse benefit determination notice, you must tell us in writing or orally that you want to appeal our adverse benefit determination. Please include the following:
 - (1) Your name and health record number;
 - (2) Your medical condition or relevant symptoms;
 - (3) The ongoing course of covered treatment that you want to continue or extend;
 - (4) All of the reasons why you disagree with our adverse benefit determination; and
 - (5) All supporting documents.

Your request and all supporting documents constitute your appeal. You must call Customer Service, mail, or fax your appeal to us at:

Kaiser Foundation Health Plan of the Northwest
Member Relations Department
500 N.E. Multnomah St., Suite 100
Portland, OR 97232-2099
Fax: 1-855-347-7239

- When you send your appeal, you may also request simultaneous external review of our adverse benefit determination. If you want simultaneous external review, your appeal must tell us this. If you do not request simultaneous external review in your appeal, then you may be able to request external review after we make our decision regarding your appeal (see “External Review” in this “Grievances, Claims, Appeals, and External Review” section).
- We will fully and fairly review all available information relevant to your appeal without deferring to prior decisions.
- We will review your appeal and notify you of our decision orally or in writing as soon as your clinical condition requires, but no later than 72 hours after we receive your appeal. If we notify you of our decision orally, we will send you a written confirmation within 72 hours after the decision is made.
- If we deny your appeal, our adverse benefit determination decision will tell you why we denied your appeal and will include information about any further process, including external review, which may be available to you.

Post-service Claims and Appeals

Post-service claims are requests that we pay for Services you already received, including claims for out-of-Plan Emergency Services. If you have any general questions about post-service claims or appeals, please call Customer Service.

Here are the procedures for filing a post-service claim and a post-service appeal:

Post-service Claim

- Within 12 months from the date you received the Services, mail us a letter explaining the Services for which you are requesting payment. Provide us with the following:
 - (1) The date you received the Services;
 - (2) Where you received them;
 - (3) Who provided them;
 - (4) Why you think we should pay for the Services; and
 - (5) A copy of the bill and any supporting documents, including medical records.

Your letter and the related documents constitute your claim. You may contact Customer Service to obtain a claim form. You must mail your claim to the Claims Department at:

Kaiser Foundation Health Plan of the Northwest
National Claims Administration – Northwest
PO Box 370050
Denver, CO 80237-9998

- We will not accept or pay for claims received from you after 12 months from the date of Service, except in the absence of legal capacity.
- We will review your claim, and if we have all the information we need, we will send you a written

decision within 30 calendar days after we receive your claim.

We may extend the time for making a decision for an additional 15 calendar days if circumstances beyond our control delay our decision, if we notify you within 30 calendar days after we receive your claim.

If more information is needed to make a decision, we will ask you for the information before the initial decision period ends, and we will give you 45 calendar days to send us the information.

We will make a decision within 15 calendar days after we receive the first piece of information (including documents) we requested.

We encourage you to send all the requested information at one time, so that we will be able to consider it all when we make our decision.

If we do not receive any of the requested information (including documents) within 45 calendar days after we send our request, we will make a decision based on the information we have within 15 calendar days following the end of the 45 calendar-day period.

- If we deny your claim (if we do not pay for all the Services you requested), our adverse benefit determination notice will tell you why we denied your claim and how you can appeal.

Post-service Appeal

- Within 180 calendar days after you receive our adverse benefit determination, tell us in writing or orally that you want to appeal our denial of your post-service claim. Please include the following:
 - (1) Your name and health record number;
 - (2) Your medical condition or relevant symptoms;
 - (3) The specific Services that you want us to pay for;
 - (4) All of the reasons why you disagree with our adverse benefit determination; and
 - (5) All supporting documents.

Your request and the supporting documents constitute your appeal. You must call Customer Service, mail, or fax your appeal to us at:

Kaiser Foundation Health Plan of the Northwest
Member Relations Department
500 N.E. Multnomah St., Suite 100
Portland, OR 97232-2099
Fax: 1-855-347-7239

- We will acknowledge your appeal in writing within 72 hours after we receive it.
- We will fully and fairly review all available information relevant to your appeal without deferring to prior decisions.
- We will review your appeal and send you a written decision within 14 calendar days after we receive your appeal. We may extend the time for making a decision on your appeal for up to an additional 16 calendar days if there is good cause.
- If we deny your appeal, our adverse benefit determination will tell you why we denied your appeal and will include information regarding any further process, including external review, that may be available to you.

External Review

If you are dissatisfied with our final adverse benefit determination, you have a right to request an external review. An external review is a request for an independent review organization (IRO) to determine whether our internal appeal decision is correct. For example, you have the right to request external review of an adverse decision that is based on any of the following:

- Relies on medical judgment, including but not limited to, medical necessity, appropriateness, health care setting, level of care, or that the requested Service is not efficacious or otherwise unjustified under evidence-based medical criteria.
- Concludes that a treatment is experimental or investigational.
- Concludes that parity exists in the non-quantitative treatment limitations applied to behavioral health care (mental health and/or Substance Use Disorder) benefits.
- Involves consideration of whether we are complying with federal law requirements regarding balance (surprise) billing and/or cost sharing protections pursuant to the No Surprises Act (Public Health Service Act sections 2799A-1 and 2799A-2 and 45 C.F.R. §§149.110 --149.130).
- Involves a decision related to rescission of your coverage.

You must exhaust our internal claims and appeals procedure for your claim before you may request external review unless one of the following is true:

- External review is permitted to occur simultaneously with your urgent pre-service appeal or urgent concurrent care appeal;
- Your request qualifies for expedited external review;
- We have failed to comply with federal requirements regarding our claims and appeals procedures; or
- We have failed to comply with the Washington requirement to make a decision regarding the appeal within 30 calendar days for non-urgent appeals and 72 hours for urgent appeals.

Within 180 calendar days after the date of our appeal denial letter you must call Customer Service or send your request for external review to Member Relations in writing (via mail, fax, or online through our website at **kp.org**). If you wish to mail or fax your request, you may send it to us at:

Kaiser Foundation Health Plan of the Northwest
Member Relations Department
500 NE Multnomah St., Suite 100
Portland, OR 97232-2099
Fax: 1-855-347-7239

Member Relations will forward your request to the IRO no later than the third business day after the date they receive your request for review. They will include written information received in support of the appeal along with medical records and other documents relevant in making the determination. Within one day of selecting the IRO, we will notify the appellant of the name of the IRO and its contact information.

You will have five business days to submit to the IRO, in writing, any additional information that the IRO must consider when conducting the external review. The IRO will forward to us any additional information you submit within one business day of receipt.

Your request for external review will be expedited if your request concerns an admission, availability of care, continued stay, or health care Service for which you received Emergency Services but have not been discharged from a facility, or the ordinary time period for external review would seriously jeopardize your life or health, the life or health of a fetus, or your ability to regain maximum function.

If an adverse benefit determination involves our decision to modify, reduce, or terminate an otherwise covered Service that you are receiving at the time the request for review is submitted and our decision is based upon a finding that the Service or level of care is no longer Medically Necessary, we will continue to provide the Service if requested by you until a determination is made by the IRO. If the IRO affirms our adverse benefit determination, you may be responsible for the cost of the continued Service.

You are not responsible for the costs of the external review, and you may name someone else to file the request for external review for you if you give permission in writing and include that with your request for external review.

Company will be bound by and act in accordance with the decision of the IRO notwithstanding the definition of Medically Necessary care. If we do not follow a decision of an IRO, you have the right to sue us.

Experimental or Investigational Determination and Appeal

Decisions on appeals about experimental or investigational Services will be communicated in writing within 20 days of receipt of a fully documented request, unless you consent in writing to an extension of time. Appeals that meet the criteria for an urgent appeal, as described in the “Urgent Pre-service Appeal” section, will be expedited to meet the clinical urgency of the situation, not to exceed 72 hours.

If, on appeal, the decision to deny Services is upheld, the final decision will specify (i) the title, specialty, and professional qualifications of the individual(s) who made the final decision and (ii) the basis for the final decision.

TERMINATION OF MEMBERSHIP

If your membership terminates, all rights to benefits end at 11:59 p.m. PT on the termination date. In addition, Dependents’ memberships end at the same time the Subscribers’ membership ends.

You will be billed as a non-Member for any Services you receive after your membership terminates. Company, PPO Providers and PPO Facilities have no further liability or responsibility under this *EOC* after your membership terminates.

Termination Due to Loss of Eligibility

You and your Dependents must remain eligible to maintain your Group coverage. You must immediately report to your Group any changes in eligibility status, such as a Spouse’s loss of eligibility due to divorce or a Dependent child who has reached the Dependent Limiting Age. If you no longer meet the eligibility requirements described in this *EOC*, please confirm with your Group’s benefits administrator when your membership will end.

Termination for Cause

If you or any other Member in your Family is proven to have committed one of the following acts, we may terminate your membership under this employer’s *Agreement* by sending written notice, including the specific reason for termination with supporting evidence, to the Subscriber at least 31 days before the membership termination date:

- Making an intentional misrepresentation of material fact in connection with this coverage.
- Commission of a fraudulent act against us.

Examples. We would consider the following acts as fraudulent:

- Intentionally presenting an invalid prescription or physician order for Services.
- Intentionally letting someone else use your ID card to obtain Services pretending to be you.

We may report fraud and other illegal acts to the authorities for prosecution.

If we terminate your membership for cause we will:

- Refund any amounts we owe your Group for Premium paid for the period after the termination date.
- Pay you any amounts we have determined that we owe you for claims during your membership.
- We may deduct any amounts you owe Company, PPO Providers, or PPO Facilities from any payment we make to you.

If your coverage is terminated for any of the above reasons, you have the right to file an appeal. For more information, please contact Customer Service.

Termination of Your Group's Agreement with Us

If your Group's *Agreement* with us terminates for any reason, your membership ends on the same date. We require the Group to notify Subscribers in writing if your Group's *Agreement* with us terminates.

Termination of Certain Types of Health Benefit Plans by Us

We may terminate a particular Plan or all Plans offered in the group market as permitted by law. If we discontinue offering a particular Plan in the group market, we will terminate the particular Plan upon 90 days prior written notice to you. If we discontinue offering all Plans in the group market, we may terminate the *Agreement* upon 180 days prior written notice to you.

CONTINUATION OF MEMBERSHIP

Strike, Lock-Out, or Other Labor Disputes

If your compensation is suspended directly or indirectly as a result of a strike, lock-out, or other labor dispute, you may continue membership under this *EOC* by paying Premium for yourself and eligible Dependents directly to the Group for up to six months. If the Group's coverage is terminated by Company, reinstatement with Company is subject to all terms and conditions of your Group's *Agreement* with Company. When your Group continuation coverage under this *EOC* stops, you and your Dependents may be eligible to purchase an individual plan offered by Company.

Illness, Temporary Plant Shut Down, or Leave of Absence

If you are off work due to illness, temporary plant shutdown, or other leave of absence authorized by your Group, you may continue your membership under this *EOC* for up to 12 weeks in a 12-month period. To continue your membership, please make arrangements to make monthly payments through your Group. The 12-week period may be extended by advance arrangements confirmed in writing by Company. Once the 12-week period is exhausted, you may be eligible to enroll in an individual plan as described under the "Conversion to an Individual Plan" section.

The Family Medical Leave Act (FMLA) requires employers to maintain group medical coverage during any leave that is required by the FMLA, with certain exceptions (see your employer for further information).

Continuation of Group Coverage under the Consolidated Omnibus Budget Reconciliation Act (COBRA)

You may be able to continue your coverage under this *EOC* for a limited time after you would otherwise lose eligibility, if required by the federal COBRA law. COBRA applies to most employees (and most of their covered dependents) of most employers with 20 or more employees (however, it does not apply to church plans as defined by federal law). Please contact your Group for details about COBRA continuation coverage, such as how to elect coverage and how much you must pay your Group for the coverage.

Federal or State-Mandated Continuation of Coverage

Termination of coverage will be postponed if the Member is on a leave of absence and continuation of coverage is required by the federal or state-mandated family or medical leave act or law, as amended.

State Continuation Coverage

If your Group is not subject to COBRA law, you and your Dependents may be able to continue coverage under this *EOC* through your Group for up to six months if you are not eligible for Medicare. To be eligible you must have lost your job or membership in the organization through which you are receiving coverage under this *EOC* and have been covered continuously under this *EOC* during the six-month period ending on the date you lost your job or organization membership.

However, you may not make your request for continued coverage more than 31 days after the date of job or organization membership termination.

Your Premium will be 100 percent of the applicable Premium. The first Premium payment must be paid within 31 days after the date on which your coverage would otherwise end.

Your right to continue coverage under this “State Continuation Coverage” section will end upon the earliest of the following events:

- Six months have elapsed since the date on which coverage under this *EOC* would otherwise have ended.
- You fail to pay your Premium.
- You enroll in Medicare.
- Your Group’s *Agreement* with us terminates.

Uniformed Services Employment and Reemployment Rights Act (USERRA)

If you are called to active duty in the uniformed services, you may be able to continue your coverage under this *EOC* for a limited time after you would otherwise lose eligibility, if required by federal law (USERRA).

You must submit an USERRA election form to your Group within 60 days after your call to active duty. Please contact your Group if you want to know how to elect USERRA coverage and how much you must pay your Group for the coverage.

Conversion to an Individual Plan

After your Group notifies us to terminate your membership, we will send a termination letter to the Subscriber’s address of record. The letter will include information about options that may be available to you to remain a Member. You may contact Customer Service if you have questions.

If you want to remain a Member, one option that may be available is our conversion plan. The premium and coverage under our conversion plan will differ from those under this *EOC*. You may be eligible to enroll in our conversion plan if you no longer meet the eligibility requirements described under “Who Is Eligible” in the “Premium, Eligibility, and Enrollment” section. If you enroll in Group continuation coverage through COBRA, State Continuation Coverage, or USERRA, you may be eligible to enroll in our conversion plan when your Group continuation coverage ends.

To be eligible for our conversion plan, there must be no lapse in your coverage and we must receive your enrollment application and the first month’s premium within 31 days of the date you received our termination letter or your membership termination date (whichever date is later). To request an application, please call Customer Service.

If we approve your enrollment application, your coverage under our conversion plan begins when your Group coverage ends (including Group continuation coverage).

You may convert to our conversion plan unless:

- You continue to be eligible for coverage under this *EOC* (but not counting COBRA, State Continuation Coverage, or USERRA).
- Your membership ends because our *Agreement* with your Group terminates and it is replaced by another group plan within 31 days after the date you received our termination letter or your membership termination date (whichever date is later).
- You reside outside the state of Washington.
- You are covered under another group plan, policy, contract, or agreement providing benefits for hospital or medical care.

To request more information about our conversion plan, please call Customer Service.

Moving to Another Kaiser Foundation Health Plan Service Area

If you move to another Kaiser Foundation Health Plan service area, you should contact your Group's benefits administrator to learn about your Group health care options. You may be eligible to enroll in a plan in the other Kaiser Foundation Health Plan service area. Eligibility requirements, benefits, premium, deductible, and copayments and coinsurance may not be the same in the other service area.

Compensation of Providers and Facilities

PPO Providers and PPO Facilities may be paid in various ways, including salary, per diem rates, case rates, fee-for-service, incentive payments, and capitation payments. Capitation payments are based on a total number of Members (on a per-Member, per-month basis), regardless of the amount of Services provided. Company may directly or indirectly make capitation payments to PPO Providers and PPO Facilities only for the professional Services they deliver, and not for Services provided by other physicians, hospitals, or facilities. We pay Non-Participating Providers and Non-Participating Facilities the Allowed Amount for their Services. Please call Customer Service if you would like to learn more about the ways providers and facilities are paid to provide or arrange medical and hospital Services for Members.

Our contracts with PPO Providers and PPO Facilities provide that you are not liable for any amounts we owe. However, you may be liable for the cost of non-covered Services that you receive from a PPO Provider, PPO Facility, Non-Participating Provider, or Non-Participating Facility. You will also be liable for the cost of Services that you receive without required authorization.

Exercise of Conscience

We recognize the rights to exercise religious beliefs and conscience. If a provider or facility declines to provide a covered Service for reasons of conscience or religion, contact Customer Service and we will direct you to another provider or facility.

Governing Law

Except as preempted by federal law, this *EOC* will be governed in accord with Washington law and any provision that is required to be in this *EOC* by state or federal law shall bind Members and Company whether or not set forth in this *EOC*.

Group and Members Not Company Agents

Neither your Group nor any Member is the agent or representative of Company.

Information about New Technology

When a new medical technology or procedure needs review, our Inter-regional New Technology Committee examines and evaluates data from government agencies, medical experts, medical journals, and medical specialty societies. Recommendations from this inter-regional committee then are passed onto the local committee. The committee reviews the national recommendations to see how they apply to local medical practices. Once this review takes place, the committee makes recommendations for the new technology or procedure to become a covered benefit. In addition, the committee communicates practice guidelines to network providers and related health care providers. If the committee's recommendation is accepted, the new technology is added to the covered benefits, either immediately or when this contract renews.

Litigation Venue

Venue for all litigation between you and Company shall lie in Clark County, Washington.

No Waiver

Our failure to enforce any provision of this *EOC* will not constitute a waiver of that or any other provision, or impair our right thereafter to require your strict performance of any provision.

Nondiscrimination

We do not discriminate in our employment practices or in the delivery of Services on the basis of race, ethnicity, nationality, actual or perceived gender, age, physical or mental disability, marital status, sexual orientation, genetic information, or religion.

We will send our notices to you to the most recent address we have for the Subscriber. The Subscriber is responsible for notifying us of any change in address. Subscribers who move should call Customer Service as soon as possible to give us their new address.

Privacy Practices

Kaiser Permanente will protect the privacy of your protected health information (PHI). We also require contracting providers to protect your PHI. Your PHI is individually identifiable information about your health, health care Services you receive, or payment for your health care. You may generally see and receive copies of your PHI, correct or update your PHI, and ask us for an accounting of certain disclosures of your PHI.

We may use or disclose your PHI for treatment, payment, health research, and health care operations purposes, such as measuring the quality of Services. We are sometimes required by law to give PHI to others, such as government agencies or in judicial actions. In addition, Member-identifiable health information is shared with your Group only with your authorization or as otherwise permitted by law. We will not use or disclose your PHI for any other purpose without your (or your representative's) written authorization, except as described in our *Notice of Privacy Practices*. Giving us this authorization is at your discretion.

You have the right to request that Kaiser Permanente send your PHI directly to you, and not to the Subscriber of your Plan. You have the right to tell us where you want us to redirect communications containing your PHI, including a different mailing address, e-mail address or telephone number. To make a request for confidential communication, please call Customer Service and ask for a "Non-Disclosure Directive" form or download the form from kp.org/disclosures. It may take up to three business days from the date of receipt of the form for us to process your request.

In addition to any PHI that you request to be sent directly to you, we are also committed to maintaining confidentiality for all sensitive health care Services, including Services related to reproductive health, sexually transmitted diseases, substance use disorder, gender dysphoria, gender affirming care, domestic violence, and mental health. For Dependents who have reached the age to consent for their own care, communications regarding sensitive health care Services will be directed only to the Member who receives the Services, and not to the Subscriber of the Plan.

This is only a brief summary of some of our key privacy practices. Our *Notice of Privacy Practices*, which provides additional information about our privacy practices and your rights regarding your PHI, is available and will be furnished to you upon request. To request a copy, please call Customer Service. You can also find the notice on our website at kp.org.

Unusual Circumstances

In the event of unusual circumstances that delay or render impractical the provision of Services, such as major disaster, epidemic, war, riot, civil insurrection, labor disputes, disability of a large share of personnel at PPO Facilities, and complete or partial destruction of facilities, we will make a good faith effort to provide or arrange for covered Services within the limitations of available personnel and facilities. Kaiser Permanente shall have no other liability or obligation if covered Services are delayed or unavailable due to unusual circumstances.

YOUR RIGHTS AND PROTECTIONS AGAINST SURPRISE MEDICAL BILLS AND BALANCE BILLING IN WASHINGTON STATE

When you get emergency care or get treated by an out-of-network provider at an in-network hospital or ambulatory surgical center, you are protected from surprise billing or balance billing.

What is “balance billing” (sometimes called “surprise billing”)?

When you see a doctor or other health care provider, you may owe certain out-of-pocket costs, such as a copayment, coinsurance, and/or a deductible. You may have other costs or have to pay the entire bill if you see a provider or visit a health care facility that isn't in your health plan's network.

“Out-of-network” describes providers and facilities that haven't signed a contract with your health plan. Out-of-network providers may be permitted to bill you for the difference between what your plan agreed to pay and the full amount charged for a service. This is called “balance billing.” This amount is likely more than in-network costs for the same service and might not count toward your annual out-of-pocket limit.

“Surprise billing” is an unexpected balance bill. This can happen when you can't control who is involved in your care—like when you take an ambulance ride, have an emergency, or when you schedule a visit at an in-network facility but are unexpectedly treated by an out-of-network provider.

Insurers are required to tell you, via their websites or on request, which providers, hospitals and facilities are in their networks. Hospitals, surgical facilities, providers, behavioral health emergency service providers, and ground ambulance providers must tell you which provider networks they participate in on their website or on request.

You are protected from balance billing for:

Emergency Services

If you have an emergency medical condition, mental health or substance use disorder condition and get emergency services from an out-of-network provider or facility, the most the provider or facility may bill you is your plan's in-network cost-sharing amount (such as copayments and coinsurance). You can't be balance billed for these emergency services. This includes ground or air ambulance rides and care you receive in a hospital and in facilities that provide crisis services to people experiencing a mental health or substance use disorder emergency. You can't be balance billed for these emergency services, including services you may get after you're in a stable condition.

Certain services at an in-network hospital or ambulatory surgical center

When you get services from an in-network hospital or ambulatory surgical center, certain providers there may be out-of-network. In these cases, the most those providers may bill you is your plan's in-network cost-sharing amount.

You also aren't required to get care out-of-network. You can choose a provider or facility in your plan's network.

When can you be asked to waive your protections from balance billing:

Health care providers, including hospitals, emergency behavioral health services providers, and air and ground ambulance providers, can **never** require you to give up your protections from balance billing.

If you have coverage through a self-funded group health plan, in some limited situations, a provider can ask you to consent to waive your balance billing protections, but you are **never** required to give your consent. Please contact your employer or health plan for more information.

When balance billing isn't allowed, you also have the following protections:

- You are only responsible for paying your share of the cost (like the copayments, coinsurance, and deductibles that you would pay if the provider or facility was in-network). Your health plan will pay out-of-network providers and facilities directly.
- Your health plan generally must:
 - Cover emergency services without requiring you to get approval for services in advance (prior authorization).
 - Cover emergency services by out-of-network providers.
 - Base what you owe the provider or facility (cost-sharing) on what it would pay an in-network provider or facility and show that amount in your explanation of benefits.
 - Count any amount you pay for emergency services or out-of-network services toward your deductible and out-of-pocket limit.

If you believe you've been wrongly billed, you may file a complaint with the federal government at www.cms.gov/nosurprises/consumers or by calling 1-800-985-3059; and/or file a complaint with the Washington State Office of the Insurance Commissioner at www.insurance.wa.gov/file-complaint-or-check-your-complaint-status, or by calling 1-800-562-6900.

Visit www.cms.gov/nosurprises for more information about your rights under federal law.

Visit the Office of the Insurance Commissioner Balance Billing Protection Act website at www.insurance.wa.gov/what-consumers-need-know-about-surprise-or-balance-billing for more information about your rights under Washington state law.
