The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage see

www.kp.org/plandocuments or call 1-888-865-5813 (TTY: 711). | Important Questions  | Answers   | Why this Matters:  |
|--|---|--|
| What is the overall deductible?                                      | \$3,300 Individual / \$6,600 Family   | Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .  |
| Are there services covered before you meet your deductible?          | Yes. Preventive care and services indicated in chart starting on page 2.  | This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> . |
| Are there other deductibles for specific services?                   | Yes. Brand name and Specialty Rx coverage: \$500 Individual / \$1,000 Family in network. There are no other specific deductibles. | You must pay all of the costs for these services up to the specific <u>deductible</u> amount before this <u>plan</u> begins to pay for these services.   |
| What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ? | \$7,250 Individual / \$14,500 Family  | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.  |
| What is not included in the out-of-pocket limit?                     | Premiums, cost sharing for non-EHBs, and health care this plan does not cover.  | Even though you pay these expenses, they don't count toward the <u>out-of-pocket</u> <u>limit</u> .  |
| Will you pay less if you use a <u>network provider</u> ?             | Yes. See <a href="https://www.kp.org">www.kp.org</a> or call 1-888-865-5813 (TTY: 711) for a list of                              |  |

All <u>copayment</u> and <u>coinsurance</u> costs shown in this chart are after your <u>deductible</u> has been met, if a <u>deductible</u> applies.
