The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage see https://kp.org/plandocuments or call 1-888-865-5813 (TTY: 711). For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms, see the Glossary. You can view the Glossary at www.healthcare.gov/sbc-glossary/ or call 1-888-865-5813 (TTY: 711) to request a copy.

| Important Questions | Answers | Why this Matters: |
| :---: | :---: | :---: |
| What is the overall deductible? | \$0 | See the Common Medical Events chart below for your costs for services this plan covers. |
| Are there services covered before you meet your deductible? | Not Applicable. | This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost sharing and before you meet your deductible. See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/. |
| Are there other deductibles for specific services? | No. | You don't have to meet deductibles for specific services. |
| What is the out-of-pocket limit for this plan? | Not Applicable. | This plan does not have an out-of-pocket limit on your expenses. |
| What is not included in the out-of-pocket limit? | Premiums, cost sharing for non-EHBs, and health care this plan does not cover. | Even though you pay these expenses, they don't count toward the out-of-pocket limit. |
| Will you pay less if you use a network provider? | Yes. See www.kp.org or call 1-888-865-5813 (TTY: 711) for a list of network providers. | This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services. |
| Do you need a referral to see a specialist? | Yes, but you may self-refer to certain specialists. | This plan will pay some or all of the costs to see a specialist for covered services but only if you have a referral before you see the specialist. |

All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.
